CHAIRMAN'S STATEMENT

Dear Shareholders,

The Board of Directors of My E.G. Services Berhad ("MYEG" or "the Company") is pleased to present to you the Company's Annual Report and financial statements for the financial year ended 30 June 2009 ("FY2009").

The year under review registered our remarkable progress and reaffirmed us as the leading electronic Government ("e-Government") services provider in Malaysia. MYEG is in the forefront of promoting e-Government transactions to the Malaysian public.

MYEG's most significant accomplishment during the year under review was its successful transfer of the listing status from the MESDAQ Market to the Main Board of Bursa Malaysia Securities Berhad ("Bursa Malaysia"). We are immensely proud of this remarkable achievement, given that the Group was elevated to the Main Board just two years after our Initial Public Offering.

Against this backdrop, we are more determined than ever to sustain our growth, and to continue playing a pivotal role in enabling the Government improve its delivery system and develop a highly-efficient and technologically-advanced infrastructure for the benefit of the general public.

FINANCIAL PERFORMANCE

MYEG's group revenue grew 19.8% year-on-year to RM52.5 million from RM43.8 million in the previous year, largely due to the tremendous response to the Group's latest service offerings, ie the online road tax renewal and auto insurance renewal which were launched in April 2008. The growing adoption of these services mark another success story in the Group's strategy to introduce services that would greatly improve e-Government transactions for public convenience.

Group profit before tax amounted to RM17.3 million in FY2009 compared to RM14.8 million previously, while Group net profit attributable to shareholders grew a healthy 16.4% to RM17.2 million from RM14.8 million in the previous year. Earnings per share stood at 2.9 sen in FY2009 compared to 2.7 sen previously.

CHAIRMAN'S STATEMENT

cont'd

From a wider perspective, the Group revenue recorded commendable compounded annual growth rates ("CAGR") of 44.4% from FY2005 to FY2009, while Group net profits saw 61.7% in CAGR in the same period. We believe this demonstrates the Group's strong business model that is resilient through the economic cycles.

The Group maintained a healthy balance sheet, with shareholders' equity totaling RM69.5 million as at 30 June 2009, versus RM49.4 million in the previous year. Furthermore, the Group reduced its total borrowings to RM5.8 million as at end-June 2009, versus RM6.5 million previously, which led to the Group remaining in net cash position in the year under review.

DIVIDEND

With the Group turning in a commendable report card, the Board is pleased to recommend for shareholders' approval at the upcoming Annual General Meeting a fourth and final tax exempt dividend of 0.455 sen per share in respect of FY2009.

The proposed dividend would bring the total dividend declared to 1.82 sen per share in respect of FY2009, translating to dividend payout of RM10.9 million for the year under review, or 63.6% of the Group's net profit. This would be the second consecutive year that the Group has paid over and above the dividend policy of distributing 30% of its net profit to shareholders. The Board is appreciative of shareholders' continuous support.

CORPORATE EXERCISES

• 10% Private placement and 6-for-5 Bonus Issue

On 30 October 2008, the Group completed a private placement of 20.71 million new ordinary shares of par value RM0.10 each ("MYEG Shares"), which were listed and quoted on the MESDAQ Market of Bursa Malaysia on 31 October 2008 and subsequently transferred to the Main Board of Bursa Malaysia on 7 January 2009.

The private placement raised gross proceeds of approximately RM17.0 million, the status of which is detailed below:

Purpose	Proposed Amount	Utilisation	Balance as at 30 June 2009	Expected Timeframe To Be Used
	RM'000			
Capital Expenditure	7,900	7,900	-	24 months
Advertising, Marketing and Promotion Expenses	3,685	1,034	2,651	24 months
Working Capital	4,993	4,993	-	24 months
Bonus Issue /Share Issue Expenses	400	400	-	6 months
TOTAL	16,978	14,327	2,651	

The Group also undertook a 6-for-5 Bonus Issue exercise, which was implemented after the private placement. The Bonus Issue entailed an issuance of 327.85 million new MYEG shares, which were listed and quoted on the MESDAQ Market of Bursa Malaysia on 24 December 2008.

• Increase of share capital and transfer to Main Board of Bursa Malaysia

Upon completion of the Bonus Issue, MYEG's issued and paid-up share capital increased from RM27.3 million to RM60.1 million comprising of 601.1 million MYEG Shares, thus fulfilling the minimum requirement of RM60 million share capital to transfer to the Main Board of Bursa Malaysia.

The Group also met the profit track record criteria, registering an aggregate consolidated net profit of RM30.53 million for five consecutive financial years ended 30 June from 2004 to 2008.

MYEG ushered in the new year on a positive note, with the Group's transfer to the Main Board of Bursa Malaysia completed on 7 January 2009. We believe that our position in the Main Board, which is now known as the Main Market, has not only increased the capital base of the Group to enhance our current operations, but also places the Group in good stead to expand our reach to the domestic and regional investors.

FUTURE OUTLOOK

Recognizing the ever-growing preferences in Internet usage amongst Malaysians, the Malaysian Communications and Multimedia Commission ("MCMC") added e-Government transactions as one of the new reasons Malaysians went online in 2008.

In fact, the results of the 'Household Use of the Internet Survey 2008' which were released in February 2009 showed that almost 20% of all Malaysian Internet users went online to conduct e-Government transactions in 2008.

This as an encouraging start, which definitely signals a great potential and future for MYEG.

Internet Activities of M'sian households in 2008	Percentage share of household user base
Getting information	94.4
Text communications	84.7
Leisure	63.5
Education	64.5
Financial activities	31.8
Public services	29.2
E-Government transactions	19.8
Online stock trading	5.9
Others	0.7

Source : Household use of the Internet Survey 2008, MCMC, Feb 2009

Thus, the Group will embark on the following initiatives to tap into the growth opportunities ahead:

- (i) Continue to implement its aggressive marketing campaign in order to create top-of-mind awareness for MYEG as Malaysia's e-Government services provider.
- (ii) Continue to focus on organic growth, by expanding our geographical reach nationwide.
- (iii) Maintain our emphasis on Research and Development ("R&D") in order to facilitate the continuous introduction of new services, and hone our competitive edge in the e-Government sector at the same time.

With these strategies in place, we believe that the Group is poised to continue building our positive track record, and be able to serve the public even more significantly in the future.

CORPORATE SOCIAL RESPONSIBILITY

Whilst we pursue our business in earnestness, we acknowledge our responsibility in no less degree to our employees, business partners and the communities in which we carry out business activities, as well as to the environment we operate in.

To this end, some of the activities that had been undertaken during the financial year include:

- (i) Adopting of health and safety policy and programme to look into the overall welfare of our staff, property and public.
- (ii) Providing various in-house and external training programme to enhances employees knowledge and skills.

As a responsible corporate citizen, ongoing donations are to be made to various communities and charitable organization, be it in cash or in kind.

CORPORATE GOVERNANCE

The Board believes in maintaining high standards of Corporate Governance practices within the Group as a fundamental aspect in discharging our responsibilities to protect and maximize shareholders' value, as well as enhance the business prosperity of the Group. These measures are highlighted in the Corporate Governance Statement in this Annual Report.

ACKNOWLEDGEMENTS

I would like to express my heartfelt gratitude to my fellow Board members, management and employees for their continuous dedication and hard work that contributed towards the success and achievements of MYEG.

Our appreciation also goes to our valued shareholders, business partners, bankers and customers for their support in the Group's e-Government initiatives.

Last but not least, I would also like to express MYEG's gratitude to the relevant Government agencies and authorities for enabling MYEG to enhance their e-Government efforts, and look forward to collectively achieve the goals of the nation.

BUSINESS REVIEW

OPERATIONS REVIEW

The Group continued its record revenue streak in the year under review, registering RM52.5 million in FY2009 versus RM43.8 million in FY2008.

The increase was mainly attributed to the growing adoption of the Group's latest online road tax renewal and auto insurance renewal services launched in April 2008. The year under review had seen the Group establish collaborations with numerous banks and insurance companies in order to provide end-users with a wider range of options as well as enable the Group to reach out to a larger segment of the general public.

Such measures have clearly paid off, with the new services not only recording double-digit growth in number of transactions on a monthly basis, but also contributing approximately 10% of total FY09 revenues. Indeed, the growing acceptance of our services clearly proves that our solutions are both user-centric and user-friendly.

However, the strong demand for online road tax and auto renewal service was offset by a decrease in overall demand for Highway Code theory test taking services, as students chose to defer the process of obtaining their driving license due to the less-favorable economic conditions in FY2009. Nonetheless, the Group believes that this is a temporary situation, and that demand for this service is expected to revive with economic recovery.

The year under review also saw the Group undertaking an aggressive advertising and promotion ("A&P") campaign, in line with our objective of enhancing awareness for MYEG's brand and direct traffic to our e-Government portal at www.myeg.com.my. Our A&P initiatives encompassed the breadth of conventional to modern media, including print media, television, radio, billboards, and blogs, in order to effectively reach our target audience.

MYEG also embarked on sponsorships on highly-popular radio and television programs to create a positive brand image, with the sponsored programs typically associated with best service, speed, accuracy, and convenience - values that embody MYEG's services.

One of our most notable marketing activities in the year entailed MYEG teaming up with ESPN STAR Sports' SportsCenter Malaysia to run a viewers' choice home video contest dubbed "Catch Your Best Shot on SportsCenter", where the Grand Prize was a trip for two to watch the 2009 UEFA Champions League final 'live' in Rome in May 2009. The contest, officially launched

by the Prime Minister's wife, Datin Paduka Seri Rosmah Mansor, succeeded in elevating the Group to a higher status amongst the general public, whilst incentivizing the public to adopt multimedia and online applications at the same time.

On the whole, the Group's aggressive marketing and A&P expenditure, coupled with higher depreciation, resulted in the Group recording pre-tax margin of 33.0% in FY2009, compared to 33.8% in the previous year. Even so, the Group views the vigorous marketing strategy as a necessary investment for the future, to enable MYEG to leverage on our first-mover advantage and occupy a premium position in the minds of the general public.

The Group also grew its network of E-Service Centers from 54 in FY2008 to 65 in FY2009, to improve public accessibility to the Group's e-Government transactions. The new E-Service Centers, under the "MYEG" and "Speed" brand names, are largely concentrated in East Malaysia, as well as in suburban and rural towns.

Furthermore, the Group more-than-doubled the number of E-Service Kiosks deployed nationwide in the year under review to 315, from 140 previously. The significant increase in deployment of E-Service Kiosks was not only in line with the Group's growing number of E-Service Centers, but also due to the increased rollout to an expanding network of vehicle-financing banks and insurance companies to assist them in renewing auto insurance and conducting insolvency searches.

All said, the Group has grown from strength to strength in the year under review, and we look forward to another successful year ahead.

R&D

As a technology player, the Group has pledged an unfaltering commitment to consistent R&D in order to continuously develop pioneering e-Government solutions for the convenience of both Government agencies as well as the public. In tandem with this emphasis, the Group allocated RM0.9 million for R&D initiatives in FY2009, versus RM0.4 million in the previous year.

The Group's current R&D activities encompass a pipeline of e-Government services, including online application of vehicle registration numbers, tax monitoring system for the Customs Department, and online application for MyKad replacement, amongst others. With these initiatives in hand, the Group is confident of maintaining our position as Malaysia's premier e-Government services provider.

GROWTH STRATEGIES

Moving forward, we at MYEG see the huge potential to digitize more Government services that are currently transacted over the counter in Malaysia.

While mindful of the impact of the global economic slowdown in our country, we believe that the demand for our e-Government services has much room for growth in light of increasing internet penetration and rising awareness of the convenience of adopting e-Government transactions for greater efficiency.

In light of this, the Group will maintain our intensive marketing campaign with the aim of making MYEG a household brand that is synonymous with innovative, speedy and efficient e-Government services. In addition to running print and electronic advertisements, the Group would continue to seek sponsorship opportunities to brand MYEG on the national arena to our target audience, consisting of the internet-savvy users that place a premium on convenience.

At the same time, the marketing activities would also serve to encourage other Government agencies to move up the value-chain of operational efficiency by providing their services online. We will continue to work closely with Government departments and agencies to enhance public services delivery and offer more convenience to the public.

MYEG also plans to expand the geographical reach of our E-Service Centers to enhance public access to e-Government services. The Group targets to open approximately another 30 E-Service Centers in FY2010, bringing the number of E-Service Centers to a total of 95 nationwide. We believe that the establishment of more E-Service Centers in the suburban and rural areas will play a crucial role in enabling all Malaysians to grasp the convenience of e-Government services, and propel the society towards a higher rate of technological adoption.

Lastly, the Group would continue to take a proactive stance in developing e-Government services by sustaining our R&D activities in the current financial year.

With all these initiatives in place, we are optimistic of MYEG's prospects in the coming years, and look forward to the brighter future ahead.

EVENTS HIGHLIGHT

TRANSFER TO MAIN MARKET OF BURSA MALAYSIA

On 7 January 2009, MYEG successfully completed its transfer listing from the MESDAQ Market to the Main Board (now known as Main Market) of Bursa Malaysia.

ESPN STAR SPORTS' SPORTSCENTER MALAYSIA FOR HOME VIDEO CONTEST

In January 2009, MYEG teamed up with ESPN STAR Sports' SportsCenter Malaysia to run a viewers' choice home video contest dubbed "Catch Your Best Shot on SportCenter".

The contest was officially launched by Datin Paduka Seri Rosmah Mansor on 23 January 2009. The launch was also attended by Dato' Sri Ismail Sabri Yaakob, Minister of Youth and Sports and Datuk Lee Chong Wei, the well-known international badminton player of Malaysia.

FINALIST IN MSC MALAYSIA ASIA PACIFIC ICT AWARD (APICTA) 2009

In October 2009, MYEG was nominated as one of the finalists of Best E-Government Application in MSC Malaysia APICTA 2009 Awards.

CONFERENCES AND EXHIBITIONS

MYEG participated actively in several exhibitions organized by Unit Pemodenan Tadbiran Dan Perancangan Pengurusan Malaysia (MAMPU), Jabatan Pengangkutan Jalan (JPJ) and other government agencies. These exhibitions are part of MYEG's corporate social responsibility to reach out to the Malaysian public and create awareness of improvements in the Government internal operations and in the delivery of services to the consumers.

MYEG also took part in conferences and exhibitions held abroad.

In October 2008, MYEG was invited to participate in the Gulf Information Technology Exhibition ("GITEX") held in Dubai. This exhibition provided the Middle East governments a clearer understanding of e-Government and what it can do for businesses and consumers. Our participation also represented a good opportunity for MYEG to explore the market potential in the Middle East, in particular the United Arab Emirates.

In our efforts to enhance investor relations, MYEG, on the invitation of Bursa Malaysia Securities Berhad, also participated in the Asian Investment Conference and Exhibition ("AICE") in July 2009 in Singapore. The two-day investors' conference enabled MYEG to reach out to more foreign investors.

CORPORATE GOVERNANCE STATEMENT

The Board of Directors ("the Board") is committed to ensuring that the principles and best practices on corporate governance are observed and practised throughout the Group so that the affairs of the Group are conducted with integrity and professionalism with the objective of safeguarding shareholders' investment and ultimately enhancing shareholders' value.

Set out below is a statement of how the Group has applied the principles and complied with the best practices outlined in the Malaysian Code on Corporate Governance ("Code") and Paragraph 15.25 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad Listing.

BOARD OF DIRECTORS

The Board

The Group is led by an effective and experienced Board with members from diverse backgrounds possessing a wide range of expertise. Together they bring a broad range of skills, experience and knowledge which gives added strength to the leadership in managing and directing the Group's operations.

The Board recognises its stewardship responsibilities to effectively discharge their role in charting the strategic direction, development and control of the Group. In summary, this includes the review and monitoring of matters relating to strategies, performance, resource allocation, standards of conduct, financial matters, succession planning, effectiveness and adequacy of the Group's system of internal controls and risk management practices

Composition and Board Balance

As at the date of this Annual Report, the Board comprises six (6) members; three (3) of whom are Executive Directors (including the Chairman) and three (3) Independent Non-Executive Directors.

A brief profile of each Director is presented on pages 13 to 17 of this Annual Report.

The Executive Directors are primarily responsible for the implementation of policies and decisions of the Board, overseeing the Group's operations and developing the Group's business strategies. The role of the Independent Non-Executive Directors is to provide objective and independent judgement to the decision making of the Board and as such, provide an effective check and balance to the Board's decision making process.

With this composition of members, the Board is satisfied that it fairly reflects the investment of the minority shareholders and represents the required mix of skills and experience required for the effective discharge of the Board's duties and responsibilities.

There is a clear division of responsibilities between the roles of the Chairman and Managing Director to ensure that there is equilibrium of power and authority in managing and directing the Group. The Chairman is primarily responsible for the effective and efficient conduct and working of the Board whilst the Managing Director oversees the day-to-day management of Group's business operations and implementation of policies and strategies adopted by the Board.

The Board is of the opinion that the appointment of a Senior Independent Non-Executive Director to whom concerns can be conveyed is not necessary at this stage as the Chairman fully encourages active participation of each and every Board member at the Board meetings.

RELATIONS WITH SHAREHOLDERS AND INVESTORS

The Group recognises the importance of effective communication with shareholders and the investment community, and adheres strictly to the disclosure requirements of Bursa Securities.

The Annual General Meeting ("AGM") is the principal forum for dialogue with the shareholders. At the AGM, the Board provides for opportunity for shareholders to raise questions pertaining to the business activities of the Group. All Directors are available to respond to questions from the shareholders at the AGM. The external auditors are also present to provide professional and independent clarification on issues and concerns raised by the shareholders.

To keep the shareholders and investors informed on the Group's latest business and corporate developments, information is disseminated via Annual Report, circulars to shareholders, press releases, quarterly financial results and various announcements made from time to time to Bursa Securities.

ACCOUNTABILITY AND AUDIT

Financial Reporting

In presenting the annual audited financial statements and interim financial statements on a quarterly basis to the shareholders, the Board is responsible to present a clear, balanced and understandable assessment of the Group's performance and position. The Audit Committee assists the Board in reviewing the information to be disclosed, to ensure the completeness, accuracy and adequacy of financial disclosures.

Internal Controls

The Company continues to maintain and review its internal control procedures to ensure, as far as possible, the protection of its assets and its shareholders' investments. The Audit Committee is assigned by the Board with the duty to review the adequacy and effectiveness of control procedures and report to the Board on major findings for deliberation.

INTERNAL AUDIT FUNCTION

The internal audit function of the Group is outsourced to an independent professional firm, which reports directly to the Audit Committee and assists the Board of Directors in monitoring and managing risks and internal controls. The function is designed to evaluate and enhance risk management, control and governance processes to assist Management in achieving its corporate goals.

The results of the reviews were formally reported to the Audit Committee. The internal audit reviews conducted did not reveal significant weaknesses which would result in material losses, contingencies or uncertainties that would require disclosure in the annual report. Senior Management has taken note of the findings and duly acted upon the recommendations made by the internal audit function.

Further details of the internal audit function are set out in the Statement on Internal Control on pages 29 to 30.

STATEMENT ON INTERNAL CONTROL

INTRODUCTION

BOARD RESPONSIBILITY

The Board of Directors ("the Board") acknowledges its overall responsibility for the Group's system of internal controls and for reviewing the adequacy and integrity of systems of internal controls. The Board is also committed to establishing and maintaining a system of internal control and risk management practices in order to achieve the following objectives:

- Safeguard assets of the Group and shareholders' interest;
- Identify risk and ensuring the implementation of internal control systems to manage risks affecting the Group;
- Compliance with applicable laws, regulations, rules, directives and guidelines; and
- Operational results are being closely monitored and significant variances are promptly addressed.

Given the inherent limitations in any system of internal control, such systems can only manage the risk rather than eliminate the risk of failure to achieve the Group's corporate objectives. Therefore, the system can only provide reasonable but not absolute assurance against material misstatement or loss, contingencies, fraud or any irregularities.

RISK MANAGEMENT FRAMEWORK

The Board also recognizes that risk management should be an integral part of the business operation.

On a day-to-day basis, respective Heads of Departments are responsible for managing risks related to their functions or departments. Weekly management meetings are held to ensure that the risks faced by the Group are monitored and properly addressed. It is at these meetings that key risks and corresponding controls implemented are communicated amongst the senior management team. Significant risks identified are subsequently brought to the attention of the Board at their scheduled meetings.

The abovementioned risk management practices of the Group is an on-going process of identifying, evaluating and managing significant risks that may affect the Group's achievement of its corporate objectives.

INTERNAL AUDIT FUNCTION

The Group's internal audit function is outsourced to an independent professional firm which reports directly to the Audit Committee. The internal audit function is guided by its Audit Charter and to assist the Board and Audit Committee in providing independent assessment of the effectiveness, adequacy and integrity of the Group's system of internal controls.

During the financial year ended 30 June 2009, the internal audit function carried out audits in accordance with the internal audit plan approved by the Audit Committee and also other areas of significance that were recommended by the Management to the Audit Committee. The results of the internal audit reviews and the recommendations for improvement were presented to the Audit Committee at their quarterly meetings.

In addition, follow up visits were also conducted to ensure that corrective actions have been implemented in a timely manner. Based on the internal audit reviews conducted, none of the weaknesses noted have resulted in any material losses, contingencies or uncertainties that would require separate disclosure in this annual report.

For the financial year ended 30 June 2009, the amount of fees incurred in respect of the internal audit reviews performed by the professional service firm was approximately RM68,000.

STATEMENT ON INTERNAL CONTROL

cont'd

OTHER KEY ELEMENTS OF INTERNAL CONTROLS

The other key elements of the Group's internal control systems are:

- (i) Quarterly review of the financial performance of the Group by the Board and the Audit Committee.
- (ii) Clearly defined and structured lines of reporting and responsibility.
- (iii) Operations review meetings are held to monitor the progress of business operations, deliberate significant issues and formulate corrective measures.
- (iv) Documented internal policies as set out in a series of memorandums to various departments within the Group.

ASSURANCE

The Board is of the view that the Group's system of internal controls is adequate to safeguard shareholders' investments and the Group's assets. However, the Board is also cognizant of the fact that the Group's system of internal control and risk management practices must continuously evolve to meet the changing and challenging business environment. Therefore, the Board will, when necessary, put in place appropriate action plans to further enhance the system of internal controls.

REVIEW BY EXTERNAL AUDITORS

The external auditors have reviewed this Statement on Internal Control pursuant to paragraph 15.23 of the Main Market Listing Requirements of Bursa Malaysia, and have reported to the Board that it appropriately reflects the processes that the Board has adopted in reviewing the adequacy and integrity of the system of internal control.

ADDITIONAL COMPLIANCE INFORMATION

1. UTILISATION OF PROCEEDS

As at 30 June 2009, the utilisation of gross proceeds of RM16,978,100 raised from the private placement was as follows:

Purpose	Proposed Utilisation RM'000	Amount Utilised RM'000	Balance Utilisation RM'000
Capital Expenditure	7,900	7,900	-
Advertising, Marketing and Promotion Expenses	3,685*	1,034	2,651
Working capital	4,993	4,993	-
Bonus Issue/Share Issue expenses	400	400	-
Total	16,978	14,327	2,651

Note*

In view that the actual proceeds received is less than RM19.44 million, the differences was adjusted against the proceeds earmarked for advertising, marketing and promotional purposes.

2. SHARE BUY-BACKS

At the Extraordinary General Meeting of the Company held on 5 December 2008, the Company had obtained the shareholders' authority to implement a share buy-back scheme to purchase its own ordinary shares of up to 10% of the issued and paid-up ordinary share capital of the Company.

During the financial year under review, the Company did not purchase its own shares from the open market of Bursa Malaysia Securities Berhad.

3. OPTIONS, WARRANTS OR CONVERTIBLE SECURITIES

The Company did not issue any options, warrants or convertible securities in respect of the financial year ended 30 June 2009.

4. AMERICAN DEPOSITORY RECEIPT ("ADR") OR GLOBAL DEPOSITORY RECEIPT ("GDR")

During the financial year ended 30 June 2009, the Company did not sponsor any ADR or GDR programme.

5. SANCTIONS AND/OR PENALTIES

There were no public sanctions and/or penalties imposed on the Company and its subsidiaries, Directors or management by any regulatory bodies during the financial year.

6. NON-AUDIT FEES

8. REVALUATION POLICY ON LANDED PROPERTIES

The Group does not have a revaluation policy on landed properties as it does not hold any landed properties.

9. VARIATION IN RESULTS

There was no deviation of 10% or more between the results of the financial year ended 30 June 2009 as per the audited financial statements and the unaudited results previously announced.

10. PROFIT GUARANTEE

The Company did not make any arrangement during the financial year which requires profit guarantee.

11. RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE AND TRADING NATURE

The Company obtained the shareholders' mandate for the Company and/or its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature ("RRPT") in their ordinary course of business at the Annual General Meeting held on 5 December 2008.

The Company will not be seeking for shareholders' approval for the renewal of the shareholders' mandate for the existing RRPT at the forthcoming Annual General Meeting of the Company to be held on 10 December 2009, for the reason that the Group does not expect the yearly aggregate value of the RRPT entered or to be entered into with any related party to exceed the prescribed limit of RM1.0 million or the percentage ratio of 1%, whichever is higher, as defined in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

Details of the RRPT in the normal course of business of MYEG Group made during the financial year ended 30 June 2009 pursuant to the aforesaid shareholders' mandate are as follows:

ISSUES OF SHARES AND DEBENTURES

During the financial year,

- (a) the Company increased its authorised share capital from RM50,000,000 to RM100,000,000 by the creation of 500,000,000 new ordinary shares of RM0.10 each;
- (b) the Company increased its issued and paid-up share capital from RM25,250,000 to RM60,105,100 by:
 - (i) the issuance of 20,705,000 new ordinary shares of RM0.10 each through a private placement at an issue price of RM0.82 per share for capital expenditure, advertising, marketing and promotional as well as additional working capital purposes. The shares were issued for cash consideration; and
 - (ii) a bonus issue of 327,846,000 new ordinary shares of RM0.10 each ("Bonus Shares") on the basis of six Bonus Shares for every five existing ordinary shares held in the Company. The bonus issue was by the capitalisation of retained earnings and share premium.

All the new ordinary shares issued during the financial year rank pari passu in all respects with the existing ordinary shares of the Company; and

- (c) there were no issues of debentures by the Company.

OPTIONS GRANTED OVER UNISSUED SHARES

During the financial year, no options were granted by the Company to any person to take up any unissued shares in the Company.

BAD AND DOUBTFUL DEBTS

Before the financial statements of the Group and of the Company were made out, the directors took reasonable steps to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts, and satisfied themselves that there are no known bad debts and that adequate allowance had been made for doubtful debts.

At the date of this report, the directors are not aware of any circumstances that would require the writing off of bad debts, or the additional allowance for doubtful debts in the financial statements of the Group and of the Company.

CURRENT ASSETS

Before the financial statements of the Group and of the Company were made out, the directors took reasonable steps to ascertain that any current assets other than debts, which were unlikely to be realised in the ordinary course of business, including their value as shown in the accounting records of the Group and of the Company, have been written down to an amount which they might be expected so to realise.

At the date of this report, the directors are not aware of any circumstances which would render the values attributed to the current assets in the financial statements misleading.

VALUATION METHODS

At the date of this report, the directors are not aware of any circumstances which have arisen which render adherence to the existing methods of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.

DIRECTORS' REPORT

cont'd

CONTINGENT AND OTHER LIABILITIES

At the date of this report, there does not exist:-

- (i) any charge on the assets of the Group and of the Company that has arisen since the end of the financial year which secures the liabilities of any other person; or
- (ii) any contingent liability of the Group and of the Company which has arisen since the end of the financial year.

No contingent or other liability of the Group and of the Company has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations when they fall due.

CHANGE OF CIRCUMSTANCES

At the date of this report, the directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements of the Group and of the Company which would render any amount stated in the financial statements misleading.

ITEMS OF AN UNUSUAL NATURE

The results of the operations of the Group and of the Company during the financial year were not, in the opinion of the directors, substantially affected by any item, transaction or event of a material and unusual nature.

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors, to affect substantially the results of the operations of the Group and of the Company for the financial year.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MY E.G. SERVICES BERHAD

(Incorporated in Malaysia) Company No: 505639 - K

REPORT ON THE FINANCIAL STATEMENTS

We have audited the financial statements of MY E.G. Services Berhad, which comprise the balance sheets as at 30 June 2009 of the Group and of the Company, and the income statements, statements of changes in equity and cash flow statements of the Group and of the Company for the financial year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 41 to 76.

Directors' Responsibility for the Financial Statements

The directors of the Company are responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards and the Companies Act, 1965 in Malaysia. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly drawn up in accordance with Financial Reporting Standards and the Companies Act, 1965 in Malaysia so as to give a true and fair view of the financial position of the Group and of the Company as of 30 June 2009 and of their financial performance and cash flows for the financial year then ended.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of the Companies Act, 1965 in Malaysia, we also report the following:-

- (a) In our opinion, the accounting and other records and the registers required by the Act to be kept by the Company and its subsidiaries of which we have acted as auditors have been properly kept in accordance with the provisions of the Act.
- (b) We have considered the financial statements and the auditors' report of the subsidiary of which we have not acted as auditors, which is indicated in Note 6 to the financial statements.
- (c) We are satisfied that the financial statements of the subsidiaries that have been consolidated with the Company's financial statements are in form and content appropriate and proper for the purposes of the preparation of the financial statements of the Group and we have received satisfactory information and explanations required by us for those purposes.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2009

1. GENERAL INFORMATION

The Company is a public company limited by shares under the Companies Act, 1965 in Malaysia. The domicile of the Company is in Malaysia. The registered office and principal place of business are as follows:-

Registered office : 10th Floor, Menara Hap Seng,
No. 1 & 3, Jalan P. Ramlee,
50250 Kuala Lumpur.

Principal place of business : Lot 5.01, Level 5, KPMG Tower,
No.8, First Avenue,
Persiaran Bandar Utama, Bandar Utama,
47800 Petaling Jaya, Selangor Darul Ehsan.

The financial statements were authorised for issue by the Board of Directors in accordance with a resolution of the directors dated 28 October 2009.

2. PRINCIPAL ACTIVITIES

The Company is principally engaged in the business of development and implementation of the Electronic Government Services project and the provision of other related services for the Electronic Government Services project, as well as investment holding. The principal activities of the subsidiaries are disclosed in Note 6 to the financial statements. There have been no significant changes in the nature of these activities during the financial year.

3. FINANCIAL RISK MANAGEMENT POLICIES

The Group's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Group's business whilst managing its market, credit, liquidity and cash flow risks. The policies in respect of the major areas of treasury activity are as follows:-

(a) Market Risk

(i) Foreign Currency Risk

The Group does not have any foreign currency transactions, assets or liabilities and hence is not exposed to any foreign currency risk.

(ii) Interest Rate Risk

The Group obtains financing through banking, leasing and hire purchase facilities. Its policy is to obtain the most favourable interest rates available.

Surplus funds are placed with financial institution at the most favourable interest rates.

(iii) Price Risk

The Group does not have any quoted investment and hence is not exposed to any price risk.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2009

cont'd

3. FINANCIAL RISK MANAGEMENT POLICIES cont'd

(b) Credit Risk

The Group's exposure to credit risk, or the risk of counterparties defaulting, arises mainly from its receivables. The maximum exposure to credit risk is represented by the total carrying amount of this financial asset in the balance sheet reduced by the effects of any netting arrangements with counterparties.

The Group's concentration of credit risk relates to the performance bond to a gateway provider and advance payments to 2 suppliers as disclosed in Note 11 to the financial statements.

The Group manages its exposure to credit risk by the application of credit approvals, credit limits and monitoring procedures on an ongoing basis.

(c) Liquidity and Cash Flow Risk

The Group's exposure to liquidity and cash flow risks arises mainly from general funding and business activities.

It practises prudent liquidity risk management by maintaining sufficient cash balances to meet its obligations as and when they fall due.

4. BASIS OF PREPARATION

The financial statements of the Group and of the Company are prepared under the historical cost convention and modified to include other bases of valuation as disclosed in other sections under significant accounting policies, and in compliance with Financial Reporting Standards ("FRS") and the Companies Act, 1965 in Malaysia.

The Group and the Company have not adopted the following FRSs and IC Interpretations that have been issued as at the date of authorisation of these financial statements but are not yet effective for the Group and the Company:

(i) FRS issued and effective for financial periods beginning on or after 1 July 2009:-

FRS 8 Operating Segments

FRS 8 replaces FRS 114²⁰⁰⁴ Segment Reporting and requires a "management approach", under which segment information is presented on the same basis as that used for internal reporting purposes. The adoption of this standard only impacts the form and content of disclosures presented in the financial statements of the Group. This FRS is expected to have no material impact on the financial statements of the Group upon its initial application.

(ii) FRSs issued and effective for financial periods beginning on or after 1 January 2010:-

FRS 4	Insurance Contracts
FRS 7	Financial Instruments: Disclosures
FRS 101 (Revised 2009)	Presentation of Financial Statements
FRS 123	Borrowing Costs
FRS 139	Financial Instruments: Recognition and Measurement

4. BASIS OF PREPARATION cont'd

(ii) FRSs issued and effective for financial periods beginning on or after 1 January 2010:- cont'd

FRS 4 is not relevant to the Group and the Company's operations. The possible impacts of FRS 7 and FRS 139 on the financial statements upon their initial applications are not disclosed by virtue of the exemptions given in these standards.

The adoption of FRS 101 (Revised 2009) will only impact the form and content of the presentation of the Group financial statements in the next financial year. There will be no financial impact on the financial statements upon the adoption of this standard.

The possible impact of FRS 123 on the financial statements upon its initial application is not disclosed as the existing accounting policies of the Group and the Company are consistent with the requirements under this new standard.

(iii) Amendments issued and effective for financial periods beginning on or after 1 January 2010:-

Amendments to FRS 1 Cost of an Investment in a Subsidiary, Jointly Controlled Entity or Associate and FRS 127

Amendments to FRS 2 Vesting Conditions and Cancellations

Amendments to FRS 7, FRS132, FRS139 and IC Interpretation 9 Improvements to Accounting for Financial Instruments

Amendments of FRSs Annual Improvements to FRSs (2009)

The possible impacts of amendments to FRS7, FRS 132, FRS 139 and IC Interpretation 9 on the financial statements upon their initial applications are not disclosed by virtue of the exemptions given in these standards.

The Annual Improvements to FRSs (2009) is expected to have no material impact on the financial statements of the Group upon their initial application.

The other amendments are not relevant to the Group's operations.

(iv) IC Interpretations issued and effective for financial periods beginning on or after 1 January 2010:-

IC Interpretation 9 Reassessment of Embedded Derivatives

IC Interpretation 10 Interim Financial Reporting and Impairment

IC Interpretation 11 FRS 2: Group and Treasury Share Transactions

IC Interpretation 13 Customer Loyalty Programmes

IC Interpretation 14 FRS 119: The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction

The above IC Interpretations are not relevant to the Group's operations except for IC Interpretation 10. IC Interpretation 10 prohibits the impairment losses recognised in an interim period on goodwill, investments in equity instruments and financial assets carried at cost to be reversed at a subsequent balance sheet date. This interpretation is expected to have no material impact on the financial statements of the Group upon its initial application.

5. SIGNIFICANT ACCOUNTING POLICIES

(a) Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated by the directors and management and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The estimates and judgements that affect the application of the Group and the Company's accounting policies and disclosures, and have a significant risk of causing a material adjustment to the carrying amounts of assets, liabilities, income and expenses are discussed below:-

(i) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The details of revenue recognition policies are disclosed in Note 5(t) to the financial statements.

(ii) Depreciation of Equipment

The estimates for the residual values, useful lives and related depreciation charges for the equipment are based on commercial factors which could change significantly as a result of technical innovations and competitors' actions in response to the market conditions.

The Group anticipates that the residual values of its equipment will be insignificant. As a result, residual values are not being taken into consideration for the computation of the depreciable amount.

Changes in the expected level of usage and technological development could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised.

(iii) Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Group recognises tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax and deferred tax provisions in the period in which such determination is made.

(iv) Impairment of Goodwill

The Group determines whether goodwill is impaired at least on an annual basis. This requires an estimation of the value-in-use of the cash-generating units ("CGU") to which goodwill is allocated. Estimating a value-in-use amount requires management to make an estimate of the expected future cash flows from the CGU and also to choose a suitable discount rate in order to calculate the present value of those cash flows.

Information relating to goodwill is disclosed in Note 9 to the financial statements.

(v) Impairment of Assets

When the recoverable amount of an asset is determined based on the estimate of the value-in-use of the cash-generating unit to which the asset is allocated, the management is required to make an estimate of the expected future cash flows from the cash-generating unit and also to apply a suitable discount rate in order to determine the present value of those cash flows.

5. SIGNIFICANT ACCOUNTING POLICIES cont'd

(a) Critical Accounting Estimates and Judgements cont'd

(vi) *Amortisation of Development Costs*

Changes in the expected level of usage and technological development could impact the economic useful lives therefore future amortisation charges could be revised.

(vii) *Allowance for Doubtful Debts of Receivables*

The Group makes allowance for doubtful debts based on an assessment of the recoverability of receivables. Allowances are applied to receivables where events or changes in circumstances indicate that the carrying amounts may not be recoverable. Management specifically analyses historical bad debt, customer concentrations, customer creditworthiness, current economic trends and changes in customer payment terms when making a judgement to evaluate the adequacy of the allowance for doubtful debts of receivables. Where the expectation is different from the original estimate, such difference will impact the carrying value of receivables.

(b) Financial Instruments

Financial instruments are recognised in the balance sheet when the Group has become a party to the contractual provisions of the instruments.

Financial instruments are classified as liabilities or equity in accordance with the substance of the contractual arrangement. Interest, dividends, gains and losses relating to a financial instrument classified as a liability, are reported as an expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity.

Financial instruments are offset when the Group has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

Financial instruments recognised in the balance sheet are disclosed in the individual policy statement associated with each item.

(c) Functional and Presentation Currency

The functional currency of each of the Group's entity is measured using the currency of the primary economic environment in which that entity operates.

The consolidated financial statements are presented in Ringgit Malaysia ("RM") which is the parent's functional and presentation currency.

(d) Basis of Consolidation

The consolidated financial statements include the financial statements of the Company and all its subsidiaries made up to 30 June 2009.

A subsidiary is defined as a company in which the parent company has the power, directly or indirectly, to exercise control over its financial and operating policies so as to obtain benefits from its activities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2009

cont'd

5. SIGNIFICANT ACCOUNTING POLICIES cont'd

(d) Basis of Consolidation cont'd

All subsidiaries are consolidated using the purchase method. Under the purchase method, the results of the subsidiaries acquired or disposed of are included from the date of acquisition or up to the date of disposal. At the date of acquisition, the fair values of the subsidiaries' net assets are determined and these values are reflected in the consolidated financial statements. The cost of acquisition is measured at the aggregate of the fair values, at the date of exchange, of assets given, liabilities incurred or assumed, and equity instruments issued by the Group in exchange for control of the acquiree, plus any costs directly attributable to the business combination.

Intragroup transactions, balances and unrealised gains on transactions are eliminated; unrealised losses are also eliminated unless cost cannot be recovered. Where necessary, adjustments are made to the financial statements of subsidiaries to ensure consistency of accounting policies with those of the Group.

Minority interests in the consolidated balance sheets consist of the minorities' share of fair values of the identifiable assets and liabilities of the acquiree as at the date of acquisition and the minorities' share of movements in the acquiree's equity.

Minority interests are presented in the consolidated balance sheet of the Group within equity, separately from the Company's equity holders, and are separately disclosed in the consolidated income statement of the Group.

(e) Goodwill on Consolidation

Goodwill represents the excess of the fair value of the purchase consideration over the Group's share of the fair values of the identifiable net assets of the subsidiary at the date of acquisition.

Goodwill is measured at cost less accumulated impairment losses, if any. The carrying value of goodwill is reviewed for impairment annually. The impairment value of goodwill is recognised immediately in the consolidated income statement. An impairment loss recognised for goodwill is not reversed in a subsequent period.

If, after reassessment, the Group's interest in the fair values of the identifiable net assets of the subsidiaries exceeds the cost of the business combinations, the excess is recognised immediately in the consolidated income statement.

(f) Investments in Subsidiaries

Investments in subsidiaries are stated at cost in the balance sheet of the Company, and are reviewed for impairment at the end of the financial year if events or changes in circumstances indicate that their carrying values may not be recoverable.

On the disposal of the investments in subsidiaries, the difference between the net disposal proceeds and the carrying amount of the investments is taken to the income statement.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2009

cont'd

5. SIGNIFICANT ACCOUNTING POLICIES cont'd

(g) Equipment

Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Depreciation is calculated under the straight-line method to write off the cost of the assets over their estimated useful lives. Depreciation of an asset does not cease when the asset becomes idle or is retired from active use unless the asset is fully depreciated. The principal annual rates used for this purpose are:-

Motor vehicles	16%
Office and communication equipment	12%
Office furniture and renovation	10%
Computers	20%
Software	20%

The depreciation method, useful life and residual values are reviewed, and adjusted if appropriate, at each balance sheet date to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of the equipment.

An item of equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising from derecognition of the asset is included in the income statement in the year the asset is derecognised.

(h) Impairment of Assets

The carrying values of assets, other than those to which FRS 136 - Impairment of Assets does not apply, are reviewed at each balance sheet date for impairment when there is an indication that the assets might be impaired. Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. The recoverable amount of the assets is the higher of the assets' net selling price and their value-in-use, which is measured by reference to discounted future cash flow.

An impairment loss is charged to the income statement immediately unless the asset is carried at its revalued amount. Any impairment loss of a revalued asset is treated as a revaluation decrease to the extent of a previously recognised revaluation surplus for the same asset.

In respect of assets other than goodwill, and when there is a change in the estimates used to determine the recoverable amount, a subsequent increase in the recoverable amount of an asset is treated as a reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have been determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in the income statement immediately, unless the asset is carried at its revalued amount. A reversal of an impairment loss on a revalued asset is credited directly to the revaluation surplus. However, to the extent that an impairment loss on the same revalued asset was previously recognised as an expense in the income statement, a reversal of that impairment loss is recognised as income in the income statement.

(i) Development Costs

Development costs comprise expenditure incurred on the development of the Group's software systems and integration used for the provision of Electronic Government Services. Costs incurred on development projects are capitalised to the extent that such expenditure is expected to generate future economic benefits.

Other development expenditure is recognised as an expense when incurred. Development costs previously recognised as an expense are not recognised as an asset in a subsequent period.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2009

cont'd

5. SIGNIFICANT ACCOUNTING POLICIES cont'd

(i) Development Costs cont'd

Development costs that have been capitalised are amortised from the commencement of the commercial service of the product to which they relate on a straight line basis over the period of their expected benefits but not exceeding 20 years.

(j) Equipment under Hire Purchase and Finance Lease

Leases of equipment where substantially all the benefits and risks of ownership are transferred to the Company are classified as finance leases.

Equipment acquired under hire purchase are capitalised in the financial statements.

Each lease or hire purchase payment is allocated between the liability and finance charges so as to achieve a constant rate on the finance balance outstanding. The corresponding outstanding obligations due under the finance lease and hire purchase after deducting finance charges are included as liabilities in the financial statements.

Finance charges are allocated to the income statement over the period of the respective lease and hire purchase agreements.

Equipment acquired under finance leases and hire purchase are depreciated over the useful lives of the assets. If there is no reasonable certainty that the ownership will be transferred to the Group, the assets are depreciated over the shorter of the lease terms and their useful lives.

(k) Operating Leases

Leases of assets where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments are made under operating leases (net of any incentives received from the lessor) are charged to the income statement on the straight-line basis over the lease period. When an operating lease is terminated before the lease period has expired, any payment required to be made to the lessor by way of penalty is recognised as an expense in the period in which termination takes place.

(l) Receivables

Receivables are carried at anticipated realisable value. Bad debts are written off in the period in which they are identified. An estimate is made for doubtful debts based on a review of all outstanding amounts at the balance sheet date.

(m) Payables

Payables are stated at cost which is the fair value of the consideration to be paid in the future for goods and services received.

(n) Income Taxes

Income taxes for the year comprise current and deferred tax.

Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year and is measured using the tax rates that have been enacted or substantively enacted at the balance sheet date.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are recognised for all taxable temporary differences.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2009

cont'd

5. SIGNIFICANT ACCOUNTING POLICIES cont'd

(n) Income Taxes cont'd

Deferred tax liabilities are recognised for all taxable temporary differences other than those that arise from goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the business combination costs or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantively enacted at the balance sheet date.

Deferred tax is recognised in the income statement, except when it arises from a transaction which is recognised directly in equity, in which case the deferred tax is also charged or credited directly to equity, or when it arises from a business combination that is an acquisition, in which case the deferred tax is included in the resulting goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the business combination costs. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient future taxable profits will be available to allow all or part of the deferred tax assets to be utilised.

(o) Interest-bearing Borrowings

Interest-bearing bank borrowings are recorded at the amount of proceeds received, net of transaction costs.

All borrowing costs are charged to the income statement as expenses in the period in which they are incurred.

(p) Equity Instruments

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from proceeds.

Dividends on ordinary shares are recognised as liabilities when approved for appropriation.

(q) Cash and Cash Equivalents

Cash and cash equivalents comprise cash in hand, bank balances, demand deposits, deposits pledged with financial institutions, bank overdrafts and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(r) Employee Benefits

(i) Short-term Benefits

Wages, salaries, paid annual leave, bonuses and non-monetary benefits are accrued in the period in which the associated services are rendered by employees of the Group.

(ii) Defined Contribution Plans

The Group's contributions to defined contribution plans are charged to the income statement in the period to which they relate. Once the contributions have been paid, the Group has no further liability in respect of the defined contribution plans.

(s) Related Parties

A party is related to an entity if:-

- (i) directly, or indirectly through one or more intermediaries, the party:-
 - controls, is controlled by, or is under common control with, the entity (this includes parents, subsidiaries and fellow subsidiaries);
 - has an interest in the entity that gives it significant influence over the entity; or
 - has joint control over the entity;
- (ii) the party is an associate of the entity;
- (iii) the party is a joint venture in which the entity is a venturer;
- (iv) the party is a member of the key management personnel of the entity or its parent;
- (v) the party is a close member of the family of any individual referred to in (i) or (iv);
- (vi) the party is an entity that controlled, jointly controlled or significantly influenced by, or for which significant voting power in such entity resides with, directly or indirectly, any individual referred to in (iv) or (v); or
- (vii) the party is a post-employment benefit plan for the benefit of employees of the entity, or of any entity that is a related party of the entity.

Close members of the family of an individual are those family members who may be expected to influence, or be influenced by, that individual in their dealings with the entity.

(t) Revenue Recognition

(i) Services Rendered

Revenue is recognised upon delivery of services and when the outcome of the transaction can be estimated reliably. In the event the outcome of the transaction could not be estimated reliably, revenue is recognised to the extent of the expenses incurred that are recoverable.

(ii) Dividend Income

Dividend income from investments is recognised when the right to receive payment is established.

(iii) Interest and Commission Income

Interest and commission income are recognised on an accrual basis.

NOTES TO THE FINANCIAL STATEMENTS

9. GOODWILL ON CONSOLIDATION cont'd

The recoverable amount of a cash-generating unit is determined based on value-in-use calculated using cash flow projections based on financial budgets approved by management covering a period of 5 years. The key assumptions used for value-in-use calculations are:-

	GROSS MARGIN		GROWTH RATE		DISCOUNT RATE	
	2009	2008	2009	2008	2009	2008
Software solutions and other insurance-related services	73%	70%	15%	14%	7.5%	10%
E-business activities	41%	32%	10%	5%	7.5%	10%

- (a) Budgeted gross margin The basis used to determine the value assigned to the budgeted gross margin is the average gross margins achieved in the year immediately before the budgeted year increased for expected efficiency improvements and cost saving measures.
- (b) Growth rate The growth rates used are based on the expected projection of the software solutions and other insurance-related services and e-business activities.
- (c) Discount rate The discount rates used are pre-tax and reflect specific risks relating to the relevant segments.

35. SEGMENTAL REPORTING

Segmental reporting is not presented as the Group is principally engaged in the development and implementation of the Electronic Government Services project and the provision of other related services for the Electronic Government Services project, which are substantially within a single business segment and operates wholly in Malaysia.

36. FAIR VALUES OF FINANCIAL INSTRUMENTS

Fair value is defined as the amount at which the financial instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in a forced sale or liquidation.

The following methods and assumptions are used to estimate the fair value of each class of financial instruments:

(a) Long-Term Loan, Hire Purchase and Lease Obligation

The carrying amounts approximated the fair values of these instruments. The fair values of hire purchase and finance lease payables are estimated using the discounted cash flow analysis based on the average effective interest rate of the Group.

(b) Cash And Cash Equivalents And Other Short-Term Receivables/Payables

The carrying amounts approximated their fair values due to the relatively short-term maturity of these instruments.

NOTES:

- (A) This Agenda item is meant for discussion only as the provision of Section 169(1) of the Companies Act, 1965 does not require a formal approval of the shareholders and hence, is not put forward for voting.
- 1. A member entitled to attend and vote at the meeting is entitled to appoint a proxy or proxies to attend and vote in his stead. If the proxy is not a member of the Company, he need not be an advocate, an approved company auditor or a person approved by the Registrar of Companies.
- 2. A member shall be entitled to appoint up to two (2) proxies to vote at the same meeting. Where a member appoints more than one (1) proxy, the appointment shall be invalid unless he specifies the proportion of his holdings to be represented by each proxy.
- 3. Where a member is an authorised nominee as defined under the Securities Industry (Central Depositories) Act, 1991, it may appoint at least one (1) proxy in respect of each securities account it holds with ordinary shares of the Company standing to the credit of the said securities account.
- 4. If no name is inserted in the space provided for the name of your proxy, the Chairman of the meeting will act as your proxy.
- 5. An instrument appointing a proxy must be in writing under the hand of the appointor or his attorney duly authorised and in the case of corporation shall be either under its common seal or under the hand of an officer or attorney duly authorised.
- 6. The instrument appointing must be deposited at the Registered Office of the Company at 10th Floor, Menara Hap Seng, No. 1 & 3, Jalan P. Ramlee, 50250 Kuala Lumpur not less than forty-eight (48) hours before the time for holding the meeting or any adjournment thereof.

NOTICE OF THE NINTH ANNUAL GENERAL MEETING

7. Explanatory Notes on Special Business

Ordinary Resolution 7

Authority to Allot Shares pursuant to Section 132D of the Companies Act, 1965

The proposed Ordinary Resolution 7, if passed, will give flexibility to the Directors of the Company to issue shares and allot up to a maximum of ten per centum (10%) of the issued share capital of the Company at the time of such allotment and issuance of shares and for such purposes as they consider would be in the best interest of the Company without having to convene separate general meetings. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.

The rationale for this resolution is to eliminate the need to convene general meeting(s) from time to time to seek shareholders' approval as and when the Company issues new shares for future business opportunities and thereby reducing administrative time and cost associated with the convening of such meeting(s). No shares had been issued and allotted by the Company since obtaining the said authority from its shareholders at the last Annual General Meeting held on 5 December 2008.

Ordinary Resolution 8

Proposed Renewal of Authority for Purchase of Own Shares by the Company.

The proposed Ordinary Resolution 8 if passed, will empower the Company to purchase and/or hold up to ten per centum (10%) of the issued and paid-up share of the Company. This authority unless revoked or varied by the Company at a General Meeting will expire at the next Annual General Meeting.

Please refer to the Share Buy-Back Statement dated 18 November 2009 for further information.
