Empire Premium marks first post-listing AGM with dividend

KUALA LUMPUR: Empire Premium Food Bhd yesterday convened its Second Annual General Meeting (AGM), marking its first AGM since the Group's listing on the Main Market of Bursa Securities on April 17, 2026.

All resolutions tabled at the meeting were duly passed by shareholders, including the approval of a final single-tier dividend of 0.65 sen per ordinary share for the financial year ended March 31, 2026 (FY2026), which will be payable on Oct 9, 2026.

For FY2026, Empire recorded revenue of RM297.1 million, up 26.1% year-on-year, while adjusted profit after tax and minority interests stood at RM48.7 million.

The group ended FY2026 with 143 outlets, up from 122 outlets a year earlier. As at June 30, 2026, the network had further expanded to 151 outlets, comprising 133 grab-and-go and 18 quick dine-in outlets.

"We are pleased with the progress we have made in FY2026. Over the year, we continued to grow our business and strengthen our presence across Malaysia, while completing our listing on the Main Market," CEO Nicole Lim said.

"Being recognised by Malaysia Book of Records as the Largest Halal Grab-and-Go Sushi Chain is also a proud milestone for us and reflects the progress we have made in building our business and serving more customers across Malaysia.

"As we move into FY2027, we will continue to focus on expanding our outlet network and improving our operations, while creating sustainable value for our shareholders.

"We are also working on several FMCG products in our pipeline, which will give us an opportunity to introduce new offerings to our customers and explore additional growth opportunities."
