

SUNVIEW'S ASSOCIATE WINSTAR GETS LISTING APPROVAL

Target to be listed on the ACE Market of Bursa Securities by fourth quarter of 2024

Petaling Jaya, 29 October 2024 – Sunview Group Berhad (“Sunview” or the “Group”), a prominent renewable energy (“RE”) player principally involved in the engineering, procurement, construction and commissioning and related activities, announced that Winstar Capital Berhad (“Winstar”), in which Vafe Systems Sdn. Bhd., an indirect wholly-owned subsidiary of Sunview, holds a 30% stake in Winstar Aluminium Manufacturing Sdn. Bhd. has received approval for its listing on the ACE Market from Bursa Malaysia Securities Berhad (“Bursa Securities”). The company is expected to be listed by the fourth quarter of 2024.

Winstar and its subsidiaries are primarily involved in the extrusion of aluminium profiles and fabrication of aluminium ladders; trading and distribution of building materials; and providing of solar photovoltaic (“PV”) system installation services and trading of solar PV system related materials and accessories.

Sunview Group Berhad Group Executive Director and Group Chief Executive Officer HP Ong said, “We would like to congratulate Winstar for taking a significant step closer to becoming a listed entity. Our investment in Winstar aligns seamlessly with our strategy to solidify our supply chain and enhance cost efficiency. In addition, by supporting Winstar’s expansion, we can also maintain greater control over the quality and availability of essential components, such as the aluminium mounting structures. This strategic move will further strengthen our position in the RE landscape. We look forward to Winstar’s successful listing in the near future.”

About Sunview Group Berhad (“Sunview” or the “Group”)

Sunview stands as an investment holding company with a strategic focus on sustainable ecosystems through its subsidiaries. As Sunview endeavours to ascend as the leading RE provider, it is dedicated to further diversify to various clean energy power other than solar. This complements its role in the vertical integration of the solar energy supply chain. The committed workforce at Sunview is geared towards delivering comprehensive solutions in RE, spanning the entire supply chain, from upstream

PRESS RELEASE

FOR IMMEDIATE RELEASE

as an aluminium solar mounting manufacturer to midstream activities like engineering, procurement, construction, and commissioning (EPCC) of solar infrastructure, and downstream responsibilities as solar asset owners.
