

Succession Planning Policy

1. Introduction

This policy is intended to address MY E.G. Services Berhad (“MYEG” or “the Company”) and all subsidiary companies within the MYEG Group (“the Group”).

Succession planning is a process designed to ensure that the Group identifies and develops a talent pool of employees through mentoring, training and job rotation to replace key business leaders within the Group as those key business leaders leave their positions.

2. Objectives

- 2.1. To ensure the Group is prepared with a plan to support operation and service continuity when the Managing Director (“MD”) and senior management or key business leader leave their positions;
- 2.2. To prepare a pool of suitably qualified and motivated employees for higher roles and responsibilities;
- 2.3. To develop career paths for employees which will facilitate the Group’s ability to recruit and retain top-performing or high talent employees;
- 2.4. To deliver a message to the Group’s employees that they are valuable; and
- 2.5. To develop reliable assessment procedures and ensure that these procedures are applied systematically across the Group.

3. Roles and Responsibilities

- 3.1. Both the Board and the MD have pivotal roles to play in succession planning;
- 3.2. The Board is responsible for succession planning for the MD position. The Board should hire or internally promote a new MD, when the existing MD leaves, and ensure the new MD has the required skills to implement the Group’s mission and vision;
- 3.3. The Board should be prepared with an interim solution when the MD leaves; and
- 3.4. The MD is responsible for ensuring a succession plan is in place for other key positions in the Group with the assistance from the senior management team and implicated employees.

Succession Planning Policy

4. Development and Succession Planning Process

A primary responsibility of the Board is planning for the MD succession and overseeing the identification and development of executive talent.

- 4.1. The Board, with the assistance of the Nomination Committee and working with the MD and Human Resource department, oversees executive officer development and corporate succession plans for the MD and other executive officers to provide for continuity in Senior Management.
- 4.2. The Board works with the MD to plan for a successor who will be able to fill in the MD's position. The succession plan covers identification of internal candidates and the development plans for the identified internal candidates.
- 4.3. Should there be no suitable internal candidates, the Board, with the assistance of the Nomination Committee, will identify suitable external candidates who will be able to fill in the MD's position.
- 4.4. The Board annually reviews the MD succession plan. The criteria used to assess potential MD candidates are formulated based on the Company's business strategies, and include strategic vision, leadership, and operational execution.
- 4.5. The Board maintains an emergency succession contingency plan should an unforeseen event such as death or disability occurs that prevents the MD from continuing to serve. The plan identifies individuals who would act in an emergency and their responsibilities. The contingency plan is reviewed by the Board annually and revised as appropriate.
- 4.6. The Board may review development and succession planning more frequently as it deems necessary.

5. Periodic Review

- 5.1 This policy shall be reviewed annually by the Nomination Committee Members.
- 5.2 The MD shall review the succession planning for key management from time to time.
