Intended Outcome

Every company is headed by a board, which assumes responsibility for the company's leadership and is collectively responsible for meeting the objectives and goals of the company.

Practice 1.1

The board should set the company's strategic aims, ensure that the necessary resources are in place for the company to meet its objectives, and review Management performance. The board should set the company's values and standards and ensure that its obligations to its shareholders and other stakeholders are understood and met.

Application	: Applied
Explanation on application of the practice	<p>Bina Darulaman Berhad (“BDB/the Company”) is managed in line with the corporate governance framework and commercial principles that would normally be expected of a public listed company. In this regard, the Company and its Management undertake the following measures:</p> <ul style="list-style-type: none">• The Board meets every quarter with additional meetings convened as and when necessary. The Board devotes much of its time to overseeing the Company's strategy, governance, risk and policy, the approval of business plans, new business ventures and monitoring of performance.• The key governance, risk and internal control, financial and operational related policies are periodically reviewed by the Board to ensure they are aligned with the Company's requirements.• The Board is guided by the Board Charter which outlines the duties and responsibilities of the Board and matters specifically reserved for the Board as well as delegated to the Board Committees, the Group Chief Executive Officer (“the GCEO”) and C-Level Management:<ul style="list-style-type: none">• Raja Shahreen Bin Raja Othman – The Executive Director/Group Chief Executive Officer (Contract expired w.e.f 31 October 2025).• Encik Che Abdul Khalid Bin Md Din – The Group Chief Executive Officer (Appointed as Group Chief Executive Officer w.e.f 1 November 2025).• Encik Mohd Sobri Bin Hussein – The Chief Operating Officer (Resigned w.e.f 31 December 2025)• Encik Mohd Nasir Bin Ismail – The Chief Financial Officer• Encik Abdul Shukor Bin Abdul Rahman – The Chief Support Officer• Encik Mohd Hudzaifah Bin Mohamad Sam – The Chief Business Strategy Officer• Encik Mohd Taufik Bin Abdullah – The Chief People

	<p style="text-align: center;">Officer</p> <ul style="list-style-type: none"> • The GCEO and C-Level Management are also guided by the Delegated Authority Limit (“DAL”). • The Board is assisted by six (6) Board Committees, namely the Board Audit Committee (“the BAC”), the Board Nomination, Remuneration & ESOS Committee (“the BNREC”), the Board Risk Committee (“the BRC”), the Board Procurement Committee (“the BPC”) , the Board Sustainability Committee (“the BSC”) and the Board Investment Committee (“the BIC”). • The ED/GCEO and the C-Level Management as well as the Senior Management, monitored the Group’s performance where the performance is measured and tracked against the approved Business Plan and Corporate Scorecard through Management Committee Meeting held on a monthly/weekly basis as well as board meetings. • Quarterly, the financial performance, including key highlights, issues, concerns, and achievement targets for public disclosure, will be updated to the Board. Results will be discussed at BAC and board meetings, focusing on business segment performance, growth areas, concerns, and regulatory updates. • During the 133rd BAC meeting convened on 24 August 2025, the BAC requested that the Management provide regular updates on the current financial status from the start of the year to August, to be delivered by the second week of each month. • The BAC supports the Board in oversight responsibilities by providing unbiased and independent review on the effectiveness and efficiency of the internal control systems to ensure the implementation of appropriate internal control systems, supported by Audit Report from the Internal Auditors and annual review by the external auditors. • In the financial year, the BAC assists the Board in fulfilling its fiduciary responsibilities relating to the governance, internal controls, accounting, and reporting practices of the Group. • The BAC promotes the practices of good governance by ensuring that adequate internal control systems are in place and that appropriate standards of responsibility, integrity and accountability are maintained across the Group. • The Board, through the BRC, oversees, monitors, and assesses the Company’s risk Management framework and constantly engages the C-Level Management and Senior Management in managing,
--	---

	<p>mitigating, and eliminating inherent risks that may impact the Group.</p> <ul style="list-style-type: none"> • The Board, via the BIC, evaluates potential new business developments that could be advantageous to the Company as a whole. • The Board, through BSC, continues to strengthen the foundations of our sustainability framework and journey (Business Sustainability Plan), recognizing that robust governance, internal capabilities, and regulatory preparedness are fundamental pillars for long-term resilience and value creation. • The Board, through BNREC, is responsible for ensuring there is effective and orderly succession planning and reporting on the achievement of Key Performance Indicators and Corporate Balanced Scorecard.

Practice 1.6

Directors receive meeting materials, which are complete and accurate within a reasonable period prior to the meeting. Upon conclusion of the meeting, the minutes are circulated in a timely manner.

Application	: Applied
Explanation on application of the practice	<p>The Board meetings are scheduled and planned in advance. The Company Secretary will distribute the Annual Meeting Planner in advance for the Board to plan Annual Board Meeting Planner will be circulated in December for each calendar year. A total of nine (9) meetings were held in FY2025. The attendance record of Directors is set out in the Corporate Governance Overview Statement of the Annual Report 2025. Please refer to pages 147 to 149.</p> <p>The Board and Board Committee meetings were conducted either physically or in hybrid meetings in order to allow the Board members to participate in discharging their duties and responsibilities effectively. The Board Committee meetings are not combined with the Board Meeting to enable objective and independent discussion during the meeting.</p> <p>The Board Policy Manual, approved by the Board following the BAC's recommendation, clearly outlines the timing for distributing the Board Papers and the Board minutes.</p> <p>The notice of a meeting of the Board has been sent to each Director in a stipulated time seven, (7) working days, except in the case of urgent matters, whereby a special meeting is required to be held five (5) working days is encouraged. The notice includes the time, venue of the meeting, and agendas to be discussed during the meeting. In order to ensure the notice has been provided in an effective and timely manner, the Company Secretary will e-mail the notice to all Directors as a method of delivery of notice to facilitate the transfer of information.</p> <p>Depending on the issues and agendas to be deliberated, all relevant materials and information will generally be prepared and distributed to board members in accordance with the Board Policy Manual, seven (7) working days prior to the scheduled meeting for the Main Board and five (5) working days for the Board Committees.</p> <p>Since the Board Policy Manual was adopted on 28 May 2025, there may be occasions when papers are distributed later than the stipulated time. However, the Company Secretary will keep the Board informed and distribute the papers in batches. Occasionally, core papers are uploaded in batches for the Board to review and request further clarification (if any). The Board Papers consist of a comprehensive Management report, proposals, minutes of meetings, updates on previous board decisions, and supporting documents that enable the Board to discharge its responsibilities professionally and effectively.</p>

	<p>The pre-council meeting with the Chairman will take place at least two (2) days prior to the board meetings.</p> <p>The Board Papers are uploaded onto a secure digital platform for the Board's review.</p> <p>As part of the Company's green initiative and to improve the efficiency of meetings, a paperless board papers portal has been implemented for all Board and Board Committee Meetings since 2016. This portal enables digital access to meeting materials instead of distributed hard copies. This initiative has enhanced mobility, storage, time-saving, and convenience.</p> <p>Records and minutes of meetings will be circulated to all board members for confirmation of accuracy and verification. The directors may raise their concerns on any amendment to the minutes to the Company Secretary. Thereafter, all documents and minutes will be safely kept by the Company Secretary at the registered address.</p> <p>Prior to that, the Executive Summary of key decisions shall be prepared by the Company Secretary and distributed to the Board within a reasonable timeframe before the full minutes of the meeting are ready.</p>

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.2

At least half of the board comprises independent directors. For Large Companies, the board comprises a majority independent directors.

Application	:	Applied
Explanation on application of the practice	:	<p>BDB currently consists of a total of seven (7) Directors, including five (5) Independent Directors Non Executive Directors and two (2) Non-Independent Non-Executive Directors. Our objective is to uphold an effective board composition and ensure compliance with regulatory standards. To this end, BNREC will persistently review the board size and implement improvements as deemed necessary.</p> <p>In the Group's operations, the Independent Directors have an essential role in providing independent judgement and ensuring that all issues proposed by the executive Management are thoroughly discussed and examined. Their primary aim is to consider the long-term interest, not only of the shareholders but also of other stakeholders, such as employees, customers, and business associates.</p>

Intended Outcome

Board decisions are made objectively in the best interests of the company, taking into account diverse perspectives and insights.

Practice 5.3

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should provide justification and seek annual shareholders' approval through a two-tier voting process.

Application	:	Applied	
Explanation on application of the practice	:	The tenure of all the independent directors does not exceed a cumulative term limit of nine (9) years, and the board has no plan to retain any independent directors beyond nine years at this juncture.

Practice 5.4 - Step Up

The board has a policy which limits the tenure of its independent directors to nine years without further extension.

Note: To qualify for adoption of this Step-Up practice, a listed issuer must have a formal policy which limits the tenure of an independent director to nine years without further extension i.e., shareholders' approval to retain the director as an independent director beyond nine years.

Application	:	Adopted
Explanation on adoption of the practice	:	BDB has been practising this matter even though there were no explicit requirements to do so. In view of the regulatory requirements for greater disclosure, the Company will continue to disclose its policy in its CG Statement, Annual Report and Website.

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.5

Appointment of board and senior Management are based on objective criteria, merit, and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

Application	:	Applied
Explanation on application of the practice	:	<p>A fit and proper policy was established on 17 July 2022 to guide BNREC and the Board in reviewing candidates for appointment. The appointment of the Chief Executive Officer follows proper procedures. Psychometric assessments were conducted for the first-tier management. The Company recognizes that diversity benefits the team. Its resource needs and performance are regularly reviewed and monitored. Training programs are provided to develop internal candidates for larger roles.</p> <p>When proposing new candidates to the Board, the Company conducts background checks to ensure credibility and commitment. A closed session for assessment will typically be conducted, particularly concerning the appointment of an Independent Non-Executive Director.</p>

Practice 5.6

In identifying candidates for appointment of directors, the board does not solely rely on recommendations from existing board members, Management or major shareholders. The board utilises independent sources to identify suitably qualified candidates.

If the selection of candidates was based on recommendations made by existing directors, Management or major shareholders, the Nominating Committee should explain why these source(s) suffice and other sources were not used.

Application	:	Applied
Explanation on application of the practice	:	The Board profiles of the Retiring Directors by rotation who are standing for re-election at the forthcoming 31 st Annual General Meeting are set out in the Board Profiles of the Annual Report on pages 26 to 28. The profiles are also available at the Company's website at www.bdb.com.my/31st-agm .

Practice 5.9

The board comprises at least 30% women directors.

Application	:	Departure
Explanation on application of the practice	:	The Board currently has two (2) female Directors. Dato' Zakiah Binti Kassim, Senior Independent Director and Puan Nawal Binti Hanafiah, Independent Director.
Explanation for departure	:	<p>The Board has not fully applied Practice 5.9 of the MCCG during the financial year 2025. As at 31 December 2025, the Board comprises eight (8) Directors, of whom two (2) are woman Directors.</p> <p>The Company operates in the property development, engineering construction and quarry sectors, a business segment that is less attractive to many qualified female talent. This could be due to a steep learning curve or possibly mobility issues, as the main operation is in Kedah.</p> <p>The Board recognises the challenges in achieving the right balance of gender diversity on the Board. This will be done over time, taking into account the present size of the Board, the valuable knowledge and experience of the present Board members and the evolving challenges to the Company over time. The Board will continuously search for additional women candidates in its recruitment exercise.</p>

Measure	:	<p>We are in the process to source for suitable candidates for evaluation and assessments, the process will subject to competency, experience, likely contribution and value add to the Company.</p> <p>The Board targets to achieve the recommended 30% women Directors within the next three (3) years, subject to suitable Board renewal opportunities and business needs.</p>
Timeframe	:	Within three (3) years

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.10

The board discloses in its annual report the company’s policy on gender diversity for the board and senior Management.

Application	:	Applied	
Explanation on application of the practice	:	The Company is committed to ensuring a balanced representation of genders on its board. To achieve this goal, the Company has implemented a Policy on Gender Diversity for the Board and Senior Management. However, due to various factors such as human resource movement, particularly in the industry that BDB operates in, achieving this balance can be challenging and may fluctuate from time to time. Despite this, BDB will continue to make its best efforts in this regard.

Intended Outcome

Stakeholders are able to form an opinion on the overall effectiveness of the board and individual directors.

Practice 6.1

The board should undertake a formal and objective annual evaluation to determine the effectiveness of the board, its committees and each individual director. The board should disclose how the assessment was carried out its outcome, actions taken and how it has or will influence board composition.

For Large Companies, the board engages an independent expert at least every three years, to facilitate objective and candid board evaluation.

<i>Note: For a Large Company to qualify for adoption of this practice, it must undertake annual board evaluation and engage an independent expert at least every three years to facilitate the evaluation.</i>	
Application	: Departure
Explanation on application of the practice	: The Company has not fully complied with Practice 6.1 of the MCCG. The current board evaluation is conducted primarily based on the Company's financial performance, reflection the expectations of the majority shareholder. Full compliance is expected in the next financial year. The expiry of Chairman's contract also is one of the key reasons contribute to the delay in assessment. As for the evaluation process, BDB has established the format and framework for assessment as guided by the MCCG.

Intended Outcome

The level and composition of remuneration of directors and senior Management take into account the company's desire to attract and retain the right talent in the board and senior Management to drive the company's long-term objectives.

Remuneration policies and decisions are made through a transparent and independent process.

Practice 7.1

The board has remuneration policies and procedures to determine the remuneration of directors and senior Management, which takes into account the demands, complexities and performance of the company as well as skills and experience required. The remuneration policies and practices should appropriately reflect the different roles and responsibilities of non-executive directors, executive directors and senior Management. The policies and procedures are periodically reviewed and made available on the company's website.

Application	:	Applied
Explanation on application of the practice	:	<p>The Company has policies and procedures in determining the remuneration of directors and senior Management. In this regard, a guideline on the Terms of Reference ("TOR") for each board committee has also been put in place to ensure that remuneration is commensurate with skills and experience. Every board committee is governed by their respective TOR.</p> <p>In addition, the Company disclosed the remuneration of its board members and Senior Management on a named basis in the Corporate Governance Report, which is available on the Company's website at https://www.bdb.com.my/corporate-governance.</p> <p>At the Board level, as a matter of regulatory requirements, the remuneration and fees of Board members will also be put for shareholders' approval during the general meeting.</p>
