

## **SUNVIEW COLLABORATES WITH THE ADMINISTRATION OF KASHKADARYA REGION IN USD1 BILLION PROJECT**

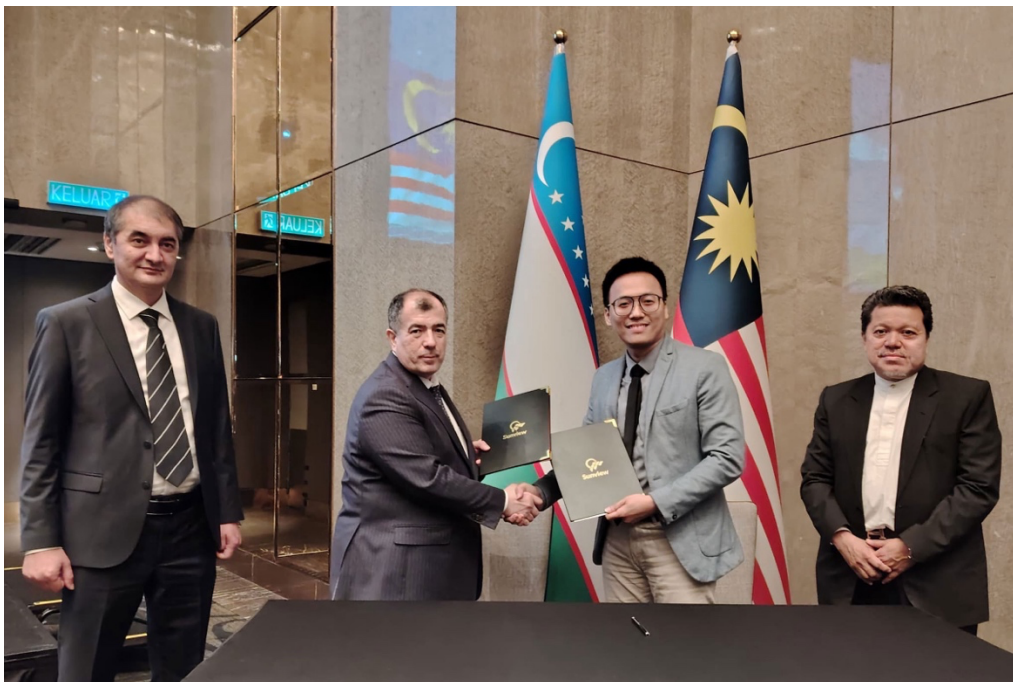

Aim to accelerate the transition to renewable energy in Kashkadarya region

---

**Kuala Lumpur, 28 February 2024 – Sunview Group Berhad** (“Sunview” or the “Group”), a prominent renewable energy player principally involved in the engineering, procurement, construction and commissioning and related activities, announced that its wholly-owned subsidiary, Fabulous Sunview Sdn Bhd has entered into a strategic business partnership agreement with the Administration of Kashkadarya region. Kashkadarya, also commonly referred to as Qashqadaryo, is one of the regions of Uzbekistan.

The collaboration between the two parties will focus on developing a 500 MWac solar photovoltaic plant ("Project") in the Kashkadarya region, with the target of implementation to be within 1 year from the agreement’s signing. Total cost of the Project is USD1 billion, which will be financed through foreign direct investments. In addition, Sunview will send representatives to the Kashkadarya region to explore possibilities of implementing the Project, engage in negotiations with local partners, and evaluate existing operational processes.

Sunview Group Berhad executive director & chief executive officer HP Ong said, “We are thrilled to announce this collaboration as it underscores Sunview’s commitment in advancing renewable energy initiatives and global sustainability. This project will not only open new horizons for Sunview to extend its geographical presence beyond the local market but also accelerate the transition to renewable energy in the Kashkadarya region. We are optimistic this partnership will yield a positive outcome for us.”

4. Dato' Sohaimi Bin Shahadan, President of ASEAN Chamber of Commerce & Industry

**About Sunview Group Berhad ("Sunview" or the "Group")**

Sunview Group stands as an investment holding company with a strategic focus on sustainable ecosystems through its subsidiaries. As Sunview endeavours to ascend as the leading renewable energy provider, it will further diversify to various clean energy power other than solar. This complements its role in the vertical integration of the solar energy supply chain. The committed workforce at Sunview is geared towards delivering comprehensive solutions in renewable energy, spanning the entire supply chain, from upstream as an aluminium solar mounting manufacturer to midstream activities like engineering, procurement, construction, and commissioning (EPCC) of solar infrastructure, and downstream responsibilities as solar asset owner. Through its 360° sustainability

## **PRESS RELEASE**
