ACIBADEM

FULFILLING OUR ASPIRATION

Care.
For good.

Patients

Empowering our patients

Focusing on delivering **better, faster, easier and more accessible care** through a variety of initiatives from having better clinical outcomes to empowering patients via digital platforms.

People

Shaping the best place to work for

Enhancing programmes and policies to have a safe culture and environment that prioritises **employee total well-being**, that embraces **diversity and inclusion** and that continuously **engages and develops our people** to bring out the best in them.

Public

Nurturing a healthier society

Focusing on prevention, promoting health literacy and public corporate responsibility programmes tackling **antimicrobial resistance (AMR)** and top two mortality diseases – **cancer and cardiovascular diseases**.

Planet

Protecting our planet

Progressively advancing our environmental stewardship by first focusing on our **waste management and carbon footprint** through energy efficiency projects.
