For the first quarter ended 30 September 2017 (1QFY2018), revenue jumped to record high by 34.4% to RM107.6 million in comparison to the quarter in the preceding year due to additional sales contribution from the Sexual Wellness segment.

Sales contributed by Sexual Wellness segment grew by 38.3% to RM99.1 million for the current quarter as compared to the same period a year ago. Competitive pricing strategy to capture tender orders during the challenging climate continued to expand our market share in the tender market. Correspondingly, tender shipments to Asia and Africa regions increased during the quarter.

Revenue contribution from Medical and Other segments remain stable at RM7.0 million and RM1.5 million respectively for the current quarter as compared to the same period a year ago.

Result from operating activities was lower due to pressure on tender prices and rising production costs coupled with higher distribution and administrative expenses. Distribution and administrative expenses pertaining to efforts to build Own Brands through advertisement, hiring of human capital and expansion of our distribution network continued to impact profitability. Net foreign exchange losses was minimal at RM41,000 for the current quarter as compared to net gain of RM1.1 million in the same period a year ago. Correspondingly, profit before tax, profit after tax and profit attributable to owners of the Company were also lower.

B2. Variance of results for the current quarter ended 30 June 2018 against the immediate preceding quarter

	3 MONTHS ENDED			
	30.9.2017 RM'000	30.6.2017 RM'000	Variance RM'000	%
Revenue	107,591	91,633	15,958	17.4

Profit after tax	4,183	3,008	1,175	39.1
Profit attributable to owners of the Company	4,213	2,900	1,313	45.3

Revenue in 1QFY2018 increased by 17.4% or RM16.0 million as compared to the previous quarter. Sales from the Sexual Wellness segment increased by 18.5% or RM15.1 million due to stronger demand for condoms. Gross profit margin remained stable at 26% due to pricing pressures in the tender segment. Distribution expenses had increased due to higher freight costs for shipments to Africa and Asia as well as the marketing cost for the launch of the MyOne range of condoms in US via an e-commerce platform. Net foreign exchange losses was minimal at RM41,000 in the current quarter as compared to losses of RM0.6 million in the previous quarter. Profit before tax, profit after tax and profit attributable to owners of the Company were higher as a result of better performance during the quarter.

B3. a) Group's Prospects for the financial year ending 30 June 2018 ("FYE 2018")

The Group remains optimistic about the prospects in FYE 2018 and that the challenging climate experienced over the last few months will result in industry consolidation in the long run. We are encouraged by the tender orders that we have captured due to our aggressive pricing strategy over the last few months and are optimistic that we will be in an advantageous position when pricing in the tender market recovers in the medium term. New innovations including the production of ultrathin condoms is expected to contribute positively to our OEM business segment in the form of higher selling prices. Our branded segment is also expected to expand via new product launches such as the recently launched MyOne range of fitted condoms in the US as well as new market entries that are constantly expected throughout the course of the FYE2018.
