17. Prospects

Malaysian economy registered a growth in GDP of 4.2% in the 1Q 2024 (4Q 2023: 2.9%) per the recent announcement by Bank Negara Malaysia (BNM). The quarter saw a further expansion in household spending, higher turnaround in exports and stronger investment growth.

Further improvement can be seen in most economic sectors during the period. Major sector that recorded lower growth during the review included Services at 4.7% (4Q 2023: 4.1%), Manufacturing at 1.9% (4Q 2023: -0.3%) and Construction sector at 11.9% (4Q 2023: 3.6%).

Private consumption recorded growth at 4.7% (4Q 2023: 4.2%) due to improvement in both necessities and discretionary spending by households.

Meanwhile, Malaysia's inflation rate moderated but remained elevated at 1.8% in 1Q 2024 (4Q 2023: 2%) due to the existing price controls and fuel subsidies. With the current Overnight Policy Rate (OPR) BNM is optimistic on its impact to accommodate the current economy.

The Group will continue to remain vigilant on its capital expenditure and its strategic ventures. The Group focuses to continuously improve efficiency in bituminous productions and electricity generations.

24. Material Litigation

This is an update to the Report previously submitted by Minetech Resources Berhad ("MRB") regarding material litigation cases involving the Group.

The Group is not engaged in any material litigation cases as at the date of this report other than the following:-

a. Kuala Lumpur High Court Suit No. S-22NCVC-288-04/2013 ("Suit 288")

The Trial for Suit 288 had proceeded at the Kuala Lumpur High Court before Y.A. Datin Hajah Azizah on 23rd, 24th, 25th and 26th October 2017, 13th and 23rd November 2017.

The Judge had on 20th April 2018 found the termination by Sri Manjung Granite Quarry Sdn Bhd ("SMGQ") to be unlawful and had ordered SMGQ to pay damages to Optimis Dinamik Sdn Bhd ("ODSB") (the quantum of damages is to be assessed by the Court Registrar) together with interest thereon at the rate of 5% per annum from the date of the Writ of Summons dated 1 April 2013 until full payment and costs of RM80,000.

As regards to SMGQ's Counterclaim, the High Court only allowed SMGQ's counterclaim for the outstanding tribute payment of RM256,300 owing by ODSB which is to be deducted (set-off) from the damages assessed to be paid by SMGQ to ODSB. The Counterclaim of RM256,300 allowed by the High Court in Suit 288 should have no financial impact on the Group as it is to be deducted (set-off) against damages to be paid by SMGQ to ODSB.

On 15th May 2018, SMGQ filed their appeal against the High Court's decision in Suit 288 ("SMGQ's Appeal").

ODSB had filed Notice of Direction to the High Court for the assessment of damages. The Judge ordered for the assessment of damages to be stayed pending the disposal of SMGQ's Appeal.

SMGQ's Appeal was heard on 31st March 2021. The Court of Appeal dismissed SMGQ's Appeal and upheld the High Court's decision in deciding that SMGQ has unlawfully terminated ODSB's contract and the damages should only be given to ODSB.

On 29th April 2021, SMGQ filed a leave application at the Federal Court. On 15 September 2021, the Federal Court dismissed SMGQ's application for leave to appeal with cost of RM15,000.00. Therefore, the High Court's decision in deciding that SMGQ has unlawfully terminated ODSB's contract and the damages should only be given to ODSB is upheld. The Court has fixed 20th September 2022 for Case Management on Notice of Assessment of Damages.

On 18th October 2022, ODSB has submitted the Independent Report on Assessment Damages to the Court. The Court has fixed 22nd November 2022 for Case Management for Defendant's Rebuttal.

On 22nd November 2022 Case Management, the Defendant's Solicitor has requested for more time to finalise and submit their Rebuttal. The Court fixed 13th January 2023 for the next Case Management date. On 13th January 2023, the Defendant's Solicitor has required a further time extension. The Court fixed the next Case Management date on 31st October 2023. ODSB had engaged an external accountant, Messrs BDO, to prepare a Report to calculate ODSB's loss of profit for the purpose of the Assessment Proceedings.

The Court has fixed a new Case Management date of 15th July 2024 for both parties to complete the classification of documents for the Assessment of Damages proceedings.

b. Shah Alam High Court Suit No. BA-22NCC-95-07/2023

Coral Power Sdn Bhd ("CPSB") had received Writ of Summons and Statement of Claim ("Claims") dated 31 July 2023 from ManagePay Resources Sdn Bhd ("MPAY"). MPAY claims of the total amounting to RM5,610,011.47 for the overdue interest under the loan agreement and an interest at a rate of 8% per annum on late interest payments.

The Board of Directors had obtained a preliminary view from its solicitors who considers that Minetech and CPSB have a reasonably good prospect of defending the Claim and has made a counterclaim against the Plaintiff accordingly.

On 10 October 2023, the Company and CPSB had filed a Defence and Counterclaim ("Counterclaim") suit against the Plaintiff for failing to comply with the drawdown schedule in accordance to the Offer Letter and Loan Agreement, and had instead drawdown periodically via 59 tranches, which had caused material development and financial delays on the Project.

The counterclaim consists of compensation for general damages due to breach of the Offer Letter and Loan Agreement to be assessed by the High Court based on the costs incurred by CPSB and/or estimated damages amounting to RM20,742,738.71 and interest at the rate of 5% per annum on the amount of damages from the date of filing the Counterclaim until full settlement.

Minetech had entered into a Settlement Agreement with MPAY dated 31 March 2024. Both parties have agreed on a settlement sum of RM3,888,888.88 and CPSB agreed to make a minimum monthly repayment of RM300,000.00 to MPAY until the final full loan settlement. MPAY agreed to waive any late payment interest calculated on the interest and on the Settlement Sum for March 2024 to October 2024. In avoidance of doubt, late payment interest shall be chargeable on any unpaid interest starting from November 2024 until such outstanding sum has been fully settled.
