**SCANWOLF Secures RM10 Million Contract, Marking Its First Renewable Energy Infrastructure Project and Expanding Footprint in East Malaysia**

**Kuala Lumpur, 24 March 2025** – Scanwolf Corporation Berhad ("SCANWOLF" or "the Group"), a leader in innovative construction solutions, is pleased to announce that its wholly-owned subsidiary, Scanwolf Builders Sdn. Bhd. has secured a RM10 million sub-contract from Fabulous Sunview Sdn. Bhd., a subsidiary of Sunview Group Berhad.

The project involves the installation of solar photovoltaic systems on the rooftop and parking facilities at Universiti Malaysia Sabah in Kota Kinabalu, Sabah. The UMS project represents a significant step for Group, as it aligns with the Group's strategy to diversify its portfolio and capitalize on sustainable infrastructure opportunities nationwide.

The project is expected to contribute positively to the earning and net assets of the Group. The total-year-to-date construction projects secured are RM67.70 million.
