A. NOTES TO THE UNAUDITED INTERIM FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD ENDED 31 MARCH 2019

A1. Basis of Preparation

The condensed consolidated interim financial statements (Condensed Report) are unaudited and have been prepared in accordance with the requirements outlined in the Malaysian Financial Reporting Standards ("MFRS") No. 134: Interim Financial Reporting issued by the Malaysian Accounting Standards Board ("MASB") and Paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities")

This Condensed Report should be read in conjunction with the audited financial statements for the year ended 31 December 2018. These explanatory notes attached to the Condensed Report provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2018.

The significant accounting policies adopted by the Group in this interim financial report are consistent with those adopted in the financial statements for the year ended 31 December 2018 except for the adoption of the following new MFRS, amendments/improvement to MFRSs and new IC Interpretation ("IC Int") with effect from or after 1 January 2019

MFRS 16	Leases
<u>Amendments/Improvements to MFRSs</u>	
MFRS 3	Business Combinations
MFRS 9	Financial Instruments
MFRS 11	Joint Arrangements
MFRS 112	Income Taxes
MFRS 119	Employee Benefits
MFRS 123	Borrowing Costs
MFRS 128	Investments in Associates and Joint Ventures
MFRS 140	Investment Property

<u>New IC Int</u>	
IC Int 23	Uncertainty over Income Tax Treatments

The adoption of the new MFRS, amendments/improvements to MFRSs and new IC Int does not have any significant impact on the financial performance and financial position of the Group, except for the following:

MFRS 16 Leases

MFRS 16 replaces the guidance in MFRS 117, Leases, IC Interpretation 4, Determining whether an Arrangement contains a Lease, IC Interpretation 115, Operating Leases – Incentives and IC Interpretation 127, Evaluating the Substance of Transactions Involving the Legal Form of a Lease.

MFRS 16 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognises a right-of use asset representing its right to use the underlying asset and a lease liability representing its obligations to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard which continues to be classified as finance or operating lease.

The Group applied MFRS 16 with effect from 1 January 2019, using the modified retrospective approach, with no restatement of comparative information in accordance with the transition requirements under the Appendix C, paragraph 5(b) of MFRS 16 and cumulative effect of initial application of MFRS 16 will be recognised as an adjustment to the opening balance of following components at 1 January 2019.

Condensed Consolidated Statement of Financial Position as at 1 January 2019

	MFRS 117 RM	Effect of adopting MFRS 16 RM	With adoption of MFRS 16 RM
Right of use assets	-	4,313,726	4,313,726
Lease liabilities	-	4,313,726	4,313,726

A2. Qualification of Audit Report of the Preceding Annual Financial Statements

The auditors' report on the annual financial statements of the Group for the financial year ended 31 December 2018 was qualified and the details of the qualification are as described below: -

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 December 2018, and of their financial performance and cash flows for the financial year then ended in accordance with the Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for Qualified Opinion

On 25 April 2019, the Auditors' Report on the Financial Statements of the Group and the Company for the financial period ended 31 December 2018 was issued and it contains a qualified opinion by the Company's external auditors, Messrs. Baker Tilly Monteiro Heng as detailed in Note 37(a) to the financial statements, that discloses the circumstances and consideration of the Directors in reporting the carrying amount of the REV hardware equipment included in Property, Plant and Equipment of RM6,615,101 and Inventories of RM15,451,976.

We were unable to obtain sufficient appropriate audit evidence on the said amount of Property, Plant and Equipment and Inventories, as the Group is unable to reliably assess the recoverable amount of the said Property, Plant and Equipment in accordance with MFRS 136: Impairment of Assets and the net realisable values of the inventories in accordance with MFRS 102: Inventories due to the circumstances and consideration disclosed under Note 37(a) to the financial statements. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group and of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.
