KUALA LUMPUR: Empire Premium Food Bhd posted a net profit of RM10.85 million in its first quarter ended June 30, 2026 driven by stronger sales from existing outlets.

Revenue for the quarter was RM84.68 million.

The company said its performance was also supported by the normalisation of consumer spending following the Ramadan fasting month, higher customer traffic during the mid-year school holidays and contributions from eight new outlets opened during the quarter.

These included two new conveyor belt quick dine-in sushi restaurants at Aman Central in Alor Setar, Kedah and Mid Valley Megamall in Kuala Lumpur.

The grab-and-go segment contributed RM73.2 million, amounting to 86.4 per cent of its revenue, while the quick dine-in segment contributed the remaining RM11.5 million or 13.6 per cent.

The are no comparative figures available as the company was listed on the Main Market on April 17.

As at June 30, Empire Premium operated 151 outlets nationwide.

Chief executive officer Nicole Lim said the company is focused on achieving its target of 158 outlets by end-2027.

"With a strengthened balance sheet following our listing, we are now well-positioned to accelerate our outlet expansion plans while enhancing operational efficiency and improving innovative menu offerings to strengthen customer engagement and support sustainable profitability," she added.
