B3. Commentary on prospects

As of February 2025, Bank Negara Malaysia (BNM) has kept the Overnight Policy Rate (OPR) at 3.00%, a level maintained since May 2023. This decision supports economic stability, driven by strong domestic demand and manageable inflation. Analysts expect the OPR to stay unchanged throughout 2025, in line with BNM's neutral outlook on inflation and the economy.

The ongoing development of Tilia Shah Alam, which features 112 two-storey superlink homes is expected to complete in the fourth quarter of 2025, presents a valuable opportunity for buyers looking for quality residential options in Shah Alam.

Encorp expanded into East Malaysia through the ongoing Cahaya Kristal project in Kota Kinabalu, expected to be completed by the third quarter of 2026. The development offers both residential opportunities and represents a strategic move to diversify geographically, tapping into the vibrant Kota Kinabalu market.

Balau Residences project, a joint venture project in Teluk Cempedak, Kuantan Pahang is strategically positioned to capitalise on this boost in accessibility. The improved transportation network is anticipated to attract both residents and tourists, ensuring a strong market response to the development.

Our strategic partnership with FELDA has yielded successful outcomes, notably the completion of the Lamanda Chuping Phase 1 development project. Looking ahead, Phase 2 is scheduled to begin planning in the latter part of the year, with a dedicated emphasis on medium-cost housing to address community needs. Encorp remains committed to working collaboratively with FELDA to accelerate growth and enhance operational efficiency for both organisation.

The Investment Property segment is promising with rising rental occupancy at Strand Mall and Warna Avenue, and Strand Mall's integration into the SEDA program highlights the Group's commitment to sustainability and ESG standards.
