To: The Shareholders of Sasbadi Holdings Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

---

1. INTRODUCTION

At the AGM held on 4 February 2021, the Company had obtained the approval from its shareholders to renew the authority for the Company to purchase its own shares of up to ten percent (10%) of the total number of issued shares at any point of time. The said approval will lapse at the conclusion of the forthcoming Ninth AGM of the Company scheduled to be held on 16 February 2022.

The Board of Directors of the Company had on 9 December 2021 announced the Company's intention to seek its shareholders' approval for the Proposed Renewal of Share Buy-Back Authority by way of an Ordinary Resolution at the forthcoming Ninth AGM of the Company.

The purpose of this Statement is to provide you with the details pertaining to the Proposed Renewal of Share Buy-Back Authority together with the Directors' recommendation and to seek your approval for the Ordinary Resolution to be tabled at the forthcoming Ninth AGM scheduled on 16 February 2022, notice of which is set out on pages 127 to 130 of the Annual Report 2021.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board is proposing to seek the shareholders' approval for the renewal of authority for the Company to purchase its own shares of up to ten percent (10%) of the total number of issued shares, subject to compliance with Sections 112, 113 and 127 of the Act, the Listing Requirements and any prevailing laws, guidelines, rules and regulations issued by the relevant authorities at the time of purchase.

The approval from the shareholders for the Proposed Renewal of Share Buy-Back Authority would be effective immediately upon the passing of the Ordinary Resolution for the Proposed Renewal of Share Buy-Back Authority at the forthcoming Ninth AGM and shall be valid until:

(i) the conclusion of the next AGM of the Company at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions;

(ii) the expiry of the period within which the next AGM of the Company is required by law to be held; or

(iii) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting.

whichever occurs first, but shall not prejudice the completion of any purchase(s) by the Company before the aforesaid expiry date and in any event in accordance with the provision of the Act, the Listing Requirements and other prevailing laws, guidelines, rules and regulations issued by the relevant authorities.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable Sasbadi Holdings Group to utilise any of its surplus financial resources, which is not immediately required for other uses, to purchase its own Shares from the market. It is expected to stabilise the supply and demand of Sasbadi Holdings Shares in the market, as well as the market price of the Shares.

If the Purchased Shares are maintained as treasury shares or cancelled, it will result in a lower number of Sasbadi Holdings Shares being used for the purposes of computing the EPS. Therefore, other things being equal, it will improve the EPS of Sasbadi Holdings Group, which in turn is expected to have a positive impact on the market price of Sasbadi Holdings Shares.

If the Purchased Shares are held as treasury shares and subsequently resold on Bursa Securities at a higher price, the Company would realise a gain without affecting the total number of issued shares of the Company. If the treasury shares are distributed as share dividends, this would serve to reward the shareholders of the Company.

4. FUNDING FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will be funded through internally generated funds and/or bank borrowings, the breakdown of which will be determined later depending on the actual number of Shares purchased, the purchase price(s) and other relevant cost at the time of purchase(s), and availability of funds. Should the purchase of Sasbadi Holdings Shares be financed through bank borrowings, the Board will ensure that there is sufficient funds to repay such borrowings and that the repayment will not have any material adverse effect on the cash flow of Sasbadi Holdings Group.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate amount of the retained earnings of the Company.

Based on the latest audited financial statements of Sasbadi Holdings as at 31 August 2021, the retained earnings of the Company were RM0.2 million.

5. TREATMENT OF PURCHASED SHARES

In accordance with Section 127(4) of the Act, the Company would be able to deal with any Sasbadi Holdings Shares so purchased by the Company in the following manner:

(a) to cancel the Purchased Shares; or

(b) to retain the Purchased Shares as treasury shares; or

(c) to retain part of the Purchased Shares as treasury shares and cancel the remainder.

The Purchased Shares held as treasury shares may be distributed as share dividends, resold on Bursa Securities in accordance with the relevant rules of Bursa Securities or transfer for the purposes of or under an employees' share scheme or as purchase consideration or such other purposes in accordance with Section 127(7) of the Act.

In considering how the Purchased Shares will be dealt with, the Directors will take into consideration the effect of such treatment to the Sasbadi Holdings Group in arriving at its decision. In addition, an immediate announcement will be made to Bursa Securities upon each purchase, cancellation and or resell of shares pursuant to the share buy-back.

6. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

(i) Allow the Company to take preventive measures against speculation, particularly when the Shares are undervalued and this would, in turn, stabilise the market price of Sasbadi Holdings Shares and hence, enhance investors' confidence;

(ii) Allow the Company the flexibility to achieve the desired capital structure, in terms of debt and equity composition and size of equity;

(iii) Provide the Company with opportunities for potential gains if the Purchased Shares which are retained as treasury shares, are resold at a higher price than they were bought for; and

(iv) Serve to reward the shareholders of the Company if the Purchased Shares which are retained as treasury shares, are distributed as share dividends to the shareholders.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

(i) Reduce the financial resources of the Company, which may result in the Company foregoing better investment opportunities that may emerge in the future; and

(ii) Reduce the financial resources available for distribution to shareholders in the immediate future as the funds to be allocated for the Proposed Renewal of Share Buy-Back Authority can only be made out of retained earnings of the Company.

The Board will be mindful of the interests of the Company and its shareholders in undertaking any purchase of its own Shares, and will only implement it after due consideration of the financial resources of Sasbadi Holdings Group and the resultant impact on the shareholders of the Company.

7. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

7.1 Total Number of Issued Shares

The effect of the Proposed Renewal of Share Buy-Back Authority on the total number of issued shares of Sasbadi Holdings will depend on whether the Purchased Shares are cancelled or retained as treasury shares.

For illustration purposes, the pro forma effects of Proposed Renewal of Share Buy-Back Authority on the total number of issued shares of the Company as at LPD are set out below:

	As at LPD	**As at LPD and assuming full exercise of Outstanding Options**
	No. of Shares[#]	**No. of Shares[#]**
Total number of issued Shares	424,434,500	424,434,500
Add: Outstanding Options	-	4,665,000
Enlarged total number of issued Shares	424,434,500	429,099,500
Assuming the Purchased Shares are cancelled[*]	(42,443,450)	(42,909,950)
Resultant total number of issued Shares	**381,991,050**	**386,189,550**

Notes:-

 # Inclusive of 1,000 Shares bought back and retained as treasury shares by the Company

** Assuming up to 10% of the total number of issued shares of the Company are purchased under the Proposed Renewal of Share Buy-Back Authority and are subsequently cancelled.*

If the Purchased Shares are retained as treasury shares, resold or distributed to its shareholders, the Proposed Renewal of Share Buy-Back Authority will have no effect on the total number of issued shares of the Company.

[The rest of this page is intentionally left blank]

7.2 NA, NA per Share and working capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the NA of Sasbadi Holdings Group will depend on the actual number of Shares purchased, the price and other relevant cost at the time of purchase, the effective funding cost to Sasbadi Holdings Group to finance the purchase of such Shares, or any loss in interest income to Sasbadi Holdings Group, and whether the Purchased Shares are cancelled, retained as treasury shares, resold on Bursa Securities or distributed as share dividends to shareholders of Sasbadi Holdings.

If all Purchased Shares are cancelled, the NA per Share of Sasbadi Holdings Group would decrease if the purchase price per Purchased Share exceeds the NA per Share at the relevant point in time, and vice versa.

The NA of Sasbadi Holdings Group would decrease if the Purchased Shares are retained as treasury shares, due to the requirement for treasury shares to be carried at cost and be offset against equity.

If the treasury shares are resold on Bursa Securities, the NA of Sasbadi Holdings Group would increase if the Company realises a gain from the resale, and vice versa. If the treasury shares are distributed as share dividends, the NA of Sasbadi Holdings Group would decrease by the cost of the treasury shares.

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital of Sasbadi Holdings Group, the quantum of which will depend on, among others, the number of and prices paid for the Purchased Shares.

[The rest of this page is intentionally left blank]

7.5 Earnings and EPS

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of Sasbadi Holdings Group will depend on, among others, the number of and prices paid for the Purchased Shares, the effective funding cost to finance the purchase of such Shares, or any loss in interest income to Sasbadi Holdings Group or opportunity cost in relation to other investment opportunities.

If the Purchased Shares are retained as treasury shares and subsequently resold, the extent of the effect on the earnings of Sasbadi Holdings Group will depend on the actual resale price, the number of treasury shares resold and the effective gain or the interest savings arising from the exercise.

If the Purchased Shares are cancelled, the Proposed Share Buy-Back will increase the EPS of Sasbadi Holdings Group provided the income forgone and/or interest expense incurred on the Purchased Shares are less than the EPS before the share purchase.

7.6 Dividends

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full and the dividend quantum is maintained at historical levels, the Proposed Renewal of Share Buy-Back Authority will have effect of increasing the dividend rate of the Company as a result of the decrease in the number of Shares which are entitled to participate in the dividend.

8. PUBLIC SHAREHOLDING SPREAD

The Proposed Renewal of Share Buy-Back Authority shall be carried out in compliance with Paragraph 8.02(1) of the Listing Requirements which requires at least 25% of the total number of issued shares (excluding treasury shares) of the Company to be in the hands of public shareholders.

In this regard, the Company will endeavor to ensure that any share buy-back exercise will not breach Paragraph 12.14 of the Listing Requirements, which states that a listed company must not purchase its own shares on Bursa Securities if that purchase will result in the listed company being in breach of Paragraph 8.02(1) of the Listing Requirements.

As at LPD, the public shareholding spread of the Company is 48.21%.

9. PURCHASE OF SHARES, RESALE OR CANCELLATION OF TREASURY SHARES MADE IN THE PRECEDING TWELVE (12) MONTHS

There was no purchase of Shares, resale or cancellation of treasury shares in the past twelve (12) months preceding the date of printing of this Statement.

11. IMPLICATION OF THE CODE

The Board is mindful of the requirements of the Code and does not intend to undertake the Proposed Renewal of Share Buy-Back Authority in a manner that will trigger the obligation by any of the Company's substantial shareholders and/or parties acting in concert with them to undertake a mandatory offer under the Code. In this regard, the Board will ensure that such number of Shares so purchased, retained as treasury shares, cancelled or distributed, would not result in triggering any mandatory offer obligation on the part of its substantial shareholders and/or parties acting in concert with them.
