To: The Shareholders of **Harbour-Link**

Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

The Company had at the Nineteenth AGM held on 29 November 2021 obtained approval from its shareholders for the Company and its subsidiaries to enter into Recurrent Transactions. Such approval shall continue to be in full force until the conclusion of the forthcoming Twentieth AGM unless authority for its renewal is obtained from the shareholders of the Company at the Twentieth AGM.

On 6 October 2022, the Company announced to Bursa Securities that the Board proposes to seek its shareholders' approval on the Proposed Shareholders' Mandate at the forthcoming Twentieth AGM.

This Circular has been prepared to provide you with details of the Proposed Shareholders' Mandate and to seek your approval for the Proposed Shareholders' Mandate as contained in the resolution to be tabled at the forthcoming Twentieth AGM.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Introduction

Paragraph 10.09 of the Listing Requirements stipulates that a listed issuer may seek shareholders' mandate in respect of recurrent related party transactions of a revenue or trading nature which are necessary for the day-to-day operations of the listed issuer and its subsidiaries and are in the ordinary course of business and on terms not more favourable to the related party than those generally available to the public. Where a listed issuer has obtained such a mandate, the requirements of paragraph 10.08 of the Listing Requirements shall not apply to the recurrent related party transactions, which are comprised in the mandate. This means, during the period of validity of the mandate, the obligation to make immediate disclosure, as well as the obligation to procure shareholders' approval shall not apply to the recurrent related party transactions, which are comprised in the mandate.

The Board therefore proposes to seek a mandate from the shareholders of the Company to enable the Group to enter into recurrent related party transactions without the necessity of making the otherwise required announcement and approval.

The Proposed Shareholders' Mandate will, if approved by the shareholders at the forthcoming Twentieth AGM, apply in respect of the Recurrent Transactions to be entered into as set out in Section 2.3 of this Circular and shall take effect from the date of the forthcoming Twentieth AGM, and shall continue to be in force until:-

- i) the conclusion of the next AGM of the Company following the forthcoming Twentieth AGM, at which the ordinary resolution for the Proposed Shareholders' Mandate is passed, at which time it will lapse, unless by a resolution passed at the meeting, the Proposed Shareholders' Mandate authority is renewed;
 - ii) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340(2)(6) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
 - iii) revoked or varied by resolution passed by the shareholders in general meeting,
- whichever is earlier.

Thereafter, approval from the shareholders for renewal of the mandate will be sought at each subsequent AGM of the Company.

2.4 Review Procedures for the Recurrent Transactions

There are procedures and guidelines established by the Group to ensure that the Recurrent Transactions are undertaken on an arm's length basis and on the Group's normal commercial terms and on transaction prices and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The review and disclosure procedures shall include the following:

- i) a list of Related Parties will be circulated within the Group and at the same time, the Related Parties, interested directors and persons connected shall be notified that they are subject to the Proposed Shareholders' Mandate and all Recurrent Transactions are required to be undertaken on an arm's length basis and on the Group's normal commercial terms;
- ii) records of related party transactions will be maintained by the Group to capture all Recurrent Transactions which are entered into pursuant to the Proposed Shareholders' Mandate and will be made available to the external auditors and Audit and Risk Management Committee for their review;
- iii) the Board and the Audit and Risk Management Committee shall have overall responsibility for the determination of the review procedures with authority to delegate to individuals or committees within the Group as they deem appropriate. The annual internal audit plan shall incorporate a review of Recurrent Transactions which will be entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to. The Audit and Risk Management Committee will review the internal audit report at least on a quarterly basis to ascertain that the guidelines and procedures established to monitor Recurrent Transactions have been complied with;
- iv) terms of the recurrent transactions relating to the price or sales/distributions margins shall not be subject to the substantial change during the period that the Proposed Shareholders' Mandate is in force. Where such change is deemed necessary, the management shall review that the new terms are consistent with a transaction conducted at arms' length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the shareholders. The management shall also review that the new terms are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- v) at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the Company's Management will rely on their market knowledge of the prevailing industry norms and their usual business practice to ensure that the Recurrent Transactions is not detrimental to the Group;
- vi) further, where any director or person connected with him has an interest (direct or indirect) in any related party transactions, such director (or his alternate) shall abstain from voting on the matter. Where any member of the Audit and Risk Management Committee is interested in any transaction, that member shall abstain from voting on any matter relating to any decisions to be taken by the Audit and Risk Management Committee with respect to such transactions;

- vii) there is no specific threshold for approval of Recurrent Transactions. All Recurrent Transactions are reviewed and authorized by 2 personnel of at least managerial level holding a senior position or director, provided always that such personnel has no interest in the transaction. A listing of all Recurrent Transactions concluded will be tabled to the Audit and Risk Management Committee for review and deliberation. Thereafter, to report to the Board at least on a quarterly basis;
- viii) disclosure will be made in the Company's annual report on the breakdown of the aggregate value of transactions made pursuant to the shareholders' mandate during the financial year and in the annual reports for the subsequent financial year during which a shareholders' mandate is in force, amongst others, based on the following information:
 - a) type of the transactions made; and
 - b) the names of the Related Parties involved in each type of the transactions made and their relationship with the Group; and
- ix) any member of the Audit and Risk Management Committee may, as he deems fit, request for additional information pertaining to recurrent related party transactions from independent sources or advisers.

2.5 Amount due and owing by the Related Parties

As at FYE and LPD, there is no outstanding amount due and owing by the Related Parties which have exceeded the credit term.

2.6 Audit and Risk Management Committee Statement

The Audit and Risk Management Committee has seen and reviewed the guidelines and procedures in Section 2.4 of this Circular and are of the view that the said guidelines and procedures are sufficient to ensure that the Recurrent Transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Audit and Risk Management Committee of the Company is also of the view that the Group has in place adequate procedures and processes to monitor, track and identify Recurrent Transactions in a timely and orderly manner. The Audit and Risk Management Committee 's review of these procedures and processes will be conducted on a quarterly basis together with the review of quarterly results, or such frequency as the Audit and Risk Management Committee considers appropriate having regard to the value and the frequency of the Related Party Transactions.

3. RATIONALE OF THE PROPOSED SHAREHOLDERS' MANDATE

The Recurrent Transactions entered or to be entered into by the Group with the Related Parties are all in the ordinary course of business. They are recurrent transactions of a revenue or trading nature, which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case to case basis before entering into such related party transactions. Therefore, the Board is seeking an approval from the shareholders for the Proposed Shareholders' Mandate pursuant to Paragraph 10.09 of the Listing Requirements to allow the Group to enter into such Recurrent Transactions made on an arm's length basis and on normal commercial terms.

The Recurrent Transactions of a revenue or trading nature undertaken within the Group are mainly to support its day-to-day operations. The Related Parties are both good customers and reliable suppliers and the transaction prices are determined by way of negotiation in the ordinary course of business and upon normal commercial terms.

The Recurrent Transactions are expected to enhance the Group's business operations via the established relationship between the Group and the Related Parties. Such relationship will also ensure that HLG Group will continue to have support of procurement of goods and services of required quality and likewise, ensuring its products and services meet its customers' requirements.

4. FINANCIAL EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

As the Recurrent Transactions are carried out in the ordinary course of business and on normal commercial terms which are not more favourable to the Related Party than those generally available to the public, the effect of such transactions on the EPS and NA per share of Harbour-Link Group and share capital in Harbour-Link is not expected to be different from similar transactions with a non-related party. Accordingly, the Proposed Shareholders' Mandate is not expected to have any effect on the issued and paid-up share capital of Harbour-Link and NA per share and EPS of the Harbour-Link Group.

5. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is subject to the approval being obtained from the shareholders of Harbour-Link at the forthcoming Twentieth AGM of the Company.
