

Sustainability Policy

Yinson Holdings Berhad (Yinson) is strongly committed to the implementation of sustainability within our sphere of influence. Our purpose is to provide reliable and sustainable energy infrastructure that empowers communities, drives economic growth and protects the environment for current and future generations. We aim to incorporate such considerations as we strive to continuously create sustainable value for all our stakeholders.

Purpose

The purpose of this Policy is to establish clear sustainable development objectives and guidelines for Yinson in every aspect of our business, from Group-wide strategic decisions to daily operations in respective regions.

Our Framework

We look to operationalise our commitment through the following three pillars:

ENVIRONMENTAL	SOCIAL	GOVERNANCE
