**Practice 5.5**

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

<b>Application</b>	:	Applied
<b>Explanation on application of the practice</b>	:	<p>The Board endeavours to ensure that it consists of individuals with a diverse background equipped with professional and technical knowledge to effectively carry out its roles as the representative to the interests of shareholders. The qualifications for Board membership are the ability to make sensible business decisions and recommendations, an entrepreneurial talent for contributing to the creation of shareholder value, the ability to see the wider picture, to raise constructive queries, and to promulgate high ethical standards, while at the same time maintaining sound practical sense, and putting in the commitment to furthering the interests of shareholders and the achievement of the Company's goals.</p> <p>In putting the Board and Senior Management Diversity Policy into action, the NC is mindful of its responsibilities to conduct all Board appointments processes through various approaches in a manner that promotes diversity in the Board which can offer greater depth, breadth and lead to better decisions made while taking into account suitability for the role. It will also take into consideration Board balance and composition, the required mix of skills, the candidates' background, knowledge, integrity, competency, experience and potential contribution to the Group. In the case of candidates for the position of Independent Director, the NC will also evaluate the candidate's ability to discharge responsibilities and functions as expected from an Independent Director.</p> <p>There was no Director appointed to the Board during FY2021.</p> <p>The Board reviewed its composition against the Company's requirements of its Board and is satisfied that the Board composition is well diversified to better reflects the realities of the society, strengthens strategy formulation and the overall credibility of the Company.</p> <p>The Board, through the NC, considers annually the time commitment expected from each of the director to meet the expectations of their role. This includes making time to familiarise themselves with business</p>

	<p>priorities and challenges and to prepare for and attend Board and Board Committee meetings. The Board is also expected to attend the AGM, engage with stakeholders and participate in the Board evaluation process.</p> <p>Directors are, while holding office, at liberty to accept other Board appointment(s) in other companies, so long as the appointment is not in conflict with the Company's business and does not affect the discharge of his/her duty as a Director of the Company, required to notify the Chairman of the Board and/or the Secretary, prior to the acceptance of new Board appointment in other companies. New appointments are then reported to the Board.</p> <p>Currently, several of the INEDs hold more than two external appointments (although some of these are not-for-profit organisations). The Board has considered these external commitments, taking into account the time commitment required for each role, and is satisfied they do not impact upon the individual Board members' ability to discharge their responsibilities fully and effectively. As evidenced in this statement, all Directors attended all the Board and Board Committees meetings of the Company held in FY2021.</p>
