#### Convergence of the FRS Framework in Malaysia with the IFRS Framework issued by the IASB

The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 Agriculture and IC Interpretation 15 Agreements for Construction of Real Estate (IC 15), including its parent, significant investor and venturer ("Transitioning Entities").

The Group and the Company will be required to prepare financial statements using the MFRS Framework in its first MFRS financial statements for the year ending 31 December 2013. In presenting its first MFRS financial statements, the Group and the Company will be required to restate the comparative financial statements to amounts reflecting the application of the MFRS Framework. The majority of the adjustments required on transition will be made, retrospectively, against opening undistributed income.

The reduce in revenue was mainly attributable to the decrease in customers' demand for the financial period ended ("FPE") 30 September 2014.
