# CHAIRMAN'S STATEMENT

Dear valued shareholders,

On behalf of the Board of Directors ("Board") of Sinotop Holdings Berhad ("Sinotop" or "Group"), I am pleased to the Annual Report and Audited Financial Statements of Sinotop and its subsidiaries ("Group") for the financial period ended 30 June 2018.

The Group changed its financial year end from 31 December to 30 June and the current reporting period is the transitional period for the first set of financial statements that were made up to 30 June.

## **REVIEW OF OPERATING ENVIRONMENT**

The Group Managing Director, Mr Pan Ding will be briefing on updates on the Group's business performance and review of operating environment. Mr Pan is the director primarily responsible for formulating the overall strategic direction and plans for the Group.

## **CORPORATE GOVERNANCE**

On the corporate governance front, it remains as the Board's main agenda to conform to corporate governance best practices. The Board concurs that the nurture of culture and these best practices are to be internalized in the Group's policies and procedures for thorough compliance. In fact, good corporate governance without compromise is part of the core values of the Group's corporate culture.

# **BOARD SIZE AND COMPOSITION**

The Group is currently steered by a Board of Directors which is of an optimal size and mix of talents. There are equal number of three (3) Executive Directors and three (3) Independent Directors. Apart from its size, the current Board members have a very good mix of entrepreneurship, industrial and professional background. Hence, the Board is satisfied over its size and composition and believes that Board members have the essential mix of experience and skills to carry out their fiduciary duties well.

## OTHER CORPORATE GOVERNANCE BEST PRACTICE

The Board practices segregation of duties and power, the roles of Chairman and Group Managing Director are being held by different individuals. Segregation of these top positions in the Group balances power, and provides an effective check and balance mechanism within the Board when the respective members are carrying out their fiduciary duties. It is consistent to the Group's vow and determination to apply principles of good corporate governance.

# WORDS OF APPRECIATION

The Board continues its support and expresses gratitude towards the Executive Directors who had contributed efforts beyond speech in managing the Group's business operations.

On behalf of the Board all my fellow Board members, I thank you for all your unwavering support and immense contribution of ideas that throughout the year in guiding the Group. Lastly, I would like to express our sincere appreciation to all shareholders and stakeholders for their faithful support and patience.

Yours truly, Datuk Dr. Ng Bee Ken Independent Non-Executive Chairman

# MANAGING DIRECTOR'S STATEMENT 董事经理献词

## Dear esteemed shareholders

尊敬的股东大家好

I am honoured to present the Managing Director's Statement to shareholders of Sinotop Holdings Berhad ("**Sinotop**"). Sinotop announced on 29 December 2017 that it changed its financial year end from 31 December to 30 June. For this round, I will be briefing on the Company's information for the 18-month financial period ended 30 June 2018

我很荣幸为顶峰控股集团有限公司("**顶峰**"或"公司")的股东们再次发表董事经理献词。由于顶峰以在2017年12月29号宣布将公司的财政年度从过往的每年12月31号换成6月30号,因而此次我向各位股东汇报的是公司在过去18个月财政期的概况。

# **RESULTS BRIEFING**

For the financial period then ended, the operational sub-subsidiary of Sinotop, Top Textile (Suzhou) Co., Ltd., ("**Top Textile**" or "**Subsidiary**") recorded sales revenue of RMB328 million (2016-12M: RMB276 million) and profit after tax of RMB848,000 (2016-12M: RMB4.14 million).

## 业绩汇报

截至 2018 年 6 月 30 日的财政期,顶峰旗下子公司中国托普纺织(苏州)有限公司("**托普**")的销售额为 3 亿 2848 万元人民币(2016 年 12 个月: 2 亿 7621 万元人民币),税后盈利则为 84.8 万元人民币( 2016: 414 万元人民币)。

Fabric production business remains as Top Textile's core business operation and I shall move on to brief about the Company's overall operational and visionary matters.

托普依然以面料生产业务为主轴,以下我将公司的运营概况和理念方向为各位做一个汇报。

## 1. COST MANAGEMENT AND SALES STRATEGIES 成本管理与销售策略

# (i) RAW MATERIALS 原材料

The Company secures its supplies of raw materials from suppliers with good reputations to ensure good quality of the raw materials with reliable supply at the most favourable price.

向信誉良好的供应商取货,以确保原材料质量受保证并供应稳定并且锁定最佳价格。

Company No: 114842 - H

# (ii) ENERGY 能源

Since the Chinese government ("Government") imposes mandatory requirements regarding the source of procuring steam for industrial use and the ban on use of coal two years ago, the energy cost element in the total production overhead has increased significantly and hence vigilant energy costs control has been an important agenda of Top Textile.

自从政府在两年前强制性规定改用工业用蒸气供应来源和禁用煤炭作为燃料后,托普的生产成本面临剧涨,因此积极控制能源成本成了托普重要事项之一。

The Government mandated manufacturers to obtain supply of steam from power plants and a switch from coal to the use of liquefied natural gas (LPG) on grounds of environmental preservation. Furthermore back then two years ago, the Company's main production facility, i.e. its jet-loom machines, have been in use for over 10 years since the machines were first deployed into production, hence the efficiency of these machines has dropped and maintenance costs have shot up considerably, increasing the total production overhead of the Company.

政府规定纺织厂改用热电厂集中供蒸汽取代传统上更具经济效益但不环保的煤炭锅炉产蒸汽,除此当时托普的主要生产设备喷气织机使用年限已经超过10年,设备效率及维修保养成本大幅度上涨也影响公司生产成本。

One of the tactics adopted was Top Textile phased out some compact-sized air compressors and replaced them with an America-made larger capacity and energy efficient compressor in response to the afore-mentioned situations. This tactic has been effective. Apart from being more energy-efficient than the previous coal-powered compressor, the new set of compressor is capable of producing sufficient supplies of compressed steam (used in the jet loom machines). As a result, Top Textile has reduced considerably its reliance on third party suppliers and any possible price hike that will certainly have unfavourable cost impact on the production overhead. Furthermore, self-sufficiency of steam supplies also has contributed to least interruption in the production schedule planning, and a greater control over costs.

托普所实施的其中一个策略为淘汰原来多台小型空压机,转用美国寿力牌大容量空压机,效果理想;该套配备具有节能功效,同时也确保托普在在供气生产方面自供自足,大幅度减低对第三方压缩空气供应商的依赖,一箭双雕达到成本控制和供气稳定的目的。此外,面料生产规划较少受到(供汽)干扰,成本控制也比较好掌握。

## (iii) LABOUR COSTS

China government has been devoting unrelenting effort in labour market policy reform. As such, competitive advantages in terms of costs that China labour market used to enjoy has diminished over the years. Rising labour costs have turned the factor into China's competitive disadvantage. China's one-child policy has been in place for over 35 years, and has inevitably skewed the age and demographic profiles of its population. Generation born under the one-child policy has shrunk the country's employable labour force. Generally, nowadays younger generation in the working class is unwilling to work in factories or leave their hometowns to work in faraway places. Apart from the afore-mentioned, the country is facing ageing issue as well, which exaggerates the labour costs escalation challenge. 随着中国政府近年来极力推进民生工程,改革劳动力政策;因此,现在中国劳动力市场已不再廉宜,过往的优势有转化成劣势的趋向。由于一胎政策施行了超过35年之久,年轻劳动力群体人口大幅度萎缩。当今就业群体因为当地发展,普遍不太愿意离乡别并外出打工。除此,一胎也造成人口老化的问题,更是加剧了人力资源与其成本的窘境。

With the consultation of professional human resource consultants, Top Textile has been providing training courses and team-building activities for staff. Apart from organizing training courses, Top Textile review its operation procedures with a view to identify areas of improvement, introduce change / adjustments so as to cut wastages of materials and production hours to a minimal level, which ultimately has increase the overall productivity.

在人力资源咨询顾问的专业协助下, 托普积极提供员工培训课程,建立全面团队文化,审核生产部运作,从各方面作出合适调整。此举有助于整合工人团队工作效率,进一步减低原材料耗损及提升人力资源管理。

Overall, the workers turnover rate at Top Textile remain manageable as Top Textile has been proven being able to provide job security.

由于托普能够提供就业保障,迄今员工流失率尚在可掌控范围内。

Company No: 114842 - H

## (iv) PRODUCT VALUE CHAIN AND RESEARCH AND DEVELOPMENT

Top Textile has a sizeable number of customers who are export-oriented garment manufacturers. These customers have stringent requirements and expectation on product specifications, which causes our product value chain to be more complicated. Nevertheless, high expectation from our customers has turned into a solid proof of our strength, competitiveness and market positioning. The Company will continue to develop more products at a faster pace to meet customer requirements and fulfill orders replenishment from existing customers, and eventually market share expansion.

托普的客户当中,有不少是做出口市场的成衣厂家;因此,对于产品质量要求很高,价值链是愈趋复杂。客户高质量的要求恰好印证了托普的强项,竞争力与市场定位;公司的产品研发部持续开发新品种,将产品的种类多元化,快速达到客户对产品变化的要求,稳固现有客户追加订单,同时也是公司提高市场占有率的重要筹码。

# 2. CONTINUAL ENHANCEMENT OF TOP TEXTILE'S MANAGEMENT INFORMATION SYSTEM ("MIS")

The management of Top Textile reckons that Top Textile's MIS is an integral part of the Sinotop Group's control system as it captures production and other data which eventually will be flowed into the Group's accounting system and used in various performance analyses. Hence, the Group has initiated a makeover on upgrading of the MIS in 2012 and had successfully deployed into application an Enterprise Resource Planning System ("ERP") at end of year 2014, which is the commencement of a computerized production management era.

管理层认同托普的信息系统("**系统**")是顶峰集团的一个关键环节,因为系统所存放的生产及其部门的数据最终会被运用在各种数据分析当中并且被记载入财务报表内,因此,托普在 2012 年致力投入资源作全面系统升级,并且在 2014 年末全面投入运用企业资源计划系统("**ERP**"),掀开了电脑化生产管理的序幕。

In 2016, Top Textile engaged a Certified Public Accountants ("CPA") firm, Suzhou Hao Sheng CPA ("Suzhou Hao Sheng") and outsourced its internal audit function to the firm. Suzhou Hao Sheng conducted an independent review on Top Textile's MIS from the perspectives of the accounting system and the ERP. In view of the ERP being a remarkable milestone in the history of Top Textile, the independent review on the MIS of Top Textile is essential in providing confidence endorsement and confidence of the MIS with regard to its effectiveness, adequacy, and integrity.

集团聘用了苏州昊盛会计师事务所("**昊盛**")为内部审计师; 昊盛的聘约包含了对托普信息系统进行从会计系统和 ERP 角度的独立回顾。ERP 是托普发展的一个重要的里程碑,因此让昊盛对 ERP 作独立回顾使必要的,其旨在于提供对系统的效果、其充足性和诚信度提供了信心和验证。

After performing their internal audit procedures in the review of Top Textile's MIS, Suzhou Hao Sheng, in its capacity as the Group's internal auditor ("IA"), concluded in the internal audit report that the MIS implemented at Top Textile is ascertained to be at mid to high rank among the fabric production industry.

吴盛的内部审计结果显示托普的信息系统平在行业中是居于中高水平。

The IA recommended some enhancement/upgrading to Top Textile's MIS of higher technology. We concur with the IA that the recommended system enhancement/upgrading is beneficial to the Group, however, prior to committing in any system enhancement/upgrading plans, a detailed cost-benefit analysis must be carried out to ensure the upgrading is able to bring long term benefits to Top Textile's operations.

吴盛也提出了一些技术层面上的改善、提升建议,我们认同这些改善、提升必然有利于集团;但是,在系统改善、提升工作 展开之前必须得进行一项详尽的成本效益分析以确保能为托普带来长远利益。

Company No: 114842 - H

## 3. CORPORATE GOVERNANCE 企业监管

# TRADE RECEIVABLES 应收账款

During the financial period, the level of outstanding trade receivables has reduced substantially as a result of step-up efforts made by the management in the working capital management of Top Textile.

在过去 18 个月内,托普的应收账款大幅度下降, 这些都是管理层努力不懈积极控制流动资金的成果。

Whilst striving for higher sales revenue and market share, the Company remains cautious, prudent and diligent in managing our portfolio of customers. The Management assures our shareholders that we ensure the Company deals with customers of high credit-worthiness. We will not compromise any risk of unrecoverable debts for the sake of securing sales order.

即使托普仍努力争取提高销售额和市场份额,但公司依然审慎评估客户。管理层始终以保障公司和股东们的利益为大前提,只选择高质量客户,不会因为销售业绩而冒着不能回款的风险接单。

## 4. JOINT VENTURE INVESTMENT IN HL PAINTING CO. ("HAN LING")

联营投资-苏州韩羚包装有限公司("韩羚")

In 2015, Top Textile sealed a joint venture investment in Han Ling. To date, the total cost of investment to date is RMB12.6 million (approximately RM7.686 million) for the Group's 50% equity interest in Han Ling. The principal business operations of Han Ling are painting of labels and patterns on the exterior of glass and plastic bottles and jars for packaging of cosmetic/skin care as well as other consumer products. Since the commencement of trial production run at end of 2015 and continual calibration and commissioning of production lines, Han Ling operated at round-the-clock full capacity production starting from 2017. For the 18-month financial period ended 30 June 2018, Han Ling's revenue is RMB 11.79 million, and have started to accrue some profits which contributes to the earnings of the Group.

托普自 2015 年起迄今总共投入了 1260 万元人民币 (约马币 768.6 万)的资金持有韩羚 50%的股份。韩羚的主营业务是玻璃及塑料制品的喷涂和涂装,用于化妆品的包装瓶罐。韩羚于 2015 年底开始小批量试生产, 经过各阶段调试之后,所有流水线于 2017 年正式全天候运作。截至 2018 年 6 月 30 号,韩羚的销售额为 1179 万元人民币, 也已转亏为盈,开始为集团整体收益作出贡献。

# 5. PROJECT MANAGEMENT SERVICES AND INFRASTRUCTURE CONSTRUCTION

# 工程管理和基本建设业务

The group has diversified its business to include project management services and infrastructure construction business through its wholly-owned subsidiary, Gorgeous Goldhill Sdn. Bhd. ("**GGSB**") helmed by Dato' Soo Sze Ching. GGSB has started to contribute to the earnings of the Group.

顶峰集团通过独资子公司,Gorgeous Goldhill Sdn. Bhd. ("GGSB"),已把旗下的主营业务拓展到工程管理和基本建设业务。GGSB 是由拿督苏仕振 所掌舵,目前专注于基本建设工程业务,已经为集团的收益带来贡献。

Company No: 114842 - H

## 6. UPDATES ON THE ECONOMIC AND INDUSTRIAL ENVIRONMENT 经济大环境简报

Currently, China government is advocating wrenching measures in supply side structural reform, to shift the economy's growth drivers from large-scale investments and export-oriented manufacturing sector to a more sustainable domestic consumption-based and service sector growth model. The supply-side structural reform on one hand is aimed at managing the adverse impact from the global economic slowdown on the China economy, whilst on the other hand, it is a bridge to introduce the concept of economy new normal (which indicates that stellar growth rates in the past three decades will not be replicated indefinitely into the future).

目前,中国政府正积极推动供给侧结构性改革,把中国的经济体系从过往依靠大规模投资驱动和低成本出口导向的发展模式, 转型升级到由内需作主导的经济模式;一方面是对应全球经济放缓而造成的制造业产品出口需求下滑,另一方面则是适应和 引领中国经济发展的新常态。

As world major manufacturer, the China manufacturing sector is currently facing the following situation:

作为世界主要制成品出口国,现今中国制造业所面对的整体概况如下:

(i) Shrinkage in the global demand;

国际市场需求的减缓;

- (ii) Significant spike in the labour costs resulting in erosion of competitiveness; and 劳动力成本剧增而造成竞争力减低;及
- (iii) Compulsory switch from the use of coal to LPG imposed by the government on grounds of environmental preservation (this has directly impacted the production overheads and profit margin of Top Textile). 政府加速推动环保,进一步强制工厂以热电厂集中供蒸汽取代煤炭作为燃料,因此推高了整体蒸汽使用成本,减低了利润。

The management is putting in effort to improve the profitability of the Group, in this turbulent situation especially for conventional human-intensive industries. Inherently, garments and fabric household products are consumer goods with relatively higher elasticity of demand.

管理层也在努力不懈的经营,期望在当前经济滑坡并且对人工密集类型的制造业不理想的大环境中能够把集团的盈利提高,主要是纺织产品本身就是一种比较高弹性的消费品。

# 7. OUTLOOK 展望

As the China economy enters the age of new normal, growth rates in the near future is believed to be comparatively lower, coupled with the high base effect of stellar growth rates achieved in the past. China economic growth is expected to normalize into a more stable pace at more sustainable rates. However, even if the economy is not doing well, this labour-intensive industry will not be phased out as it is the backbone of one of the basic necessities that cannot be done away. 中国经济增长趋势正迈向新常态,在高基数效应的拱托之下,与过往的高速成长明显的减低许多。然而纺织行业这一个劳动密集型的行业不会被时代所淘汰;相反地,即便是经济局势再低迷,纺织业仍然是支撑着人类四大需求,衣、食、住、行之首的骨干。

In the downturn, the management adopts a strategy of being innovative to differentiate from competitors. Research and development of new products remains a core activity to increase business volumes. Below are the factors that support our stance that the fabric manufacturing industry remains relevant:

在当前低迷的运营环境中,管理层采取了创新概念以便能够在同行当中脱颖而出,研发新品种仍然是主力活动。

(i) Stable political climate in China and various efforts are devoted towards the structural reforms of the China economy to stimulate growth of service sector and domestic demand. Domestic market demand is targeted as the major growth factor in the China GDP, which aimed at increasing the consumer groups and purchasing power of its people; 中国政局稳定 政府积极推经济体系动结构性改革以刺激服务行业和内需,把内需市场定位转化为往后 GDP 增长率的主要推手,因而带动中国消费群体,预料消费力将持续增长;

Company No: 114842 - H

The quality of living continues to improve as a result of various social programmes initiated by the Chinese government ("Government"), such as urbanization programmes aimed at improving the well-being of people, and hence the demand for goods;

政府推动各项民生计划使得人民的生活质量得以提升,进而刺激需求;

(iii) Government's supportive stance towards manufacturing sector; and 政府极力支持制造业领域;及

(iv) Gargantuan domestic consumption market for basic necessities and fabric products from China's 1.4 billion populations. Domestic market will be the core factor that supports market share. 中国接近 14 亿人口的庞大消费群体是庞大的基本需求及纺织品市场。今后内需市场会持续扮演着更吃重的角色,继续 支撑市场。

Although the overall manufacturing industry in China has yet to recover from adverse effects of external factors in terms of global demand contraction, we believe the market will eventually back to a healthy level, gradually.

尽管中国整体的制造业尚未完全从之前的负面外围因素影响(全球市场萎缩及景气度欠佳)恢复,但在各方面的努力之下, 市场未来的展望是逐渐复苏。

Lastly, I would like to express my sincere gratitude to our shareholders for their patience and support. Together with my Management Team, we continue to work relentlessly to manage the business operations of Sinotop Group. 最后,我依然要对股东们的支持表示衷心的感谢!我和我的团队必定竭尽所能管理好集团业务。

# MANAGEMENT DISCUSSION AND ANALYSIS

The following Management Discussion and Analysis is a review on the Company and the Group and shall be read in conjunction with the audited financial statements.

## **BACKGROUND**

Sinotop Holdings Berhad ("Sinotop" or "Company" or "Group") was incorporated on 15 February 1984. The Company is listed on the Main Market of Bursa Malaysia Securites Berhad ("Bursa Securities"). The Company has two wholly-owned subsidiaries, namely,

- Be Top Group Limited, an investment holding company that in turn holds the entire equity interest in Top Textile (Suzhou) Co., Ltd., a company that involves in the production and sale of loom-state fabrics in China; and
- Gorgeous Goldhill Sdn. Bhd., a company that principally involves in the business of project management services and infrastructure construction.

## PRINCIPAL BUSINESS OPERATIONS OF THE GROUP

The principal business operations of the Group are as follows:

| Sub | osidiary                                       | Principal Business Activities  |
|-----|--|--|

| 2)  | Be Top Group Limited                           | Investment holding   |

Gorgeous Goldhill Sdn. Bhd. Project management services and infrastructure construction ("GGSB")

Top Textile has a corporate culture of achieving excellence, as demonstrated by the motto it has chosen "An Excellent Enterprise Establish and Ideal Platform". Top Textile remains relevant in the fabric production industry by being innovative in its products (through product differentiation strategy) and maintaining a high standard of product quality. It is Top Textile's priority to be never slack off in the face of technology because Top Textile believes that only with technical innovation quality of products will be guaranteed. With unrelenting efforts, Top Textile has built a solid record of good reputation among its customers that have enabled the business to sustain proudly despite operating in a relatively tough environment of weak demand. It is through consistently delivering products of good quality, Top Textile is able to retain its market share.

## FINANCIAL PERFORMANCE REVIEW

## **REVENUE**

The breakdown of the Group's revenue for financial period/year ended 30 June 2018 and 31 December 2016, respectively, is tabulated below:

Commenced operations in 2016 after receiving a Letter of Award from Asianmax Corporation Sdn. Bhd. on 1 September 2016

Company No: 114842 - H

The Group registered revenue of RM217 million compared to RM172 million. The main reason for the increase in revenue is attributable to increase in sales volume and average order price generated from the domestic market, contribution from the project management services and infrastructure construction business division.

In overall, there has not been any change in the sales and marketing direction of the Group with regard to the percentage mix on domestic and export markets.

## **OPERATING SEGMENTS REVIEW**

The Group's revenue is primarily generated from its major business operations in China through a sub-subsidiary, namely Top Textile. On this basis, we classified the Group's business operations into two (2) major segments, namely generated in and outside of China (please refer to Exhibit 1 above).

# **INVESTMENT IN A JOINT VENTURE**

The Group has a 50% equity interest in a joint venture, namely HL Painting Co. ("Han Ling"). The principal business activity of Han Ling is the packaging of plastic and glass made product, involving printing of logos, product information and decorative patterns according to customer requirements. Han Ling commenced its trial production run in December 2015 and subsequently embarked into full production in 2016. Commencing from 2017, Han Ling is on track to operate on a full production capacity in a round the clock 24-7 mode. In 2017, a new production line has been commissioned to cater for influx of orders that Han Ling management anticipates in the years to come, on ground that the previous production lines have not been able to cope with increased sales orders secured by Han Ling.

For the financial period ended 30 June 2018, the Group's share of loss for the 18-month period is RMB944,000 (RM593,000) compared to the Group's share of Han Ling's results is a net loss of RMB1,788,000 (RM1,113,000) for the financial year ended 31 December 2016. In fact, for the first 6 months in 2018, Han Ling made a minor profit of RMB688,000 (RM433,000). Management of Han Ling is confident that Han Ling will begin its era as a profit-making company commencing from the financial year ended 30 June 2019. The reason for a net loss reported by Han Ling for the 18-month financial period is that the company is still offsetting the start-up losses that it accumulated in the earlier years of 2015 and 2016.

In respect of calendar year 2018, the management of Han Ling projected the sales revenue of Han Ling will likely to surpass RMB14 million, on the back of sales order that it has secured, or, either in the progress of negotiating /finalizing on the terms of contracts, and the 6-month results recorded.

The average exchange rate used in the translation of the above financial information is RMB1: RM0.6290.

## LIQUIDITY POSITIONS REVIEW

From the perspective of financial position, the Group's liquidity remains healthy, cash and cash equivalents balances as at end of financial period/year 2018 and 2016 are RM36.3 million and RM70.7 million respectively. The cash flows were generated from the Group's operating activities.

# CAPITAL EXPENDITURE REQUIREMENTS, CAPITAL STRUCTURE AND CAPITAL RESOURCES

# i) Capital Expenditure Requirements

The Group's capital requirements for its fabric production segment remain minimal in the current financial period while the project management services segment does not require investment in capital expenditure.

## ii) Capital Structure

The Group does not have any plan to alter its capital structure as at the date of this Annual Report.

# iii) Capital Resources

Capital resource of the Group is from internally-generated funds.

Company No: 114842 - H

# UPDATES ON THE COMPLETED CORPORATE EXERCISE AND NEW DEVELOPMENT OF CORPORATE SCENE

Pursuant to the corporate exercises that involve capital reduction and repayment, share consolidation and diversification of business, completed on 13 April 2017, the Company has seen its wholly-owned subsidiary, Gorgeous Goldhill Sdn. Bhd. ("GGSB") has seen some encouraging income accretive potential that contributed to the earnings of the Group.

## SIGNING OF A BINDING TERM SHEET WITH DATO' SOO SZE CHING ("DATO' SOO")

On 20 April 2018, the Company entered into a binding term sheet with Dato' Soo to explore and negotiate further on a proposed acquisition by Sinotop of at least 60% equity interest and/or up to the entire equity interest in Asianmax Corporation Sdn. Bhd. ("ACSB") from Dato' Soo and/or such other shareholder(s) of ACSB to be procured by Dato' Soo for an indicative total purchase consideration of up to RM165.00 million for the entire stake.

# SIGNIFICANT FACTORS THAT AFFECT THE GROUP'S PRINCIPAL BUSINESS SEGMENTS AND MITIGATION MEASURES

The operating activities of the Group are likely to be affected by the following risk factors:

# **FABRIC PRODUCTION ("FP") BUSINESS**

## i) General economic performance

Under good economic conditions, the Group will have higher demand over its fabric products and hence better earnings potential accrued to the Group. Demand over the Group's fabric products is affected by the overall consumer demand of clothing and other fabric household products.

The Group mitigates risk of falling sales under general weak economic condition by being innovative in the design, be accommodative to customer's specification of its fabric products and stay focused in our core areas of competitive advantage.

# ii) Foreign currency risk

The Group is exposed to foreign currency risk on transaction and balances that are denominated in currencies other than the Group's functional currency, i.e. Renminbi. Fluctuations in foreign exchange rates will result in the Group being exposed to foreign currency risks as it exports to Middle Eastern and the United States markets. In addition, the Group also has deposits that are denominated in foreign currencies. The currencies that give rise to such foreign exchange risks are primarily the US Dollar, Renminbi and Hong Kong Dollar. The Group mitigates foreign currency risk by practicing close monitoring of the movement on foreign exchange rates.

# iii) Credit risk

The Group's business operations are exposed to credit risk, i.e. the risk of counterparties defaulting, arises from credit sales of its fabric products. The Group manages its exposure to credit risk through the application of appropriate credit approval, setting of credit limits based on the respective profile of customers and monitoring procedures on an ongoing basis.

# iv) Liquidity risk

Liquidity risk arises from the Group's cash flows generating from operating and funding activities. In this aspect, the Group is prudent to ensure the liquidity risk is well-contained at an acceptable level by prudently maintaining a sufficient level of cash balances and adequate working capital to meet financial obligations when they fall due.

# v) Quality, cost and supply of raw materials

The FP segment faces the possibility of stability of quality level, price spikes of and shortage in supply of yarns, being the major raw materials in this segment. The Group manages the risk of price hikes by maintaining a relatively strong negotiation power and ability to pass the additional cost to their customers. With regard to the stability of quality level and supply of raw materials, the Group mitigates this risk factor by retaining reliable suppliers.

Company No: 114842 - H

# PROJECT MANAGEMENT SERVICES AND INFRASTRUCTURE CONSTRUCTION ("PMIC")

The Group's PMIC segment will likely be affected by the following risk factors:

#### i) Business risks

The PMIC segment will be exposed to inherent business risks associated to the construction industry, amongst others, global and regional economic downturn that result in lesser construction project kick-offs, occurrence of *force majeure* events such as adverse weather conditions and natural disasters that may prolong the construction period.

The Group seeks to mitigate these risks by close monitoring of these risk factors and careful planning.

## ii) Operational risks

Prior to embarking on the PMIC business, the Group was primarily operating its fabric production business in China, and the PMIC is an entirely new business ventured into by the Group, hence, there is a certain degree of operational risks from this new venture.

The Group mitigates any possible adverse consequences in the operations of the PMIC business by appointing an Executive Director, Dato' Soo, who is an experienced entrepreneur and civil engineer by profession, to helm the segment. The vast exposure of Dato' Soo in this segment will definitely be the primary success factor in steering the Group to sail smoothly in the PMIC business segment.

# iii) Dependence on key personnel

The Group depends solely on Dato' Soo, the Executive Director managing the PMIC business segment. Apart from retaining the key management personnel, the Group recognizes the need to procure and train more suitably qualified talents to manage the PMIC business segment.

# iv) Competition risks

PMIC business segment that the Group ventured into has competition risks with other more established companies that operate in the same industry. However, having Dato' Soo as the Executive Director has largely mitigated this risk as the depth of Dato' Soo's exposure in construction industry has brought us confidence.

# COMMENTARY ON PROSPECT OF THE GROUP'S BUSINESS SEGMENTS

# i) Fabric production ("FP") segment

The FP segment helmed by the Group Managing Director and Executive Director is in an industry supported by fundamentals of one of the human basic necessities. Hence, although the FP segment is now going through a tough market phase, the Executive Directors who are responsible for its operations management represented the segment will remain relevant on the back of the afore-mentioned fundamental reason.

The fabric production segment has an Enterprise Resource Planning ("ERP") System that manages its production resources. Back in 2012, the idea of establishing the ERP was conceptualized by the Group MD and Executive Director responsible for the operations management of the fabric production segment. The ERP was planned and established as a mainstream fabric production process-oriented system developed and supported by Huansi Intelligent Technology Inc ("Huansi").

Currently, Huansi is the only China information system company that covers the entire value chain in the fabric manufacturing industry. It is also the largest information system company that concentrates on the configuration of MIS for manufacturers in the fabric manufacturing industry in China. With a responsible management team supported by a reliable and reasonably well-developed ERP system, the Group believes that the FP segment is in good hands.

Company No: 114842 - H

## ii) Project management services and infrastructure construction segment

The PMIC segment was established with the view to enhance the earnings base of the Group. Prior to embarking on this segment, the Group has made a great deal of efforts in identifying its potential, from the earnings contribution perspective and the way paved for venturing into the infrastructure construction related business.

The Malaysian government is supportive of infrastructure construction following the kick-off of the 11<sup>th</sup> Malaysia Plan in 2016. In general, the construction section will be a major catalyst of other economic sectors as construction activities utilize approximately 96 products of other sectors whilst employing 9.3% of the national workforce. Hence the construction sector remains capable to assume its role as an expeditious and effective economic driver, particularly during times of economic slowdown.

However, there is a note of caution that under the administration of the current government, contracts are being proactively reviewed and hence more time will be needed to have a clearer visibility of the near to medium term outlook of the construction sector. Otherwise, on the back of the positive factors mentioned, the long term outlook of the PMIC segment has the potential of achieving reasonably healthy growth.

## CONCLUSION

The management looks forward to a brighter prospect for the Group.

# **ECONOMIC SUSTAINABILITY (CONT'D)**

## **Sustainability Issues**

## Measures taken to counter these issues

Energy costs escalation

- The China government has mandated the cease of coal usage in the boiler used to generate steam for supply to the production process. Liquefied natural gas ("LPG") is used a substitute of coal.
  - In view of this, Top Textile has phased out a compact-sized compressor using boiler and replaced it with a larger capacity American-made compressor to supply steam required for used in the company's jet loom machines in the production of fabric. The higher costs of using LPG has partially been offset by the benefits of lower reliance on third party steam supplier and has made the production schedules face less disruption.

Intermittent power rationing during period of high electricity consumption

- Being a leader in the local entrepreneur that contributes to creating employment opportunities and promoting the economic well-being of Wujiang City, the local government has rewarded Top Textile by imposing less frequent power rationing schedule, which happens more often in summer where the consumption of electricity is high due to hot weather.
- b) Project management services and infrastructure construction business operated under a wholly-owned subsidiary in Malaysia, Gorgeous Goldhill Sdn. Bhd.

Diversification into project management services and infrastructure construction business ("Business Diversification")

- The management has foresight over the compelling need to strengthen the Group's earnings visibility and hence have embarked into the Business Diversification, with the objective to have more income-generating sources.
  - Over the period, the project management and infrastructure construction related business division has seen some positive income accretive potential, under the leadership of Dato' Soo, the executive director who is the principal steer of managing this business division.

Procurement of new projects

 This division is helmed by Dato' Soo who is a well-known seasoned entrepreneur in the construction industry. Under the leadership of Dato' Soo, the risk of being unable to procure contracts for new projects are reduced considerably.

# **ENVIRONMENT SUSTAINABILITY**

Industrial waste (including waste water) management

Industrial wastes (which may contain harmful chemical residues) from fabric production process that requires careful management as any contamination of land or the sewerage water system may result in hefty fine or even suspension/retract of business licence. The China government places high emphasis on issues that relate to environment protection.

In view of the responsibility of strict adherence to waste management compliance requirement, Top Textile invested in a waste water treatment and disposal system ("System") that has passed the stringent assessment of and endorse by the relevant government authority. Maintenance is performed from time to time to ensure satisfactory functioning of the System, not only to comply to the environmental law enforceable in China, but more importantly to ensure the continuity of business operation of Top Textile.

# SOCIAL SUSTAINABILITY Sustainability Issues

## Measures taken to counter these issues

Work safety

 Top Textile is a manufacturing-based company which majority of its workers are based at the production floor. As such, work safety at the production floor is one of the emphases that the management places high weightage on.

Top Textile implemented a work safety management system that originates from a commonly adopted 5S principles in production process, where it is a culture that enables and promotes efficient production by being focused and organised, which are also important principles that ensure work safety.

Use of environment-friendly materials in production process

Top Textile has since long changed the conventional process of sizing yarn using Polyvinyl Alcohol (PVA), and have refrained using PVA in its production process. PVA is commonly used in textile industry as a sizing agent on warp sizing and unfortunately is a cause of water pollution. In this manner, Top Textile contributes its share of effort towards the protection of environment.

Workers welfare schemes

Top Textile provides accommodation (adjacent to the factory) and meal options for workers (mainly to cater for outstation workers) at subsidized rates. The objective is based on humanity principle that the basic needs of accommodation and meals are well take care of to entice them into a longer term employment with Top Textile and hence maintain a more stable labour turnover.

Top Textile organizes training programmes that enhance the core skills required in a more efficient production with a view to improve productivity and simultaneously reduce downtime./wastages of materials.

Ensuing from the implementation of a tailored-commission Enterprise Resource Planning ("ERP") system, many workers who were previously computer illiterate / change-resistant have seen a very encouraging scenario (change in mindset), in overall, that not only these workers are now able to handle computerised systems, effortlessly, vis-à-vis to manual systems used previously, they are also able to utilize reports generated by the ERP system to improve operational efficiency.

The Group has outlined a Corporate Social Responsibility ("CSR") Policy adopted by the Board, which are subject to review from time to time to adapt to the prevailing situation and keep up with current development. The CSR policy can be found at the Company's website at <a href="https://www.sinotop.com.my">www.sinotop.com.my</a>.

# CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Board of Directors ("Board") of Sinotop Holdings Berhad ("Company" or "Sinotop") reckons the importance of good corporate governance practices which is a fundamental responsibility as a listed company. Good corporate governance is instrumental in preserving stakeholders' interests and enhancing shareholders' value. The Board is aware of and strives to incorporate values of recommended corporate governance practices in the Company and its subsidiaries ("Group").

Pursuant to the coming into force of the Corporate Governance Guide 2017 (Third Edition) ("**CG Guide 2017**") released by Bursa Malaysia Berhad in December 2017 and the Malaysian Code on Corporate Governance 2017 ("**MCCG 2017**") which superceded the earlier versions, the Board has taken steps to review and ensure compliance to the principles stipulated in both CG Guide 2017 and MCCG 2017. Accordingly, the Board is pleased to report on the corporate governance ("**CG**") practices required in CG Guide 2017 and MCCG 2017 and practiced by the Group during the financial period ended 30 June 2018.

In addition to this Corporate Governance Overview Statement ("Statement"), the Company has also completed a Corporate Governance Report that has been submitted together with this Annual Report (collectively referred to as "Reports") on the website of Bursa Malaysia Securities Berhad ("Bursa Securities"). The Statement is also accessible on the investor relation page of the Company's website, <a href="https://www.sinotop.com.my">www.sinotop.com.my</a>.

## PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS

## 1. BOARD RESPONSIBILITIES

# A) PRINCIPAL FUNCTIONS AND RESPONSIBILITIES OF THE BOARD

The Board is responsible for the overall financial performance and delivery of results of the Group. The Board has fiduciary duties and duty to exercise reasonable care, skills and diligence to various stakeholders of the Company. The Board's principal functions and responsibilities are guided by principles set out in the Board Charter, of which the gist is as follows, amongst others:-

- Formulation of the Group's strategic goals, review and approval of strategic proposals/plans tabled to the Board, and ensure appropriate allocation of resources to implement and monitor the strategic plans approved for the Group. The Board sets the strategic directions and long term targets of the Group, and it assumes the steering, supervision and monitoring roles over the strategic direction that the Group intends to head towards in long term;
- Oversee the conduct and performance of the management in implementing the strategic proposals;
- Oversee the management of the Group's business in terms of financial and operational performance to ensure the Group's businesses have been properly managed;
- Approval of revision of business strategies in line with the prevailing internal and external environment;
- Ensures integrity of the Group's financial information;
- Identify key risks factors that have significant impact on the Group's operations and performance;
- Establishment of a sound and effective risk management and internal control system to mitigate negative impact
  of the risks so identified;
- Review of adequacy and the integrity of the Group's risk management & internal control and management information systems.
- Assessment of business and/or investment opportunities to enhance the Group's financial performance;
- Review of succession planning, including appointment of senior management; and
- Develop and implement investor relations programme or shareholder communications policy.

The Company's Board Charter which was last reviewed by the Board on 10 October 2018 is available for review at the Company's website at <a href="https://www.sinotop.com.my">www.sinotop.com.my</a>.

Company No: 114842 - H

#### B) BOARD COMMITTEES

Board committees are established to assist the Board in the oversight of various aspects of the Company, including but not limited to financial, talent management of directors and senior management and remuneration of executive directors. There are three (3) Board Committees, which are Audit Committee ("AC"), Nominating Committee ("NC") and Remuneration Committee ("RC").

These Committees have been granted with full authority to investigate any matter within their scope of responsibility and to obtain satisfactory information as it may requires from directors and/or employees of the Group. In the event where independent professional advice are needed to discharge their duties, the Committees are entitled to engage external professionals and/or consultants at the cost of the Group after due consultation with the Board.

The Committees shall discharge their duties within their respective terms of reference and recommend to the Board for approval. The functions, roles and responsibilities of the AC are presented in the Audit Committee Report while other Committees' roles and responsibilities are detailed in this Statement.

## i) NOMINATING COMMITTEE

The NC is delegated with the responsibility of talent management for the Group. NC comprise solely of independent non-executive directors.

#### **CHAIRMAN**

Low Yan Seong Independent Non-Executive Director

#### **MEMBER**

Datuk Dr. Ng Bee Ken Independent Non-Executive Chairman

The NC's principal responsibilities are as follows:

- Recommend the nomination of Board members and senior management;
- Consideration over candidates recommended by the Group Managing Director ("Group MD") to be appointed as Board members or senior management;
- Recommend to the Board, directors to be elected as members of Board Committees;
- Identify, evaluate and recommend candidates for appointment as Company Secretary;
- Review annually the term of office and performance of the Audit Committee and each of its members;
- Assess annually the effectiveness of the Board as a whole, the Board committees and the contribution of each director and thereafter, table the results to the Board;
- Review annually the required mix of skills and experience and other qualities, including core competencies which non-executive directors should bring to the Board and thereafter, make recommendation to the Board;
- provide a documented, formal and transparent procedure for the appointment of Directors and Board Committee Members;
- recommend the nomination of a person or persons for directorship to be filled by shareholders or the Board;
- consider, in making its recommendations, candidates for directorships proposed by the Executive Directors and, within the bounds of practicability, by any other senior executive or any director or shareholder;
- recommend to the Board, directors to be appointed to the Board Committees;
- bring to the Board's attention results of NC annual review and recommend the Board on the next course of actions;
- assess the performance of each director, the Board and Board Committees; and
- review the Group's keyman succession plan and report to the Board.

Company No: 114842 - H

## NOMINATION POLICY

The key role of the NC is to assist the Board to identify and assess suitability of candidates to be appointed as Board members.

A formal nomination policy has been drawn up by the Company to assist the NC in the nomination criteria and process. The Company's directors nomination policy set out essential criteria of candidates for vacancy(ies) in the Board, and the process and procedures for directors nomination. The nomination policy can be found at the Company's website at <a href="https://www.sinotop.com.my">www.sinotop.com.my</a>.

In carrying out these duties, members of the NC have been identified as having respectable exposure in the corporate world, hence, they are well-versed with the essential qualities that any Board member must possess to maintain an effective Board.

# PROCESS AND PROCEDURE OF DIRECTOR/(S) NOMINATION

#### **BOARD ASSESSMENT**

The Board assesses its composition and the adequacy of members' exposure / knowledge in meeting the stewardship needs and decides whether there is any need and urgency to expand its size.

## REQUIRED PROFILE AND LIST OF COMPETENCIES OF CANDIDATES

The NC will table the list of preferred attributes of Board members, such as profile, competencies, industry exposure, professional qualification and employment background for Board confirmation.

## **COMMENCEMENT OF SEARCH**

The NC, through various channels, will commence the search for and invite suitable candidates to submit their resume. The channels that the NC can utilize include fellow Board members' / business associates' recommendation, trade association, professional bodies listing and professional headhunters.

# **SELECTION AND SHORTLISTING**

The NC will select and shortlist candidates based on the attributes that the Board is seeking. Matters that will be considered other than core competencies would be possible conflict of interest, commitment of time and factors that may lead to compromise of independence in discharging the duties as directors of a public listed company.

# **INTERVIEW**

Interview will be arranged for the shortlisted candidates.

## **VERIFICATION OF BACKGROUND**

The NC will perform verification checking on the candidates' declared background and profile with references provided by the candidate.

# NOMINATION OF THE FINALISED CANDIDATE AND BOARD APPROVAL

NC will nominate the finalized candidate that best suits the position and recommend to the Board for approval.

## FORMAL APPOINTMENT AND MANDATORY ACCREDITATION PROGRAMME ("MAP")

Formal appointment letter, registration with the Companies Commission of Malaysia as well as announcement to Bursa Securities will be made. All newly appointed directors of a listed company must attend the MAP within four months from the formal appointment date, pursuant to provisions in paragraph 15.08 of the Main Market Listing Requirements ("MMLR") and Practice Note 5 issued by Bursa Securities.

The NC supports recommendation in MCCG 2017 on gender diversity in Board composition and adopted a gender diversity policy. The Group will place emphasis on suitability of candidates for directorship and senior management posts, rather than purely selecting based on any specific gender preference, so as to consider the appointment of lady director(s) or senior management staff when there are suitable candidates. Nevertheless, the Group upholds the spirit of appointing directors to serve the Board based on merits and experience of the candidates without bias on race, age or gender. The same spirit applies when employing senior management staff of the Group.

## SUMMARY OF ACTIVITIES OF THE NC

Below are activities of the NC during the financial period ended 30 June 2018:

- Review of the mix of skill and experience and other qualities of the Board:
- Assessment of the effectiveness of the Board as a whole, the Board committees and the Directors;
- Annual assessment of the independence and performance of Independent Directors; and
- Discussion of the Company's Directors' retirement by rotation.

During the financial period, the NC has carried out an annual assessment on the independence of the independent directors. The criteria used in the assessment are based on requirements and definition in MMLR. Assessment has also been carried out on aspects as to whether the independent directors are able to express objective and independent views on issues raised for deliberation and decision-making at Board and Board Committee levels.

The NC has received confirmation letters from the independent directors confirming their independence and the exercise of independent judgment and that they have been able to act impartially in the best interest of the Company.

Based on the following points, the NC reported to the Board that to the best of its knowledge, all the independent directors were free from influence that could have affected their ability and willingness to exercise impartial professional judgment in deliberation of issues:

- All independent directors fulfilled the definition of independent director as set out in MMLR;
- All the independent directors has given a written confirmation to the Board confirming their independence;
- All independent directors had acted independently free from the management and had no business relationship with the Company, its subsidiaries and joint venture.

## C) BOARD MEETINGS

Board meetings are avenue for Board members to gather and deliberate on strategic, compliance, risk management and internal control issues relating to the Group. The Board meets up once every quarter for these purposes, and to be updated on strategic plans from management. There were eight (8) Board meetings held during the financial period ended 30 June 2018.

The summary of attendance of each Director is as follows:

| Directors                           | Number of Meetings Attended |  |  |
|-------------------------------------|-----------------------------|--|--|
| Datuk Dr. Ng Bee Ken                | 7/8                         |  |  |
| 2. Pan Ding                         | 8/8                         |  |  |
| 3. Pan Dong                         | 6/8                         |  |  |
| 4. Dato' Soo Sze Ching              | 6/8                         |  |  |
| 5. Low Yan Seong                    | 8/8                         |  |  |
| 6. Wan Kamarul Zaman Bin Wan Yaacob | 7/8                         |  |  |

## ACCESS TO AND SUPPLY OF INFORMATION BY BOARD MEMBERS

The Board meets at least four (4) times a year to deliberate on strategic, control and risk management issues. Senior management of the Group, who are responsible in determining the strategic direction of the Group will table business plans (e.g. diversification) to the Board. The Board will then examine business plans tabled and evaluate these plans from perspective such as the congruence of goals (of strategic plans and the Group's), alignment of the Group's strategic direction vis-à-vis direction of business plans proposed by executive directors (who are managers of the Group's businesses).

Under exceptional situation, the Board meets at appropriate times when circumstances warrant the call for meetings. All Directors are furnished with board papers that contain information of the agenda to be tabled at Board or Board Committee meetings. The Board/meeting papers will provide information relating to issues to be deliberated by the directors.

The Board invites senior management staff and auditors, when necessary, to attend Board meetings to furnish clarifications on issues that may be raised by the Directors on issues tabled to them. The Board has direct access to senior management staff to obtain complete.

## D) BOARD INDEPENDENCE AND EFFECTIVENESS

Board independence is essential in promoting Board effectiveness as an effective Board needs adequate check and balance mechanism to assess strategic plans tabled by executive directors to the Board.

# i) BOARD INDEPENDENCE

The roles of Independent Non-Executive Chairman and Group MD are held by separate individuals, with clear division of responsibilities and authorities. The Board is made up of three (3) executive and three (3) independent non-executive directors, respectively, to uphold its independence and effectiveness. Appointment of independent non-executive directors to the Board is a major check and balance mechanism in place to assess strategic directions of executive directors. It is a mechanism to ensure effective functioning of the Board.

# ii) BOARD EFFECTIVENESS

The presence of independent non-executive directors on Board ensures effectiveness of the Board as a whole. Below is narration of ways that Board effectiveness is achieved:

# > THROUGH THE PRESENCE OF INDEPENDENT DIRECTORS

Independent directors play the following roles in fulfilling their responsibilities to achieve Board effectiveness:

- a) Evaluate and assess business strategies tabled to the Board;
- b) Advise the Board on issues from an objective angle; and
- c) Provide constructive feedback to the Board.

The Company's independent directors are professionals in their own right with respectable business exposures, which the Board values and acknowledges that it has benefited greatly from advices and feedback it receives.

## > LEADERSHIP ROLE OF THE INDEPENDENT NON-EXECUTIVE CHAIRMAN

Chairman of the Group plays the primary role of leading the Board in discharging its fiduciary duties. The Chairman has a leadership role in the Board and Board meetings, therefore this position requires an individual with insights over the corporate matters as well as grasp over the industries the Group is operating in. Chairman of the Board ensures Board meeting agenda are carried through accordingly so that issues are updated to Board members, adequately deliberated and properly addressed to.

In addition to assuming a steering role in Board meetings, the Chairman also serves as the bridge between the Board and management of the Company or its subsidiaries, external advisors and the external auditors. During annual general meetings, Chairman of the Group will also assume the role of communication between shareholders and the Company.

## > SEPERATION OF POWER

Currently, Sinotop Board is led by a seasoned practicing lawyer with exposure in the corporate arena. The positions of Chairman and Group MD of the Group are held by two separate directors. Chairman of the Group is an independent non-executive director.

The segregation of the roles ensures balance of power and authority. The Chairman is responsible for the orderly conduct of the Board while the Group MD is responsible in ensuring the effective and efficient running of the Group's business and daily operations, as well as implementation of the Board's decisions. Segregation of positions (Chairman vis-à-vis Group MD) complies with the recommended best practice in the MCCG 2017.

## > INDEPENDENCE OF NON-EXECUTIVE DIRECTORS

The Independent Directors fulfil the criteria of independence as set out in the MMLR. The Board adopts a policy on annual assessment of independent directors and has undertaken an assessment of independence of the three (3) independent directors for the financial period ended 30 June 2018. The criteria used in assessing the independence of the independent directors are based on definition in MMLR, as well as whether they are able to provide objective and independent views on issues deliberated at Board and Board Committee levels. The Board has received written confirmation of independence from the respective independent directors.

## iii) NON-EXECUTIVE DIRECTORS' TENURE OF SERVICE

Under the MCCG 2017, service tenure of an independent director which exceeds a cumulative term of nine (9) years ("**Term**") upon completion of term, the re-election of such an independent director is subject to the annual approval by shareholders.

MCCG 2017 provides that after the Term, the independent director may continue to serve on the Board subject to:

- a) the director's re-designation as a non-independent director; or
- b) approval granted by shareholders in a general meeting for the independent director to be re-elected/reappointed and continue to serve on the Board.

## iv) RE- APPOINTMENT OF A LONG SERVICE INDEPENDENT DIRECTOR

Datuk Dr. Ng Bee Ken ("**Datuk Dr. Ng**"), the Independent Non-Executive Chairman who is also Chairman of the Audit Committee and a member of both Nominating and Remuneration Committees, was appointed to the Board on 27 January 2006 and has served the Company for a cumulative term of twelve (12) years.

The Board has reviewed and opined that Datuk Dr. Ng shall continue to serve the Board of the Company as Independent Non-Executive Chairman (Board and the Audit Committee). Through assessment of independence and regular engagement with Datuk Dr. Ng, the Board is of the view that the length of Datuk Dr. Ng's service on the Board does not in any way jeopardize the exercise of his independent judgement and capability to act in the best interest of the Company.

In view of the above, the Group is desirable for Datuk Dr. Ng to be retained as an independent director of the Company and as recommended under Recommendation 4.3 of the MCCG 2017, the Company will proceed to seek shareholders' approval to support the Board's decision to retain Datuk Dr. Ng as the Independent Non-Executive Chairman of the Company based on the following justifications:

- a) Datuk Dr. Ng fulfils the criteria under the definition of Independent Director as stated in the MMLR;
- b) Datuk Dr. Ng's stewardship of the Board has brought an element of objectivity to the Board;
- c) Datuk Dr. Ng being a seasoned law practitioner has accumulated vast diverse corporate exposure and therefore would be able to provide constructive viewpoints objectively, which definitely is advantageous to the Group and its shareholders;
- d) Datuk Dr. Ng's independence has not in any circumstance been jeopardized; due care was exercised during his tenure of service; and
- e) Datuk Dr. Ng had not entered into any related party transactions with the Group and has no conflict of interest with the Group.

## v) POLICIES

Company policies set by the management will be tabled to the Board for review, deliberation and approval as to its appropriateness. After these policies were granted initial approval for coming into force, there will be reviews being carried out from time to time to ensure its relevance to the prevailing market conditions of the Group's businesses, corporate governance requirements as well as adequacy in management of risk factors faced by the Company.

# vi) **COMPANY SECRETARY**

The roles of Company Secretary ("CS") have evolved to encompass the advisory role on compliance to and new development of corporate governance matters, in addition to keeping of statutory records and minutes of meeting (Board and Board committees) and filing of mandatory return. The Company and the Board is supported by a well-qualified joint-Company Secretary.

Principally, CS plays the following roles, of which the list is not exhaustive:

- Recording of minutes of Board and Board committees meetings;
- Maintaining and updating of statutory books, registers, meeting minutes and records of the Company;
- Ensure all Board meetings are properly convened, and that accurate and proper records of the proceedings and resolutions passed are recorded;
- Ensure that any change in the Group's statutory information should be duly completed in the relevant prescribed forms and lodged with the Registrar of Companies within the required period of time;
- Updating and explaining to the Board on corporate governance requirements and the actual practices that meet the compliance requirements; and
- Advising the Board/Board committees on the requirements to issue announcements to Bursa Securities
  pertaining to compliance to or deviation from listing requirements, corporate developments and/or
  transactions that entail mandatory public announcements.

## 2. BOARD COMPOSITION

#### INTRODUCTION

The Company is helmed by a Board comprising members of different background, including seasoned entrepreneurs, professional civil engineer, corporate law practitioners, corporate finance professional with accounting and auditing exposure. The Board presently comprises three (3) executive directors and three (3) independent non-executive directors, which complies to the MCCG 2017 recommendation that at least half of the Board comprises independent directors.

## **BOARD MEMBERS**

During the financial period ended 30 June 2018, the Board consists of six (6) Directors, namely:

| Director                         | Designation                                  |  |
|----------------------------------|--|--|
| Datuk Dr. Ng Bee Ken             | Independent Non-Executive Chairman           |  |
| Pan Ding                         | Group Managing Director / Executive Director |  |
| Pan Dong                         | Executive Director                           |  |
| Dato' Soo Sze Ching              | Executive Director                           |  |
| Low Yan Seong                    | Independent Non-Executive Director           |  |
| Wan Kamarul Zaman Bin Wan Yaacob | Independent Non-Executive Director           |  |

The Board opines that the current composition of Board members is of a balanced mix of professional background and industrial experience, of which the size is optimum too. Profile of the Board members is as set out on pages 3 to 5 of this Annual Report.

# A) ANNUAL ASSESSMENT OF BOARD MEMBERS (SELF EVALUATION) AND ASSESSMENT ON PERFORMANCE OF BOARD COMMITTEES

During the financial period ended 30 June 2018, Directors of the Company performed self-evaluation and assessment on the performance of Board Committees.

The objectives of the self-evaluation of Directors are

- assessment on the overall understanding as a Director of a listed company and initiate improvement of Board effectiveness:
- assessment on the contribution of views, insights when carrying out the fiduciary duties as Director of a listed company, either in individual capacity or collectively as a Board; and
- assessment on the level of participation and commitment as Board members.

The Board is satisfied over the self-evaluation of Board members that due care has been exercised while Board members were carrying out their fiduciary duties.

In addition, MCCG 2017 recommends that the Board shall undertake annual assessment of the independence of its independent directors. In line with this recommendation, the Board has outlined a policy to facilitate procedures for the annual independence assessment of the Group's Independent Directors.

The assessment on independent directors for the current financial period ended 30 June 2018 has been duly completed.

# B) DIRECTORS' APPOINTMENT AND RE-ELECTION

In accordance with the provisions of the Constitution of the Company, Directors who are appointed during the period are required to retire at the Annual General Meeting following his appointment. One-third of the directors for the time being or, if their number is not three or a multiple of three, then the number nearest to one-third shall retire from office provided always that an election of Directors shall take place each year and that all directors shall retire from office once at least in every three years. All directors who retire from office shall be eligible for re-election.

## 3. REMUNERATION

# A) DIRECTORS' REMUNERATION POLICY AND PROCEDURE

The group has drawn up a policy on remuneration of the executive and non-executive directors (collectively known as "**Directors**"). The remuneration policy is drawn up to provide a proper, systematic and documented set of procedures as guidelines for the RC in determining the remuneration packages of Directors.

RC recognizes that for an effective talent management, there is a need to be fair in rewarding the Directors in order to attract, retain and motivate the talents. RC's role is to set remuneration levels which ensure that the Directors are fairly and adequately rewarded for their performance of roles and duties.

The RC comprises the following members, all of whom are independent directors:

## **CHAIRMAN**

Wan Kamarul Zaman Bin Wan Yaacob Independent Non-Executive Director

**MEMBERS** 

Datuk Dr. Ng Bee Ken Independent Non-Executive Chairman
Low Yan Seong Independent Non-Executive Director

## i) FACTORS TO DETERMINE THE REMUNERATION OF DIRECTORS

- Scope of responsibilities of Directors in accordance with their roles assumed in the Group and/or Company and the degree of complexity of these duties;
- > Expertise, professional/industrial background of Directors;
- Management experience of Directors;
- Availability of similar talents as prospective candidates for directorship;
- Performance and contribution of the Directors towards achievement of the Group/Company;
- Market rates of Directors' salary/fees; and
- Market practices of other benefits such as payment of allowances, bonuses and benefits-in-kind.

# ii) REMUNERATION STRUCTURE OF DIRECTORS

# > REMUNERATION OF EXECUTIVE DIRECTORS

- a) All executive directors ("ED") are paid a fixed basic salary that commensurate with their expertise, professional/industrial background that have entailed their appointment as Directors; and
- b) All EDs are entitled to and will be paid meeting allowances for their attendance in meetings of the Board and/or Board Committees

The EDs shall abstain themselves from the deliberation and voting on of his remuneration packages, but may attend the meeting of the RC by invitation.

# > REMUNERATION OF NON-EXECUTIVE DIRECTORS

- a) Non-Executive Directors ("Non-ED") are paid a fixed amount of director's fee, without participation in any long term provident plans or pension schemes. The quantum of fee is varied between a more senior Non-ED who also assumes the role as Chairman of the Board, and other ordinary Non-EDs who sit in the Board of the Company.
- b) All Non-EDs are entitled to and will be paid meeting allowances for their attendance in meetings of the Board and/or Board Committees.

The remuneration of Non-EDs is determined by the Board as a whole, based on recommendation tabled to the Board by RC. Similarly, the Non-ED concerned shall abstain from discussion of his remuneration package.

The Board may review this policy from time to time to ensure its relevance to the prevailing conditions and circumstances.

# B) DISCLOSURE ON DIRECTORS' REMUNERATION

The remuneration received by Directors for the 18-month financial period ended 30 June 2018 is tabulated as follows: **Received from the Group**

### PRINCIPLE B: EFFECTIVE AUDIT AND RISK MANAGEMENT

### 1. AUDIT COMMITTEE

The Audit Committee ("AC") is responsible in assisting the Board to review the adequacy and integrity of the Group's financial reporting, risk management and internal control systems. The AC reviews all financial statements before recommending the Board for approval. The detailed roles, functions and responsibilities of the Audit Committee can be found on the Terms of Reference on the Company's website <a href="https://www.sinotop.com.my">www.sinotop.com.my</a>.

### 2. RISK MANAGEMENT AND INTERNAL CONTROL FRAMEWORK

The Board acknowledges it is crucial for the Group to maintain a sound system of risk management and internal control ("RMIC"), which is capable of providing reasonable assurance that the Group's assets and shareholders' investments in the Group are safeguarded. Nonetheless, due its inherent nature, the Group's RMIC system can only provide reasonable but not absolute assurance against material misstatements, fraud or wilful circumvention of rules and procedures.

In recognition of the importance of having in place a structured and organised approach to identify and manage appropriately risk factors affecting the Company, a risk management and internal control framework has been established to set out principles of the Company's risk identification and management culture, which provide input of its internal control system.

A Statement on Risk Management and Internal Control of the Company is set out on pages 44 to 47 of this Annual Report.

Company No: 114842 - H

### PRINCIPLE C: INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS

### 1. INTERGRITY IN CORPORATE REPORTING

Corporate reporting of the Company primarily comprises of financial results reporting, compliance-related reporting and corporate activities reporting.

### A) FINANCIAL REPORTING

The Company presents quarterly public financial announcements in accordance with the MMLR. The Board is assisted by the Audit Committee in ensuring quality and timely release of financial reports. The Board is responsible to ensure that the financial statements conform to the applicable rules, regulations and accounting standards issued by the Malaysian Accounting Standards Board.

### B) COMPLIANCE-RELATED REPORTING

Compliance-related reporting mainly concerns matters like announcement on book closure date, entitlement date and status updates on non-compliance to the public shareholding spread that requires at least 25% of the Company's shares must be held by public.

### C) CORPORATE ACTIVITIES REPORTING

Corporate activities reporting relate to announcement of plans and progress status updates on corporate exercises of the Company.

### D) REGULATORY REQUIREMENTS AND INTERNAL POLICY ON DISCLOSURE

### i) MAIN MARKET LISTING REQUIREMENTS ("MMLR")

MMLR requires that listed companies have obligations to make continuing disclosures on the following:

- Immediate disclosure of material information;
- Clarification, confirmation or denial of rumours;
- Unusual market activities; and
- Quarterly disclosures of financial results and annual audited financial reports.

### ii) MCCG 2017

### 5) SUMMARY OF WORK OF THE INTERNAL AUDIT FUNCTION

The Group recognizes the valuable review provided by internal auditors in assisting the Committee to ascertain the integrity and adequacy of the risk management and internal control ("RMIC") system, and currently in operation at the Group. The internal auditors are directed by the Board to report directly to the Committee on results of annual internal audit review carried out on the Group's RMIC system and the findings. The Committee has been made understood that any internal audit review provides a reasonable assurance but not absolute guarantee over the integrity and proper functioning of the Group's RMIC system.

During the financial period, with the recommendation of the Committee, the Board has outsourced the internal audit function of the Group to a certified public accountants ("CPA") firm namely Suzhou Hao Sheng Certified Public Accountants ("IA"), which based in Suzhou City, Jiangsu Province of the People's Republic of China. This is the second term internal audit review that Messrs Suzhou Hao Sheng has been appointed by the Group.

In respect of the current cycle of internal audit, the IA performed a review on the work safety topic of Top Textile (Suzhou) Co., Ltd's ("**Top Textile**") production and its implementation. The IA reported that Top Textile's work safety management is divided into three stages, namely,

- > The initial application of work safety (measures) based on 5S principles;
- > Strengthening of the integration of PDCA cycle management with activities in the 5S principles; and
- Promoting continual training on safety-related topics

Company No: 114842 - H

A report of the internal auditors' findings and recommendations was presented to the Committee for review and deliberation. The Committee looked into the internal audit report with emphasis on the reasonable comfort provided by the IA's conclusion that the work safety standard level at Top Textile is at the forefront of textile industry. A high standard of work safety is important to achieve higher productivity level. With a proper set of work safety guidelines in place, incidents of injury at work, loss of assets and hence the loss of labour force can be reduced, which consequently will enhance the production efficiency and economic benefits to the company. Work safety is indeed a prerequisite condition in production process.

The Committee acknowledged efforts put in by the management in maintaining a high standard work safety measures in the production process.

### STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

### INTRODUCTION

This Statement on Risk Management and Internal Control ("**RMIC**") is drawn pursuant to Paragraph 15.26(b) of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("**MMLR**") and was prepared in accordance with Statement On Risk Management and Internal Control: Guidelines for Directors of Listed Issuers ("**SRMIC Guidelines**")

The Board reckons the importance of establishing a sound risk management and internal control system to provide reasonable assurance, but not absolute elimination, of risks that exist in the operations, financial management and reporting as well as regulatory compliance aspects of the Group's operating environment (collectively known as the "Overall Operating Environment"). It shall be noted that the risk management and internal control system was designed to manage and monitor rather than to eliminate risks that could result in the Group not achieving its objectives.

The Group has an equity interest of 50% in a joint venture, namely HL Painting Co. which has not been dealt with as part of the Group for the purpose of applying the SRMIC Guidelines. Accordingly, the Board is pleased to provide the following statement, which outlines the nature and scope of Group internal controls during the financial period ended 30 June 2018.

### THE GOVERNING LAWS AND REGULATIONS

# MALAYSIAN CODE ON CORPORATE GOVERNANCE 2017 ("MCCG 2017") & CORPORATE GOVERNANCE GUIDE – THIRD EDITION ISSUED IN 2017 ("CG GUIDE 2017")

The MCCG 2017 and CG Guide 2017 require that Board of Directors of listed issuers to maintain a sound risk management and internal control system to safeguard shareholders' investments and the Group's assets.

### ROLES AND RESPONSIBILITY OF THE BOARD OF DIRECTORS ("BOARD")

The Board is responsible for

### (i) OVERSIGHT AND ASSESSMENT OF GROUP RMIC FRAMEWORK (SYSTEM AND PROCEDURES)

The Board holds an oversight role in the Group RMIC matters, in relation to the overall RMIC system and procedures, primarily to the key business and operational risk factors faced by the Group, as well as assessment of the impact on the Group's exposure to these risks. This is the very first important step in efforts devoted in safeguarding the Group's assets, shareholders' and other stakeholders' interests.

In the course of assessing the risk factors, the Board collectively determines the Group's tolerance level to each risk factor, to ensure sustainability of the Group's business continuity is not compromised.

### (ii) ENSURING APPROPRIATE AND TIMELY ACTIONS AND UPDATES

The management is accountable to the Board for the initiation and implementation of risk management and internal control system. These encompass the efficient execution of appropriate, effective procedures (that captures relevant data and able to produce reports to alert the management on any potential breach of risk tolerance level).

After the initial stage of designing and implementing of the RMIC system, preservation of its integrity will be the next most important task. In contrast, the Board plays the role of ensuring the management are alert to risk threatening the Group and responds to situation promptly. The Board has made it a fixed agenda that it receives regular status updates in Board meetings on project progress, relevant preventive and/or remedial action plans (where applicable) as well as results of remedial actions taken. The Board revisits and follows up on aspects highlighted previously by the executive directors in subsequent AC and Board meetings.

Company No: 114842 - H

### **ROLES OF MANAGEMENT TEAM**

The management team is responsible for

# (i) IDENTIFICATION OF SPECIFIC ISSUES, INITIATE AND IMPLEMENT RECTIFICATION PROCESSES & PROCEDURES

The management team of subsidiaries collectively are the key persons who identify, evaluate and assess the risk factors that exist in the Overall Operating Environment. Subsequent to performing evaluation and assessment of risk factors identified, the management team, after due discussion and with approval from executive directors, will device and implement appropriate measures to automate/compile exceptional reports from the RMIC system for review and resolve of risk issues. The management team is responsible for the continuous management and monitoring of various issues on business and/or operational risks within their respective delegated authority.

### (ii) REPORTING TO THE GROUP'S AUDIT COMMITTEE ("AC")

Executive directors of the Group report to the AC, in quarterly meetings and other ad hoc meetings, on findings and progress status updates on the overall RMIC system effectiveness in management decision-making. During the current reporting financial period, management team adhered to the same procedures adopted in the previous financial years. Nonetheless, the Group's RMIC framework has built in the expectation for changes and/or enhancement in procedures/processes whenever situations warrant such changes and/or enhancement for effective and efficient resolution of RMIC issues.

The Board will be updated with progress of the management and monitoring of key risk areas and is satisfied that the Management has initiated reasonable and adequate processes to mitigate undesirable impact on the Group which may arise.

### **ROLES OF THE AUDIT COMMITTEE ("AC")**

The AC was set up to provide oversight and scrutiny over the financial operations and reporting of the Group. A full description of the AC term of reference is disclosed on the Company's website www.sinotop.com.my.

### **ROLES OF INTERNAL AUDITOR ("IA")**

The IA reports directly to the AC, and by extension, to the Board, to provide a reasonable independent assurance, but not absolute guarantee, on the adequacy and effectiveness of the Group's internal control system and its overall control environment. The IA will make enhancement recommendations for the Management and Board to consider. In the current reporting financial year, the Group outsourced its internal audit function to Suzhou Hao Sheng ("Suzhou Hao Sheng" or "IA") Certified Public Accountants, a public accountants firm based in the Suzhou City of Jiangsu Province, The People's Republic of China ("China"). The IA who is responsible for the engagement of internal audit assignment of Top Textile is Mr Ling Yun, a certified public accountant.

The IA is an independent party free from any relationship and conflict of interest with the Company and its subsidiaries and therefore has no impairment as to their independence and objectivity. The IA was carried out within the confine of a carefully drawn up internal audit plan which identifies key auditable areas.

During the current financial period, Suzhou Hao Sheng has been re-appointed to carry out the internal audit of Top Textile. In respect of the current cycle of internal audit, the IA performed a review on the work safety topic of Top Textile (Suzhou) Co., Ltd's ("Top Textile") production and its implementation. The IA reported that Top Textile's work safety management is divided into three stages, namely,

- The initial application of work safety (measures) based on 5S principles;
- > Strengthening of the integration of PDCA cycle management with activities in the 5S principles; and
- Promoting continual training on safety-related topics.

### STRATEGIES TO IDENTIFY AND ADDRESS RISKS

### **ESTABLISHMENT OF A RISK MANAGEMENT & INTERNAL CONTROL FRAMEWORK**

A Risk Management and Internal Control Framework has been established for the purpose of defining the essential elements of a sound and effective RMIC system, identification of risks, assessment & monitoring and detailed description of the risk factors that affect the overall operating environment of the Group.

The RMIC framework serves as a comprehensive structured mechanisms (including documentation) relating to the risk management direction and internal control system of the Group. The RMIC framework encompasses a customised Enterprise Resource Planning system, various company policies that govern the operational segments, Board Charter and Code of Business Conduct that are guidelines for the effective functioning of the Group in a whole.

The framework is subject to and continually being reviewed, from time to time, when new risk issues emerge, resulted from changes either in the internal or external environment, or as highlighted by the internal and/or external auditors.

### PERIODICAL PROGRESS STATUS UPDATES

The Group's Management is directed by the Board to update periodically, at quarterly meetings (and other ad hoc meetings, where applicable), the progress status of measures taken within the guidelines of the RMIC framework, in response to mitigate adverse effect of identified risk factors that have significant impact on the Group's business objectives. Apart from progress status reporting of existing risk factors, the management will also report to the AC new risk factors updates at meetings, email communication is another formalised manner of managing information flow.

Day-to-day operations of the Group is delegated to the Group's Management, and therefore the Management is in the best position and holds the irreplaceable role of reporting to the AC, risk factors that evolve / identified in the course of managing the Group's daily business operations.

### REVIEW AND UPDATE OF RISK MANAGEMENT POLICIES (WHERE APPLICABLE)

The Company's policies are reviewed by the Management to assess its effectiveness in meeting the risk mitigation/prevention objectives. Company policies will be reviewed from time to time and updated when situation warrants the updating to remain relevant in the prevailing condition (when the review is carried out).

### HIGHLIGHTS FROM THE INTERNAL AND EXTERNAL AUDITORS ("AUDITORS")

The Board review feedback from the external and internal auditors ("Auditors") pertaining to any absence, weaknesses or deficiencies in the practices that pose significant undesirable consequences to the Group.

In the course of performing audit procedures to obtain audit evidences, the EA gathers information on the deficiencies in the Group's internal control system and highlights these deficiencies in the Report of Deficiencies in Internal Control ("Report"). The management studies weaknesses of the Group's internal control system, highlighted by the EA in the Report before furnishing clarification and/or indication to rectify such weaknesses, where practicable. Comments from the Auditors will form the basis where corrective measures are being implemented.

### **KEY PROCESSES / FEATURES OF INTERNAL CONTROL SYSTEM**

- (i) Conduct of a yearly internal audit review on major operational areas, for the purpose of obtaining an independent appraisal on the adequacy and effectiveness of the existing internal control system (structure and mechanisms);
- (ii) Establishment of an ERP system to enhance the efficiency of processes, flow, data capture and retrieval (for accounting records and performance analysis purposes);
- (iii) Establishment of reporting hierarchy and channels to facilitate immediate or timely escalation of issues (depending on situations), from front liners at the production plant to management levels, for effective and/or efficient resolution;
- (iv) Open management style culture practiced by the Managing Director, Executive and Non-Executive Directors encourages proactive interaction with senior and middle management staff. This enables timely escalation of issues to the Board and the Board Committees, which helps in making the internal control system more responsive to changes in the operating environment;

Company No: 114842 - H

- (v) The Board meets at least once every quarter to deliberate and be updated on issues that may have significant impact on the Group's financial performance and other aspects. The Executive Directors present to the Board and Board Committees findings in the Group's operating units and rectification measures initiated/planned to mitigate possible financial and non-financial losses; and
- (vi) The Group has a Code of Business Conduct which serves as guidance to all employees, about the rules, best practices and attitude that they are expected to observe when carrying out their duties. Employees are expected to act in the best interest of the Group, failing which may result in stern disciplinary actions being taken.

### LIMITATION OF INTERNAL CONTROL AND RISK MANAGEMENT SYSTEM

A risk management and internal control system is designed to mitigate rather than to eliminate risks; hence, owing to the inherent limitation of the risk management and internal control system, the Board reckons that the Group's system is unable to provide absolute assurance against events such as poor judgement in decision-making, circumvention of control processes by staff, management overriding control processes and other unforeseen circumstances.

### ASSURANCE PROVIDED BY THE EXECUTIVE DIRECTORS

In line with the Guidelines, the Board has received assurance from the Executive Directors dated 27 August 2018 that the risk management and internal control system of the Group is adequate and is operating effectively.

### CONCLUSION

The risk management and internal control systems described above have been in place for the financial period under review and up to the approval of this statement for inclusion in the annual report.

The Board believes that the Group's risk management and internal control system is adequate to provide a reasonable (though not absolute assurance) that deficiencies and weaknesses in the Group's internal control system will reasonably be identified and rectified. Nonetheless, the Board is committed in continually enhancing the risk management and internal control system in order to achieve its primary objectives of safeguarding shareholders' investments, Group's assets and interest of other stakeholders, namely suppliers, customers and regulators.

### REVIEW OF THE RISK MANAGEMENT AND INTERNAL CONTROL STATEMENT BY THE EXTERNAL AUDITOR

Pursuant to Paragraph 15.23 of the MMLR, the external auditors have reviewed this Statement on Risk Management and Internal Control. Their review was performed in accordance with the Audit and Assurance Practice Guide 3 ("AAPG 3") issued by the Malaysian Institute of Accountants. AAPG 3 does not require the external auditors to form an opinion on the adequacy and effectiveness of the risk management and internal control systems of the Group.

Based on their review, the external auditors have reported to the Board that nothing has come to their attention that causes them to believe that the statement is inconsistent with their understanding of the processes adopted by the Board in reviewing the adequacy and effectiveness of the risk management and internal control system of the Group, in all material respects, in accordance with the disclosures required by paragraphs 41 and 42 on the Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers.

This statement is issued in accordance with a resolution of the Board dated 10 October 2018.

### **DIRECTORS' REPORT**

### **OPTIONS GRANTED OVER UNISSUED SHARES**

During the financial period, no options were granted by the Company to any person to take up any unissued shares in the Company.

### **BAD AND DOUBTFUL DEBTS**

Before the financial statements of the Group and of the Company were made out, the directors took reasonable steps to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for impairment losses on receivables, and satisfied themselves that all known bad debts had been written off and that adequate allowance had been made for impairment losses on receivables.

At the date of this report, the directors are not aware of any circumstances that would require the further writing off of bad debts, or the additional allowance for impairment losses on receivables in the financial statements of the Group and of the Company.

### **CURRENT ASSETS**

Before the financial statements of the Group and of the Company were made out, the directors took reasonable steps to ensure that any current assets, which were unlikely to be realised in the ordinary course of business, including their value as shown in the accounting records of the Group and of the Company, have been written down to an amount which they might be expected so to realise.

At the date of this report, the directors are not aware of any circumstances which would render the values attributed to the current assets in the financial statements misleading.

### **VALUATION METHODS**

At the date of this report, the directors are not aware of any circumstances which have arisen which render adherence to the existing methods of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.

### CONTINGENT AND OTHER LIABILITIES

At the date of this report, there does not exist:-

- (a) any charge on the assets of the Group and of the Company that has arisen since the end of the financial period which secures the liabilities of any other person; or
- (b) any contingent liability of the Group and of the Company which has arisen since the end of the financial period.

No contingent or other liability of the Group and of the Company has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial period which, in the opinion of the directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations when they fall due.

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### **Opinion**

We have audited the financial statements of Sinotop Holdings Berhad, which comprise the statements of financial position as at 30 June 2018 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial period then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 59 to 125.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 30 June 2018, and of their financial performance and their cash flows for the financial period then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

### **Basis for Opinion**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence and Other Ethical Responsibilities

We are independent of the Group and of the Company in accordance with the *By-Laws* (on *Professional Ethics*, *Conduct and Practice*) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("*IESBA Code*"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

### **Emphasis of Matter**

Without qualifying our opinion, we draw attention to Note 14 to the financial statements. The Group has granted long credit terms to certain customers ranging from 180 days to 270 days.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current financial period. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

(Incorporated in Malaysia) Company No: 114842 - H

### **Key Audit Matters (Cont'd)**

We have determined the matter described below to be the key audit matter to be communicated in our report.

| Key Audit Matter   | How our audit addressed the key audit matter   |
|--|--|
| Recoverability of Trade Receivables  | We performed the following audit procedures:-  |
| As disclosed in Note 14 to the financial statements, long credit terms are extended to certain customers and Note 33.1(b)(iii) states  | (a) We considered the history of cash payments, and subsequent receipts from the customers;  |
| that the net amount past due amounted to RM20.301 million at the end of the reporting period.  We focused on this area because trade   | (b) We tested the adequacy of the Group's allowance<br>for impairment losses against trade receivables<br>by assessing the relevant aging report and debts<br>past due taking into account our own knowledge<br>of recent collection experience; and |
| receivables is a major component of the statement of financial position of the Group, the risk of customer insolvency remains high, resulting in significant judgment being applied in the Directors' assessment of the recoverability of its trade receivables. | (c) We also considered sales trend during the<br>financial period for trade receivables, on a test<br>basis.   |

### Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

(Incorporated in Malaysia) Company No: 114842 - H

### Responsibilities of the Directors for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- ldentify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Group's and the Company's internal control.

(Incorporated in Malaysia) Company No: 114842 - H

### Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also (Cont'd):

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group.
   We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

| Annual Improvements to MFRS Standards 2015 – 2017 Cycles  | 1 January 2019  |

The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) is expected to have no material impact on the financial statements of the Group upon their initial application except as follows:-

### (i) MFRS 9 Financial Instruments

MFRS 9 (IFRS 9 issued by IASB in July 2014) replaces the guidance in MFRS 139 on the classification and measurement of financial assets and financial liabilities, impairment of financial assets, and on hedge accounting.

MFRS 9 contains a new classification and measurement approach for financial assets that reflects the business model in which the financial assets are managed and their cash flow characteristics. The new standard contains 3 principal classification categories for financial assets (measured at amortised cost, fair value through profit or loss, fair value through other comprehensive income) and eliminates the existing MFRS 139 categories of held to maturity, loans and receivables and available-for-sale financial assets.

(Incorporated in Malaysia) Company No: 114842 - H

# NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

### 5. BASIS OF PREPARATION (CONT'D)

5.2 The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) is expected to have no material impact on the financial statements of the Group upon their initial application except as follows (Cont'd):-

### (i) MFRS 9 Financial Instruments (Cont'd)

MFRS 9 replaces the 'incurred loss' model in MFRS 139 with an 'expected credit loss' ("ECL") model. The new impairment model is forward-looking and eliminates the need for a trigger event to have occurred before credit losses are recognised. It involves a 3-stage approach under which financial assets move through the stages as their credit quality changes. This new impairment model applies to financial assets measured at amortised cost, debt instruments measured at fair value through other comprehensive income, contract assets, lease receivables, loan commitments and certain financial guarantee contracts.

The Group is currently assessing the impact of implementing MFRS 9. As a result, the potential impact on the adoption of this standard would only be observable when the assessment is completed later.

### (ii) MFRS 15 Revenue from Contracts with Customers

MFRS 15 establishes a single comprehensive model for revenue recognition and will supersede the current revenue recognition guidance and other related interpretations when it becomes effective. Under MFRS 15, an entity shall recognise revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the distinct promised goods or services underlying the particular performance obligation is transferred to the customers. The amendments to MFRS 15 further clarify the concept of 'distinct' for the purposes of this accounting standard. In addition, extensive disclosures are also required by MFRS 15 about the nature, amount, timing and uncertainty of revenue and cash flows from contracts with customers.

As at the date of authorisation of issue of the financial statements, the assessment of implementing MFRS 15 has not been finalised. Thus, the potential impact of the adoption of this standard cannot be determined and estimated reliably until the assessment is completed later.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

#### 6. SIGNIFICANT ACCOUNTING POLICIES

#### 6.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Key Sources of Estimation Uncertainty

Management believes that there are no key assumptions made concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year other than as disclosed below:-

### (a) Depreciation of Property, Plant and Equipment

The estimates for the residual values, useful lives and related depreciation charges for the property, plant and equipment are based on commercial factors which could change significantly as a result of technical innovations and competitors' actions in response to the market conditions. The Group anticipates that the residual values of its property, plant and equipment will be insignificant. As a result, residual values are not being taken into consideration for the computation of the depreciable amount. Changes in the expected level of usage and technological development could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised. The carrying amount of property, plant and equipment as at the reporting date is disclosed in Note 9 to the financial statements.

#### (b) Impairment of Non-financial Assets

The Group determines whether their non-financial asset is impaired by evaluating the extent to which the recoverable amount of the asset is less than its carrying amount. This evaluation is subject to changes such as market performance, economic and political situation of the country. A variety of methods is used to determine the recoverable amount, such as valuation reports and discounted cash flows. For discounted cash flows, significant judgement is required in the estimation of the present value of future cash flows generated by the assets, which involve uncertainties and are significantly affected by assumptions used and judgements made regarding estimates of future cash flows and discount rates. The carrying amounts of non-financial assets as at the reporting date are disclosed in the respective notes to the financial statements.

## (c) Write-down of Inventories

Reviews are made periodically by management on damaged, obsolete and slow-moving inventories. These reviews require judgement and estimates. Possible changes in these estimates could result in revisions to the valuation of inventories. The carrying amount of inventories as at the reporting date is disclosed in Note 13 to the financial statements.

### 6.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (CONT'D)

Key Sources of Estimation Uncertainty (Cont'd)

#### (d) Impairment of Trade Receivables

An impairment loss is recognised when there is objective evidence that a financial asset is impaired. Management specifically reviews its trade receivables and analyses their ageing profiles, historical bad debts, customer concentrations, customer creditworthiness, current economic trends and changes in the customer payment terms when making a judgement to evaluate the adequacy of the allowance for impairment losses. Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. If the expectation is different from the estimation, such difference will impact the carrying value of receivables. The carrying amount of trade receivables as at the reporting date is disclosed in Note 14 to the financial statements.

#### (e) Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Group recognises tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax expense and deferred tax balances in the period in which such determination is made.

## 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### 6.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (CONT'D)

Critical Judgements Made in Applying Accounting Policies

Management believes that there are no instances of application of critical judgement in applying the Group's accounting policies which will have a significant effect on the amounts recognised in the financial statements other than as disclosed below:-

# (a) Classification between Investment Properties and Owner-occupied Properties

Some properties comprise a portion that is held to earn rentals or for capital appreciation and another portion that is held for use in the production or supply of goods or services or for administrative purposes. If these portions could be sold separately (or leased out separately under a finance lease), the Group accounts for the portions separately. If the portions could not be sold separately, the property is an investment property only if an insignificant portion is held for use in the production or supply of goods or services or for administrative purposes.

Judgement is made on an individual property basis to determine whether ancillary services are so significant that a property does not qualify as investment properties.

#### 6.2 BASIS OF CONSOLIDATION

The consolidated financial statements include the financial statements of the Company and its subsidiaries made up to the end of the reporting period.

Subsidiaries are entities (including structured entities, if any) controlled by the Group. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Potential voting rights are considered when assessing control only when such rights are substantive. The Group also considers it has de facto power over an investee when, despite not having the majority of voting rights, it has the current ability to direct the activities of the investee that significantly affect the investee's return.

Subsidiaries are consolidated from the date on which control is transferred to the Group up to the effective date on which control ceases, as appropriate.

Intragroup transactions, balances, income and expenses are eliminated on consolidation. Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Where necessary, adjustments are made to the financial statements of subsidiaries to ensure consistency of accounting policies with those of the Group.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## 6.2 BASIS OF CONSOLIDATION (CONT'D)

### (a) Business Combinations

Acquisitions of businesses are accounted for using the acquisition method. Under the acquisition method, the consideration transferred for acquisition of a subsidiary is the fair value of the assets transferred, liabilities incurred and the equity interests issued by the Group at the acquisition date. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Acquisition-related costs, other than the costs to issue debt or equity securities, are recognised in profit or loss when incurred.

In a business combination achieved in stages, previously held equity interests in the acquiree are remeasured to fair value at the acquisition date and any corresponding gain or loss is recognised in profit or loss.

Non-controlling interests in the acquiree may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets at the date of acquisition. The choice of measurement basis is made on a transaction-by-transaction basis.

When the reverse acquisition accounting is used, the difference between the nominal value of accounting acquiree and the Company and the par value of the enlarged issued and paid-up share capital of the Company after the acquisition of the business is treated as a reverse acquisition reserve. The reverse acquisition reserve is adjusted against suitable reserves of the accounting acquiree to the extent that laws or statues do not prohibit the use of such reserves.

#### (b) Non-controlling Interests

Non-controlling interests are presented within equity in the consolidated statement of financial position, separately from the equity attributable to owners of the Company. Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income is attributed to non-controlling interests even if this results in the non-controlling interests having a deficit balance.

## (c) Changes in Ownership Interests in Subsidiaries Without Change of Control

All changes in the parent's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of consideration paid or received is recognised directly in equity of the Group.

(Incorporated in Malaysia) Company No: 114842 - H

# NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## 6.2 BASIS OF CONSOLIDATION (CONT'D)

## (d) Loss of Control

Upon the loss of control of a subsidiary, the Group recognises any gain or loss on disposal in profit or loss which is calculated as the difference between:-

- (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest in the former subsidiary; and
- (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the former subsidiary and any non-controlling interests.

Amounts previously recognised in other comprehensive income in relation to the former subsidiary are accounted for in the same manner as would be required if the relevant assets or liabilities were disposed of (i.e. reclassified to profit or loss or transferred directly to retained profits). The fair value of any investments retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under MFRS 139 or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

## 6.3 FUNCTIONAL AND FOREIGN CURRENCIES

### (a) Functional and Presentation Currency

The individual financial statements of each entity in the Group are presented in the currency of the primary economic environment in which the entity operates, which is the functional currency.

The consolidated financial statements are presented in Ringgit Malaysia ("RM"), which is the Company's functional and presentation currency and has been rounded to the nearest thousand, unless otherwise stated.

## (b) Foreign Currency Transactions and Balances

Transactions in foreign currencies are converted into the respective functional currencies on initial recognition, using the exchange rates at the transaction dates. Monetary assets and liabilities at the end of the reporting period are translated at the exchange rates ruling as of that date. Non-monetary assets and liabilities are translated using exchange rates that existed when the values were determined. All exchange differences are recognised in profit or loss except for differences arising from the translation of available-for-sale equity instruments which are recognised in other comprehensive income.

(Incorporated in Malaysia) Company No: 114842 - H

# NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 6.3 FUNCTIONAL AND FOREIGN CURRENCIES

## (c) Foreign Operations

Assets and liabilities of foreign operations (including any goodwill and fair value adjustments arising on acquisition) are translated to the Group's presentation currency at the exchange rates at the end of the reporting period. Income, expenses and other comprehensive income of foreign operations are translated at exchange rates at the dates of the transactions. All exchange differences arising from translation are taken directly to other comprehensive income and accumulated in equity; attributed to the owners of the Company and noncontrolling interests, as appropriate.

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign subsidiary, or a partial disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in joint ventures that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that foreign operation attributable to the owners of the Company are reclassified to profit or loss as part of the gain or loss on disposal. The portion that related to non-controlling interests is derecognised but is not reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that does not result in the Group losing control over the subsidiary, the proportionate share of accumulated exchange differences are reattributed to non-controlling interests and are not recognised in profit or loss. When the Group disposes of only part of its investment in joint ventures that includes a foreign operation while retaining joint control, the proportionate share of the accumulative exchange differences is reclassified to profit or loss.

In the consolidated financial statements, when settlement of an intragroup loan is neither planned nor likely to occur in the foreseeable future, the exchange differences arising from translating such monetary item are considered to form part of a net investment in the foreign operation and are recognised in other comprehensive income.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 6.4 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised in the statements of financial position when the Group has become a party to the contractual provisions of the instruments.

Financial instruments are classified as financial assets and financial liabilities or equity instruments in accordance with the substance of the contractual arrangement and their definition in MFRS 132. Interest, dividends, gains and losses relating to a financial instrument classified as a liability, are reported as an expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity.

Financial instruments are offset when the Group has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

A financial instrument is recognised initially at its fair value. Transaction costs that are directly attributable to the acquisition or issue of the financial instrument (other than a financial instrument at fair value through profit or loss) are added to/deducted from the fair value on initial recognition, as appropriate. Transaction costs on the financial instrument at fair value through profit or loss are recognised immediately in profit or loss.

Financial instruments recognised in the statements of financial position are disclosed in the individual policy statement associated with each item.

### (a) Financial Assets

On initial recognition, financial assets are classified as either financial assets at fair value through profit or loss, held-to-maturity investments, loans and receivables financial assets, or available-for-sale financial assets, as appropriate.

## (i) Financial Assets at Fair Value Through Profit or Loss

Financial assets are classified as financial assets at fair value through profit or loss when the financial asset is either held for trading or is designated to eliminate or significantly reduce a measurement or recognition inconsistency that would otherwise arise. Derivatives are also classified as held for trading unless they are designated as hedges. Fair value through profit or loss category also comprises contingent consideration in a business combination.

Financial assets at fair value through profit or loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. Dividend income from this category of financial assets is recognised in profit or loss when the Group's right to receive payment is established.

### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## 6.4 FINANCIAL INSTRUMENTS (CONT'D)

## (a) Financial Assets (Cont'd)

(i) Financial Assets at Fair Value Through Profit or Loss (Cont'd)

Financial assets at fair value through profit or loss could be presented as current assets or non-current assets. Financial assets that are held primarily for trading purposes are presented as current assets whereas financial assets that are not held primarily for trading purposes are presented as current assets or non-current assets based on the settlement date.

As at the end of the reporting period, there were no financial assets classified under this category.

#### (ii) Held-to-maturity Investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the management has the positive intention and ability to hold to maturity. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment loss, with interest income recognised in profit or loss on an effective yield basis.

Held-to-maturity investment are classified as non-current assets, except for those having maturity within 12 months after reporting date which are classified as current assets.

As at the end of the reporting period, there were no financial assets classified under this category.

### (iii) Loans and Receivables Financial Assets

Trade receivables and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as loans and receivables financial assets. Loans and receivables financial assets are measured at amortised cost using the effective interest method, less any impairment loss. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

### 6.4 FINANCIAL INSTRUMENTS (CONT'D)

## (a) Financial Assets (Cont'd)

#### (iii) Loans and Receivables Financial Assets (Cont'd)

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Loans and receivables financial assets are classified as current assets, except for those having settlement dates later than 12 months after the reporting date which are classified as non-current assets.

#### (iv) Available-for-sale Financial Assets

Available-for-sale financial assets are non-derivative financial assets that are designated in this category or are not classified in any of the other categories.

After initial recognition, available-for-sale financial assets are remeasured to their fair values at the end of each reporting period. Gains and losses arising from changes in fair value are recognised in other comprehensive income and accumulated in the fair value reserve, with the exception of impairment losses. On derecognition, the cumulative gain or loss previously accumulated in the fair value reserve is reclassified from equity into profit or loss.

Dividends on available-for-sale equity instruments are recognised in profit or loss when the Group's right to receive payments is established.

Investments in equity instruments whose fair value cannot be reliably measured are measured at cost less accumulated impairment losses, if any.

Available-for-sale financial assets are classified as non-current assets unless they are expected to be realised within 12 months after the reporting date.

As at the end of the reporting period, there were no financial assets classified under this category.

#### (b) Financial Liabilities

## (i) Financial Liabilities at Fair Value Through Profit or Loss

Fair value through profit or loss category comprises financial liabilities that are either held for trading or are designated to eliminate or significantly reduce a measurement or recognition inconsistency that would otherwise arise. Derivatives are also classified as held for trading unless they are designated as hedges. Fair value through profit or loss category also comprises contingent consideration in a business combination.

## (ii) Other Financial Liabilities

Other financial liabilities are initially measured at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

Financial liabilities are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

#### (c) Equity Instruments

Equity instruments classified as equity are measured initially at cost and are not remeasured subsequently.

Ordinary shares are classified as equity and recorded at the proceeds received, net of directly attributable transaction costs.

Dividends on ordinary shares are recognised as liabilities when approved for appropriation.

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## 6.4 FINANCIAL INSTRUMENTS (CONT'D)

## (d) Statutory Reserve

The Company's subsidiary in the PRC is required to maintain certain statutory reserves by appropriating from profit after taxation in accordance with the relevant laws and regulations in the PRC and articles of association of the subsidiary before declaration or payment of dividends. The reserves form part of the equity of the Company. The statutory reserve fund can be used to increase the registered capital and eliminate future losses of the subsidiary, but it cannot be distributed to shareholders except in the event of a solvent liquidation of the subsidiary.

The appropriation to the statutory surplus reserve represents 10 percent of the profit after taxation of each individual PRC subsidiary. In accordance with the laws and regulations in the PRC, the appropriations to statutory reserve cease when the balances of the reserve reach 50 percent of the registered capital of the subsidiary. The statutory reserve is not distributable by way of dividends.

### (e) Derecognition

A financial asset or part of it is derecognised when, and only when, the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred to another party without retaining control or substantially all risks and rewards of the asset. On derecognition of a financial asset, the difference between the carrying amount and the sum of the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognised in equity is recognised in profit or loss.

A financial liability or a part of it is derecognised when, and only when, the obligation specified in the contract is discharged or cancelled or expires. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

### 6.5 INVESTMENTS IN SUBSIDIARIES

Investments in subsidiaries are stated at cost in the statement of financial position of the Company, and are reviewed for impairment at the end of the reporting period if events or changes in circumstances indicate that the carrying values may not be recoverable. The cost of the investments includes transaction costs.

On the disposal of the investments in subsidiaries, the difference between the net disposal proceeds and the carrying amount of the investments is recognised in profit or loss.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 6.6 PROPERTY, PLANT AND EQUIPMENT

All items of property, plant and equipment are initially measured at cost. Cost includes expenditure that are directly attributable to the acquisition of the asset and other costs directly attributable to bringing the asset to working condition for its intended use.

Subsequent to initial recognition, all property, plant and equipment, other than freehold land and buildings, are stated at cost less accumulated depreciation and any impairment losses.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when the cost is incurred and it is probable that the future economic benefits associated with the asset will flow to the Group and the cost of the asset can be measured reliably. The carrying amount of parts that are replaced is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

Depreciation is charged to profit or loss (unless it is included in the carrying amount of another asset) on a straight-line method to write off the depreciable amount of the assets net of the estimated residual values over their estimated useful lives. Depreciation of an asset does not cease when the asset becomes idle or is retired from active use unless the asset is fully depreciated. The principal annual rates used for this purpose are:-

# Estimated Useful Lives

| Factory buildings   | 50 years |
|---------------------|----------|
| Plant and machinery | 12 years |
| Office equipment    | 5 years  |
| Motor vehicles      | 5 years  |
| Renovation          | 5 years  |

Capital work-in-progress included in property, plant and equipment are not depreciated as these assets are not yet available for use.

The depreciation method, useful lives and residual values are reviewed, and adjusted if appropriate, at the end of each reporting period to ensure that the amounts, method and periods of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of the property, plant and equipment. Any changes are accounted for as a change in estimate.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising from derecognition of the asset, being the difference between the net disposal proceeds and the carrying amount, is recognised in profit or loss.

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 6.7 CAPITAL WORK-IN-PROGRESS

Capital work-in-progress represents assets under construction, and which are not ready for commercial use at the end of the reporting period. Capital work-in-progress is stated at cost, and is transferred to relevant category of assets and depreciated accordingly when the assets are completed and ready for commercial use.

Cost of capital work-in-progress includes direct cost, related expenditure and interest cost on borrowings taken (if any) to finance the acquisition of the assets to the date that the assets are complete and put into use.

#### 6.8 LAND USE RIGHTS

All land in China is owned by the State or collectives. Individuals and companies are permitted to acquire land use rights for general or specific purposes. In the case when land is used for industrial purposes, the land use rights are granted for a period of 50 years. The rights may be renewed at the expiration of the initial and any subsequent terms according to the relevant Chinese laws. Granted land use rights are transferable and may be used as security for borrowings and other obligations.

The cost of acquisition of land use rights is capitalised and amortised on a straight-line basis over the lease term of the land of 50 years. The portion of the land use rights to be amortised over the next 12 months is reflected as current assets. The amortisation expense is recognised in the profit or loss.

#### 6.9 INVESTMENT PROPERTIES

Investment properties are properties which are owned or held to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Investment properties are initially measured at cost. Cost includes expenditure that is directly attributable to the acquisition of the investment property.

Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any.

# 6.9 INVESTMENT PROPERTIES (CONT'D)

Depreciation is charged to profit or loss on the straight-line method over the estimated useful lives of the investment properties.

Investment properties are derecognised when they have either been disposed of or when the investment property is permanently withdrawn from use and no future benefit is expected from its disposal.

On the derecognition of an investment property, the difference between the net disposal proceeds and the carrying amount is recognised in profit or loss.

Transfers are made to or from investment property only when there is a change in use. All transfers do not change the carrying amount of the property reclassified.

### 6.10 IMPAIRMENT

#### (a) Impairment of Financial Assets

All financial assets (other than those categorised at fair value through profit or loss), are assessed at the end of each reporting period whether there is any objective evidence of impairment as a result of one or more events having an impact on the estimated future cash flows of the asset.

An impairment loss in respect of held-to-maturity investments and loans and receivables financial assets is recognised in profit or loss and is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the financial asset at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## 6.10 IMPAIRMENT (CONT'D)

## (b) Impairment of Non-financial Assets

The carrying values of assets, other than those to which MFRS 136 - Impairment of Assets does not apply, are reviewed at the end of each reporting period for impairment when there is an indication that the assets might be impaired. Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. When the carrying amount of an asset exceeds its recoverable amount, the asset is written down to its recoverable amount and an impairment loss shall be recognised. The recoverable amount of an asset is the higher of the asset's fair value less costs to sell and its value-in-use, which is measured by reference to discounted future cash flows using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where it is not possible to estimate the recoverable amount of an individual asset, the Group determines the recoverable amount of the cash generating unit to which the asset belongs.

An impairment loss is recognised in profit or loss.

When there is a change in the estimates used to determine the recoverable amount, a subsequent increase in the recoverable amount of an asset is treated as a reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have been determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in profit or loss immediately.

#### 6.11 INVENTORIES

Inventories are stated at the lower of cost and net realisable value. Cost is determined on the weighted average cost method and comprises the purchase price, production or conversion costs and incidentals incurred in bringing the inventories to their present location and condition. The cost of conversion includes cost directly related to the units of production, and a proportion of fixed production overheads based on normal capacity of the production facilities.

Net realisable value represents the estimated selling price less the estimated costs of completion and the estimated costs necessary to make the sale.

#### 6.12 CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash in hand, bank balances, demand deposits, and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value with original maturity periods of three months or less.

#### 6.13 EMPLOYEE BENEFITS

#### (a) Short-term Benefits

Wages, salaries, paid annual leave and bonuses are measured on an undiscounted basis and are recognised in profit or loss in the period in which the associated services are rendered by employees of the Group.

## (b) Defined Contribution Plans

The Group's contributions to defined contribution plans are recognised in profit or loss in the period to which they relate. Once the contributions have been paid, the Group has no further liability in respect of the defined contribution plans.

### 6.14 INCOME TAXES

#### (a) Current Tax

Current tax assets and liabilities are expected amount of income tax recoverable or payable to the taxation authorities.

Current taxes are measured using tax rates and tax laws that have been enacted or substantively enacted at the end of the reporting period and are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss (either in other comprehensive income or directly in equity).

#### (b) Deferred Tax

Deferred tax are recognised using the liability method for all temporary differences other than those that arise from goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised. The carrying amounts of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that the related tax benefits will be realised.

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

# 6.14 INCOME TAXES (CONT'D)

Current and deferred tax items are recognised in correlation to the underlying transactions either in profit or loss, other comprehensive income or directly in equity. Deferred tax arising from a business combination is adjusted against goodwill or negative goodwill.

Current tax assets and liabilities or deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when the deferred taxes relate to the same taxable entity (or on different tax entities but they intend to settle current tax assets and liabilities on a net basis) and the same taxation authority.

## (c) Value Added Tax ("VAT")

The Group's sales of goods in the PRC are subject to VAT at the applicable tax rate for the PRC domestic sales. Input VAT on purchases can be deducted from output VAT. The net amount of VAT recoverable from, or payable to, the tax authority is included as part of "other receivables" or "other payables" in the consolidated statements of financial position.

Revenue, expenses and assets are recognised net of the amount of VAT except:-

- (i) where the VAT incurred on a purchase of assets or services is not recoverable from the tax authority, in which case the VAT is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables that are stated with the amount of VAT included.

## 6.15 OPERATING SEGMENTS

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. An operating segment's operating results are reviewed regularly by the chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 6.16 EARNINGS PER ORDINARY SHARE

Basic earnings per ordinary share is calculated by dividing the consolidated profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the reporting period, adjusted for own shares held.

Diluted earnings per ordinary share is determined by adjusting the consolidated profit or loss attributable to ordinary shareholders of the Company and the weighted average number of ordinary shares outstanding, adjusted for the effects of all dilutive potential ordinary shares.

#### 6.17 FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using a valuation technique. The measurement assumes that the transaction takes place either in the principal market or in the absence of a principal market, in the most advantageous market. For non-financial asset, the fair value measurement takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For financial reporting purposes, the fair value measurements are analysed into level 1 to level 3 as follows:-

- Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liability that the entity can access at the measurement date;
- Level 2: Inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3: Inputs are unobservable inputs for the asset or liability.

The transfer of fair value between levels is determined as of the date of the event or change in circumstances that caused the transfer.

## 6.18 JOINT ARRANGEMENTS

Joint arrangements are arrangements of which the Group has joint control, established by contracts requiring unanimous consent for decisions about the activities that significantly affect the arrangements returns.

Investments in joint arrangements are classified as either joint operations or joint ventures depending on the contractual rights and obligations of each investor. The Group has assessed the nature of its joint arrangements and determined them to be joint ventures.

#### 6. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## 6.18 JOINT ARRANGEMENTS (CONT'D)

## (a) Joint Operations

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets, the obligations for the liabilities, relating to the arrangement. The Group accounts for each of its interest in the joint operations the assets, liabilities, revenue and expenses (including its share of those held or incurred jointly with the other investors) in accordance with the applicable accounting standards.

#### (b) Joint Ventures

A joint venture is a joint arrangement whereby the Group has rights only to the net assets of the arrangement.

The investment in a joint venture is accounted for in the consolidated financial statements using the equity method, based on the financial statements of the joint venture made up to the end of reporting period. The Group's share of the post-acquisition profits and other comprehensive income of the joint venture is included in the consolidated statement of profit or loss and other comprehensive income, after adjustment if any, to align the accounting policies with those of the Group, from the date that joint control commences up to the effective date when the investment ceases to be a joint venture or when the investment is classified as held for sale. The Group's interest in the joint venture is carried in the consolidated statement of financial position at cost plus the Group's share of the post acquisition retained profits and reserves. The cost of investment includes transaction costs.

When the Group's share of losses exceeds its interest in a joint venture, the carrying amount of that interest is reduced to zero, and the recognition of further losses is discontinued except to the extent that the Group has an obligation.

Unrealised gains on transactions between the Group and the joint venture are eliminated to the extent of the Group's interest in the joint venture. Unrealised losses are eliminated unless cost cannot be recovered.

The Group discontinues the use of the equity method from the date when the investment ceases to be a joint venture or when the investment is classified as held for sale. When the Group retains an interest in the former joint venture and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as the initial carrying amount of the financial asset in accordance with MFRS 139. Furthermore, the Group also reclassifies its share of the gain or loss previously recognised in other comprehensive income of that joint venture to profit or loss when the equity method is discontinued. However, the Group will continue to use the equity method when an investment in a joint venture becomes an investment in an

associate. Under such change in ownership interest, the retained investment is not remeasured to fair value but a proportionate share of the amounts previously recognised in other comprehensive income of the joint venture will be reclassified to profit or loss where appropriate. All dilution gains or losses arising in investments in joint ventures are recognised in profit or loss.

#### 6.19 REVENUE AND OTHER INCOME

Revenue is measured at the fair value of the consideration received or receivable, net of returns, cash and trade discounts.

### (a) Sale of Goods

Revenue from sale of goods is recognised when significant risks and rewards of ownership of the goods have been transferred to the buyer and where the Group does not have continuing managerial involvement and effective control over the goods sold.

## (b) Services

Revenue is recognised upon the rendering of services and when the outcome of the transaction can be estimated reliably. In the event the outcome of the transaction could not be estimated reliably, revenue is recognised to the extent of the expenses incurred that are recoverable.

#### (c) Construction Contracts

Revenue on contracts is recognised on the percentage of completion method unless the outcome of the contract cannot be reliably determined, in which case the revenue on contracts is only recognised to the extent of contract costs incurred that are recoverable. Foreseeable losses, if any, are provided for in full as and when it can be reasonably ascertained that the contract will result in a loss.

The stage of completion is determined based on the proportion that the contract costs incurred for work performed to date bear to the estimated total contract costs.

## (d) Interest Income

Interest income is recognised on an accrual basis using the effective interest method.

## 7. INVESTMENTS IN SUBSIDIARIES (CONT'D)

- (a) On 3 March 2017, Gorgeous Goldhill Sdn. Bhd. increased its issued and paid-up share capital from RM10,000 to RM750,000 by way of an issuance of 740,000 new ordinary shares for a total cash consideration of RM740,000. The Company subscribed for the increase in share capital to retain the equity interest of 100%.
- (b) The Company has assessed the recoverable amount of investments in subsidiaries and the recoverable amount of the cash-generating unit is determined using the value-in-use approach, and this derived from the present value of the future cash flows from operating segments computed based on the projections of the financial budgets approved by the management covering a period of 5 years. The key assumptions used in the determination of the recoverable amount are as follows:-
  - (i) The subsidiaries will continue their operations over the next 5 years;
  - (ii) The average growth rate for the business segments of manufacturing and sale of fabric products is 0.33% per annum;
  - (iii) Gross profit margin is forecasted in the range of 6% to 6.5%;
  - (iv) Discount rate is based on the weighted average cost of capital at 9.60% per annum; and
  - (v) Terminal value is computed based on negligible growth rate from year 5 onwards.

The values assigned to the key assumptions represent management's assessment of future trends in the industry in which the subsidiaries' operate and are based on both external sources and internal sources (historical data).

## NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

## 25. INCOME TAX EXPENSE (CONT'D)

Domestic income tax is calculated at the Malaysian statutory tax rate of 24% (2016 - 24%) of the estimated assessable profit for the financial period. The taxation of other jurisdictions is calculated at the rates prevailing in the respective jurisdiction.

For years of assessment 2017 and 2018, the Malaysian statutory tax rate will be reduced by 1% to 4%, based on the prescribed incremental percentage of chargeable income from business, compared to that of the immediate preceding year of assessment. The Group has accounted for the reduction in the tax rate in the current financial period, based on the percentage of increase in chargeable income of the Company and its subsidiaries.

#### 33. FINANCIAL INSTRUMENTS (CONT'D)

# 33.1 FINANCIAL RISK MANAGEMENT POLICIES (CONT'D)

#### (b) Credit Risk

The Group's exposure to credit risk, or the risk of counterparties defaulting, arises mainly from trade and other receivables. The Group manages its exposure to credit risk by the application of credit approvals, credit limits and monitoring procedures on an ongoing basis. For other financial assets (including cash and bank balances), the Group minimises credit risk by dealing exclusively with high credit rating counterparties.

The Group uses ageing analysis to monitor the credit quality of the trade receivables. Any receivables having significant balances past due which are deemed to have higher credit risk, are monitored individually.

The Group establishes an allowance for impairment that represents its estimate of incurred losses in respect of the trade and other receivables as appropriate. The main components of this allowance are a specific loss component that relates to individually significant exposure, and a collective loss component established for groups of similar assets in respect of losses that have been incurred but not yet identified (where applicable). Impairment is estimated by management based on prior experience and the current economic environment.

#### (i) Credit Risk Concentration Profile

The Group's major concentration of credit risk relates to the amounts owing by three (2016 - two) customers which constituted approximately 39% (2016 - 46%) of its trade receivables at the end of the reporting period.

#### (ii) Exposure to Credit Risk

At the end of the reporting period, the maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position of the Group and of the Company after deducting any allowance for impairment losses (where applicable).

The exposure of credit risk for trade receivables by geographical region is as follows:-

|                                       | The Group                  |                             |  |  |

The collective impairment allowance is determined based on estimated irrecoverable amounts from the sale of goods, determined by reference to past default experience.

The Group believes that no additional impairment allowance is necessary in respect of trade receivables that are past due but not impaired because they are companies with good collection track record and no recent history of default.

#### (c) Liquidity Risk

Liquidity risk arises mainly from general funding and business activities. The Group practises prudent risk management by maintaining sufficient cash balances and adequate working capital to meet its obligations as and when they fall due.

#### Maturity Analysis

The following table sets out the maturity profile of the financial liabilities at the end of the reporting period based on contractual undiscounted cash flows (including interest payments computed using contractual rates or, if floating, based on the rates at the end of the reporting period):-

#### 33.2 CAPITAL RISK MANAGEMENT

The Group manages its capital to ensure that entities within the Group will be able to maintain an optimal capital structure so as to support its businesses and maximise shareholders' value. To achieve this objective, the Group may make adjustments to the capital structure in view of changes in economic conditions, such as adjusting the amount of dividend payment, returning of capital to shareholders or issuing new shares.

The Group manages its capital based on debt-to-equity ratio that complies with debt covenants and regulatory, if any. The debt-to-equity ratio is calculated as total net borrowings from financial institutions divided by total equity.

As the Group does not have any borrowings from financial institutions, the debt-to-equity ratio is not presented as it does not provide a meaningful indicator of risk of borrowings.

#### 33.5 FAIR VALUE INFORMATION

At the end of the reporting period, there were no financial instruments carried at fair values in the statements of financial position.

The fair values of the financial assets and financial liabilities of the Group and the Company maturing within the next 12 months approximated their carrying amounts due to the relatively short-term maturity of the financial instruments.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM 1 JANUARY 2017 TO 30 JUNE 2018

#### 34. SIGNIFICANT EVENTS DURING THE FINANCIAL PERIOD

(a) The Companies Act 2016 came into operation on 31 January 2017 (except for Section 241 and Division 8 of Part III of the said Act) and replaced Companies Act 1965.

Amongst the key changes introduced under the Companies Act 2016 that have affected the financial statements of the Group and of the Company upon its initial implementation are:-

- (i) Removal of the authorised share capital; and
- (ii) Ordinary shares ceased to have par value.

The Companies Act 2016 was applied prospectively and the impacts on implementation are disclosed in the respective notes to financial statements.

- (b) On 21 October 2016, the Company proposed to undertake the following proposals:-
  - (i) proposed capital reduction of the existing ordinary shares of the Company via cancellation of RM0.14 of the par value of each existing ordinary share of RM0.20 each in the Company, of which RM0.1249 per share would be set-off against the accumulated losses of the Company and RM0.0151 per share would be repaid to the entitled shareholders of the Company ("Proposed Capital Reduction and Repayment");
  - (ii) proposed share consolidation of every 5 ordinary shares of RM0.06 each in the Company (after the completion of the Proposed Capital Reduction and Repayment) into one new ordinary share of RM0.30 each in the Company; and
  - (iii) proposed diversification of the existing core business of the Company and its subsidiaries to include project management and infrastructure construction related businesses.

On 15 December 2016, the Company obtained approval from its shareholders via an Extraordinary General Meeting held in relation to the proposals.

On 14 February 2017, the Company was granted an order from The High Court of Malaya at Kuala Lumpur for the Proposed Capital Reduction and Repayment ("Order"). #### NOTES TO THE NOTICE OF THE THIRTY-FOURTH ANNUAL GENERAL MEETING:

- 1. The shareholders' approval on the Audited Financial Statements is not required pursuant to the provision of Section 340(1) of the Companies Act 2016 and hence, the matter will not be put for voting.
- 2. Only depositors whose names appear in the Record of Depositors as at 19 November 2018 shall be regarded as members and entitled to attend, speak and vote at the Meeting.
- 3. A member entitled to attend and vote at the Meeting is entitled to appoint a proxy or proxies to attend, speak and vote on his / her behalf. A proxy may but need not be a member of the Company.
- 4. A member may appoint up to two (2) proxies to attend the Meeting. Where a member appoints two (2) proxies, he / she shall specifies the proportions of his / her holdings to be represented by each proxy.
- 5. Where a member of the Company is an Authorised Nominee as defined under the Securities Industry (Central Depositories) Act, 1991, it may appoint at least one (1) proxy but not more than two (2) proxies in respect of each securities account it holds with ordinary shares of the Company standing to the credit of the said securities account.
- 6. Where a member of the Company is an Exempt Authorised Nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the Exempt Authorised Nominee may appoint in respect of each omnibus account it holds.
- 7. The instrument appointing a proxy shall be in writing under the hand of the appointer or his attorney duly authorised in writing, or if the appointer is a corporation, either under its Common Seal or under the hand of its officer or attorney duly authorised.
- 8. The instrument appointing a proxy must be deposited at the Company's registered office at 802, 8th Floor, Block C, Kelana Square, 17 Jalan SS7/26, 47301 Petaling Jaya, Selangor Darul Ehsan not less than forty-eight (48) hours before the time appointed for holding the Meeting or any adjournment thereof.
- 9. Explanatory Notes:

# Ordinary Resolutions 1 Payment of Directors' Fees

Pursuant to Section 230(1) of the Companies Act 2016, the fees of the directors and any benefits payable to the directors of a listed company and its subsidiaries shall be approved at a general meeting. In this respect, the Board of Directors ("Board") agreed that notwithstanding a mandated amount of RM200,000 per annum had been granted at the Twenty-Seventh Annual General Meeting ("AGM") and there was no adjustment in the Directors' fees, the Board would seek members' approval on fees and benefits payable to Directors on annual basis.

Details of the Directors' fees and benefits payable to the Non-Executive Directors for the financial period ended 30 June 2018 (18 months) are disclosed in the Corporate Governance Overview Statement as contained in Annual Report 2018.

For Directors' benefits for the financial period ended 30 June 2018, as approval had been granted by the members at the Thirty-Third AGM held on 8 June 2017, thus no approval is to be sought for payment of Directors' benefits at the Thirty- Fourth AGM.

For both Directors' fees and benefits for the financial year ending 30 June 2019, approval from members will only be sought at the AGM to be held in 2019.

# Ordinary Resolution 5 Proposed Retention of Independent Non-Executive Chairman

The proposed Ordinary Resolution 5 is proposed pursuant to recommendation of the Malaysian Code of Corporate Governance and if passed, will allow Datuk Dr. Ng Bee Ken to be retained and continue to act as Independent Non-Executive Chairman of the Company.

The full details of the Board's justifications for the retention of Datuk Dr. Ng Bee Ken as Independent Non-Executive Chairman is set out in the Corporate Governance Overview Statement as contained in Annual Report 2018.

Datuk Dr. Ng Bee Ken was appointed on Board of the Company on 27 January 2006. As at the date of printing of this Annual Report, he had served on the Board for a period of 12 years.

# Ordinary Resolution 6 Authority to Allot Shares Pursuant to Section 75 of the Companies Act 2016

The Proposed Ordinary Resolution 6, if passed, will empower the Directors of the Company to allot not more than 10% of the total number of issued shares of the Company subject to approvals of all the relevant governmental and/or other regulatory bodies and for such purposes as the Directors consider would be in the interest of the Company. This authorisation will, unless revoked or varied by the Company in general meeting, expire at the next AGM of the Company.

As at the date of printing of this Notice, no new shares in the Company were issued pursuant to the authority granted to the Directors at the Thirty-Third AGM held on 8 June 2017 and which will lapse at the conclusion of the Thirty-Fourth AGM.

The authority will provide flexibility to the Company for any possible fund raising activities, including but not limited to further placing of shares, for purpose of funding future investment project(s), working capital, acquisitions, repayment of bank borrowings, etc.
