To: Our Shareholders

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1.0 INTRODUCTION

At the Twenty-Fifth AGM held on 28 July 2020, the Company had obtained the approval from the shareholders to renew the authority for the Company to purchase its own shares of up to ten percent (10%) of the total number of issued shares of the Company at any point of time. The said approval will expire at the conclusion of the forthcoming Twenty-Sixth AGM of the Company scheduled to be held on 28 April 2021.

The Board of Directors of the Company had on 27 January 2021 announced the Company's intention to seek its shareholders' approval for the Proposed Renewal of Share Buy-Back Authority by way of an Ordinary Resolution at the forthcoming Twenty-Sixth AGM of the Company.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority as well as to set out the recommendation of our Board and to seek your approval for the Ordinary Resolution to be tabled at the forthcoming AGM. The notice of AGM and the Proxy Form are set out in the Company's Annual Report 2020. You are advised to read the contents of this Statement carefully before voting on the resolution pertaining to the Proposed Renewal of Share Buy-Back Authority.

2.0 DETAILS ON THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board is proposing to seek the shareholders' approval for the renewal of authority for the Company to purchase its own shares of up to ten percent (10%) of the total number of issued shares, subject to compliance with the Act, the Listing Requirements and any prevailing laws, guidelines, rules and regulations issued by the relevant authorities at the time of purchase.

The Proposed Renewal of Share Buy-Back Authority will be carried out through Bursa Securities via H&L's appointed stockbrokers.

2.1 QUANTUM

The maximum aggregate number of Shares which may be purchased by our Company shall not exceed 10% of our total number of issued shares at any point in time.

As at LPD, the total number of issued shares of the Company is 40,612,085 H&L Shares, hence, the maximum number of shares that may be purchased by the Company is up to 4,061,208 H&L Shares, inclusive of 3,115,160 H&L Shares that was bought back by the Company and retained as treasury shares.

The actual number of Shares to be purchased and the timing of such purchases will depend on, among others, market conditions and sentiments, as well as the retained profits and financial resources available to our Company at the time of the purchase(s).

2.2 FUNDING

The Proposed Renewal of Share Buy-Back Authority will be funded through internally generated funds and/or bank borrowings, the breakdown of which will be determined later depending on the actual number of Shares purchased, the purchase price(s) and other relevant cost at the time of purchase(s), and availability of funds. Should the purchase of H&L Shares be financed through bank borrowings, the Board will ensure that there are sufficient funds to repay such borrowings and that the repayment will not have any material adverse effect on the cash flow of H&L Group.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate amount of the retained earnings of the Company. Based on the Company's latest audited financial statements as at 31 October 2020, the retained earnings of the Company were RM2.523 million.

2.3 DURATION

The approval from the shareholders for the Proposed Renewal of Share Buy-Back Authority would be effective immediately upon the passing of the Ordinary Resolution for the Proposed Renewal of Share Buy-Back Authority at the forthcoming Twenty-Sixth AGM and shall be valid until:

- (i) the conclusion of the next AGM of the Company at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions;
- (ii) the expiry of the period within which the next AGM of the Company is required by law to be held; or
- (iii) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first, but shall not prejudice the completion of any purchase(s) by the Company before the aforesaid expiry date and in any event in accordance with the provision of the Act, the Listing Requirements and other prevailing laws, guidelines, rules and regulations issued by the relevant authorities.

2.4 TREATMENT OF PURCHASED SHARES

In accordance with Section 127(4) of the Act, the Company would be able to deal with any H&L Shares so purchased by the Company in the following manner:

- (i) to cancel the Purchased Shares; or
- (ii) to retain the Purchased Shares as treasury shares; or
- (iii) to retain part of the Purchased Shares as treasury shares and cancel the remainder.

The Purchased Shares held as treasury shares may be distributed as share dividends, resold on Bursa Securities in accordance with the relevant rules of Bursa Securities or transfer for the purposes of or under an employees' share scheme or as purchase consideration or such other purposes in accordance with Section 127(7) of the Act.

In considering how the Purchased Shares will be dealt with, the Directors will take into consideration the effect of such treatment to the H&L Group in arriving at its decision. In addition, an immediate announcement will be made to Bursa Securities upon each purchase, cancellation and or resell of shares pursuant to the share buy-back.

2.5 PRICING

Pursuant to the Listing Requirements, the purchase price of H&L Shares cannot be more than fifteen percent (15%) above the weighted average market price of H&L Shares for the five (5) Market Days immediately preceding the date of the purchase. In the case of a resale of the treasury shares on Bursa Securities, the Company may only resell any treasury shares at a price, which is:

- (i) not less than the weighted average market price of H&L Shares for the five (5) Market Days immediately prior to the date of the resale or transfer; or
- (ii) a discounted price of not more than five percent (5%) to the weighted average market price for H&L Shares for the five (5) Market Days immediately prior to the date of the resale or transfer, provided that:
 - (a) the resale or transfer takes place not earlier than thirty (30) days from the date of the purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of H&L Shares being resold or transferred.

2.6 PUBLIC SHAREHOLDING SPREAD

The Proposed Renewal of Share Buy-Back Authority shall be carried out in compliance with Paragraph 8.02(1) of the Listing Requirements which requires at least 25% of the total number of issued shares (excluding treasury shares) of the Company to be in the hands of public shareholders.

In this regard, the Company will endeavour to ensure that any share buy-back exercise will not breach Paragraph 12.14 of the Listing Requirements, which states that a listed company must not purchase its own shares on Bursa Securities if that purchase will result in the listed company being in breach of Paragraph 8.02(1) of the Listing Requirements.

As at LPD, the public shareholding spread of the Company is 34.4%.

3.0 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will enable H&L to utilise its surplus financial resources to purchase the H&L Shares as and when the Board deems fit in the interest of its shareholders during the tenure the authority granted is in effect. The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable the Company to stabilise the supply and demand of H&L Shares on the Bursa Securities and thereby support the Company's fundamental value.

If the Purchased Shares are maintained as treasury shares or cancelled, it will result in a lower number of Shares being used for the purposes of computing our EPS. Therefore, other things being equal, it will improve the EPS of our Group.

Should any treasury shares be distributed as share dividends, this would serve to reward our shareholders. H&L may have the opportunities for potential gains if the purchased H&L Shares which are retained as treasury shares are resold at prices higher than their purchase price.

4.0 POTENTIAL ADVANTAGES AND DISADVANTAGES

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- (i) Allow the Company to take preventive measures against speculation, particularly when the Shares are undervalued and this would, in turn, stabilise the market price of H&L Shares and hence, enhance investors' confidence;
- (ii) Allow the Company the flexibility to achieve the desired capital structure, in terms of debt and equity composition and size of equity;
- (iii) Provide the Company with opportunities for potential gains if the Purchased Shares which are retained as treasury shares, are resold at a higher price than they were bought for; and
- (iv) Serve to reward the shareholders of the Company if the Purchased Shares which are retained as treasury shares, are distributed as share dividends to the shareholders.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- (i) Reduce the financial resources of the Company, which may result in the Company foregoing better investment opportunities that may emerge in the future; and
- (ii) Reduce the financial resources available for distribution to shareholders in the immediate future as the funds to be allocated for the Proposed Renewal of Share Buy-Back Authority can only be made out of retained earnings of the Company.

The Proposed Renewal of Share Buy-Back Authority is not expected to cause any potential material disadvantage to our Company or our shareholders as our Directors will only implement it after due consideration of the financial resources of our Group and the resultant impact to our shareholders.

5.0 EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The effects of the Proposed Renewal of Share Buy-Back Authority are set out below:-

5.1 SHARE CAPITAL

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of H&L will depend on whether the Purchased Shares are cancelled or retained as treasury shares. If the Purchased Shares are held as Treasury Shares, resold or distributed to shareholders, the Proposed Renewal of Share Buy-Back Authority will not have any effect on the issued share capital of the Company. The Proposed Renewal of Share Buy-Back Authority will however, result in the reduction of the issued share capital of the Company if the Purchased Shares are cancelled.

For illustration purposes, the pro forma effects of Proposed Renewal of Share Buy-Back Authority on the issued share capital of our Company as at LPD assuming the maximum number of Shares authorised under the Proposed Renewal of Share Buy-Back Authority are purchased and cancelled, are set out below:

	No of Shares
Total number of issued shares as at the LPD*	40,612,085
Less: Maximum number of Shares that may be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back Authority	<u>(4,061,208)</u>
Resultant total number of issued shares	<u>36,550,877</u>

* inclusive of 3,115,160 Shares bought back and retained as treasury shares by the Company as at LPD

5.2 NET ASSETS AND WORKING CAPITAL

The effects of the Proposed Renewal of Share Buy-Back Authority on the Net Assets of our Group, whether the Purchased Shares are cancelled or retained as treasury shares are as follows:

(i) Purchased Shares are subsequently retained as treasury shares

The Net Assets of our Group would decrease if the Purchased Shares are retained as treasury shares due to the requirement for treasury shares to be carried at cost and be offset against equity, resulting in a decrease in the Net Assets of our Group by the cost of the treasury shares.

If the Purchased Shares are resold on Bursa Securities, the Net Assets of our Group would increase if our Company realises a gain from the resale, and vice-versa. If the Purchased Shares were distributed as share dividends, the Net Assets of our Group will decrease by the cost of the treasury shares.

(ii) Purchased Shares are subsequently cancelled

If the Purchased Shares are cancelled, the Proposed Renewal of Share Buy- Back Authority will reduce the Net Assets per Share if the purchase price per Share exceeds the Net Assets per Share at the relevant point in time, and vice-versa.

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of our Group, the quantum of which will depend on, amongst others, the purchase price(s) of H&L Shares and the number of Purchased Shares. The Proposed Renewal of Share Buy-Back Authority will affect the cash flow of the Group if it is wholly financed by internally generated funds and result in a lower amount of cash reserves available for dividends to be declared to shareholders as funds are utilised to purchase shares. The working capital and cash flow of our Group will increase upon reselling the H&L Shares purchased which are retained as treasury shares. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

5.3 GEARING

Assuming that the treasury shares are being retained by our Company and no borrowing is being used to fund any purchase of the Purchased Shares, the Proposed Renewal of Share Buy-Back Authority may increase the gearing of our Group as the Purchased Shares will reduce the equity by the cost of Shares acquired and held as treasury shares.

5.4 EARNINGS AND EPS

Depending on the number of Shares purchased, the prices paid for such Shares, the effective funding cost to our Company to finance the purchase of such Shares, if any, or any loss in interest income to our Company, the Proposed Renewal of Share Buy-Back Authority may increase or reduce the EPS of our Group. Nevertheless, all things being equal, assuming that the treasury shares are retained by our Company, the Proposed Renewal of Share Buy-Back Authority is expected to increase the EPS of our Group as the treasury shares held by our Company will not be taken into account in calculating the total number of Shares in issue.

If the Purchased Shares are cancelled, the number of Shares applied in the computation of EPS will reduce and accordingly, all things being equal, the Proposed Renewal of Share Buy-Back Authority will increase the EPS of our Group. If the Purchased Shares are resold, the extent of the impact to the EPS of our Group will depend on the actual selling price, the number of treasury shares resold and the effective gain on resale and any funding cost arising from the Proposed Renewal of Share Buy-Back Authority.

5.5 DIVIDENDS

The Proposed Renewal of Share Buy-Back Authority, if carried out, is not expected to have any material impact on the recommendation of dividends to our Shareholders by our Board. Nonetheless, if the H&L Shares so purchased are retained as treasury shares, the treasury shares may be distributed as dividends to our shareholders if the Company so decides.

6.0 SHAREHOLDINGS OF THE DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

If the Proposed Renewal of Share Buy-Back Authority is implemented in full, and there is no change in the number of shares held by the Substantial Shareholders and/or Directors of H&L as at LPD, the effects of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Substantial Shareholders and/or Directors based on the Register of Substantial Shareholders and the Register of Directors' Shareholdings respectively as at LPD are as follows:

7.0 PURCHASES, RESALE AND CANCELLATION OF H&L SHARES MADE IN THE PREVIOUS 12 MONTHS

During the previous twelve (12) months and up to the LPD, details of the resale of H&L Shares by the Company were as follows:

As at LPD, there was no purchases, transfer or cancellation of treasury shares made by the Company in the past twelve (12) months.

As at LPD, the Company held 3,115,160 H&L Shares as treasury shares.

8.0 IMPLICATIONS RELATING TO THE CODE

In the event that the Company acquires the full amount of H&L Shares authorized under the Proposed Renewal of Share Buy-Back Authority and all the H&L Shares so acquired are held as treasury shares or cancelled, the equity interest of the respective Substantial Shareholders as at LPD will increase as disclosed in Section 6.0 of this Statement. The Board does not anticipate any implication relating to the Code even if the allowed maximum number of shares is purchased pursuant to the authority granted under the Proposed Renewal of Share Buy-Back Authority.
