FOR THE FOURTH (4th) QUARTER ENDED 31 DECEMBER 2019

NOTES TO THE INTERIM FINANCIAL REPORT
EXPLANATORY NOTES TO THE UNAUDITED INTERIM FINANCIAL REPORT

A1. Basis of preparation

The interim financial statements are unaudited and have been prepared in accordance with the requirements of Malaysian Financial Reporting Standards ("MFRS") No. 134: Interim Financial Reporting and Rules 9.22 of the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad ("Listing Requirement").

This is the fourth interim financial statements on the Group's unaudited condensed consolidated financial results for the fourth (4th) quarter ended 31 December 2019 announced by the Group in compliance with the Listing Requirements of Bursa Securities and as such, there are no comparative figures for the preceding year's corresponding period.

The interim financial statements should be read in conjunction with the Accountants' Report as disclosed in the Prospectus dated 23 May 2019 and the accompanying explanatory notes attached to this interim financial report.

The accounting policies adopted in the interim financial statements are consistent with those adopted in the audited financial statements for the financial year ended 31 December 2018. The Group has adopted those standards, amendments and interpretations that have become effective and such adoptions do not have material impact on the financial position and performance of the Group.

Adoption of new and amended standard

During the financial period, the Group has adopted the following amendments for MFRSs issued by the Malaysian Accounting Standards Board ("MASB") that are mandatory for current financial period.

- MFRS 9 Prepayment Features with Negative Compensation (Amended to MFRS 9),
- MFRS 16 Leases,
- MFRS 128 Long-term Interests in Associates and Joint Ventures (Amended to MFRS 128),
- Annual Improvements to MFRS Standards 2015 – 2017 Cycle
- MFRS 119 Plan Amendment, Curtailment or Settlement (Amended to MFRS 119)
- IC Interpretation 23 Uncertainty over Income Tax Treatments

Adoption of the above standards and interpretations did not have any material impact to the financial statements of the Group.

MFRS 16 Leases – effective 1 January 2019

MRFS 16 'Leases' supersedes MFRS 117 'Leases' and the related interpretations.

MFRS 16 introduces a single accounting model for a lessee and eliminates the distinction between finance lease and operating lease. Lessee is now required to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Upon adoption of MFRS 16, the Group is required to account for major part of their operating leases in the statement of financial position by recognising the 'right-of-use' assets and the lease liability, thus increasing the assets and liabilities of the Group.

FOR THE FOURTH (4th) QUARTER ENDED 31 DECEMBER 2019

A1. Basis of preparation (cont'd)

The Group applied the simplified retrospective approach. Under this approach, the Group is not required to restate the comparatives and the MFRS 16 adjustments will be reflected in the opening retained earnings at 1 January 2019, being the date of initial application. The adoption of MFRS 16 has no material impact to the financial statements of the Group.

Standards issued but not yet effective

At the date of authorisation for issue of this interim financial report, the new and revised Standards and Amendments, which were in issue but not yet effective and have not been early adopted by the Group are as follow:-

Standards	Effective dates for financial period beginning on and after
MFRS 101 Definition of Material (Amendments to MFRS 101)	1 January 2020
MFRS 3 Business Combinations (Amendments to MFRS 3)	1 January 2020
MFRS 108 Definition of Material (Amendments to MFRS 108)	1 January 2020
MFRS 17 Insurance Contracts	1 January 2021
Amendments to MFRS 10 and MFRS 128: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Deferred until further notice

The Directors anticipate that the abovementioned Standards and Amendments will be adopted in the annual financial statements of the Group when they become effective and that the adoption of these Standards and Amendments are not expected to have any material impact on the financial statements of the Group in the period of initial application.

The revenue from manufacturing segment is mainly driven by the sales of standard poles and trading of outdoor lighting products. The Group's revenue from the manufacturing segment experienced a marginal slowdown mainly due to the comparatively lower demand for manufactured products.
