CORPORATE STRUCTURE

WHO WE ARE

Since 1985, Sasbadi has been producing quality books and educational materials to help individuals on their journey through school and life.

Students, teachers and parents trust our publications and materials because we are ever responsive to changing environments and changing needs. We are always ready to meet the requirements of the market and produce materials that are current and relevant.

We responded to the needs of learning and teaching in the 21st century by creating solutions that are user-friendly, interactive and fun for teachers and students, leveraging on information and communications technology (ICT). They include computer software, mobile applications and cloud-based solutions suited for self-paced learning as well as for the future classroom.

Back in 2005, Sasbadi recognised the transformation in educational objectives to meet the demands of the 21st century. Skill sets that include critical thinking, innovation and collaboration capabilities are needed by our future workforce. Sasbadi responded to the new challenge by partnering with international brands like LEGO Education to introduce a range of hands-on learning tools for Malaysian students.

We also joined up with the Ministry of Education to provide students a platform to hone these 21st century skills and develop their interest in Science, Technology, Engineering and Mathematics (STEM) through the National Robotics Competition ("NRC").

Education, to Sasbadi, is a lifelong process. Thus, promoting reading as a lifestyle preoccupation is important to us. In this regard, we publish a wide range of fiction and non-fiction titles, illustrated storybooks, educational comics, and encyclopedias. More recently, we have also been producing books for young learners and preschoolers. We further enhance these titles with in-house developed apps that complement the contents and engage users.

In 2016, we established a multi-level network marketing arm to communicate more meaningfully with our customers while providing them our products with a personal touch. We believe in our products and believe they can create a strong, sustainable business for our members.

Sasbadi has also been undertaking more collaboration initiatives with third parties as a strategy for growth. In 2017, we have partnered with reputable organisations such as Animasia, Marshall Cavendish Education and University of Malaya. By leveraging on each other's expertise, Sasbadi hopes to not only better serve our existing customers but also produce more products for new market segments.

At Sasbadi, we don't only care for students in the classroom, we also care for people engaged in life after school. We believe education is a birthright and will continue to serve its cause, *"Nurturing Students For Tomorrow, Today"*.

MESSAGE TO SHAREHOLDERS

On behalf of the Board of Directors ("the Board") of Sasbadi Holdings Berhad ("Sasbadi Holdings" or "the Company"), it is our pleasure to present to you the Annual Report and the Audited Financial Statements of Sasbadi Holdings and our subsidiaries ("the Group") for the financial year ended ("FYE") 31 August 2017.

Financial Review

In the past year, the Group has seen increasingly difficult industry and economic situations, culminating in weak retail market conditions. In this regard, the Group recorded only a marginal increase in revenue of RM0.36 million (equivalent to 0.4%) from RM92.69 million for FYE 31 August 2016 to RM93.05 million for FYE 31 August 2017, while the Group's gross profit remained at RM45.52 million and the net profit attributable to owners of the Company declined by RM8.65 million (equivalent to 51.8%) from RM16.69 million for FYE 31 August 2016 to RM8.04 million for FYE 31 August 2017.

The marginal increase in revenue was due to the consolidation of the full year's results of United Publishing House (M) Sdn Bhd and its subsidiaries ("UPH Group") (which was acquired by the Company in August 2016), and higher revenue recorded by Sanjung Unggul Sdn Bhd and its subsidiaries ("SUSB Group") and MindTech Education Sdn Bhd, but offset by lower revenue recorded by Sasbadi Sdn Bhd ("SSB"), Malaysian Book Promotions Sdn Bhd ("MBPSB"), Sasbadi Learning Solutions Sdn Bhd and Orbit Buku Sdn Bhd. The decline in net profit attributable to owners of the Company was mainly due to the lower profits recorded by SSB arising from lower revenue for FYE 31 August 2017, and higher operating costs recorded by the Group in FYE 31 August 2017 arising from, among others, higher cost of amortisation of intellectual properties, impairment loss on trade receivables and higher interest expense. In addition, in FYE 31 August 2016, the Group recognised an exceptional bargain purchase gain of RM4.32 million arising from the acquisition of the UPH Group.

In terms of earnings per share ("EPS"), the Group's EPS decreased by 2.21 sen (equivalent to 53.5%) from 4.13 sen for FYE 31 August 2016 (restated to reflect the effects of the 1-for-2 bonus issue completed by the Company on 14 August 2017) to 1.92 sen for FYE 31 August 2017.

The equity attributable to owners of the Company was RM145.38 million as at 31 August 2017 vis-à-vis RM147.64 million as at 31 August 2016, while the Group's debt-to-equity ratio was 0.25 times as at 31 August 2017 vis-à-vis 0.14 times as at 31 August 2016.

Further details on the review of the Group's financials and operations are presented in the Management Discussion and Analysis section of this Annual Report.

Prospects

In anticipation of the continued weak retail market conditions, the Group has been stepping up our efforts to diversify beyond the core academic segment into new revenue streams where we do not have a significant presence. The Group has also

been streamlining and leveraging resources within the Group to maximise efficiency and effectiveness. The Group was unable to reap the rewards of these efforts during FYE 31 August 2017 as the efforts had not fully turned on, but we believe they will contribute more significantly to the Group in the coming financial years.

In addition, the Group will continue to capitalise on our Government's agenda with regard to Science, Technology, Engineering and Mathematics ("STEM") and smart classroom solutions by utilising the Group's existing and expanding digital solutions, technological know-how, as well as 21st Century learning tools and products. The Group will also continue to explore opportunities for synergistic collaborations with third parties that have similar drive and agenda, and to pursue growth in our market share of the direct users market via our network marketing/direct sales business.

Premised on the above and barring any unforeseen circumstances, the Group is positive of our prospects and performance for the financial year ending 31 August 2018 despite the poorer-than-expected results for FYE 31 August 2017.

Appreciation

We are grateful and appreciative to all our shareholders, our fellow Board members, the leadership team and employees, our customers and our suppliers, associates and business partners for their unwavering support during FYE 31 August 2017. The Group humbly requests for your continuing contribution, support and trust for the years ahead.

MANAGEMENT DISCUSSION AND ANALYSIS

Overview of Operations

Sasbadi Holdings Berhad ("Sasbadi Holdings" or "the Company") is an investment holding company while the Group (i.e. Sasbadi Holdings and our subsidiaries) is an education solutions provider. Please refer to the Corporate Structure section of this Annual Report for details on our subsidiaries.

The Group's history can be traced back to 1985 with the incorporation of Sasbadi Sdn Bhd ("SSB") and, in the same year, SSB commenced operations as a publisher of printed educational materials. Over the years, the Group has transformed from a pure educational print publisher to a Group with diverse learning and teaching solutions, including technology that enables online learning, digital education products, applied learning tools that facilitate Science, Technology, Engineering and Mathematics ("STEM") education, education services via learning centres, and a network marketing business, all of which complement the print publishing business.

The Company was listed on the Main Market of Bursa Malaysia Securities Berhad on 23 July 2014. Our Head Office is located in Kota Damansara, Petaling Jaya, Selangor, and we also have offices in Sungai Buloh, Selangor (where Sanjung Unggul Sdn Bhd ("SUSB") and its subsidiaries ("SUSB Group") operate from), and Seri Kembangan, Selangor (where United Publishing House (M) Sdn Bhd ("UPH") and its subsidiaries ("UPH Group") operate from). In addition, MindTech Education Sdn Bhd ("MindTech Education")'s office is in Cova Square, Kota Damansara, Petaling Jaya, Selangor, while Distinct Element Sdn Bhd ("DE") operates a STEM learning centre in Atria Shopping Gallery, Damansara Jaya, Petaling Jaya.

The Group's operations are divided into the following segments:

- (i) Academic print publishing, which is further divided into the following:
 - (a) Academic print publishing focusing on national schools, via SSB and Malaysian Book Promotions Sdn Bhd ("MBPSB").
 - (b) Academic print publishing focusing on national-type (Chinese) schools ("SJKC"), via the SUSB Group and the UPH Group.
- (ii) Non-academic print publishing, via Orbit Buku Sdn Bhd ("OBSB"), the SUSB Group and the UPH Group.
- (iii) Digital/online and technology-enabled solutions, via Sasbadi Online Sdn Bhd ("SOSB").
- (iv) Network marketing business, via MindTech Education.
- (v) Applied learning products and STEM education services, via Sasbadi Learning Solutions Sdn Bhd ("SLS") and its subsidiaries, i.e. Distinct Motion Sdn Bhd ("DM") and DE ("SLS Group").

Financial Review

In the past year, the Group has seen increasingly difficult industry and economic situations, culminating in weak retail market conditions. In this regard, the Group recorded only a marginal increase in revenue of RM0.36 million (equivalent to 0.4%) from RM92.69 million for the financial year ended ("FYE") 31 August 2016 to RM93.05 million for FYE 31 August 2017, while the Group's gross profit remained at RM45.52 million and the net profit attributable to owners of the Company declined by RM8.65 million (equivalent to 51.8%) from RM16.69 million for FYE 31 August 2016 to RM8.04 million for FYE 31 August 2017.

The marginal increase in revenue was due to the consolidation of the full year's results of the UPH Group (which was acquired by the Company in August 2016), and higher revenue recorded by the SUSB Group and MindTech Education, but offset by lower revenue recorded by SSB, MBPSB, SLS Group and OBSB. The decline in net profit attributable to owners of the Company was mainly due to the lower profits recorded by SSB arising from lower revenue for FYE 31 August 2017, and higher operating costs recorded by the Group in FYE 31 August 2017 arising from, among others, higher cost of amortisation of intellectual properties, impairment loss on trade receivables and higher interest expense. In addition, in FYE 31 August 2016, the Group recognised an exceptional bargain purchase gain of RM4.32 million arising from the acquisition of the UPH Group.

Detailed analysis of the operating segments is provided below.

The equity attributable to owners of the Company was RM145.38 million as at 31 August 2017 vis-à-vis RM147.64 million as at 31 August 2016. The Company completed a 1-for-2 bonus issue on 14 August 2017, resulting in the increase in the issued and paid-up share capital of the Company from 279.40 million ordinary shares to 419.10 million ordinary shares. The Group's debt-to-equity ratio was 0.25 times as at 31 August 2017 vis-à-vis 0.14 times as at 31 August 2016. The increase in the Group's debt-to-equity ratio was mainly due to the additional bank borrowings of RM15.00 million obtained by the Group to finance the acquisition of the remaining 30% equity interest in SUSB for a purchase consideration of RM9.40 million in July 2017 and for working capital purposes.

Save for the acquisition of two (2) properties in Cova Square, Kota Damansara, Petaling Jaya, Selangor, for RM2.60 million for MindTech Education's operations, and renovation works of RM0.59 million carried out on the said properties, the Group did not incur any other major capital expenditure for FYE 31 August 2017. The Group's current ratio showed a small drop from 3.74 times as at 31 August 2016 to 3.58 times as at 31 August 2017.

Review of Operating Segments

Academic Print Publishing – National Schools

Collectively, SSB and MBPSB recorded a drop in revenue of RM11.15 million (equivalent to 16.3%) from RM68.42 million for FYE 31 August 2016 to RM57.27 million for FYE 31 August 2017 mainly due to the weak retail market conditions.

To address the weak retail market, the Group has continued to publish a variety of quality titles/books at affordable prices for students and teachers. In addition, the Group has continued to leverage on our in-house developed technology such as augmented reality ("AR") and mobile applications to enhance our academic books, thus making learning and teaching more fun and interactive. The Group has also stepped up our efforts to open up new distribution channels and market segments, and to undertake collaboration initiatives.

The distribution agreement that we have entered into with Marshall Cavendish Education Pte Ltd ("MCE") in November 2017 for the exclusive right to distribute certain MCE-published titles in Malaysia for a term from 1 November 2017 to 30 September 2020 (with renewal options) is an example of collaboration initiatives undertaken by the Group to enter a new market segment, i.e. the private and international schools in Malaysia. In addition, in March 2017, we have been granted the exclusive licence by Majlis Peperiksaan Malaysia ("MPM") for a period of three (3) years from 1 January 2017 to 31 December 2019 to publish, distribute and sell the collections of past year question papers for the Sijil Tinggi Persekolahan Malaysia ("STPM") examination (both Science stream and Social Science stream) and the Malaysian University English Test ("MUET"), and the reports on the STPM examination and MUET.

On the textbook publishing front, as announced by us on 4 April 2017 and 9 May 2017, SSB won three (3) new textbook contracts from the Ministry of Education Malaysia ("MoE") with total estimated contract values of RM7.11 million for FYE 31 August 2017 vis-à-vis one (1) new textbook contract with an estimated contract value of RM3.89 million for FYE 31 August 2016. The Group will continue to participate in textbook tenders offered by the MoE in the financial year ending ("FYE") 31 August 2018.

Academic Print Publishing – National-type (Chinese) Schools

The SUSB Group recorded an increase in revenue of RM2.27 million (equivalent to 15.7%) from RM14.43 million for FYE 31 August 2016 to RM16.70 million for FYE 31 August 2017 mainly due to higher revenue from the supply of textbooks to the MoE.

The Group recognised the full year's results of the UPH Group for FYE 31 August 2017 vis-à-vis less than a month's results of the UPH Group for FYE 31 August 2016 given that we only acquired the UPH Group in August 2016. In this regard, the revenue of the UPH Group consolidated into the Group's results increased from RM0.86 million for FYE 31 August 2016 to RM8.24 million for FYE 31 August 2017.

During FYE 31 August 2017, the Group has embarked on restructuring and realigning the resources of the SUSB Group and the UPH Group to enable them to operate more efficiently and effectively, given that both the SUSB Group and the UPH Group operate in the same segment, i.e. the SJKC segment. In this regard, duplication of resources and distribution channels is reduced and cross leveraging of resources is enhanced during the exercise.

In order for the Group to have full control over how we can leverage on our competitive strengths such as our online and digital technological capabilities, extensive distribution network, economies of scale, etc. to enhance the product offerings and drive growth in the SUSB Group, we have, in July 2017, acquired the remaining 30% equity interest in SUSB. In this regard, the SUSB Group is now wholly-owned by us.

The restructuring and realignment exercise is still on-going, and the SUSB Group and the UPH Group are expected to show better performance in FYE 31 August 2018 as a result of the exercise.

On the textbook publishing front, as announced by us on 4 April 2017 and 9 May 2017, the SUSB Group won two (2) textbook contracts from the MoE valued at an estimated total sum of RM4.03 million for FYE 31 August 2017 vis-à-vis three (3) new contracts totaling RM5.45 million for FYE 31 August 2016.

Non-Academic Print Publishing

Similar to academic print publishing for national schools, the Group's non-academic print publishing segment, i.e. via OBSB, recorded a drop in revenue from RM2.01 million for FYE 31 August 2016 to RM1.24 million for FYE 31 August 2017, mainly due to the weak retail market conditions.

Apart from the revenue recorded by OBSB, the SUSB Group and the UPH Group also contribute to the Group's non-academic print publishing segment, albeit the quantum of their contributions is not being segregated for our management reporting purposes.

The Group has continued with the development of technology enhanced products for this segment - the recent exciting example being the planned Chuck Chicken range of books. In October 2017, we have been licensed by Animasia Studio Sdn Bhd ("Animasia") for a period of three (3) years from 6 October 2017 to 5 October 2020 to publish, sell and sub-license printed materials based on Animasia's animated television series, Chuck Chicken, in Malaysia and the rest of the world. The products, which will utilise the Group's in-house AR or mobile application technology, will include colouring books, comic books, hardcover trade books, collectible editions, and activity books. The agreement with Animasia further exemplifies the Group's push for more collaboration initiatives to spur growth.

Digital/Online and Technology-enabled Solutions and Network Marketing Business

The Group has continued our efforts in the development of our digital/online and technology-enabled solutions segment to support Shift 7 of the Malaysia Education Blueprint 2013-2025, i.e. to leverage information and communications technology ("ICT") to scale up quality learning across Malaysia.

Apart from supporting our academic and non-academic print publishing segments, our digital/online and technology-enabled solutions segment mainly supports our network marketing business. MindTech Education has continued promoting and selling our interactive digital learning platform, i-LEARN Ace, via our network marketing/direct selling distribution network. The distributor network has grown across urban and rural areas in Malaysia, with the number of members in our network growing from approximately 1,300 members as at 31 August 2016 to approximately 8,100 members as at 31 August 2017. The Group has been and is constantly exploring new products suitable to be sold through this distribution channel.

The combined revenue of MindTech Education and SOSB grew from RM2.08 million for FYE 31 August 2016 to RM6.09 million for FYE 31 August 2017.

Applied Learning Products and STEM Education Services

The SLS Group recorded a drop in revenue from RM4.89 million for FYE 31 August 2016 to RM3.53 million for FYE 31 August 2017. However, the Group via SSB has, in October 2016, won a contract from the MoE to supply Lego Education robotics sets to primary and secondary schools in Malaysia valued at RM3.85 million, and the supply was fully fulfilled by the Group in December 2016. Taking this contract into consideration, our applied learning segment's revenue actually increased to RM7.38 million for FYE 31 August 2017.

The Group's flagship applied learning programme with the MoE, i.e. the National Robotics Competition ("NRC"), has continued to win accolades year after year. The Malaysian contingent has performed well at the prestigious World Robot Olympiad ("WRO") 2017 held in Costa Rica in November 2017 by winning 1 gold medal and 2 silver medals, thus emerging as the overall runner-up. WRO 2017 was well attended by approximately 400 teams coming from 53 countries. This programme has consistently generated interest among students, parents, and teachers in the STEM field.

Additionally, the Group together with the University of Malaya has jointly developed a robotics skills certification programme to assess students' STEM related skills such as technical, creativity, innovation, and higher order thinking skills ("HOTS"). A pilot of the programme was conducted in September 2017 among students from the NRC finals. This certification programme will enhance the long term attractiveness of our applied learning centre and solutions (spearheaded by DM and DE which were acquired by us in October 2016) to students and their parents.

Anticipated or Known Risks

Competition

We face competition from existing competitors as well as potential new entrants in the educational publishing industry. The barriers to entry into the industry are relatively low based on the capital requirements since most of the functions within the publishing process may be outsourced to third parties. However, the operating costs can be high as there is a long lead time between writing manuscripts and transforming them into end products ready for sales to customers.

Our competitive strengths such as our established track record of 32 years in the industry, brand awareness among students, teachers and parents alike, extensive distribution network, large customer base, diversity in product range, large range of publications, in-house content development, experienced management and editorial personnel, and economies of scale put us in a strong position to fend off competition.

Seasonality

The Group's business operations are exposed to seasonality patterns as the Group generally experiences significantly higher quarterly sales in the second financial quarter (December to February) and lower quarterly sales in the fourth financial quarter (June to August) compared to the other two (2) financial quarters. This is primarily caused by the timing of the start of the academic year for national schools. As a result, the seasonal sales patterns may adversely impact on the Group's quarterly revenue, profit and cash flow.

The Group takes the seasonality patterns into consideration in our cash flow planning. In addition, the Group is consistently seeking ways to reduce the seasonality patterns such as stepping up efforts to grow our non-academic segment which is less prone to seasonality, and entering into new market segments (e.g. the private and international schools in Malaysia, which follow a different academic year from that of national schools, via our distribution agreement with MCE).

Fluctuations in the Price of Paper

Paper is a major raw material used in our business operations. As paper is a commodity, it is subject to fluctuations in world paper prices. In the event of a sustained period of increase in the price of paper, there is a risk that we may not be able to pass the price increase to our customers or, if we do, we may price our products out of the market affordability. This may then adversely affect our financial performance.

To mitigate this risk, we always buy paper when prices are low to maintain the inventory level of paper for our needs for up to six (6) months, especially during the period when paper prices are volatile.

Foreign Exchange Fluctuation Risk

As paper is a commodity traded worldwide, its prices are quoted in United States Dollar ("USD"). In this regard, paper prices are also affected by the USD exchange rate and, unless we hedge it, we are further exposed to foreign exchange fluctuation risk. In addition, our purchases of Lego Education robotics products are also denominated in USD.

As such, any unfavourable movement in USD against RM may have an impact on our profitability. For FYE 31 August 2017, we did not experience any material losses arising from these transactions. Our Group will use forward exchange contracts to hedge against this risk when necessary.

Stock Returns and Obsolescence

The Group typically publishes new edition of educational materials every year. Some of the educational materials that we sell may be returned to us (subject to compliance with our return policy which includes, among others, obtaining our approval prior to the return, etc) for either full refund or offset against future sales. Such returns are commonly resold to other customers. Returns that are not resold after a period of time, as with all other stocks that cannot be sold after a period of time, will be classified as obsolete and may need to be written off and sold as scrap. This may adversely affect our profitability if the volume of obsolete stocks is large.

To mitigate this risk, the Group always exercises prudence in print-run and distribution management. This includes perusing historical data and analysing current trends in demand for our titles to enable us to plan our supply efficiently to reduce the risk of overproduction and sales returns.

Infringement of Intellectual Properties ("IPs")

The Group develops and uses various IPs in connection with our business. In this regard, we are susceptible to claims by third parties to have infringed their IPs and, similarly, we are also susceptible to our IPs being infringed by third parties. In defending our legal rights, the Group may be exposed to suits and counter suits by third parties. Such disputes and the resolution of such disputes may be time consuming and costly.

Therefore, the Group requires our authors and licensors to undertake to indemnify us for any losses and damages arising out of the contents of their works that infringe the rights of third parties. We also own the copyrights to all published versions of our titles, which are protected under the Copyright Act 1987.

For FYE 31 August 2017, SSB received a Writ and Statement of Claim from Penerbitan Pelangi Sdn Bhd ("PPSB") alleging infringement of PPSB's copyright by SSB, resulting from SSB's publishing and sales of books on past year question papers for the STPM examination and MUET under the licence from MPM as mentioned above. In the Writ and Statement of Claim, PPSB is claiming copyright ownership in, inter alia, the past year question papers for the STPM examination and MUET for the years of 2011 to 2016. SSB had filed its defence against the claim and submitted a counterclaim, and received a reply whereby PPSB denied SSB's counterclaims and SSB is put to strict proof of the claims.

The Group remains steadfast that PPSB's claim on the copyright ownership is without basis and we will rigorously challenge the allegation of infringement. At this juncture, we are not able to ascertain the financial impact arising from the claims. However, the claims are not expected to have any material operational impact on the Group.

Changes in Educational Curriculum and Policies

As the Group is principally an education solutions provider, any changes in educational curriculum and policies may have an impact on our operations and would require us to react quickly. Nevertheless, the changes are usually announced ahead of time and this would allow sufficient time for us to align our business activities with the changes. In addition, with our pool of experienced editors, this may turn out to be our competitive advantage as we are able to react quickly to the changes.

Political, Economic and Regulatory Uncertainties

Any adverse development in the political, economic and regulatory environment in Malaysia may materially and adversely affect the financial and operational conditions of the Group. To mitigate this risk, the Group will fall back on our vast experience, continue to adopt prudent management, remain vigilant and take precautionary measures against the uncertainties.

Dependency on Key Management Personnel and Experienced / Skilled Employees

The Group's continued success will depend, to a significant extent, upon the abilities, skills, experience, competency and continuous efforts of our key management personnel (which include our Executive Directors) and experienced/skilled employees. As such, the loss of any of our key management personnel and experienced/skilled employees, without a suitable and timely replacement, may have a material adverse impact on our business and our continuing ability to compete effectively.

The Group recognises the importance of attracting and retaining our key management personnel and experienced/skilled employees, and has put in place competitive compensation packages. In addition, the Group provides a pleasant and comfortable working environment, promotes conducive work culture, upholds good work ethics, and fosters good working relationships among our employees. The

Group has also put in place succession planning and provides training and career development opportunities to our employees.

Prospects

Based on the Economic Report 2017/18, the Malaysian economy is expected to remain resilient in 2018, with real gross domestic product ("GDP") expanding between 5% and 5.5%, led by domestic demand. Private sector expenditure continues to be the primary driver of growth with private investment and consumption growing 8.9% and 6.8%, respectively. Meanwhile, public sector expenditure is forecast to decline, in line with lower capital outlays by public corporations. The economy is expected to continue to operate under conditions of full employment with an unemployment rate of below 4%, while inflation remains benign.

Notwithstanding the above, we anticipate that the retail market conditions will continue to remain weak for FYE 31 August 2018. In this regard, the Group has been stepping up our efforts to diversify beyond the core academic segment into new revenue streams where we do not have a significant presence. The Group has also been streamlining and leveraging resources within the Group to maximise efficiency and effectiveness. The Group was unable to reap the rewards of these efforts during FYE 31 August 2017 as the efforts had not fully turned on, but we believe they will contribute more significantly to the Group in the coming financial years.

In addition, the Group will continue to capitalise on our Government's agenda with regard to STEM and smart classroom solutions by utilising the Group's existing and expanding digital solutions, technological know-how, as well as 21st Century learning tools and products. The Group will also continue to explore opportunities for synergistic collaborations with third parties that have similar drive and agenda, and to pursue growth in our market share of the direct users market via our network marketing/direct sales business.

Premised on the above and barring any unforeseen circumstances, the Group is positive of our prospects and performance for FYE 31 August 2018 despite the poorer-than-expected results for FYE 31 August 2017.

Dividend Policy

The Group has adopted a policy of paying out up to 50% of our yearly profits as dividends, provided that we have excess funds which are not required to be retained to fund our operations.

For FYE 31 August 2017, we have, on 31 May 2017, paid an interim single-tier dividend of 1 sen per ordinary share amounting to RM2.80 million to shareholders ("Interim Dividend"). Given the poorer-than-expected fourth financial quarter results recorded by the Group, the Board of Directors did not recommend any payment of final dividend for FYE 31 August 2017. In this regard, with the Interim Dividend, the Group has paid out approximately 34.8% of the net profit attributable to owners of the Company of RM8.04 million for FYE 31 August 2017 as dividends, in line with the Group's dividend policy.

2016-17

OUR CORE COMPETENCIES

CREATING CONTENTS

At Sasbadi, we concentrate on creating quality educational content. We have dedicated ourselves to doing this since our inception more than 30 years ago.

In the beginning, we focused on producing learning materials for students of Malaysia's national primary and secondary schools, including textbooks, reference books, workbooks, test papers and various other educational aids. Through commissioning only seasoned writers and expert teachers to contribute to our publications, we managed to develop Sasbadi into a brand trusted by students, teachers, and parents.

Today, the company has evolved into being a comprehensive content provider, creating content that fulfils a wide range of educational needs. We are constantly innovating and developing new ways to engage our readers, to accompany them on their exploration of education and to cultivate in them the love for learning. Going into the 21st century, Sasbadi now produces content that is accessible in the conventional print form, the blended/hybrid form (application-enabled printed materials), and 100% digital solutions.

We will continue on this path and ensure that creative content creation is our key focus. Our true value lies in the quality of the content we provide. We believe in it, and we believe it will provide students the support they need in their pursuit of excellence.

CREATING CONTENTS

OUR CORE COMPETENCIES

DEVELOPING TECHNOLOGIES

Technology plays an essential role in today's education, because skills related to information and communications technology ("ICT") will be a prerequisite for future careers. As such, Sasbadi is heavily invested in developing powerful and interactive technology to not only enhance the learning experience but also to help students develop the skills required for their future.

Working with a talented team of programmers, designers and engineers, Sasbadi has to date developed a host of cutting-edge technologies and a variety of classroom solutions that facilitate 21st century teaching and learning in Malaysia.

In time to come, we aim to be the game changer in education technology.

OUR CORE COMPETENCIES

NURTURING SKILLS

Education isn't just about academic performance; it's also very much about life skills. Our children today need to acquire 21st century skills to ensure their future success. They need to be creative, to think critically, to communicate well and to collaborate with others.

Sasbadi firmly believes one thing that is pivotal to the development of these crucial skills is experiential learning.

As such, we set up a division as early as 2005 to focus on developing educational tools and learning platforms that would promote hands-on learning. The educational tools we carry, like those of LEGO Education, and the platforms we have established together with the Government, like the National Robotics Competition ("NRC") and FIRST LEGO League ("FLL") Malaysia, are part of our mission to facilitate 21st century skills-learning for students.

In 2016, we expanded into providing education services through Little Botz, our learning centre where children can take practical lessons in science, technology, engineering and mathematics ("STEM") in an experiential classroom.

We are determined to become the leading provider of learning solutions that nurture 21st century and STEM skills for all Malaysian students so that they will be equipped to be globally competitive.

OUR CORE COMPETENCIES

ENRICHING LIFE

At Sasbadi, we believe that learning does not end when one leaves school; it is a lifelong process. “Never stop learning, because life never stops teaching” is an inspirational quote we subscribe to.

As such, we are committed to providing quality reading materials not only for students but for people of all ages. We believe that enriching life with knowledge is an important quest for everyone.

For children, we publish supplementary educational materials which include fiction and non-fiction titles, a wide range of comics, illustrated storybooks, young adult literatures, and internationally renowned titles which include works by award-winning authors.

Keeping abreast of the latest developments, we also carry titles which leverage on technology to enhance reader experience, such as our Augmented Reality series.

Catering for adults, we support Malaysian writers by publishing a variety of genres, ranging from novels to short stories to poems to biographies.

Our ongoing aim is to publish more non-academic titles to promote reading as a popular habit among Malaysians and we dedicate a significant part of our resources toward this.

OUR CORE COMPETENCIES

FORGING CONNECTIONS

The fast-changing environment and technology have made the business landscape much more complex than before. Teachers, students and families can have different inclinations for choosing their educational materials. Factors that come into play include age, culture, language, genre, technology, just to name a few.

In order to communicate effectively and meaningfully with our stakeholders and to understand their highly customised needs, Sasbadi set up MindTech Education, our network marketing division to deliver personalised service.

MindTech Education is now actively educating Malaysians about 21st century learning as well as providing a variety of educational materials with a personal touch.

MindTech Education draws on Sasbadi's substantial experience in education and ensures that quality is always at the forefront of our priorities.

DIRECTORS' PROFILES

Dato' Salleh Bin Mohd Husein
Malaysian, Male, aged 66
Independent Non-Executive Chairman

Dato' Salleh Bin Mohd Husein is the Independent Non-Executive Chairman of the Company and was appointed to the Board on 7 May 2013. He is a member of the Audit Committee, Nomination Committee and Remuneration Committee.

He graduated with a Bachelor of Arts with 1st Class Honours from the University of Malaya in 1974. He also holds a Certificate in Education from Maktab Perguruan Sultan Idris, Tanjung Malim, obtained in 1970.

He joined the teaching profession as a teacher at Sekolah Kebangsaan Kayan, Setiawan, Perak in 1971. From 1974 to 1992, he served as Acting Principal and Principal at various schools in Perak. Having served in Perak schools, he was promoted to the Perak State Education Department as Principal Assistant Director in charge of administration and state education financing from 1992 to 1993. He was then made Principal of Sekolah Menengah Sains Tengku Abdullah, Raub, Pahang in 1993 before serving at King Edward VII School of Taiping in 1994, also as Principal. His next service saw him being made District Education Officer at the Manjong District Education Office from 1996 to 1997 where he was tasked to implement education programmes. Thereafter, he was promoted as Sector Head in charge of administration and school leadership at the Perak State Education Department where he served from 1997 to 2001.

Having served well in Perak, he was appointed Principal Assistant Director in charge of curriculum development at the Centre for Curriculum Development, Ministry of Education Malaysia in 2001. Then, he became Principal at Language Institute, Lembah Pantai, Kuala Lumpur from 2001 to 2002. In 2002, he was promoted to become Deputy Director of Schools Division,

Ministry of Education Malaysia to assist the Director in policy matters and implementation. In 2003, he succeeded his predecessor as Director in this same division at the Ministry of Education Malaysia and served there until 2006. In 2006, he was promoted to be the Deputy Director General of Education Malaysia in charge of policy matters and implementation at Putrajaya, a position he held until his retirement from the civil service in 2007.

From 2008 to 2011, he served as a member of the Malaysian Education Service Commission, Prime Minister's Department to promote quality education whereby the said Commission looks into matters relating to recruitment, appointment and discipline of personnel. During those years, he was a member of the Advisory Panel for Excellent School Cluster until 2012.

He does not hold directorship in any other public companies and listed issuers. He has no family relationship with any director and/or major shareholder of the Company nor does he have any conflict of interests with the Company.

Law King Hui
Malaysian, Male, aged 58
Group Managing Director

Law King Hui is the Managing Director of the Group and was appointed to the Board on 7 May 2013. He was a member of the Remuneration Committee until 31 October 2017. As one of the co-founders, he has been instrumental in the development, growth and success of the Group.

He graduated from Tunku Abdul Rahman College with a Certificate in Electronics Engineering in 1980. He started his career in 1980 with a manufacturing company and left to join a local publishing company in January 1981 where he held a diverse range of positions during his employment there. He left the company in April 1985 and co-founded Sasbadi Sdn Bhd.

Besides being responsible for the development of the Group's strategies and policies, he also plays an active role in product development and innovation. His contributions have led to the transformation of the Group from a pure educational print publisher to a Group with diverse learning and teaching solutions, including technology that enables online learning, a wide range of digital education products, applied learning tools that facilitate Science, Technology, Engineering and Mathematics ("STEM") education, education services via learning centres, and a network marketing business, all of which complement the print publishing business.

An entrepreneur with more than 36 years of experience in the education industry, he has been appointed by the Minister of Education Malaysia to be a member of the Board of Directors of Perbadanan Kota Buku currently. Also, he has, in the past, held key positions in different organisations such as Majlis Buku Kebangsaan Malaysia ("MBKM") (as Treasurer and Council Member), Malaysian Book Industry Council ("MBIC") (as Chairman and Treasurer), Malaysian Book Publishers Association ("MABOPA") (as President, Vice President, Honorary Secretary

and Executive Council Member), and ASEAN Book Publishers Association ("ABPA") (as President) over a span of more than 30 years. More recently, he has been appointed as a member of the Industry Advisory Panel for the Faculty of Language and Communications Studies, University Malaysia Sarawak. He has participated in numerous forums, round-tables, seminars, conferences, and lectures where he contributed ideas, new concepts and strategies aimed at promoting reading culture and expanding Malaysia's book industry.

His contributions led to him being selected as one of the 21 personalities documented in the publication, "Tokoh-tokoh Perbukuan Malaysia" by the National Library Malaysia, which recognises book activists and professionals who have made significant contributions towards the development of the book industry and reading culture in the country. He was also the recipient of "Anugerah Perdana (Tokoh Industri Buku Negara) 2013" awarded by Yayasan Pembangunan Buku Negara.

In recognition of his efforts and contributions in developing hands-on and experiential learning, he has been elected to serve as the Chairman of the Advisory Council of the World Robot Olympiad ("WRO") currently. He aims to strengthen the roles of robotics in developing students' STEM skills in line with the global movement, via the WRO platform.

He holds directorship in Perbadanan Kota Buku. Save for the family relationship with Law Yi Chian, who is his daughter, he has no family relationship with any other director and/or major shareholder of the Company. He does not have any conflict of interests with the Company.

DIRECTORS' PROFILES

Lee Swee Hang

Malaysian, Male, aged 64
Executive Director

Lee Swee Hang is the Publishing Director of the Group and was appointed to the Board on 7 May 2013. He is one of the co-founders of the Group.

He obtained his Higher School Certificate ("HSC") in 1974. He started his career in 1975 as Senior Malay Language Editor with a local publishing company where he was tasked to translate, proofread, edit and prepare manuscripts for Bahasa Malaysia publications. He left the company in 1978 and subsequently joined another publishing company in 1979 as Chief Editor. During his six (6) years with the company, he developed, trained and managed an editorial team and a panel of writers. He left the company in 1985 to co-found Sasbadi Sdn Bhd.

As the Publishing Director, he is responsible for the editorial and production teams. He is also responsible for soliciting new authors and establishing a network of authors for the Group. He has helped the Group to build and manage a team of dedicated writers, editors, book designers and illustrators and is responsible for training and improving the skills and knowledge of the editorial and production teams, especially with respect to educational policy changes, industry practices and production procedures of the publishing industry.

He also determines the types of books that the Group publishes each year and ensures that the publications meet set deadlines and reflect the agreed editorial standards and commercial strategy. He actively keeps abreast with the latest development and information of the publishing industry around the world and is tasked to oversee the trading of copyrights with overseas buyers and sellers.

He does not hold directorship in any other public companies and listed issuers. He has no family relationship with any director and/or major shareholder of the Company nor does he have any conflict of interests with the Company.

Law Yi Chian
Malaysian, Female, aged 29
Executive Director

Law Yi Chian is an Executive Director of the Group and was appointed to the Board on 3 May 2016.

She graduated with a Bachelor of Arts in Media & Communication in 2009 and Master of Management in Marketing in 2011, both from the University of Melbourne, Australia.

She had approximately two-and-a-half (2½) years of experience in the areas of media sales, marketing and communications prior to joining the Company as the Group Marketing and Communications ("MARCOM") Manager in December 2014.

As the Group's Head of MARCOM, she is responsible for planning and implementing marketing strategies for the Group to generate brand and product awareness. She also oversees the Group's marketing events which involve business and consumer interactions, and manages the Group's corporate communications with external stakeholders in relation to brand and product related matters.

As the Executive Director, she also contributes towards ensuring the Group's objectives and strategic plans are met, and the Group's business is sustainable. In addition, she also assists the Group Managing Director in the management of the day-to-day operations of the Group.

She does not hold directorship in any other public companies and listed issuers. Save for the family relationship with Law King Hui, who is her father, she has no family relationship with any other director and/or major shareholder of the Company. She does not have any conflict of interests with the Company.

Lee Eng Sang

Malaysian, Male, aged 66

Non-Independent Non-Executive Director

Lee Eng Sang is the Non-Independent Non-Executive Director of the Company. He was appointed to the Board as Executive Director on 7 May 2013 and re-designated to Non-Executive Director on 1 November 2014. He is one of the co-founders of the Group.

He obtained his Malaysian Certificate of Education ("MCE") in 1969. He served as a school teacher from 1970 to 1977. In 1978, he joined a local publishing company as a salesman. He left the company in 1979 and subsequently joined another publishing company as a Sales Representative in 1980. He was promoted to Regional Manager in 1983 where he was tasked to manage a sales team and was in charge of sales for the Northern region of Peninsular Malaysia. He left the company in 1985 to co-found Sasbadi Sdn Bhd.

As one of the co-founders, he had established a formidable marketing and sales force that led the Group to grow to the size it is today. He had introduced personal training and development programmes to help build and improve the skills, productivity and morale of sales team members. The sales teams are able to build rapport and lasting relationships with the customers in tandem with the Group's growth.

Under his leadership, the Group's sales teams had penetrated markets in the whole of Malaysia, encompassing schools and customers in suburban and rural areas. He had also trained the Group's marketing personnel to gather up-to-date market information so that the Group is able to better understand the customers' needs.

He does not hold directorship in any other public companies and listed issuers. He has no family relationship with any director and/or major shareholder of the Company nor does he have any conflict of interests with the Company.

SOME FACES OF THE SASBADI TEAM

CORPORATE SOCIAL RESPONSIBILITY

FOR OUR PEOPLE

At Sasbadi Holdings Berhad, our people are regarded as the Company's most valuable asset. As a competitive education solutions provider, the future of our Group lies largely in the hands of our employees. Thus, having a talent pool of skilled, capable and reliable employees is crucial to our growth and success.

We understand that the personal growth and professional development of our employees are essential to the company's growth. We also know that a positive environment nurtures productive and effective people, as well as attracts them. Most importantly, we know that a family that cares for one another stays together.

Employee Development

We believe that continuous upskilling will help our employees reach their highest potential. Therefore, we offer them training and opportunities that are relevant to their areas of work, such as on-the-job training particularly in technical and management skills, committee involvement to inculcate accountability and decision-making, as well as seminars or talks that broaden their knowledge and understanding of a subject matter.

Rewarding Our People

We appreciate all the efforts and sacrifices our employees make for the betterment of the Group, and we take every opportunity possible to acknowledge and reward them.

One of the ways of showing our appreciation is through our annual Hari Raya Aidilfitri celebrations. We would host a party where our people gather together for merriment. They will enjoy delicious food and wonderful performances as well as get a chance to win exciting prizes in our lucky draw.

Building Team Spirit

As a Group with over 400 employees working in various departments, many of our people do not often get the opportunity to interact with one another. As such, we have formed a committee called the Sasbadi Recreation Committee ("SRC") which consists of members from various departments with the purpose of planning at least three (3) activities every year to build a sense of community and team spirit among our employees.

FOR THE COMMUNITY

We recognise the importance of corporate social responsibility and believe that it is our duty as a Malaysian corporate citizen to give back to the community and help those in need.

Every year, we actively participate in and support various initiatives relating to education for the community.

Helping children with educational needs holds a special place in our hearts because we believe education is a birthright. We stand firm that every child deserves equal opportunity and access to quality education. We also believe it is crucial to drive and support educational programmes, particularly those that encourage the development of skills for the 21st century.

Amalan Bestari dan Inovasi dalam Kaedah Pengajaran dan Pemudahcaraan Mata Pelajaran Sains di Bilik Darjah Seminars

From July to October 2017, Sasbadi financed and organised a total of 18 seminars where we invited science teachers across Malaysia with the aim of guiding them on Teaching and Facilitating ("PdPc") science lessons in the classroom. Aside from that, the seminars also shared methods about Teaching the Skills of Learning (*Mengajar Kemahiran Belajar*) that would help students master effective ways in learning science. The programme which is aligned with the Government's emphasis on *Pengajaran dan Pembelajaran ("PdP") Abad Ke-21* was approved and supported by the Ministry of Education Malaysia.

Symposium on Science Education ("SoSE")

Jointly organised by Universiti Tunku Abdul Rahman, Majlis Profesor Negara and Kuala Lumpur Engineering Science Fair, the Symposium on Science Education ("SoSE") is an event that Sasbadi has been a part of for three (3) consecutive years since 2015. We support this programme as it is about sharing different ideas and techniques on innovative and effective teaching methods for Science, Technology, Engineering and Mathematics ("STEM") subjects.

In this programme, we shared insights on how to make the learning process fun and interactive with robotics. We also sponsored Science and Mathematics academic books for the teachers who attended the seminars.

Field Trips for Educational Institutions

Sasbadi hosts a number of field trips to our headquarters for secondary and tertiary educational institutions every year. We conduct these field trips with the aim of educating students and providing them the opportunity to better understand the industry of content creation and publishing. This year, Sasbadi hosted students from Universiti Teknologi MARA ("UiTM"), Institut Pendidikan Guru ("IPG") Sultan Abdul Halim, INTI International College Subang, SMK Lubok China in Melaka, and a private college from Indonesia, named Universitas Lancang Kuning ("UNILAK").

National Robotics Competition and FIRST LEGO League Malaysia

Sasbadi has been a long time advocator of hands-on learning. We aspired to create a platform where students can engage in competitive fun and apply knowledge through critical thinking, collaboration and creativity. Sharing similar aspirations, we partnered with the Ministry of Education Malaysia ("MOE") back in 2005 to organise the first National Robotics Competition ("NRC"). Today, the NRC has become a yearly event many look forward to and is an effective platform to nurture skills relating to STEM and 21st century skills. As an exclusive partner of LEGO Education in Malaysia, we also organise the FIRST LEGO League Malaysia annually. We provide the manpower, technical and financial support for these important programmes.

Book Donations

Every year, Sasbadi donates books to children across Malaysia. This year, we made donations through Yayasan Sukarelawan Siswa ("YSS"), Kementerian Pendidikan Tinggi by providing academic and non-academic books for primary and secondary school children in the outskirts of Miri, Sawarak. We also donated a variety of our publications and products to the children in *Kampung Muhibbah* Poor Community in Puchong and the resource centre of a remote, all-girls boarding school in Arunachal Pradesh, India, amongst various other communities in need.

CORPORATE GOVERNANCE STATEMENT

The Board of Directors ("the Board") of Sasbadi Holdings Berhad ("Sasbadi Holdings" or "the Company") is committed to implementing and maintaining principles and practices of good corporate governance within Sasbadi Holdings and our subsidiaries ("the Group") in order to safeguard stakeholders' investments and the Group's assets.

As such, the Board is pleased to present the following Corporate Governance Statement outlining the manner in which the Group has applied the principles ("Principles") set out in the Malaysian Code on Corporate Governance 2012 ("MCCG 2012"), having regard to the recommendations stated under each Principle ("Recommendations"), for the financial year ended ("FYE") 31 August 2017. Where the Group has not followed any of the Recommendations, disclosure is made in this Statement with regard to the reasons (for not following it) and the alternatives adopted by the Group, if any.

PRINCIPLE 1 – ESTABLISH CLEAR ROLES AND RESPONSIBILITIES

Recommendation 1.1 – Clear Functions for the Board and the Management

The Board, comprising members with diverse skills, experiences and qualifications (*Note: Please refer to the Directors' Profiles of this Annual Report for further details of the Board members' experiences and qualifications*), recognises the clear distinction of the roles and responsibilities between the Board and the Management. The Board is responsible for the overall strategic direction and leadership of the Group, the adequacy and effectiveness of the Group's risk management and internal control system, compliance with the relevant laws and regulations, and maintaining an oversight over Management. The Management, on the other hand, is responsible for assisting the Board in implementing the policies and procedures adopted by the Board to achieve the Group's objectives and in running the Group's day-to-day business operations.

Recommendation 1.2 – Clear Roles and Responsibilities for the Board

The Board is guided by the Company's Board Charter which outlines the roles and responsibilities, operation and processes of the Board. The roles and responsibilities of the Board include, among others, the following:

- Review, challenge and approve the strategic plan prepared by the Management for the Group and to monitor the implementation of the plan;
- Oversee the conduct of the Group's business to ensure the objectives are met, the business is sustainable, and the relevant regulations are complied with;
- Identify, assess and manage the principal risks affecting the Group through the implementation of an adequate and effective system;
- Ensure that there are plans in place for orderly succession of senior management;
- Review the adequacy and effectiveness of the Group's risk management and internal control system; and
- Oversee the implementation of an investor relations policy to enable effective communication between the Group and the shareholders and other stakeholders.

The Board has delegated some of the above roles and responsibilities to the three (3) Board Committees, i.e. Audit Committee, Nomination Committee and Remuneration Committee.

During FYE 31 August 2017, the Board and the Board Committees undertook their roles and responsibilities in accordance with the Board Charter and the Board Committees' respective Terms of Reference.

Recommendation 1.3 – Code of Conduct

The Board has put in place a Code of Conduct which sets out certain values, principles and standards of good conduct expected of the Directors and employees at work. A copy of the Code of Conduct can be viewed at the Company's website, www.sasbadiholdings.com. The Code of Conduct will be reviewed from time to time for changes and new developments in the external and internal environment.

Any Director or employee who knows of, or suspects, a violation of the Code of Conduct, is encouraged to whistle-blow or report the violation or suspected violation through the Whistle-Blowing Policy of the Company. A copy of the Whistle-Blowing Policy of the Company can be viewed at the Company's website, www.sasbadiholdings.com. For FYE 31 August 2017, there was no report of any violation of the Code of Conduct.

Recommendation 1.4 – Promote Sustainability

As set out in the Company's Board Charter and Code of Conduct, the Board shall ensure that its short-term and long-term strategies promote sustainability to the environmental, social and governance aspects of the Group's business. In this regard, the Directors and employees of the Group are expected to carry out their roles and responsibilities in

accordance to that. Details on the activities on corporate social responsibility undertaken by the Group in FYE 31 August 2017 are set out in the Corporate Social Responsibility Report of this Annual Report.

Recommendation 1.5 – Procedures for Board Members to Have Access to Information and Advice

The Directors have full and unrestricted access to all information of the Group on a timely and accurate manner to enable them to discharge their roles and responsibilities effectively. In addition, the Directors have full and unrestricted access to the Company Secretaries, the external auditors and the outsourced internal auditors for advice and services. If required, the Directors, collectively and individually, are also entitled to seek external independent professional advice at the Company's expense. This is provided for in the Company's Board Charter.

At the invitation of the Board or Board Committees, key management, external auditors and outsourced internal auditors will attend the meetings to present reports or information pertaining to their respective areas to the Board or Board Committees.

Recommendation 1.6 – Support of Qualified and Competent Company Secretaries

The Board is supported by two (2) qualified and experienced Company Secretaries, who are Associate members of the Malaysian Institute of Chartered Secretaries and Administrators ("MAICSA") pertaining to corporate secretarial matters which include, among others, convening of Board, Board Committee and general meetings, preparation of circular resolutions and minutes of meetings, maintenance of statutory registers and records, release of announcements to Bursa Malaysia Securities Berhad ("Bursa Securities"), and advising the Board on compliance with the relevant laws and regulations.

Recommendation 1.7 – Board Charter

The Board is guided by the Company's Board Charter which sets out, among others, the division of responsibilities and powers between the Board and the Management, the different Board Committees, and between the Chairman and the Group Managing Director. The Board Charter serves as a source of reference and primary induction literature for prospective board members and senior management. A copy of the Board Charter can be viewed at the Company's website, www.sasbadiholdings.com. The Board Charter will be reviewed from time to time to ensure that it remains consistent with the Board's objectives, and current law and practices.

PRINCIPLE 2 – STRENGTHEN COMPOSITION

Recommendation 2.1 – Nomination Committee

The Board has established the Nomination Committee comprising the following members:

Chairman:

Dato' Noor Rezan Binti Bapoo Hashim (*Senior Independent Non-Executive Director*)

Members:

Dato' Salleh Bin Mohd Husein (*Independent Non-Executive Chairman*)

Lim Hun Soon @ David Lim (*Independent Non-Executive Director*)

All the members are Independent Non-Executive Directors and the Chairman, Dato' Noor Rezan Binti Bapoo Hashim is our Senior Independent Non-Executive Director.

The full Terms of Reference setting out the Nomination Committee's composition, meeting proceedings, functions and reporting procedures, can be viewed at the Company's website, www.sasbadiholdings.com.

During FYE 31 August 2017, the Nomination Committee held a total of two (2) meetings. The attendance of the members of the Nomination Committee at the meetings is as follows:

Member	Attendance
Dato' Noor Rezan Binti Bapoo Hashim	2 out of 2
Dato' Salleh Bin Mohd Husein	2 out of 2
Lim Hun Soon @ David Lim	2 out of 2

A summary of the activities carried out by the Nomination Committee during FYE 31 August 2017 is as follows:

- Reviewed the list of key senior management (including their profiles) and their potential successors.
- Reviewed the Board's and Board Committees' structure, size, composition and diversity, and was satisfied with the review given the size of the Group and its business operations.
- Reviewed the assessment of performance of the individual Directors, the Board as a whole and the Board Committees, and the independence of the Independent Directors, and was satisfied with the experiences, contributions, competencies and mix of skills of the Directors to enable the Board and the Board Committees to discharge their respective duties and responsibilities effectively, as well as with the independence of the Independent Directors. It was also concurred from the assessment that the Board could work as a team and arrive at consensual decisions.
- Reviewed and assessed the Directors subject to retirement by rotation and casual vacancy, before recommending to the Board the tabling for shareholders' approval of the re-election of the said Directors at the previous Annual General Meeting ("AGM") held on 19 January 2017.
- Reviewed the need for continuous training and development by the Directors.
- Deliberated on the areas that need focus/action by the Group in relation to the best practices recommended under the Malaysian Code on Corporate Governance 2017 ("MCCG 2017"), and took note of the requirement for the Company to report on the application of the best practices in MCCG 2017 within the Group, in its Annual Report for 2018.

Recommendation 2.2 – Develop, Maintain and Review the Criteria for Recruitment Process and Annual Assessment of Directors

The functions of the Nomination Committee under its Terms of Reference include, among others, assessing and recommending candidates for directorships to the Board and undertaking annual assessment of the effectiveness of the Directors individually and as a whole.

The Nomination Committee has put in place a formal process and criteria for the recruitment of directors. The recruitment process involves assessment and recommendation by the Nomination Committee (including conducting an interview on the shortlisted candidates), evaluation and decision by the Board, appointment to the Board, and induction programme for the new director being carried out by the Nomination Committee. The recruitment criteria involve assessment of, among others, the candidate's personal and professional ethics and integrity, independence, objectivity and potential conflicts of interest, understanding of the duties and responsibilities of a director of a listed entity, level of advocacy of good corporate governance, interpersonal skills, knowledge of the industry or work experience, and relevant academic and/or professional qualifications, as well as the Board's overall mix of skills, independence and diversity. There was no new Director recruited for FYE 31 August 2017.

The Board acknowledges that gender diversity is one of the key attributes to an effective and balanced board. In this regard, it is committed to having female representation on the Board though no specific target percentage is set. The Group ensures equal opportunity is given to an individual whether for appointment as a director or employment within the Group, based on merits and not on any gender, age or racial bias. Currently, the Board has two (2) female members out of a total of seven (7) Board members, representing a percentage of approximately 29%.

The Board has also put in place a formal process for the assessment of performance of the individual Directors, the Board as a whole and the Board Committees, as well as the independence of the Independent Directors, and the assessment is done on an annual basis.

Recommendation 2.3 – Remuneration Committee and Remuneration Policies and Procedures

The Board has established the Remuneration Committee comprising the following members:

Chairman:

Lim Hun Soon @ David Lim (*Independent Non-Executive Director*)

CORPORATE GOVERNANCE STATEMENT

Members:

Dato' Salleh Bin Mohd Husein (*Independent Non-Executive Chairman*)

Dato' Noor Rezan Binti Bapoo Hashim (*Senior Independent Non-Executive Director*) (*appointed on 31 October 2017*)

Law King Hui (*Group Managing Director*) (*resigned on 31 October 2017*)

As shown above, with effect from 31 October 2017, all the members are Non-Executive Directors.

The full Terms of Reference setting out the Remuneration Committee's composition, meeting proceedings, functions and reporting procedures, can be viewed at the Company's website, www.sasbadiholdings.com.

During FYE 31 August 2017, the Remuneration Committee held a total of three (3) meetings. The attendance of the members of the Remuneration Committee at the meetings is as follows:

RM450,001 to RM500,000	1	–
RM900,001 to RM950,000	1	–

Besides the Director's fees, the Company has arranged for Directors' and Officers' Liability Insurance to indemnify the Directors and Officers of the Group against liabilities incurred by them during the discharge of their duties while in office.

PRINCIPLE 3 – REINFORCE INDEPENDENCE

Recommendation 3.1 – Annual Assessment of Independent Directors

The Board shall assess the independence of the Independent Directors on an annual basis based on the criteria formulated by the Nomination Committee. During FYE 31 August 2017, the Board reviewed, assessed and was satisfied with the independence of the Independent Directors of the Company for FYE 31 August 2016, and has done the same for FYE 31 August 2017 as at the date of approval for the issuance of this Statement.

Recommendation 3.2 – Tenure of Independent Directors

MCCG 2012 recommends that the tenure of an independent director should not exceed a cumulative term of nine (9) years and, upon completion of the nine (9) years, an independent director may continue to serve on the board subject to the director's re-designation as a non-independent director.

The Board has incorporated this recommendation into the Company's Board Charter. As at the date of approval for issuance of this Statement, the Company's Independent Directors have served on the Board for less than five (5) years.

Recommendation 3.3 – Retention of Independent Directors Whose Tenure Exceeds Nine (9) Years

MCCG 2012 recommends that the board must justify and seek shareholders' approval in the event it retains as an independent director, a person who has served in that capacity for more than nine (9) years.

The Board has incorporated this recommendation into the Company's Board Charter. As at the date of approval for issuance of this Statement, the Company's Independent Directors have served on the Board for less than five (5) years.

Recommendation 3.4 – Separation of Positions of Chairman and Managing Director

The Board practises the separation of the positions of Chairman and Managing Director and the division in their responsibilities.

Dato' Salleh Bin Mohd Husein, who is an Independent Non-Executive Director, is the Chairman of the Group and he leads the Board in the oversight of Management while Law King Hui, who is the Managing Director of the Group, focuses on the running of the business and day-to-day management of the Group.

Recommendation 3.5 – Board Composition

The Board is made up of three (3) Executive Directors (including the Group Managing Director), one (1) Non-Independent Non-Executive Director and three (3) Independent Non-Executive Directors (including the Chairman). The Board composition provides a good mix of experience and diversity in skills and expertise while maintaining a good balance between Non-Independent and Independent Directors.

The Board has also complied with paragraph 15.02 of the Main Market Listing Requirements ("MMLR") of Bursa Securities, which requires at least two (2) Directors or one-third (1/3) of the Board of the Company, whichever is the higher, are independent.

PRINCIPLE 4 – FOSTER COMMITMENT**Recommendation 4.1 – Time Commitment by Directors**

The Directors are expected to devote sufficient time to carry out their roles and responsibilities for the Group. In this regard, all Directors are required to notify the Chairman (of the Board) prior to accepting any new directorship and to disclose if there is any conflict of interest arising from the appointment.

For FYE 31 August 2017, there were six (6) Board meetings held and the attendance records of the Directors are as follows:

Member	Attendance
Dato' Salleh Bin Mohd Husein	6 out of 6
Law King Hui	6 out of 6

PRINCIPLE 5 – UPHOLD INTEGRITY IN FINANCIAL REPORTING

Recommendation 5.1 – Compliance with Applicable Financial Reporting Standards

The Directors are required by the Companies Act, 2016 to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Group and of the Company at the end of the financial year under review and their results and cash flows for the financial year then ended. In addition, the financial statements are to be prepared in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016.

The Board has delegated the task to the Audit Committee while maintaining overall responsibility for the financial statements. Information on the activities undertaken by the Audit Committee is set out in the Audit Committee Report of this Annual Report.

Recommendation 5.2 – Suitability and Independence of External Auditors

The Audit Committee reviews and monitors the suitability and independence of the external auditors on an annual basis. In addition, the Audit Committee has obtained confirmation from the external auditors that they are and have been independent throughout the conduct of the audit engagement. For FYE 31 August 2017, the fees incurred by the Group in relation to the non-audit services by the external auditors amounted to RM23,000.

PRINCIPLE 6 – RECOGNISE AND MANAGE RISKS

Recommendation 6.1 – Establishment of a Sound Framework to Manage Risks

The Board recognises the importance of having effective governance embedding risk management and internal control processes, and acknowledges its overall responsibility for maintaining a sound risk management and internal control system and for reviewing their adequacy and effectiveness in order to safeguard stakeholders' investments and the Group's assets.

Details on the risk management and internal control system of the Group are set out in the Statement on Risk Management and Internal Control of this Annual Report.

Recommendation 6.2 – Establishment of an Internal Audit Function

The Group has outsourced the internal audit function to a professional service firm which is independent of the activities and operations of the Group. The outsourced internal auditors report directly to the Audit Committee. Details on the internal audit function are set out in the Audit Committee Report and the Statement on Risk Management and Internal Control of this Annual Report.

PRINCIPLE 7 – ENSURE TIMELY AND HIGH QUALITY DISCLOSURE

Recommendation 7.1 – Appropriate Corporate Disclosure Policies and Procedures

The Board takes cognisance of the need for the Group to comply with the applicable laws and regulations pertaining to corporate disclosures, handling of material information as well as maintenance of confidentiality. In this regard, the Group has been making the necessary announcements and issuing the necessary circulars and reports to shareholders in compliance with the disclosure requirements as set out in the MMLR of Bursa Securities on a timely and accurate manner.

Recommendation 7.2 – Leverage on Information Technology for Effective Dissemination of Information

Shareholders, investors and the general public are able to obtain information on the Group at the Company's website, www.sasbadiholdings.com. In addition, the Investor Relations section within the Company's website provides information such as the latest media coverage, announcements to Bursa Securities and press releases on the Group, to the shareholders, investors and general public. There is also a section on corporate governance within the Company's website where shareholders, investors and the general public are able to access the Group's Board Charter, Code of Conduct, Whistle-Blowing Policy and the respective Terms of Reference of the Board Committees.

PRINCIPLE 8 – STRENGTHEN RELATIONSHIP BETWEEN COMPANY AND SHAREHOLDERS

Recommendation 8.1 – Encourage Shareholder Participation at General Meetings

Notice of the forthcoming AGM together with this Annual Report will be sent out to the shareholders at least 21 days before the date of the meeting to provide the shareholders with sufficient time to prepare for the meeting and to make informed decisions at the meeting.

The Company will allocate time during the AGM and extraordinary general meeting(s) ("EGM") for a Question-and-Answer session whereby the Chairman together with the other Board members will be present to answer any questions and possible concerns that the shareholders may have on the Group and its operations.

Senior Management and the Group's external auditors as well as the Company's advisers are also available to respond to shareholders' questions during the AGM/EGM as the case may be.

Recommendation 8.2 – Poll Voting

The Company shall conduct poll voting for all resolutions set out in the notice of any general meeting in accordance with the MMLR of Bursa Securities.

Recommendation 8.3 – Effective Communication and Proactive Engagements with Shareholders

The Board believes the AGM is a principal forum for communication with the shareholders. As mentioned above, the Company will allocate time during the AGM for shareholders to ask questions about the Group and its operations.

In addition, shareholders are able to obtain latest information on the Group at the Company's website and are encouraged to contact the Company should they require more information (*Note: Contact details are listed on the website*). In this regard, Management has meetings and engagements with shareholders regularly upon request and through roadshows, dialogues and forums.

AUDIT COMMITTEE REPORT

The Audit Committee has been established to assist the Board of Directors ("the Board") of Sasbadi Holdings Berhad ("Sasbadi Holdings" or "the Company") in fulfilling its fiduciary responsibilities relating to corporate accounting, financial reporting practices, system of internal controls, audit process and monitoring of compliance with laws and regulations (*Note: Sasbadi Holdings and our subsidiaries are collectively referred to as "the Group" herein*).

MEMBERS OF THE AUDIT COMMITTEE

The members of the Audit Committee are as follows:

The agendas for the meetings, together with the relevant papers and reports and minutes of the previous meetings, were distributed to the members prior to the meetings. The Company Secretary attended all the meetings held during the financial year under review. In addition, the Group Managing Director and other Executive Directors, the Group Chief Financial Officer, key management, external auditors and outsourced internal auditors also attended the meetings when invited by the Audit Committee to provide and present reports or information during the deliberation of matters pertaining to their respective areas, in the meetings.

SUMMARY OF WORK OF THE AUDIT COMMITTEE DURING FYE 31 AUGUST 2017

During FYE 31 August 2017, the Audit Committee had, in discharging its functions and duties, carried out, among others, the following work:

Financial reporting / Annual reporting

- Reviewed and recommended for the Board's approval the unaudited financial results of the Group for announcement to Bursa Securities for the following financial quarters:
 - Fourth quarter ended 31 August 2016
 - First quarter ended 30 November 2016
 - Second quarter ended 28 February 2017
 - Third quarter ended 31 May 2017

The review was to ensure that the unaudited quarterly financial results were prepared in accordance with the requirements of Malaysian Financial Reporting Standard 134, International Accounting Standard 34: Interim Financial Reporting, and paragraph 9.22 and Part A of Appendix 9B of the MMLR of Bursa Securities. The review also covered, among others, the accuracy and adequacy of disclosure of information, the Group's performance and financial position for the respective quarters, segmental performance, seasonality of operations, prospects, etc.

- Reviewed the audited financial statements for FYE 31 August 2016 before recommending for the Board's approval. The review was to ensure that the financial statements were prepared in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 1965.
- Reviewed the assessment report/checklist relating to risk management and internal control prepared by Management for the purpose of the Statement on Risk Management and Internal Control ("SORMIC") for inclusion in the Annual Report for FYE 31 August 2016.
- Reviewed and recommended for the Board's approval the SORMIC and the Audit Committee Report ("AC Report") for inclusion in the Annual Report for FYE 31 August 2016. The review was to ensure that the SORMIC and the AC Report were prepared in accordance with the MMLR of Bursa Securities.
- Reviewed the Group's management budget for FYE 31 August 2017 before recommending for the Board's approval and adoption.

External audit

- Reviewed and discussed with the external auditors, i.e. KPMG PLT, on the audit for FYE 31 August 2016. During the meeting, KPMG PLT reported that, during the course of the performance of the audit, they had not been made aware of any serious offence involving fraud or dishonesty being or which has been committed in the Group. The Management also represented, among others, the same (i.e. no knowledge of any serious offence involving fraud or dishonesty being or which has been committed in the Group) to KPMG PLT.
- Without the presence of Executive Directors and Management, discussed with KPMG PLT on any issues, problems and reservations arising from the audit for FYE 31 August 2016, and any other matters that they would want to bring to the attention of the Audit Committee.
- Assessed the suitability of KPMG PLT based on the criteria in relation to the re-appointment of external auditors as prescribed under the MMLR of Bursa Securities such as the adequacy of KPMG PLT's experience and resources and the capability of the audit team assigned to the audit, as well as their independence, before recommending to the Board for the tabling to the shareholders for approval of the re-appointment of KPMG PLT as the external auditors of the Company, at the previous annual general meeting held on 19 January 2017.
- Reviewed and discussed with the external auditors on their audit plan for FYE 31 August 2017 covering the audit scope, audit methodology, timetable and milestones, audit materiality, audit focus areas, reported observations in prior year's audit, and summaries of key changes in relation to the MMLR of Bursa Securities, before endorsing and recommending to the Board for adoption.
- Reviewed the audit and non-audit fees of the external auditors for FYE 31 August 2017 before recommending for the Board's approval.

Internal audit

- Reviewed, discussed and approved the appointment of a new professional service firm to provide outsourced internal audit function to the Group after taking into consideration, among others, the experience and clientele base of the firm, before recommending for the Board's endorsement.
- Reviewed, discussed and approved the outsourced internal auditors' audit plan (covering the scope of work, subsidiaries being audited, estimated number of man days, audit schedule and reporting timeline) and fees for 2017 before recommending for the Board's endorsement.
- Reviewed and deliberated on the outsourced internal auditors' reports as detailed in the Internal Audit Function section below. The Audit Committee took note that, overall, the internal control environment for the functional areas/ sections covered by the outsourced internal auditors for FYE 31 August 2017 is considered "average" where controls are generally in place with some actions for improvement required.

Risk management

- Reviewed and approved the amendments to the Group's Risk Management Handbook – the amendments included, among others, (i) expanding the composition of the Risk Management Team ("RMT") to include the Heads of Production and Warehouse, (ii) the RMT to also report to the Audit Committee other than to the Executive Management Team (which comprises all the Executive Directors), and (iii) any amendments, additions and deletions of the terms in the Risk Management Handbook would be subject to the approval of the Audit Committee.
- Reviewed the updated Registry of Risks and Risk Matrix prepared by the RMT, taking note of the changes in the rating of some of the risk factors.

INTERNAL AUDIT FUNCTION

The outsourced internal auditors, who are independent of the activities and operations of the Group, are appointed to review the adequacy of the internal control system of the Group. The outsourced internal auditors report directly to the Audit Committee.

A summary of the work carried out by the outsourced internal auditors in FYE 31 August 2017 is as follows:

- Prepared and presented an internal audit plan for 2017 to the Audit Committee. The focus of the internal audit plan for 2017, as approved by the Audit Committee, was on United Publishing House (M) Sdn Bhd ("UPH"), which was acquired by the Company in August 2016.
- Undertook the internal control assessment on UPH in accordance with the internal audit plan for 2017, covering the following functional areas/sections:
 - Finance and Accounts, in respect of billing and collection process and procedures, payment process and procedures, debit notes and credit notes, cash flow management, capital asset management, staff claims process and procedures, inter-company billing, and recurrent related party transactions (if any);
 - Inventory management, in respect of warehouse/store management, physical stock handling, packing process and procedures, backorders monitoring process and procedures, stock return handling, physical stock count procedures, stock variance justification and verification control procedures, and inventory system updating and recording; and
 - Procurement, in respect of purchasing process and procedures, outsourcing process and procedures, and outsourcing evaluation and control.
- Presented the reports on internal control assessment setting out their findings and recommendations, and Management's responses and actions, to the Audit Committee for deliberation.

The fees incurred by the Group in relation to outsourced internal audit function for FYE 31 August 2017 were RM36,000.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

INTRODUCTION

The Board of Directors ("the Board") of Sasbadi Holdings Berhad ("Sasbadi Holdings" or "the Company") is pleased to present the following Statement on Risk Management and Internal Control of Sasbadi Holdings and our subsidiaries ("the Group") for the financial year ended ("FYE") 31 August 2017. This Statement has been prepared in accordance with the Statement on Risk Management & Internal Control: Guidelines for Directors of Listed Issuers issued by the Taskforce on Internal Control with the support and endorsement of Bursa Malaysia Securities Berhad.

BOARD RESPONSIBILITY

The Board recognises the importance of having effective governance embedding risk management and internal control processes in order for the Group to achieve its objectives and sustain growth and success in its business operations. In this regard, the Board acknowledges its overall responsibility for maintaining a sound risk management and internal control system and for reviewing their adequacy and effectiveness in order to safeguard stakeholders' investments and the Group's assets. While maintaining overall responsibility, the Board has delegated its functions pertaining to risk management and internal controls to the Audit Committee. In addition, the Board and the Audit Committee are assisted by the Management in the implementation of the policies and procedures established by the Board on risk management and internal controls.

The Board, however, recognises that, due to the limitations inherent in any internal control system, the system is designed to manage, and not to eliminate, the risk of failure to achieve the Group's business objectives, and it can only provide reasonable but not absolute assurance against material misstatement of financial information and records, or against financial losses or fraud.

RISK MANAGEMENT

The Group has put in place a risk management framework ("RM Framework") to assist the Group in managing the various risks faced in its daily business operations. Under the RM Framework, a Risk Management Team ("RMT"), headed by the Group Chief Financial Officer and comprising the Heads of various functions and departments within the Group, has been established to actively manage the risks faced by the Group. The RMT reports to the Executive Management Team ("EMT") comprising the Executive Directors, and the Audit Committee, both in turn report to the Board.

The RMT adopts a strategic approach towards risk management which involves risk identification, evaluation, treatment, monitoring and review. The RMT has been assessing, monitoring and managing the risks on a monthly basis via the use of a checklist of risks. In addition, the risks identified together with the steps taken/to be taken to mitigate the risks are deliberated during the periodic management meetings attended by the EMT and the RMT.

INTERNAL CONTROL SYSTEM

The key elements of the Group's internal control system include, among others, the following:

- Defined organisation structure with proper segregation of duties, responsibilities and authorities among the Directors, management and employees;
- Board Committees (i.e. Audit Committee, Nomination Committee and Remuneration Committee) which undertake their duties and responsibilities according to their delegated functions as set out in their respective Terms of Reference;
- Formalised Code of Conduct and Whistleblowing Policy. For the financial year under review, there were no concerns raised of any wrongdoing or improper conduct involving the Group or its Directors or employees;
- Documentation of key business processes and authority matrix to ensure decisions are made by the relevant individuals/groups within the authority limits established;
- Periodic Board, Board Committee and management meetings to discuss, among others, financial, operational, risk and compliance matters;

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

- Annual budgeting process whereby the annual budget prepared by management is tabled for the Audit Committee's review before being approved by the Board;
- Outsourced internal audit function which reports to the Audit Committee;
- Employment procedures and process to facilitate the recruitment and evaluation of employees; and
- Insurance coverage on the Group's assets, where necessary.

INTERNAL AUDIT FUNCTION

The Group has outsourced the internal audit function to a professional service firm, which is independent of the activities and operations of the Group, to review the adequacy of the internal control system of the Group. The outsourced internal auditors, which report directly to the Audit Committee, conducted internal control assessment on the Group in order to identify areas for improvement, besides compliance with internal best practices, guidelines and objectives.

During the financial year under review, the outsourced internal auditors have carried out an internal control assessment based on the internal audit plan for 2017 as approved by the Audit Committee. The focus of the internal control assessment for FYE 31 August 2017 was on United Publishing House (M) Sdn Bhd, which was acquired by the Company in August 2016, covering the following functional areas/sections:

- Finance and Accounts, in respect of billing and collection process and procedures, payment process and procedures, debit notes and credit notes, cash flow management, capital asset management, staff claims process and procedures, inter-company billing, and recurrent related party transactions (if any);
- Inventory management, in respect of warehouse/store management, physical stock handling, packing process and procedures, backorders monitoring process and procedures, stock return handling, physical stock count procedures, stock variance justification and verification control procedures, and inventory system updating and recording; and
- Procurement, in respect of purchasing process and procedures, outsourcing process and procedures, and outsourcing evaluation and control.

Upon completion of the work, the outsourced internal auditors presented their reports to the Audit Committee during the quarterly meetings whereby the outsourced internal auditors' findings and recommendations as well as the Management's responses and action plans were deliberated.

WEAKNESSES IN INTERNAL CONTROLS WHICH RESULTED IN MATERIAL LOSSES, IF ANY

During FYE 31 August 2017 and up to the date of approval for issuance of this Statement, there were no material losses incurred by the Group arising from weaknesses in its internal control system.

CONCLUSION

Based on the foregoing, the Board is of the view that the Group's risk management and internal control system is adequate and effective.

The Board has also received assurance from the Group Managing Director and the Group Chief Financial Officer that the Group's risk management and internal control system is operating adequately and effectively, in all material aspects, based on the existing risk management and internal control system of the Group.

ADDITIONAL COMPLIANCE INFORMATION

UTILISATION OF PROCEEDS

RECURRENT RELATED PARTY TRANSACTIONS

There were no recurrent related party transactions entered into by the Group during the financial year ended 31 August 2017.

STATEMENT ON DIRECTORS' RESPONSIBILITY

The Directors are required by the Companies Act, 2016 ("the Act") to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Group and of the Company at the end of the financial year under review and their results and cash flows for the financial year then ended. As required by the Act and the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, the financial statements have been prepared in accordance with the applicable approved accounting standards in Malaysia.

In preparing the financial statements of the Group and the Company for the financial year ended 31 August 2017, the Directors have:

- adopted suitable accounting policies and applied them consistently;
- made judgments and estimates that are prudent and reasonable;
- ensured applicable approved accounting standards have been complied with, subject to any material departures being disclosed and explained in the financial statements; and
- prepared the financial statements on a going concern basis.

The Directors are responsible for ensuring that the Group and the Company keep proper accounting records which disclose with reasonable accuracy at any time the financial position of the Group and the Company. The Directors are also responsible for taking such reasonable steps to safeguard the assets of the Group and the Company and to prevent and detect fraud and other such irregularities.

This statement is made in accordance with the resolution of the Board dated 19 December 2017.

No options were granted to any person to take up unissued shares of the Company during the financial year.

Indemnity and insurance costs

During the financial year, Directors and Officers of Sasbadi Holdings Berhad, together with its subsidiaries, are covered under the Directors' and Officers' Liability Insurance in respect of liabilities arising from acts committed in their respective capacity as, inter alia, Directors and Officers of the Group subject to the terms of the policy. The total amount of Directors' and Officers' Liability Insurance effected for the Directors and Officers of the Group was RM5 million. The total amount of premium paid for the Directors' and Officers' Liability Insurance by the Group and the Company was RM12,500.

There were no indemnity and insurance costs effected for auditors of the Company during the financial year.

Other statutory information

Before the financial statements of the Group and of the Company were made out, the Directors took reasonable steps to ascertain that:

- i) all known bad debts have been written off and adequate provision made for doubtful debts, and
- ii) any current assets which were unlikely to be realised in the ordinary course of business have been written down to an amount which they might be expected so to realise.

At the date of this report, the Directors are not aware of any circumstances:

- i) that would render the amount written off for bad debts or the amount of the provision for doubtful debts in the Group and in the Company inadequate to any substantial extent, or
- ii) that would render the value attributed to the current assets in the financial statements of the Group and of the Company misleading, or
- iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate, or
- iv) not otherwise dealt with in this report or the financial statements that would render any amount stated in the financial statements of the Group and of the Company misleading.

At the date of this report, there does not exist:

- i) any charge on the assets of the Group or of the Company that has arisen since the end of the financial year and which secures the liabilities of any other person, or
- ii) any contingent liability in respect of the Group or of the Company that has arisen since the end of the financial year.

Other statutory information (continued)

No contingent liability or other liability of any company in the Group has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations as and when they fall due.

In the opinion of the Directors, other than the effect arising from the acquisition of subsidiaries and non-controlling interest as disclosed in Note 29 to the financial statements, the financial performance of the Group and of the Company for the financial year ended 31 August 2017 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of that financial year and the date of this report.

Significant events during the financial year

Significant events during the financial year are disclosed in Note 28 to the financial statements.

Auditors

The auditors, KPMG PLT (converted from a conventional partnership, KPMG, on 27 December 2016), have indicated their willingness to accept re-appointment.

The consolidated financial statements of the Company as at and for the financial year ended 31 August 2017 comprise the Company and its subsidiaries (together referred to as the "Group" and individually referred to as "Group entities"). The financial statements of the Company as at and for the financial year ended 31 August 2017 do not include other entities.

The Company is principally engaged in investment holding activities whilst the principal activities of the subsidiaries are as stated in Note 6 to the financial statements.

These financial statements were authorised for issue by the Board of Directors on 19 December 2017.

1. Basis of preparation

(a) Statement of compliance

The financial statements of the Group and the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRSs"), International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The following are accounting standards, amendments and interpretations of the MFRSs that have been issued by the Malaysian Accounting Standards Board ("MASB") but have not been adopted by the Group and the Company:

MFRSs, Interpretations and amendments effective for annual periods beginning on or after 1 January 2017

- Amendments to MFRS 12, *Disclosure of Interests in Other Entities (Annual Improvements to MFRS Standards 2014-2016 Cycle)*
- Amendments to MFRS 107, *Statement of Cash Flows – Disclosure Initiative*
- Amendments to MFRS 112, *Income Taxes – Recognition of Deferred Tax Assets for Unrealised Losses*

1. Basis of preparation (continued)

(a) Statement of compliance (continued)

MFRSs, Interpretations and amendments effective for annual periods beginning on or after 1 January 2018

- MFRS 9, *Financial Instruments* (2014)
- MFRS 15, *Revenue from Contracts with Customers*
- Clarifications to MFRS 15, *Revenue from Contracts with Customers*
- IC Interpretation 22, *Foreign Currency Transactions and Advance Consideration*
- Amendments to MFRS 1, *First-time Adoption of Malaysian Financial Reporting Standards (Annual Improvements to MFRS Standards 2014-2016 Cycle)*

- MFRS 17, *Insurance Contracts*

MFRSs, Interpretations and amendments effective for annual periods beginning on or after a date yet to be confirmed

- Amendments to MFRS 10, *Consolidated Financial Statements* and MFRS 128, *Investments in Associates and Joint Ventures – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture*

1. Basis of preparation (continued)

(a) Statement of compliance (continued)

The Group and the Company plan to apply the abovementioned accounting standards, amendments and interpretations, where applicable:

- from the annual period beginning on 1 September 2017 for those accounting standards, amendments or interpretations that are effective for annual periods beginning on or after 1 January 2017;
- from the annual period beginning on 1 September 2018 for those accounting standards, amendments or interpretations that are effective for annual periods beginning on or after 1 January 2018;
- from the annual period beginning on 1 September 2019 for those accounting standards, amendments or interpretations that are effective for annual periods beginning on or after 1 January 2019; and
- from the annual period beginning on 1 September 2021 for those accounting standards, amendments or interpretations that are effective for annual periods beginning on or after 1 January 2021.

The initial application of the accounting standards, amendments or interpretations are not expected to have any material financial impact to the current period and prior period financial statements of the Group and the Company except as mentioned below:

(i) MFRS 15, *Revenue from Contracts with Customers*

MFRS 15 replaces the guidance in MFRS 111, *Construction Contracts*, MFRS 118, *Revenue*, IC Interpretation 13, *Customer Loyalty Programmes*, IC Interpretation 15, *Agreements for Construction of Real Estate*, IC Interpretation 18, *Transfers of Assets from Customers* and IC Interpretation 131, *Revenue - Barter Transactions Involving Advertising Services*.

The Group is currently assessing the financial impact that may arise from the adoption of MFRS 15.

(ii) MFRS 9, *Financial Instruments*

MFRS 9 replaces the guidance in MFRS 139, *Financial Instruments: Recognition and Measurement* on the classification and measurement of financial assets and financial liabilities, and on hedge accounting.

The Group is currently assessing the financial impact that may arise from the adoption of MFRS 9.

1. Basis of preparation (continued)

(a) Statement of compliance (continued)

(iii) MFRS 16, *Leases*

MFRS 16 replaces the guidance in MFRS 117, *Leases*, IC Interpretation 4, *Determining whether an Arrangement contains a Lease*, IC Interpretation 115, *Operating Leases – Incentives* and IC Interpretation 127, *Evaluating the Substance of Transactions Involving the Legal Form of a Lease*.

The Group is currently assessing the financial impact that may arise from the adoption of MFRS 16.

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis other than as disclosed in Note 2.

(c) Functional and presentation currency

These financial statements are presented in Ringgit Malaysia ("RM"), which is the Company's functional currency. All financial information is presented in RM and has been rounded to the nearest thousand, unless otherwise stated.

(d) Use of estimates and judgements

The preparation of the financial statements in conformity with MFRSs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

There are no significant areas of estimation uncertainty and critical judgments in applying accounting policies that have significant effect on the amounts recognised in the financial statements other than those disclosed in the following notes:

- Note 5 – measurement of the recoverable amounts of cash-generating units
- Note 13 – deferred tax assets
- Note 14 – provisions
- Note 29 – business combinations

2. Significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements, and have been applied consistently by the Group entities, unless otherwise stated.

(a) Basis of consolidation

(i) Subsidiaries

Subsidiaries are entities, including structured entities, controlled by the Company. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

The Group controls an entity when it is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Potential voting rights are considered when assessing control only when such rights are substantive. The Group also considers it has de facto power over an investee when, despite not having the majority of voting rights, it has the current ability to direct the activities of the investee that significantly affect the investee's return.

Investments in subsidiaries are measured in the Company's statement of financial position at cost less any impairment losses, unless the investment is classified as held for sale or distribution. The cost of investments includes transaction costs.

(ii) Business combinations

Business combinations are accounted for using the acquisition method from the acquisition date, which is the date on which control is transferred to the Group.

For new acquisitions, the Group measures the cost of goodwill at the acquisition date as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests in the acquiree; plus
- if the business combination is achieved in stages, the fair value of the existing equity interest in the acquiree; less
- the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed.

When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

For each business combination, the Group elects whether it measures the non-controlling interests in the acquiree either at fair value or at the proportionate share of the acquiree's identifiable net assets at the acquisition date.

2. Significant accounting policies (continued)

(a) Basis of consolidation (continued)

(ii) Business combinations (continued)

Transaction costs, other than those associated with the issue of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

(iii) Acquisitions of non-controlling interest

The Group accounts for all changes in its ownership interest in a subsidiary that do not result in a loss of control as equity transactions between the Group and its non-controlling interest holders. Any difference between the Group's share of net assets before and after the change, and any consideration received or paid, is adjusted to or against Group reserves.

(iv) Loss of control

Upon the loss of control of a subsidiary, the Group derecognises the assets and liabilities of the former subsidiary, any non-controlling interests and the other components of equity related to the former subsidiary from the consolidated statement of financial position. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the former subsidiary, then such interest is measured at fair value at the date that control is lost. Subsequently, it is accounted for as an equity accounted investee or as an available-for-sale financial asset depending on the level of influence retained.

(v) Non-controlling interests

Non-controlling interests at the end of the reporting period, being the equity in a subsidiary not attributable directly or indirectly to the owners of the Company, are presented in the consolidated statement of financial position and statement of changes in equity within equity, separately from equity attributable to the owners of the Company. Non-controlling interests in the results of the Group is presented in the consolidated statement of profit or loss and other comprehensive income for the year between non-controlling interests and the owners of the Company.

Loss applicable to the non-controlling interests in a subsidiary are allocated to the non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance.

(vi) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

2. Significant accounting policies (continued)

(b) Foreign currency

Foreign currency transactions

Transactions in foreign currencies are translated to the respective functional currencies of the Group entities at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies at the end of the reporting period are retranslated to the functional currency at the exchange rate at that date.

Non-monetary assets and liabilities denominated in foreign currencies are not retranslated at the end of the reporting period, except for those that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined.

Foreign currency differences arising on retranslation are recognised in profit or loss, except for differences arising on the retranslation of available-for-sale equity instruments or a financial instrument designated as a hedge of currency risk, which are recognised in other comprehensive income.

(c) Financial instruments

(i) Initial recognition and measurement

A financial asset or a financial liability is recognised in the statement of financial position when, and only when, the Group or the Company becomes a party to the contractual provisions of the instrument.

A financial instrument is recognised initially, at its fair value plus, in the case of a financial instrument not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial instrument.

(ii) Financial instrument categories and subsequent measurement

The Group and the Company categorise and measure financial instruments as follows:

Financial assets

(a) *Financial assets at fair value through profit or loss*

Fair value through profit or loss category comprises financial assets that are held for trading, including derivatives (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument) or financial assets that are specifically designated into this category upon initial recognition.

2. Significant accounting policies (continued)

(c) Financial instruments (continued)

(ii) Financial instrument categories and subsequent measurement (continued)

Financial assets (continued)

(a) *Financial assets at fair value through profit or loss (continued)*

Other financial assets categorised as fair value through profit or loss are subsequently measured at their fair values with the gain or loss recognised in profit or loss.

(b) *Loans and receivables*

Loans and receivables category comprises debt instruments that are not quoted in an active market.

Financial assets categorised as loans and receivables are subsequently measured at amortised cost using the effective interest method.

(c) *Available-for-sale financial assets*

Available-for-sale category comprises investment in equity and debt securities instruments that are not held for trading.

Investments in equity instruments that do not have a quoted market price in an active market and whose fair value cannot be reliably measured are measured at cost. Other financial assets categorised as available-for-sale are subsequently measured at their fair values with the gain or loss recognised in other comprehensive income, except for impairment losses, foreign exchange gains and losses arising from monetary items and gains and losses of hedged items attributable to hedge risks of fair value hedges which are recognised in profit or loss. On derecognition, the cumulative gain or loss recognised in other comprehensive income is reclassified from equity into profit or loss. Interest calculated for a debt instrument using the effective interest method is recognised in profit or loss.

All financial assets, except for those measured at fair value through profit or loss, are subject to review for impairment (see Note 2(j)(i)).

2. Significant accounting policies (continued)

(c) Financial instruments (continued)

(ii) Financial instrument categories and subsequent measurement (continued)

Financial liabilities

All financial liabilities are subsequently measured at amortised cost other than those categorised as fair value through profit or loss.

Fair value through profit or loss category comprises financial liabilities that are derivatives (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument) or financial liabilities that are specifically designated into this category upon initial recognition.

Other financial liabilities categorised as fair value through profit or loss are subsequently measured at their fair values with the gain or loss recognised in profit or loss.

(iii) Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the original or modified terms of a debt instrument.

Fair values arising from financial guarantee contracts are classified as deferred income and are amortised to profit or loss using a straight-line method over the contractual period or, when there is no specified contractual period, recognised in profit or loss upon discharge of the guarantee. When settlement of a financial guarantee contract becomes probable, an estimate of the obligation is made. If the carrying value of the financial guarantee contract is lower than the obligation, the carrying value is adjusted to the obligation amount and accounted for as a provision.

(iv) Regular way purchase or sale of financial assets

A regular way purchase or sale is a purchase or sale of a financial asset under a contract whose terms require delivery of the asset within the time frame established generally by regulation or convention in the marketplace concerned.

2. Significant accounting policies (continued)

(c) Financial instruments (continued)

(iv) Regular way purchase or sale of financial assets (continued)

A regular way purchase or sale of financial assets is recognised and derecognised, as applicable, using trade date accounting. Trade date accounting refers to:

- (a) the recognition of an asset to be received and the liability to pay for it on the trade date, and
- (b) derecognition of an asset that is sold, recognition of any gain or loss on disposal and the recognition of a receivable from the buyer for payment on the trade date.

(v) Derecognition

A financial asset or part of it is derecognised when, and only when the contractual rights to the cash flows from the financial asset expire or control of the financial asset is not retained or substantially all of the risks and rewards of ownership of the financial asset are transferred to another party. On derecognition of a financial asset, the difference between the carrying amount and the sum of the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognised in equity is recognised in the profit or loss.

A financial liability or a part of it is derecognised when, and only when, the obligation specified in the contract is discharged, cancelled or expires. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the profit or loss.

(d) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost/valuation less any accumulated depreciation and any accumulated impairment losses.

The Group revalues its property comprising condominiums and leasehold land and buildings every 4 to 5 years and at shorter intervals whenever the fair value of the revalued assets is expected to differ materially from their carrying value. Additions subsequent to the date of valuation are stated at cost until the next revaluation exercise.

2. Significant accounting policies (continued)

(d) Property, plant and equipment (continued)

(i) Recognition and measurement (continued)

Surpluses arising from revaluation are dealt with in the revaluation reserve account. Any deficit arising is offset against the revaluation reserve to the extent of a previous increase for the same property. In all other cases, a decrease in carrying amount is charged to profit or loss.

Cost includes expenditures that are directly attributable to the acquisition of the asset and any other costs directly attributable to bringing the asset to working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. The cost of self-constructed assets also includes the cost of materials and direct labour. For qualifying assets, borrowing costs are capitalised in accordance with the accounting policy on borrowing costs.

Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

The cost of property, plant and equipment recognised as a result of a business combination is based on fair value at acquisition date. The fair value of property is the estimated amount for which a property could be exchanged between knowledgeable willing parties in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion. The fair value of other items of property, plant and equipment is based on the quoted market prices for similar items when available and replacement cost when appropriate.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and is recognised net within "other operating income" or "other operating expenses" respectively in profit or loss.

(ii) Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group or the Company, and its cost can be measured reliably. The carrying amount of the replaced component is derecognised to profit or loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

2. Significant accounting policies (continued)

(d) Property, plant and equipment (continued)

(iii) Depreciation

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed, and if a component has a useful life that is different from the remainder of that asset, then that component is depreciated separately.

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Group will obtain ownership by the end of the lease term. Property, plant and equipment under construction are not depreciated until the assets are ready for their intended use.

The estimated useful lives for the current and comparative periods are as follows:

Condominiums	50 years
Leasehold land	60 to 99 years
Buildings	50 years
Motor vehicles	5 years
Office equipment, furniture and fittings	10 years
Renovation	10 years
Computers	3 to 5 years

Depreciation methods, useful lives and residual values are reviewed at the end of the reporting period, and adjusted as appropriate.

(e) Leased assets

(i) Finance lease

Leases in terms of which the Group or the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Upon initial recognition, the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability. Contingent lease payments are accounted for by revising the minimum lease payments over the remaining term of the lease when the lease adjustment is confirmed.

2. Significant accounting policies (continued)

(e) Leased assets (continued)

(i) Finance lease (continued)

Leasehold land which in substance is a finance lease is classified as property, plant and equipment.

(ii) Operating lease

Leases where the Group or the Company does not assume substantially all the risks and rewards of the ownership are classified as operating leases and, except for property interest held under operating lease, the leased assets are not recognised on the statement of financial position.

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised in profit or loss as an integral part of the total lease expense, over the term of the lease. Contingent rentals are charged to profit or loss in the reporting period in which they are incurred.

Leasehold land which in substance is an operating lease is classified as prepaid lease payments.

(f) Intangible assets

(i) Goodwill

Goodwill arises on business combinations is measured at cost less any accumulated impairment losses.

(ii) Other intangible assets

Intangible assets, other than goodwill, that are acquired by the Group, which have finite useful lives, are measured at cost less any accumulated amortisation and any accumulated impairment losses.

The fair value of intellectual properties acquired in a business combination is based on the discounted estimated royalty payments that have been avoided as a result of the patent or trademark being owned. The fair value of other intangible assets is based on the discounted cash flows expected to be derived from the use and eventual sale of the assets.

(iii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

2. Significant accounting policies (continued)

(f) Intangible assets (continued)

(iv) Amortisation

Goodwill with indefinite useful lives is not amortised but are tested for impairment annually and whenever there is an indication that they may be impaired.

Other intangible assets are amortised from the date that they are available for use. Amortisation is based on the cost of an asset less its residual value. Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets.

The estimated useful lives for the current and comparative periods are as follows:

Intellectual properties	10 years
Development costs	10 years
Software	10 years

Amortisation methods, useful lives, and residual values are reviewed at the end of each reporting period and adjusted, if appropriate.

(g) Investment properties

Investment properties are land and/or buildings which are held to earn rental income or for capital appreciation or for both. Investment properties are stated at cost less accumulated depreciation and impairment losses. The depreciation policy adopted for investment properties is similar to property assets under property, plant and equipment as disclosed under Note 2(d) to the financial statements.

Cost includes expenditure that is directly attributable to the acquisition of the investment property includes the cost of material and direct labour, any other costs directly attributable to bringing the investment property to a working condition for their intended use and capitalised borrowing costs.

An investment property is derecognised when either it has been disposed of or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposal. The difference between the net disposal proceeds, if any, and the net carrying amount is recognised in profit or loss in the period of retirement or disposal.

(h) Inventories

Inventories are measured at the lower of cost and net realisable value.

The cost of inventories is calculated using the first-in first-out and weighted average method and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of work-in-progress and finished goods, cost includes an appropriate share of production overheads based on normal operating capacity.

2. Significant accounting policies (continued)

(h) Inventories (continued)

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(i) Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, and balances and deposits with banks. For the purpose of the statement of cash flows, cash and cash equivalents are presented net of bank overdrafts and pledged deposits, if any.

(j) Impairment

(i) Financial assets

All financial assets (except for financial assets categorised as fair value through profit or loss and investments in subsidiaries) are assessed at the end of each reporting period whether there is any objective evidence of impairment as a result of one or more events having an impact on the estimated future cash flows of the asset. Losses expected as a result of future events, no matter how likely, are not recognised. For an investment in an equity instrument, a significant or prolonged decline in the fair value below its cost is an objective evidence of impairment. If any such objective evidence exists, then the impairment loss of the financial asset is estimated.

An impairment loss in respect of loans and receivables is recognised in profit or loss and is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account.

An impairment loss in respect of available-for-sale financial assets is recognised in profit or loss and is measured as the difference between the asset's acquisition cost (net of any principal repayment and amortisation) and the asset's current fair value, less any impairment loss previously recognised. Where a decline in the fair value of an available-for-sale financial asset has been recognised in other comprehensive income, the cumulative loss in other comprehensive income is reclassified from equity to profit or loss.

An impairment loss in respect of unquoted equity instrument that is carried at cost is recognised in profit or loss and is measured as the difference between the financial asset's carrying amount and the present value of estimated future cash flows discounted at the current market rate of return for a similar financial asset.

2. Significant accounting policies (continued)

(j) Impairment (continued)

(i) Financial assets (continued)

Impairment losses recognised in profit or loss for an investment in an equity instrument classified as available-for-sale is not reversed through profit or loss.

If, in a subsequent period, the fair value of a debt instrument increases and the increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss is reversed, to the extent that the asset's carrying amount does not exceed what the carrying amount would have been had the impairment not been recognised at the date the impairment is reversed. The amount of the reversal is recognised in profit or loss.

(ii) Other assets

The carrying amounts of other assets (except for inventories and deferred tax assets) are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite useful lives or that are not yet available for use, the recoverable amount is estimated each period at the same time.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash-generating units. Subject to an operating segment ceiling test, for the purpose of goodwill impairment testing, cash-generating units to which goodwill has been allocated are aggregated so that the level at which impairment testing is performed reflects the lowest level at which goodwill is monitored for internal reporting purposes. The goodwill acquired in a business combination, for the purpose of impairment testing, is allocated to a cash-generating unit or a group of cash-generating units that are expected to benefit from the synergies of the combination.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs of disposal. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

An impairment loss is recognised if the carrying amount of an asset or its related cash-generating unit exceeds its estimated recoverable amount.

2. Significant accounting policies (continued)

(j) Impairment (continued)

(ii) Other assets (continued)

Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the cash-generating unit (or a group of cash-generating units) and then to reduce the carrying amounts of the other assets in the cash-generating unit (or a group of cash-generating units) on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at the end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Reversals of impairment losses are credited to profit or loss in the financial year in which the reversals are recognised.

(k) Equity instruments

Instruments classified as equity are measured at cost on initial recognition and are not remeasured subsequently.

(i) Issue expenses

Costs directly attributable to the issue of instruments classified as equity are recognised as a deduction from equity.

(ii) Ordinary shares

Ordinary shares are classified as equity.

(iii) Repurchase, disposal and reissue of share capital (treasury shares)

When share capital recognised as equity is repurchased, the amount of the consideration paid, including directly attributable costs, net of any tax effects, is recognised as a deduction from equity. Repurchased shares that are not subsequently cancelled are classified as treasury shares in the statement of changes in equity.

When treasury shares are distributed as share dividends, the cost of the treasury shares is applied in the reduction of the share capital account or distributable reserves, or both.

When treasury shares are sold or reissued subsequently, the difference between the sales consideration net of directly attributable costs and the carrying amount of the treasury shares is recognised in equity.

2. Significant accounting policies (continued)

(l) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) State plans

The Group's contributions to statutory pension funds are charged to profit or loss in the financial year to which they relate. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payment is available.

(m) Provisions

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Sales returns

A provision for sales returns is recognised based on the estimated liabilities arising from the returns of goods sold by the customers. The estimated liabilities are made after taking into consideration the historical trend of sales returns.

(n) Revenue and other income

(i) Goods sold

Revenue from the sale of goods in the course of ordinary activities is measured at fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Revenue is recognised when persuasive evidence exists, usually in the form of an executed sales agreement, that the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably. If it is probable that discounts will be granted and the amount can be measured reliably, then the discount is recognised as a reduction of revenue as the sales are recognised.

2. Significant accounting policies (continued)

(n) Revenue and other income (continued)

(ii) Dividend income

Dividend income is recognised in profit or loss on the date that the Group's or the Company's right to receive payment is established, which in the case of quoted securities is the ex-dividend date.

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method in profit or loss except for interest income arising from temporary investment of borrowings taken specifically for the purpose of obtaining a qualifying asset which is accounted for in accordance with the accounting policy on borrowing costs.

(o) Borrowing costs

Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss using the effective interest method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of those assets.

The capitalisation of borrowing costs as part of the cost of a qualifying asset commences when expenditure for the asset is being incurred, borrowing costs are being incurred and activities that are necessary to prepare the asset for its intended use or sale are in progress. Capitalisation of borrowing costs is suspended or ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are interrupted or completed.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(p) Tax expense

Tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that it relates to a business combination or items recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted by the end of the reporting period, and any adjustment to tax payable in respect of previous financial years.

2. Significant accounting policies (continued)

(p) Tax expense (continued)

Deferred tax is recognised using the liability method, providing for temporary differences between the carrying amounts of assets and liabilities in the statement of financial position and their tax bases. Deferred tax is not recognised for the following temporary differences: the initial recognition of goodwill, the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax assets and liabilities on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at the end of each reporting period and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(q) Earnings per ordinary share

The Group presents basic earnings per share data for its ordinary shares ("EPS").

Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

Diluted EPS is not presented as the Group has no shares or other instruments with potential dilutive effects.

(r) Operating segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. Operating segments' operating results are reviewed regularly by the chief operating decision maker, which in this case is the Managing Director of the Group, to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available.

2. Significant accounting policies (continued)

(s) Contingencies

(i) Contingent liabilities

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is not recognised in the statements of financial position and is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(ii) Contingent assets

When an inflow of economic benefits of an asset is probable where it arises from past events and where existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, the asset is not recognised in the statements of financial position but is being disclosed as a contingent asset. When the inflow of economic benefit is virtually certain, then the related asset is recognised.

(t) Fair value measurements

Fair value of an asset or a liability, except for share-based payment and lease transactions, is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market or in the absence of a principal market, in the most advantageous market.

For non-financial asset, the fair value measurement takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: unobservable inputs for the asset or liability.

The Group recognises transfers between levels of the fair value hierarchy as of the date of the event or change in circumstances that caused the transfers.

Titles

The strata title for the condominiums and individual title for certain leasehold land have not yet been issued to a subsidiary. The lease period of the leasehold land expires between 21 November 2061 and 18 May 2083.

Revaluation

The Group's condominiums, leasehold land and buildings are stated at Directors' valuation which is supported by the professional valuation done in April 2014 by an external independent valuation company, City Valuers & Consultants Sdn. Bhd., using the Market Value basis of valuation.

Had the condominiums, leasehold land and buildings been carried at historical cost less accumulated depreciation, the carrying amounts of the revalued assets that would have been included in the financial statements at the end of the financial year are as follows:

	Group	
	2017	2016
	RM'000	RM'000
Condominiums	225	234
Leasehold land	2,108	2,154
Buildings	6,248	6,427
	<u>8,581</u>	<u>8,815</u>

Finance lease liabilities

Included in property, plant and equipment of the Group are motor vehicles acquired under finance lease arrangements with carrying amounts of RM159,000 (2016: RM364,000).

Security

Certain land and buildings of the Group with carrying amounts of RM36,772,000 (2016: RM37,536,000) were charged to banks as security for banking facilities granted to the Group (see Note 12).

5. Intangible assets (continued)

5.1 Goodwill

Subsumed within goodwill are the brand names and the synergies expected to be achieved from integrating Sanjung Unggul Sdn. Bhd. ("Sanjung Unggul") and its subsidiaries ("Sanjung Unggul Group") and Distinct Motion Sdn. Bhd. and its subsidiary ("Distinct Motion Group") into the Group's existing publishing and applied learning products business.

5.2 Intellectual properties

The intellectual properties comprise the publishing rights and production files in relation to educational and learning materials for national schools and institutes of teacher education acquired by the Group as well as the publishing rights and production files in relation to dictionaries, comics, storybooks, educational and learning materials for early education and national-type Chinese schools recognised through the acquisitions of United Publishing House (M) Sdn. Bhd. and Sanjung Unggul by the Company.

The intellectual properties are amortised over 10 years as the management estimates that the intellectual properties can be used for commercial activities for a duration of 10 years.

5.3 Impairment testing for cash-generating units containing goodwill

For the purpose of impairment testing, goodwill is allocated to the Group's cash-generating units ("CGU") which represent the lowest level within the Group at which the goodwill is monitored for internal management purposes.

The aggregate carrying amounts of goodwill allocated to each unit are as follows:

	Group	
	2017	2016
	RM'000	RM'000
Sanjung Unggul Group	10,253	10,253
Distinct Motion Group	533	-
	<u>10,786</u>	<u>10,253</u>

In assessing whether goodwill is impaired, the carrying amount of the CGU (including goodwill) is compared with the recoverable amount of the CGU.

5. Intangible assets (continued)

5.3 Impairment testing for cash-generating units containing goodwill (continued)

Sanjung Unggul Group

The recoverable amount of the business unit is higher than its carrying amount and was based on its value in use. Value in use was determined by discounting future cash flows to be generated from the continuing operation of the business as a book publisher and education and supplement material provider and was based on the following key assumptions:

- Cash flows were projected based on actual operating results and financial budget approved by management covering a 5-year business plan.
- The anticipated sales in 2018 includes approximately RM1 million of sales from new product line. The anticipated sales growth rate is 3.86% per annum from 2018 to 2022.
- The operating expenditure growth was assumed to be 4.63% per annum. The estimated growth rate was based on the average of historical growth levels experienced over the past 5 years and the forecasted inflation rate.
- The projected gross margins which reflects the average historical gross margin, adjusted for projected market and economic conditions and internal resource efficiency.
- The unit will continue its operations indefinitely.
- A pre-tax discount rate of 8.1% (2016: 8.6%) was applied in determining the recoverable amount of the CGU. The discount rate applied was estimated based on the Group's weighted average cost of capital.

The values assigned to the key assumptions represent management's assessment of future trends in the industries and are based on both external sources and internal sources.

Sensitivity analysis

Management believe that any reasonably possible change in the key assumptions would not cause the carrying amount of goodwill to exceed the recoverable amount of the CGU. Based on their review, there is no evidence of impairment on the goodwill allocated to the Sanjung Unggul Group.

5. Intangible assets (continued)

5.3 Impairment testing for cash-generating units containing goodwill (continued)

Distinct Motion Group

The recoverable amount of the business unit is higher than its carrying amount and was based on its value in use. Value in use was determined by discounting future cash flows to be generated from the continuing operation of the business as a provider of learning activities relating to robotics and science, technology, engineering and mathematics (STEM) education and was based on the following key assumptions:

- Cash flows were projected based on actual operating results and financial budget approved by management covering a 5-year business plan.
- The anticipated sales is approximately RM1.1 million in 2018. The anticipated sales growth rate is 3.5% per annum from 2019 to 2022.
- The anticipated operating expenditure is approximately RM607,000 in 2018. The operating expenditure growth was assumed to be 3.5% per annum. The estimated growth rate was based on the forecasted inflation rate.
- The projected gross margins which reflects the average historical gross margin, adjusted for projected market and economic conditions and internal resource efficiency.
- The unit will continue its operations indefinitely.
- A pre-tax discount rate of 8.1% was applied in determining the recoverable amount of the CGU. The discount rate applied was estimated based on the Group's weighted average cost of capital.

The values assigned to the key assumptions represent management's assessment of future trends in the industries and are based on both external sources and internal sources.

Sensitivity analysis

Management believe that any reasonably possible change in the key assumptions would not cause the carrying amount of goodwill to exceed the recoverable amount of the CGU. Based on their review, there is no evidence of impairment on the goodwill allocated to the Distinct Motion Group.

Share split

During the previous financial year, the Company implemented a share split involving the subdivision of every one (1) existing ordinary share in the Company into two (2) ordinary shares in the Company.

Bonus issue

During the financial year, the Company completed the bonus issue of 139,699,500 new ordinary shares involving one (1) bonus share being credited as fully paid-up for every two (2) existing ordinary shares of the Company.

Ordinary shares

The Companies Act 2016 which came into effect on 31 January 2017 has abolished the concept of authorised share capital and par value of share capital.

The holders of ordinary shares are entitled to receive dividends as declared from time to time, and are entitled to one vote per share at meetings of the Company.

Employees' share option scheme ("ESOS")

The salient features of the Company's ESOS are, inter alia, as follows:

- The maximum number of shares which may be issued and allotted pursuant to the ESOS shall not exceed 10% of the total issued and paid-up share capital of the Company (excluding treasury shares, if any), at any point of time during the duration of the ESOS;

11. Capital and reserves (continued)

11.1 Share capital (continued)

Employees' share option scheme ("ESOS") (continued)

- ii) Any employee or executive director of the Group is eligible to participate in the ESOS provided that, as at the date of offer:
 - a) The employee or executive director is a Malaysian citizen who has attained eighteen (18) years of age;
 - b) The employee or executive director is not an undischarged bankrupt nor subject to any bankruptcy proceedings;
 - c) The employee or executive director must have been confirmed in service and have served at least six (6) months in the employment of the Group;
 - d) Where the employee or executive director is under an employment contract, the contract is for a duration of at least one (1) year and shall have not expired within three (3) months from the date of offer; and
 - e) The employee or executive director has fulfilled any other criteria as may be imposed by the ESOS Committee from time to time.

Notwithstanding the above, the ESOS Committee may, at its sole and absolute discretion, waive any of the eligibility conditions set out above.

- iii) Not more than 10% of the shares available under the ESOS shall be allocated to any individual eligible person, who, either singly or collectively through persons connected with the eligible person, holds 20% or more of the issued and paid-up share capital (excluding treasury shares, if any) of the Company;
- iv) Not more than 80% of the options available under the ESOS shall be allocated, in aggregate to executive directors and senior management;
- v) The ESOS shall be in force for a period of five (5) years from the effective date of 1 September 2016, and may be extended for a further five (5) years or a shorter period from the expiry of the first five (5) years; and
- vi) The exercise price shall be fixed based on the higher of a discount of not more than 10% to the five (5)-day volume weighted average market price of the shares of the Company immediately preceding the date of offer or the par value of the shares of the Company;

The Company has received all the relevant approvals, complied with the requirements pertaining to the ESOS, and submitted the final copy of the By-Laws of the ESOS to Bursa Malaysia Securities Berhad ("Bursa Securities") pursuant to paragraph 6.42 of the Bursa Securities Listing Requirements on 1 September 2016. The implementation of ESOS is thus effective from 1 September 2016. As at the date of this report, no options have been granted pursuant to the ESOS.

11. Capital and reserves (continued)

11.2 Share premium

Share premium comprises the premium paid on subscriptions of shares in the Company over and above the par value of the shares.

In accordance with Section 618 of the Companies Act 2016, any amount standing to the credit of the share premium account has become part of the Company's share capital. The Company has twenty-four months upon the commencement of the Companies Act 2016 on 31 January 2017 to utilise on the credit.

Included in share capital is share premium amounting to RM3,435,000 that is available to be utilised in accordance with Section 618(3) of the Companies Act 2016 on or before 30 January 2019 (24 months from commencement of Section 74).

11.3 Treasury shares

The shareholders of the Company, by an ordinary resolution passed at the annual general meeting held on 19 January 2017, renewed their approval for the Company's plan to purchase up to ten percent (10%) of its issued and paid-up capital at any point of time.

During the financial year, the Company purchased 1,000 of its own shares from the open market at a price of RM1.11 per share, which was financed by internally generated funds. The purchased shares are being held as treasury shares in accordance with the requirements under Section 127 of the Companies Act 2016.

11.4 Merger deficit

The merger deficit comprises the differences between the cost of acquisition and the nominal value of shares acquired during the acquisition of Sasbadi Sdn. Bhd. in 2014.

11.5 Fair value reserve

The fair value reserve comprises the cumulative net change in the fair value of available-for-sale financial assets until the investments are derecognised or impaired.

11.6 Revaluation reserve

The revaluation reserve relates to the revaluation of condominiums, leasehold land and buildings.

Unrecognised deferred tax assets

Deferred tax assets have not been recognised in respect of the following items:

	Group	
	2017 RM'000	2016 RM'000
Unutilised tax losses	142	4
Property, plant and equipment	-	(1)
Other deductible temporary differences	-	27

21. Earnings per ordinary share

The calculation of basic earnings per ordinary share at 31 August 2017 was based on the profit attributable to ordinary shareholders and a weighted average number of ordinary shares outstanding, calculated as follows:

	2017	2016
Group		
Profit attributable to ordinary shareholders (RM'000)	<u>8,044</u>	<u>16,695</u>
Weighted average number of ordinary shares at 31 August ('000)	<u>419,099</u>	<u>404,422[^]</u>

[^] The comparative figures have been restated to reflect the effects of the bonus issue as disclosed in Note 11.1.

Diluted earnings per ordinary share is not presented as the Group has no shares or other instruments with potential dilutive effects as at 31 August 2017 (2016: None).

22. Operating segments

The Group reportable segments are organised in accordance with the Group entities, which are the Group's strategic business units. The strategic business units offer different products and are managed separately because they require different technology and marketing strategies. For each of the strategic business units, the Group's Managing Director ("GMD"), who is the chief operating decision maker, reviews internal management reports regularly. The principal activities of the Group entities are as disclosed in Note 6 to the financial statements.

Performance is measured based on segment profit before tax, interest, depreciation and amortisation, as included in the internal management reports that are reviewed by the GMD. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

Segment assets

The total of segment assets are measured based on all assets (including goodwill) of a segment, as included in the internal management reports that are reviewed by the GMD. Segment total assets are used to measure the return on assets of each segment.

Segment liabilities

Segment liabilities information is neither included in the internal management reports nor provided regularly to the GMD. Hence, no disclosure is made on segment liabilities.

Segment capital expenditure

Segment capital expenditure is the total cost incurred during the financial year to acquire property, plant and equipment, and intangible assets other than goodwill.

23. Financial instruments (continued)

23.3 Financial risk management

The Group has exposures to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

23.4 Credit risk

Credit risk is the risk of a financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Group's exposure to credit risk arises principally from its receivables from customers, whilst the Company's credit exposure arises principally from its loans and advances to its subsidiaries.

Receivables

Risk management objectives, policies and processes for managing the risk

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on customers requiring credit over a certain amount.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk arising from receivables is represented by the carrying amounts in the statements of financial position.

As at 31 August 2017, the Group has significant concentration of credit risk in the form of outstanding balances from 5 trade customers which amounted to RM11,448,000 (2016: RM9,900,000) representing 24% (2016: 22%) of total trade receivables. The Directors are of the opinion that the outstanding balances from these customers are fully recoverable based on the following:

- Significant payments have subsequently been received from 4 customers after the reporting period; and
- The Directors have made assessments that all these customers have the ability to repay the balances outstanding.

23. Financial instruments (continued)

23.4 Credit risk (continued)

Receivables (continued)

Exposure to credit risk, credit quality and collateral (continued)

The Group has entered into a small number of contracts, all of which are monitored individually for completion and payment by the Directors and management. The Directors are confident that, based on their knowledge of payment patterns and subsequent payments received, the Group is able to fully recover the amounts due from its customers.

Management has taken reasonable steps to ensure that receivables that are neither past due nor impaired are stated at their realisable values. A significant portion of these receivables are regular customers that have been transacting with the Group. The Group uses ageing analysis to monitor the credit quality of the receivables. Any receivables having significant balances past due more than 120 days, which are deemed to have higher credit risk, are monitored individually.

Where applicable, the Group will demand for guarantees from shareholders/Directors of their customers as a form of safeguard over the outstanding debts.

Impairment losses

The Group maintains an ageing analysis in respect of trade receivables only. The ageing of trade receivables as at the end of the reporting period was:

Group	Gross RM'000	Individual impairment RM'000	Net RM'000
2017			
Not past due	9,582	-	9,582
Past due 0 – 30 days	3,417	-	3,417

23. Financial instruments (continued)

23.4 Credit risk (continued)

Receivables (continued)

Impairment losses (continued)

The movements in the allowance for impairment losses of trade receivables during the financial year were:

	Group	
	2017	2016
	RM'000	RM'000
At 1 September	736	475
Acquisitions through business combinations	-	288
Impairment loss recognised	1,149	-
Impairment loss reversed	(62)	(27)
Impairment loss written off	(126)	-
At 31 August	<u>1,697</u>	<u>736</u>

The allowance account in respect of trade receivables is used to record impairment losses. Unless the Group is satisfied that recovery of the amount is possible, the amount considered irrecoverable is written off against the receivable directly.

Financial guarantees

Risk management objectives, policies and processes for managing the risk

The Group provides unsecured financial guarantees to banks in respect of banking facilities granted to certain subsidiaries. The Group monitors on an ongoing basis the results of the subsidiaries and repayments made by the subsidiaries.

Exposure to credit risk, credit quality and collateral

The maximum exposure to credit risk amounts to RM36,566,000 (2016: RM19,788,000) representing the outstanding term loan, bankers acceptance and bank overdrafts of the subsidiaries as at the end of the reporting period.

As at the end of the reporting period, there was no indication that any subsidiary would default on repayment. The financial guarantees have not been recognised since the fair value on initial recognition was not material.

Investments and other financial assets

Risk management objectives, policies and processes for managing the risk

Investments are allowed only in liquid securities and only with counterparties that have a credit rating equal to or better than the Group. Transactions involving derivative financial instruments, if any, are with approved financial institutions.

23. Financial instruments (continued)

23.4 Credit risk (continued)

Investments and other financial assets (continued)

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the Group has only invested in domestic securities. The maximum exposure to credit risk is represented by the carrying amounts in the statement of financial position.

The investments and other financial assets are unsecured.

Inter-company loans and advances

Risk management objectives, policies and processes for managing the risk

The Company provides unsecured loans and advances to its subsidiaries. The Company monitors the results of the subsidiaries regularly.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk is represented by their carrying amounts in the statement of financial position.

Impairment losses

As at the end of the reporting period, there was no indication that the loans and advances to the subsidiaries are not recoverable. The Company does not specifically monitor the ageing of current advances to the subsidiaries.

23.5 Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's exposure to liquidity risk arises principally from its various payables and borrowings.

The Group maintains a level of cash and cash equivalents and banking facilities deemed adequate by the management to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they fall due.

It is not expected that the cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amount.

23.6 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and other prices that will affect the Group's financial position or cash flows.

23.6.1 Currency risk

The Group is exposed to foreign currency risk on purchases that are denominated in a currency other than the respective functional currencies of Group entities. The currency giving rise to this risk is primarily U.S. Dollar ("USD").

Risk management objectives, policies and processes for managing the risk

The Group's exposure to foreign currency risk is monitored on an ongoing basis and forward exchange contracts are used to hedge foreign currency risk when necessary. Forward exchange contracts, if any, would have maturities of less than one year. Where necessary, the forward exchange contracts are rolled over at maturity.

Exposure to foreign currency risk

The Group's exposure to foreign currency (a currency which is other than the functional currency of the Group entities) risk, based on carrying amounts as at the end of the reporting period was:

Group	<i>Denominated in USD</i>	
	2017	2016
	RM'000	RM'000
Trade payables	123	-

Foreign currency risk arises from the aforementioned exposures is not material, hence, sensitivity analysis is not presented.

23.6.2 Interest rate risk

The Group's fixed rate borrowings are exposed to a risk of change in their fair values due to changes in interest rates. The Group's variable rate borrowings are exposed to a risk of change in cash flows due to changes in interest rates. Investments in equity securities and short term receivables and payables are not significantly exposed to interest rate risk.

Risk management objectives, policies and processes for managing the risk

The Group adopts a practice to continuously seek for alternative banking facilities which provide competitive interest rates to finance and/or refinance its working capital requirements.

23. Financial instruments (continued)

23.6 Market risk (continued)

23.6.2 Interest rate risk (continued)

Exposure to interest rate risk

The interest rate profile of the Group's significant interest-bearing financial instruments, based on carrying amounts as at the end of the reporting period was:

	Group	
	2017	2016
	RM'000	RM'000
Floating rate instruments		
Financial assets	708	10,868
Financial liabilities	(36,523)	(18,546)
	<u>(35,815)</u>	<u>(7,678)</u>
Fixed rate instruments		
Financial liabilities	<u>(173)</u>	<u>(1,490)</u>

Interest rate risk sensitivity analysis

Fair value sensitivity analysis for fixed rate instruments

The Group does not account for any fixed rate financial assets and liabilities at fair value through profit or loss, and the Group does not designate derivatives as hedging instruments under a fair value hedge accounting model. Therefore, a change in interest rates at the end of the reporting period would not affect profit or loss.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points (bps) in interest rates at the end of the reporting period would have increased/(decreased) post-tax profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remained constant.

	Profit or loss

23.7 Fair value information

The carrying amounts of cash and cash equivalents, short term receivables and payables and short term borrowings reasonably approximate their fair values due to the relatively short term nature of these financial instruments.

The fair values of other financial assets and liabilities, together with the carrying amounts shown in the statement of financial position, are as follows:

Group	Fair value of financial instruments carried at fair value				Fair value of financial instruments not carried at fair value				Total fair value

23.7 Fair value information (continued)

Policy on transfer between levels

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

Level 1 fair value

Level 1 fair value is derived from quoted price (unadjusted) in active markets for identical financial assets or liabilities that the entity can access at the measurement date.

Level 2 fair value

Level 2 fair value is estimated using inputs other than quoted prices included within Level 1 that are observable for the financial assets or liabilities, either directly or indirectly.

Transfers between Level 1 and Level 2 fair values

There has been no transfer between Level 1 and 2 fair values during the financial year (2016: no transfer in either directions).

Level 3 fair value

Level 3 fair value is estimated using unobservable inputs for the financial assets and liabilities.

23. Financial instruments (continued)

23.7 Fair value information (continued)

The following table shows the valuation technique used in the determination of fair values within Level 3.

Financial instruments not carried at fair value

Type	Description of valuation technique and inputs used
Finance lease liabilities, term loans	Discounted cash flows using a rate based on the current market rate of borrowing of the Company at the reporting date.

24. Capital management

The Group's objectives when managing capital are to maintain a strong capital base and safeguard the Group's ability to continue as going concern, so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Directors monitor and are determined to maintain an optimal debt-to-equity ratio that complies with debt covenants and regulatory requirement.

The debt-to-equity ratios are as follows:

	Note	Group	
		2017 RM'000	2016 RM'000
Total loans and borrowings	12	36,696	20,036
Less: Cash and cash equivalents	10	(10,246)	(25,885)

Total equity		<u>145,383</u>	<u>153,111</u>
Net debt-to-equity ratios		<u>0.18</u>	<u>-</u>

There was no change in the Group's approach to capital management during the financial year.

25. Contingencies

The Directors are of the opinion that provisions are not required in respect of these matters, as it is not probable that future sacrifice of economic benefits will be required or the amount is not capable of reliable measurement.

Material litigation

Sasbadi Sdn. Bhd. ("SSB"), a wholly-owned subsidiary of the Company, had on 21 July 2017, received a copy of the sealed Writ and Statement of Claim dated 29 June 2017 from Messrs Skrine, acting on behalf of Penerbitan Pelangi Sdn. Bhd. ("PPSB"). The legal suit brought against SSB was due to the alleged infringement of PPSP's copyright by SSB resulting from SSB's publishing and sales of books on past year question papers for the Sijil Tinggi Persekolahan Malaysia ("STPM") examination and the Malaysian University English Test ("MUET") under the publishing agreement entered into on 13 March 2017 between SSB and Majlis Peperiksaan Malaysia ("MPM").

SSB had on 30 August 2017, via its solicitors, filed its defence against the claim and submitted a counterclaim. SSB had, on 27 September 2017, via its solicitors, received a reply whereby PPSP denied SSB's counterclaims and SSB is put to strict proof of the said claims.

The Court has fixed the trial of this action from 18 April 2018 to 20 April 2018 and SSB is currently seeking advice from its solicitors to defend against this matter. The Directors are of the opinion that provisions are not required in respect of this matter, as it is not probable that a future sacrifice of economic benefits will be required or the amount is not capable of reliable measurement.

27. Related parties

Identity of related parties

For the purposes of these financial statements, parties are considered to be related to the Group or the Company if the Group or the Company has the ability, directly or indirectly, to control or jointly control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group or the Company and the party are subject to common control. Related parties may be individuals or other entities.

Related parties also include key management personnel defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Group either directly or indirectly. The key management personnel of the Group refers to the Directors of the Group.

The Group and the Company have related party relationship with its subsidiaries and key management personnel.

Significant related party transactions

Related party transactions have been entered into in the normal course of business under negotiated terms. The significant related party transactions of the Group and the Company are shown below. The balances related to the below transactions are shown in Note 9 and Note 15.

	Group		Company

The estimated monetary value of Directors' benefit-in-kind of the Group is RM77,000 (2016: RM65,400).

28. Significant events

- a) On 15 September 2016, Sasbadi Learning Solutions Sdn. Bhd., a wholly-owned subsidiary of the Company, entered into a share acquisition agreement to acquire 100% equity interest in Distinct Motion Sdn. Bhd. The acquisition was completed on 21 October 2016 (See Note 29.1).
- b) On 31 July 2017, the Company acquired the remaining 30% equity interest in Sanjung Unggul Sdn. Bhd. (See Note 29.2).

29. Acquisition of subsidiaries and non-controlling interests

29.1 Acquisition of subsidiaries

On 21 October 2016, Sasbadi Learning Solutions Sdn. Bhd. completed the acquisition of 100% equity interest in Distinct Motion Sdn. Bhd. ("Distinct Motion"), comprising 740,000 ordinary shares, for a total cash consideration of RM850,000. Distinct Motion has a wholly-owned subsidiary, Distinct Element Sdn. Bhd. (Note: Distinct Motion and its subsidiary are herein collectively known as "Distinct Motion Group").

From the date of acquisition of 21 October 2016 to 31 August 2017, Distinct Motion Group contributed revenue of RM218,000 and loss of RM320,000. If the acquisition had occurred on 1 September 2016, management estimates that Distinct Motion Group would have contributed revenue and loss of RM264,000 and RM349,000, respectively for the current financial year.

On 12 August 2016, the Company completed the acquisition of 100% equity interest in United Publishing House (M) Sdn. Bhd. ("United Publishing"), comprising 200,000 ordinary shares, for a total cash consideration of RM4,350,000. United Publishing has four (4) wholly-owned subsidiaries, i.e. Penerbitan Daya Sdn. Bhd., UPH Distributor Sdn. Bhd., G-Apple Studio Sdn. Bhd. and Penerbitan Minda Sdn. Bhd. (Note: United Publishing and its subsidiaries are herein collectively known as "United Publishing Group").

From date of acquisition of 12 August 2016 to 31 August 2016, United Publishing Group contributed revenue of RM864,000 and profit of RM495,000. If the acquisition had occurred on 1 September 2015, management estimates that United Publishing Group would have contributed revenue and loss of RM10,042,000 and RM1,158,000, respectively for the previous financial year.

29. Acquisition of subsidiaries and non-controlling interests (continued)

29.1 Acquisition of subsidiaries (continued)

29.2 Acquisition of non-controlling interests – Sanjung Unggul Sdn. Bhd.

On 31 July 2017, the Company acquired the remaining 30% equity interest in Sanjung Unggul Sdn. Bhd. ("Sanjung Unggul") for a total cash consideration of RM9,400,000. Sanjung Unggul has a wholly-owned subsidiary, i.e. The Malaya Press Sdn. Bhd., which, in turn, has three (3) wholly-owned subsidiaries, i.e. Big Tree Publications Sdn. Bhd., Jinbang Publication Sdn. Bhd. and Media Distribution Sdn. Bhd. (Note: Sanjung Unggul and its subsidiaries are herein collectively known as "Sanjung Unggul Group"). The carrying amount of Sanjung Unggul Group's net assets in the Group's financial statements on the date of the acquisition was RM18,067,000. Subsequent to this acquisition, the Company's effective controlling interest in Sanjung Unggul Group is 100% (2016: 70%).

30. Supplementary financial information on the breakdown of realised and unrealised profits or losses

The breakdown of the retained earnings of the Group and of the Company at 31 August, into realised and unrealised profits or losses, pursuant to Paragraphs 2.06 and 2.23 of Bursa Malaysia Securities Berhad Main Market Listing Requirements, are as follows:

	Group		Company

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF SASBADI HOLDINGS BERHAD

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Sasbadi Holdings Berhad, which comprise the statements of financial position as at 31 August 2017 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 64 to 137.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 August 2017 and of their financial performance and their cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our auditors' report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Group and of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Impairment of intangible assets

Refer to Note 5 to the financial statements.

The key audit matter	How the matter was addressed in our audit
<p>Goodwill recognised in the consolidated statement of financial position mainly arose from the Group's acquisition of Sanjung Unggul Sdn. Bhd. and its subsidiaries and Distinct Motion Sdn. Bhd. and its subsidiary.</p> <p>The Group estimated the recoverable amount of the cash generating units containing goodwill based on discounted future cash flow using estimates of profit forecast, including discount rate, sales growth rate, terminal growth rate and gross profit margin.</p> <p>There is a risk that the carrying value of this goodwill may not be recovered from future cash flows which may be affected due to the inherent uncertainty involved in forecasting and discounting future cash flows.</p>	<p>We performed the following audit procedures, amongst others, around the impairment of goodwill:</p> <ul style="list-style-type: none"> • We assessed the key assumptions used in the cash flow forecast such as discount rate, sales growth rate, terminal growth rate and gross profit margin by comparing them to externally derived data as well as our own assessments which took into account historical trends; • We tested the sensitivity of the impairment calculations to changes in key assumptions used to evaluate the impact on recoverable amounts for each cash generating unit; and, • We considered the adequacy of the Group's disclosures in respect of impairment testing, and whether the disclosures in relation to the sensitivity of outcome of the impairment assessment to changes in any assumptions reflected the risks inherent in the valuation.

Key Audit Matters (continued)**2. Valuation of trade receivables**

Refer to Note 9 to the financial statements.

The key audit matter	How the matter was addressed in our audit
<p>The Group's exposure to credit risk arises principally from its receivables from customers.</p> <p>The recoverability of trade receivables is a key audit matter as the recoverability and the level of impairment loss of trade receivables involved Group's judgement. The level of impairment loss involves Group's judgement based upon the debtors' credit risk evaluation, historical payment trends, subsequent to year end collections. These factors could have a material impact on the level of impairment loss determined by the Group.</p>	<p>We performed the following audit procedures, amongst others, around recoverability of trade receivables:</p> <ul style="list-style-type: none"> • We checked the accuracy of trade receivables ageing; and, • We evaluated the Group's estimates and judgement in arriving the impairment amount by: <ul style="list-style-type: none"> - checking disputes with customers - checking past payment trend - checking credit history of customers - considering receivables where their ageing profile had deteriorated - considering receivables where there is evidence that the credit quality of the debtor is considered a risk - assessing the receipts during the year and subsequent to year end collections - considering actions taken by the Group to recover the debts.

Key Audit Matters (continued)**3. Valuation of inventories**

Refer to Note 8 to the financial statements.

The key audit matter	How the matter was addressed in our audit
The valuation of inventories is a key audit matter because of the judgement involved in assessing the level of allowance for inventories write down required and the inventories balance as at year end is material to the Group.	<p>We performed the following audit procedures, amongst others, around the valuation of inventories:</p> <ul style="list-style-type: none"> • We evaluated the design and implementation processes over the identification of slow moving inventories and tested their effectiveness; • From samples selected, we checked the inventories to sales subsequent to the year end to determine that these were sold at more than its cost; and, • We assessed the adequacy of the allowance for inventories write down by comparing against the Group's policies.

We have determined that there is no key audit matter in the audit of the separate financial statements of the Company to communicate in our auditors' report.

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the annual report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the annual report and, in doing so, consider whether the annual report is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the annual report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the ability of the Group and of the Company to continue as going concerns, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group and the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Group and of the Company.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group or of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that gives a true and fair view.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our auditors' report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Companies Act 2016 in Malaysia, we report that the subsidiaries of which we have not acted as auditors are disclosed in Note 6 to the financial statements.

Other Reporting Responsibilities

The supplementary information set out in Note 30 on page 138 is disclosed to meet the requirement of Bursa Malaysia Securities Berhad and is not part of the financial statements. The Directors are responsible for the preparation of the supplementary information in accordance with Guidance on Special Matter No. 1, *Determination of Realised and Unrealised Profits or Losses in the Context of Disclosure Pursuant to Bursa Malaysia Securities Berhad Listing Requirements*, as issued by the Malaysian Institute of Accountants ("MIA Guidance") and the directive of Bursa Malaysia Securities Berhad. In our opinion, the supplementary information is prepared, in all material respects, in accordance with the MIA Guidance and the directive of Bursa Malaysia Securities Berhad.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTICE OF FIFTH ANNUAL GENERAL MEETING

Notes:

- (1) A member may appoint up to two (2) proxies to attend and vote instead of him/her at the meeting. If the member appoints two (2) proxies, the appointment shall be invalid unless he/she specifies the proportion of his/her holdings to be represented by each proxy. A proxy may but need not be a member of the Company.*
- (2) Where a member is an authorised nominee as defined under the Securities Industry (Central Depositories) Act 1991, it may appoint up to two (2) proxies in respect of each securities account it holds with ordinary shares of the Company standing to the credit of the said securities account.*
- (3) Where a member of the Company is an exempt authorised nominee as defined under the Securities Industry (Central Depositories) Act 1991 which holds ordinary shares in the Company for multiple beneficial owners in one (1) securities account ("Omnibus Account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each Omnibus Account it holds.*
- (4) Only a depositor whose name appears in the Company's Record of Depositors as at 16 January 2018 shall be regarded as a member and entitled to attend, speak and vote at this meeting or appoint proxy(ies) to attend and vote on his/her behalf.*
- (5) The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing or if the appointer is a corporation, either under seal or under the hand of an officer or attorney duly authorised.*
- (6) The original instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of that power or authority shall be deposited at the Registered Office of the Company at Suite 11.1A, Level 11, Menara Weld, 76 Jalan Raja Chulan, 50200 Kuala Lumpur not less than forty-eight (48) hours before the time for holding the meeting or adjourned meeting.*

You further confirm to have obtained the consent, agreement and/or authorisation of all persons whose personal data you have disclosed and/or processed, in connection with the foregoing.*

NOTICE OF FIFTH ANNUAL GENERAL MEETING

EXPLANATORY NOTES

Ordinary Resolution 1

There is no increase in the Directors' Fees for the financial year ending 31 August 2018.

Ordinary Resolution 5

The proposed Ordinary Resolution 5, if passed, will renew the authority given to the Directors of the Company to allot and issue new shares in the Company pursuant to Sections 75 and 76 of the Companies Act, 2016 ("General Mandate"), provided that the number of shares issued pursuant to this General Mandate, when aggregated with the number of shares issued during the preceding twelve (12) months, does not exceed 10% of the total number of issued shares of the Company at the time of issue. This General Mandate, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

The purpose to seek the General Mandate is to enable the Company to raise funds expeditiously for the purpose of funding future investment project(s), working capital, repayment of borrowings and/or acquisition(s) without having to convene a general meeting to seek shareholders' approval when such opportunities or needs arise.

The Company did not issue any new shares pursuant to mandate obtained at the Fourth AGM of the Company held on 19 January 2017.

Ordinary Resolution 6

The proposed Ordinary Resolution 6, if passed, will renew the authority given to the Directors to purchase issued ordinary shares in the Company of not exceeding 10% of the total number of issued shares of the Company through Bursa Securities in accordance with the Companies Act, 2016, the provisions of the Constitution of the Company and the requirements of Bursa Securities. This authority unless revoked or varied by the Company at a general meeting, will expire at the next AGM of the Company.

Details on the proposal contained under Ordinary Resolution 6 above are set out in the Statement to Shareholders in relation to Proposed Renewal of Share Buy-Back Authority dated 28 December 2017.

STATEMENT ACCOMPANYING NOTICE OF ANNUAL GENERAL MEETING

Further details of the Directors standing for re-election are set out in the Directors' Profiles Section of the Annual Report 2017.
