This proposed Ordinary Resolution 6 seeks to renew the mandate obtained from the members at the last AGM held on 28 November 2024 ("the Previous Mandate"). The Previous Mandate was not utilised and accordingly, no proceeds were raised.

The Company wishes to obtain the mandate on the authority to issue shares of not more than 10% of the total issued shares capital for the time being pursuant to the Act at the forthcoming 19th AGM of the Company (hereinafter referred to as the "General Mandate").

This would allow the Company to respond promptly to business opportunities and market conditions, thereby reducing administrative time and costs associated with convening additional general meetings.

The General Mandate, if approved, may be utilised for fundraising activities, including but not limited to further placements of shares to finance current and/or future projects, working capital requirements, potential acquisitions, investments, or for the issuance of shares as consideration for asset purchases or such other purposes as the Directors may consider to be in the best interests of the Company.

This authority, unless revoked or varied by the Company at a general meeting, shall remain in force until the conclusion of the next Annual General Meeting.

These transactions will be conducted in the ordinary course of business, on an arm's length basis, and under normal commercial terms, which are not more favourable to the related parties than those generally available to the public and are not detrimental to the interests of the minority shareholders of the Company.

For further details, please refer to the Circular/Statement to Shareholders dated 29 October 2025.
