### 3. Group's Prospects

The Group will remain cautious of the economic outlook for the year 2023 as the Malaysian economy is expected to grow at a moderate rate reflecting moderation in domestic and weaker global demand due to the volatile external environment and persistent Russia-Ukraine war. The Group's sound fundamentals and business models helps it to achieve sustainable revenue amid facing the persistent external uncertainties. The Group will continue to monitor the situation and taking appropriate measures to minimise any disruptions to the Group's operation and sales.

The Board expects that the performance of the Group will be satisfactory and remain positive for the financial year ending 31 March 2023, despite facing various challenges from the competitive and uncertain markets.

# 4. Board of Directors' Opinion on Revenue or Profit Estimate, Forecast, Projection or Internal Targets

The Group does not announce or disclose any revenue or profit estimate, forecast, projection or internal targets in a public document.

#### 5. Variance of Actual Profit from Profit Forecast

The disclosure requirements for explanatory notes for the variance of actual profit after tax and non-controlling interest and forecasted profit after tax and non-controlling interest and for the shortfall in profit guarantee are not applicable.
