As at the date of authorisation of these interim financial report, the following FRSs, IC interpretations and Amendments to IC Interpretation were issued but not yet effective and have not been applied by the Group for the financial year ending 30 June 2016. These standards will not have a material impact on the financial statements in the period of initial application, except as discussed below:

IC interpretation 15: Agreements for Construction

This Interpretation clarifies when and how revenue and related expenses from the sale of a real estate unit should be recognised if an agreement between a developer and a buyer is reached before construction of the real estate is completed. Furthermore, the Interpretation provides guidance on how to determine whether an agreement is within the scope of FRS 111: Construction Contracts or FRS 118: Revenue

At the end of the reporting period, the Group recognises revenue and associated cost from the construction of real estate by reference to the stage of completion of construction works. The Group is in the process of assessing the impact of implementing this Interpretation.

As stated in our audited financial statements for the financial year ended 30 June 2016, the Group has yet to adopt the Malaysian Financial Reporting Standards (“MFRS”) framework, but has elected to be a transitioning entity which will only adopt the MRFS framework for financial year ending 30 June 2018.

ADDITIONAL INFORMATION AS REQUIRED BY APPENDIX 9B OF BMSB LISTING REQUIREMENTS

1. Review of Performance of the Group for the Quarter and Financial Year-To-Date

- 1. a** The Group turnover decreased by 1% to RM55.65 million for the fourth quarter of 2017 as compared to RM56.39 million recorded for the corresponding quarter of last year. The Group recorded loss before tax of RM4.03 million in the current quarter as compared to a profit before tax of RM11.72 million in the corresponding quarter of last year.

The Group's quarterly performance as per segmental divisions is as follows:

Property Development division's revenue decreased by 2% to RM51.03 million in Q4' 2017 (Q4' 2016: RM51.97 million). Loss before tax is RM0.87 million as compared to a profit before tax of RM13.59 million in the corresponding quarter of last year. The decrease in revenue and profit before tax is due to lower sales and higher operating expenses. In addition, there was also a one-off provisioning of RM4.14 million as potential bad debts arising from its U-Mall shopping mall operation in Taman Pulai Utama, Johor Bahru during the financial quarter under review.

Construction division's revenue decreased by 7% to RM2.37 million in Q4' 2017 (Q4' 2016: RM2.54 million). Loss before tax is RM2.09 million (Q4' 2016: Loss of RM1.30 million). The decrease in revenue is mainly due to lesser outside jobs secured by the division while the losses arose from higher operating expenses.

Hotel division's revenue increased by 20% to RM2.25 million in Q4' 2017 (Q4' 2016: RM1.88 million). Loss before tax is RM1.07 million (Q4' 2016: Loss of RM0.57 million). The increase in loss before tax is mainly due to higher operating expenses arising from a staff retrenchment exercise and payment of service charges to staff following the implementation of the collective agreement with the hotel union during the quarter under review.

- 1. b** For the financial year to-date, the Group's revenue decreased by 26% to RM223.20 million (2016: RM301.03 million) while the Group's profit before tax decreased by 44% to RM21.41 million (Q4' 2016: RM37.94 million).

The Group's financial year to-date performance as per segmental divisions is as follows:

Property Development division's revenue decreased by 27% to RM209.26 million as at Q4' 2017 (2016: RM285.71 million). Profit before tax for the financial year to-date decreased by 35% to RM25.95 million (2016: RM40.17 million). The decrease in revenue and profit before tax is mainly due to lower sales, higher operating expenses as well as a one-off provisioning for potential bad debts of RM4.14 million mainly from its U-Mall shopping mall operation in Taman Pulai Utama, Johor Bahru.

Construction division's revenue decreased by 7% to RM6.75 million as at Q4' 2017 (2016: RM7.27 million). Loss before tax is RM2.52 million for the financial year to-date (Q4' 2016: Loss of RM 1.81 million). The decrease in revenue and increase in losses is attributed to lesser outside jobs secured and higher operating overheads.

Hotel division's revenue decreased by 11% to RM7.19 million as at Q4' 2017 (2016: RM8.05 million). Loss before tax is RM2.02 million for the financial year to-date (2016: Loss of RM0.42 million). The decrease in revenue is due to lower sales as a result of intense competition from the many boutique hotels in Kluang town while the increase in loss before tax is mainly due to higher operating expenses arising from a staff retrenchment exercise and payment of service charges to staff following the implementation of the collective agreement with the hotel union during the quarter under review.

2. Material Changes in Profit Before Taxation for the Quarter Reported On as Compared with the Immediate Preceding Quarter

Group profit before tax decreased from RM0.92 million in the preceding quarter to a loss before tax of RM4.04 million in the current quarter. This is mainly due to higher operating expenses as well as a one-off provisioning for potential bad debts of RM4.14 million mainly from its U-Mall shopping mall operations during the quarter under review.

3. Prospects for the Financial Year

Despite the cooling measures initiated by the government the past few years to check the property market from rising too rapidly, the Board is optimistic of the Group's performance for the financial year 2017 mainly from the continuing contributions by its two main Klang Valley projects:

a) Concerto North Kiara in Kuala Lumpur: A high-end condominium project consisting of 3 tower blocks with a total of 440 units and bearing a total gross development value of about RM575 million. It was completed in December of 2015.

As at to-date, more than RM450 million in sales has been recorded.

b) Home Tree in the vicinity of Kota Kemuning, Shah Alam, Selangor: This development on 151 acres of land will comprise about 200 units of high-end bungalows and various other types of other houses and a similar number of commercial units bearing a total gross development value of at least RM1.8 billion. It is ear-marked for completion in about 4 years time.

Phase 1, comprising 101 units of bungalows was launched in July 2013 and is close to fully sold. As at to-date, more than RM265 million in sales has been recorded. It was completed in July 2016.

Phase 2 comprising 99 units of bungalows and 166 units of semi-Ds will be officially launched on August 27, 2017 while Phase 5 comprising 23 units of 3 / 4 storey semi-D and bungalow shophots is expected to be launched soon. The Group is currently in the final stages of securing the necessary approvals from the relevant authorities before doing an official launch for phase 5.

The Group is optimistic that these projects as well as existing ones will contribute positively to its earnings.

4. Variance on Profit Forecast

The Group did not issue any profit forecast or profit guarantee.

5. Profit for the period

Profit before taxation is derived after taking into consideration of the following:
