BDB SECURES RM251.65 MILLION KEDAH STATE ROAD MAINTENANCE CONTRACT

ALOR SETAR - Bina Darulaman Berhad (BDB) today announced that its wholly owned subsidiary, BDB Infra Sdn Bhd (BDB Infra), has secured a RM251.65 million state road maintenance contract from the Kedah State Government.

The 60-month (5 years) contract involves road maintenance works in Zone 1, covering the districts of Kota Setar, Kubang Pasu, Padang Terap and Pokok Sena.

Group Chief Executive Officer of BDB, Che Abdul Khalid Md Din said the award reflects the Kedah State Government's continued confidence in BDB Infra's capability and credibility in delivering infrastructure projects efficiently, consistently and with high quality standards.

"This contract award is a meaningful recognition for BDB Group and BDB Infra, reflecting our extensive experience and proven track record in the road maintenance and construction sector.

"BDB remains committed to ensuring the project is implemented in accordance with the required specifications and standards to enhance the safety and comfort of road users in Kedah," he said in a statement today.

He added that the contract is expected to contribute positively to BDB Group's earnings and financial performance for the financial years 2026 to 2031, while strengthening stakeholders' and investors' confidence in the Group's long-term growth prospects.

According to him, the project is also expected to generate positive spillover effects on the state's infrastructure development and stimulate local economic activities through employment opportunities and participation from local supply chain players.

BDB Infra is a Grade G7 contractor with more than 50 years of experience in road maintenance and construction works, as well as quarry operations in the northern region of Peninsular Malaysia.

For the record, over a 10-year period since 2015, BDB Infra has continuously received road maintenance contracts from the Kedah State Government, covering several districts across the state.
