2.5 Rationale and Benefit of Proposed New Shareholders' Mandate

The nature of transactions as stated in Section 2.3 of this Circular is in line with Minetech Group's long term strategy to expand or embark existence its businesses into the field of construction, energy and oil and gas. The new businesses are expected to be synergistic to the existing portfolio of Minetech Group by leveraging on its existing resources, experience and competencies. Should Empada successfully tendered projects in relation to the field of construction, energy and oil and gas, Empada will be collaborating with Minetech Group to execute and complete such projects and it will contribute positively to Minetech Group's revenue in the future.

The RRPTs entered or to be entered into by Minetech Group are all in the ordinary course of business and reflect a long term commercial relationship between the parties. They are recurring transactions of revenue or trading nature, which are likely to occur with some degree of frequency and arise from time to time. These transactions may be constrained by the time sensitive nature and confidentiality of such transactions and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such RRPTs.

The Proposed New Shareholders' Mandate would also reduce substantial administrative time, inconvenience and expenses of having to frequently convene a separate general meeting for approval of each transaction while still maintaining the objective of informing shareholders on the extent of related party transaction occurring within Minetech Group and allow manpower resources and time to be channelled towards attaining other corporate objectives.

Therefore, the Board is seeking a shareholders' mandate pursuant to Paragraph 10.09 of Chapter 10 of the Listing Requirements to allow Minetech Group to enter into such RRPTs with the related party, provided that they are carried out on arm's length basis, on normal commercial terms which are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

The RRPTs entered into by Minetech Group as detailed in Section 2.3 above will be entered into in the best interest of the Company.

2.6 Amount due from Empada

There was no amount owing by Empada to Minetech Group pursuant to the RRPTs as at LPD.

2.7 Validity period of the Proposed New Shareholders' Mandate

The Proposed New Shareholders' Mandate, if approved by the shareholders at the forthcoming EGM, shall take effect from the date of passing of the proposed ordinary resolution at the EGM and subject to annual renewal, and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company following the EGM at which such ordinary resolution for the Proposed New Shareholders' Mandate will be passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed; or

- (ii) the expiration of the period within which the next AGM of the Company after the date it is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by a resolution passed by the shareholders in a general meeting,

whichever is the earlier.

2.8 Review procedures

The Minetech Group has established the following procedures to ensure that the RRPT, where possible, are undertaken at arms' length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the related parties than those generally available to the public and are not detrimental to Minetech's minority shareholders.

The Minetech Group has established the following procedures to monitor the RRPT:-

- (i) the relevant employees of the Minetech Group are notified of the identities of the related parties and will be required, prior to entering into such transaction, to ensure that all the RRPT are consistent with the Minetech Group's normal business practices and policies, on terms not more favourable to the related parties than those generally available to the public and not detrimental to the minority shareholders of the Company;
- (ii) the consideration and terms are determined based on the prevailing market rates which are determined by market forces and other relevant factors. Where practical and feasible, quotations and/or tenders will be obtained from unrelated parties for the same or substantially similar products or services for at least two (2) other contemporaneous transactions with unrelated third parties for similar services will be used as a comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of services. Where it is impractical or impossible for quotes and/or tenders to be obtained from unrelated parties, or where there have not been any similar transactions between the Minetech Group and unrelated third parties, the terms of the transactions for the products or services will be in accordance with applicable industry norms, prevailing commercial rates and at rates not more favourable to the related parties than those generally available to the public and is not detrimental to the Minetech Group;
- (iii) all RRPT will be reviewed monthly by the management of Minetech to ensure that they are within the shareholders' mandate obtained;
- (iv) records will be maintained by the management of Minetech to capture all RRPT entered into pursuant to the Proposed New Shareholders' Mandate;
- (v) additional information pertaining to the RRPT may be requested from independent sources or advisers, if required;
- (vi) the ARMC will review all RRPT every quarter, with a detailed review of RRPT exceeding RM1.0 million; and

- (vii) the ARMC will consider, from time to time, whether the established guidelines and procedures for RRPT have become inappropriate and/or it is unable to ensure that the transactions will be on normal commercial terms and/or will prejudice the interests of shareholders generally. Notwithstanding that, the guidelines and procedures for RRPT will be reviewed by the ARMC at least once in a financial year.

2.9 Statement by the ARMC

The ARMC has reviewed the procedures mentioned in Section 2.6 of this Circular and is of the view that the procedures are sufficient to ensure that the RRPTs are not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company and that the Minetech Group has in place adequate procedures and processes to monitor, track and identify the RRPTs in a timely and orderly manner. Such procedures and processes are reviewed by the ARMC on yearly basis.

i. Kuala Lumpur High Court Suit No. 22NCVC-288-04/2016 ("Suit 288")

The Trial for Suit 288 and the below stated Suit 433 had proceeded at the Kuala Lumpur High Court before Y.A. Datin Hajah Azizah on 23, 24, 25 and 26 October 2017, 13 and 23 November 2017.

On 20 April 2018, the Judge found the termination by Sri Manjung Granite Quarry Sdn Bhd ("**SMGQ**") to be unlawful and had ordered SMGQ to pay damages to Optimis Dinamik Sdn Bhd ("**ODSB**") (the quantum of damages is to be assessed by the Court Registrar) together with interest thereon at the rate of 5% per annum from the date of the Writ of Summon dated 1 April 2013 until full payment and costs of RM80,000.

As regards to SMGQ's counterclaim, the High Court allowed SMGQ's counterclaim for the outstanding tribute payment of RM256,300.24 owing by ODSB which is to be deducted (set-off) from the damages assessed to be paid by SMGQ to ODSB.

On 15 May 2018, SMGQ filed their appeal against the High Court's decision in Suit 288 ("**SMGQ's Appeal**").

ODSB had filed a Notice of Direction to the High Court for the assessment of damages, and on 5 July 2018, the Judge, by consent, ordered that the assessment of damages proceedings be stayed pending the disposal of SMGQ's Appeal.

The Deputy Registrar of the Court of Appeal had fixed both ODSB's Appeal and SMGQ's Appeal to be heard together on 31 March 2021. Hearing of the appeals was completed on 31 March 2021. The Court of Appeal has rejected ODSB's appeals as well as SMGQ's appeal. The Court of Appeal upheld the High Court's decision in deciding that SMGQ has unlawfully terminated ODSB's contract and that the damages should only be awarded to ODSB.

Hearing for assessment of damages will be resumed at the High Court wherein the date of hearing will be notified by the High Court at a later date. Meanwhile, SMGQ has subsequently filed their appeal to the Federal Court whereby the hearing for the leave to appeal application has been fixed on 15 September 2021 via Zoom and ODSB is required to file its Affidavit in Reply on or before 28 June 2021.

ODSB, Minetech Quarries Sdn Bhd and K.S. Chin Mineral Sdn Bhd had on 18 May 2018 filed an appeal to the Court of Appeal against the High Court’s decision in Suit 433 (“**ODSB’s Appeal**”).
