

SUNVIEW COLLABORATES WITH YASHIL ENERGIYA TO EXPLORE RENEWABLE ENERGY AND/OR GREEN ENERGY PROJECTS IN UZBEKISTAN

Proud to contribute to Republic of Uzbekistan's renewable energy ("RE") target

Petaling Jaya, 20 May 2024 – Sunview Group Berhad ("Sunview" or the "Group"), a prominent RE player principally involved in the engineering, procurement, construction and commissioning ("EPCC") and related activities, announced that its wholly-owned subsidiary, Fabulous Sunview Sdn Bhd has entered into a strategic business alliance agreement with LLC "Yashil Energiya" ("Yashil Energiya") ("Agreement").

The alliance is with the aim to collaborate and explore business opportunities in RE and/or green energy related projects in the Republic of Uzbekistan. Under the Agreement, Sunview shall be the investor and EPCC provider for the projects, while Yashil Energiya, a company established by the President of the Republic of Uzbekistan, that specialises in the field of RE, will act as the purchaser for the electricity generated from the projects.

Sunview Group Berhad group executive director & group chief executive officer HP Ong said, "We are excited to collaborate with Yashil Energiya, as it marks a significant step forward in our international expansion strategy. Given Uzbekistan's target to generate 40% of its electricity requirements via renewable sources by 2030, our partnership is perfectly aligned with this sustainability goal. This collaboration allows Sunview to extend its geographical reach. This also underscores our commitment to support Uzbekistan's sustainability agenda. I am confident that our joint efforts will yield a positive outcome for the communities we serve and foster a greener future for all."
