## Ni Hsin In Strategic Tie-Up With SIRIM To Set Up Lithium-Ion Battery Recycling Plant

KUALA LUMPUR (Dec 15): Ni Hsin Group Bhd has signed a strategic collaboration with SIRIM Bhd to set up a lithium-ion battery recycling plant in Malaysia.

In a filing with Bursa Malaysia, the group said the collaboration was inked by its wholly-owned subsidiary Ni Hsin EV Tech Sdn Bhd (NH EV Tech) on Thursday (Dec 15).

Pursuant to the strategic collaboration, NH EV Tech and SIRIM will commence discussions and negotiations on the structures and terms of the proposal, for formalising the intentions and mutual agreement of the parties in relation to the proposal.
