A2. AUDITORS' REPORT ON PRECEDING ANNUAL FINANCIAL STATEMENTS

The financial statements of Al-'Aqar Healthcare REIT for the financial year ended 31 December 2017 was not subject to any audit qualification.

A3. SEASONALITY AND CYCLICALITY OF OPERATIONS

The business operations of Al-'Aqar Healthcare REIT are not affected by any material seasonal or cyclical factors.

A4. UNUSUAL ITEMS AFFECTING THE FINANCIAL STATEMENTS

There were no unusual items affecting the financial statements of Al-'Aqar Healthcare REIT for the current quarter.

A5. CHANGES IN ACCOUNTING ESTIMATES

There is no change in the estimates of amounts reported in prior financial years that has a material effect in the current financial period under review.

Except, as described below, the accounting policies applied in these interim financial statements are the same as those applied in the Group's consolidated financial statements as at and for the year ended 31 December 2017. The changes in accounting policies are also expected to be reflected in the Group's consolidated financial statements as at and for the year ending 31 December 2018.

The Group has adopted MFRS 15 'Revenue from Contracts with Customers' and MFRS 9 'Financial Instruments' from 1 January 2018 which resulted in changes in accounting policies and adjustments to the amount recognised in the financial statements. In accordance with the transition provision, the Group has adopted new rules retrospectively and its comparative may be restated for the 2017 financial year. A number of new standards are effective from 1 January 2018 but they do not have a material effect on the Group's financial statements.

i. MFRS 15 'Revenue from Contracts with Customers'

MFRS 15 replaces the guidance in MFRS 111 Construction Contracts, MFRS 118 Revenue, IC Interpretation 13, Customer Loyalty Programmes, IC Interpretation 15, Agreements for Construction of Real Estate, IC Interpretation 18, Transfer of Assets from Customers and IC Interpretation 131, Revenue - Barter Transactions Involving Advertising Services. The standard provides a single model for accounting for revenue arising from contracts with customers, focusing on the identification and satisfaction of performance obligations.

The adoption of MFRS 15 does not have a material effect on the Group's financial statements.

ii. MFRS 9 'Financial Instruments'

MFRS 9 replaces the provisions of MFRS 139 that relates to the recognition, classification and measurement of financial assets and financial liabilities, derecognition of financial instruments, impairment of financial assets and hedge accounting.

The adoption of the new standard has not had a significant effect on the Group's accounting policies related to financial liabilities. The classification of financial assets under MFRS 9 is generally based on the business model in which a financial asset is managed based on its contractual cash flow characteristics.

A5. CHANGES IN ACCOUNTING ESTIMATES (CONT'D)

Classification and measurement of financial assets

The following table and the accompanying notes below explain the original measurement categories under MFRS 139 and the new measurement categories under MFRS 9 for each class of the Group's financial assets:

	Original classification under <u>MFRS 139</u>	New classification under <u>MFRS 9</u>	Original carrying amount under <u>MFRS 139</u> RM'000	New carrying amount under <u>MFRS 9</u> RM'000
<u>Financial assets</u>				
<u>31.12.2018</u>				
Trade receivables	Loans and receivables	Amortised cost	5,312	5,312
Other receivables	Loans and receivables	Amortised cost	541	541
Cash and bank balances	Loans and receivables	Amortised cost	35,917	35,917
Fixed deposits with licensed banks	Loans and receivables	Amortised cost	51,032	51,032

Impairment of financial assets

MFRS 9 requires the Group to record expected credit losses on all its trade receivables and other receivables either on a 12-month or lifetime basis. The Group applies simplified approach and record lifetime expected losses on all receivables. Upon application of the expected credit loss model, the Group expect that due to the low credit risk of the receivables given the strong external credit rating, the loss allowance will have no material impact on the financial statements of the Group.

From the assessment above, the Group deem that no retrospective adjustment is required. As a consequence, it is not necessary to provide an additional statement of financial position as at the beginning of the earliest comparative period presented where an entity has made a retrospective change in accounting policies and/or a retrospective reclassification.

A6. ISSUANCES, CANCELLATIONS, REPURCHASES AND REPAYMENT OF DEBT AND EQUITY SECURITIES
