

## **SUNVIEW ENTERS COLLABORATION WITH NUENERGY HOLDINGS**

To drive future development of solar residential projects

**Petaling Jaya, 26 November 2025 – Sunview Group Berhad** (“Sunview” or the “Group”), a prominent renewable energy (“RE”) player principally involved in the engineering, procurement, construction and commissioning (“EPCC”) and related activities, today announced that its indirect subsidiary, SunMate Energy Sdn. Bhd. (“SunMate”) has entered into a collaboration with Nuenergy Holdings Berhad (“NHB”) through a shares subscription agreement.

Under the agreement, SunMate will enlarge its share capital to 1.0 million shares following which Sunview Ventures Sdn. Bhd. (“Sunview Ventures”) will subscribe to 599,900 new SunMate shares. NHB will subscribe to the remaining 400,000 new shares for RM400,000. Upon completion of the exercise, Sunview Ventures will own 60% of SunMate, with NHB holding the remaining 40%. SunMate, with a paid-up capital of RM100, comprising 100 ordinary shares, is currently wholly owned by Sunview Ventures.

SunMate and NHB are both RE companies specialising in alternative energy solutions, particularly solar, for the Malaysian market.

Sunview Group Berhad Group Executive Director & Group Chief Executive Officer HP Ong said, “The momentum in Malaysia’s RE sector continues to accelerate, especially in the solar residential market, where demand for reliable and sustainable rooftop solutions is rising rapidly. This collaboration reflects a shared strategic vision to strengthen both organisations’ presence in the residential solar market and to support Malaysia’s broader clean energy transition. By combining our expertise and streamlining our approach, we aim to make rooftop solar solutions more accessible and appealing to homeowners while enhancing service quality and operational efficiency. We believe this strategic alignment will drive sustainable growth for the business and contribute positively to Malaysia’s clean energy future.”
