

SUNVIEW TO HONOR COURT'S DECISION WHILE EXPLORING FURTHER AVENUES TO PROTECT ITS RIGHTS

Petaling Jaya, 28 August 2025 – Sunview Group Berhad (“Sunview” or the “Group”), a prominent renewable energy (“RE”) player principally involved in the engineering, procurement, construction and commissioning (“EPCC”) and related activities, wishes to clarify the ongoing legal matter involving the Group’s wholly-owned subsidiary, Fabulous Sunview Sdn. Bhd. (“FSSB”), and TSS Cemerlang Sdn. Bhd. (“TSS Cemerlang”).

The dispute arose from a project in which FSSB sought to assert its rights over TSS Cemerlang’s contractual performance. On 7 August 2025, the High Court ruled in favour of TSS Cemerlang affirming the adjudication decision dated 8 April 2025 in CIPAA proceedings, allowing enforcement of the award. As a result, FSSB has been ordered to pay TSS Cemerlang RM1.67 million at the rate of 5% per annum from 8 April 2025 until full settlement, together with interest. TSS Cemerlang shall also pay RM18,390.74 and adjudication proceedings costs amounting to RM30,000.00 as well as plaintiff costs of RM5,000.00 which will be subjected to an allocator fee of RM200.

FSSB emphasises that the adjudication process under CIPAA serves as an interim payment mechanism and does not constitute a final determination of the parties’ rights and obligations. The recent High Court decision was confined to assess the fairness of the adjudicator’s process and did not address nor determine the substantive merits of the dispute. While FSSB respects the Court’s decision and has complied with the payment as directed by the Court, FSSB is evaluating its available legal options to address the merits and to safeguard its interests.

Sunview Group Berhad Group Executive Director & Group Chief Executive Officer HP Ong said, “At Sunview, we prioritise integrity and accountability in all our dealings, and we remain committed to honouring our contractual obligations while ensuring fair treatment for all parties involved. In line with this commitment, we have promptly made the payment as ordered by the High Court. While we respect the legal process, we remain steadfast in our pursuit of justice and will proactively explore all available legal avenues to achieve a fair and balanced resolution.”

PRESS RELEASE

FOR IMMEDIATE RELEASE

About Sunview Group Berhad ("Sunview" or the "Group")

Sunview stands as an investment holding company with a strategic focus on sustainable ecosystems through its subsidiaries. As Sunview endeavours to ascend as the leading RE provider, it is dedicated to further diversify to various clean energy power other than solar. This complements its role in the vertical integration of the solar energy supply chain. The committed workforce at Sunview is geared towards delivering comprehensive solutions in RE, spanning the entire supply chain, from upstream as an aluminium solar mounting manufacturer to midstream activities like engineering, procurement, construction, and commissioning (EPCC) of solar infrastructure, and downstream responsibilities as solar asset owners. Through its 360° sustainability solutions, Sunview is committed to making sustainable energy accessible to all, supporting customers on their environmentally conscious journey.

Sunview is duly registered under the Sustainable Energy Development Authority Malaysia as a solar service provider and solar PV investor. Furthermore, it holds certification as a contractor of Tenaga Nasional Berhad, an electrical contractor, and an energy service company under Suruhanjaya Tenaga. Additionally, it is recognized as a G7 contractor by the Construction Industry Development Board.
