## GHL bags petrol subsidy contract

PETALING JAYA: GHL Systems Bhd has been awarded a contract by the government for a petrol subsidy programme.

In a filing with Bursa Malaysia, GHL said that as disclosed in the Finance Ministry's (MoF) procurement portal, GHL Transact Sdn Bhd, a 100% owned subsidiary of GHL, had been awarded a project via a tender process by the MoF to propose, research, design, develop, supply, implement, test and to operate the hardware, software and applications for the RON95 Petrol Subsidy by Request For Proposal (RFP) for RM25.03mil.
