To: The Shareholders of the Company

Dear Sir/Madam,

STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF AUTHORITY FOR TROPICANA CORPORATION BERHAD TO PURCHASE ITS OWN SHARES OF UP TO TEN PER CENTUM (10%) OF ITS TOTAL NUMBER OF ISSUED SHARES

1. INTRODUCTION

At the 40th AGM held on 25 June 2019, the Company had obtained the approval from the shareholders for the renewal of authority to purchase its own Shares of up to ten per centum (10%) of its total number of issued Shares, the authority of which will expire at the conclusion of the forthcoming 41st AGM, unless the shareholders' mandate is renewed by a resolution passed at the forthcoming 41st AGM of the Company scheduled to be held on 9 September 2020.

The Board had on 10 June 2020 announced its intention to seek shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 41st AGM. This Statement serves to provide you with the relevant information on the Proposed Renewal of Share Buy-Back Authority, to set out the Board's recommendation thereon and to seek your approval for the ordinary resolution in respect of the Proposed Renewal of Share Buy-Back Authority to be tabled at the forthcoming 41st AGM of the Company. The Notice convening the 41st AGM together with the Form of Proxy are set out in the Annual Report 2019 of the Company. You are advised to read the contents of this Statement carefully before voting on the resolution pertaining to the Proposed Renewal of Share Buy-Back Authority.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board proposes to seek a renewal of authority from the shareholders of the Company to purchase its own Shares of up to a maximum of ten per centum (10%) of its total number of issued Shares at the time of purchase. Any purchase of its own Shares by the Company will be made in accordance with the provisions of the Act, the Listing Requirements, the Company's Constitution and any prevailing laws, regulations, rules and guidelines of relevant authorities (as may be amended, modified or reenacted from time to time).

2.1 Quantum

The maximum number of Tropicana Shares which may be purchased by the Company shall not exceed ten per centum (10%) of its total number of issued Shares of the Company. For illustrative purposes, Tropicana may purchase up to 147,042,555 Tropicana Shares representing approximately ten per centum (10%) of its total number of issued Shares of 1,470,425,550 as at the LPD.

The actual number of Shares to be purchased and the timing of such purchases will depend on, among others, market conditions and sentiments, as well as the retained profits and financial resources available to the Company at the time of the purchase(s).

2.2 Source of funds

The Proposed Renewal of Share Buy-Back Authority will be funded through internally generated funds as long as the purchase is backed by an equivalent amount of retained profits of the Company, subject to compliance with the prevailing laws.

The amount of internally generated funds to be used will only be determined later, depending on, among others, the actual number of Shares to be purchased, the availability of funds at the time of purchase(s) and other relevant cost factors.

The Proposed Renewal of Share Buy-Back Authority is not expected to have a material impact on the cash flow position of the Company. In addition, our Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before implementing the Proposed Renewal of Share Buy-Back Authority.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate amount of the retained profits of the Company. Based on the Company's audited financial statements as at 31 December 2019, the retained profits of the Company were approximately RM500.7 million.

2.3 Duration

The mandate from the shareholders of Tropicana for the Proposed Renewal of Share Buy-Back Authority once approved by the shareholders, will be effective immediately after the conclusion of the forthcoming 41st AGM and will continue to be in force until:

- (i) the conclusion of the next AGM (42nd AGM) of the Company, at which time the said authority will lapse unless by an ordinary resolution passed at the general meeting of the Company, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM (42nd AGM) of the Company is required by law to be held; or
- (iii) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever is the earlier.

Your approval for the Proposed Renewal of Share Buy-Back Authority mandate does not impose an obligation on the Company to purchase Tropicana Shares. Rather, the Proposed Renewal of Share Buy-Back Authority mandate will allow the Board to exercise the power of the Company to purchase Tropicana Shares at any time within the abovementioned time period.

2.4 Treatment of Purchased Shares

In accordance with Section 127(4) of the Act, the directors may deal with the Purchased Shares at their discretion, in the following manners: -

- (i) cancel the Shares purchased;
- (ii) retain the Shares as treasury shares; or
- (iii) retain part of the Shares purchased as treasury shares and cancel the remainder of the Shares.

Based on Section 127(7) of the Act, where such Shares are held as treasury shares, the directors may at their discretion: -

- (a) distribute the Shares as dividends to the shareholders;
- (b) resell the Shares or any of the Shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer the Shares or any of the Shares for the purposes of or under an employees' share scheme;
- (d) transfer the Shares or any of the Shares as purchase consideration;
- (e) cancel the Shares or any of the Shares; or
- (f) sell, transfer or otherwise use the Shares for such other purposes as the Minister may by order prescribe.

While the Purchased Shares are held as treasury shares, the rights attaching to them as to voting, dividends and participation in other distributions or otherwise, are suspended and the treasury shares will not be taken into account in calculating the number of percentage of shares, or of a class of shares in the Company for any purpose including substantial shareholdings, take-overs, notices, requisitioning of meetings, quorum for a meeting and result of a vote on a resolution at a meeting.

An immediate announcement will be made to Bursa Securities in respect of the intention of the directors to either resell the Purchased Shares or cancel them.

2.5 Pricing

(i) Purchase Price

Pursuant to the Listing Requirements, the Company may only purchase its Shares on Bursa Securities at a price which is not more than 15% above the weighted average market price of its Shares for the five (5) Market Days immediately prior to the date of purchase. An immediate announcement will be made to Bursa Securities of any purchase of its own Shares on the day of purchase.

(ii) Resale Price

The Company may resell treasury shares at: -

- (a) a price which is not less than the weighted average market price for the Shares for the five (5) Market Days immediately prior to the resale; or
- (b) a discounted price of not more than 5% to the weighted average market price for the Shares for the five (5) Market Days immediately prior to the resale provided that:
 - (1) the resale takes place not earlier than thirty (30) days from the date of purchase; and
 - (2) the resale price is not less than the cost of purchase of the Shares being resold.

As at the LPD, there are 45,137,141 Shares held as treasury shares. There was no resale or cancellation of treasury shares in the preceding twelve (12) months and up to the LPD.

On 4 October 2019, 42,787,501 treasury shares were distributed as second interim single-tier share dividend for the financial year ended 31 December 2019 on the basis of 3 treasury shares for every 100 existing Tropicana Shares held.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will enable Tropicana to utilise its surplus financial resources to purchase the Tropicana Shares as and when the Board deems fit in the interest of its shareholders during the tenure the authority granted is in effect. The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable the Company to stabilise the supply and demand of Tropicana Shares on Bursa Securities and support the Company's fundamental value.

If the Purchased Shares are maintained as treasury shares or cancelled, it will result in a lower number of Shares being used for the purposes of computing the EPS. Therefore, other things being equal, it will improve the EPS of Tropicana Group.

Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of Tropicana.

Tropicana may have the opportunity for potential gains if the purchased Tropicana Shares which are retained as treasury shares are resold at prices higher than its purchase price.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages and disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

4.1 Advantages

- (i) Allow the Company to take preventive measures against speculation, particularly when the Shares are undervalued and this would, in turn, stabilise the market price of Tropicana Shares and hence, enhance investors' confidence;
- (ii) Allow the Company the flexibility to achieve the desired capital structure, in terms of debt and equity composition and size of equity;
- (iii) Provide the Company with opportunities for potential gains if the Purchased Shares which are retained as treasury shares, are resold at a higher price than they were bought for; and
- (iv) Serve to reward the shareholders of the Company if the Purchased Shares which are retained as treasury shares, are distributed as share dividends to the shareholders.

4.2 Disadvantages

- (i) Reduce the financial resources of the Company, which may result in the Company foregoing better investment opportunities that may emerge in the future; and
- (ii) Reduce the financial resources available for distribution to shareholders in the immediate future as the funds to be allocated for the Proposed Renewal of Share Buy-Back Authority can only be made out of retained earnings of the Company.

The Proposed Renewal of Share Buy-Back Authority is not expected to cause any potential material disadvantage to the Company or the shareholders as the directors will only implement it after due consideration of the financial resources of the Tropicana Group and the resultant impact to the shareholders of the Company.

5. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The effects of the Proposed Renewal of Share Buy-Back Authority on the issued share capital, substantial shareholders' shareholdings, NA and NA per Share, earnings and EPS and gearing are set out based on the following scenarios:

- Minimum scenario : Assuming that none of the ICPS are converted into Tropicana Shares and the Proposed Renewal of Share Buy-Back Authority is undertaken in full up to 10% of the total number of issued Shares as at the LPD.
- Maximum scenario : Assuming that all the ICPS are converted (conversion ratio 1 TCB ICPS for 1 TCB Shares) and the Proposed Renewal of Share Buy-Back Authority is undertaken in full up to 10% of the total number of issued Shares as at the LPD.

5.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of Tropicana will depend on whether the Purchased Shares are cancelled or retained as treasury shares. If the Purchased Shares are held as treasury shares, resold or distributed to shareholders, the Proposed Renewal of Share Buy-Back Authority will not have any effect on the issued share capital of the Company. The Proposed Renewal of Share Buy-Back Authority will however, result in the reduction of the issued share capital of the Company if the Purchased Shares are cancelled.

Notes:

(i) Including 45,137,141 treasury shares.

(ii) Assuming the maximum ten per centum (10%) of the Company's total number of issued Shares are purchased and cancelled.

The actual number of Purchased Shares will depend on, *inter alia*, market conditions and sentiments of Bursa Securities as well as the retained profits, financial resources available to the Company and the public shareholding spread of the Company at the time of the purchase(s).

(ii) Deemed interested by virtue of his interests in Aliran Firasat Sdn Bhd, Golden Diversity Sdn Bhd and Impeccable Ace Sdn Bhd pursuant to Section 8 of the Act.

5.3 Earnings and EPS

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings and EPS of the Tropicana Group may depend on the number of Shares purchased, the prices paid for such Shares, the effective funding cost to finance the purchase of such Shares, if any, or any loss in interest income to the Group. Nevertheless, all things being equal, assuming that the treasury shares are retained, the Proposed Renewal of Share Buy-Back Authority is expected to increase the EPS of the Group as the treasury shares held will not be taken into account in calculating the total number of Shares in issue.

If the Purchased Shares are cancelled, the number of Shares applied in the computation of EPS will reduce and accordingly, all things being equal, the Proposed Renewal of Share Buy-Back Authority will increase the EPS of the Group.

If the Purchased Shares are resold, the extent of the impact to the EPS of the Group will depend on the actual selling price, the number of treasury shares resold and the effective gain on resale and any funding cost arising from the Proposed Renewal of Share Buy-Back Authority.

5.4 NA and NA per Share

The effects of the Proposed Renewal of Share Buy-Back Authority on the NA of the Group, whether the Purchased Shares are cancelled or retained as treasury shares are as follows: -

(i) Purchased Shares are subsequently retained as treasury shares

The NA of the Group would decrease if the Purchased Shares are retained as treasury shares due to the requirement for treasury shares to be carried at cost and be offset against equity, resulting in a decrease in the NA of the Group by the cost of the treasury shares.

If the Purchased Shares are resold on Bursa Securities, the NA of the Group would increase if the Company realises a gain from the resale, and vice-versa. If the Purchased Shares were distributed as share dividends, the NA of the Group will decrease by the cost of the treasury shares.

(ii) Purchase Shares are subsequently cancelled

If the Purchased Shares are cancelled, the Proposed Renewal of Share Buy-Back Authority will reduce the NA per Share if the purchase price per Share exceeds the NA per Share at the relevant point in time, and vice-versa.

5.5 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of the Group, the quantum of which depends on, amongst others, the number of Shares eventually purchased and the purchase price of the Shares. The impact on the cash flow of the Group will be dependent on the number of Shares eventually purchased and the purchase price of the Shares.

For Shares purchased which are kept as treasury shares, upon its resale, the working capital and cash flow of the Group will increase assuming that a gain has been realised. The quantum of the increase in the working capital will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

5.6 Gearing

Assuming that the treasury shares are being retained by the Company and no borrowing is being used to fund any purchase of the Purchased Shares, the Proposed Renewal of Share Buy-Back Authority may increase the gearing of the Group as the Purchased Shares will reduce the equity by the cost of Shares acquired and held as treasury shares.

5.7 Dividends

The Proposed Renewal of Share Buy-Back Authority, if carried out, is not expected to have any material impact on the recommendation of dividends to the shareholders by our Board. Nonetheless, if the Purchased Shares are retained as treasury shares, the treasury shares may be distributed as dividends to the shareholders if the Company so decides.

6. PUBLIC SHAREHOLDING SPREAD

The proposed share buy-back will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with the 25% public shareholding spread as required under Paragraph 8.02(1) of the Listing Requirements.

Based on the Company's record of depositors as at LPD, the Company's public shareholding spread was 25.11%. In implementing the Proposed Renewal of Share Buy-Back Authority, the Board is mindful of the compliance with public shareholding spread as required by the Listing Requirements and will use its best endeavours when purchasing its own Shares to such extent that it will not result in the Company being in breach of the minimum public shareholding spread of 25%.

7. IMPLICATION OF THE RULES

As it is not intended for the Proposed Renewal of Share Buy-Back Authority to trigger the obligation to undertake a mandatory offer under the Rules by any of the Company's shareholders and/or parties acting in concert with them, the Board will ensure that such number of Shares purchased, retained as treasury shares, cancelled or distributed pursuant to the Proposed Renewal of Share Buy-Back Authority would not result in triggering any mandatory offer obligation on the part of its shareholders and/or parties acting in concert with them.

In this connection, the Board will be mindful of the Rules when making any purchase of the Shares pursuant to the Proposed Renewal of Share Buy-Back Authority.
