VISION

To accelerate the global energy transition while enhancing value for all our stakeholders.

To deliver reliable and competitive solutions to the energy industry with net zero carbon emissions by the year 2026.

MISSION

CORE VALUES

PASSION

We want our people to have passion for our company's vision, energy and growth plans.

INTEGRITY

We always act with integrity and are professional and accountable while operating in an open and transparent manner.

PERFORMANCE BASED

Everyone in Wasco has the same opportunity to receive awards, career and professional advancement, based on their capabilities and achievement.

SOCIALLY RESPONSIBLE

We treat everyone with respect and empathy. As we drive towards achieving our company vision, we will not forget the less fortunate. We are socially responsible and place value on being charitable, caring for the environment and supporting our stakeholder communities.

"ONLY SUSTAINABLE PROFIT AND GROWTH WILL PERPETUATE OUR BUSINESS AND ENABLE ALL OF THE ABOVE"

COMMITTED TO CUSTOMERS

We will meet customers' expectations and deliver our commitment.

SAFETY

We will conduct our operations ensuring no harm to our people and no damage to the environment.

INTOLERANT TO WASTE

We treat the organization and its resources as if they are our own - with prudence and care. We are always aware and mindful of operating at our most efficient in terms of cost, time and opportunity.

CORPORATE PROFILE

A Rising Global Energy Service Provider

Once a medium-sized Malaysian enterprise, Wah Seong Corporation Berhad incorporated on 9 October, 1999 has evolved into an international Oil & Gas and Industrial Services group. Listed on the Main Market of Bursa Malaysia Securities Berhad, we have established footprints in almost 17 countries worldwide.

As a globally integrated energy infrastructure group, we have positioned our Oil and Gas Division and Industrial Services Division to be our main strategic business pillars.

Our Oil & Gas Division provides world-class specialised pipe coating, corrosion protection services, EPC, fabrication and rental of gas compressors and process equipment, as well as various E&P products and services for the international oil and gas sector. Meanwhile, our Industrial Services Division is involved in renewable energy, agriculture development and infrastructure materials. Through this Division, we have grown to be one of the leading service providers of process equipment in Asia, serving the plantations, oleo-chemical, petrochemical and power generation industries. We are also one of the top distributors of infrastructure and building materials in Malaysia.

Seeing no limits to the future, we aim to grow through innovation and productivity to be a world class and profitable, integrated energy infrastructure group. We endeavour to serve the needs of both our internal and external stakeholders by enhancing our corporate values that is driven by our uniqueness and capabilities.

Alongside this, we manage both our local and global operations with interests for health, safety and the environment. Fulfilling our corporate responsibility by according the highest priorities to these principles are prerequisites for the success of our business while also demonstrating our commitment to sustainable development and the communities which we serve.

CORPORATE CALENDAR

JANUARY

1 January

Major subsidiary in Renewable Energy Division, Jutasama Sdn. Bhd. ("JSB"), officially commenced operation at its new office building in Teluk Panglima Garang ("TPG").

31 January

Industrial Trading and Services Division has increased their investment in associate – Spirolite (M) Sendirian Berhad by subscription of 1,610,978 ordinary shares with RM13,500,000.

FEBRUARY

22 February

Wasco Engineering International Ltd ("WEIL"), an indirect wholly-owned subsidiary of WSC successfully completed the commissioning of New Compressor Station 5 (NCS-5) for Basrah Gas Company (BGC) in the Rumailah fields in Iraq despite the challenges posed by the COVID-19 pandemic. The complete plant was conceptualized, designed and fabricated by our team in Dubai. The plant is designed to capture up to 120 mmscfd of gas from ROO DS5 field which would otherwise be flared.

23 February

4QFY2020 Results Announcement.

MARCH

1 March

As part of the Environmental, Social and Governance ("ESG") effort, JSB has completed the installation and commissioning of Rain Harvesting and Water Recycling System with filtration system at the TPG yard.

10 March

The start of Wasco's i-start program. The program has retained the service of DSS-Dupont Sustainable Solutions, to help us in a journey to execute the needed changes, eliminate at-risk behaviors and forge a more favorable safety culture.

17 March

WS Engineering & Fabrication Pte Ltd ("WSEF"), an indirect wholly-owned subsidiary of WSC was awarded a contract worth (US\$35.9 million) by Fluor Limited for complete fabrication and assembly of pipe rack, process, and structural modules and skids units and testing, pre-commissioning, turnover and load out services for the modules.

APRIL

22 April

The Indonesian Ministry of Manpower ("MOM") selected Wasco as a recipient of the prestigious 'Golden Safety Award' for achieving exceptional safety performance with 23 million LTI free man-hours and implementing 'Best in Class Occupational Health and Safety Management System'.

26 April

WSEF delivered another multi-build substation project (11x substations) for a gasification (hydrogen and synthesis) facility at Singapore Jurong Island Integrated Manufacturing Complex.

MAY

19 May

1QFY2021 Results Announcement.

21 May

WSC 21st Annual General Meeting.

JUNE

1 June

Site development started at the Wasco Coatings Middle East QFZ LLC ("WCME") site in the Qatar Free Zone ("QFZ") at Umm Al Houl, with construction of a new Concrete Weight Coating Plant, an associated Batching Plant plus the development of infrastructure to support pipe storage and logistics operations.

2 June

WEIL, an indirect wholly-owned subsidiary of WSC was awarded US\$39.4 million (equivalent to RM162.4 million) contract by BW Energy Gabon S.A. for the engineering, procurement, construction and installation of oil and gas processing and compression modules for a project in Gabon, Africa.

JULY

1 July

Securing the INPEX-operated Ichthys Gas Field Development Project Phase 2 from McDermott Australia Pty Ltd on 1 July 2020 for 38km of 8" to 16" clad pipes with 34mm to 68mm thick MLPP coating. This project is located off the northwest coast of Western Australia.

8 July

Launch of Wasco's reforestation initiative – MOU with the Pahang Forestry Department ("JPNP").

17 July

Completed and loaded out ABB E-House Module for ONGC KG=DWN 98/2 Cluster II FPSO Project. This 1,450 tons E-House was fabricated from Wasco's Batam Yard, Indonesia and recorded 800,000 LTI free man-hours.

AUGUST

2 August

Syn Tai Hung Trading Sdn. Bhd., an indirect wholly-owned subsidiary of WSC has launched Online Shop Convenience Retail Store at Lazada & Shopee to expand market penetration.

21 August

PMT Industries Sdn. Bhd., an indirect wholly-owned subsidiary of WSC has successfully commenced its 500kW solar power generation system.

26 August

2QFY2021 Results Announcement.

SEPTEMBER

23 September

Successful delivery of Wasco's first substations to Industrial & Utilities segment (Non O&G) for Yi Chu Substation 150MW Solar PV Power Plant project.

OCTOBER

1 October

Launching of “LogMaster” series by WDG Resources Sdn. Bhd. (“WDG”), an indirect 60%-owned subsidiary of WSC to cater for the plantation and other industries.

WCME, Qatar – Concrete Weight Coating equipment for the new facility in Qatar, successfully designed, engineered and supplied by Turn Key Pipeline Services B.V. in The Netherlands, starts site commissioning activities in preparation for NFPS project execution.

NOVEMBER

4 November

Successful completion and safe load out of M75 Power Generation Module of ONGC KG-DWN 98/2 Cluster II FPSO Project. The 2,640 tons module was the heaviest module in the history of Wasco.

7 November

Successful Delivery of Power Generation Module for the ONGC 98/2 Armada Sterling 5 FPSO Project.

12 November

Secured Priority Berthing status with Kuantan Port for a period of 3 + 2 years. This arrangement ensures minimum waiting time for all incoming and outgoing shipments thereby reducing demurrage/ detention exposures to all our clients.

17 November

Secured two (2) back-to-back projects from Australia, i.e. Barossa GEP Pipeline and Barossa Flowline (awarded 20 Feb 22). This puts Wasco in a good position to secure the Darwin Pipeline Duplication which is the next phase of the Barossa Development. Both projects will be executed in 2022.

22 November

3QFY2021 Results Announcement.

30 November

Wasco Coatings UK Ltd., an indirect wholly-owned subsidiary of WSC - Hartlepool plant - First order for the Abigail Project (£500k) was successfully delivered in November 2021.

DECEMBER

1 December

Launching of “Amphibious Hydraulic Excavator” by WDG of which operate effectively on soft terrain for water mitigation work. This well designed amphibious hydraulic undercarriage has ultra-low ground pressure and unparallel mobility to work on soft terrains and swamp areas.

18 December

When the flood struck the area of Shah Alam and Klang in December 2021, the management and staff of Renewable Energy Division performed their social responsibilities in flood rescue and relieve effort.

20 December

Signing of the PETRONAS 5 years Price Agreement (“PA”). This PA puts Wasco as the sole coater for all local projects until 31 December 2026.

22 December

WCME, Qatar – First CWC PQT successfully completed for the NFPS project, conducted within 7 months from first breaking ground at the new site.

SUSTAINABILITY STATEMENT

ABOUT THIS REPORT

The Company recognises its responsibility to all stakeholders and is committed to reporting its social and environmental performance regularly and transparently.

This Sustainability Statement provides an overview of the Company's sustainability approach and 12-month performance from 1 January to 31 December 2021. It provides insight into how the Company manages its material sustainability risks, issues and opportunities, to create economic, environmental and social value.

FRAMEWORK AND STANDARDS

This Sustainability Statement follows the Global Reporting Initiative (“GRI”) Standards: Core Option. It is also closely aligned with the recommendations of other sustainability disclosure guidelines, including Bursa Malaysia’s Sustainability Reporting Guide, FTSE4Good Bursa Malaysia ESG Index, the United Nations Sustainable Development Goals (UNSDGs) and the International Organization for Standardisation (ISO) 26000:2010 Guidance on Social Responsibility.

SUSTAINABILITY GOVERNANCE

Wasco has included Environmental, Social and Governance (ESG) factors as a strategic consideration in the decision-making process. Department heads are responsible for identifying, assessing and mitigating current and potential ESG risks.

The Board of Directors has the overall responsibility for sustainability and considers ESG matters in the Company’s strategy development. ESG matters that affect value creation are included in the balanced scorecard, which helps set objectives, drive behaviours, measure performance and determine remuneration.

The Group CEO heads the Company Sustainability Committee with support from the Investor Relations, Corporate Communications and Sustainability Department (“IRCSD”) and oversees the execution of Wasco’s sustainability strategy in day-to-day operations. The Head of the IRCSD also sits on the Risk Management Committee. Sustainability is on the agenda for these quarterly meetings. The Risk Management Committee regularly updates the Board on the Company’s sustainability performance.

REPORTING SCOPE AND BOUNDARIES

The committee presented and obtained the Board’s approval for scoping Wah Seong Corporation Berhad (“WSC”) Sustainability Reporting for FY2021 to its oil and gas division “WASCO”, being the single largest business segment of the Company. The scope of the Sustainability Report will cover the entire organisation and its subsidiaries from FY2022 onwards.

Wasco reports on an ‘operational control’ basis, focusing on assets, offices and activities where Wasco is the operator and has management control over policies and practices.

REPORTING APPROACH

This statement summarises the sustainability performance of Wasco’s strategic businesses. In defining the content, Wasco:

- Applied the GRI reporting principles of stakeholder inclusiveness, sustainability context, materiality and completeness; and
- Considered accuracy, balance, clarity, comparability, reliability and timeliness.

Wasco developed the content according to defined material topics following a review of the overall sustainability risks and opportunities determined by macroeconomic analysis, sustainability trends and senior management input. Stakeholders’ views, concerns and key expectations also shaped the materiality assessment. This assessment helped the Board realign the Group’s sustainability strategy while ensuring the transparent coverage of critical topics.

Guided by the Malaysian Green Technology and Climate Change Corporation (MGTC), the GHG emission calculations and inventory framework include a boundary review, setting the baseline inventory and reviewing the GHG mitigation plan.

SUSTAINABILITY DATA AND DISCLOSURE

Wasco has not externally assured the contents of this statement. However, the management and dedicated internal resources reviewed the completeness and accuracy of the data and information. The senior leadership team oversaw the statement’s preparation, assembly and drafting, complementing the significant internal and data-collection resources to ensure accuracy.

REPORT FEEDBACK

Wasco welcomes your feedback on this report and how to improve its sustainability performance. Please send your comments or questions to Teoh Chuen Seng, Senior Manager ESG at chuenseng.teoh@wascoenergy.com

SUSTAINABILITY STATEMENT

SUSTAINABILITY ACROSS OUR OPERATIONS

Wasco delivers sustainable value for all stakeholders safely, securely and in an environmentally and socially responsible manner by:

- Reducing the environmental footprint through the life cycle developments; and
- Bringing social and economic benefits for people associated with business operations in line with Wasco's shared values.

Wasco integrates sustainability throughout the business on three levels.

SUSTAINABILITY POLICY

At Wasco, sustainability is about delivering value for all our stakeholders in a responsible manner, balancing short and long-term interests that integrate economic, environment and social considerations into our business strategy. Wherever possible, we will implement and maintain accredited management systems for corporate sustainability to drive performance and improvement by focusing on our business processes, our culture, and our digital agenda – all underpinned by a strong governance structure.

To achieve these goals we will:

- Ensure that our safety values remain a top priority, ensuring that nobody gets hurt, there is no damage to property and no harm to the environment.
- Generate financial gains aligned to the needs of our stakeholders.
- Employ a diverse workforce and provide a work environment where everyone is treated fairly, with respect and can realise their full potential.
- Implement actions within our own business and other stakeholders to accelerate the transition to net-zero emissions.
- Manage our businesses efficiently through embracing digitalisation and innovation.
- Conduct our business in an ethical and transparent manner.
- Safeguard human rights within our sphere of influence.
- Contribute to the well-being of local communities wherever we operate.
- Periodically review our performance and implement appropriate actions for continuous improvement.

In implementing this policy, we will support and advance the United Nation's Sustainable Development Goals focusing our efforts on those that align with our aims in order to make the most impactful contribution.

We will engage with our employees, contractors, suppliers, customers and business partners in sharing responsibility for meeting these goals.

OUR UNSDG ALIGNMENT

The 17 UNSDGs are at the core of the 2030 Agenda for Sustainable Development. The goals intend to end poverty, protect the planet and ensure prosperity for all. Wasco is aligned with the UNSDGs and committed to contributing to this framework to enhance sustainable initiatives. The Group also calls on all its partners across the business to collaborate on achieving these goals.

While our activities touch on nine of the seventeen goals, we have identified four UNSDGs that impact our sustainability strategy where we can make the most contributions in these areas.

Goals	Our Commitment	Progress and Achievements
	<ul style="list-style-type: none"> Provide a safe and healthy workplace for our staff and contractors by embracing internationally recognised HSE Management Systems, namely ISO 45001:2018 for Health & Safety and ISO 14001:2015 for the environment. Achieve Zero Lost-time Incidents (LTI). 	<ul style="list-style-type: none"> All sites in the organisation either have been or are being certified with the ISO 45001:2018 for Health & Safety and ISO 14001:2015 for the Environment. Implemented in March 2021, Wasco i-Start is an ongoing initiative to enable a safety culture transformation. Tracking leading and lagging KPIs and taking action for continuous improvement. Performing periodic inspections, audits and safety observations addresses gaps and prevents incidents. Safe work procedures are in place.
	<ul style="list-style-type: none"> Establish policies to promote gender equality in recruitment, compensation, training, promotion and work-life balance. Eliminate sexual harassment, violence, discrimination and other harmful practices against women in the workplace. 	<ul style="list-style-type: none"> 13% of Senior Management are female. Clearly articulating statements on equal opportunity and non-discrimination in the Principles of Business Conduct and Human Rights Statement.
	<ul style="list-style-type: none"> Develop a high performing entrepreneurial culture (culture of curiosity) in the Company where all staff give their best. Develop leaders at all levels of the Company and create a learning and coaching mindset amongst all staff. 	<ul style="list-style-type: none"> Introduced the MyGoals performance management system. Quarterly reviews for performance assessment and coaching. Talent development through regular training and digital learning. High retention of Senior Management. Annual performance appraisals for compensation and promotion.
	<ul style="list-style-type: none"> Reduce emissions by improving energy efficiency, transitioning to renewable energy such as solar power and offsetting residual emissions through in-house programmes such as tree planting. 	<ul style="list-style-type: none"> Tracking and reporting of Group greenhouse gas emissions (GHG). Planted 30,000 out of 160,000 trees as part of a carbon sequestration programme.

SUSTAINABILITY STATEMENT

STAKEHOLDER ENGAGEMENT

Long-term business success depends mainly on understanding and addressing stakeholders' expectations. Wasco engages with various stakeholder groups, including employees, customers, shareholders and investors, regulators and authorities, vendors, suppliers and the media. We continually seek opportunities to speak with stakeholders, understand their viewpoints and talk transparently about the business. The table below summarises Wasco's approach to stakeholder engagement.

Stakeholder	Engagement Platform	Areas of Interest	Our Commitment
Employees 	<ul style="list-style-type: none"> • Workplace meetings and employee briefings • Intranet and bulletins • Townhall meetings • Employee surveys • MyGoals performance reviews 	<ul style="list-style-type: none"> • Equal opportunities • Diversity • Career progression • Benefits and rewards 	Our employees are key to our innovation-driven culture and we are committed to nurturing their talent.
Customers 	<ul style="list-style-type: none"> • Quality certification audits • Regulatory site visits and audits • Social media • Official website • Marketing events • Customer satisfaction surveys 	<ul style="list-style-type: none"> • Business growth • Risks and challenges • Customer privacy • Targets, quality and delivery 	We reinvent technology, create new approaches and conceive end-to-end solutions for greater efficiency and capabilities.
Shareholders & Investors 	<ul style="list-style-type: none"> • Annual and quarterly reports • Annual and quarterly results announcements • Annual General Meeting ("AGM") • Extraordinary General Meeting ("EGM") • Announcements on Bursa Malaysia • Investor relations section of the Company's website • Press release and coverage 	<ul style="list-style-type: none"> • Long-term profitability • Sustainability matters • Company's performance • Compliance 	We are committed to delivering economic value to our capital providers through a robust financial performance.
Regulators & Authorities 	<ul style="list-style-type: none"> • Emails/letters • Dialogue with the authorities • Workshops and training organised by the relevant regulatory authorities 	<ul style="list-style-type: none"> • Compliance • Reducing the impact of operations 	We have established sustainability governance to manage risk, ensure compliance and always operate with integrity.
Vendors/Suppliers 	<ul style="list-style-type: none"> • Negotiations with vendors/suppliers • Supplier periodical performance evaluation • New vendor evaluation and registration 	<ul style="list-style-type: none"> • Fair procurement • Sustainable supply chain management • Long-term relationships 	We maintain two-way relationships with suppliers who follow our supplier code of conduct.
Media 	<ul style="list-style-type: none"> • Ongoing engagement sessions and interviews • AGM and EGM • Press release and coverage • Press conference 	<ul style="list-style-type: none"> • Company's performance and outlook • Business risks • Sustainability matters 	We continue to make the greatest possible difference through transparent and active engagement with media partners and interest groups.

MATERIALITY

In 2021, Wasco commissioned an external consultant to conduct a materiality assessment. The Group appointed an impartial, external party to protect the anonymity of the respondents. This assessment is essential to the Company as it responds to the ESG issues, risks and opportunities, seen in emerging global and local trends, fundamental stakeholder interest, industry best-practice and Wasco's overall corporate context.

Stakeholder Groups Participating in the Survey

The survey asked stakeholder representatives to rate the importance they placed on 18 areas of sustainability.

We asked respondents to indicate how important each criterion was, on a scale of 'very unimportant' (1) to 'very important' (5). We employed a 5-point Likert Symmetric Scale so respondents could specify their level of agreement with (3) being neutral.

We discovered a natural skew in the results as each stakeholder group was not represented equally. Unsurprisingly, we received the most responses from our employees and the fewest from Regulators & Authorities and Media.

We calculated an average score for all areas within each stakeholder group to rectify the sample imbalance. An average rating from all eight stakeholder groups was then obtained.

We also asked eight members of our senior management team to complete the survey. Their views represented Wasco.

SUSTAINABILITY STATEMENT

The Results

Scores over 3 were considered of medium importance. Stakeholder scores ranged from 3.92 to 5.00; Wasco's between 4.02 and 4.71, indicating that all issues were material to some degree. A material to very material scale was adopted as even the lowest scores fell into the important category. The matrix is presented in the following diagram.

ECONOMIC

As a global leading integrated energy group, we take responsibility to power global and local economies seriously. We are a critical part of the world's energy infrastructure and we believe in lowering barriers to clean, affordable energy for everyone, everywhere.

In 2021, our Company generated a direct economic value of RM 870.5 Million in revenue. Our economic impact also extends to our role as a global employer. At the end of 2021, we employed approximately 2,364 employees and offered fair and competitive wages and benefits. Developing a diverse global workforce helps bring innovative and sustainable solutions to the market, which is the future of the energy sector.

SUPPORTING SUSTAINABLE ECONOMIC GROWTH AND DEVELOPMENT THROUGH OUR OPERATIONS

Wasco has been a leading integrated energy group that operates globally, providing comprehensive technical services primarily to the oil and gas sectors worldwide. Our operations also contribute to the advancement of other industries such as oil and gas, petrochemicals, power generations and marine construction.

Pipeline Services

- Wasco is a global operator providing a full range of pre-commissioning, commissioning, maintenance and decommissioning services for both onshore and offshore facilities. Our capabilities in pipe manufacturing, pipe coating and offshore corrosion control stems from a collective expertise of our extensive global facilities spanning Asia, West Africa, the Middle East, Europe and the United States.

Engineering and Fabrication Services

- Wasco provides an all-encompassing solution covering engineering design, procurement, packaging, general fabrication, installation, commissioning as well as operation and maintenance (O&M) services.

PARTICIPATING IN INDUSTRY ORGANISATIONS

Wasco proactively engages with other leading companies and organisations to help advance standards, share best practices, activate stakeholder and create a sustainable economy. Wasco continues to work with leading organisations, namely the Malaysian Oil & Gas Services Council (MOGSC), the largest national-level independent industry association promoted and driven by the services sector of the Malaysian Oil & Gas Industry.

RESPONSIBLE PROCUREMENT

Our supply chain includes the supply of goods and services. It encompasses nearly 845 direct suppliers with which we spend around RM298 million per annum. Our direct suppliers are mainly locals, with only 27% being foreign.

We strive to improve our supply chain's social and ethical footprint and work with suppliers that share our values. We expect our suppliers to comply with all applicable laws and demonstrate that they have the attributes set out in our Supplier Code.

We recognise the opportunity to positively impact communities by making balanced choices about sourcing the required goods and services for business operations. Our responsible procurement plan focuses on four key areas:

- Upholding the ethical treatment of workers
- Supporting local businesses
- Encouraging participation
- Assessing supply chain risk management

SUSTAINABILITY STATEMENT

We conduct quantitative and qualitative assessments of all suppliers on our Approved Vendor List every year. Our selection is based on Major and Minor Vendors categories. We examine their performance to mitigate risks and drive improvement during the review. We notify poor performing suppliers and provide corrective action or improvements. The vendor may be suspended or removed from the Approved Vendor List if they do not take the requested action or make the necessary improvements. Wasco updates the Supplier Audit Matrix following the yearly assessment.

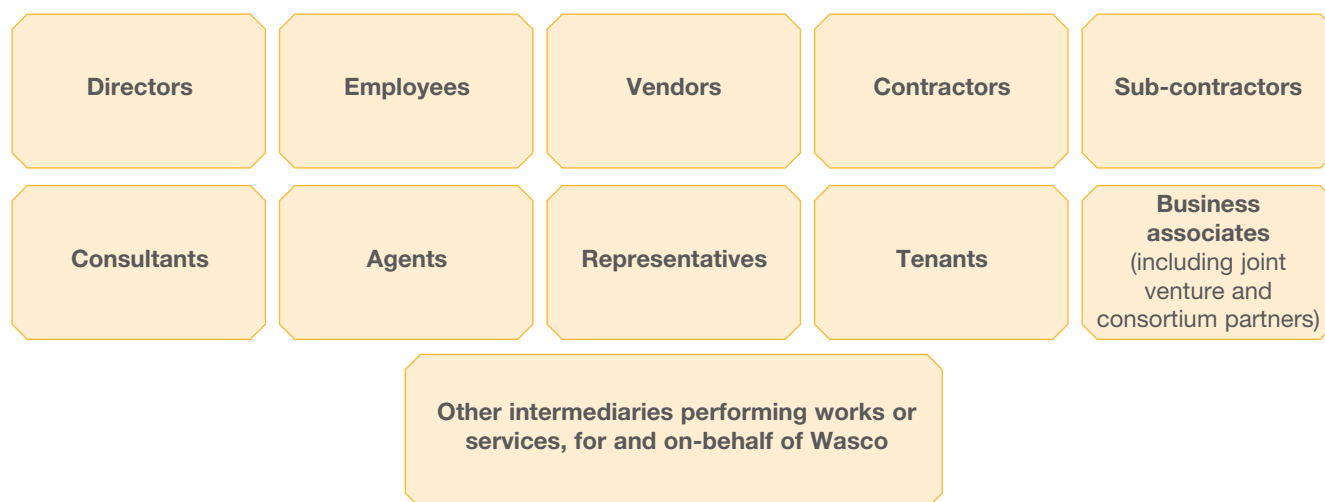

INTEGRITY, COMPLIANCE, ASSURANCE AND REPORTING CONCERNS

Ensuring integrity and compliance is a foundational element of our culture and a business priority. We set high expectations outlined in our Principles of Business Conduct. One of the Company's values emphasises acting with integrity and remaining professional and accountable while operating openly and transparently.

Anti-Bribery and Corruption

Integrity is a fundamental business philosophy and is deeply rooted in the corporate culture. Wasco adopted a zero-tolerance approach against all forms of bribery and corruption, such as fraud and illegal kickbacks. Wasco's Anti-Bribery and Corruption Policy ("ABC Policy") communicates its comprehensive anti-corruption stand. The ABC Policy evinces a proactive commitment to addressing and mitigating corruption risks, including bribery, fraud and other corrupt acts. Wasco introduced the Anti-Bribery and Corruption Policy as part of its Anti-Bribery Management System ("ABMS"), which aligns with the requirements set out in ISO 37001:2016. Endorsed by the Board of Directors, the ABC fulfils the provisions in the Guidelines on Adequate Procedures to Section 17A (5) of the Malaysian Anti-Corruption Commission Act 2009 ("MACCA").

Coverage of ABC

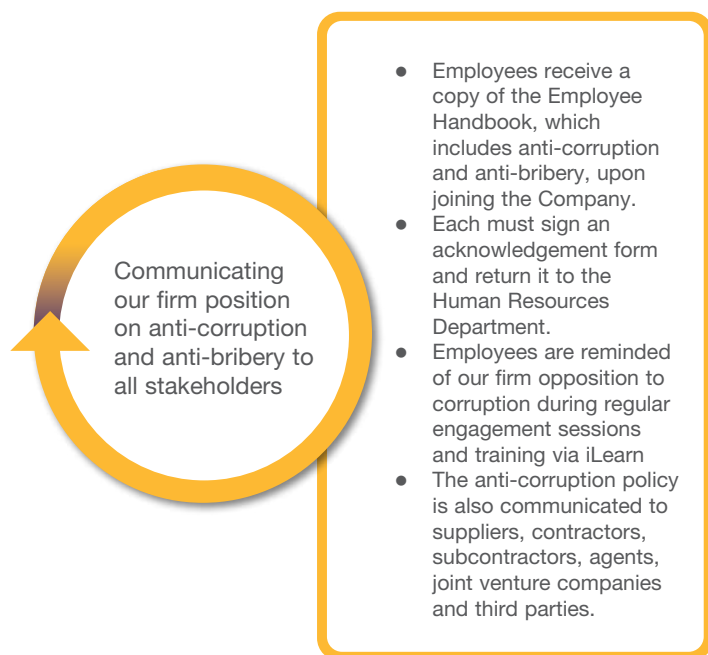

All board members and employees have accepted the Company's integrity and delivery of the ABC Policy. They have also completed anti-corruption education and training, including bribery. An anti-bribery and corruption eLearning course was held in 2021. Employees found to have been involved in bribery are subject to disciplinary action that can lead to termination. Heads of departments and sections must ensure that all employees adhere to the ABC Policy.

The Board of Directors oversees our compliance with anti-corruption policies and compliance, including bribery. Every employee is responsible for preventing and reporting instances of corruption, bribery, suspicious activity or wrongdoing which may lead to bribery using our whistleblowing channels.

Wasco received no (RM0) penalties due to ethical conduct breaches such as corruption during the year.

A keen understanding of corruption risk exposure is the foundation of an effective anti-corruption compliance programme. Corruption risks, including bribery, are important elements in Wasco's risk register. This keen understanding helps the Company design effective mitigation strategies and strategically deploy resources to combat potential bribery, corruption and fraud, especially for high-risk operations.

All contractors, subcontractors and third parties are subject to corruption and bribery risk assessments and must declare they are not involved in any misconduct or corrupt, unethical and illegal behaviour. Wasco communicates its anti-corruption policy clearly to these intermediaries. The Group also screens new and existing business partners for corruption and bribery, which is part of due diligence in Wasco's compliance requirements.

Business books and records reflect all business dealings accurately and transparently. Wasco introduced monitoring and enforcement procedures to ensure compliance with anti-corruption laws in Malaysia. Wasco did not make any political contributions in 2021 (RM0).

No major disciplinary cases were reported for corrupt practices that resulted in employees' dismissal. We have received zero fines and penalties from the authorities during the recent years and reporting period, which demonstrates the effectiveness of our stringent anti-corruption policies and practices.

WHISTLEBLOWING

Wasco's whistleblowing policy applies to all employees and external parties who have business relationships with the Group. Our Whistleblowing Policy is aligned with the ISO 37001:2016 Clause 8.9 Raising Concern. Individuals raising concerns or reporting possible violations of the Principles of Business Conduct in good faith are:

- Protected from any forms of retaliation; and
- Treated with the utmost confidentiality.

Whistle-blowers are encouraged to raise their concerns with their immediate superior. If this is not possible or appropriate for any reason, they may write to Wasco's Chief Executive Officer, Giancarlo Maccagno confidentially. Senior officers have been trained to handle these reports, corruption, bullying, harassment, bribery, financial irregularity and other offences.

SUSTAINABILITY STATEMENT

ENVIRONMENTAL

Wasco's commitment to practising environmental sustainability is a continuous process. We align our environmental policy and practices with environmental laws and legislations, including strategies to prevent pollution, minimise waste and conserve natural resources where we operate. We received no environmental fines and penalties during the year.

Wasco is committed to providing high-quality services that protect and improve the environment. 56% of our site are certified with ISO 14001 Environmental Management System as of 2021.

The team works closely with clients, contractors, the community, industry and the State and Federal Governments to establish procedures so staff can positively contribute to innovative and cost-effective environmental outcomes.

Wasco's Environmental Commitment

Continually improve our awareness and management of environmental risks and avoid, reduce and control pollution from our operations

Promote the open exchange of environmental information with our customers, suppliers and the community to improve environmental awareness and to obtain feedback on our environmental performance

Identify and comply with environmental legislation, regulation and license standards for all our operations and environmentally relevant activities

Promote waste minimisation, carbon reduction and energy management within our day-to-day operations

ENERGY MANAGEMENT

Wasco is committed to addressing energy use and efficiency by:

- Adhering to relevant legislation and regulations concerning energy
- Training, improving and promoting energy efficiency by implementing effective energy management programmes throughout the organisation
- Communicating with employees, government agencies and the community on energy management
- Identifying, implementing and developing measurable targets for energy conservation projects
- Conserving energy resources through best practices and integrating energy management in business activities

Our Group-wide energy consumption for the past three years is presented below.

Group Electricity Consumption

ENERGY INTENSITY

Total energy consumption is a poor measure of efficiency as it does not consider changes in output. Energy intensity, defined as the amount of energy used to produce a given activity level, is a better indicator. Wasco expresses energy efficiency as the amount of power in kilowatt/hours per total man-hours worked.

GHG EMISSIONS MANAGEMENT

Climate change remains one of the most significant challenges facing society. As a leading energy company, embedding the climate transition in our strategy is key to delivering our purpose.

We unequivocally support the United Nations Framework Convention on Climate Change and the Paris Agreement and measures to progressively reduce global emissions, including the aim to limit the world's temperature increase to 1.5°C above pre-industrial levels.

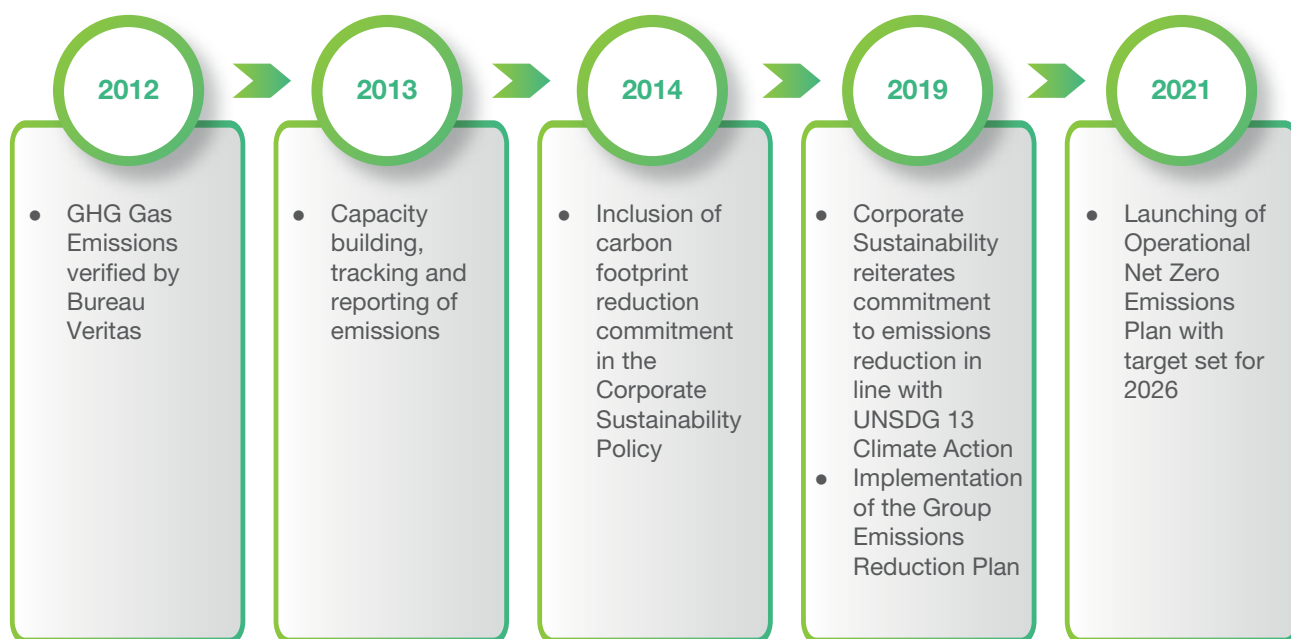

Currently, we are updating our emissions reduction targets to be consistent with a 1.5°C pathway. We aim to achieve net-zero Scope 1 and Scope 2 emissions by 2026.

Scope	Principal Means of Emissions Reduction	Initiatives Identified and Implemented	Expected Emissions Reduction by 5%
Scope 1 Coverage: entire Group (100%) <ul style="list-style-type: none"> Stationary combustion Company-owned vehicles Refrigerant leakage Fire suppression Welding 	Reducing waste, improving energy efficiency and using lower-carbon fuels	<ul style="list-style-type: none"> Using natural gas for all burners Minimising the use of LPG The "Benefit of Walking" Campaign encourages personnel to walk instead of using vehicles Switching off vehicle engines when idle for more than 10 minutes Optimising fuel use by periodically maintaining and servicing the plant and equipment Discontinuing portable CO₂ fire extinguishers except for the IT server room, powder booth and internal paint booth Using Euro 6 standard vehicles, which are energy efficient and limit harmful exhaust emissions Replacing old vehicles with fuel-efficient or electric alternatives Using arc welding Recycling 	5% per year for five years

SUSTAINABILITY STATEMENT

Scope	Principal Means of Emissions Reduction	Initiatives Identified and Implemented	Expected Emissions Reduction by 5%
Scope 2 Coverage: entire Group (100%) <ul style="list-style-type: none"> Purchased electricity 	Increasing energy efficiency and using electricity from renewable sources	<ul style="list-style-type: none"> Energy Saving Awareness Campaign Using hibernation features for all computers Installing timers/sensors for lighting, air conditioners, hydraulic power packs and blowers Replacing malfunctioning bulbs with LED lights Installing a solar system Working from home options 	30%

Our Journey Towards Net Zero Operational Emissions

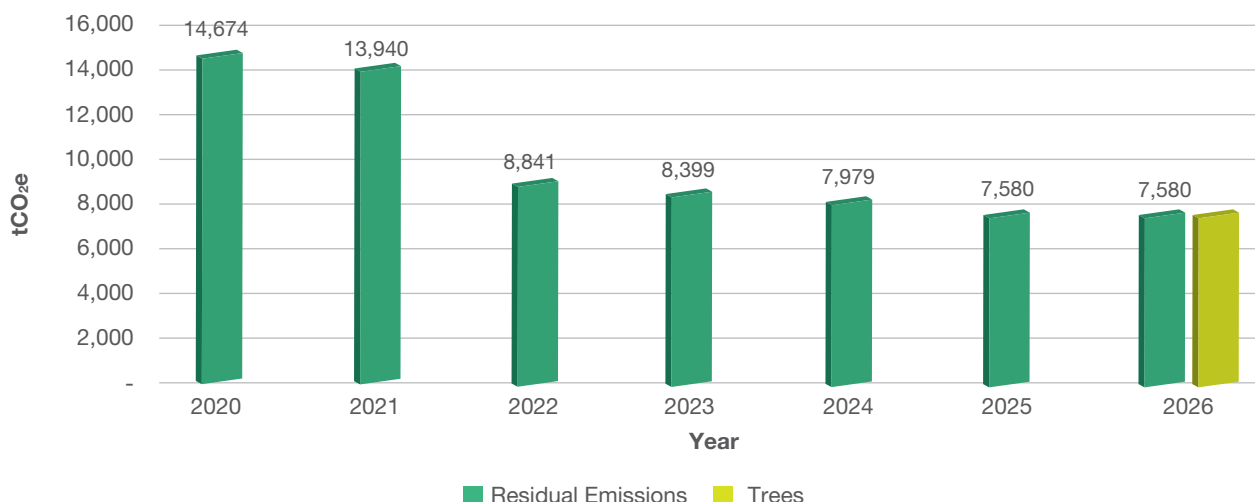

FORESTS CAN'T HANDLE CARBON ON THEIR OWN

Facts: Nature has received significant attention for its ability to remove carbon dioxide from the atmosphere and store it in the biosphere, such as in soils, grasslands, trees and mangroves, via photosynthesis. It is also a source of carbon dioxide emissions through deforestation, land and ecosystem degradation and agricultural practices. However, the right changes to land management practices can reduce emissions and improve carbon storage.

Solutions: Net-zero emissions pledges to protect the climate are coming fast and furious. We rely heavily on planting trees as it is the most significant and cost-effective way to remove CO₂ from the atmosphere to tackle the climate crisis. Net-zero proposals count on finding ways for these trees to take up more carbon than they already absorb.

We began our tree planting programme in 2021. According to our calculations, we must plant approximately 113,700 trees to absorb 7,580 CO₂e tonnes of residual emissions to achieve operational net-zero emissions by 2026, based on the assumption of 15 trees for one tonne.

Achieving Operational Net Zero Emissions

SUSTAINABILITY STATEMENT

MANAGING CLIMATE CHANGE RISKS AND OPPORTUNITIES

Wasco's commitment to producing in a way that helps protect people, the environment and the communities where it operates includes mitigating the risks of climate change. We recognise the devastating effects and associated short- and long-term business risks that climate change presents. Wasco has a solid commitment to addressing this issue and avoiding the impact of climate change by improving the efficiency of operations. Our climate change strategy includes working with employees and supply chain partners on energy-saving processes and a complete climate change risk assessment.

Our management team, overseen by Mr. Teoh Chuen Seng, Senior Manager ESG devises strategies to manage and minimise our environmental footprint. Progress reports and proposals on energy management, climate change and pollution reduction, supported by financial indicators and Return on Investment (ROI) calculations, are presented to the Board.

In 2021, strategic topics included a deep dive on decarbonisation, emerging business models in the electricity transition, resource storage opportunities and emerging climate-related risks. Climate change risk is reviewed explicitly by the Sustainability Committees.

Climate-related risks and opportunities are identified, assessed and managed using Wasco's Risk Management Framework in the same way as all other risks. The Board and senior management consider, review and monitor climate-related risks and opportunities as part of our strategic planning process, investment decisions, and regular financial and operational performance reviews throughout the year. Wasco has integrated climate-related risk management into the company-wide risk scorecard. It is part of the foundation in formulating our business strategy, deciding on future R&D as well as technology investments. Wasco's climate risk management process includes mitigation efforts to reduce greenhouse emissions, climate engineering and increasing knowledge of climate systems.

In 2021, we invested RM356,000 on:

- Mitigating climate change, including planting 30,000 trees in Maran, Pahang; and
- Consultancy in reviewing our GHG Baseline Inventory.

Inevitably, climate change impacts operating expenses (OPEX) and capital expenditure (CAPEX), which increases product prices. Climate change reduces efficiencies and increases operating costs (OPEX). Capital expenditure (CAPEX) is needed to retrofit existing assets to cope with new climatic conditions.

We are committed to addressing the issue of climate change and improving efficiency through adaptation by adopting new and green technology in developments and implementing fuel efficiency measures. Specifically, we have adopted a tracking system for emissions, energy use, water use and waste in our manufacturing.

Wasco is an active member of the Malaysian Oil & Gas Services Council (MOGSC) and continues to address climate-related issues, specifically how it affects the Energy sector. Our role and involvement in this membership include:

- Identifying pressing environmental issues in climate change, water and waste; and
- Collaborating on solutions that drive improvement within Wasco and its supply chains.

We contribute to driving change management through knowledge and information sharing, especially public policy and regulation. The Council also examines various opportunities, such as hydrogen technology.

We continue to ensure consistency between our climate change policy and the position we advocate at trade associations of which we are members. When opinions contradict, we respond by identifying gaps and initiating a process that alerts the Company to new areas of good business practice.

Consolidation method in carbon footprint calculation	Operational
Organisational boundary in carbon footprint calculation	Accounts for 100% of GHG emissions where Wasco has the authority to implement operational policies
Independent verification of operational GHG data	Our process in calculating and measuring GHG is guided and verified by the MGTC.

Scope 1 Coverage: entire Group (100%)	CO ₂ emissions from the consumption of fuel were derived from the emission factor published by the IPCC Guidelines for National Greenhouse Gas Inventories.	 <table><tr><th>Year</th><th>CO₂-e Emissions (tonnes)</th></tr><tr><td>2019</td><td>2,534</td></tr><tr><td>2020</td><td>6,628</td></tr><tr><td>2021</td><td>4,880</td></tr></table>	Year	CO ₂ -e Emissions (tonnes)	2019	2,534	2020	6,628	2021	4,880
Year	CO ₂ -e Emissions (tonnes)									
2019	2,534									
2020	6,628									
2021	4,880									
Scope 2 Coverage: entire Group (100%)	CO ₂ emissions from electricity use in Malaysia were derived using the emission factor published by the Malaysian Green Technology Corporation for the Peninsular Grid.	 <table><tr><th>Year</th><th>CO₂-e Emissions (tonnes)</th></tr><tr><td>2019</td><td>5,286</td></tr><tr><td>2020</td><td>8,046</td></tr><tr><td>2021</td><td>8,719</td></tr></table>	Year	CO ₂ -e Emissions (tonnes)	2019	5,286	2020	8,046	2021	8,719
Year	CO ₂ -e Emissions (tonnes)									
2019	5,286									
2020	8,046									
2021	8,719									
Scope 3 Coverage: entire Group (100%)	Air travel GHG emissions were calculated point to point including the number of employees on Board and distance travelled. Separate calculations were performed for business and economy class flights. Online tools derived from the WRI Greenhouse Gas Protocol were used to calculate the CO ₂ emissions from air travel.	<i>Our scope 3 GHG emissions are derived by calculating emissions resulting from air travel. We did not perform this calculation due to travel restrictions and the border shut-down during most of FY2021.</i>								

We have considered the effects of decarbonisation on the value of our assets over the short, medium and long term and recognise the importance of considering climate-related impacts and opportunities across our business. Wasco's key strategic priority is the transition to a low-emissions energy sector.

We actively monitor the latest global climate change science published by leading international organisations to help assess potential risks and opportunities for our portfolio. We seek to manage our portfolio to be resilient to adapt to a fast-moving energy transition and the increasing expectations of our stakeholders.

We are continuously improving how we identify, assess, manage and govern climate-related risks and opportunities for our business.

EMISSIONS INTENSITY

Total GHG emissions do not necessarily reflect efficiency as they do not consider changes in output. Wasco expresses its emissions intensity as the tonnes of carbon dioxide equivalent produced by 1,000 man-hours.

Year	2019	2020	2021
Total Emission (tCO ₂ e)	7,820	14,674	13,599
Total Man-hours	2,268,409	3,038,508	5,938,644
tCO ₂ e/Man-hours (1,000)	3.45	4.83	2.29

POLLUTION PREVENTION AND CONTROL

Wasco is committed to addressing pollution by taking the following measures to reduce and avoid pollution impacts. They include:

- Identifying resources and the generation of all types of waste;
- Avoiding their impact and improving efficiency;
- Examining our water and energy performance;
- Reducing or eliminating pollution at its source; and
- Modifying production, maintenance and facility processes, materials substitution, conservation, recycling and reusing materials where applicable.

PRESERVING BIODIVERSITY

We strive to operate responsibly and protect biodiversity where we work worldwide. As part of our commitment to the UNSDGs, we commit to net positive biodiversity impact by exploring our impacts on biodiversity, protected areas and areas of significant biological value at our operational sites. We are focused on minimising biodiversity impact and our environmental footprint, preserving natural habitats and protecting and restoring ecosystems through nature-based projects.

We conduct formal biodiversity risk assessments on existing operations and potential new operations and projects. Before commencing a project, we perform a detailed Environmental Impact Assessment (EIA) to study the potential impact of our operations on habitats and ecological functions. The EIA also helps the Company to formulate risk mitigation approaches.

WASTE

Wasco is responsible for conducting business without any detrimental effects on the environment. We comply with all applicable and prevailing laws and industry standards on waste management, adopting products, systems and work practices that minimise or reduce the impact of waste whilst improving efficiency by increasing the potential for reusing and recycling resources.

The Group's Waste Management Procedure sets out the following expectations:

- Efficient resource use to minimise the impact of pollution.
- Waste generation should be minimised at its source whenever possible.
- Finding alternative means for waste disposal by adopting cleaner and sustainable technology.
- Meeting all legal requirements on waste handling and disposal.

Our waste handling process for every type of waste disposed of from our operations is presented below.

Sewage and greywater	<ul style="list-style-type: none"> • Sewage and greywater are collected in designated tanks, supplied and plumbed and attached to ablution and lunchroom facilities. • Tanks are emptied regularly by an authorised contractor.
Scrap metal	<ul style="list-style-type: none"> • Scrap metal, including copper, is collected in a scrap metal skip. • Scrap metal is collected or replaced by a contractor as appropriate.
General waste	<ul style="list-style-type: none"> • Scrap timber and large general waste items are collected in a general waste skip. • Smaller or lighter general waste items, waste paper and food waste are collected in local, lined bins. Waste is fully contained and tied within suitable garbage bags upon emptying before being placed in the general waste skip to prevent it from being blown by the wind. • The general waste skip is emptied by a contractor as appropriate.
Recyclable containers	<ul style="list-style-type: none"> • Aluminium cans and plastic bottles are deposited in a designated recycling bin for donation.
Waste paint	<ul style="list-style-type: none"> • Waste paint is fully hardened in its original container and disposed of as per SDS requirements, such as general waste or by an authorised contractor.
Oily rags	<ul style="list-style-type: none"> • Oily rags are stored in a designated oily rag receptacle. • Clients' maintenance operations should have an existing process for disposing of oily rags.

Hydrotest water	<ul style="list-style-type: none"> Hydrotest water is collected. The greywater system can dispose of untreated test water of fewer than 100 litres. Operations confirm greywater can handle the volume at the time of disposal. Third parties may dispose of it if the site cannot handle the additional volume.
Waste condensate	<ul style="list-style-type: none"> An authorised contractor collects condensate waste in suitable ISOtainers for transport and disposal. The client provides a bunded storage area for waste containers awaiting collection.
Waste amine	<ul style="list-style-type: none"> An authorised contractor collects amine waste in suitable ISOtainers for transport and disposal. The client provides a suitable, bunded storage area for waste containers awaiting collection.
Soil/spoil	<ul style="list-style-type: none"> A civil contractor removes soil and spoil from the site, transporting them for disposal at an authorised facility.
Waste concrete	<ul style="list-style-type: none"> A civil contractor removes waste concrete from the site, transporting it for disposal at an authorised facility.
Contaminate soil	<ul style="list-style-type: none"> Contaminated soil, where it arises, is removed and stockpiled for disposal at a suitably licensed facility.

NOISE BOUNDARY MONITORING

The noise produced during the construction, operations and decommissioning of large infrastructure projects can potentially impact nearby noise-sensitive receptors. The Company complies with the Environmental Quality Act 1974. We also conduct boundary noise monitoring at a few points along the perimeter of our operations to align with approval conditions of Environmental Impact Assessments (EIA). In 2021, all noise levels were within 65 dBA, the level stipulated by the Department of Environment.

CONSERVING WATER RESOURCES

We carefully manage the use of fresh water in our operations and the impact of our projects on water resources in the surrounding areas. We aim to use alternatives such as recycled water to reduce water use and improve its efficiency. We have a range of processes that evaluate and help us manage risks associated with our water use. These processes focus on considering water conservation and efficiency in critical decisions and striving to conserve, reuse and recycle. The Company is also working on establishing appropriate metrics to report water use. Wasco does not have any (0%) operations in water-stressed regions. However, we make every effort to manage this resource efficiently and minimise water use at all sites.

Some water-saving initiatives implemented at our operations include push-on timed taps and rainwater harvesting. There were no violations of water quality standards during this reporting period.

Water Withdrawal and Intensity (100% of Operations)

SUSTAINABILITY STATEMENT

SOCIETY

Wasco's community investment principles are aligned with the focus area of building the well-being and development of local communities. Closer alignment of the business strategy and community investment produces better outcomes for the company and local communities. Community investment focuses on a well-defined purpose of achieving transformation for the better.

HUMANITARIAN ASSISTANCE

Flash flooding Malaysia hit Malaysia in 2021. Wasco mobilised its Kuantan team of volunteers for four days to help residents in Mentakab, Pahang. The volunteers assisted the residents with house cleaning, moving furniture, washing equipment and removing debris and mud. Wasco supplied 20 cooking stoves to 20 families and also provided:

- Two mobile petrol high-pressure water jets;
- Two 1000-litre intermediate bulk containers for water storage and cleaning; and
- A backhoe and tipper truck to remove rubbish and damaged items from the houses.

Wasco contributed RM23,000 to this flood relief effort in total.

The floods also severely affected several areas in the Klang Valley, such as Hulu Langat, Kuala Langat, Shah Alam, Klang, Hulu Selangor, Kuala Selangor, Petaling and Kuala Lumpur. Our Industrial Service Division donated RM53,000 to help 19 staff members affected by these floods in the Klang Valley.

EDUCATIONAL ASSISTANCE

Wasco is committed to providing long-term benefits by helping develop the community's reservoir of knowledge. Wah Seong's Foundation, Yayasan Wah Seong, offers scholarships for full time first degree courses in Malaysian public universities. In 2021, Yayasan Wah Seong's contribution of RM166,500 helped 20 scholars.

A PLACE FOR PEOPLE

Employees power the work of our company. We provide comprehensive compensation, benefits, tools and benefits to foster success and career growth for all employees. We align our labour standards with the International Labour Organisation (ILO) goal of promoting decent work.

Stringent yet fair employment standards and practices are stipulated in the Principles of Business Conduct. Our stance is communicated to all employees in English as it is the most commonly used business language. This document is translated into other languages such as Bahasa Malaysia when necessary.

Periodically, Wasco participates in workshops or industry/topic-specific collaboration projects that provide industry solutions that improve labour standards in Malaysia. As part of our risk assessment procedure, we regularly review the labour standards of existing and potential business and supply chain partners as part of due diligence. All parties are familiarised with our Principles of Business Conduct from time to time. There were no instances of non-compliance with labour standards during this reporting period.

COMPETITIVE BENEFITS

Our competitive benefits packages provide comprehensive health and wellness resources consistent with the Employment Act 1955 and additional benefits at our discretion. Wasco also provides leaves of absence for several quality-of-life needs, including personal, maternity and paternity leave.

We understand that the pandemic has brought many uncertainties and challenges to every individual. We kept our promise that there would be no layoffs or pay cuts resulting from the crisis.

LEARNING AND DEVELOPMENT

The Group invests in its people by enhancing their competencies and skills to improve work performance and results and motivate and reward employees.

Wasco customises training and development to each individual's competency gaps and unique scenarios. Investing in employee development through personal development training has helped manage this risk. Examples of personal development training we provided included the eMyGoals RoadShow and eMyGoals Resources.

Wasco conducted all training sessions virtually and via its eLearning platform in 2021 due to the COVID-19 restrictions. Inductions, an Anti-Bribery and Corruption Course, ESG Training and specific project training are examples of the training programmes held throughout the year.

EMPLOYEE ENGAGEMENT

Employee engagement plays a vital role in boosting employees' motivation and morale. Wasco engages in regular staff dialogue physically and virtually to update employees on group developments. Close group engagement activities at the departmental level strengthened team members' bonds and addressed human resource-related matters.

SUSTAINABILITY STATEMENT

OCCUPATIONAL HEALTH AND SAFETY

Being in an energy-related industry, Wasco has a prime objective to establish a safe and healthy workplace for employees, contractors and other stakeholders while protecting the environment. HSE is paramount and prioritised throughout the Group.

Wasco's health and safety policy applies to all contractors and other stakeholders present on its premises. The management is committed to continuous improvement and compliance with OHSA 1994, FMA 1967, EQA 1974 and other applicable acts, legislations, orders, rules, codes of practices and requirements to which Wasco subscribes.

There were no Lost Time Incidents recorded in 2021. We are committed to continuous improvement to providing a safe working environment and maintaining people's health and well-being.

Wasco's commitment to health and safety:

- ✓ Increased awareness of health and safety among employees
- ✓ Reduced number of work accidents and their severity
- ✓ Zero occupational illnesses
- ✓ Reduced stress
- ✓ Enhanced well-being

2021 Highlights

- The workforce was safe and healthy throughout the COVID-19 pandemic.
- 47,728,040 Incident Free Man-hours Worked since the last LTI.
- Wasco i-Start was implemented in March 2021 to facilitate a safety culture transformation.

Safety starts with the individual; all individuals must protect their health, safety and well-being. Stringent health and safety standards help prevent hazards and incidents for all employees. As much of our work involves high-risk construction, we strictly follow the Safe Work Method Statement (SWMS), which clearly states measures to control the risks associated with our nature of work.

All employees are responsible for reporting incidents, near-misses, safety breaches and hazards. In 2021, Wasco trained 1,678 employees on health and safety standards, including general safety.

We recorded 22,700 safety training hours in 2021. Training included HSE induction, forklift operation, rigging and slinging training, working at height, electrical safety, hand safety, grinding safety and confined space entry.

Wasco's Board-approved Health and Safety Policy formalises the Group's health and safety philosophy and approach. Safety initiatives, internal monitoring and internal safety audits include creating a robust set of safety protocols and delivering carefully developed safety orientation and ongoing training. This training is extended to all employees, contractors and subcontractors. Every employee must attend a safety briefing before starting their workday at a minimum.

EMERGENCY RESPONSE TEAM

Wasco's Emergency Response Team is responsible for directing evacuation procedures with the aid of fire wardens, subcontractors, suppliers and emergency services.

ASSESSING SAFETY RISKS AND COMPLIANCE

Health hazard, accident and injury prevention are integral parts of the sustainable strategy and business risk management processes. Wasco's due diligence includes a health and safety risk assessment for existing and potential new operations or projects. The Group benchmarks performance monitoring results and trends against its targets and industry standards.

HSE CERTIFICATION

67% of Wasco operations is covered by ISO 45001.

SAFETY GOVERNANCE

Wasco's Group HSE Committee is responsible for improving working conditions and provides employees and management with a forum to solve health and safety problems. The HSE Committee is a participative initiative comprising a chairman and management representatives. Led by Mr. Giancarlo Maccagno, Group CEO, the committee reviews safety concerns, performance and risks and reports the Company's safety performance to the Board.

Wasco's Health, Safety and Environment (HSE) officers are responsible for:

- Coordinating and ensuring HSE programmes are implemented effectively;
- Checking that the Company's facilities and infrastructure comply with applicable HSE standards;
- Ensuring employees and every individual present at its premises meet all HSE requirements; and
- Inspecting the port facilities and infrastructure daily to ensure compliance with the Occupational Safety and Health Act 1994, Act 514 (OSHA 1994) and its safety guidelines.

LEADING THROUGH THE COVID-19 PANDEMIC

Wasco's commitment to controlling the current global health issue, COVID-19, covers employees, the community and the public. While the future looks brighter than last year, we remain committed to health and safety measures that protect employees, operations and communities.

A dedicated Global Pandemic Preparedness Response Team was responsible for discussing and implementing strategies to prevent infection and minimise business disruption. The team manages aspects of the pandemic crisis such as education, personnel administration, spread management and reporting.

Physical health, ergonomics, preventive health care and mental wellness are essential components of a healthy, engaged and productive workplace, especially during a global pandemic. Wasco increased its focus on overall employee health and well-being throughout 2021, emphasising mental health. Our operations in Australia held several sessions to address this, such as the Snap Decisions in April 2021 and 'R U OK? Day' in September 2021. At our Headquarters, we held a Mental Wellness Awareness Programme and sessions on supporting employees through the crisis. These programmes were open to all employees.

REMOTE WORK

The sudden and swift shift from on-site to remote work environments due to the pandemic is challenging. Employees experience significant disruption in their work and home lives. Wasco continues to help and support employees to manage this change.

Wasco ensured employees had access to the necessary technology and equipment to work remotely, providing laptops, headsets, efficient connectivity and remote access to share points and shared folders. One example implemented for staff based in KL Office was LAN Cabling costs up to RM500 and an internet subscription of RM90 per month from 1 March 2020.

SUSTAINABILITY STATEMENT

HUMAN RIGHTS

Wasco summarised its human rights policy in the Wasco Energy Group's Human Rights Statement. All staff receive training on this policy. All associates review and receive annual awareness briefings on the statement as part of their human rights policy training. These documents are available in English and Bahasa Malaysia.

Wasco aligns its conduct with the United Nations Guiding Principles on Business and Human Rights. Mr. Teoh Chuen Seng, Senior Manager ESG oversees the Company's human rights compliance. The day-to-day responsibilities and functions for monitoring human rights compliance have been allocated to various departments.

We respect human rights by:

- Proactively assessing our human rights impacts on an ongoing basis as part of the Group's core business processes.
- Evaluating the effects of the business and setting targets to drive continuous improvement.
- Avoiding, preventing and mitigating human rights issues.
- Communicating expectations to all stakeholders, including business partners.
- Implementing human rights screening, training and monitoring of internal operations and supply chain partners.

Wasco adheres to all applicable employment and human rights regulations where operations are based. Suppliers must do the same and abide by the Group's Principles of Business Conduct and Human Rights Statement as a minimum.

Wasco follows labour laws and its Principles of Business Conduct, which cover human rights issues, including non-discrimination, freedom of association and collective bargaining, child labour and forced and compulsory labour.

Our Approach to the Human Rights Issues Affecting the Industry

Forced labour	We do not tolerate forced labour and/or any forms of modern slavery, including bonded labour or human trafficking. Every employee willingly accepts the offer made by the Company.
Child labour	We strictly comply and adhere to international child labour laws and the minimum legal age to work in every country in which we operate.
Discrimination	We prohibit any form of discrimination based on race, creed, sex, social status, religion, nationality, age, sexual orientation, gender identity, physical and mental disability or any other grounds.
Harassment and inhumane treatment	Harassment is strictly not tolerated in any form, whether physical or mental, including sexual harassment or power harassment.
Working hours and wages	We monitor employee working hours, holidays and leaves of absence to comply with applicable laws and regulations.
Grievance	Transparency and respectful engagement are cornerstones of our sustainability performance, allowing our business to evolve successfully and respectfully. We consider a robust grievance mechanism essential to protecting the people, community and environments affected by our operations.

NON-DISCRIMINATION

Wasco is committed to a workforce free of harassment and unlawful discrimination.

We treat all employees equally and fairly regardless of:

Race, colour, age, gender, sexual orientation, gender identity and expression, ethnicity or nationality, disability, pregnancy, religion, political affiliation or marital status.

We protect all employees in:

Hiring and employment practices through adequate living wages, promotions, rewards and access to training.

We uphold our stand of 'equal pay for equal work' and comply with all local laws. There were no reported discrimination cases related to equality and diversity in 2021.

EQUALITY IN RECRUITMENT

Wasco adheres to local labour laws during recruitment, with a preference for hiring locally. Hiring from local communities enhances our ability to understand local needs and strengthens our capabilities on the ground. However, diverse talent and expertise are vital for a Group with an ever-expanding international customer base. Wasco sources these talents and expertise internationally when unavailable locally.

Wasco practises equal opportunity and non-discrimination in its hiring process; candidates are only assessed on their qualifications and job suitability. Wasco does not discriminate in any stage of the hiring process, including recruiting from underprivileged groups, deprived backgrounds or the disabled. However, 0% of employees were disabled at the end of FY2021.

In 2021, Wasco newly hired 38 employees. We also recorded an overall voluntary turnover rate of 3.35% during the year. Females represented 15.32% of the total workforce, despite the decline in the proportion of female external hires. Female representation at the Executive and Senior Manager levels remained stable.

SPEAK UP

Wasco complies with laws by continuously monitoring and auditing internal processes, such as hiring and promotion. We actively encourage employees to speak up if they believe someone has violated the Principles of Business Conduct or labour laws. We take all reports seriously, investigate each rigorously and demand the same high standards from suppliers and other entities with which we conduct business.

Wasco has a formal mechanism for individuals and communities impacted by our business activities to raise their grievances, including human rights. An effective whistleblowing channel guarantees anonymity and is available to internal and external stakeholders. A remediation process helps address adverse human rights impacts that we have contributed to or caused. Our whistleblowing channel also allows employee representatives to engage with management. There were no instances of human rights violations during this reporting period.

SALIENT HUMAN RIGHTS ISSUES

Wasco assessed potential adverse human rights impacts and salient human rights issues. Engaging with stakeholders helped identify potential human rights impacts affecting operations.

Rights to:

- Freedom of association and engagement
- Enjoy just and favourable conditions of work
- An adequate standard of living
- Health
- Social security and social insurance

Wasco supports the amendments to the Workers' Minimum Standards of Housing and Amenities Act 1990. All contractors working on our projects must provide worker facilities that follow the International Labour Organisation (ILO) guidelines.

Employees' wages comply with all applicable Malaysian laws such as working hours, minimum living wages, overtime hours and legally mandated benefits. In compliance with Malaysian law, we compensate workers for overtime at pay rates above the stated regular hourly rates. Docking wages as a disciplinary measure is not permitted. We also aim to eliminate excessive working hours by limiting them.

SUSTAINABILITY STATEMENT

PRODUCT RESPONSIBILITY

Providing cutting-edge technical services and licensed technologies, Wasco possesses the capabilities to deliver reliable and competitive products, premium solutions and unrivalled services.

PREMIUM SOLUTIONS, FLAWLESS DELIVERIES

Wasco's quality management system ("QMS") employs a process approach, enabling Wasco to plan its processes and interactions adequately. Wasco is committed to enhancing customer satisfaction and providing products and services that meet applicable statutory and regulatory requirements.

This QMS aligns with the most current ISO 9001:2015 and ISO 45001. Our laboratories are also certified with ISO/IEC 17025, the general requirement for the competence of testing and calibration laboratories published by the ISO.

We ensure all company and project-level QMS processes run effectively to improve customer satisfaction as mandated in the Group's Quality Policy.

Installing an Improved Pipe Tracking System enhanced quality delivery by tracking individual pipeline movement and status throughout the coating system. The system maintains pipes' current position, including repair and rejection, and improves tracking traceability. Utilising the powerful Welds Tracking System boosts efficiency and reduces wasted resources through effectively managing welders' status.

In 2021, Wasco also explored remote inspection, which improves the quality monitoring process while reducing time and cost. Our operations have achieved various quality and safety certifications, including the ISO 9001: 2015, ISO 14001: 2015, ISO 45001:2018, CSA A660-10, EN 1090-1:2009+A1:2011 and EN ISO 3834-2.

Wasco encourages anonymous customer feedback and monitors the results regularly. Maintaining close customer engagement during various project stages helps us understand and achieve their expectations.

OUR DIGITAL TRANSFORMATION JOURNEY

The pandemic accelerated the adoption of digital technologies by several years. Wasco embraced new strategies and practices to remain competitive. Digitalisation is no longer a "good-to-have" function but a core competency for Wasco to survive and thrive. Wasco delivered various workshops and discussions virtually and physically to raise awareness of digitalisation at management and operation levels.

We delved deeply into the smart manufacturing context by embarking on an Industry 4.0 journey by understanding its generic definition, aligning it with business priorities and understanding the different levels of digital maturity before directly entering the project implementation phases. We are excited to begin this digital transformation journey.

Wasco nurtures its in-house IT capabilities by investing heavily in its ERP system for several years. Developing different business applications in data reporting and process automation has supported our business divisions. However, Wasco has not fully utilised its massive cumulated data in driving strategic business capabilities. In the present era, navigating the uncertain future of energy transition, we require a new wave of digital transformation to equip our employees with the necessary skillsets, tools and platforms to embrace such dynamic changes. Our commitment to this goal led to the birth of this Digitalisation pillar.

While digital technologies are the enablers for the next wave of transformation, Digitalisation extends beyond the technology component; data-driven initiatives change how we think, work and collaborate. Digitalisation value is unlocked when employees are empowered with digital and data, shifting their focus to a more people-centric model by providing higher-value and sustainable solutions to customers and partners.

Empowering stakeholders to do more with less can only be achieved by allowing employees and customers to work together with digital technologies in the same ecosystem. We have started the data and AI journey by converging digitalisation with safety, sustainability and other strategic pillars, strengthening their potential. Recently, we embarked on a programme to empower HSE personnel with a well-designed digital platform. This platform covers people, processes, and technology to address safety concerns raised in our plants and yards promptly. Technologically, we consider migrating to a greener Cloud data centre to support our ESG agenda.

MANAGEMENT DISCUSSION AND ANALYSIS

The challenges of 2020 continued into 2021. The pandemic continued to affect Global Markets especially in the areas of logistics, human capital movement and capital spending for most of 2021. Things started to show signs of recovery towards the end of 2021. Our Group was not spared from these issues. Due to restrictions that occurred as a result of the pandemic, some activities were carried out over a longer period than had been originally anticipated and in some cases deferred to a later start date due to disruption in the global supply chain. Project awards were also delayed, which in turn affected the start dates. All of this had an adverse impact on the financial results of the Group.

Despite these challenges, the Group managed to generate a slightly higher revenue in 2021. Excluding one-off adjustments, mainly due to Associate and Joint Venture Companies, the Group delivered a small profit with a healthy operating cash flow. This shows the Group's resilience in facing the challenging environment that we are faced with.

As we progressed through 2021, there were signs of recovery with a number of projects finally showing signs of being awarded. This, together with the increasing new bid activity, contributed to the significant increase in the Group's order book which now stands in excess of RM2.71 billion. This is one of the highest order books that the Group has had, and it places the Group in a strong position to deliver positive results in the coming year.

Discussion on Key Financial Performance

In 2021, the Group generated a revenue of RM1.43 billion, an increase of RM20.20 million. The insignificant change in revenue was mainly due to delay in the start of secured projects as well as delay in the award of new projects that were anticipated.

The Group has a current order book of RM2.71 billion compared with RM1.15 billion in the previous year. This comprises of RM2.37 billion from the Oil and Gas ('Wasco') segment, RM0.29 billion from the Renewable Energy ('RE') segment and RM0.05 billion from the Industrial Trading and Services ('ITS') segment.

In line with the disclosure of business segments in the financial statements and the discussion and analysis presented in the previous years, factors affecting the Group's performance and risk will be deliberated by segments.

MANAGEMENT DISCUSSION AND ANALYSIS

OIL AND GAS ('WASCO')

Discussion of strategies, operational capabilities to achieve the desired business objectives and results

During the year, Wasco's earnings were mainly driven by multiple projects successfully delivered by the engineering, procurement and construction business and the pipe manufacturing business. The contribution from these two businesses was offset by the low activity level in the pipe coatings business which was affected by delay in the start of secured projects and delay in award of new projects.

Wasco's new pipe coating plant in Qatar was completed and commissioned during 2021 and has secured its first project. Project execution started at the end of 2021 and the impact of this will be seen in 2022. Further projects are under bid at the moment and Wasco is well placed to secure these projects.

Although 2021 proved to be a challenging year for Wasco, as the year progressed, Wasco has seen an uptake in pre award activity levels in all sectors where it has a presence. This gives Wasco the confidence that the short and medium term outlook for it is bright.

Discussion on Key Financial and Operational Indicators for the segment

In 2021, the Oil and Gas segment generated a revenue of RM868.53 million and a loss before taxation of RM110.60 million. The losses were mainly contributed by one-off adjustments for impairments related to Associate and Joint Venture Companies. Excluding this, the segment had a loss before taxation of RM4.87 million. Despite this, the segment generated an EBITDA of RM41.80 million (RM71.11 million excluding one-off adjustments). The results were also affected by the impact that the pandemic had on operations, especially on logistics, human capital movement, as well as the start of secured projects and the award of new projects.

At present, the segment has an order book in excess of RM2.37 billion compared with RM0.87 billion in the previous year. There has been a significant increase in the order book for the pipe coatings business. This is expected to have a positive contribution to the segments results in 2022 and beyond.

The Oil and Gas segment recorded 47,728,040 Man-hours without Loss Time Injury ('LTI') in 2021. Wasco has embarked on various programmes to further enhance its safety culture. These programs are further discussed in the Sustainability Development section of the Annual Report on page 30.

MANAGEMENT DISCUSSION AND ANALYSIS

Discussion of anticipated or known risks that may have a material effect on, among others, the sustainability of the Group's results or operations, financial condition or liquidity

Although we are already seeing more relaxation in the various restrictions previously imposed to contain Covid-19 spread, there is still some lingering uncertainty. Any change in the current plan globally will have a material impact on the Group as it may disrupt operations, mainly in relation to logistics services, human capital movement, cost escalation, new capital spending deferment etc. Such issues are largely beyond Wasco's control. However, the senior management team at Wasco monitors market developments closely and take mitigating actions quickly to contain any impact arising from Covid-19 related events.

The escalating tension from the Ukraine / Russia conflict may impact the supply chain, especially those based out of Europe. There is also a concern on cost escalation due to shortage of supply in the market created by the conflict. Wasco has procurement activity in many different geographical locations with presence of local procurement teams. The procurement teams continue to identify alternative sources of supply where a clear risk arising from this conflict is identified. As a good practise, Wasco also has multiple suppliers for many of the materials and services it uses to mitigate the risk of over reliance on a single source.

Wasco places strong emphasis on a Safety Culture through its HSE programmes. Non-compliance to safety rules and guidelines are viewed seriously and could lead to termination of employment or services in some cases. The policies and procedures are clearly communicated to our employees, contractors and service providers. Management walk about, audit and inspection are carried out periodically to ensure compliance and also to identify any improvements required. Awareness campaigns and regular training are conducted for employees and contractors onsite. Target Key Performance Indicators ('KPI') are also set to create greater accountability.

Wasco operates in 17 countries and 10 plants/yards worldwide. Wasco can be exposed to risk of litigation action by customers, vendors and other parties. Such litigation actions may have material effect on its results. To mitigate the risk, Wasco has a robust system to review contracts and agreements that governs all parties contractual obligations.

Discussion on expectation of future results

The current Ukraine / Russia conflict has resulted in a supply shortage and significant uncertainty in the market. This is reflected by the significant increase in the Brent oil price that stands at USD104/bbl. With many countries sourcing for alternate supply of gas, the capital spend on this sector is expected to show an increasing trajectory in the short to medium term. This will create new opportunities for Wasco. This is expected to have a positive impact on Wasco's results.

Wasco has been predominantly involved in gas development projects for many years now. With gas still expected to be a major source of energy, Wasco is well positioned to secure and execute gas projects for the foreseeable future.

Decarbonisation being the main focus for major energy market participants, Wasco sees opportunities in the short term as these companies invest in upgrading their existing operations with more energy-efficient pumps and compressors, installing LIDAR systems and vapour recovery units and expanding petrochemical production. This will increase the demand for Wasco's products and services using existing resources and core capabilities in many instances.

The push for alternative and renewable energy has opened up new market opportunities for Wasco. The early engagement and positioning of capabilities over the past four years has enabled Wasco to win projects related to hydrogen in Australia. Wasco believes this market will grow steadily over the coming years.

MANAGEMENT DISCUSSION AND ANALYSIS

RENEWABLE ENERGY ('RE')

Discussion of strategies, operational capabilities to achieve the desired business objectives and results

The RE segment comprises of two main units namely Industrial Engineering ("IE") unit and Agro-based Industry ("AI") unit. IE unit is focused on process equipment engineering, fabrication works and steam solution business. AI unit provides steam turbines, oil-room equipment, spare parts, repair and maintenance services to the global palm oil industry and other agricultural related industries.

Successful delivery of process equipment to Mega LNG Project by IE unit in 2020 has warranted the trust from our major customers with the award of the new Second Phase LNG Project in Louisiana, USA, for the contract sum of RM83.19 million. In 2021, IE unit managed to successfully ship and barge out all the large sized equipment via our private jetty at Teluk Panglima Garang ("TPG") yard for the Petronas's Kasawari Gas Development Project and the LNG Canada Project respectively.

IE unit's relocation to our new TPG office cum manufacturing complex in 2021 has fully integrated our operations and strengthened our position as one of the leading process equipment providers in this region.

The increasing demand for sustainable bio-based chemicals has resulted in massive activities in the construction of new oleo chemical processing plants. The increased activities have benefited IE unit and hence, contributed positively to our revenue and profits. IE being one of the major equipment suppliers in the oleo chemical sector won all the six (6) splitters available in 2021. Splitter is the critical component of the oleo chemical plant and is usually awarded only to proven and reliable process equipment fabricators like IE.

Our steam solution business within IE unit managed to secure multiple units of electrostatic precipitator ("ESP") in 2021 with the total project value of RM31.30 million, resulting from a hike in demand for dust emission control equipment in the local palm oil mills ("POM"). The roll-out of the high-efficient single-pass compact boilers, which burn empty fruit bunches ("EFB") as biomass fuel, has captured various interests from industrial players and yielded some major orders.

The AI unit began our first solar power generation for own consumption in August 2021 reducing significantly AI electricity costs. This solar energy project is part of the AI unit's effort and commitment in promoting green energy and lowering carbon emission from our main core activity of assembly and sale of Shinko steam turbines in Malaysia.

During 2021, AI unit diversified into Empty Fruit Bunch Depurating System which remove impurities in the fibres during the production of pulp and papers. The success of this pilot project provides an additional option in the utilization of empty fruit bunches, a bio-waste generated by the palm oil mills.

MANAGEMENT DISCUSSION AND ANALYSIS

To keep abreast with technologies on IOT4.0 to improve efficiency in our products and services, AI unit implemented separate and individual modernisation and digitalisation programs, which include SCADA & PLC Monitoring System and integration of the dust collecting system into the KCP plant. AI has incorporated such technology enhancement in our newly launched DY-30 KCP machine with higher capacity and better performance capturing interests from major palm kernel crushing players.

Apart from sales at AI unit, new service centres and workshops in Medan and Banjarbaru in Indonesia have improved our response time and services to our customers especially in Sumatra and Kalimantan. In view of the COVID-19 situation limiting overseas travelling, our Indonesian operations have been beefed up through local recruitment and training to support the market in Indonesia.

Discussion on Key Financial and Operational Indicators for the segment

For the year under review, the RE segment recorded lower revenue of RM281.96 million as compared to the previous year of RM357.45 million but generated better segment profit of RM28.23 million compared to RM27.66 million in the previous year. Despite challenging market conditions and work restrictions faced during MCO 3.0 in Malaysia, the RE segment managed to produce commendable results and contributed strong positive EBITDA of RM36.99 million to the Group.

The RE segment had an order book of RM251.82 million at the beginning of 2021 and finished the year with an order book of RM292.46 million. Continued strong order books at RE segment indicate better prospects for the coming year as we see further improvement in early 2022.

Discussion of anticipated or known risks that may have a material effect on, among others, the sustainability of the Group's results or operations, financial condition or liquidity

Risks linked to the COVID-19 outbreak are closely monitored at each operating unit to ensure smooth business activities. The RE segment recognises risks associated with supply chain disruptions due to interruption in logistic services, fluctuation in commodity prices, sanctions and embargoes against certain exporting countries. To date, several risk mitigation actions had been implemented, which includes alternative material sourcing to minimise the impact of supply chain disruptions. Movement Control Orders ("MCO") had affected our services rendered to customers by our team during the lockdown periods. New workshops will be located closer to plantation customers to better manage this risk in the future.

Fixed price contracts posed major risk to RE's performance, and foreign currency fluctuation also threatens its overall profit margin. Execution delays might have attributed to lower revenue and resulted in weaker earnings in the RE segment. The management is actively building up its source of recurring income to cushion the impact of fixed price contracts. Various efforts to broaden customers base and diversification of products range have enabled RE to ease reliance on certain sectors and customers.

Discussion on expectation of future results

The global oleo chemicals industry is experiencing overwhelming expansion as the shift and reliance on sustainable chemicals are the key drivers for this major growth.

MANAGEMENT DISCUSSION AND ANALYSIS

The production of sustainable, bio-based chemicals has increased as consumers are considering environmentally friendly products and the cost-benefits deriving from plant-based and biodegradable chemicals. To meet these market demands, manufacturers are looking for oleo chemicals as sustainable alternatives in the chemical sourcing industry. The market volume is expected to grow at a steady compounded annual growth rate over the next few years.

Historical record high CPO prices coupled with strong crude oil price have encouraged more CAPEX investments by industry players into these related sectors. Despite the recent surge in inquiries and higher order books secured, outlook for 2022 remains cautiously optimistic due to uncertainties in global commodity prices, risk of supply chain disruptions and fluctuations in the currency exchange market.

INDUSTRIAL TRADING & SERVICES ('ITS')

Discussion of strategies, operational capabilities to achieve the desired business objectives and results

The ITS segment like most businesses in Malaysia was not spared the operational setbacks due to the on-going Covid-19 pandemic that saw further movement control orders being imposed in the country in 2021. Both ITS units namely the distribution of building materials and the provision of construction equipment and power systems were significantly disrupted. Nevertheless, due to proactive operational changes implemented to enable remote operations during the first year of Covid-19, the segment was able to continue to conduct businesses away from our offices and facilities thereby continuing to meet customer and market requirements during the challenging period.

The segment having anticipated a prolonged slowdown due to the pandemic has strategised during the year under review to supplement our core activities by focusing on collection of trade receivables and continuing our efforts to optimise inventory thus ensuring a leaner operational balance sheet. ITS units were also supported by certain critical economic segments that were compelled to continue operating despite the lockdowns such as datacentres and logistic facilities.

Global inflationary pressure on cost of commodities, basic materials and shipping rates saw significant rise in the cost of building materials and the specialised equipment that we distribute. Markets remained price elastic in that buyers have been able to continue to absorb the price increases, though this may not necessarily last or be healthy to demand along the supply chain in the longer term. As distributors, the cost increases did not translate to higher margins to the division but if selling prices remain firm even when demand normalises post-pandemic then the situation could result in higher revenue and broader nominal profits.

During the year, ITS reinvested RM13.50 million into our associate Spirolite whereby under the direction of the Lesso China Group the business is expected to expand its product offerings into synergistic segments such as PVC pipes and fittings. Margins in the plastic pipes sector continue to remain firm due to shortage of raw materials as well as consolidation in the industry. Meanwhile, the segment will continue to pursue monetisation of non-core assets such as land and properties to further strengthen the Group's operating cash flows.

Discussion on Key Financial and Operational Indicators for the segment

Despite a difficult year, the ITS segment recorded revenue of RM278.77 million for the year under review and a segment profit of RM11.38 million, including a one-off gain on disposal of property of RM7.47 million. The segment generated an EBITDA of RM13.99 million, including the said one-off gain.

The ITS segment had an order backlog of RM28.82 million at the beginning of 2021 and finished the year with an order backlog of RM54.10 million.

Discussion of anticipated or known risks that may have a material effect on, among others, the sustainability of the Group's results or operations, financial condition or liquidity

Global economy and politics remain volatile and such macro factors may have unforeseen negative spillover effects on the Malaysia economy. Despite optimism that markets are expected to normalise as we move towards acceptance of Covid-19 as endemic, global uncertainties may stunt the recovery of the Malaysian economy, which in turn may affect the main economic pillars such as construction, infrastructure and mining. Rising interest rates could lead to higher input cost resulting in cost escalation which may be difficult to pass on through the supply chain.

Discussion on expectation of future results

Malaysia is expected to continue to roll out major infrastructure development and construction activities such as MRT 3 in order to keep the engines of the economy chugging forward. Industry players are eager to move on after two long years of the Covid-19 pandemic, hence there is optimism of positive growth in 2022. Malaysia's position as a net exporter of crude and palm oil will cushion the country's fiscal exposures during this period of significant global uncertainty, thereby possibly attracting further investments for funds seeking a more stable and resilient outlook. The ITS segment will continue to focus on our core activities of distribution of building materials and construction equipment to key players of the construction and infrastructure industries. Growing investments in the digital infrastructure of Malaysia both by the public and the private sectors will result in stronger demand for our power system solutions such as generator sets.

PROFILE OF THE BOARD OF DIRECTORS

DATO' SERI ROBERT TAN CHUNG MENG
Non-Independent Non-Executive Chairman

Dato' Seri Robert Tan, a Malaysian, male, aged 69, was appointed Chairman of Wah Seong Corporation Berhad ("WSC") on 22 May 2002.

Dato' Seri Robert Tan has vast experience in property development, hotel construction, retail design and development as well as corporate management with more than 30 years' experience in the property and hotel industries. After studying Business Administration in the United Kingdom, he was attached to a firm of Chartered Surveyor for a year. He had also developed a housing project in Central London before returning to Malaysia. His stint in the property industry began with IGB Corporation Berhad ("IGB Corp") in 1995 when he was appointed Joint Managing Director and subsequently Group Managing Director in 2001.

Dato' Seri Robert Tan was involved in various development projects carried out by IGB Group, in particular Mid Valley City. From inception to the realisation of Mid Valley Megamall ("MVM") and The Gardens Mall ("TGM"), he was actively involved in every stage of their developments. He is instrumental to the development and success of MVM and TGM, and more importantly, in retaining their positions as prime shopping hotspots in the Klang Valley.

Following the de-listing of IGB Corp from the Official List of Bursa Malaysia Securities Berhad, Dato' Seri Robert Tan was appointed as Group Chief Executive Officer of IGB Berhad on 30 March 2018 and retains his position as Group Managing Director of IGB Corp, Managing Director of IGB REIT Management Sdn. Bhd. (the Manager of IGB Real Estate Investment Trust), a Director of Tan & Tan Developments Berhad (a property division of IGB Corp), and a Trustee of Yayasan Tan Kim Yeow. He also sits on the Board of several private limited companies.

CHAN CHEU LEONG
Managing Director/Group Chief Executive Officer

Mr Chan, a Malaysian, male, aged 71, is the Managing Director and Group Chief Executive Officer of WSC. He was appointed to the Board of WSC on 22 May 2002. He is responsible for the overall business and management operations of the WSC Group.

Mr Chan attained a Bachelor of Science (Hon) Degree in Engineering Production in 1974 from the University of Birmingham under a Colombo Plan Award and began his career by joining the Singapore Administrative Service. He left the Ministry of Finance, Singapore in 1976 to pursue his Master in Business Administration from the London Business School.

Upon successful completion of the same, he joined ESSO Production Malaysia Incorporated as their Senior Financial Analyst before joining Tractors Malaysia Berhad as their Group Treasurer in 1981. Thereafter, he left to become the Group Executive Director for General Corporation Berhad from 1984 to 1990 before assuming the position of Managing Director of Tan & Tan Developments Berhad from 1990 to 1995. In 1994, he established Wah Seong Industrial Holdings Sdn. Bhd. and subsequently formed WSC, which was listed on the Main Market of Bursa Malaysia Securities Berhad on 9 July 2002. He has extensive experience in the property, manufacturing and financial fields. Mr Chan is a Trustee of Yayasan Wah Seong and former member of Sustainable Energy Development Authority (SEDA) Malaysia (retired on 31 January 2019). He is also a member of the Advisory Council of Federation of Malaysian Manufacturers (FMM). He also sits on the Board of several other private limited companies.

PROFILE OF THE BOARD OF DIRECTORS

GIANCARLO MACCAGNO
Deputy Managing Director

Mr Maccagno, an Italian, male, aged 58, was first appointed as an Executive Director of WSC on 1 June 2004 and subsequently promoted to be the Deputy Managing Director on 1 January 2007. Mr Maccagno is also the Chief Executive Officer of the Wasco Energy Group of Companies. He is responsible for the overall business and management operations of the Wasco Group.

Mr Maccagno attained his Bachelor in Business Administration from Tecnico Commerciale Maddalena Adria (RO) Italy in 1982, after which he worked with Socotherm S.R.L, Italy from 1984 to 1987 as a Trainee in Production and Project Management. He was appointed as Project Manager for Socotherm S.R.L in Nigeria from 1987 to 1990 and was briefly seconded to Petro-Pipe Industries (M) Sdn. Bhd. ("PPI") in 1990 to assist in the setting up of PPI's coating plant in Kuantan, Malaysia. After serving as Country Manager for Socotherm S.R.L in Taiwan from 1991 to 1992, he returned to Malaysia in 1993 to be the General Manager of Wasco Coatings Malaysia Sdn. Bhd. in Kuantan, Malaysia. He has vast experience in the global pipe coating business and the Oil and Gas business in general.

Mr Maccagno is a Director of Petra Energy Berhad. He also sits on the Board of several other private limited companies.

HALIM BIN HAJI DIN
Independent Non-Executive Director

Encik Halim, a Malaysian, male, aged 75, was appointed to the Board of WSC on 22 May 2002.

Encik Halim is a Chartered Accountant who spent more than 30 years working for multinational corporations and international consulting firms. He accumulated 18 years of experience working in the oil and gas industry - 6 years of which as a Board member of Caltex/Chevron, responsible for financial management before engaging in the consulting business. Prior to his appointment as a Board member of Caltex Malaysia, he served as Regional Financial Advisor for Caltex Petroleum Corporation Dallas, Texas, overseeing the investment viability of the corporation's Asian subsidiaries.

He also had an extensive experience in corporate recovery when he worked for Ernst & Whinney, London, United Kingdom in mid-1980's. He was appointed as Managing Partner of the consulting division of Ernst & Young Malaysia from 1995. He later became the Country Advisor of Cap Gemini Ernst & Young Consulting Malaysia when Cap Gemini of France merged with Ernst & Young Consulting. In 2003, he with two partners took over the consulting business of Cap Gemini Ernst & Young Malaysia through a management buyout and rebranded it as Innovation Associates, currently known as IA Group, where he is currently the Chairman of the group.

He was a Council Member of the Malaysian Institute of Certified Public Accountants (MICPA) from 1994 to 2003. He previously served as an Independent and Non-Executive Director on the board of MMC Corporation Berhad (5 years), Takaful Ikhlas Berhad (10 years), Employees Provident Fund (4 years), Kwasa Land Sdn. Bhd. (3 years) and BNP Paribas Berhad (9 years). He is the fellow member of MICPA and Malaysian Institute of Accountants.

PROFILE OF THE BOARD OF DIRECTORS

TAN SRI PROFESSOR LIN SEE YAN
Senior Independent Non-Executive Director

Tan Sri Lin, a Malaysian, male, aged 82, was appointed to the Board of WSC on 20 July 2004.

Professor Lin, a British Chartered Scientist, is a Harvard educated economist. Qualified as Malaysia's first Chartered Statistician, he graduated from the University of Malaya in Singapore and Harvard University (where he received three (3) degrees, including a PhD in Economics). He is Pro-Chancellor, Universiti Teknologi Malaysia; Pro-Chancellor & Research Professor at Sunway University; Professor of Economics (Adjunct), Universiti Utara Malaysia; Eisenhower Fellow; and President, Harvard Club of Malaysia.

Prior to 1998, he was Chairman/President and Chief Executive Officer of Pacific Bank and for fourteen (14) years previously, Deputy Governor of Bank Negara Malaysia, having been a central banker for thirty four (34) years. Tan Sri Professor Lin continues to serve the public interest, including member of a number of key Committees at Ministry of Higher Education; Member, Asian Shadow Financial Regulatory Committee; Economic Advisor, Associated Chinese Chambers of Commerce and Industry of Malaysia; Governor, Asian Institute of Management, Manila; Board Director, Sunway University; and Chairman Emeritus, Harvard Graduate School Alumni Council at Harvard University in Cambridge (USA) as well as its Senior Associate.

Tan Sri Lin advises and sits on the Boards of a number of publicly listed and private businesses in Malaysia as well as ASEAN. He is also a Director of Ancom Berhad, Sunway Berhad, IGB REIT Management Sdn. Bhd. as well as IGB Commercial REIT, and Nylex (Malaysia) Berhad.

TAN JIAN HONG, AARON
Non-Independent Non-Executive Director

Mr Tan Jian Hong, Aaron, a Malaysian, male, aged 38, was appointed to the Board of WSC on 25 May 2015.

Mr Tan holds a Bachelor of Arts in Economics from Johns Hopkins University, Baltimore, Maryland, USA.

Mr Tan began his career as a Financial Advisor Associate with UBS Financial Services, Inc from 2008 to 2010. He was promoted to become a Branch Analyst, specializing in private wealth management in 2010. In 2011, he returned to Malaysia and joined Hong Leong Investment Bank as a Client Relationship Executive until 2013. In 2013, he moved on to join Wasco Energy Ltd Group, an international Oil and Gas and Industrial Services Group as Project and Operations Senior Manager. Mr Tan sat on the Board of Yi-Lai Berhad (YLB) from 2014 to 2020. He was responsible for the strategic business direction of the YLB Group and played an active role in the overall management.

In 2021, Mr Tan had taken up the investment advisory roles at Astrid Hill Asset Management Pte. Ltd. and K3 Ventures Pte. Ltd..

Mr Tan was appointed as an Alternate Director to Mr Tony Tan Choon Keat on the Board of IGB Berhad (formerly known as IGB Corporation Berhad) from November 2016 till April 2018.

He also sits on the Board of several private limited companies.

PROFILE OF THE BOARD OF DIRECTORS

TAN SRI SAW CHOO BOON
Independent Non-Executive Director

Tan Sri Saw Choo Boon, a Malaysian, male, aged 75, was appointed to the Board of WSC on 6 April 2018.

Tan Sri Saw holds a Bachelor of Science (Chemistry) Honours from the University of Malaya. He joined Shell Malaysia in 1970 and served in various capacities in Manufacturing, Supply, Trading and Planning in Malaysia, Singapore and Netherlands.

He was appointed Managing Director of Shell MDS (Middle Distillate Synthesis) Sdn. Bhd. in 1996. In 1998, he became the Managing Director of Shell Malaysia Trading Sdn. Bhd., Shell Timur Sdn. Bhd. and Shell Refining (FOM) Berhad, responsible for Shell Malaysia's Downstream business.

In 1999, with the globalisation of the Shell Oil Products business, he assumed the role of Vice-President of the Commercial business in the Asia-Pacific region and in 2005, he managed Shell's Marine Oil Products business globally.

He was appointed Chairman of Shell Malaysia in 2006 till his retirement in 2010 after 40 years of continuous service.

He has served on many Boards including Shell Refining Berhad, Heineken Malaysia Berhad, Ranhill Utilities Berhad, RHB Bank Berhad, and Digi.Com Berhad.

Currently, Tan Sri Saw is the Chairman of Sentral REIT Management Sdn. Bhd. (formerly known as MRCB Quill Management Sdn. Bhd.). He is also a Board member of Socio-Economic Research Centre Sdn. Bhd. of Associated Chinese Chambers of Commerce and Industry Malaysia and a Council Member of the Federation of Malaysian Manufacturers.

Notes:-

Family relationship with Directors and/or major shareholders

1. Dato' Seri Robert Tan Chung Meng and Mr Tony Tan Choon Keat are siblings.
2. Mr Tan Jian Hong, Aaron is the son of Mr Tony Tan Choon Keat and nephew of Dato' Seri Robert Tan Chung Meng.
3. Dato' Seri Robert Tan Chung Meng and Mr Tony Tan Choon Keat are deemed major shareholders of WSC and their interest in the securities of WSC are set out in the Analysis of Shareholdings of this Annual Report.

Saved as disclosed herein, none of the Directors have any family relationship with any Directors and/or major shareholders of WSC.

Conflict of interest

None of the Directors have any conflict of interest with WSC.

Convicted of offences

None of the Directors have been convicted for any offence within the past five (5) years other than possible traffic offences.

PROFILE OF THE KEY SENIOR MANAGEMENT

WOO YING PUN, IRENE
Group Company Secretary

(Please refer to her profile under Corporate Governance Overview Statement)

Notes:-

Directorship in public/public listed companies

None of the Key Senior Management ("KSM") members are holding any directorship in public/public listed companies.

Family relationship with Directors and/or major shareholders

None of the KSM members have any family relationship with any Directors and/or major shareholders of WSC.

Conflict of interest

Saved as disclosed herein, none of the KSM members have any conflict of interest with WSC.

Convicted of offences

None of the KSM members have been convicted for any offence within the past five (5) years other than possible traffic offences.

1. ROLE OF THE AUDIT COMMITTEE

The primary function of the Audit Committee (“AC”) is to assist the Board of Directors (“the Board”) in fulfilling the following oversight objectives on the Group’s activities:-

- assess the Group’s processes relating to its risks and control environment;
- oversee financial reporting;
- review the internal and external audit reports; and
- assess the suitability, objectivity and independence of the External Auditors.

The Terms of Reference (“TOR”), including the duties and responsibilities of the AC are available on the Company’s website at www.wahseong.com.

The TOR was last reviewed by the Board on 24 February, 2022.

2. MEMBERS AND MEETINGS

The AC meets regularly at least five (5) times annually, with due notice of issues to be discussed and its conclusions duly recorded in the minutes by the Group Company Secretary who is the Secretary of the AC in attendance towards discharging of its duties and responsibilities. In the event the Secretary is unable to attend any of the meetings, an assistant or deputy Secretary may be appointed for that specific meeting. Additional meetings may be held at the request of the Board, the AC, the Management and the External or Group Internal Auditors.

Nonetheless, the Chairman and the AC members have free and direct access to consult, communicate and enquire with any Senior Management of the Group as well as the External Auditors at any time.

The Chief Financial Officer of Oil and Gas Division, the Head of Finance, Industrial Services Division and the Head of Group Internal Audit attend such AC Meetings and the representative of the External Auditors are encouraged to attend whenever possible. Other Directors may be invited to attend such AC Meetings when necessary. The AC will meet the External Auditors at least twice a year without the presence of any executive Board members and the Management.

Members and details of attendance of Directors at the AC Meetings of the Company for the financial year ended 31 December 2021 are as follows:-

Name of Director	Directorship	Date of Appointment	No. of Meetings Attended
Halim Bin Haji Din (Chairman)	Independent Non-Executive Director	22 May 2002	5/5
Tan Sri Professor Lin See Yan (Member)	Senior Independent Non-Executive Director	20 July 2004	5/5
Tan Jian Hong, Aaron (Member)	Non-Independent Non-Executive Director	3 June 2015	5/5
Tan Sri Saw Choo Boon (Member)	Independent Non-Executive Director	30 August 2018	5/5

3. SUMMARY OF ACTIVITIES

During the financial year under review, the AC conducted its activities in line with the TOR, as follows:-

3.1 Financial Reporting

In overseeing the Group’s financial reporting, the AC reviewed quarterly reports and the annual audited financial statements of the Group before submission to the Board for consideration and approval.

AUDIT COMMITTEE

The Quarterly Financial Statements for the fourth quarter of 2020 and first, second and third quarters of 2021, which were prepared in compliance with the Malaysian Financial Reporting Standard 134 Interim Financial Reporting, International Accounting Standards 34 Interim Financial Reporting and paragraph 9.22, including Appendix 9B of Bursa Malaysia Securities Berhad's Main Market Listing Requirements, were reviewed by the AC at the AC meetings held on 23 February 2021, 19 May 2021, 26 August 2021 and 22 November 2021 respectively.

On 23 February 2021, the AC reviewed the key findings by the External Auditors, PricewaterhouseCoopers PLT ("PwC"), for the financial year ended 31 December 2020 and subsequently on 13 April 2021, the AC reviewed the Audit Committee Report in respect of the significant audit, accounting and control matters in respect of the audit for the financial year ended 31 December 2020 as presented by PwC together with the Audited Financial Statements of the Company and the Group for the financial year ended 31 December 2020.

The recommendations of the AC were presented to the Board for approval at the respective subsequent Board meetings.

3.2 Annual Report and Circular to Shareholders

- a. To ensure compliance with Bursa Malaysia Securities Berhad's Main Market Listing Requirements, the AC reviewed and approved the WSC Annual Report 2020 in particular the Management Discussion and Analysis, Sustainability Statement, Audit Committee Report, Remuneration Committee Report, Nomination Committee Report, Corporate Governance Overview Statement, Additional Compliance Information, Statement on Risk Management and Internal Control, Statement of Directors' Responsibilities and Summary of Significant Recurrent Related Party Transactions on 13 April 2021 and the same were recommended to the Board for their approval.
- b. On 23 March 2021, the AC had via its Circular Resolution of the AC duly approved the Company's draft Circular to Shareholders in relation to the proposed renewal of shareholders' mandate together with the proposed new shareholders' mandate for the new recurrent related party transaction of a revenue or trading in nature and the same was submitted to Bursa Malaysia Securities Berhad on 23 March 2021 for their limited review and approval.
- c. On 13 April 2021, the AC reviewed the Company's Circular to Shareholders pertaining to the following proposals prior to the Circular to Shareholders being printed and published on the Company's website:-
 - Proposed renewal of shareholders' mandate for the existing recurrent related party transactions of a revenue or trading nature and provision of financial assistance between the Company and/or its subsidiaries; and
 - Proposed new shareholders' mandate for additional recurrent related party transaction of a revenue or trading nature between the Company and/or its subsidiaries.
- d. The AC reviewed the amendments to the Company's Constitution at the AC Meeting held on 13 April 2021 and the same was recommended to the Board of Directors for their review and approval for tabling at the AGM of the Company held on 21 May 2021.
- e. On 13 April 2021, the AC reviewed the Company's Share Buy-Back Statement and the proposed renewal of authority to buy-back its own shares by the Company and the same were recommended to the Board of Directors for their approval.

3.3 External Auditors

- a. The AC at its meeting held on 23 February 2021, reviewed the annual assessment of the performance of PwC in respect of the financial year ended 31 December 2020 based on the following areas:-

- Calibre of External Auditors;
- Quality processes/performance;
- Audit team;
- Independence and objectivity;
- Audit scope and planning;
- Audit fees; and
- Audit communications.

Being satisfied with their performance, technical competency and audit independence, the AC recommended the re-appointment of PwC as the External Auditors of the Group for the financial year ended 31 December 2021 to the Board for approval accordingly.

The Board had since tabled the same to the Company's shareholders for their approval at the Annual General Meeting ("AGM") of the Company held on 21 May 2021.

- b. The AC had two (2) private meetings with the External Auditors on 23 February 2021 and 26 August 2021 respectively, without the presence of the Group Chief Executive Officer, the Executive Directors, Senior Management and Internal Auditors.

There were no areas of concern raised by PwC that need to be escalated to the Board.

- c. On 26 August 2021, the AC reviewed the Audit Plan prepared by the External Auditors for the financial year ended 31 December 2021 outlining the detailed terms and responsibilities of PwC and PwC's affirmation of their independence as External Auditors, areas of audit emphasis based on significant risks, scope of audit, audit reporting timeline, reliance and working with the Internal Auditors, Information Technology systems for Audit Support, Audit Innovation Tools, development in laws and regulations, new auditing and accounting standards and PwC's action plans on how to go about working efficiently and effectively and team work with the Management of the Group.
- d. On 23 February 2021, the AC reviewed and deliberated on the External Auditors' revised audit fees for the WSC Group in respect of the financial year ended 31 December 2020 and the same was recommended to the Board for their approval.
- e. On 26 August 2021, the AC reviewed and deliberated on the audit and non-audit fees incurred for services provided by the External Auditors throughout their terms of engagement for the financial year under review and PwC's confirmation of their audit independence.
- f. On 22 November 2021, the AC reviewed the WSC Group Interim Audit Report presented by PwC for the financial year ended 31 December 2021 which covered the scope of audit involving the tests of controls over Management's processes surrounding revenue and receivables, purchases and payables, treasury, payroll and inventory cycles and test of details performed on certain subsidiaries within the Group and PwC's confirmation of their audit independence.
- g. The AC had obtained confirmation from the External Auditors confirming their independence and that they were not aware of any non-audit services that had compromised their independence as External Auditors of the Group throughout their terms of engagement for the financial year under review.

3.4 Recurrent Related Party Transactions

- a. On 23 February 2021, 19 May 2021, 26 August 2021 and 22 November 2021 respectively, the AC reviewed all related party transactions and recurrent related party transactions to ensure that they were within the mandate obtained from the shareholders of the Company.
- b. The AC at its meeting held on 13 April 2021 reviewed the following proposals of the Group for inclusion in the Circular to Shareholders pursuant to Bursa Malaysia Securities Berhad's Main Market Listing Requirements for the Board's approval:-
 - The proposed renewal of shareholders' mandate for the existing recurrent related party transactions of a revenue or trading nature and provision of financial assistance between the Company and/or its subsidiaries; and
 - The proposed new shareholders' mandate for additional recurrent related party transaction of a revenue or trading nature between the Company and/or its subsidiaries.

3.5 Risk Management

On 23 February 2021, 19 May 2021, 26 August 2021 and 22 November 2021 respectively, the AC reviewed and deliberated on the key and significant risks presented and discussed at the respective Risk Management Committee meetings held quarterly taking into consideration of the Group risks profile and risk appetite and the mitigation measures to be taken.

3.6 Internal Audit

- a. On 23 February 2021, 19 May 2021, 26 August 2021 and 22 November 2021 respectively, the AC reviewed the major findings in the Internal Audit Reports prepared by the Group Internal Audit together with the recommendations and the Management's response to the findings.
- b. On 23 February 2021, the AC reviewed the revised Group Internal Audit Plan for the financial year ended 31 December 2021 ("FY 2021") which encompassed the audit activities, manpower planning, confirmation of independence, estimated audit man-days and proposed budget for FY 2021.
- c. On 22 November 2021, the AC reviewed the Group Internal Audit Plan for the financial year 2022 ("FY 2022") which encompassed the proposed audit engagements, proposed entities and processes with scope of audit, estimated man-days, proposed budget for FY 2022, proposed key performance indicators, organization chart of Group Internal Audit, confirmation of independence, quality assurance review and performance review for FY 2021.

3.7 Capital Expenditure

On 23 February 2021, 19 May 2021, 26 August 2021 and 22 November 2021 respectively, the AC reviewed the capital expenditures on a quarterly basis to monitor and ensure that the expenditures were within the approved budget for 2020 and the budget being approved for the first, second and third quarters of 2021 respectively.

3.8 Others

- a. The AC had been progressively reviewing the strategic investments of the WSC Group during the financial year under review and in making the necessary decisions.
- b. The AC had been progressively reviewing the internal control issues of the WSC Group and the relevant improvements and recommendations as highlighted by both the External and Internal Auditors.
- c. The AC had on 23 February 2021, 19 May 2021 and 26 August 2021 deliberated on the progress, updates and findings of the Internal Quality Audit conducted on the Anti-Bribery Management System of Wasco Management Services Sdn. Bhd., an indirect wholly-owned subsidiary of the Company, being the entity pursuing the ISO 37001 Certification by SIRIM.

4. INTERNAL AUDIT FUNCTION

The AC is assisted by the Group Internal Audit (“GIA”) in providing independent and objective assurance to the Group to accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance. The Head of GIA has functional reporting to the Audit Committee and administratively reports to the Managing Director/Group Chief Executive Officer and the Deputy Managing Director.

The GIA had conducted risk-based audit engagements as stipulated in the annual Internal Audit Plan for financial year 2021 (“FY 2021”). Significant audit findings with regards to risk, control and governance covered various scope including information technology review which had high impact were discussed with senior management, of which also including the agreed action plans committed by the line management. The audit reports were presented quarterly to the AC for deliberation. Follow up review on the audit engagements were also conducted on every quarter to ensure proper and effective remedial actions have been taken by the line management to close control gaps highlighted by the GIA. All the internal audit activities and processes were performed as guided by the Internal Audit Charter and the GIA Standard Operating Procedure.

A summary of the Internal Audit activities performed during the financial year under review are as following:-

- a. completed 4 risk-based audit engagements and presented those reports to AC, of which focused on review of various scope including operations, support functions and business entities of the Group to ascertain the adequacy and effectiveness of risk, control and governance processes;
- b. performed follow-up review on quarterly basis to assess the adequacy, effectiveness and timeliness of actions taken by the line management;
- c. tabled the Annual Audit Plan and budget for FY 2022 to AC for review and approval; and
- d. presented the Internal Audit Charter to AC for annual review and approval.

The total costs incurred in FY 2021 for GIA amounted to RM696,414 (2020: RM732,157).

REMUNERATION COMMITTEE

1. MEMBERS AND MEETING

Members and details of attendance of Directors at the Remuneration Committee ("RC") Meeting of the Company for the financial year ended 31 December 2021 are as follows:-

Name of Director	Directorship	Date of Appointment	No. of Meeting Attended
Tan Sri Saw Choo Boon (Chairman)	Independent Non-Executive Director	25 February 2019	1/1
Halim Bin Haji Din (Member)	Independent Non-Executive Director	22 May 2002	1/1
Tan Sri Professor Lin See Yan (Member)	Senior Independent Non-Executive Director	25 August 2014	1/1

2. ROLE OF THE RC

The RC shall set the policies and procedures to determine the remuneration of the Company's Board of Directors and Senior Management, drawing from outside advise as necessary with the objective of ensuring:-

- that the Company's Directors and Senior Management are fairly rewarded for their individual contributions to the Company's overall performance;
- that the levels of remuneration are sufficient to attract and retain the Directors and Senior Management needed to run the Company successfully;
- that the levels and composition of remuneration of Senior Management take into account the Company's intention to attract and retain the right talents to drive the Company's long-term objectives ; and
- that the levels of remuneration for Directors and Senior Management are based on the Company's performance in managing material sustainability risks and opportunities.

The determination of remuneration packages of Non-Executive Directors, including Non-Executive Chairman should be a matter for the Board as a whole.

The individuals concerned should abstain from discussion of their own remuneration.

3. TERMS OF REFERENCE

i. Composition

The RC shall be headed by a Non-Executive Chairman and its members shall comprise exclusively of Non-Executive Directors, a majority of whom are independent.

ii. Quorum of Meetings

A minimum of two (2) RC Members present in person shall constitute the quorum.

Any other person(s) may be invited or determined by the RC and/or the RC Chairman from time to time to attend the RC meeting.

iii. RC Members

The RC Members are as disclosed above.

iv. Majority Decision

All decisions of the RC shall be decided on the votes of the simple majority of those Members present. However, no Executive Director shall participate in the discussion of his own remuneration.

Any decision or recommendation made at the RC shall be subject to the review and ultimate approval of WSC's Board of Directors.

v. Casting Vote

In the event there be an equality of votes, then the Chairman of the meeting shall have a casting vote.

vi. Frequency of Meetings

The RC shall meet at least annually or at such other frequency as the Chairman may determine.

vii. Notice of Meetings

Minimum seven (7) days or such shorter notice as the RC may deem fit depending on the nature and prevailing circumstances at hand.

viii. Secretary

The Group Company Secretary shall be the Secretary for the RC. In the event the Company Secretary is unable to attend, an assistant or deputy Secretary(s) may be appointed for that specific meeting.

ix. Minutes of Meetings

The Secretary (which expression shall include the assistant or deputy Secretary appointed under item (viii)) shall table the minutes of each RC Meeting and shall circulate the same for each Members' record. The Chairman's confirmation of the Minutes shall be taken as a correct record of the proceedings thereat.

The Chairman shall report on the outcome or decision of each meeting to the Board.

x. Functions of the RC

Without prejudice to the generality of the foregoing, the RC shall:-

- a. Review, recommend and advise on all forms of directors' remuneration e.g.:
 - Basic Salary
 - Profit-sharing schemes (if any)
 - Share options
 - Any other benefits;
- b. To establish a fair, formal and transparent procedures for developing a policy for Board of Directors and Senior Management's remuneration and for fixing the remuneration packages of individual Directors and Senior Management;
- c. To determine the appropriate level of remuneration for Board of Directors and Senior Management based on the Company's performance in managing material sustainability risks and opportunities;
- d. To structure the component parts of the Executive Directors' remuneration so as to link rewards to corporate and individual performance; whereas, in the case of Non-Executive Directors, the level of remuneration should reflect the experience and level of responsibilities undertaken by the particular Non-Executive Director concerned;
- e. Conduct continued assessment of individual Executive Directors to ensure that remuneration is directly related to performance over time.

In this regard, the review of Non-Executive Directors' fees may take place at a different time of the year from the review of Executive Directors' salaries;

REMUNERATION COMMITTEE

- f. To monitor and assess the suitability of such proposed performance related formula (e.g. whether the formula is based on individual performance, company profit performance, earnings per share, etc.) and to see that awards under the Company's share option schemes are consistent with the Company's overall performance and provide an additional incentive to Management;
- g. To provide an objective and independent assessment of the benefits granted to Executive Directors;
- h. To ensure that there are adequate pension arrangements for the Executive Directors;
- i. To consider, the extent of the details of the Board of Directors and Key Senior Management's remuneration to be reported in the Company's Annual Report in compliance with the Malaysian Code on Corporate Governance 2021 and the Main Market Listing Requirements of Bursa Malaysia Securities Berhad;
- j. Introduce any regulation which would enable the smooth administration and effective discharge of the RC's duties and responsibilities;
- k. To furnish a report to the Board of any findings of the RC;
- l. Engage or appoint such other competent and professional advisers/consultants as may be deemed fit to assist the RC in the smooth discharge of its duties herein;
- m. To review the Remuneration Policy/ Framework for the Board of Directors and Senior Management of the Group in order to attract and retain key personnel of requisite quality that increase productivity and profitability in the long run. The Remuneration Policy is available on the Company's website at www.wahseong.com;
- n. To review and determine the appropriate remuneration package for the Board of Directors and Key Senior Management of the Group as follows:-
 - Head Office – Group Chief Executive Officer, Deputy Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Group Company Secretary;
- o. To review the salary increment or adjustment in the event of promotion or re-designation of Key Senior Management of the Group, where necessary;
- p. To review the annual increment and bonus payment for Key Senior Management of the Group basing on the performance of the Group and performance of the individuals, where necessary;
- q. To establish schemes, options and remuneration and compensation plans for the Board of Directors and Key Senior Management of the Group, where appropriate; and
- r. Generally, to decide and implement such other matters as may be delegated by Board of Directors from time to time.

xi. Variation

The above Terms of Reference may be determined and/or varied by the Board of Directors at any time and from time to time.

The Terms of Reference of RC was last reviewed by the Board of Directors on 24 February 2022 and is available on the Company's website at www.wahseong.com.

Dato’ Seri Robert Tan Chung Meng # (Member)	Non-Independent Non-Executive Chairman	22 May 2002	1/1

* Appointed as a Member of the NC with effect from 1 June 2021.

Resigned as a Member of the NC with effect from 1 June 2021.

2. ROLE OF THE NOMINATION COMMITTEE

The NC is responsible for assessing and making recommendations on any new appointments to the Board and its various Board Committees as well as the Directors who are retiring by rotation to be put forward for re-election.

The NC shall set the policy framework and:-

- a. Recommend to the Board, candidates for all directorships to be filled by the shareholders or the Board after considering the candidates’:-
 - skills, knowledge, expertise and experience;
 - professionalism;
 - integrity; and
 - in the case of candidates for the position of Independent Non-Executive Director, to evaluate the candidates’ ability to discharge such responsibilities/functions as expected from the Independent Non-Executive Directors.
- b. Consider, in making its recommendations, candidates for directorships proposed by the Chief Executive Officer and within the bounds of practicability, by any other senior executive or any director or shareholder;
- c. Recommend to the Board, directors to fill the seats on Board Committees;
- d. Promote a diverse Board composition which includes appropriate number of women Directors;
- e. Review the participation of women in Senior Management to ensure there is healthy talent pipeline; and
- f. Oversee the effective succession planning, talent management and human capital development for the Board and key officers.

NOMINATION COMMITTEE

3. TERMS OF REFERENCE

i. Composition

The NC shall be chaired by an independent Director and its members shall comprise exclusively of Non-Executive Directors, a majority of whom are independent.

ii. Quorum of Meetings

A minimum of two (2) NC Members present in person shall constitute the quorum.

Any other person(s) may be invited by the NC and/or the NC Chairman from time to time to attend the NC meeting.

iii. NC Members

The existing NC Members are as disclosed above.

iv. Majority Decision

All decisions of the NC shall be decided on the votes of the simple majority of those Members present.

Any decision or recommendation made by the NC shall be subject to the review and ultimate approval of the Company's Board of Directors.

v. Casting Vote

In the event there be an equality of votes, then the Chairman of the meeting shall have a casting vote.

vi. Frequency of Meetings

The NC shall meet at least annually or at such other frequency as the Chairman may determine.

vii. Notice of Meetings

Minimum seven (7) days or such shorter notice as the NC may deem fit depending on the nature and prevailing circumstances at hand.

viii. Secretary

The Group Company Secretary shall be the Secretary for the NC. In the event that the Group Company Secretary is unable to attend, an assistant or deputy Secretary may be appointed for that specific meeting.

ix. Minutes of Meetings

The Secretary (which expression shall include the assistant or deputy Secretary appointed under item (viii)) shall table the Minutes of each NC Meeting and shall circulate the same for each Members' record. The Chairman's confirmation of the Minutes shall be taken as a correct record of the proceedings thereat.

The Chairman shall report on the outcome and decision of each meeting to the Board.

x. Roles of the Chairman of NC

The Chairman of the NC shall lead the succession planning and appointment of Directors and oversee the development of a diverse pipeline for board and management succession, including the future Chairman, Executive Directors and Chief Executive Officer. The Chairman shall also lead the annual review of board effectiveness, ensuring that the performance of each individual Director and Chairman of the Board Committee are independently assessed.

The Chairman shall also assess the Board's effectiveness and the contribution of each individual Director independently in the discharge of their duties and responsibilities.

xi. Roles and Functions of the NC

Without prejudice to the generality of the foregoing, the NC shall:-

- a. Determine the core competencies and skills required of Board members to best serve the business and operations of the Group as a whole and the optimum size of the Board to reflect the desired skills and competencies;
- b. To review and assess the skills, expertise, experience, gender, age, ethnicity, time commitment and independence of its Directors to ensure their relevance and the efficiencies and effectiveness of the Board as a whole including its effectiveness in promoting a diverse Board composition which includes appropriate number of woman Director(s), as required under the Main Market Listing Requirements of Bursa Malaysia Securities Berhad;
- c. Review the size of Non-Executive participation, Board balance and determine if additional Board members are required and also to ensure that at least one-third (1/3) of the Board is independent;
- d. To assess the independency of the Independent Directors;
- e. Recommend to the Board on the appropriate number of Directors to compose the Board which should fairly reflect the investments of the minority shareholders in the Company, and whether the current Board representation satisfies this requirement;
- f. Recommend to the Board, candidates for directorships to be filled by the shareholders or the Board;
- g. Consider in making its recommendations, candidates for directorships proposed by the Chief Executive Officer and, within the bounds of practicability, by any other senior executive or any Director or shareholder;
- h. Recommend to the Board, Directors to fill the seats on Board Committees;
- i. Undertake an annual review of the required mix of skills and experience and other qualities of Directors, including core competencies which Non-Executive Directors should bring to the Board and to disclose this forthwith in every Annual Report;
- j. Assist the Board to introduce a criteria and to formulate and implement a procedure to be carried out by the NC annually for assessing the effectiveness of the Board as a whole, the Board Committees and for assessing the contributions of each individual Director;
- k. Introduce any regulation which would enable the smooth administration and effective discharge of the NC's duties and responsibilities;
- l. To furnish a report to the Board of any findings of the NC;
- m. To recommend to the Board for continuation or discontinuation in service of Directors as an Executive Director or Non-Executive Director;
- n. To recommend Directors who are retiring by rotation to be put forward for re-election;
- o. To recommend to the Board the employment of the services of such advisers as it deems necessary to fulfill the Board's responsibilities;
- p. To review the term of office and performance of the Audit Committee and each of its member annually;
- q. To review the appointment and termination of key officers of the Group as follows:-
 - Head Office – Group Chief Executive Officer, Deputy Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Group Company Secretary;
- r. To review the appointment and resignation of Directors on the Board of subsidiaries, where necessary;
- s. To review the composition, quality, capacity, competencies and effectiveness of the Board of the subsidiaries, where necessary;

NOMINATION COMMITTEE

- t. To review the participation of women in Senior Management to ensure that there is a healthy talent pipeline; and
- u. Generally, to decide and implement such other matters as may be delegated by the Company's Board of Directors from time to time.

xii. Independent Director

Pursuant to Paragraph 1.01 of the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities"), an independent director is one who:-

- (i) is not an executive director of the Company or its related corporation ("Corporation");
- (ii) is not, and has not been within the last 3 years, an officer (except as an independent director) of the Corporation. For this purpose, "officer" has the meaning given in Section 2 of the Companies Act 2016 and it includes any director, secretary or employee of the Corporation;
- (iii) is not a major shareholder of the Corporation;
- (iv) is not a family member of any executive director, officer or major shareholder of the Corporation;
- (v) is not acting as a nominee or representative of any executive director or major shareholder of the Corporation;
- (vi) has not been engaged as an adviser by the Corporation, or is not presently a partner, director (except as an independent director) or major shareholder, of a firm or corporation which provides professional advisory services to the Corporation, under such circumstances as may be prescribed and varied by Bursa Securities from time to time; or
- (vii) has not engaged in any transaction with the Corporation, or is not presently a partner, director or major shareholder, of a firm or corporation (other than subsidiaries of the Company) which has engaged in any transaction with the Corporation, under such circumstances as may be prescribed and varied by Bursa Securities from time to time.

xiii. Succession Planning for Board and Key Officers

The NC shall develop an effective succession planning framework, talent management program, and human capital development process for the Board and the key officers of the Company.

The NC shall oversee the succession planning for the Board members and the key officers.

xiv. Variation

The above Terms of Reference may be determined and/or varied by the Company's Board of Directors at any time and from time to time.

The Terms of Reference of NC was last reviewed by the Board of Directors on 24 February 2022 and is available on the Company's website at www.wahseong.com.

4. BOARD DIVERSITY

The Diversity Policy was established on 27 November 2018, and was last reviewed by the Board on 24 February 2022 whereby the NC is tasked to review and assess the skills, expertise, experience, gender, age, ethnicity, time commitment and independence of its Directors to ensure their relevance and the efficiencies and effectiveness of the Board as a whole on an annual basis or as and when the need arises including its effectiveness in promoting a diverse Board composition which includes an appropriate number of woman Director(s). The Diversity Policy is available on the Company's website at www.wahseong.com.

5. BOARD'S EFFECTIVENESS ASSESSMENT

The NC conducted an annual assessment of the Board's effectiveness as a whole and the contribution of each individual Director in respect of the financial year ended 31 December 2021 using a set of customised self-assessment questionnaires to be completed by the Directors. The results of the self-assessment by Directors and the Board's effectiveness as a whole as compiled by the Group Company Secretary were tabled to the Board for review and deliberation.

The Board was satisfied with the results of the annual assessment and that the current size and composition of the Board is appropriate and well-balanced with the right mix of skills with the Board composition comprising individuals of high calibre, credibility and with the necessary skills and qualifications to enable the Board to discharge its responsibility effectively.

Assessment was also conducted on the Board Committees' effectiveness based on a set of questionnaires to be completed in respect of the financial year ended 31 December 2021 and the NC was pleased with the outcome of the said assessment.

The NC is satisfied with the existing Board composition with regards to the mix of skills, experience, expertise and independence in meeting the required needs of the Company taking into consideration the gender diversity and ethnicity of the members of the Board. The Board is supported by the core Management team having the relevant and appropriate qualifications, experience and competencies in their respective roles and functions.

6. INDEPENDENCE ASSESSMENT OF THE INDEPENDENT DIRECTORS

The NC had conducted an independence assessment of the Independent Directors in respect of the financial year ended 31 December 2021 and the NC was satisfied with the results whereby all the Independent Directors fulfilled the criteria for an Independent Director as prescribed under the MMLR of Bursa Securities.

In conjunction with the above assessment, the NC considered and recommended to the Board of Directors the retention of the following Directors at the forthcoming Twenty-Second Annual General Meeting of the Company:-

- (i) Tan Sri Professor Lin See Yan
- (ii) Encik Halim Bin Haji Din

All whom have served as Independent Non-Executive Directors of the Company for a cumulative term of more than nine (9) years, to continue to act as Independent Non-Executive Directors of the Company.

The NC and the Board taking cognisance of Practice 5.3 of the MCCG 2021, will continue to source for suitably qualified, credible and calibre candidates to assume the positions of the existing Independent Non-Executive Directors whom have exceeded the tenure of more than nine (9) years and to fulfill the requirement of at least one (1) woman Director on the Board.

7. REVIEW OF THE AUDIT COMMITTEE

Pursuant to Paragraph 15.20 of Chapter 15 of the MMLR of Bursa Securities, the NC had conducted a review on the terms of office and performance of the Audit Committee and each of the members annually and was of the opinion that the Audit Committee and each of the members have carried out their duties in accordance with their Terms of Reference.

8. FINANCIAL LITERACY OF AUDIT COMMITTEE MEMBERS

Pursuant to Practice 9.5 of the MCCG 2021, the NC had conducted the financial literacy assessment for each of the Audit Committee members based on a set of questionnaires to be completed in respect of the financial year ended 31 December 2021 and the NC was pleased with the outcome of the assessment.

9. EXTENSION OF THE CONTRACT OF EMPLOYMENT OF THE COMPANY'S MANAGING DIRECTOR/GROUP CHIEF EXECUTIVE OFFICER

At the NC Meeting held on 22 November 2021, the Contract of Employment of Mr Chan Cheu Leong, the Company's Managing Director/Group Chief Executive Officer, was extended for another one (1) year term upon the same terms and conditions and was duly approved by the Board.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Board of Directors (“the Board”) of Wah Seong Corporation Berhad (“WSC” or “the Company”) recognises the importance of practising and upholding good corporate governance in discharging its duties and responsibilities towards enhancing business prosperity, corporate accountability, sustainability and realising and creating ongoing values for its shareholders and stakeholders. Hence, the Board is pleased to present an overview of the extent of the application and compliance of WSC and its Group with the relevant principles and practices of the Malaysian Code on Corporate Governance (“MCCG 2021”) issued by the Securities Commission Malaysia (“SC”) on 28 April 2021, the Guidelines on Conduct of Directors of Listed Corporations and Their Subsidiaries issued by SC on 30 July 2020 and revised on 12 April 2021 (“SC Guidelines on Conduct of Directors”) as well as the Main Market Listing Requirements of Bursa Malaysia Securities Berhad (“MMLR”).

1. BOARD OF DIRECTORS

1.1 Duties and Responsibilities of the Board

The Board is responsible for the strategic planning, overseeing the proper utilisation and management of its resources and operational conduct, financial and non-financial performance, identifying and implementing appropriate systems to mitigate and manage principal risks, reviewing the adequacy and integrity of its internal control, risks management and management information systems and ensuring that a management succession plan, a dedicated investor relation and shareholders’ communication policy are in place in meeting the Company’s goals and objectives.

The Board together with the Managing Director/Group Chief Executive Officer and the respective Management team(s), where applicable, developed the Group’s corporate goals, objectives and policies and setting the appropriate limits of empowerment of its respective Management/Committees’ authority, duties and responsibilities.

The Board exercises due care and diligence in discharging its fiduciary duties and responsibilities and in ensuring that high ethical standards are applied in practising and upholding good corporate governance and through the compliance with the relevant rules and regulations, directives and guidelines and the adoption of the relevant principles and practices of the MCCG 2021 and the SC Guidelines on Conduct of Directors in addition to acting in the best interest of the shareholders, stakeholders and the Group, taking into account diverse perspectives and insights.

The Board has established a Board Charter which sets out the Board’s strategic intent and outlines the Board’s roles and responsibilities including the key values, mission, principles and ethos of the Company. The Board Charter serves as a source of reference for Board members as well as a primary induction literature for new Board members in respect of their duties and responsibilities and the various legislations and regulations governing their conduct with the application of principles and practices of good corporate governance in their business conduct. The Board Charter would be reviewed and updated periodically as and when the need arises. The Board Charter was last reviewed by the Board on 24 February 2022.

The Board Charter clearly spells out the following principal roles and responsibilities of the Board in enhancing Board’s effectiveness in the pursuit of corporate goals and objectives:

- reviewing and adopting the strategic plans and direction of the Group;
- overseeing the governance of sustainability and in setting the Group’s sustainability strategies, priorities and targets;
- overseeing and evaluating the conduct of the Group’s businesses;
- reviewing, challenging and deciding on Management’s proposals and recommendations and monitor their implementation where appropriate;
- identifying principal risks and ensuring that appropriate internal control and risk management and mitigation measures are implemented to manage these risks;
- succession planning including the implementation of appropriate systems for recruitment, training, determining compensation benefits and replacement of Senior Management staff;
- developing and implementing an investor relations programme to enable effective communications with the shareholders and stakeholders;
- supervising and assessing Management’s performance in managing the businesses of the WSC Group;
- reviewing the adequacy and integrity of the internal control systems and management information systems which includes sound system of reporting and in ensuring regulatory compliance with applicable laws, regulations, rules, directive and guidelines;
- ensuring proper accounting and other records are kept to enable the preparation of true and fair financial statements;

CORPORATE GOVERNANCE OVERVIEW STATEMENT

- ensuring an adequate group wide framework is in place to facilitate oversight of group financial and non-financial performance, business strategy and priorities, risk management and corporate governance policies and practices of the Group; and
- ensuring the group wide framework is established on corporate governance to include code of conduct and ethics, policies and procedures on anti-corruption, whistleblowing, managing conflict of interest, managing material sustainability risks and board diversity including gender diversity.

The Board Charter is available on the Company's website at www.wahseong.com.

Apart from the aforesaid principal roles and responsibilities of the Board, the Board also delegates certain responsibilities to its Board Committees with clearly defined terms of reference to assist the Board in discharging its responsibilities. While the Board Committees have their own functions and delegated roles, duties and responsibilities, they will report to the Board with their decisions and/or recommendations. Hence, the ultimate responsibility and decision on all matters lies with the Board.

As an effort to continuously observe high standard of ethical conducts, the Board has established the Company Directors' Code of Ethics on 27 November 2018. The Company Directors' Code of Ethics is available on the Company's website at www.wahseong.com.

The Directors are guided by the SC Guidelines on Conduct of Directors in the discharge of their fiduciary duties towards the Company and the shareholders. The SC Guidelines on Conduct of Directors covers the Conduct Requirements for Directors, Maintaining Proper Records and Accounts and Group Governance in promoting corporate governance practices among the listed corporations in Malaysia.

The Board of Directors has also established the Principles of Business Conduct as guidance for the conduct of the Group's business and on issues pertaining to conflict of interest and related parties which may affect any members of the Board.

The Principles of Business Conduct is available on the Company's website at www.wahseong.com.

The Board has devoted sufficient time in carrying out their duties and responsibilities. The schedule of meetings for the calendar year comprising Board meetings and other Committee meetings is prepared by the Group Company Secretary and sent to members of the Board three months prior to the commencement of the calendar year to notify the Board on the meetings scheduled ahead.

The Group Company Secretary besides overseeing the compliance matters and assisting the Chairman in overseeing the governance matters of the WSC Group, she also plays a pivotal advisory role to the Board and its Committees to ensure that they function effectively. The Group Company Secretary kept abreast with the latest amendments to the laws, acts, regulations, guidelines and codes by attending various relevant talks, seminars, conferences and workshops.

The Board also takes their own initiatives and liberty to regularly update their knowledge and enhance their skills by attending the relevant seminars and talks as listed under item 1.13 Directors' Training.

The members of the Board have maintained the number of other directorships comfortable and manageable by them in respect of time and commitment.

1.2 Board Composition and Balance

During the year under review, the Board is led by the Non-Executive Chairman, Dato' Seri Robert Tan Chung Meng and altogether, comprises of seven (7) members, which includes two (2) Executive Directors, two (2) Non-Independent Non-Executive Directors (including the Non-Executive Chairman) and three (3) Independent Non-Executive Directors.

The composition of the Board reveals their varied background as outlined on pages 42 to 45 of this Annual Report. The Board members are equipped with the relevant skills, knowledge and expertise required for the proper running of the Company's affairs. The effectiveness of the individual Directors and the Board as a whole are assessed annually by the Nomination Committee.

Generally, the Executive Directors along with the Management Team are responsible for making and implementing operational decisions. Non-Executive Directors play a key supporting role, contributing their skills, expertise and knowledge towards the formulation of the Group's strategic and corporate goals and objectives, policies and decisions. The Board collectively made decisions in the best interest of the Company.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

1.3 Board Independence

The number of Independent Directors on the Board complies with Paragraph 15.02, Chapter 15 of the MMLR, which states that at least two (2) Directors or one-third (1/3) of the Board, whichever is higher, shall comprise of Independent Directors. The Independent Directors also fulfilled the criteria of independence as defined in the MMLR. Their presence provides a check and balance in the discharge of the Board function and the Independent Directors' views carry significant weight in all Board deliberations and decision-making.

All Independent Directors act independently of the Management and do not participate in any business dealings and are not involved in any other relationship with the WSC Group that may impair their independent judgement and decision-making.

Annual assessment on the independence of the Independent Directors is conducted annually.

Practice 5.3 of the MCGG 2021 requires the tenure of an Independent Director to not exceed a cumulative term limit of nine (9) years. However, the Nomination Committee and the Board have duly assessed, determined and resolved that the Independent Non-Executive Directors of the Company namely Encik Halim Bin Haji Din and Tan Sri Professor Lin See Yan, who have served on the Board for more than nine (9) years, to remain as Independent Directors based on the following justifications as well as contributions from Encik Halim Bin Haji Din and Tan Sri Professor Lin See Yan, as members of the Board and also members of the respective Board Committees:

- (i) they have fulfilled the criteria of independence as per the definition set out under Chapter 1 of the MMLR;
- (ii) they have the required skill sets, experience and expertise;
- (iii) they understand the Company's industry well and are able to contribute to the effective oversight of the Company's business activities while monitoring their independence;
- (iv) they have performed their duties diligently and provided independent judgements and balanced assessments hence ensured effective check and balance in the proceedings of the Board and the respective Board Committees; and
- (v) they have devoted sufficient time and attention to the duties and responsibilities as Independent Non-Executive Directors of the Company.

Hence, the Board would table the ordinary resolutions to the shareholders at the forthcoming Twenty-Second Annual General Meeting to retain the aforesaid Independent Directors.

The Chairman of the Company and the Board is not an Independent Director. There are three (3) Independent Directors out of seven (7) Board members. The Board believes that its current Board composition provides the appropriate balance in terms of skills, knowledge and experience in creating, protecting and enhancing the interests and values of all shareholders and stakeholders and in overseeing the conduct of businesses and to properly run the WSC Group effectively. As the Chairman is also a shareholder who has substantial interest in the Company, he is well placed to act on behalf of shareholders and stakeholders and in their best interest and in providing Board leadership.

The Board believes in recognising and retaining high performance, talented and dedicated Board members, Senior Management and workforce regardless of gender, ethnicity and age with the required merits, knowledge, experience, expertise, competencies, professionalism, integrity and ability in discharging their responsibility and capability in contributing to the Board and the organisation. Hence, the Board has established a Diversity Policy which came into effect on 27 November 2018. The Diversity Policy is available on the Company's website at www.wahseong.com.

The Board through the Nomination Committee will continuously evaluate suitable candidates for new Independent Directors as well as at least one woman Director on the Board. However, the process should be exercised with due care and careful assessment has to be made based on merits, skills, knowledge, appropriate experience and time commitment to ensure that the candidates would be able to contribute to the effectiveness of the Board.

Hence, the above process is also applicable in the selection and evaluation of suitable candidate for gender, ethnicity and age diversity on the Board.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

1.4 Division of Roles and Responsibilities between the Chairman and the Managing Director/Chief Executive Officer

The Board is led by Dato' Seri Robert Tan Chung Meng as the Non-Independent Non-Executive Chairman and Mr Chan Cheu Leong as the Managing Director/Group Chief Executive Officer.

There is a clear separation between the Chairman's role and the Managing Director/Group Chief Executive Officer's role to ensure a division of responsibilities and a balance of control, power and authority.

The Chairman leads and manages the Board with a keen focus on governance and compliance. In turn, the Board monitors the functions of the Board Committees in accordance with their respective terms of reference to ensure its own effectiveness, while the Managing Director/Group Chief Executive Officer manages the businesses and operations of the Group and implements and develops the Board's decisions, policies and strategies.

The Chairman of the Board does not serve on the Audit Committee, Nomination Committee or Remuneration Committee to ensure check and balance as well as objective review by the Board.

1.5 Senior Independent Non-Executive Director

The Board has identified Tan Sri Professor Lin See Yan as the Senior Independent Non-Executive Director of the Board, to whom concerns relating to the Group may be conveyed by shareholders and other stakeholders.

All concerns relating to the Group can be conveyed to him via his electronic mail address at seeyan.lin@wahseong.com.

1.6 Board Meetings

The Board meetings for each financial year are scheduled before the end of the preceding financial year, to enable the Directors to plan ahead and fit the year's meetings into their own schedules. The Board meets on a scheduled basis of at least four (4) times a year and has a formal schedule of matters specifically reserved for the Board to decide in order to ensure that the direction and control of the Company firmly rests in its hands, for example strategic financial and investment decisions. Additional or ad hoc Board meetings can be convened as and when necessary.

During the financial year ended 31 December 2021, the Board met four (4) times and the details of the attendance of the Board members are as follows:

Director	Directorship	Total Meetings Attended
Dato' Seri Robert Tan Chung Meng	Non-Independent Non-Executive Chairman	4/4
Chan Cheu Leong	Managing Director/Group Chief Executive Officer	4/4
Giancarlo Maccagno	Deputy Managing Director	4/4
Tan Sri Professor Lin See Yan	Senior Independent Non-Executive Director	4/4
Halim Bin Haji Din	Independent Non-Executive Director	4/4
Tan Jian Hong, Aaron	Non-Independent Non-Executive Director	4/4
Tan Sri Saw Choo Boon	Independent Non-Executive Director	4/4

To facilitate productive and meaningful deliberations, the proceedings of the Board meetings are conducted in accordance with a structured agenda with the supply of complete and timely information to enable the Board to discharge their responsibilities effectively and for them to make informed decisions. The Board reviews and deliberates on the Group's financial performance and results, business operations, budgets, reports of the various Board Committees, risks management, business plans, corporate exercises and strategic financials and investments decisions.

In the intervals between Board meetings, any matters requiring urgent Board decisions and/or approvals will be sought via circular resolutions which are supported with all the relevant information and explanations required for an informed decision to be made.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

1.7 Supply of Information

The Board is briefed in a timely manner on all major financial, operational and corporate matters. In order to maintain confidentiality, meeting papers on issues or corporate proposals which are deemed highly confidential and sensitive, would only be distributed to the Directors at the Board meeting itself.

The Board stresses on having timely reports and has full access to quality information which is not just historical or bottom line and financial oriented but information that goes beyond assessing the quantitative performance of the Group and other performance factors e.g. customer satisfaction, product and service quality, market share, market reaction, environmental protection, etc.

The Directors have access to all information within the Company whether as a full Board or in their individual capacity, in furtherance of their duties. Through regular Board meetings, the Board receives updates, written reports and supporting/discussion documents on the development and business operations of the Group, as well as on potential corporate exercises, proposals, mergers and acquisitions. Minutes of the respective Board Committees' meetings are presented at Board meetings. The respective Board Committees' Chairman will brief the Board on major issues deliberated by each of the Board Committees.

The Board either collectively or individually is authorised to seek such independent professional advice as may be considered necessary in furtherance of their duties at the expense of the Company.

The Directors also have access to the advice and services of its qualified Group Company Secretary in the course of discharging their duties and responsibilities and in fulfilling their obligation to statutory requirements, the MMLR or other rules and regulations, either as a full Board or in their individual capacity.

1.8 Group Company Secretary

Ms Irene Woo Ying Pun, the Group Company Secretary of the WSC Group, is a Fellow Member of the Malaysian Institute of Chartered Secretaries and Administrators (MAICSA) and also a Council Member of MAICSA. She is a qualified Chartered Secretary and a Chartered Governance Professional. She heads the Group Corporate Secretarial Department of WSC and is a member of the key senior management team of the WSC Group. She was appointed to the position since 3 November 2008.

Ms Woo has more than 30 years of extensive relevant working experience in the corporate secretarial practice both as the in-house Group Company Secretary for large public listed groups as well as in large professional consultancy firms. She obtained her initial training of more than six years in Signet & Co. Sdn. Bhd., the Corporate Secretarial arm of Messrs. Ernst & Young.

Ms Woo does not hold any directorship and does not have any family relationship with any of the Directors or major shareholders of WSC and has no conflict of interest whatsoever with WSC.

She ensures that the Group complies with the Companies Act, 2016, MMLR, Capital Markets & Services Act, 2007 and all relevant acts, rules, regulations, codes and guidelines of the relevant authorities and governmental/regulatory bodies and their relevant updates and amendments from time to time. She assists the Board of Directors in overseeing and advising on the relevant aspects of the regulatory, compliance and corporate governance matters of the Group. She attends all meetings of the Board of Directors and all meetings of the Committees and Sub-Committees of the Board and captures all discussions and deliberations thereat comprehensively and accurately in her minutes. Her prompt and well written minutes and advices given to the members of the Board have so far assisted the Board of Directors in making informed decisions as well as for the Management to promptly act on decisions approved by the Board. The Board of Directors is satisfied with the competent performance and support rendered by the Group Company Secretary in the discharge of their duties and functions as members of the Board.

Ms Woo also assists in overseeing the Integrity function of WSC and the Industrial Services Division of the Group. She chairs the Integrity Committee meetings and assisted in the preparation of the Anti-Bribery and Corruption Policy and the Anti-Bribery and Corruption Framework and the establishment of the Anti-Bribery and Corruption Framework Handbook.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

1.9 Appointments to the Board

The Nomination Committee is responsible for assessing and making recommendations on any new appointments to the Board and its various Board Committees.

In making these recommendations, due consideration is given to the composition, objective criteria, required mix of skills, expertise, knowledge, experience, professionalism and integrity that the proposed Directors shall bring to complement the Board. However, no person shall be appointed, re-appointed, elected or re-elected as a Director on the Board or continue to serve as a Director if the person is or becomes an active politician.

The Directors would notify the Chairman of the Board before accepting any new directorships and the expected time to be spent on the new appointment.

1.10 Re-election of Directors

The Company's Constitution provides that all the Directors shall retire at least once (1) in every three (3) years and are eligible for re-election at each Annual General Meeting in compliance with the MMLR.

1.11 Board Committees

The Board delegates specific responsibilities to the respective Board Committees of the Board, each of which has clearly defined terms of reference and its own functions, delegated roles, duties and responsibilities. The Board reviews the functions and terms of reference of Board Committees from time to time to ensure that they are relevant and updated in line with the MCCG 2021, the MMLR and other related policies or regulatory requirements.

The Board Committees have the authority to examine specific issues and report to the Board with their proceedings, deliberations, findings and recommendations. The Board also reviews the minutes of the Board Committees' meetings presented at Board meetings.

During Board meetings, the Chairman of the various Committees provide summary reports of the decisions and recommendations made at the respective Board Committees' meetings, and highlight to the Board on any further deliberation and/or approval that is required at the Board level. The Board Committees shall deliberate and thereafter recommend their decisions to the Board for its approval. The relevant decisions and recommendations of the Board Committees are incorporated into the minutes of the Board meetings accordingly.

The Board has established four (4) principal Board Committees namely, Audit Committee, Nomination Committee, Remuneration Committee and Integrity Committee. The Risk Management Committee is a subcommittee of the Audit Committee.

(a) Audit Committee

The composition of the Audit Committee comprises of non-executive Directors i.e. three (3) Independent Non-Executive Directors and one (1) Non-Independent Non-Executive Director. The Terms of Reference is last reviewed by the Board on 24 February 2022. The Terms of Reference, including the duties and responsibilities of the Audit Committee are available on the Company's website at www.wahseong.com. A summary of activities of the Audit Committee in the discharge of its functions and duties for the financial year ended 31 December 2021 are set out separately in the Audit Committee Report as laid out on pages 51 to 55 of this Annual Report.

i. Risk Management Committee

The Risk Management Committee comprised of the Executive Directors, Heads of Finance, Group Internal Audit Head and Heads of Business Units/Divisions. The Committee meets at least four (4) times a year to discuss, assess, manage and mitigate risks associated with the respective Business Units and Divisions and the Group as a whole. The Summarised Risk Registers compiled and confirmed by the respective Heads of the Business Units/Divisions and based on which WSC Group's key risks are identified for monitoring. Potential new investments are tabled to the Risk Management Committee for comprehensive risks assessment review and deliberation on the risks associated with the proposed investment before the said proposed investment is tabled to the Finance and Investment Committee for review, evaluation and financing needs assessment before tabling to the Audit Committee for their review and then to the Board for approval.

CORPORATE GOVERNANCE

OVERVIEW STATEMENT

The Risk Management Committee has been expanded to cover the areas on sustainability of the WSC Group instead of having to establish a separate Sustainability Committee.

The Risk Management Committee plays an important role in developing the Company's sustainability strategies, plans, approach and integrating sustainability consideration in the day-to-day operations of the Group and to drive, implement and monitor to ensure effective implementation of the Company's sustainability risks, strategies, opportunities and plans.

The Risk Management Committee reports to the Board on matters and updates pertaining to sustainability of the Group on a quarterly basis.

The Risk Management Committee has embedded bribery and corruption risk in the risk register and in the annual risk assessment of WSC Group.

(b) Nomination Committee

The Nomination Committee has been established comprising exclusively of four (4) Non-Executive Directors, a majority of whom are Independent Directors. The Terms of Reference is last reviewed by the Board on 24 February 2022. The Terms of Reference including the roles and responsibilities of the Nomination Committee are available on the Company's website at www.wahseong.com. The activities of the Nomination Committee in the discharge of its duties for the financial year ended 31 December 2021 are set out on pages 59 to 63 of this Annual Report.

The Nomination Committee will conduct annual assessment of the Board's effectiveness as a whole and the contribution of each individual Director in every financial year using a set of customized self-assessment questionnaires to be completed by the Directors. The results of the self-assessment by Directors and the Board's effectiveness as a whole as compiled by the Group Company Secretary will be tabled to the Board for review and deliberation.

The Nomination Committee will also conduct the annual assessment on the Board Committees' effectiveness based on a set of questionnaires.

(c) Remuneration Committee

The Remuneration Committee has been established comprising solely of Independent Non-Executive Directors with the role of determining and recommending to the Board the remuneration of Executive Directors in all its forms, drawing from outside advice where necessary. The Executive Directors play no part in decisions on their own remuneration.

Determination of remuneration packages of Non-Executive Directors, including the Non-Executive Chairman is a matter of the Board as a whole. The individuals concerned will abstain from discussion of their own remuneration.

The Remuneration Committee also plays a role in determining the level and composition of remuneration of Senior Management taking into account the Company's intention to attract and retain the right talents to drive the Company's long term objectives.

The information on Remuneration Committee and its Terms of Reference including its functions are available on pages 56 to 58 of this Annual Report.

The Remuneration Policy and the Terms of Reference including the duties and responsibilities of the Remuneration Committee are last reviewed by the Board on 24 February 2022 and they are available on the Company's website at www.wahseong.com.

(d) Integrity Committee

The Integrity Committee is established with members comprising Heads of various Divisions selected by the Group Managing Director. The Integrity Committee oversees the areas of anti-corruption and corporate liability for corruption and in ensuring that adequate and appropriate policies and procedures on anti-corruption are in place and in ensuring the Company's approach to anti-bribery and anti-corruption is in compliance.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Committee meets at least four (4) times a year to review the adequacy of anti-bribery and anti-corruption compliance with Section 17A of the Malaysian Anti-Corruption Commission Act 2009 (Amendment 2018) ("MACC Act") by the Group and to deliberate and manage any complaints and allegations of bribery and act of corruption reported to the Committee. The proceedings of each meeting shall be minuted and a copy of the minutes will be circulated to the Board for their attention.

The Chairman of the Committee shall update and report formally to the Board and make any necessary recommendations to the Board during the quarterly Board meetings or as and when the need arises.

The Committee has oversight of policy making, design and implementation of the Anti-Bribery Management System ("ABMS") and/or Anti-Bribery and Corruption Framework ("ABCF"), and practices for compliance with the MACC Act.

1.12 Finance and Investment Committee

The Finance and Investment Committee ("FIC") is chaired by the Managing Director/Group Chief Executive Officer and comprised of the Executive Directors, Head of Group Treasury, Head of Finance of the Industrial Services Division and Chief Financial Officer of the Oil & Gas Division. The FIC meets quarterly or as and when required or at such frequency as the Chairman of FIC may deem appropriate.

The FIC undertakes periodic review of the overall Group's financial position with emphasis on group financial status and financing requirements, summary update on forward contracts position, group cash flows and receivables. The FIC also provides oversight of the investment functions of the Group to assist the Board of Directors in evaluating new investments, acquisitions, joint ventures, divestments and any other corporate proposals ("Investment Related Proposals") in which the Group engages as its business strategy from time to time. The respective business units/divisions strategic business activities and ventures are also updated at the FIC meetings.

Besides, the FIC also deliberates on the implication of the global economic sentiment and outlook on the Group's various business divisions and with this hindsight, actively reviews the overall business activities, capital expenditure requirements, financing requirements and forex strategies.

Both the Risk Management Committee and the FIC have the responsibility of assessing and reviewing all Investment Related Proposals.

Normally, the Risk Management Committee will perform the necessary risk assessment on the Investment Related Proposals and thereafter recommend the same to the FIC for their review. The FIC will then consider and evaluate the feasibility of the Investment Related Proposals by taking into account the comprehensive feasibility study, due diligence reports, valuation reports and/or other relevant reports in accordance with the standard operating procedures. A threshold limit of the value of the Investment Related Proposals is established to determine the relevant approvals required. The value of the Investment Related Proposals of up to RM5.0 million will be approved by the FIC and the Board of the investing company and thereafter to be endorsed by the Board of WSC. For value of the Investment Related Proposals of above RM5.0 million, the approval must be sought from the Board of WSC upon recommendation by the FIC.

1.13 Directors' Training

All members of the Board have attended the Mandatory Accreditation Programme as required under the MMLR.

The Directors do and will undergo such similar or continuing training and education programmes from time to time to equip and keep themselves abreast of the latest developments in order to discharge their duties and responsibilities more effectively.

During the financial year under review, the Directors had participated in various programmes, courses and forums which they have individually or collectively considered as relevant and useful in contributing to the effective discharge of their duties as Directors.

The lists of trainings/courses attended by the respective Directors are tabled to the Board at the respective Board meetings held every quarter for the Board's notation. Based on the results of the annual assessment of the individual Directors and the Board's effectiveness as a whole conducted by the Nomination Committee, the Board was satisfied with the trainings/courses attended by the respective Directors and that they are well equipped and updated on the industry knowledge and developments in enhancing their skills and in discharging their duties and responsibilities effectively.

CORPORATE GOVERNANCE

OVERVIEW STATEMENT

2. DIRECTORS' REMUNERATION

The remuneration of the Board Members is broadly categorised into those paid to Executive Directors and Non-Executive Directors.

The Executive Directors are remunerated in cash and in kind by way of salary, performance bonus and other benefits and entitlements; taking into consideration their experience, responsibilities, length of service, their individual performance and contribution as well as the overall performance of the Group and the Company. Non-Executive Directors are paid fees based on their experience and level of responsibilities.

The Remuneration Committee is responsible to make any recommendation to the Board on the remuneration package and benefits extended to the Executive Directors; whereas, Non-Executive Directors' remuneration is a matter to be decided by the Board as a whole. The individual concerned must abstain from deliberations and voting on decisions in respect of his individual remuneration.

CORPORATE GOVERNANCE

OVERVIEW STATEMENT

The details of the remuneration of the Directors of the Company (including the remuneration for services rendered to the Company as a Group) received from the Company and received on a group basis during the financial year ended 31 December 2021 are as follows:

CORPORATE GOVERNANCE OVERVIEW STATEMENT

3. TOP FIVE KEY SENIOR MANAGEMENT'S REMUNERATION

Pursuant to Practice 8.2 of the MCCG 2021, the top five Key Senior Management's total remuneration inclusive of salary, bonus, benefits-in-kind and other emoluments in bands of RM50,000 are disclosed as follows:

	Total
RM700,000 to RM750,000	1
RM900,000 to RM950,000	1
RM1,050,000 to RM1,100,000	1
RM1,150,000 to RM1,200,000	1
RM1,650,000 to RM1,700,000	1
Total	5

For purposes of security and to avoid poaching by other organisations, the names of the Top Five Key Senior Management are withheld and the detailed remuneration of each of the individuals are not presented because the Board of Directors is of the opinion that such information will not add significant value and understanding towards the evaluation of the Company's standard of Corporate Governance.

4. SHAREHOLDERS AND INVESTORS

4.1 Effective Communications Policy

Besides the various announcements and disclosures including information on the quarterly and annual results released to Bursa Malaysia Securities Berhad, the Board maintains an effective communications policy that enables the Board (in particular the Executive Board Members) to communicate effectively with its shareholders, stakeholders and the public in general.

As part of the Group's commitment towards having an effective investor relations and shareholders' communication policy, the following have been established:

- an interactive and dedicated website for the Group which can be accessed by the public at large at www.wahseong.com.
- the Company's Investor Relations and Communications Department attends to the Group's communication needs and whenever required, the services of an external public relations firm will be engaged to promote the Group's image and to create greater public awareness of the Group's products and services aside from fostering and maintaining closer relations with the press and other members of the media.
- Internally, the Group Corporate Secretarial Department headed by the Group Company Secretary maintains most of the official correspondences with the various authorities.
- the Annual General Meeting provides an additional forum for shareholders' interaction and feedback with the Company.
- Media and Analyst Briefings are held by the Company to explain any major corporate exercises and/or to discuss the financial performance of the Group from time to time.

4.2 Dialogue between the Company and Investors

The Board values feedback and dialogues with its investors. The Company will hold open discussions with investors upon written request. Analyst Briefings are periodically held to introduce and update the investors on the Company's/the Group's undertakings and financial performance from time to time.

In this respect, the Board and the Company shall ensure that any information sought is disseminated in strict adherence to the disclosure requirements under the MMLR.

The Company's website at www.wahseong.com contains vital information concerning the Group. All investors are encouraged at all times to log on and visit the Company's website to be informed of the latest happenings and detailed information of the Group and all the announcements made to Bursa Malaysia Securities Berhad.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

4.3 Annual General Meeting

The Annual General Meeting (“AGM”) is one of the platforms for the Company’s shareholders to meet and exchange views with the Board.

As part of the commitment to environmental sustainability and cost cutting initiative, the Company has leveraged on technology to enhance efficiency. Since year 2018, the Company has been uploading its Annual Report and Circular to Shareholders on its website at www.wahseong.com so that they could be accessible online.

An open Question and Answer Session will be held whereby any shareholder may seek further details and clarification regarding any proposed resolutions as well as matters relating to the Group’s businesses and affairs.

The Chairman and the other members of the Board together with the Management and the Company’s External Auditors in attendance will provide explanations to all shareholders’ queries.

Pursuant to Paragraph 8.29A(1), Chapter 8 of the MMLR, any resolution set out in the notice of any general meeting, or in any notice of resolution which may properly be moved and is intended to be moved at any general meeting, is required to be voted by poll.

At least one (1) scrutineer will be appointed to validate the votes cast at the general meeting. Such scrutineer must be independent of the person undertaking the polling process.

A summary of the key matters discussed at the AGM as well as the minutes of the AGM will be published on the Company’s website as soon as practicable after the conclusion of the AGM.

5. ACCOUNTABILITY AND AUDIT

5.1 Financial Reporting

The Board aims to provide and present a balanced and meaningful assessment of the Group’s financial position, performance and prospects at the end of the financial year primarily through the audited financial statements, annual report as well as the quarterly announcements of results to shareholders.

The Board is responsible for ensuring that the financial statements prepared are drawn up in accordance with the provisions of the Companies Act, 2016 and applicable approved accounting standards in Malaysia. In presenting the financial statements, the Company has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates. The Board assisted by the Audit Committee, oversees the financial reporting processes and the quality of the financial reporting by the Group. The Audit Committee scrutinises information prior to their disclosure to ensure their timeliness, accuracy and adequacy. The quarterly financial results and audited financial statements are reviewed by the Audit Committee and approved by the Board before being released to Bursa Malaysia Securities Berhad.

The Statement of Directors’ Responsibility in respect of the audited financial statements of the Company and the Group is set out on page 84 of this Annual Report.

5.2 Internal Control

The Board has overall responsibility for maintaining a sound system of internal control, which encompasses risk management, financial, organisational, operational and compliance controls necessary for the Group to achieve its objectives within an acceptable risk profile.

These controls can only provide reasonable but not absolute assurance against material misstatement, errors of judgment, loss or fraud.

Information on the Group’s Internal Control is as set out in the Statement on Risk Management and Internal Control on pages 81 to 83 of this Annual Report.

The establishment of an Internal Audit Department since the Group first commenced operations followed by the formation of the Risk Management Committee in 2009 are testimony of the dedication and commitment that the Board and the Company have in identifying and mitigating potential risks which affect the Group.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

5.3 Whistle Blowing Policy

The Company has disseminated its Whistle Blowing Policy by which an employee or stakeholder can report or disclose in good faith, through the established channel, genuine concerns about unethical behaviour, malpractice, illegal act or failure to comply with regulatory requirements.

The Board of Directors will ensure that the Whistle Blowing Policy are reviewed periodically, at least once every 3 years, to assess its effectiveness and to ensure its relevance. The Whistle Blowing Policy is last reviewed by the Board on 24 February 2022.

The procedures of the Whistle Blowing Policy, in raising such genuine concerns to the established channels are available on the Company's website at www.wahseong.com.

5.4 Principles of Business Conduct

The Board is committed to achieving and maintaining high ethical standards with regards to behavior at work and hence the Principles of Business Conduct are established. The Principles of Business Conduct of the Group is a formal document which sets out the guiding principles and standards in which the employees and Directors shall adhere to in conducting the day to day duties and operations.

The Principles of Business Conduct is available on the Company's website at www.wahseong.com.

5.5 Relationship with Auditors

The Board has established a formal and transparent relationship with the External Auditors appointed by the Company and its subsidiaries within its fold.

The External Auditors are invited to attend the Audit Committee Meeting where the Group's annual financial results are considered, as well as at meetings to review and discuss the Group's audit findings, internal controls and accounting policies, whenever the need arises.

For the financial year under review, the Audit Committee had two (2) meetings with the External Auditors without the presence of Management, which has encouraged a greater exchange of independent, frank views and opinions/dialogue between both parties.

The Audit Committee obtains written confirmation from the External Auditors on their independence throughout their terms of engagement for the financial year in compliance with the requirements of the relevant professional and regulatory bodies and/or authorities.

The Board also reviews the External Auditors' annual audit plan and scope of work for each of the financial years and the External Auditors' audit review on the financial statements for each of the financial years together with their audit report.

The Annual Assessment Form for External Auditors is established to assess the annual performance of the External Auditors by the Audit Committee. During the financial year under review, the Audit Committee had reviewed the independence of the External Auditors by taking into consideration among other factors, the following:-

- rotation of the External Audit Partner-in-charge once in every five years in accordance with the relevant laws and requirements; and
- the professionalism, openness in communication and interaction with the External Auditors through private discussions which had demonstrated their independence.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Audit Committee also assessed the suitability, objectivity and independence of the External Auditors by taking into consideration among other factors, the following:-

- size, sufficiency of the allocated resources and geographical coverage of the external audits being conducted;
- calibre, competency, requisite skills and expertise, including industry knowledge of the audit team to effectively audit the Company and the Group that meet the requirements;
- adequacy of audit scope and plan to address the accounting risks, audit risk and financial reporting risks faced by the Company and the Group;
- quality and effectiveness of the audit services provided by the External Auditors; and
- the External Auditors met their performance targets as expected of them.

Based on the results of the annual assessment on External Auditors carried out during the financial year under review, the Audit Committee was satisfied with the independence and suitability of the External Auditors and hence had recommended the re-appointment of the External Auditors for the Board's consideration.

The Board, upon the recommendation of the Audit Committee, concurred on the suitability and independence of the External Auditors and had therefore agreed to table the resolution for the re-appointment of the External Auditors to the Shareholders at the forthcoming Twenty-Second AGM for their approval.

Further information on the role of the Audit Committee with the External Auditors is stated in the Audit Committee Report on pages 51 to 55 of this Annual Report.

5.6 Internal Audit Function

The internal audit function is performed by the Group Internal Audit ("GIA"), where their primary responsibility is to provide independent and objective assurance in assisting the Group to accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance. The Head of GIA has functional reporting to the Audit Committee and administratively reports to the Managing Director/Group Chief Executive Officer and the Deputy Managing Director. All the internal audit activities and processes are performed as guided by the approved Internal Audit Charter and the GIA Standard Operating Procedure.

For more information pertaining to the internal audit activities, please refer to the Audit Committee Report on pages 51 to 55 of this Annual Report.

6. CORPORATE RESPONSIBILITY

Throughout 2021, the Group has undertaken various initiatives to create a positive and momentous impact on the lives of others, within the community and the environment in which it operates, as set out in the Sustainability Statement on pages 10 to 34 of this Annual Report.

7. SUSTAINABILITY

The Company has come a long way from a medium sized Malaysian enterprise to where the Group is today. It is through resilience and fortitude that the Group has been growing from strength to strength, meeting challenges along the way and succeeding in branching further aloft. As at today, the Group is a significant player in its core businesses and is sustaining growth on the global business landscape.

The Company develops, implements and maintains sound management systems for sustainable development and growth that drive continual improvement. While maintaining sustainable growth, the Company is committed to create an open, diverse, friendly and safe workplace which is part of the Group's core values. Besides, the Company places utmost priority and is fully committed to its Health, Safety and Environment policy and objectives with the aim of ensuring health and safety of our people as well as protection of the environment that the Group operates in by promoting and improving the health and welfare of the workforce, maintaining an accident-free work environment, eliminating occupational injuries, preventing pollutions by reducing carbon footprint, preventing wastages by promoting the efficient use of resources, recycling initiatives, optimising the use of natural resources and conserving energy.

CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Group is dedicated in supporting the local communities within which it operates and through its corporate responsibility programmes, the Company will continue to implement initiatives to contribute back to the society and local communities.

The Oil and Gas Division of WSC Group under the championship of Wasco Management Services Sdn. Bhd., an indirect wholly-owned subsidiary of WSC, has appointed ACE CSR Sdn. Bhd. to provide advisory services and to conduct materiality assessment and analysis of a wide range of sustainability matters involving the Environmental, Social and Governance (“ESG”) issues, risks and opportunities based on the local and international reporting guidelines.

A separate Statement on Sustainability is as set out on pages 10 to 34.

8. CORPORATE DISCLOSURE POLICIES AND PROCEDURES

The Board has established a Corporate Disclosure Policies and Procedures aiming at effectively handling and disseminating the corporate information timely and accurately to its shareholders, stakeholders, potential investors and the public in general as required by Bursa Malaysia Securities Berhad.

The Corporate Disclosure Policies and Procedures are available on the Company’s website at www.wahseong.com.

9. GOVERNANCE MODEL DOCUMENT

The Governance Model Document is established and approved by the Board of Directors on 23 February 2021 as part of the Group wide framework for co-operation and communication between the Company and its subsidiaries, in compliance with the Group Governance under Chapter 5 of the SC Guidelines on Conduct of Directors.

The Governance Model Document is last reviewed by the Board on 24 February 2022. The Governance Model Document is available on the Company’s website at www.wahseong.com.

10. ANTI-CORRUPTION MEASURES

The Company published the Anti-Bribery and Corruption Policy (“ABC Policy”) on the Company’s website in compliance with the MMLR which took effect from 1 June 2020. The Board of Directors has approved and adopted the Anti-Bribery and Corruption Framework (“ABC Framework”) established for the Group based on the T.R.U.S.T. principles of the Guidelines on Adequate Procedures of the MACC Act. The ABC Framework Handbook serves to inform the Group’s directors, employees and its business associates about the Group’s core values and expectations, as well as the policies and procedures pertaining to the handling of bribery and corruption matters within the Group. The ABC Framework Handbook also serves as a preventive tool and guidance to assist the Group’s directors, employees and business associates in recognizing, preventing and detecting potential corrupt practices.

The Board of Directors is committed to ensuring that the policies and procedures on anti-corruption and bribery are reviewed periodically, at least once every 3 years to assess its effectiveness in addressing and mitigating corruption risks.

The Board of Directors is assisted by the Integrity Committee in the oversight of policy-making, implementation of an effective regulatory framework and practices and to ensure that the approach of the Group on anti-bribery and anti-corruption is in compliance with the MACC Act while the Risk Management Committee captures such risks in the risk register and in the annual risk assessment of the WSC Group.

The Oil and Gas Division of the WSC Group under the championship of Wasco Management Services Sdn. Bhd., the indirect wholly-owned subsidiary of WSC is an ISO 37001:2016 SIRIM Certified company.

11. CORPORATE GOVERNANCE REPORT

Please refer to the Company’s Corporate Governance Report on the extent of the Company and its Group’s application and compliance with the MCCG 2021 and the relevant explanations for the deviations which can be downloaded from the Company’s website at www.wahseong.com.

ADDITIONAL COMPLIANCE INFORMATION

1. UTILISATION OF PROCEEDS RAISED FROM CORPORATE PROPOSALS

There are no proceeds raised from corporate proposals during the financial year ended 31 December 2021.

2. RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE AND PROVISION OF FINANCIAL ASSISTANCE

The details of significant recurrent related party transactions conducted during the financial year ended 31 December 2021 pursuant to the shareholders' mandate are disclosed in the Summary of Significant Recurrent Related Party Transactions as set out on pages 202 to 203 of this Annual Report.

3. MATERIAL CONTRACTS

There are no material contracts (not being contracts entered into in the ordinary course of business), entered into by the Company and its subsidiaries, involving the interests of the Directors, Chief Executive who is not a Director or major shareholders during the financial year ended 31 December 2021.

4. AUDIT AND NON-AUDIT FEES

- (a) The amount of audit fees paid and payable to the Company's External Auditors i.e. PricewaterhouseCoopers PLT Malaysia ("PwC") for the services rendered to the Company and the Group for the financial year under review are RM83,000 and RM962,000 respectively. While the amount of audit fees paid and payable to PwC's affiliates for services rendered to the Group for the financial year under review are RM595,000.
- (b) The amount of non-audit fees paid and payable to PwC and its affiliates for the services rendered to the Company and the Group for the financial year under review are RM12,000 and RM914,000 respectively.
- (c) The summary of the aforesaid audit and non-audit fees for the services rendered to the Company and the Group paid and payable to PwC and its affiliates for the financial year under review are as follows:-

	Company (RM)	Group (RM)
Audit Fees	83,000	1,557,000
Non-Audit Fees*	12,000	914,000
Total	95,000	2,471,000

* Included in fees for non-audit services are fees payable to PwC for the Company and the Group of RM12,000 and RM650,000 respectively.

* The non-audit fees incurred for the Group during the financial year under review amounted to RM914,000, constituting approximately 37.0% of the total amount of audit and non-audit fees of RM2,471,000 paid and payable to PwC and its affiliates for the services rendered to the Group. The non-audit services are mainly related to statutory tax compliance/advisory and project advisory.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

BOARD RESPONSIBILITY

The Board of Directors (“Board”) recognizes the importance of sound risk management and internal control practices for good corporate governance. The Board affirms its responsibility for ensuring the Group’s system is able to adequately and effectively manage significant risks.

The Group has in place an ongoing process for identifying, evaluating and managing significant risks through a framework, which includes a reporting structure. This is supported through a Risk Management Committee (“RMC”) that meets quarterly, receiving risk management updates and taking necessary actions to ensure that risks are managed within the acceptance levels of the company within which they reside.

The Group’s system of internal control is designed to manage and mitigate risks appropriately, rather than eliminate the risk of failure to achieve business objective. Due to the inherent limitations in all control systems, these control systems can only provide reasonable and not absolute assurance.

The Board has received reports from the RMC that the Group’s risk management and internal control system is operating adequately and effectively in all material aspects based on the existing risk management and internal control system of the Group in financial year 2021 (“FY 2021”).

Based on the reports received from the RMC and the reports from various sources (including both internal and external auditors), the Board is of the view that the system of risk management and internal control are in place for FY 2021 and up to the date of approval of this statement is adequate and effective to safeguard shareholders’ interest in the Group, interest of customers, regulators, employees and the Group’s assets.

In addition, the Board also received assurances from the Group Chief Executive Officer, Chief Financial Officer of the Oil & Gas Division and Head of Finance from the Industrial Services Division that the Group’s risk management and internal control system are operating adequately and effectively in all material aspects, based on the risk management model adopted by the Group.

RISK MANAGEMENT COMMITTEE

The RMC being the sub-committee of the Audit Committee (“AC”) was established by the Board towards ensuring a sound system of risk management framework is embedded into the culture, processes and structures of the Group. The RMC provides oversight on the effectiveness of the Group’s policies and processes in identifying, evaluating and managing the Group’s risks.

The RMC is headed by the Deputy Managing Director and made up of the Senior Management Team of the Group’s significant business divisions.

The principal responsibilities of the RMC include:-

- Reviewing the Group Risk Management Framework, as and when necessary, for approval by the AC and the Board;
- Ensuring that the processes to identify, assess, treat, monitor and report on all material business risks are functioning as designed;
- Maintaining and reviewing both the Group’s top risks and divisional/business unit risk profiles with the assistance from the Group Risk Management every quarter;
- Providing guidance and direction to the Business Units on the adequacy and effectiveness of internal control system for the identification and mitigation of material business risks; and
- Undertaking any other risk management tasks as may be delegated to the committee by the Board.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

KEY ELEMENTS AND PROCESSES ON RISK MANAGEMENT AND INTERNAL CONTROLS

The key elements and processes that have been established in reviewing the adequacy and effectiveness of the risk management and internal control system include the following:-

Risk Management

The Group Risk Management Framework, which is embedded in the management system of the Group, clearly defines the authority and accountability in implementing the risk management process and internal control system. The Management assisted the Board in implementing the process of identifying, evaluating and managing significant risks applicable to their respective areas of business and in formulating suitable internal controls to mitigate and control these risks.

The Group has adopted a Risk Management Guidelines which is based on ISO 31000, the international guideline for managing risk, to ensure that risk management process is consistent across the Group. Risk owners across the business divisions of the Group defined, highlighted, reported and managed various risks, including business and operational risks anticipated by them.

All business divisions or major departments across the Group had conducted risk assessments to identify the risks relating to their areas of supervision, analyzed the likelihood of these risks occurring, the impact if they do occur, evaluated the risk level, as well as determined the existing controls and actions to be taken to manage these risks to an acceptable level. The risk profiles measures determined from this process were documented in risk registers with each business or operations area having its respective risk register. The overall process was facilitated by the Group Risk Management, which is dedicated to this role.

The risk assessment report was tabled to the RMC every quarter. During the quarterly meeting, the significant risk of business units were presented to the RMC for their deliberation. The RMC reports to the AC on any significant changes in the business and external environment, which affect key risks.

The Board has approved via the RMC, the Risk Management Framework, which highlighted the governance arrangements as well as assigned responsibilities to the relevant levels of management and operations. The implementation of the Framework is ultimately the responsibility of the top management and members of the Wah Seong Group Management. Evidence of implementation can be seen in the appropriate risk management practices integrated into the relevant business processes, which facilitated the decision making aimed at achieving the Group's objectives.

Internal Audit Function

The internal audit function is performed by the Group Internal Audit ("GIA"), where their primary responsibility is to provide independent and objective assurance in assisting the Group to accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance. The Head of GIA has functional reporting to the AC and administratively reports to the Managing Director/Group Chief Executive Officer and the Deputy Managing Director.

The audit engagements were carried out based on the Annual Audit Plan. In FY 2021, the GIA had completed 4 risk-based audit engagements and presented the reports to the AC. They focused on review of various scope including project management, information technology and business processes of the Group. High impact audit findings with regards to risk, control and governance with recommendation for further improvement were escalated to the attention and scrutiny of the senior management and subsequently tabled to the AC on a quarterly basis. Follow up review on audit engagements were also conducted to ensure proper and effective remedial actions have been taken by the line management to close control gaps highlighted by the GIA. All the internal audit activities and processes performed in FY 2021 were guided by the Internal Audit Charter and the GIA Standard Operating Procedure.

OTHER KEY ELEMENT ON INTERNAL CONTROL SYSTEM

Internal control processes, which are embedded for effective Group's operations include:-

- Clear organisational structure and financial authorisation limits are clearly defined;
- Group policies, including Principles of Business Conduct and Whistle Blowing Policy and Standard Operating Procedures to ensure compliance with internal controls, relevant laws and regulations;
- Annual business plans of all Business Units are reviewed and approved by the respective Divisional Executive Committee;
- Group budgets are reviewed and approved by the Board;

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

- Regular Executive Committee meetings at Business Units are held to review the operational and key performance indicators against the approved budget;
- Utilisation of contract tendering and evaluation process for large projects; and
- Weekly report on Group's cash position is monitored by Group Treasury.

Periodic site visits to operating units are undertaken by the members of the Executive Committee and/or the members of the Board whenever deemed appropriate.

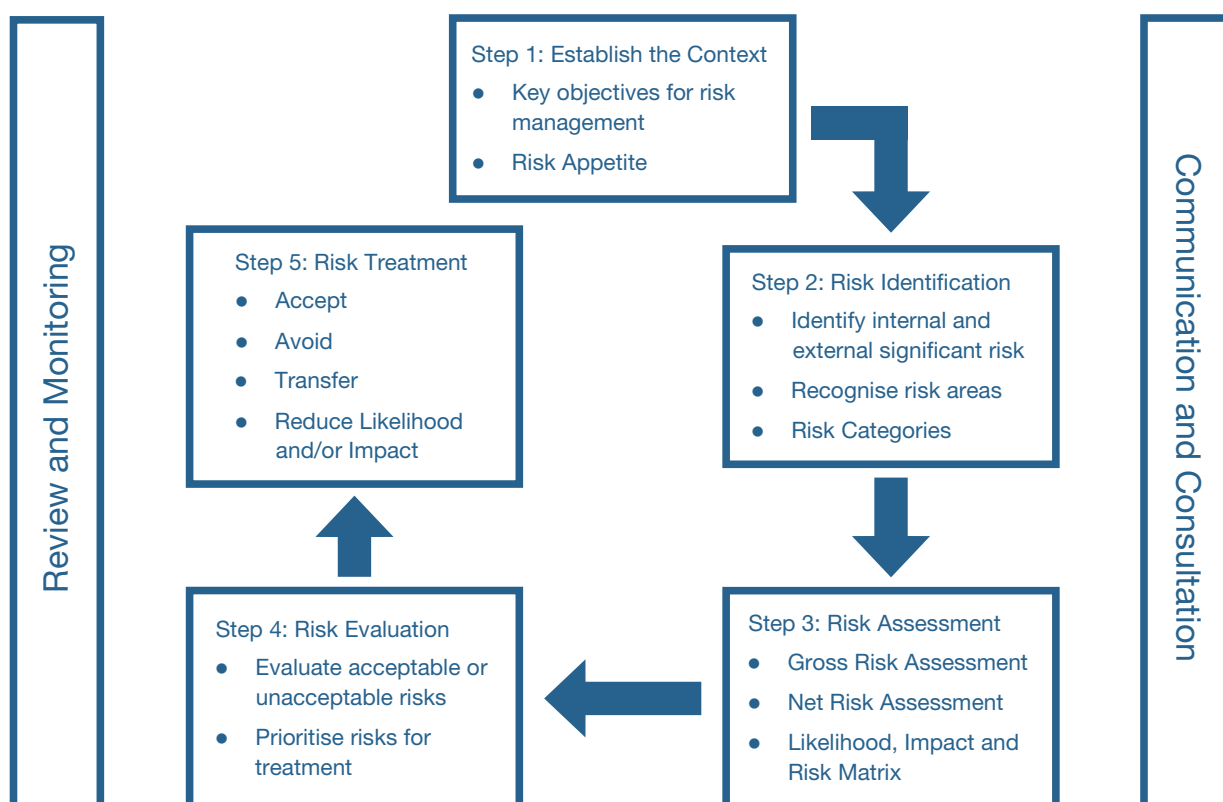

The Group's system of risk management and internal control applies principally to Wah Seong Corporation Berhad and its subsidiaries. Associate companies and joint ventures have been excluded because the Group does not have full management control and/or majority Board representation.

This statement is duly approved by the Board via a directors' circular resolution dated 13 April 2022.

RISK MANAGEMENT FRAMEWORK

The RMC principally develops, executes and maintains the risk management system to ensure that the Group's corporate objectives and strategies are achieved within the acceptable risk appetite of the Group. Its reviews cover responses to significant risks identified including non-compliance with applicable laws, rules, regulations and guidelines, changes to internal controls and management information systems, and output from monitoring processes as well as continual review process of identified risks and effectiveness of mitigation strategies and controls.

Risk Management Process

REVIEW OF THIS STATEMENT

As required by Paragraph 15.23, Chapter 15 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, the external auditors have reviewed this Statement on Risk Management and Internal Control. Their limited assurance review was performed in accordance with Audit and Assurance Practice Guides ("AAPG") 3 issued by the Malaysian Institute of Accountants. AAPG 3 does not require the external auditors to form an opinion on the adequacy and effectiveness of the risk management and internal control systems of the Group.

STATEMENT OF DIRECTORS' RESPONSIBILITY

The Directors are responsible for ensuring that the annual audited financial statements of the Group and the Company are drawn up in accordance with the Malaysian Financial Reporting Standards, International Financial Reporting Standards, the requirements of the Malaysian Companies Act, 2016 and the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

The Directors are also responsible for ensuring that the annual audited financial statements of the Group and the Company are prepared with reasonable accuracy from the accounting records of the Group and the Company so as to give a true and fair view of the state of affairs of the Group and the Company as at 31 December 2021, and of the results of their operations and cash flows for the financial year ended on that date.

In preparing the annual audited financial statements, the Directors have applied the appropriate and relevant accounting policies on a consistent basis; made judgements and estimates that are reasonable and prudent; and prepared the annual audited financial statements on a going concern basis.

The Directors are also responsible for taking reasonable steps to safeguard the assets of the Group and the Company to prevent and detect fraud and other irregularities.

DIRECTORS' REPORT

The Directors hereby submit their report and the audited financial statements of the Group and of the Company for the financial year ended 31 December 2021.

PRINCIPAL ACTIVITIES

The principal activities of the Company are investment holding and provision of management services to its subsidiaries.

The principal activities of the Group consist of specialised pipe coating and corrosion protection services; Engineering, Procurement and Construction ("EPC") of gas compressors and process equipment; renewable energy and industrial trading and services.

There have been no significant changes in the nature of these activities during the financial year.

FINANCIAL RESULTS

	Group RM'000	Company RM'000
Net loss for the financial year attributable to:		
- Owners of the Company	(107,484)	(784)
- Non-controlling interests	(4,465)	-
Net loss for the financial year	(111,949)	(784)

DIVIDENDS

No dividends are paid or declared since the end of the previous financial year.

In respect of financial year ended 31 December 2020:

On 18 February 2020, the Directors declared a first interim dividend of 1.00 sen per share comprising:

- (a) Single tier cash dividend of 0.40 sen per share amounting to RM3,081,845; and
- (b) Single tier share dividend of 3,849,884 treasury shares distributed to the shareholders of Wah Seong Corporation Berhad ("WSC") on the basis of one (1) WSC treasury share for every two hundred (200) existing WSC ordinary shares held at the entitlement date on 12 March 2020.

The first interim dividend was paid/credited into the entitled shareholders' securities accounts on 8 April 2020.

The Directors did not recommend the payment of any final dividend in respect of the financial year ended 31 December 2020 and 31 December 2021.

RESERVES AND PROVISIONS

All material transfers to or from reserves and provisions during the financial year are shown in the financial statements.

ISSUE OF SHARES AND DEBENTURES

The Company did not issue any shares and debentures during the financial year.

TREASURY SHARES

During the financial year, the Company did not purchase any of its issued share capital from the open market on Bursa Malaysia Securities Berhad ("Bursa Malaysia").

As at 31 December 2021, the total number of treasury shares held by the Company was 577,054 shares.

Details of the treasury shares are set out in Note 25 to the financial statements.

DIRECTORS

The Directors in office during the financial year and during the period from the end of the financial year to the date of this report are:

Dato' Seri Robert Tan Chung Meng
 Chan Cheu Leong
 Giancarlo Maccagno
 Halim Bin Haji Din
 Tan Sri Professor Lin See Yan
 Tan Jian Hong, Aaron
 Tan Sri Saw Choo Boon

The names of Directors of subsidiaries are set out in the respective subsidiaries' statutory accounts and the said information is deemed incorporated herein by such reference and made part thereof.

DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

According to the Register of Directors' Shareholdings required to be kept under Section 59 of the Companies Act, 2016, none of the Directors who held office at the end of the financial year held any shares or debentures in the Company or its subsidiaries during the financial year except as follows:

		Number of ordinary shares		
	As at 1.1.2021	Acquired	Disposed	As at 31.12.2021
The Company				
Dato' Seri Robert Tan Chung Meng				
- direct interest	11,927,314	-	-	11,927,314
- deemed interest [#]	312,063,822	-	-	312,063,822
Chan Cheu Leong				
- direct interest	20,677,936	-	-	20,677,936
- deemed interest [*]	44,031,991	-	-	44,031,991
Giancarlo Maccagno				
- direct interest	2,459,353	-	-	2,459,353

By virtue of his interests of more than 20% in the shares of the Company, Dato' Seri Robert Tan Chung Meng is deemed to be interested in the shares of all the subsidiaries to the extent that the Company has an interest.

[#] Deemed interest held through Wah Seong Enterprises Sdn. Bhd., Wah Seong (Malaya) Trading Co. Sdn. Bhd. and Tan Kim Yeow Sendirian Berhad pursuant to Section 8 of the Companies Act, 2016 ("the Act").

^{*} Deemed interest held through Midvest Asia Sdn. Bhd. and Midvest Properties Sdn. Bhd. pursuant to Section 8 of the Act and includes interests of his spouse and children.

DIRECTORS' REPORT

DIRECTORS' BENEFITS

Since the end of the previous financial year, no Director has received or become entitled to receive a benefit (other than the benefits shown under Directors' Remuneration in Note 41 and related party transaction in Note 39) by reason of a contract made by the Company or by a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

Neither during nor at the end of the financial year was the Company or any of its subsidiaries a party to any arrangements whose object was to enable the Directors to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

DIRECTORS' REMUNERATION

Details of Directors' remuneration are set out in Note 41 to the financial statements.

INDEMNITY GIVEN TO DIRECTORS AND OFFICERS

During the financial year, the total amount of indemnity coverage and insurance premium paid for the Directors and officer of the Group and the Company was RM147,774.

OTHER STATUTORY INFORMATION

- (a) Before the financial statements of the Group and of the Company were prepared, the Directors took reasonable steps:
 - (i) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate provision had been made for doubtful debts; and
 - (ii) to ensure that any current assets, which were unlikely to be realised in the ordinary course of business including the values of current assets as shown in the accounting records of the Group and of the Company had been written down to an amount which the current assets might be expected so to realise.
- (b) At the date of this report, the Directors are not aware of any circumstances:
 - (i) which would render the amounts written off for bad debts or the amount of the provision for doubtful debts inadequate to any substantial extent; or
 - (ii) which would render the values attributed to current assets in the financial statements of the Group and of the Company misleading; or
 - (iii) which have arisen which would render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.
- (c) At the date of this report:
 - (i) there are no charges on the assets of the Group and of the Company which have arisen since the end of the financial year which secures the liabilities of any other person; and
 - (ii) there are no contingent liabilities in the Group and in the Company which have arisen since the end of the financial year.
- (d) No contingent or other liability of any company in the Group has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may affect the ability of the Company and its subsidiaries to meet their obligations when they fall due.

OTHER STATUTORY INFORMATION (CONTINUED)

- (e) At the date of this report, the Directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements of the Group and of the Company which would render any amount stated in the respective financial statements misleading.
- (f) In the opinion of the Directors:
 - (i) the results of the operations of the Group and of the Company during the financial year were not substantially affected by any item, transaction or event of a material and unusual nature; and
 - (ii) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely to affect substantially the results of the operations of the Group and of the Company for the financial year in which this report is made.

SUBSIDIARIES

Details of subsidiaries are set out in Note 9 to the financial statements.

AUDITORS' REMUNERATION

Details of auditors' remuneration are set out in Note 32 to the financial statements.

AUDITORS

The auditors, PricewaterhouseCoopers PLT (LLP0014401-LCA & AF 1146), have expressed their willingness to accept re-appointment as auditors.

This report was approved by the Board of Directors on 13 April 2022. Signed on behalf of the Board of Directors:

COMMISSIONER FOR OATHS

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF WAH SEONG CORPORATION BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Our opinion

In our opinion, the financial statements of Wah Seong Corporation Berhad ("the Company") and its subsidiaries ("the Group") give a true and fair view of the financial position of the Group and of the Company as at 31 December 2021, and of their financial performance and their cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

What we have audited

We have audited the financial statements of the Group and of the Company, which comprise the statements of financial position as at 31 December 2021 of the Group and of the Company, and the statements of profit or loss, statements of other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 96 to 201.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the "Auditors' responsibilities for the audit of the financial statements" section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and other ethical responsibilities

We are independent of the Group and of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Our audit approach

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the financial statements of the Group and of the Company. In particular, we considered where the Directors made subjective judgements; for example, in respect of significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain. As in all of our audits, we also addressed the risk of management override of internal controls, including among other matters, consideration of whether there was evidence of bias that represented a risk of material misstatement due to fraud.

We tailored the scope of our audit in order to perform sufficient work to enable us to provide an opinion on the financial statements as a whole, taking into account the structure of the Group and of the Company, the accounting processes and controls, and the industry in which the Group and the Company operate.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF WAH SEONG CORPORATION BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current financial year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How our audit addressed the key audit matters
<p>1.0 Impairment assessment for goodwill of CGU A and CGU B</p> <p>Refer to Note 2.10(a) for the accounting policy, Note 3(a) and Note 7 to the financial statements.</p> <p>As at 31 December 2021, the Group's goodwill totalled RM146.1 million which is allocated to the following cash generating units ("CGU"):</p> <ul style="list-style-type: none"> Specialised Pipe Coating and Corrosion Protection Services (CGU A); and EPC, Fabrication and Rental of Gas Compressors and Process Equipment (CGU B). <p>We focused on this area due to the size of the goodwill and because the recoverable amounts of the CGUs are determined based on value in use ("VIU") calculations which involve significant judgements in determining key assumptions on the future cash flows generated.</p>	<p>Audit procedures performed over this key audit matter were as follows:</p> <ul style="list-style-type: none"> Involved valuation specialist to assess the appropriateness of the valuation methodology used by management; Tested the mathematical accuracy of the VIU calculations prepared by management; Compared forecasted revenues to past performance records, future market outlook and management's expectation of market developments; Compared terminal growth rates to external macroeconomic sources of data and industry specific trends; Compared costs to approved budget and historical performance; Involved valuation specialist to evaluate the appropriateness of the discount rates used for CGU A and CGU B. This involved consideration of inputs from comparable industries and peer companies, adjusted for business risk and marketability; Assessed the reasonableness of probabilities of occurrence assigned to base and worst case scenario. <p>We also considered the adequacy of the disclosures made in the financial statements on key assumptions and the sensitivity analysis for the respective CGUs.</p> <p>We considered the sensitivity of the recoverable amounts of CGU A and CGU B by varying the key assumptions within reasonably possible ranges.</p> <p>Based on the procedures performed, no material exception was noted.</p>
<p>2.0 Impairment assessment on investment in associate and joint venture</p> <p>Refer to Note 2.5, Note 2.6 for accounting policies, Note 3(c), Note 10 and Note 11 to the financial statements.</p> <p>As at 31 December 2021, the carrying amount of investments in associates, Petra Energy Berhad ("PEB") and Evraz Wasco Pipe Protection Corporation ("EWPPC"), were RM103.8 million and RM48.7 million respectively. The carrying amount of investment in joint venture, ALAM-PE Holdings (L) Inc ("ALAM-PE") was RM32.9 million.</p>	<p>Audit procedures performed over this key audit matter on the value-in-use of investment in associates and joint venture were as follows:</p> <ul style="list-style-type: none"> Involved valuation specialist to assess the appropriateness of the valuation methodology used by management; Tested the mathematical accuracy of the VIU calculations prepared by management;

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF WAH SEONG CORPORATION BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

Key audit matters (continued)

Key audit matters	How our audit addressed the key audit matters
<p>Impairment indicators exist due to the following:</p> <ul style="list-style-type: none"> The fair value of quoted PEB shares was RM66.6 million, which was lower than the carrying value of the investment as at 31 December 2021; Significant impairment loss of PPE amounting to RM127.8 million recognised at EWPPC entity level for the financial year ended 31 December 2021; and ALAM-PE was in loss making position of RM49.4 million for financial year ended 31 December 2021. <p>In assessing the recoverable amount of these investments, value-in-use ("VIU") method was used.</p> <p>We focused on this area due to the size of the carrying amount of the investments and because the recoverable amounts of the investments are determined based on value in use ("VIU") calculations, which involve significant judgements in determining key assumptions on the future cash flows generated.</p>	<ul style="list-style-type: none"> Compared forecasted revenues to past performance records, future market outlook and management's expectation of market developments; Compared current year profit margin to historical profit margins; Compared terminal growth rates to external macroeconomic sources of data and industry specific trends; Involved valuation specialist to evaluate the appropriateness of the discount rates used. This involved consideration of inputs from comparable industries and peer companies; Assessed the reasonableness of probabilities of occurrence assigned to base and worst case scenario; Reviewed the audit deliverables of component auditors. <p>We also considered the adequacy of the disclosures made in the financial statements on key assumptions and the sensitivity analysis for the investments. We considered the sensitivity of the recoverable amount of the investments by varying the key assumptions within reasonably possible ranges.</p> <p>Based on the procedures performed, no material exception was noted.</p>
<p>3.0 Recognition of deferred tax assets for unutilised tax losses</p> <p>Refer to Note 3(f) for the accounting policy and Note 8 to the financial statements.</p> <p>As at 31 December 2021, the Group recognised deferred tax assets amounted to RM27.7 million from unused tax losses.</p> <p>In order to determine the extent of deferred tax assets to be recognised as at 31 December 2021, management prepared a taxable profit projection, to be utilised against the unused tax losses within the expiry period.</p> <p>We focused on this area because significant judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.</p>	<p>Audit procedures performed over this key audit matter were as follows:</p> <ul style="list-style-type: none"> Reviewed appropriateness of the key assumptions used by management in the taxable profit projection to support the recoverability of deferred tax assets; Tested mathematical accuracy of management's taxable profit projection. <p>We also considered the adequacy of the Group's disclosures included in Note 8 of the consolidated financial statements.</p> <p>Based on the procedures performed, no material exception was noted.</p>

There are no key audit matters to report for the Company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF WAH SEONG CORPORATION BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

Information other than the financial statements and auditors' report thereon

The Directors of the Company are responsible for the other information. The other information comprises the Directors' Report, Statement on Risk Management and Internal Control and other sections of Annual Report 2021, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the financial statements

The Directors of the Company are responsible for the preparation of the financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and of the Company's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF WAH SEONG CORPORATION BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

Auditors' responsibilities for the audit of the financial statements (continued)

- (d) Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- (f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current financial year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of the Companies Act, 2016 in Malaysia, we report that the subsidiaries of which we have not acted as auditors, are disclosed in Note 9 to the financial statements.

OTHER MATTERS

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

1 GENERAL INFORMATION

The Company is a public limited liability company, incorporated and domiciled in Malaysia, and listed on the Main Market of Bursa Malaysia Securities Berhad. The address of its registered office and principal place of business are as follows:

Registered office and principal place of business:

Suite 19.01, Level 19
The Gardens North Tower
Mid Valley City
Lingkaran Syed Putra
59200 Kuala Lumpur

The principal activities of the Company are investment holding and provision of management services to its subsidiaries.

The principal activities of the Group consist of specialised pipe coating and corrosion protection services; Engineering, Procurement and Construction ("EPC") of gas compressors and process equipment; renewable energy and industrial trading and services.

The financial statements are presented in Ringgit Malaysia ("RM"), which is also the Company's functional currency. Unless otherwise indicated, the amounts in these financial statements have been rounded to the nearest thousand.

These financial statements were authorised for issue by the Directors on 13 April 2022.

2 SIGNIFICANT ACCOUNTING POLICIES

Unless otherwise stated, the following accounting policies have been applied consistently in dealing with items that are considered material in relation to the financial statements.

2.1 Basis of preparation

The financial statements of the Group and the Company have been prepared in accordance with the Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS") and the requirements of Companies Act, 2016 in Malaysia.

The financial statements have been prepared under the historical cost convention unless otherwise indicated in this summary of significant accounting policies.

The preparation of financial statements in conformity with MFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. It also requires Directors to exercise their judgement in the process of applying the Group's and the Company's accounting policies. Although these estimates and judgement are based on the Directors' best knowledge of current events and actions, actual results may differ.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 3 to the financial statements.

2.2 Changes in accounting policies and disclosures

(a) Standards, amendments to published standards and interpretations that are effective

The Group has applied the following amendments for the first time for the financial year beginning on 1 January 2021:

- Amendments to MFRS 16 'COVID-19-Related Rent Concessions'
- Amendments to MFRS 9, MFRS 139, MFRS 7, MFRS 4 and MFRS 16 'Interest Rate Benchmark Reform—Phase 2'

The adoption of the revised amendments that are applicable from the financial year beginning on 1 January 2021 did not have any significant impact on the financial position and results of the Group and the Company.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.2 Changes in accounting policies and disclosures (continued)

- (b) Standards, amendments to published standards and interpretations to existing standards that are applicable to the Group and Company but not yet effective

- Amendments to MFRS 3 'Reference to Conceptual Framework' (effective 1 January 2022) replace the reference to Framework for Preparation and Presentation of Financial Statements with 2018 Conceptual Framework. The amendments did not change the current accounting for business combinations on acquisition date.

The amendments provide an exception for the recognition of liabilities and contingent liabilities should be in accordance with the principles of MFRS 137 'Provisions, contingent liabilities and contingent assets' and IC Interpretation 21 'Levies' when falls within their scope. It also clarifies that contingent assets should not be recognised at the acquisition date.

The amendments shall be applied prospectively.

- Amendments to MFRS 116 'Proceeds before intended use' (effective 1 January 2022) prohibit an entity from deducting from the cost of a property, plant and equipment the proceeds received from selling items produced by the property, plant and equipment before it is ready for its intended use. The sales proceeds should instead be recognised in profit or loss.

The amendments also clarify that testing whether an asset is functioning properly refers to assessing the technical and physical performance of the property, plant and equipment.

The amendments shall be applied retrospectively.

- Amendments to MFRS 137 'Onerous contracts - cost of fulfilling a contract' (effective 1 January 2022) clarify that direct costs of fulfilling a contract include both the incremental cost of fulfilling the contract as well as an allocation of other costs directly related to fulfilling contracts. The amendments also clarify that before recognising a separate provision for an onerous contract, impairment loss that has occurred on assets used in fulfilling the contract should be recognised.

The amendments shall be applied retrospectively.

- Annual Improvements to MFRS 9 'Fees in the 10% test for derecognition of financial liabilities' (effective 1 January 2022) clarifies that only fees paid or received between the borrower and the lender, including the fees paid or received on each other's behalf, are included in the cash flow of the new loan when performing the 10% test.

An entity shall apply the amendment to financial liabilities that are modified or exchanged on or after the beginning of the annual reporting period in which the entity first applies the amendment.

The Group and the Company will apply these amendments from financial year beginning on 1 January 2022.

- Amendments to MFRS 101 'Classification of liabilities as current or non-current' (effective 1 January 2023) clarify that a liability is classified as non-current if an entity has a substantive right at the end of the reporting period to defer settlement for at least 12 months after the reporting period. If the right to defer settlement of a liability is subject to the entity complying with specified conditions (for example, debt covenants), the right exists at the end of the reporting period only if the entity complies with those conditions at that date. The amendments further clarify that the entity must comply with the conditions at the end of the reporting period even if the lender does not test compliance until a later date.

The assessment of whether an entity has the right to defer settlement of a liability at reporting date is not affected by expectations of the entity or events after the reporting date.

The amendments will be applied retrospectively.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.2 Changes in accounting policies and disclosures (continued)

(b) Standards, amendments to published standards and interpretations to existing standards that are applicable to the Group and Company but not yet effective (continued)

- Amendments to MFRS 112 'Deferred Tax related to Assets and Liabilities arising from a Single Transaction' (effective 1 January 2023) clarify that the initial exemption rule does not apply to transactions where both an asset and a liability are recognised at the same time such as leases and decommissioning obligations. Accordingly, entities are required to recognise both deferred tax assets and liabilities for all deductible and taxable temporary differences arising from such transactions.
- Amendments to MFRS 108 'Definition of Accounting Estimates' (effective 1 January 2023)

The Group and the Company will apply these amendments from financial year beginning on 1 January 2023.

The Group and the Company are in the process of assessing the full impact of the above amendments to published standards on the financial statements of the Group and the Company in the financial year of initial application.

2.3 Subsidiaries

Subsidiaries are those corporations, partnerships or other entities (including special purpose entities) over which the Group has power to exercise control over variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Potential voting rights are considered when assessing control only when such rights are substantive.

In the Company's separate financial statements, investments in subsidiaries are stated at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. See accounting policy 2.13 on impairment of non-financial assets.

Subsidiaries acquired from other companies within Wah Seong Corporation Berhad Group as part of the restructuring scheme is accounted for under the "Predecessor Accounting" method as these were entities under common control. Under the predecessor method of accounting, the subsidiaries are consolidated as if the subsidiaries have always been part of Wah Seong Corporation Berhad Group. Assets and liabilities acquired are not restated to their respective fair values and are recognised as the carrying amounts. The difference between any consideration given and the aggregate carrying amounts of the assets and liabilities of the acquired entity is recognised as an adjustment to equity. No additional goodwill is recognised.

Other subsidiaries are consolidated using the acquisition method of accounting. Under the acquisition method of accounting, subsidiaries are fully consolidated from the date on which control is transferred to the Group and are de-consolidated from the date that control ceases. The cost of an acquisition is measured as the fair value of the assets given, equity interests issued and liabilities incurred or assumed at the date of exchange. Acquisition-related costs are expensed to profit or loss as and when incurred. The cost of acquisition includes the fair value of any asset or liability resulting from a contingent consideration. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, measured initially at their fair values at the date of acquisition. The excess of the cost of acquisition over the fair value of the Group's share of the identifiable net assets acquired at the date of acquisition is reflected as goodwill in the statement of financial position – see accounting policy 2.10(a) on goodwill. If the cost of acquisition is less than the fair value of the Group's share of identifiable net assets of the subsidiary acquired, the difference is recognised directly in the profit or loss.

If a business combination achieved in stages, the previously held equity interest in the acquiree is remeasured to its fair value on the date it becomes a subsidiary and the resulting gain or loss is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.3 Subsidiaries (continued)

All intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of impairment of the asset transferred. When necessary, amounts reported by subsidiaries have been adjusted to conform with the Group's accounting policies.

Non-controlling interests represent that portion of the profit or loss, other comprehensive income and net assets of a subsidiary attributable to equity interests that are not owned, directly or indirectly through subsidiaries, by the Company. It is measured at the non-controlling's share of the fair value of the subsidiaries' identifiable assets and liabilities at the date of acquisition and the non-controlling's share of changes in the subsidiaries' equity since that date.

All earnings and losses of the subsidiary are attributed to the parent and non-controlling interest, even if the attribution of losses to the non-controlling interest results in a debit balance.

The gain or loss on disposal of a subsidiary, which is the difference between net disposal proceeds and the Group's share of its net assets as of the date of disposal, including the cumulative amount of any exchange differences that relate to the subsidiary, is recognised in the consolidated profit or loss.

2.4 Transactions with non-controlling interests

The Group applies a policy of treating transactions with non-controlling interests as transactions with equity owners of the Group. Effects of transactions with non-controlling interests are directly recognised in equity to the extent that there is no change in control. The difference between the fair value of any consideration paid/received and the carrying amount of the share of net assets acquired/sold are recorded in equity. Accordingly, such transactions will no longer result in goodwill or gains and losses upon disposal.

2.5 Associates

An associate is an entity in which the Group has significant influence and that is neither a subsidiary nor an interest in a joint venture. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but not control or joint control over those policies.

Investment in associates is accounted for in the consolidated financial statements using the equity method of accounting. Under the equity method, investment in associates is initially recognised at cost and adjusted thereafter for post-acquisition changes in the Group's share of net assets of the associates.

The Group's share of the associate's post-acquisition profit or loss and other comprehensive income are recognised in the consolidated profit or loss and other comprehensive income respectively. The cumulative post-acquisition movements are adjusted against the carrying amounts of the investments. Dividends received or receivable from an associate are recognised as a reduction in the carrying amount of the investment.

An investment in an associate is accounted for using the equity method from the date on which the Group obtains significant influence until the date the Group ceases to have significant influence over the associate.

Goodwill relating to an associate is included in the carrying value of the investment and is not tested for impairment separately.

Any excess of the Group's share of the net fair value of the associate's identifiable assets, liabilities and contingent liabilities over the cost of the investment is excluded from the carrying amount of the investment and is instead included as income in the determination of the Group's share of the associate's profit or loss for the financial period in which the investment is acquired.

Unrealised gains on transactions between the Group and its associates are eliminated to the extent of the Group's interest in the associates. Unrealised losses are also eliminated unless the transaction provides evidence of impairment of the asset transferred. Where necessary, adjustments are made to the financial statements of associates to ensure consistency of accounting policies with those of the Group.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.5 Associates (continued)

Equity accounting is discontinued when the carrying amount of the investment in an associate diminishes by virtue of losses to zero, unless the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the Group resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

For incremental interest in an associate, the date of acquisition is the purchase date at each stage and goodwill is calculated at each purchase date based on the fair value of assets and liabilities identified. There is no “step up to fair value” of net assets of the previously acquired stake and the share of profits and equity movements for the previously acquired stake is recorded directly through equity.

The Group determines at each reporting date whether there is any objective evidence that the investment in associates is impaired. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. See accounting policy 2.13 on impairment of non-financial assets.

On disposal, the difference between the net disposal proceeds and the net carrying amount of the associate disposed is taken to the profit or loss.

In the Company's separate financial statements, investment in associates is stated at cost less impairment loss.

2.6 Joint arrangements

A joint arrangement is an arrangement of which there is contractually agreed sharing of control by the Group with one or more parties, where decisions about the relevant activities relating to the joint arrangement require unanimous consent of the parties sharing control. The classification of a joint arrangement as a joint operation or a joint venture depends upon the rights and obligations of the parties to the arrangement. A joint venture is a joint arrangement whereby the joint venturers have rights to the net assets of the arrangement. A joint operation is a joint arrangement whereby the joint operators have rights to the assets and obligations for the liabilities, relating to the arrangement.

The Group has interests in joint venture, which are accounted for in the consolidated financial statements using the equity method of accounting after initially being recognised as cost. Equity accounting involves recognising the Group's share of the post-acquisition profit or loss and other comprehensive income within consolidated profit or loss and other comprehensive income respectively. The cumulative post-acquisition movements are adjusted against the cost of investment and include goodwill on acquisition (net of accumulated impairment loss). Dividends received or receivable from a joint venture are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in a joint venture equals or exceeds its interest in the joint venture, including any long term interests that, in substance, form part of the Group's net investment in the joint venture, the Group does not recognise further losses unless it has incurred legal or constructive obligations or made payments on behalf of the joint venture.

The Group recognises the portions of gains or losses on the sale of assets by the Group to the joint venture that is attributable to other venturers. The Group does not recognise its share of profits or losses from the joint venture that result from the purchase of assets by the Group from the joint venture until it resells the assets to an independent party. However, a loss on the transaction is recognised immediately if the loss provides evidence of a reduction in the net realisable value of assets or an impairment loss.

The Group determines at each reporting date whether there is any objective evidence that the investment in joint ventures is impaired. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. See accounting policy 2.13 on impairment of non-financial assets.

Unrealised gains on transactions between the Group and its joint ventures are eliminated to the extent of the Group's interest in the joint ventures. Unrealised losses are also eliminated unless the transaction provides evidence of impairment of the asset transferred. Where necessary, adjustments are made to the financial statements of joint ventures to ensure consistency of accounting policies with those of the Group.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.6 Joint arrangements (continued)

On disposal, the difference between the net disposal proceeds and the carrying amount of the joint venture disposed is included in the profit or loss.

In the Company's separate financial statements, investment in joint ventures is stated at cost less accumulated impairment loss.

2.7 Property, plant and equipment

(a) Measurement basis

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of property, plant and equipment initially recognised includes purchase price, import duties, non-refundable purchase taxes and any expenditure that is directly attributable to the acquisition of the assets.

Cost also includes borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. See accounting policy 2.24 on borrowing costs. Items such as spare parts are recognised when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventory. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

Subsequent costs are included in the asset's carrying amount when it is probable that future economic benefits associated with the asset will flow to the Group and the Company and the cost of the asset can be measured reliably. The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are charged to the profit or loss during the financial year in which they are incurred.

At each reporting date, the Group and the Company assess whether there is any indication of impairment. Where an indication of impairment exists, the carrying value of the asset is assessed and written down immediately to its recoverable amount. See accounting policy 2.13 on impairment of non-financial assets.

Property, plant and equipment are derecognised upon disposal or when no future economic benefits are expected from their use. Gains and losses on disposals are determined by comparing proceeds with carrying amounts and are included in the profit or loss in the financial year the asset is derecognised.

(b) Depreciation

Freehold land is not depreciated as it has an indefinite life. Depreciation on capital work-in-progress commences when the assets are ready for their intended use.

Depreciation is calculated to write off the depreciable amount of other property, plant and equipment on a straight line basis over their estimated useful lives. The depreciable amount is determined after deducting residual value from cost. The estimated useful lives of the property, plant and equipment are as follows:

Buildings	10 - 50 years
Plant, machinery, tools and equipment	2 - 25 years
Electrical installations, computer and office equipment, furniture and fittings	3 - 10 years
Motor vehicles	3 - 5 years
Renovation, yard development and store extension	2 - 50 years

Assets under construction included in plant and equipment are not depreciated as these assets are yet to be available for use.

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at the end of each financial year.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.8 Leases

The Group recognises leases as right-of-use asset and a corresponding liability at the date on which the leased asset is available for use (i.e. the commencement date).

Accounting as lessee

(a) Lease term

The Group leases various offices, warehouses and motor vehicles. Rental contracts are typically made for fixed periods of 2 to 16 years (2020: 2 to 17 years), but may have extension options.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets may not be used as security for borrowing purposes.

Extension and termination options are included in a number of property leases across the Group. These are used to maximise operational flexibility in terms of managing the assets used in the Group's operations. The majority of extension and termination options held are exercisable only by the Group and not by the respective lessor.

In determining the lease term, the Group considers all facts and circumstances that create an economic incentive on whether to exercise an extension option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not to be terminated).

The Group reassess the lease term upon the occurrence of a significant event or change in circumstances that is within the control of the Group and affects whether the Group is reasonably certain to exercise an option not previously included in the determination of lease term, or not to exercise an option previously included in the determination of lease term. A revision in lease term results in remeasurement of the lease liabilities – see accounting policy 2.8(d).

(b) Right-of-use assets

Right-of-use assets are initially measured at cost comprising the following:

- the amount of the initial measurement of lease liability;
- any lease payments made at or before the commencement date less any lease incentive received;
- any initial direct costs; and
- decommissioning or restoration costs.

Right-of-use assets are subsequently measured at cost, less accumulated depreciation and impairment loss. The right-of-use assets are depreciated over the shorter of the asset's useful life and the lease term on a straight line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life. In addition, the right-of-use assets are adjusted for certain remeasurement of the lease liabilities.

Right-of-use assets are depreciated over the remaining period of the respective leases ranging from 1 to 94 years (2020:1 to 95) years.

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.8 Leases (continued)

Accounting as lessee (continued)

(c) Lease liabilities

Lease liabilities are initially measured at the present value of the lease payments that are not paid at that date. The lease payments include the following:

- fixed payments (including in-substance fixed payments), less any lease incentive receivable;
- variable lease payments that are based on an index or rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable by the Group under residual value guarantees;
- the exercise price of a purchase and extension options if the Group is reasonably certain to exercise that option; and
- payments of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

Lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the lessee's incremental borrowing rate is used.

Lease payments are allocated between principal and interest expense. Interest expense is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

The Group presents the lease liabilities as a separate line item in the statement of financial position. Interest expense on the lease liabilities is presented within the finance cost in profit or loss.

(d) Reassessment of lease liabilities

The Group is exposed to potential future increases in variable lease payments that depend on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is remeasured and adjusted against the right-of-use assets.

(e) Short-term leases and leases of low-value assets

Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise IT equipment and small items of office furniture. Payments associated with short-term leases and leases of low-value assets are recognised on a straight line basis as an expense in profit or loss.

Accounting as lessor

As a lessor, the Group and the Company determine at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Group and the Company make an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying assets to the lessee. As part of this assessment, the Group and the Company consider certain indicators such as whether the lease is for the major part of the economic life of the asset.

(a) Finance leases

The Group leases its compressors under finance leases to non-related parties, where the Group transfers substantially all the risks and rewards incidental to ownership.

When assets are leased out under a finance lease, the present value of the lease payments is recognised as a receivable. The receivable is subject to MFRS 9 impairment (See accounting policy 2.17(d) on impairment of financial assets). The difference between the gross receivable and the present value of the receivable is recognised as unearned finance income.

Lease income is recognised over the term of the lease using the net investment method so as to reflect a constant periodic rate of return. The Group revises the lease income allocation if there is a reduction in the estimated unguaranteed residual value.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.8 Leases (continued)

Accounting as lessor (continued)

(b) Operating leases

The Group and the Company lease its investment properties under operating leases to non-related parties. The Group also leases its plant and equipment under operating leases to an associate.

Leases of investment properties and equipment, where the Group and the Company retain substantially all risks and rewards incidental to ownership, are classified as operating leases. Rental income from operating leases is recognised in profit or loss on a straight line basis over the lease term. Contingent rents are recognised as revenue in the period in which they are earned.

During the financial year, operating lease income from lease contracts in which the Group and the Company act as a lessor is RM18,794,000 (2020: RM21,896,000) and RM1,331,000 (2020: RM1,474,000) respectively.

Minimum lease receivables on investment properties and equipment are as follows:

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000
Not later than 1 year	3,548	13,165	1,582	1,476
Later than 1 year and not later than 2 years	909	1,765	909	213
Later than 2 years and not later than 5 years	714	-	714	-
	5,171	14,930	3,205	1,689

2.9 Investment properties

Investment properties are properties held to earn rental income or for capital appreciation or both rather than for use in the production or supply of goods and services or for administrative purposes, or sale in the ordinary course of business.

(a) Measurement basis

Investment properties are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of investment properties includes expenditure that is directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount when it is probable that future economic benefits associated with the asset will flow to the Group and the Company and the cost of the asset can be measured reliably. All other repair and maintenance costs are charged to the profit or loss during the financial year in which they are incurred.

At each reporting date, the Group and the Company assess whether there is any indication of impairment. Where an indication of impairment exists, the carrying value of the investment property is assessed and written down immediately to its recoverable amount. See accounting policy 2.13 on impairment of non-financial assets.

Investment properties are derecognised upon disposal or when they are permanently withdrawn from use and no future economic benefits are expected from their disposal. On disposal, the difference between the net disposal proceeds and the carrying amount is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.9 Investment properties (continued)

(a) Measurement basis (continued)

Transfers are made to or from investment property only when there is a change in use. Transfers from investment property to owner-occupied property are made at the carrying amount as at the date of change in use. For a transfer from owner-occupied property to investment property, the property is accounted for in accordance with the accounting policy for property, plant and equipment as set out in accounting policy 2.7 up to the date of change in use.

(b) Depreciation

Freehold land is not depreciated. Freehold and leasehold buildings are depreciated over the shorter of their estimated useful lives of 50 years or lease term.

Depreciation is calculated to write off the depreciable amount of other investment properties on a straight line basis over their estimated useful lives. Depreciation amount is determined after deducting the residual value from the cost of the investment properties.

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at the end of each financial year.

2.10 Intangible assets

Intangible assets acquired separately are measured initially at cost. The cost of intangible assets acquired in a business combination is their fair value as at the date of acquisition. Following initial acquisition, intangible assets are measured at cost less any accumulated amortisation and accumulated impairment losses.

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. See accounting policy 2.13 on impairment of non-financial assets. The amortisation period and the amortisation method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in profit or loss.

Intangible assets with indefinite useful lives or not yet available for use are tested for impairment annually, or more frequently if the events and circumstances indicate that the carrying value may be impaired either individually or at the cash-generating unit level. See accounting policy 2.13 on impairment of non-financial assets. Such intangible assets are not amortised. The useful life of an intangible asset with an indefinite useful life is reviewed annually to determine whether the useful life assessment continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

(a) Goodwill

Goodwill represents the excess of the cost of acquisition of subsidiaries, joint ventures and associates over the fair value of the Group's share of the identifiable net assets at the date of acquisition.

Goodwill on acquisition of subsidiaries is tested annually for impairment and carried at cost less accumulated impairment losses. Impairment losses on goodwill are not reversed. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Goodwill on acquisition of subsidiaries is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the synergies of the business combination in which the goodwill arose.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.10 Intangible assets (continued)

(a) Goodwill (continued)

Goodwill on acquisitions of joint ventures and associates is included in the carrying amounts of investments in joint ventures and associates respectively. Such goodwill is tested for impairment as part of the overall balance.

Where goodwill forms part of a cash-generating unit and part of the operation within that cash-generating unit is disposed off, the goodwill associated with the operation disposed off is included in the carrying amount of the operation when determining the gain or loss on disposal of the operation. Goodwill disposed off in this circumstance is measured based on the relative fair values of the operations disposed off and the portion of the cash-generating unit retained.

(b) Trademarks

Separately acquired trademarks are shown at historical cost. Trademarks acquired in a business combination are recognised at fair value at the acquisition date. Trademarks have an infinite useful life and are carried at cost less accumulated impairment.

(c) Technical know-how

Separately acquired technical know-how is shown at historical costs. Technical know-how acquired in a business combination is recognised at fair value at the acquisition date. Technical know-how has a finite useful life and is carried at cost less accumulated amortisation. Amortisation is calculated using the straight line method to allocate the cost of technical know-how over its estimated useful lives of 5 years.

(d) Intellectual property

Expenditure on acquired intellectual property is capitalised and amortised using the straight line method over their estimated useful life, not exceeding a period of 20 years.

2.11 Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined on the first in, first out basis. In the case of finished goods and work in progress, cost comprises materials, direct labour, other direct charges and an appropriate proportion of factory overheads.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs to completion and selling expenses.

Where necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

2.12 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of 3 months or less that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value. For the purpose of the statements of cash flows, cash and cash equivalents are presented net of bank overdrafts and exclude fixed deposits pledged to secure banking facilities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.13 Impairment of non-financial assets

Assets that have an indefinite useful life, for example goodwill or intangible assets not ready to use, are not subject to amortisation or depreciation and are tested annually for impairment. The Group also assesses goodwill, intangible assets with indefinite useful life and other assets that are subject to amortisation or depreciation for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value-in-use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at each reporting date. Impairment losses are recognised in profit or loss within 'impairment of assets'.

2.14 Provision for warranties

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and a reliable estimate of the amount can be made. Provisions are not recognised for future operating losses.

The Group recognises the estimated liability to repair or replace products when the underlying products or services are sold. The provision is calculated based on historical warranty data and specific circumstances related to products or services sold, after considering the various possible outcomes against their associated probabilities.

2.15 Share capital

(a) Issue of shares

Ordinary shares are classified as equity. Other shares are classified as equity and/or liability according to the economic substance of the particular instrument.

(b) Dividend distribution

Dividend distribution to owners of the Company is debited directly to equity and the corresponding liability is recognised in the period in which the dividends are approved.

Liability is recognised for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the Group, on or before the end of the reporting period but not distributed at the end of the reporting period.

(c) Treasury shares

When share capital recognised as equity is repurchased, the amount of the consideration paid, including directly attributable costs, is recognised as a deduction from equity. Repurchased shares that are not subsequently cancelled are classified as treasury shares and are presented as a deduction from equity attributable to owners of the Company. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of treasury shares. When treasury shares are reissued by resale, any consideration received, net of any directly attributable incremental transaction costs and the related income tax effects, is included in equity attributable to owners of the Company.

An amount equivalent to the original purchase cost of the treasury shares will be deducted from retained earnings upon the distribution of any treasury shares as share dividends.

2.16 Foreign currencies

(a) Functional and presentation currencies

The financial statements of each entity within the Group are measured using the currency of the primary economic environment in which the respective entity operates ("the functional currency"). The financial statements are presented in Ringgit Malaysia ("RM"), which is the Company's functional and presentation currency.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.16 Foreign currencies (continued)

(b) Transactions and balances

Transactions in foreign currencies are translated into the functional currency at the rate of exchange ruling at the dates of the transactions.

Monetary items denominated in foreign currencies at the reporting date are translated at the foreign currency exchange rates ruling at that date.

Non-monetary items which are measured in terms of historical costs denominated in foreign currencies are translated at the foreign currency exchange rates ruling at the date of the transaction.

Foreign exchange gains and losses arising on the settlement of monetary items and the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the profit or loss, except when deferred in other comprehensive income as qualifying cash flow hedges.

When a gain or loss on a non-monetary item is recognised in the profit or loss, any corresponding exchange gain or loss is recognised in profit or loss. When a gain or loss on a non-monetary item is recognised directly in other comprehensive income, any corresponding exchange gain or loss is recognised directly in other comprehensive income.

(c) Translation of foreign operations

On consolidation, all assets and liabilities of foreign operations that have a functional currency other than Ringgit Malaysia, including goodwill and fair value adjustments arising on acquisition, are translated at the exchange rates ruling at the reporting date.

Income and expense items are translated at average exchange rates.

All exchange differences arising from the translation of the financial statements of foreign operations are taken to other comprehensive income. Upon disposal of a foreign operation, the exchange translation differences relating to those foreign operations that were recorded within other comprehensive income are recognised in the profit or loss as part of the gain or loss on disposal.

In the case of a partial disposal that does not result in the Group losing control over a foreign operation, the proportionate share of accumulated exchange differences based on effective equity interest are re-attributed to non-controlling interests and are not recognised in profit or loss.

2.17 Financial assets

(a) Classification

The Group and the Company classify its financial assets in the following measurement categories: at fair value through profit or loss and at amortised cost. The classification depends on the nature of the entity's business model for managing the financial assets and the contractual terms of the cash flows.

The Group and the Company reclassify debt investments when and only when its business model for managing those assets changes.

(b) Recognition and initial measurement

Regular way purchases and sales of financial assets are recognised on the trade date. The trade date refers to the date on which the Group and the Company commit to purchase or sell the asset.

Financial assets are initially recognised at fair value plus transaction cost that are directly attributable to the acquisition of the financial assets except for financial assets at fair value through profit or loss. Transaction costs for financial assets measured at fair value through profit or loss are recognised immediately as expenses within profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.17 Financial assets (continued)

(c) Subsequent measurement

(i) Debt instruments at amortised cost

After initial recognition, financial assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest are measured at amortised cost using the effective interest method. Any gain or loss arising on derecognition is recognised directly in profit or loss. Impairment losses are recognised in profit or loss within 'cost of sales' or 'administrative and general expenses'.

(ii) Debt instruments at fair value through profit or loss

Subsequent to initial recognition, financial assets that do not meet the criteria for amortised cost or fair value through other comprehensive income are measured at fair value through profit or loss. Any gains or losses arising from changes in fair value are recognised in profit or loss within 'other gains/(losses) - net'. Exchange differences, interest and dividend income on financial assets at fair value through profit or loss are recognised separately in profit or loss.

(iii) Equity instruments

The Group and the Company subsequently measure all equity investments at fair value. Where the Group's and the Company's management have elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in profit or loss as other income when the Group's and the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in profit or loss within 'other gains/(losses) - net'.

(d) Impairment of financial assets

The Group and the Company assess on a forward-looking basis the expected credit loss ("ECL") associated with the debt instruments carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The financial assets of the Group and the Company that are subject to the ECL model are trade and other receivables, contract assets, lease receivables and loans to subsidiaries. While cash and cash equivalents are also subject to the impairment requirements of MFRS 9, the impairment loss is immaterial.

ECL represent a probability-weighted estimate of the difference between present value of cash flows according to contract and present value of cash flows the Group and the Company expect to receive, over the remaining life of the financial instrument.

The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.17 Financial assets (continued)

(d) Impairment of financial assets (continued)

(i) General 3-stage approach for other receivables, loans to subsidiaries and financial guarantee contracts

At each reporting date, the Group and the Company measure ECL through loss allowance at an amount equal to 12 month ECL if credit risk on a financial instrument or a group of financial instruments has not increased significantly since initial recognition. For all other financial instruments, a loss allowance at an amount equal to lifetime ECL is required.

The Group and the Company consider the probability of default upon initial recognition of financial asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the Group and the Company compare the risk of a default occurring on the financial asset as at the reporting date with the risk of default as at the date of initial recognition. Available, reasonable and supportable forward-looking information are also considered.

The Group and the Company define a financial instrument as default, which is fully aligned with the definition of credit-impaired, when it meets one or more of the following criteria:

- when the counterparty fails to make contractual payment as they fall due
- the debtor is in breach of financial covenants
- concessions have been made by the lender relating to the debtor's financial difficulty
- it is becoming probable that the debtor will enter bankruptcy or other financial reorganisation the debtor is insolvent

Financial instruments have been grouped based on shared credit risk characteristics and the days past due in measuring ECL.

Financial instruments that are credit-impaired are assessed on individual basis.

(ii) Simplified approach for trade receivables, contract assets and lease receivables

The Group and the Company apply the MFRS 9 simplified approach to measure ECL which uses a lifetime ECL for all trade receivables, contract assets and lease receivables. Individual assessment is made to these financial assets which are in default or credit-impaired.

(e) Write-off

Financial assets are written off when the Group and the Company have exhausted all practical recovery efforts and have concluded that there is no reasonable expectation of recovery. Indicator of no reasonable expectation of recovery include failure of a debtor to engage in a repayment plan with the Group and the Company. The Group and the Company may write-off financial assets that are still subject to enforcement activity.

Impairment losses are presented as net impairment losses within 'impairment of financial assets'. Write-offs are recognised in profit or loss within 'administrative and general expenses'. Subsequent recoveries of amounts previously written off are credited against the same line item.

(f) De-recognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group and the Company have transferred substantially all the risks and rewards of ownership.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.18 Financial liabilities

(a) Classification

Financial liabilities are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

(i) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities held for trading include derivatives entered into by the Group and the Company that do not meet the hedge accounting criteria. Liabilities in this category are classified within current liabilities if they are either held for trading or are expected to be settled within 12 months after the reporting date. Otherwise, they are classified as non-current.

(ii) Other financial liabilities

The Group's and the Company's other financial liabilities include trade payables, other payables, intercompany payables, dividend payable and loans and borrowings. Loans and borrowings are classified as current liabilities unless the Group and the Company have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

(b) Recognition and de-recognition

A financial liability is recognised when, and only when, the Group or the Company becomes a party to the contractual provisions of the financial instrument.

A financial liability is derecognised when the obligation under the liability is extinguished. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

(c) Initial and subsequent measurement

Derivative financial liabilities are initially measured at fair value and subsequently stated at fair value, with any resulting gains or losses recognised in profit or loss. Net gains or losses on the derivatives include exchange differences.

Trade and other payables are recognised initially at fair value net off directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

Loans and borrowings are recognised initially at fair value, net of transaction costs incurred, and subsequently measured at amortised cost using the effective interest method.

For other financial liabilities, gains and losses are recognised in profit or loss when the liabilities are de-recognised.

2.19 Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.20 Derivative financial instruments

A derivative financial instrument is initially recognised at its fair value on the date the contract is entered into and is subsequently carried at its fair value. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. Gains or losses on derivatives that are not designated as a hedging instrument are recognised in profit or loss within 'other gains/(losses) - net'. The Group currently does not hedge any of its derivative financial instruments.

2.21 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due.

The Company has issued corporate guarantees to banks for borrowings of certain subsidiaries. These guarantees are financial guarantees as they require the Company to reimburse the banks if the subsidiaries fail to make principal or interest payments when due in accordance with the terms of their borrowings.

Financial guarantee contracts are recognised initially as a liability at fair value. Subsequent to initial recognition, the liability is measured at the higher of the amount determined in accordance with the ECL model under MFRS 9 'Financial Instruments' and the amount initially recognised less cumulative amount of income recognised in accordance with the principles of MFRS 15 'Revenue from Contracts with Customers', where appropriate.

ECL is the difference between the expected payments to reimburse the holder of the guaranteed debt instruments less any amounts that the Company expects to receive from the holder, the debtor or any other party. See accounting policy 2.17(d) on impairment under ECL model.

2.22 Revenue recognition

(a) Revenue from contracts with customers

Revenue from contracts with customers is recognised by reference to each distinct performance obligation in the contract with customer. Revenue from contracts with customers is measured at its transaction price, being the amount of consideration which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, net of goods and service tax, returns, rebates and discounts. Transaction price is allocated to each performance obligation on the basis of the relative standalone selling prices of each distinct good or services promised in the contract. Depending on the substance of the contract, revenue is recognised when the performance obligation is satisfied, which may be at a point in time or over time.

Contract asset is the right to consideration for goods or services transferred to the customers. Where the cumulative revenue earned exceed progress billings, the balance is presented as 'contract assets' within current assets.

Contract liability is the obligation to transfer goods or services to customer for which the Group has received the consideration or has billed the customer. Where progress billings exceed the cumulative revenue earned, the balance is presented as 'contract liabilities' within current liabilities.

Specific revenue recognition criteria for each of the Group's activities are as described below:

(i) Contract revenue

Contract revenue with customers include contracts relating to pipe coating, manufacturing of boilers and steam turbines as well as engineering and fabrication services.

These contracts may include multiple performance obligations as they are not highly integrated. Hence, the transaction price will be allocated to each performance obligation based on the standalone selling price.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.22 Revenue recognition (continued)

(a) Revenue from contracts with customers (continued)

Specific revenue recognition criteria for each of the Group's activities are as described below: (continued)

(i) Contract revenue (continued)

Where the contracts are highly integrated, they are recognised as a single performance obligation. Revenue is recognised progressively based on the progress towards complete satisfaction of the performance obligation.

Revenue are recognised over time when control of the asset is transferred over time when the Group's performance:

- creates and enhances an asset that the customer controls as the services are being performed; or
- does not create an asset with an alternative use to the Group and the Group has an enforceable right to payment for performance completed to date.

The progress towards complete satisfaction of the performance obligation is measured based on one of the following methods that best reflect the Group's performance in satisfying the performance obligation:

- direct measurements of the value transferred by the Group to the customer (eg. surveys of performance completed to date); or
- the Group's efforts or inputs to the satisfaction of the performance obligation (eg. by reference to cost incurred up to the end of the reporting period as a percentage of total estimated costs for complete satisfaction of the contract).

(ii) Sales of goods

The Group manufactures and sells a range of pipes for industrial use. The Group is also involved in the business of selling building materials, construction equipment, and power generators.

Revenue from sales of goods are recognised at a point in time when control of the good is transferred to the customer upon delivery.

(iii) Management fee

Management fee is recognised on an accrual basis when service is rendered.

(b) Revenue from other sources

(i) Rental income

Rental income is recognised on a straight line basis over the lease term.

(ii) Dividend income

Dividend income is recognised when the right to receive payment is established.

(iii) Interest income

Interest income is recognised on a time proportion basis, taking into account the principal outstanding and the effective interest rate applicable.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.23 Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions, if any.

Government grants related to income are recognised in profit or loss as 'other operating income' over the periods to match the related costs for which the grants are intended to compensate.

2.24 Borrowing costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditure and borrowing costs are incurred. Capitalisation of borrowing costs is suspended or ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are interrupted or completed.

All other borrowing costs are recognised in profit or loss using the effective interest method in the period they are incurred. Borrowing costs consist of interest and other costs that the Group and the Company incurred in connection with the borrowing of funds.

2.25 Income taxes

(a) Current tax

Current tax expense is determined according to the tax laws of each jurisdiction in which the Group and the Company operate and include all taxes based upon the taxable profits after taking into consideration available tax incentives.

Current taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity.

(b) Deferred tax

Deferred tax is recognised in full, using the liability method, on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences or unused tax losses can be utilised.

Deferred tax is not recognised if the temporary difference arises from goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and, at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax is recognised on temporary differences arising on investments in subsidiaries, associates and joint ventures, except where the timing of the reversal of the temporary difference can be controlled by the Group and it is probable that the temporary difference will not reverse in the foreseeable future. Generally the Group is unable to control the reversal of the temporary difference for associates. Only where there is an agreement in place that gives the Group the ability to control the reversal of the temporary difference, the deferred tax liability is not recognised.

Deferred tax assets on any unutilised portion of tax incentives are recognised to the extent that it is probable that future taxable profits will be available against which the unutilised tax incentives can be utilised.

The initial recognition exemption in MFRS 112 'Income Taxes' is applied on the temporary differences related to the right-of-use asset and lease liability. The Group does not recognise any deferred tax asset or liability arising from a lease contract.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.25 Income taxes (continued)

(b) Deferred tax (continued)

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in the profit or loss, except when it arises from a transaction which is recognised directly in equity, in which case the deferred tax is also charged or credited directly to equity, or when it arises from a business combination that is an acquisition, in which case the deferred tax is included in the resulting goodwill.

Deferred tax assets and liabilities are offset when the enterprise has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

2.26 Employee benefits

(a) Short term benefits

Salaries, wages, bonuses and social security contributions are recognised as an expense in the financial year in which the services are rendered by employees. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlements to future compensated absences, and short term non-accumulating compensated absences such as sick leave are recognised when the absences occur. Non-monetary benefits such as medical care, housing and other staff related expenses are charged to the profit or loss as and when incurred.

(b) Post-employment benefits

The Group has post-employment benefit schemes in accordance with local conditions and practices in the countries in which it operates. These post-employment benefit schemes are defined contribution plans.

A defined contribution plan is a pension plan under which the Group pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee services in the current and prior periods.

As required by law, the Company and its subsidiaries in Malaysia make contributions to the Employees Provident Fund ("EPF") which is a defined contribution plan, whereas subsidiaries in other countries make their respective local contributions, if required by law.

Such contributions are recognised as an expense in the profit or loss in the financial year to which they relate.

2.27 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The Group Chief Executive Officer has been identified as the chief operating decision-maker as he is responsible for allocating resources and assessing performance of the Group's operating segments.

2.28 Assets classified as held for sale

Assets classified as held for sale are classified as assets/liabilities held for sale if the carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. They are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment, right-of-use assets and intangible assets once classified as held for sale are not depreciated or amortised.

An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset is recognised at the date of derecognition.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.29 Contingent liabilities

The Group and the Company do not recognise a contingent liability but discloses its existence in the financial statements. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group and the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in the extremely rare case where there is a liability that cannot be recognised because it cannot be measured reliably.

Contingent liability is not recognised on the statement of financial position of the Group, except for contingent liability assumed in a business combination that is a present obligation and which the fair values can be reliably determined.

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated by the Directors and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the current circumstances.

The Group makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, rarely equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are outlined below.

(a) Impairment of goodwill

The Group tests goodwill for impairment annually in accordance with the accounting policy 2.10(a) and whenever events or changes in circumstances indicate that the goodwill may be impaired. For the purposes of assessing impairment, goodwill is allocated to cash-generating units that are expected to benefit from the synergies of the business combination in which the goodwill arose. The estimation of the present value of future cash flows generated by the cash-generating units or groups of cash-generating units are based on management's judgement of the developments in the market and the expected future performance, taking into account the impact of the uncertainty of the future economic condition.

These discounted cash flow calculations use five-year projections that are based on financial forecast. Cash flow projections take into account past experience and represent management's best estimate about future developments. Cash flows after the five-year period are extrapolated to perpetuity using terminal growth rates. Key assumptions on which management has based its determination of recoverable value include estimated revenue amount and weighted average cost of capital adjusted for specific risks associated with the cash-generating units. Due to the uncertainty of the future economic condition, management developed the base case and worst case scenario of cash flow projections. Probabilities of occurrence were assigned to each scenario to arrive at a single set of cash flow projection. The assumptions used in both scenarios and the probabilities of occurrence assigned required management's judgement.

Changes in assumptions could affect the results of the Group's test for impairment of goodwill. Further details of the carrying amount and the key assumptions applied in the impairment assessment of goodwill are given in Note 7.

(b) Impairment of non-financial assets

The Group assesses whether there is any indication that non-financial assets are impaired at the end of each reporting period. Impairment is measured by comparing the carrying amount of an asset with its recoverable amount. Recoverable amount is measured at the higher of the fair value less cost to sell for that asset and its value-in-use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

For certain plant and equipment, fair value less cost to sell is determined based on estimates prepared by an independent expert. The fair value is estimated based on comparison of market transacted price for similar plant and equipment, and where necessary, adjusted for age, usage and conditions of the plant and equipment and expectation of future market outlook of the industry due to the uncertainty of the future economic condition.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (CONTINUED)

(b) Impairment of non-financial assets (continued)

Details of the carrying amount and the key assumptions applied in the impairment assessment of property, plant and equipment and investment properties are in Notes 4 and 6 to the financial statements. During the financial year, there is an impairment charge of RM4,243,000 (2020: RM164,045,000) to the property, plant and equipment and RM3,545,000 (2020: RM30,000) to the investment properties. Refer to Notes 4 and 6 for further details.

(c) Impairment of investments in associates and joint ventures

The recoverable amount was determined using their value-in-use. The value-in-use is the net present value of the projected future cash flows to be derived from that asset. Projected future cash flows are calculated based on historical sector and industry trends, general market and economic conditions, changes in technology and other available information. Due to the uncertainty of the future economic condition, management developed the base case and worst case scenario of cash flow projections. Probabilities of occurrence were assigned to each scenario to arrive at a single set of cash flow projection. The assumptions used in both scenarios and the probabilities of occurrence assigned required management's judgement.

Details of the carrying amount and the key assumptions applied in the impairment assessment of investments in associates and joint ventures are in Notes 10 and 11 to the financial statements. During the financial year, there is an impairment charge of RM14,511,000 (2020: Nil) to the investments in associates and RM3,000,000 (2020: Nil) to the investments in joint ventures. Refer to Notes 10 and 11 for further details.

(d) Impairment of financial assets

The Group and the Company assess on a forward-looking basis the expected credit loss ("ECL") on financial assets at the end of each reporting period. The loss allowance for financial assets is determined using the ECL model which includes assumptions on forward looking information and their associated impact on probability of default, loss given default and exposure at default. Management uses judgement in making these assumptions and selecting the inputs to the loss allowance calculation, based on the Group's and the Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period. By varying the assumptions of the ECL model, multiple scenarios (a range of possible outcomes) were factored into the computation of the ECL model and the probabilities of occurrence were assigned to each scenario to arrive at a single loss allowance. The assumptions used in the multiple scenarios and the probabilities of occurrence assigned required management's judgement.

(e) Revenue recognised from customers on contracts

Revenue is recognised when or as the control of the asset is transferred to the customers and, depending on the terms of the contract and the applicable laws governing the contract, control of the asset may transfer over time or at a point in time. If control of the asset transfers over time, revenue is recognised over the period of the contract by reference to the progress, based on the extent of contract costs incurred.

Significant judgement is required in the estimation of the progress towards complete satisfaction of a performance obligation based on the extent of contract costs incurred over the estimated budget cost and the recoverability of the construction contracts. The estimated contract costs to completion is based on estimated and approved budgets, which require assessment and judgements to be made on changes in, for example, work scope, costs and costs to completion. In making these judgements, management relies on past experience.

(f) Deferred tax assets

Deferred tax assets are recognised for all unused tax losses, unabsorbed capital allowances and other deductible temporary differences to the extent that it is probable that taxable profit will be available against which the tax losses, capital allowances and other deductible temporary differences can be utilised. Significant judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits. Assumptions about generation of future taxable profits depend on the Group's estimate of projected future cash flows. These judgements and assumptions are subject to risks and uncertainty, hence there is a possibility that changes in circumstances will alter expectations, which may impact the amount of deferred tax assets recognised in the statements of financial position and the amount of unused tax losses, unabsorbed capital allowances and unutilised temporary differences that remain unrecognised. Deferred tax assets is disclosed in Note 8.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

4 PROPERTY, PLANT AND EQUIPMENT (CONTINUED)

Impairment of building, plant and equipment

For financial year 2021

During the financial year ended 31 December 2021, the Group has performed an impairment assessment on the carrying value of the buildings that will be disposed off. The recoverable amount of the building is determined using the fair value less costs of disposal based on the agreed disposal price of the building for a total consideration of SGD13,000,000 (equivalent to approximately RM40,102,000). The building was reclassified as assets held for sale. Accordingly, RM4,243,000 of impairment loss was recognised for the building in the profit or loss.

For financial year 2020

In the financial year ended 31 December 2020, due to the end of a significant pipe coating project in Europe and the adverse impact of Covid-19 pandemic to the pipe coatings market in Europe, impairment indicators exist for the building, plant and equipment in Europe.

The Group had performed an impairment assessment on the carrying value of the buildings, plant and equipment used in the pipe coating projects in Europe. The recoverable amount of plant and equipment was fair value less cost of disposal, which was RM5,099,000. Management had measured the recoverable amount of fair value less cost of disposal based on estimation by an independent expert using the market approach where the fair value was estimated based on comparison of market transacted price for similar plant and equipment, and where necessary, adjusted for age, usage and conditions of the plant and equipment and expectation of future market outlook due to the Covid-19 pandemic. The recoverable amount was classified as Level 3 in the fair value hierarchy. Accordingly, RM130,070,000 of impairment loss was recognised for the plant and equipment in the profit or loss.

The recoverable amount of the building was determined using the fair value less costs of disposal based on the sales and purchase agreement transacted on arm's length basis, which was RM7,183,000. Accordingly, RM3,362,000 of impairment loss was recognised for the building in the profit or loss. The building was disposed before 31 December 2020.

Due to the poor market outlook as a result of Covid-19 pandemic, management had also assessed the recoverable amount of other plant and equipment with carrying value of RM27,977,000. The recoverable amount was determined to be nil as there were no future projects available to utilise these plant and equipment and there are no resale value. Accordingly, an impairment loss of RM27,977,000 was recognised in the profit or loss.

Total impairment loss in previous financial year was RM164,045,000.

The impairment losses on buildings, plant and equipment are presented as part of the Oil & Gas segment in Note 43.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

6 INVESTMENT PROPERTIES (CONTINUED)

Level 1 fair value is derived from quoted price in active markets for identical investment properties that the entity can access at the measurement date.

Level 2 fair value is estimated using inputs other than quoted price included within Level 1 that are observable for the investment properties, either directly or indirectly.

Level 3 fair value is estimated using unobservable inputs for the investment properties. The unobservable input relates to the price per square feet. The fair value of investment properties were estimated using the comparison method.

During the financial year, the Group and the Company carried out a review and noted there was no significant change to the fair value of these properties.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

7 GOODWILL AND OTHER INTANGIBLE ASSETS (CONTINUED)

Impairment testing of goodwill

Goodwill arising from business combination has been allocated to the Group's cash-generating units ("CGU") identified according to operating divisions. The carrying amounts of goodwill allocated to the respective CGUs are as follows:

	Group	
	2021	2020
	RM'000	RM'000
<u>Cash-generating units</u>		
Specialised Pipe Coating and Corrosion Protection Services (CGU A)	78,700	76,659
EPC, Fabrication and Rental of Gas Compressors and Process Equipment (CGU B)	67,362	65,469
	146,062	142,128

The recoverable amounts of the CGUs are determined based on value-in-use calculations. These calculations use pre-tax cash flow projections based on financial budgets approved by management covering a period of 5 years (2020: 5 years) based on past performance and their expectations of the market development. Terminal value is estimated at the end of the 5-year period.

Value-in-use was determined by discounting the future cash flows generated from the CGUs based on the following key assumptions on the premise that there will be no material changes in the Group's principal activities. The discount rates used reflect the weighted average cost of capital adjusted for specific risks associated with the CGUs of the Group.

Due to the uncertainty of the future economic condition, management developed the base case and worst case scenario of cash flow projections. Probabilities of occurrence were assigned to each scenario to arrive at a single set of cash flow projection. The assumptions used in both scenarios and the probabilities of occurrence assigned required management's judgement.

The key assumptions used in the cash flow projections for CGU A and CGU B under the base case and worst case scenarios are as follows:

CGU A

- The revenue forecast for CGU A is supported by management's forecasted projects, which is in line with past performance records, future market outlook and management's expectation of market developments. A reduction to the revenue forecast was applied for the worst case scenario;
- Pre-tax discount rate of 16.1% (2020: 14.3%) was applied for both scenarios, benchmarked against comparable companies at the date of assessment; and
- A terminal growth rate of 1.5% (2020: 1.5%) was applied to the base case scenario while no (2020: Nil) terminal growth was applied to the worst case scenario.

CGU B

- The revenue forecast for CGU B is supported by management's expected projects, which is in line with past performance records, future market outlook and management's expectation of market developments. A reduction to the revenue forecast was applied for the worst case scenario;
- Pre-tax discount rate of 16.0% (2020: 17.0%) was applied for both scenarios, benchmarked against comparable companies at the date of assessment; and
- No (2020: Nil) terminal growth rate was applied to both scenarios.

Sensitivity

CGU A and CGU B

As at 31 December 2021 and 31 December 2020, the recoverable amount of CGU A and CGU B is estimated to exceed the carrying amounts and is not sensitive to any reasonable change in the key assumptions.

There are no reasonably possible changes in the terminal growth rate that would have changed the carrying amounts of CGU A and CGU B, respectively.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

8 DEFERRED TAX ASSETS/(LIABILITIES)

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when the deferred taxes relate to the same tax authority. The following amounts, determined after appropriate offsetting, are shown in the statements of financial position:

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000

- Provisions and accruals	12,794	11,278	3,917	3,623
- Unrealised foreign exchange losses	46	230	-	-
- Others	1,374	838	-	-
	42,235	39,283	3,942	3,623
Offsetting	(4,788)	(3,919)	-	(18)
Deferred tax assets (after offsetting)	37,447	35,364	3,942	3,605
Deferred tax liabilities (before offsetting)				
- Property, plant and equipment	(9,465)	(9,367)	-	(18)
- Unrealised foreign exchange gains	(336)	(74)	-	-
- Others	(4,493)	(4,224)	-	-
	(14,294)	(13,665)	-	(18)
Offsetting	4,788	3,919	-	18
Deferred tax liabilities (after offsetting)	(9,506)	(9,746)	-	-

The Group concluded that the deferred tax assets will be recoverable using the estimated future taxable income of the subsidiaries of the Company. There are secured project and unsecured project with high probabilities which contributed to the future taxable income at the subsidiaries.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

8 DEFERRED TAX ASSETS/(LIABILITIES) (CONTINUED)

The Group did not recognise deferred tax assets arising from the following temporary differences of certain subsidiaries as it is not probable that future taxable profit will be available against which the deferred tax assets can be utilised in these subsidiaries.

	Group	
	2021	2020
	RM'000	RM'000
Deductible temporary differences on:		
- Unused tax losses	278,687	280,925

	768,425	782,597

Advances to subsidiaries for long term working capital purposes represent an extension of capital to the subsidiaries and are as such net investment.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

9 INVESTMENT IN SUBSIDIARIES (CONTINUED)

The movements in the allowance for impairment losses of investment in subsidiaries during the financial year are as follows:

	Company	
	2021	2020
	RM'000	RM'000
At 1 January	173,526	127,526
Impairment loss recognised	8,124	46,000
	181,650	173,526

During the financial year ended 31 December 2021, due to the uncertainty of the future economic condition, the investment in a subsidiary of the Company was not expected to be recovered. The recoverable amount was RM6,665,000, determined through the higher of value in use or fair value less cost to sell. As a result, impairment loss of RM8,124,000 was recognised in the profit and loss.

For the previous financial year ended 31 December 2020, due to the negative impact of Covid-19 pandemic, the investment in a subsidiary of the Company was not expected to be recovered. The recoverable amount was RM3,000,000 determined through the higher of value in use or fair value less cost to sell. As a result, impairment loss of RM46,000,000 was recognised in the profit and loss.

Details of subsidiaries are as follows:

	Group's effective interest		Country of incorporation	Principal activities
	2021 %	2020 %		
Wasco Energy Ltd.	100	100	Bermuda	Investment holding
Wasco Management Services Sdn. Bhd.	100	100	Malaysia	Provision of management support services
* Wasco Capital Pte. Limited	100	100	Singapore	Investment and management of treasury activities

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

9 INVESTMENT IN SUBSIDIARIES (CONTINUED)

Details of subsidiaries are as follows (continued):

- * *Audited by a firm other than member firms of PricewaterhouseCoopers International Limited and PricewaterhouseCoopers PLT.*
- # *Audited by a member firm of PricewaterhouseCoopers International Limited which is a separate and independent legal entity from PricewaterhouseCoopers PLT.*
- ~ *Companies not required by their local laws to appoint statutory auditors.*
- u *On 8 October 2021, WS Engineering Technologies Pte. Ltd., an indirect 92% owned subsidiary of the Company subscribed an additional 181,633 ordinary share in PT. Wasco Engineering Indonesia ("PTWEI") for a total consideration of IDR18,163,300,000 (equivalent to approximately RM5,289,000). Upon completion of the acquisition, PTWEI became an indirect 92% owned subsidiary of the Company.*
- t *On 29 October 2021, the company announced that Wasco Coatings Insulation Sdn. Bhd. ("WCI"), an indirect 70%-owned subsidiary of the company had at its Extraordinary General Meeting held on 29 October 2021, approved the special resolution to wind up WCI by way of the Member's Voluntary Winding Up by its shareholder.*
- s *On 16 July 2021, Wasco Coatings Limited., an indirect wholly-owned subsidiary of the Company acquired additional 40% equity interest in Wasco Infra Services Sdn. Bhd ("WIS"), (formerly known as Wasco CPM Sdn. Bhd.) from its minority interest, P.T. Citra Panji Manunggal which representing 200,000 ordinary shares for a consideration of RM1.00. Upon completion of the acquisition of WIS additional shares, WIS became an indirect 91% owned subsidiary of the Company. Accordingly, the subsidiary of WIS, Eco Consortium Sdn Bhd became an indirect 86% owned subsidiary of the Company.*
- r *On 30 June 2021, Wasco Coatings Finland (Plant and Equipment) Oy ("WCFPE"), an indirect wholly-owned subsidiary of the Company completed merger with Wasco Coatings Finland ("WC Finland"). WCFPE was dissolved following the merger with WC Finland.*
- i *On 19 June 2021, WEDM had completed the voluntary liquidation in accordance with the rules and regulations of the General Corporations Law of Mexico.*

On 22 October 2019, Wasco Energy De Mexico S.A. DE C.V. ("WEDM"), an indirect wholly-owned subsidiary of the Company, had at its General Extraordinary Shareholders' Meeting, approved the resolution to voluntary liquidate WEDM in accordance with the rules and regulations of the General Corporations Law of Mexico. As a result, the Group no longer controls the subsidiary and as such it was not consolidated.
- q *On 16 March 2021, Wasco Management Services S.R.L. ("WMS SRL"), an indirect wholly-owned subsidiary of the Company had completed the voluntary liquidation and was cancelled from the Chamber of Commerce of Milan Monza Brianza Lodi on 4 March 2021. The Certificate of Cancellation in accordance with the rules and regulations of the Companies Act in Italy dated 4 March 2021 issued by the Chamber of Commerce of Milan Monza Brianza Lodi was received on 16 March 2021.*

On 21 May 2020, WMS SRL had at its Shareholder Meeting, approved the resolution to voluntary liquidate and dissolve WMS SRL in accordance with the rules and regulations of the Companies Act in Italy. The liquidation certificate pertaining to the Member's Voluntary Liquidation of WMS SRL was received on 27 May 2020. As a result, the Group no longer controls the subsidiary and as such it was not consolidated.
- p *On 23 February 2021, the Company announced that WSN Investments Limited, an indirect wholly-owned subsidiary of the Company, had been deregistered on 11 February 2021 pursuant to Section 751 of the Companies Ordinance in Hong Kong. The notice of dissolution was obtained by the Company from the Companies Registry of Hong Kong on 22 February 2021.*
- a *On 7 December 2020, PT. MD, had completed the voluntary liquidation in accordance with the rules and regulations of the Republic of Indonesia.*

On 7 March 2012, PT. MPE Deepwater ("PT. MD"), an indirect subsidiary of the Company, had at its Extraordinary General Meeting, inter-alia, approved the special resolutions to wind up the company by way of Member's Voluntary Winding Up. As a result, the Group no longer controls the subsidiary and as such it was not consolidated.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

9 INVESTMENT IN SUBSIDIARIES (CONTINUED)

Details of subsidiaries are as follows (continued):

- o On 13 August 2020, Syn Tai Hung Trading Sdn. Bhd. ("STHT"), an indirect wholly-owned subsidiary of the Company, had diluted its 100% equity interest held to 30% by disposing 3,622,990 ordinary shares, representing 70% of equity interest in Spirolite (M) Sendirian Berhad ("Spirolite Malaysia") for a total cash consideration of RM30,369,000.

As a result of the disposal, Spirolite Malaysia and its subsidiaries namely Spirolite Marketing Sdn. Bhd. and Spirolite (Myanmar) Company Limited ceased to be subsidiaries and became associates of STHT and the Company accordingly. Refer to Note 37(b) for further details.

- n On 30 July 2020, Jutasama Sdn. Bhd. ("JSB"), a wholly-owned subsidiary of the Company, had disposed 1,000 ordinary shares in the issued and paid-up share capital of VI Energy Ltd ("VI Energy"), representing 100% of the equity interest in VI Energy Ltd for a total cash consideration of USD1,000. As a result of the disposal, VI Energy and its subsidiaries namely P.M.T.I Energy (Cambodia) Co., Ltd. and PMT Energy Sdn. Bhd. ceased to be subsidiaries of JSB and the Company accordingly. Refer to Note 37(a) for further details.

- l On 2 March 2020, Syn Tai Hung Marketing Sdn. Bhd. ("STH Marketing"), an indirect 60% owned subsidiary of the Company, had acquired 80 and 20 ordinary shares, representing 80% and 20% equity interest respectively in the total number of issued and paid-up share capital of STH Edaran Sdn. Bhd. (formerly known as LT Steam Energy Sdn Bhd) ("STH Edaran") for a total cash consideration of RM100. Upon completion of the acquisition of STH Edaran shares, STH Edaran became an indirect 60% owned subsidiary of the Company, held through STH Marketing.

- c On 15 December 2017, PMT-Phoenix Industries Sdn. Bhd. ("PMT-Phoenix"), an indirect wholly-owned subsidiary of the Company had at its Extraordinary General Meeting inter-alia, approved the special resolution to wind up PMT-Phoenix by way of Member's Voluntary Winding Up. As a result, the Group no longer controls the subsidiary and as such it was not consolidated.

- π Although the Company does not own more than 50% of the equity shares of Wasco Oilfield Services Sdn. Bhd. ("WOS") and Wasco Lindung Sdn. Bhd. ("WL"), and consequently it does not control more than half of the voting power of those shares, it has the power to appoint and remove the majority of the Board of Directors of WOS and WL as such control of these entities is by the Company. Consequently, WOS and WL are controlled by the Company and are consolidated in these financial statements (2020: WOS, WL and Eco Consortium Sdn. Bhd.).

Subsequent to financial year end, the following are the changes to investment in subsidiaries:

- (a) On 17 January 2022, Wasco Capital Pte. Limited ("WCPL"), an indirect wholly-owned subsidiary of the Company had completed the application for striking off with Accounting and Corporate Regulatory Authority, Singapore. Subsequently, a notice dated 9 March 2022 has been published in the Government Gazette and WCPL will be struck off from the register within 60 days from the date of notice.
- (b) On 10 February 2022, Wasco Coatings Europe B.V., an indirect wholly-owned subsidiary of the Company acquired additional 25.1% equity interest in the share capital of ISOAF S.R.L ("ISOAF") from Isoplus Fernwärmetechnik Gesellschaft M.B.H. for a total consideration of EUR 6,275 (equivalent to approximately RM29,800).

Upon the completion of the acquisition of ISOAF shares, ISOAF became an indirect 50.1% owned subsidiary of the Company and its subsidiary, ISOAF Tz Limited ("ISOAF Tz") became an indirect 37.6% owned subsidiary of the Company, held through ISOAF.

- (c) On 13 January 2022, ISOAF, which was then an indirect 25% owned joint venture of the Company subscribed 750 ordinary shares, representing 75% equity interest in the issued and paid-up share capital of ISOAF Tz Limited ("ISOAF Tz"), a company incorporated in Tanzania for a total cash consideration of TZS15,000,000 (equivalent to approximately RM27,000). ISOAF Tz is involved in the business of pipe coating, fuel, gas and gas cylinder.

Upon the completion of the subscription of ISOAF Tz shares, ISOAF Tz became a 75% owned subsidiary of ISOAF.

- (d) On 25 March 2022, WEGL Services India Private Limited, an indirect wholly-owned subsidiary of the Company, has commenced voluntary liquidation in accordance with the Regulation of Insolvency and Bankruptcy Board of India. Subsequently, a notice dated 29 March 2022 has been published and stakeholders are required to submit the claims within 30 days from the date of commencement of voluntary liquidation.

Unquoted shares	105,965	97,414
Share of post-acquisition results and reserves	(39,875)	3,605
	196,204	231,133
Less: Accumulated impairment loss	(14,606)	-
	181,598	231,133
Share of net assets of associates	181,598	231,133
Quoted shares in Malaysia at fair value	66,644	91,743

Quoted shares – Petra Energy Berhad

As at 31 December 2021 and 31 December 2020, the fair value of the Group's investment in quoted shares is based on Level 1 of the fair value hierarchy.

The market value of the Group's interest in quoted shares, representing its fair value as at 31 December 2021, was approximately RM66,644,000 (2020: RM91,743,000). This fair value is approximately RM37,208,000 (2020: RM11,139,000) below the carrying value, giving rise to an impairment indicator on the carrying value of the investment of RM103,852,000 (2020: RM102,882,000).

As the fair value less costs of disposal is lower than the value-in-use of the investment, the Group has determined the recoverable amount of the investment using discounted cash flows expected to be generated from the investment. The calculations use pre-tax cash flow projections based on financial budgets approved by the Group covering a period of 5 years (2020: 5 years) based on past performance and management's expectations of market development. Terminal value is estimated at the end of the 5-year period.

Due to the uncertainty of the future economic condition, management developed the base case and worst case scenario of cash flow projections. Probabilities of occurrence were assigned to each scenario to arrive at a single set of cash flow projection. The assumptions used in both scenarios and the probabilities of occurrence assigned required management's judgement.

The key assumptions used in the cash flow projections to determine the recoverable amount for the investment under the base case and worst case scenarios are as follows:

- The revenue forecast is supported by management's expected projects, which is in line with past performance records, future market outlook and management's expectation of market developments. A reduction to the revenue forecast was applied for the worst case scenario;
- Pre-tax discount rate of 15.1% (2020: 15.0%) was applied for both scenarios, benchmarked against comparable companies at the date of assessment; and
- A terminal growth rate of 1.0% (2020: 2.0%) was applied across both scenarios.

The value-in-use is above the carrying value of the Group's investment in quoted shares. As such, no impairment loss is deemed necessary to be recognised in the financial year ended 31 December 2021 and 31 December 2020.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

10 INVESTMENT IN ASSOCIATES (CONTINUED)

Sensitivity

The recoverable amount of the investment would equal its carrying amount if the key assumptions were to change as follows:

	2021		2020	
	From	To	From	To
Pre-tax discount rate	15.1%	16.0%	15.0%	16.2%
Growth rate for terminal value	1.0%	(0.7%)	2.0%	0.7%

There are no reasonably possible changes in the key assumptions that would have changed the carrying amount of the investment.

Unquoted shares – Evraz Wasco Pipe Protection Corporation (“EWPPC”)

Due to the uncertainty of the future economic condition, management developed the base case and worst case scenario of cash flow projections. Probabilities of occurrence were assigned to each scenario to arrive at a single set of cash flow projection. The assumptions used in both scenarios and the probabilities of occurrence assigned required management's judgement.

The key assumptions used in the cash flow projections to determine the recoverable amount for the investment under the base case and worst case scenarios are as follows:

- The revenue forecast is supported by management's expected projects, which is in line with past performance records, future market outlook and management's expectation of market developments. A reduction to the revenue forecast was applied for the worst case scenario;
- Discount rate of 14.7% (2020: 13.0%) was applied for both scenarios, benchmarked against comparable companies at the date of assessment; and
- No terminal growth rate was applied across both scenarios (2020: 2.0% was applied for base case and no terminal growth rate applied for the worst case).

Based on the assessment performed by management during the current financial year, the Group recognised an impairment loss of USD3,500,000 (equivalent to approximately RM14,511,000) on investment in EWPPC based on the recoverable amount.

Sensitivity

As at 31 December 2021, there are no reasonably possible changes in the key assumptions that would have further changed the carrying amount of the investment in an associate.

Impairment of investment in associates

The movements for allowance for impairment losses on investment in associates during the financial year are as follows:

	Group	
	2021	2020
	RM'000	RM'000
At 1 January	-	-
Impairment loss recognised	14,511	-
Effect of exchange rate changes	95	-
At 31 December	14,606	-

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

10 INVESTMENT IN ASSOCIATES (CONTINUED)

Details of associates are as follows:

	Country of incorporation	Group's effective interest		Principal activities
		2021 %	2020 %	
WS Integrasi Sdn. Bhd.	Malaysia	49	49	Trading, distribution, sales and marketing of the Group's product and services in the oil & gas, renewable energy, engineering, industrial and property (including land acquisitions) industries as well as undertaking other external business services opportunities
Petra Energy Berhad	Malaysia	27	27	Investment holding
Evrax Wasco Pipe Protection Corporation	Canada	49	49	Provision of pipe coating services
Syarikat Beka Sdn. Bhd.	Malaysia	48	48	Dormant
Wah Seong Boustead Company Limited	Myanmar	50	50	Property development, trading and provision of auxiliary services
Spirolite (M) Sendirian Berhad	Malaysia	30	30 ^a	Manufacturing and trading of spiral pipes, straight pipes, tubes, tanks and containers

a On 13 August 2020, Syn Tai Hung Trading Sdn. Bhd. ("STHT"), an indirect wholly-owned subsidiary of the Company, had diluted its 100% equity interest held to 30% by disposing 3,622,990 ordinary shares, representing 70% of equity interest in Spirolite (M) Sendirian Berhad ("Spirolite Malaysia") for a total cash consideration of RM30,369,000.

As a result, Spirolite Malaysia and its subsidiaries namely Spirolite Marketing Sdn. Bhd. and Spirolite (Myanmar) Company Limited ceased to be subsidiaries and became associates of STHT and the Company accordingly. Refer to Note 37(b) for further details.

Subsequent to financial year end, the following are the changes to investment in associates:

On 22 March 2022, Syn Tai Hung Trading Sdn. Bhd. ("STHT"), an indirect wholly-owned subsidiary of the Company exercised the Put Option granted under the Put Option Agreement for the disposal of 3,342,686 ordinary shares, representing 30% ordinary shareholdings in the issued and paid-up share capital of Spirolite (M) Sendirian Berhad ("Spirolite Malaysia") for a total cash sale consideration of RM30,800,000 subject to the terms and conditions of the Put Option Agreement.

On 28 March 2022, the disposal has been completed in accordance to the terms of the Put Option Agreement. Upon the completion of the disposal, Spirolite Malaysia ceased to be 30%-owned associate of STHT and the Company.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

11 INVESTMENT IN JOINT VENTURES

	Group	
	2021	2020
	RM'000	RM'000
Unquoted shares	166,697	165,241
Share of post-acquisition results and reserves	(100,620)	(75,308)
	66,077	89,933
Less: Accumulated impairment loss	(12,139)	(8,850)
	53,938	81,083
Share of net assets of joint ventures	53,938	81,083

Unquoted shares – Alam-PE Holdings (L) Inc.

For the financial year ended 31 December 2021 and 2020, the Group reviewed the recoverable amount of its investment in a joint venture, Alam-PE Holdings (L) Inc. The Group has determined the recoverable amount of the investment using discounted cash flows expected to be generated from the investment. The discounted cash flows are derived using pre-tax cash flow projections based on financial budgets approved by the Group covering a period of 5 years (2020: 5 years) based on past performance and their expectations of the market development. Terminal value is estimated at the end of the 5-year period.

Due to the uncertainty of the future economic condition, management developed the base case and worst case scenario of cash flow projections. Probabilities of occurrence were assigned to each scenario to arrive at a single set of cash flow projection. The assumptions used in both scenarios and the probabilities of occurrence assigned required management's judgement.

The key assumptions used in the cash flow projections for the investment under the base case and worst case scenarios are as follows:

- An average vessel utilisation rate for 5 years of 77% (2020: 63.0%) was applied to the base case scenario while 75% (2020: 61.1%) average vessel utilisation rate for 5 years was applied to the worst case scenario. The average utilisation rate is affected by the timing of vessels completing their dry docking. Three vessels were sent or completed their dry docking during the financial year ended 31 December 2021;
- Pre-tax discount rate of 12% (2020: 12.5%) was applied for both scenarios, benchmarked against comparable companies at the date of assessment; and
- A terminal growth rate of 3% (2020: 3.0%) was applied to the base case scenario while 2% (2020: 2.0%) terminal growth rate was applied to the worst case scenario.

Based on management's value-in-use calculation, the Group recognised an impairment loss of RM3,000,000 (2020: Nil).

Sensitivity

The recoverable amount of the investment in a joint venture would equal its carrying amount if the key assumptions were to change as follows:

	2021		2020	
	From	To	From	To
Pre-tax discount rate	12.0%	11.6%	12.5%	12.6%
Growth rate for terminal value	2.0%	3.5%	-	-

The recoverable amount is not sensitive to the growth rate for terminal value for the financial year ended 31 December 2020.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

11 INVESTMENT IN JOINT VENTURES (CONTINUED)

Reasonably possible changes to the key assumptions would have increased the impairment loss of the investment in a joint venture as follows:

	Group	
	2021	2020
	RM'000	RM'000
Pre-tax discount rate (1% increase)	12	4,300
Growth rate for terminal value (1% decrease)	354	-

Impairment of investment in joint ventures

The movements for allowance for impairment loss on investment in joint ventures during the financial year are as follows:

	Group	
	2021	2020
	RM'000	RM'000
At 1 January	8,850	8,959
Impairment loss recognised	3,000	-
Effect of exchange rate changes	289	(109)
At 31 December	12,139	8,850

Details of joint ventures are as follows:

	Country of incorporation	Group's effective interest		Principal activities
		2021 %	2020 %	
Boustead Wah Seong Sdn. Bhd.	Malaysia	50	50	Investment holding activities and businesses in property development and management; provision of general fabrication, engineering and oil and gas services; trading and marketing activities and any other businesses or projects as shall be mutually agreed from time to time in Myanmar
Socotherm Shashi Pipe Coating Co. Ltd.	People's Republic of China	50	50	Dormant
Socotherm PPSC Ningbo (Daxie) Pipe Coating Co. Limited	People's Republic of China	50	50	Dormant
Sichuan Chuanshi Kanssen (Yadong) Coating Services Company Limited	People's Republic of China	51	51	Provision of pipe coating services
Shaanxi Yadong Anti-Corrosion Company Limited	People's Republic of China	55	55	Provision of pipe coating services

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

11 INVESTMENT IN JOINT VENTURES (CONTINUED)

Details of joint ventures are as follows (continued):

	Country of incorporation	Group's effective interest		Principal activities
		2021 %	2020 %	
Bayou Wasco Insulation, LLC	United States of America	49	49	Provision of thermal insulation coating services to pipes or pipelines

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

16 TRADE AND OTHER RECEIVABLES (CONTINUED)

For the financial year ended 31 December 2020, the other receivables were considered performing except for amount of RM32,825,000 which was deemed underperforming and hence an ECL allowance of RM17,092,000 was made during the previous financial year.

Credit risk concentration profile

The Group determines concentration of credit risk by monitoring the business segment of its trade receivables on an ongoing basis. The credit risk concentration profile of the Group's trade receivables at the reporting date is as follows:

	Group	
	2021	2020
	RM'000	RM'000
Oil & Gas	115,531	106,368
Renewable Energy	70,647	77,741
Industrial Trading & Services	79,272	88,123
Total	265,450	272,232

Concentration of credit risk exists is low within the Oil & Gas segment which primarily trade with oil majors. However, the Group considers the risk of default by these oil majors to be negligible given their relative size and financial strength.

There is no concentration of credit risk within the Renewable Energy and Industrial Trading & Services segments as the balances are distributed over a large number of customers.

The following table contains an analysis of the credit risks exposure for which expected credit loss is recognised:

	Gross trade receivables	Expected credit loss	Net trade receivables
	RM'000	RM'000	RM'000
<u>2021</u>			
Not past due	126,435	(80)	126,355
1 to 30 days overdue	65,574	(65)	65,509
31 to 60 days overdue	49,754	(52)	49,702
61 to 90 days overdue	4,663	(21)	4,642
91 to 180 days overdue	7,629	(665)	6,964
181 to 365 days overdue	6,780	(1,791)	4,989
More than 365 days overdue	30,918	(23,629)	7,289
Total	291,753	(26,303)	265,450
<u>2020</u>			
Not past due	145,093	-	145,093
1 to 30 days overdue	79,085	(174)	78,911
31 to 60 days overdue	21,887	(46)	21,841
61 to 90 days overdue	6,174	(57)	6,117
91 to 180 days overdue	8,322	(165)	8,157
181 to 365 days overdue	7,502	(2,061)	5,441
More than 365 days overdue	32,590	(25,918)	6,672
Total	300,653	(28,421)	272,232

Trade receivables that are individually determined to be impaired at the reporting date relate to debtors that are in significant financial difficulties and have defaulted on payments. These receivables are not secured by any collateral.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

16 TRADE AND OTHER RECEIVABLES (CONTINUED)

Receivables that are neither past due nor impaired

Trade and other receivables of the Group and the Company that are not impaired are in respect of creditworthy debtors with reliable payment records and have a low risk of default. Most of the Group's trade receivables arise from customers with more than 5 years of experience with the Group.

None of the Group's trade receivables that are neither past due nor impaired have been renegotiated during the financial year.

The movements in the allowance for impairment loss of trade receivables during the financial year are as follows:

	Group	
	2021	2020
	RM'000	RM'000
At 1 January	28,421	21,386
Impairment loss recognised	2,327	8,254
Impairment loss reversed	(3,342)	(786)
Bad debts written off	(1,212)	(296)
Effect of exchange rate changes	109	(137)
At 31 December	26,303	28,421

Trade receivables that are individually determined to be impaired at the reporting date relate to balances for which recoveries are doubtful. These receivables are not secured by any collateral.

The movements in the Group's and the Company's allowance for impairment loss of other receivables during the financial year are as follows:

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000

Less: Allowance for impairment loss	(232)	-
	25,678	25,269

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

17 AMOUNTS OWING BY/(TO) SUBSIDIARIES (CONTINUED)

(a) Amounts owing by subsidiaries (continued)

The effective interest rate of interest bearing loans as at 31 December 2021 ranges between 2.42% to 5.58% (2020: 4.00% to 6.83%) per annum. The loans and advances are denominated in Ringgit Malaysia and are recoverable on demand.

In the financial year ended 31 December 2020, an amount owing by a subsidiary amounting to RM65,000,000 was capitalised as investment in subsidiary.

The movements in the Company's allowance for impairment loss of amount owing by subsidiaries during the financial year are as follows:

	Company	
	2021 RM'000	2020 RM'000
At 1 January	-	43,106
Impairment loss recognised	232	69,208
Bad debts written off	-	(110,752)
Effect of exchange rate changes	-	(1,562)
At 31 December	232	-

During the financial year ended 31 December 2021, the amounts owing by subsidiaries are considered performing except for certain interest bearing loans and interest free advances owing by a subsidiary of RM232,000 which is deemed not performing. Hence, RM232,000 was impaired during the financial year.

In the previous financial year ended 31 December 2020, the amounts owing by subsidiaries were considered performing except for certain interest bearing loans and interest free advances owing by a subsidiary of RM110,752,000 which was deemed not performing, of which RM41,544,000 was impaired in prior years and RM69,208,000 was further impaired in the previous financial year ended 31 December 2020. Hence, the total amount of RM110,752,000 was subsequently written off during the previous financial year.

(b) Amounts owing to subsidiaries

	Company	
	2021 RM'000	2020 RM'000
Interest bearing loans (unsecured)	24,258	14,258
Non-trade accounts	4,890	2,958
	29,148	17,216

The effective interest rate of interest bearing loans as at 31 December 2021 ranges between 2.11% to 4.08% (2020: 4.08% to 4.46%) per annum. The loans are denominated in Ringgit Malaysia and are repayable on demand.

Non-trade accounts are denominated in Ringgit Malaysia, unsecured, interest free and repayable on demand.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

20 DERIVATIVE FINANCIAL ASSETS/(LIABILITIES) (CONTINUED)

Non-hedging derivatives

The Group uses forward currency contracts to manage some of the transaction exposures and limit its exposure to adverse fluctuation in foreign currency. These contracts are not designated as cash flow or fair value hedges.

Forward currency contracts

The Group enters into foreign currency forward contracts to protect the Group from movements in exchange rates by establishing the rate at which a foreign currency asset or liability will be settled. Forward currency contracts are mainly used to hedge certain trade receivables and trade payables denominated in United States Dollar, Singapore Dollar, Ringgit Malaysia, Euro Dollar and China Renminbi (2020: United States Dollar) for which firm commitments existed at the reporting date, extending to October 2022 (2020: September 2021).

Gains or losses arising from fair value changes of its financial assets and financial liabilities

During the financial year, the Group recognised a loss of RM2,595,000 (2020: gain of RM2,959,000) in the profit or loss arising from fair value changes of its derivative financial assets and liabilities. The method and assumptions applied in determining the fair value of derivatives are disclosed in Note 46.

23 ASSETS CLASSIFIED AS HELD FOR SALE

- (a) On 11 November 2021, the Company's wholly-owned subsidiary, Petro-Pipe Industries (M) Sdn. Bhd. entered into a sale and purchase agreement for the disposal of leasehold land for a consideration of RM11,565,000.

The completion of the disposal is subject to fulfilment of the condition precedent as stipulated in the sale and purchase agreement.

Pursuant to MFRS 5 'Non-current Assets Held for Sales and Discontinued Operations', the carrying amount of the leasehold land has been classified as assets held for sale and is presented as part of the Industrial Trading & Services segment in Note 43.

- (b) On 23 November 2021, the Company's indirect wholly-owned subsidiary, WS Engineering & Fabrication Pte Ltd ("WSEF") offered an Option to Purchase for the disposal of buildings for a total consideration of SGD13,000,000 (equivalent to approximately RM40,102,000).

The completion of the disposal is subject to fulfilment of the condition precedent as stipulated in the Option to Purchase.

Pursuant to MFRS 5 'Non-current Assets Held for Sales and Discontinued Operations', the carrying amount of the leasehold land has been classified as assets held for sale and is presented as part of the Oil & Gas segment in Note 43.

- (c) On 23 December 2020, the Company's wholly-owned subsidiary, Petro-Pipe Industries (M) Sdn. Bhd. ("PPIM") entered in to a sale and purchase agreement for the disposal of leasehold land for a consideration of RM27,791,000.

On 30 September 2021, PPIM completed the disposal of the said leasehold land by fulfilling condition precedent as stipulated in the sale and purchase agreement. Accordingly, the carrying amount of the said plant and machineries was derecognised as assets held for sale, resulting in a gain on disposal of RM7,473,000 being recognised in the statement of profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

23 ASSETS CLASSIFIED AS HELD FOR SALE (CONTINUED)

- (d) On 26 February 2021, the Company's 70% owned subsidiary, Petro-Pipe (Sabah) Sdn. Bhd. ("PPS") entered into a sale and purchase agreement for the disposal of leasehold land for a consideration of RM21,562,000.

On 15 May 2021, PPS completed the disposal of the said leasehold land by fulfilling condition precedent as stipulated in the sale and purchase agreement. Accordingly, the carrying amount of the said plant and machineries was derecognised as assets held for sale, resulting in a gain on disposal of RM10,609,000 being recognised in the statement of profit or loss.

Details of the assets classified as held for sale are as follows:

	Group

Share dividends distributed to owners of the Company	-	-	(3,850)	(4,155)
At 31 December	577	624	577	624

The shareholders of the Company had approved an ordinary resolution at the Twenty-First Annual General Meeting held on 21 May 2021 for the Company to purchase its own ordinary shares of up to a maximum of 10% of the total number of issued shares of the Company. The Directors of the Company are committed to enhancing the value of the Company and believe that the purchase plan is being implemented in the best interest of the Company and its shareholders.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

25 TREASURY SHARES (CONTINUED)

During the financial year, the Company had not purchased any of its issued ordinary shares from the open market on Bursa Malaysia. Pursuant to the provisions of Section 127 of the Companies Act, 2016 ("Act"), the Company may either retain the purchased shares as treasury shares or cancel the purchased shares or a combination of both. The Directors of the Company may treat the purchased shares held as treasury shares as follows pursuant to Section 127(7) of the Act:

- (i) distribute the treasury shares as dividends to the shareholders, such dividend to be known as "share dividends";
- (ii) resell the treasury shares or any of the treasury shares in accordance with the relevant rules of Bursa Securities;
- (iii) transfer the treasury shares or any of the treasury shares for the purposes of or under an employees' share scheme;
- (iv) transfer the treasury shares or any of the treasury shares as purchase consideration;
- (v) cancel the treasury shares or any of the treasury shares; or
- (vi) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister (as defined in the Act) may by order prescribe.

As treasury shares, the rights attached as to voting, dividends and participation in other distribution, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding up are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares for any purposes including substantial shareholdings, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

In the financial year ended 31 December 2020, on 8 April 2020, a total of 3,849,884 treasury shares were distributed to the shareholders on the basis of one (1) WSC treasury share for every two hundred (200) existing WSC ordinary shares held at the entitlement date on 12 March 2020 as single tier share dividend, being part of the first interim dividend of 1.00 sen per share in respect of the financial year ended 31 December 2020.

	25,065	26,789	-	-

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

26 TRADE AND OTHER PAYABLES (CONTINUED)

Provision for gratuity relates to gratuity provision for key management personnel. The movement of the provision during the financial year is as follows:

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000
At 1 January	29,075	9,518	10,560	9,518
(Reversal)/additions	(1,238)	19,832	1,080	1,042
Effect of exchange rate changes	217	(275)	-	-
At 31 December	28,054	29,075	11,640	10,560

The Group's trade payables exposure to foreign currency (a currency which is other than the functional currency of the Group entities) risk were:

	Group	
	2021	2020
	RM'000	RM'000
- Qatari Rial	9,168	-
- Indonesian Rupiah	7,565	3,039
- United States Dollar	4,647	3,035
- Singapore Dollar	2,826	2,865
- British Pound	1,912	773
- Japanese Yen	1,670	1,300
- Euro Dollar	1,092	212
- Australian Dollar	116	119
- Canadian Dollar	70	135
	29,066	11,478

The Group's other payables exposure to foreign currency (a currency which is other than the functional currency of the Group entities) risk were:

	Group	
	2021	2020
	RM'000	RM'000
- United States Dollar	18,290	3,069
- Singapore Dollar	10,287	5,220
- Qatari Rial	4,350	-
- Euro Dollar	1,383	17,513
- Indonesian Rupiah	1,065	1,747
- Ringgit Malaysia	137	1,601
- China Renminbi	76	72
- British Pound	-	221
	35,588	29,443

Other payables and accruals balances of the Company are denominated in Ringgit Malaysia.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

27 LOANS AND BORROWINGS

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000
<u>Current</u>				
<u>Unsecured</u>				
Revolving credits	438,736	500,644	102,163	126,759
Trade financing	104,972	119,068	-	-
Term loans	85,721	136,184	-	-
Fixed rate notes	19,722	19,054	-	-
	649,151	774,950	102,163	126,759
<u>Non-current</u>				
<u>Unsecured</u>				
Term loans	105,243	103,106	-	-
	754,394	878,056	102,163	126,759

The remaining maturities of the loans and borrowings are as follows:

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000
Within 1 year	649,151	774,950	102,163	126,759
More than 1 year and less than 2 years	28,263	35,845	-	-
More than 2 years and less than 5 years	76,036	60,000	-	-
More than 5 years	944	7,261	-	-
	754,394	878,056	102,163	126,759

As at 31 December 2021 and 31 December 2020, there were no secured loans and borrowings held by the Group.

In the financial year ended 31 December 2021, a particular loan and revolving credit facility of the Group's subsidiaries received indulgence from meeting a financial covenant from the bank. The indulgence was obtained before the balance sheet date for the financial year ended 31 December 2021 for a period up to 31 December 2022.

The Group's and the Company's loans and borrowings exposure to foreign currency (a currency which is other than the functional currency of the Group entities and the Company) risk were:

	Group		Company	
	2021	2020	2021	2020
	RM'000	RM'000	RM'000	RM'000
- United States Dollar	85,016	110,869	52,163	96,759
- Euro Dollar	8,748	24,376	-	-
- Ringgit Malaysia	-	22,563	-	-
- Singapore Dollar	-	5,746	-	-
- British Pound	-	586	-	-
- Canadian Dollar	-	416	-	-
	93,764	164,556	52,163	96,759

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

27 LOANS AND BORROWINGS (CONTINUED)

The effective interest rates of loans and borrowings of the Group are as follows:

	Group		Company	
	2021	2020	2021	2020
	%	%	%	%
Revolving credits	1.26 – 4.41	0.97 – 4.91	2.33 – 3.69	2.39 – 4.91
Term loans	2.18 – 6.05	2.26 – 6.05	-	-
Trade financing	1.45 – 4.81	1.13 – 4.76	-	-
Fixed rate notes	2.95	3.20	-	-

The net exposure of loans and borrowings to cash flow risk and fair value risk in the periods in which they mature or reprice (whichever is earlier) are as follows:

	Total carrying amount	Fixed interest rate (Fair value risk)	Floating interest rate (Cash flow risk)			
			<1 year	1 – 2 years	2 – 5 years	>5 years

Tax expense/(credit) recognised in profit or loss	11,608	38,678	(524)	940

35 LOSS PER SHARE ATTRIBUTABLE TO OWNERS OF THE COMPANY

The basic earnings per share for the financial year has been calculated by dividing the Group's loss attributable to owners of the Company for the financial year of RM107,484,000 (2020: RM295,149,000) by the weighted average number of ordinary shares in issue, after adjusting on the effects of treasury shares during the financial year.

Weighted average number of shares

	Group	
	2021	2020
	'000	'000
Issued ordinary shares at 1 January	774,888	774,888
Effect of treasury shares	(577)	(1,608)
Weighted average number of ordinary shares in issue	774,311	773,280
Basic earnings per ordinary share (sen)	(13.88)	(38.17)

As there are no potential ordinary shares issued by the Company, thus there is no dilution in earnings per share.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

36 DIVIDENDS

There were no dividends paid or declared in respect of the financial year ended 31 December 2021.

	Group and Company	
	2021	2020
	RM'000	RM'000
<u>In respect of financial year ended 31 December 2020:</u>		
1 st interim single tier cash dividend of 0.40 sen per share and share dividend of 0.60 sen per share (*), both paid on 8 April 2020	-	7,237

(*) The share dividend distributed from the treasury shares of the Company was made on the basis of one (1) WSC treasury share for every two hundred (200) existing WSC ordinary shares held at the entitlement date on 12 March 2020, based on the share price of WSC shares of RM1.20 each as at 31 December 2019.

37 DISPOSAL OF SUBSIDIARIES

Disposal of subsidiaries during the current financial year

There was no disposal of subsidiaries during the financial year ended 31 December 2021.

Disposal of subsidiaries in the previous financial year

- (a) On 30 July 2020, Jutasama Sdn. Bhd. ("JSB"), a wholly-owned subsidiary of the Company, had disposed 1,000 ordinary shares, representing 100% of the equity interest in VI Energy Ltd ("VI Energy") for a total cash consideration of USD1,000.

As a result of the disposal, VI Energy and its subsidiaries namely P.M.T.I Energy (Cambodia) Co., Ltd. and PMT Energy Sdn. Bhd. ceased to be subsidiaries of JSB and the Company accordingly.

Details of the disposal and the net cash flow on disposal are as follows:

	At the date of disposal RM'000
Goodwill	79
Cash and bank balances	13
Trade and other payables	(9)
Non-controlling interests	(3)
Group share of net assets disposed	80
Net disposal proceeds	4
Net loss on disposal before reclassification of foreign currency translation reserve	(76)
Reclassification of foreign currency translation reserve to profit or loss	(140)
Net loss on disposal	(216)
Net disposal proceeds received	4
Less: Cash and bank balances of subsidiary disposed	(13)
Net cash outflow on disposal	(9)

Net loss on disposal was recognised in the profit or loss within 'administrative and general expenses'.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

37 DISPOSAL OF SUBSIDIARIES (CONTINUED)

Disposal of subsidiaries in the previous financial year (continued)

- (b) On 13 August 2020, Syn Tai Hung Trading Sdn. Bhd. ("STHT"), an indirect wholly-owned subsidiary of the Company, had diluted its 100% equity interest held to 30% by disposing 3,622,990 ordinary shares, representing 70% of equity interest in Spirolite (M) Sendirian Berhad ("Spirolite Malaysia") for a total cash consideration of RM30,369,000.

As a result, Spirolite Malaysia and its subsidiaries namely Spirolite Marketing Sdn. Bhd. and Spirolite (Myanmar) Company Limited ceased to be subsidiaries and became associates of STHT.

Following the loss of control, Spirolite Malaysia has been accounted for as investment in associate.

On the same date as the sales and purchase agreement on 13 August 2020, STHT also entered into a put option agreement with Lesso Malaysia Holdings Sdn Bhd ("Lesso"). Lesso granted STHT the put option to dispose its remaining 30% shares in Spirolite Malaysia within 24 months after the completion date of the sales and purchase agreement. The option price is determined as the higher of:

- RM8.38 per share plus an interest of 8.0% per annum calculated from the completion date until date of option notice; or
- Latest audited net assets of Spirolite Malaysia and taking into account of revaluation reserve and goodwill at the time of exercising the put option.

The impact of the put option agreement is not material to the Group.

Details of the disposal and the net cash flow on disposal are as follows:

	At the date of disposal RM'000
Property, plant and equipment	3,145
Right-of-use assets	11,691
Inventories	3,506
Trade and other receivables	7,429
Time deposits	4,000
Cash and bank balances	3,446
Deferred tax liabilities	(3,507)
Trade and other payables	(4,276)
Amount owing to holding company	(65)
Amount owing to related company	(1)
Current tax liabilities	(465)
Dividend payable	(500)
	24,403
Less: Fair value of remaining stake as an associate	(13,011)
Group share of net assets disposed	11,392
Net disposal proceeds	30,369
Net gain on disposal before reclassification of foreign currency translation reserve	18,977
Reclassification of foreign currency translation reserve to profit or loss	226
Net gain on disposal	19,203
Gain on disposal of net assets of subsidiary disposed	13,512
Fair value gain on remaining stake as an associate	5,691
Net gain on disposal	19,203

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

37 DISPOSAL OF SUBSIDIARIES (CONTINUED)

Disposal of subsidiaries in the previous financial year (continued)

(b) Details of the disposal and the net cash flow on disposal are as follows (continued):

	At the date of disposal RM'000
Net disposal proceeds received	30,369
Less: Time deposits and cash and bank balances of subsidiary disposed	(7,446)
Net cash inflow on disposal	22,923

Net gain on disposal was recognised in the profit or loss within 'other operating income'.

39 SIGNIFICANT RELATED PARTY DISCLOSURES

For the purposes of these financial statements, parties are considered to be related to the Group if the Group or the Company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group or the Company and the party are subject to common control or common significant influence. Related parties may be individuals or other entities.

Key management personnel are defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Group either directly or indirectly.

In addition to related party disclosures mentioned elsewhere in the financial statements, set out below are other significant related party transactions. The transactions described below were carried out on agreed terms.

	Group	
	2021 RM'000	2020 RM'000

The estimated monetary value of benefits-in-kind received and receivable by Directors of the Group and the Company are RM90,000 (2020: RM183,000) and RM45,000 (2020: RM46,000) respectively.

In addition to the amounts disclosed above, the Group and the Company have made a reversal of RM1,275,000 and a provision of RM1,080,000 (2020: provision of RM18,847,000 and RM1,042,000) respectively for amounts payable to executive directors at the end of their employment for their services to the Group and the Company as part of their employment contract. With this, the total remuneration (including unpaid gratuity provision) amounted to RM5,846,000 and RM4,207,000 (2020: RM27,581,000 and RM4,763,000) for the Group and the Company respectively.

42 CAPITAL COMMITMENTS

Capital expenditure as at the reporting date is as follows:

	Group	
	2021	2020
	RM'000	RM'000
Commitment to acquire property, plant and equipment not provided for in the financial statements:		
Approved and contracted	33,891	846

43 SEGMENTAL ANALYSIS

For management purposes, the Group is organised into business units based on their products and services.

The Group's operating segments comprise:

- Oil & gas division: Pipe coating, pipe manufacturing for the oil and gas industry, building and operating offshore/onshore field development facilities and the provision of highly specialised equipment and services to the power generation, oleochemical and petrochemical industries.
- Renewable energy division: Supplier and manufacturer of specialised equipment for biomass power plants; such as industrial fans, boilers and turbines that run primarily on biomass fuels.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

43 SEGMENTAL ANALYSIS (CONTINUED)

The Group's operating segments comprise (continued):

- (c) Industrial trading & services division: Trading and distribution of building materials and the manufacturing and trading of industrial pipes for the construction industry.
- (d) Others: All other units within the Group that do not constitute a separately reportable segment.

Management monitors the operating results of its divisions separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on revenue and profitability measures as shown in the table below.

Transactions between segments were entered into in the normal course of business and were established on agreed terms. The effects of such inter-segmental transactions are eliminated on consolidation.

The assets are allocated based on the operations of the respective segments. The amounts provided to the Group Chief Executive Officer with respect to total assets are measured in a manner consistent with the disclosure of segment assets below.

	Oil & Gas RM'000	Renewable Energy RM'000	Industrial Trading & Services RM'000	Others RM'000	Total RM'000

45 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's and the Company's overall financial risk management objectives and policies are to ensure that the Group and the Company create value and maximise returns for its shareholders. Financial risk management is carried out through risk review, internal control systems, benchmarking to the industry's best practices and adherence to the Group's financial risk management policies.

The main risks arising from the financial instruments of the Group and the Company are credit risk, market risk, and liquidity risk. Management monitors the Group's and the Company's financial position closely with the objective to minimise potential adverse effects on the financial performance of the Group and of the Company.

The following sections provide details regarding the Group's and the Company's exposure to the above mentioned financial risks and the objectives, policies and processes for managing these risks.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group and the Company.

At the reporting date, the Group's and the Company's maximum exposure to credit risk is represented by the carrying amounts of each class of financial assets recognised in the statements of financial position, including derivative financial instruments with positive fair values.

(a) Receivables

The Group's and the Company's exposure to credit risk is monitored on an ongoing basis. The Group and the Company have credit policies in place to manage the credit risk exposure. The risk is managed through the application of the Group's and the Company's credit management procedures which include the application of credit evaluations or approvals and follow up procedures.

The Group and the Company actively monitor the utilisation of credit limits to manage the risk of any material loss from the non-performance of its counterparties.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

45 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Credit risk (continued)

(a) Receivables (continued)

Simplified approach for finance lease receivables, trade receivables and contract assets (including intercompany trade balances)

The Group and the Company apply simplified approach to providing for ECL prescribed by MFRS 9, which permits the use of the lifetime expected loss provision for all finance lease receivables, trade receivables and contract assets. The Group and the Company account for its credit risk by appropriately providing for ECL on timely basis. In calculating credit loss rate, the finance lease receivables, trade receivables and contract assets have been assessed based on credit risk categories and the days past due and adjust for forward-looking information.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group and the Company. The Group and the Company categorise a receivable for write off when a debtor fails to make contractual payments and the recoverability of the receivables is remote. Where receivables have been written off, the Group and the Company continue to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

General 3-stage approach for other debt instruments financial assets

ECL for other debt instruments financial assets at amortised costs, which include other receivables, non-trade intercompany balances including amounts owing by subsidiaries, amounts owing by associates and amounts owing by joint ventures, time deposits and cash and bank balances are measured using general 3-stage approach.

The Group and the Company use three categories to reflect their credit risk and how the loss allowance is determined for each of those categories. A summary of the assumptions underpinning the Group's and the Company's ECL model is as follows:

Category	Group's and Company's definition of category	Basis for recognising ECL
Performing	Debtors have a low risk of default and a strong capacity to meet contractual cash flows.	12 month ECL
Underperforming	Debtors for which there is a significant increase in credit risk or significant increase in credit risk is presumed if the forward-looking information and indicators available signify impairment to debtors' ability to repay.	Lifetime ECL
Not performing	Debtors' ability to repay or likelihood of repayment is determined as fully impaired when it meets one or more of the indicators in accounting policy 2.17(d).	Lifetime ECL (credit impaired)

Based on the above, loss allowance is measured on either 12 month ECL or lifetime ECL using a PD x LGD x EAD methodology as follows:

- PD ("probability of default") – the likelihood that the debtor would not be able to repay during the contractual period;
- LGD ("loss given default") – the percentage of contractual cash flows that will not be collected if default happens; and
- EAD ("exposure at default") – the outstanding amount that is exposed to default risk.

In deriving the PD and LGD, the Group and the Company consider available, reasonable and supportive forward-looking information, such as:

- significant changes in the expected performance and behaviour of the debtor, including changes in the payment status of debtor and changes in the business of the debtor; and
- debtor's past history and existing market conditions.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

45 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Credit risk (continued)

(a) Receivables (continued)

General 3-stage approach for other debt instruments financial assets (continued)

Loss allowance is measured at a probability-weighted amount that reflects the possibility that a credit loss occurs and the possibility that no credit loss occurs. No significant changes to estimation techniques or assumptions were made during the reporting period.

There is no loss allowance for other financial asset at amortised cost as at 31 December 2021 and 31 December 2020, except for trade and other receivables, amounts owing by subsidiaries, amounts owing by associates and amounts owing by joint ventures.

For movement of allowance for impairment of trade and other receivables, amounts owing by subsidiaries, amounts owing by associates and amounts owing by joint ventures, refer to Note 16, 17(a), 18(a) and 19(a) respectively.

(b) Intercompany balances

The Company provides unsecured loans and advances to subsidiaries. The Company monitors the results of its subsidiaries regularly.

As at 31 December 2021 and 31 December 2020, the maximum exposure to credit risk is represented by their carrying amounts in the statement of financial position.

Management has taken reasonable steps to ensure that intercompany receivables are stated at the realisable values. As at 31 December 2021 and 31 December 2020, the amounts owing by subsidiaries were considered performing, except for a subsidiary. For movement of allowance for impairment of amount owing by subsidiaries, refer to Note 17(a).

Advances to subsidiaries that are repayable on demand and interest-free are classified as amortised cost in the Company's financial statements because the Company's business model is to hold and collect the contractual cash flows and those cash flows represent solely payments of principal and interest. The Company applied the general 3-stage approach when determining ECL for these advances to subsidiaries.

There is no loss allowance recognised on these advances to subsidiaries as all strategies indicate that the Company could fully recover the outstanding balance of the advances to subsidiaries.

Advances to subsidiaries in the Company's separate financial statements are assessed on individual basis for ECL measurement, as credit risk information is obtained and monitored based on each advances to subsidiary.

(c) Derivative financial instruments

Transactions involving derivative financial instruments are with approved financial institutions and reputable banks.

As at the end of the reporting period, the maximum exposure to credit risk arising from derivatives financial assets is represented by the carrying amounts in the statement of financial position.

In view of the counterparties being reputable licensed financial institutions, management does not expect any of the counterparties to fail to meet their obligations.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

45 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Credit risk (continued)

(d) Financial guarantees

The Company provides unsecured financial guarantees to banks in respect of banking facilities granted to certain subsidiaries. The Company monitors on an ongoing basis the results of the subsidiaries and repayment made by the subsidiaries.

The maximum exposure to credit risk amounts to RM293,885,000 (2020: RM294,422,000) representing banking facilities utilised by the subsidiaries as at the end of the financial year.

As at 31 December 2021 and 31 December 2020, there was no indication that any subsidiary would default on repayment.

Financial guarantees have not been recognised since the fair value on initial recognition was not material as the probability of the subsidiaries defaulting on its banking facilities is remote.

(e) Time deposits and cash and bank balances

Time deposits and cash and bank balances are placed with approved financial institutions and reputable banks. The likelihood of non-performance by these financial institutions is remote based on their high credit ratings.

Market risk

Market risk refers to the risk that changes in market prices, such as foreign exchange rates, interest rates and prices will affect the Group's and the Company's financial position and cash flows.

(a) Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Group has transactional currency exposures arising from sales and purchases that are denominated in a currency other than the functional currencies of the Group entities. The foreign currency in relation to these transactions is mainly denominated in United States Dollar.

The Group maintains a natural hedge, whenever possible, by maintaining receivables and payables in matching foreign currencies. Foreign exchange exposures in transactional currencies other than the functional currencies of the operating entities are kept to an acceptable level.

The Group also uses forward currency contracts to minimise exposure on currency fluctuations for which receipts or payments are anticipated more than one month after the Group has entered into a firm commitment for a sale or purchase. The forward currency contracts entered are in the same currency as the hedged item. It is the Group's policy to negotiate the terms of the forward currency contracts to match the terms of the hedged item to maximise its effectiveness.

At the reporting date, the Group is mainly exposed to fluctuation in the United States Dollar exchange rate against the respective functional currencies of the Group entities. The Group considers a 5% strengthening or weakening of the United States Dollar as a possible change.

A 5% strengthening or weakening of the United States Dollar would result in profit or loss after tax and equity being approximately RM169,000 and RM1,979,000 (2020: RM1,608,000 and RM4,229,000) lower or higher for the Group and the Company accordingly.

The Group and the Company consider that the foreign currency risk attributable to currencies other than the United States Dollar to be insignificant.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2021

45 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Market risk (continued)

(b) Cash flow and fair value interest rate risks

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market interest rates.

The Group's and the Company's exposure to interest rate risks relates primarily to the Group's and the Company's time deposits and interest bearing borrowings.

Surplus funds are placed with licensed financial institutions to earn interest income based on prevailing market rates. The Group and the Company manage its interest rate risks by placing such funds on short tenures of 12 months or less.

The Group and the Company generally borrow principally on a floating rate basis and ensure that interest rates obtained are competitive.

The interest rate profile of the Group's and the Company's significant interest-bearing financial instrument have been presented in Note 17, 19, 21 and 27.

Fair value sensitivity for fixed rate instruments

The Group does not account for any fixed rate financial assets and liabilities at fair value through profit or loss, and the Group does not designate derivatives as a fair value hedge. Therefore, a change in interest rates for these financial instruments at the end of the reporting period would not affect profit or loss.

Sensitivity analysis for variable rate instruments

At the reporting date, if interest rates had been 50 basis points lower/higher, with all other variables held constant, the Group's and the Company's profit or loss after tax and equity would have been approximately RM3,673,000 and RM511,000 (2020: RM4,295,000 and RM634,000) higher/lower, arising mainly as a result of lower/higher interest expense on floating rate borrowings. The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment.

Liquidity risk

Liquidity risk is the risk that the Group or the Company will not be able to meet its financial obligations as they fall due. The Group's and the Company's exposure to liquidity risk arises principally from its trade and other payables and loans and borrowings. The Group and the Company maintain a level of cash and cash equivalents and bank facilities deemed adequate by the management to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they fall due.

As at 31 December 2021, there are sufficient facilities available that can be used to refinance borrowings, capital expenditure and general working capital requirements of the Group and the Company. Details of liquidity risk are disclosed in Note 27 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

These liabilities have been included in the consolidated statement of financial position of the Group and hence will not result in any additional liability to the Group.

46 FAIR VALUES OF FINANCIAL INSTRUMENTS

The carrying amounts of financial assets and liabilities classified within current assets and current liabilities respectively approximate their fair values due to the relatively short term nature of these financial instruments.

The fair values of forward exchange contracts are estimated by discounting the difference between the contractual forward price and the current forward price for the residual maturity of the contract using a risk-free interest rate.

Fair values of non-derivative financial liabilities are calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the end of the reporting period.

The carrying amount of financial liabilities measured at amortised cost approximates their respective fair values.

Fair value hierarchy

The table below summarises all financial instruments carried at fair value as at 31 December 2021 and 31 December 2020, based on a hierarchy that reflects the significance of the inputs used in measuring its respective fair values. The levels are defined as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical financial assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the financial asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs for the financial asset or liability that are not based on observable market data (unobservable inputs).

47 CAPITAL MANAGEMENT

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital structure in order to continue supporting its businesses, maximise shareholders' value and sustain future development of businesses within the Group. The Group strives to monitor and maintain an optimal gearing ratio. The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as loans and borrowings less time deposits, cash and bank balances. Total capital includes paid-up share capital and reserves attributable to owners of the Company. The Group's net gearing ratio is 0.87 times (2020: 0.91 times).

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN THAT the Twenty-Second Annual General Meeting of WAH SEONG CORPORATION BERHAD (“the Company”) will be conducted through live streaming and online remote participation using Remote Participation and Voting (“RPV”) Facilities as a fully virtual general meeting at the Broadcasting Venue to be held at Boardroom, Suite 19.01, Level 19, The Gardens North Tower, Mid Valley City, Lingkaran Syed Putra, 59200 Kuala Lumpur, Wilayah Persekutuan, Malaysia on Thursday, 26 May 2022 at 11.00 a.m. for the following purposes:

AGENDA

As Ordinary Business

1. To receive the Audited Financial Statements of the Company and the Group for the financial year ended 31 December 2021 and the Reports of the Directors and Auditors thereon.
2. To approve the Directors’ Fees of RM530,000 and Directors’ Meeting Allowances of RM177,000 payable for the financial year ended 31 December 2021. **Ordinary Resolution 1**
3. To re-elect the following Directors who retire pursuant to Clause 117 of the Company’s Constitution:
 - (i) Halim Bin Haji Din **Ordinary Resolution 2**
 - (ii) Tan Sri Professor Lin See Yan **Ordinary Resolution 3**
 - (iii) Giancarlo Maccagno **Ordinary Resolution 4**
4. To re-appoint PricewaterhouseCoopers PLT as Auditors of the Company for the ensuing year and to authorise the Directors to fix their remuneration. **Ordinary Resolution 5**

As Special Business

To consider, and if thought fit, to pass the following Ordinary Resolutions, with or without modifications thereto:

5. **Ordinary Resolution**
Authority to Issue Shares by the Directors of the Company **Ordinary Resolution 6**

“THAT, subject always to the Companies Act, 2016 (“the Act”), the Company’s Constitution and approvals from the relevant governmental and/or regulatory bodies where such approvals shall be necessary, authority be and is hereby given to the Directors of the Company pursuant to Sections 75 and 76 of the Act, the Additional Temporary Relief Measures to Listed Issuers – Increased General Mandate Limit for New Issue of Securities issued by Bursa Malaysia Securities Berhad on 16 April 2020 and the Extension of Implementation of the General Mandate issued by Bursa Malaysia Securities Berhad on 23 December 2021, to issue and allot shares in the share capital of the Company from time to time upon such terms and conditions and for such purposes as may be determined by the Directors of the Company to be in the interest of the Company provided always that the aggregate number of shares to be issued pursuant to this resolution does not exceed 20% (twenty per centum) of the total number of issued shares (excluding treasury shares) of the Company for the time being AND THAT the Directors of the Company be also empowered to obtain the approval for the listing of and quotation for the additional shares so issued on Bursa Malaysia Securities Berhad AND FURTHER THAT such authority shall continue to be in force until 31 December 2022 and shall be reinstated to 10% (ten per centum) of the total number of issued shares (excluding treasury shares) of the Company from 1 January 2023 until the conclusion of the next Annual General Meeting (“AGM”) of the Company or the expiration of the period within which the next AGM is required by law to be held, whichever is the earlier; but an approval may be revoked or varied at any time by a resolution of the Company in general meeting.”

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

6. Ordinary Resolution

Proposed Renewal of Authority to Buy-Back its Own Shares by the Company

Ordinary Resolution 7

“THAT, subject to the provisions of the Companies Act, 2016 (“the Act”), the Company’s Constitution, the Main Market Listing Requirements (“MMLR”) of Bursa Malaysia Securities Berhad (“Bursa Securities”) and any other applicable laws, rules, orders, requirements, regulations and guidelines for the time being in force, the Directors of the Company be hereby unconditionally and generally authorised to purchase the Company’s own ordinary shares (“WSC Shares”) in the Company’s total number of issued shares through Bursa Securities at any time and upon such terms and conditions and for such purposes as the Directors of the Company may, in their discretion deem fit, subject to the following:

- (i) the maximum number of WSC Shares which may be purchased and/or held by the Company shall be 10% (ten per centum) of the total number of issued shares of the Company for the time being;
- (ii) the maximum fund to be allocated by the Company for the purpose of purchasing the WSC Shares shall not exceed the retained profits of the Company as at 31 December 2021 otherwise available for distribution as dividends;
- (iii) the authority conferred by this resolution will be effective immediately upon the passing of this resolution and will continue in force until:
 - (a) the conclusion of the next Annual General Meeting (“AGM”) of the Company, at which time the authority shall lapse, unless by ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions;
 - (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
 - (c) revoked or varied by an ordinary resolution passed by the shareholders in a general meeting;

whichever is earlier but not so as to prejudice the completion of the purchase(s) made by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the MMLR of Bursa Securities or any other relevant authorities;

- (iv) upon completion of the purchase(s) of the WSC Shares by the Company, the Directors of the Company be hereby authorised to deal with the WSC Shares in accordance with the MMLR and the Act.

AND THAT the Directors of the Company be and are hereby authorised to take all such steps that are necessary or expedient and/or appropriate to implement, finalise and to give full effect to the purchase(s) of WSC Shares with full power to assent to any conditions, variations, and/or amendments that may be imposed by the relevant authorities.”

7. Ordinary Resolutions

Proposed Renewal of Shareholders’ Mandate for the Existing Recurrent Related Party Transactions and Provision of Financial Assistance

“THAT, subject to the provisions of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, approval be and is hereby given to the Company and/or its subsidiaries (“WSC Group”) to enter into recurrent related party transactions of a revenue or trading nature and the provision of financial assistance as specified in Section 2.5 of Part B of the Circular to Shareholders dated 26 April 2022 which transactions are necessary for the day-to-day operations in the ordinary course of business of WSC Group on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company as follows:

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

- (i) Proposed renewal of shareholders' mandate for the existing recurrent related party transactions of a revenue or trading nature and the provision of financial assistance involving:-

- (a) Dato' Seri Robert Tan Chung Meng, Madam Pauline Tan Suat Ming, Mr Tony Tan Choon Keat, Tan Chin Nam Sendirian Berhad, Tan Kim Yeow Sendirian Berhad and Wah Seong (Malaya) Trading Co. Sdn. Bhd.
- (b) Mr Chan Cheu Leong, Mr Chan Wei Keat and Mr Goh Eng Hooi
- (c) Dato' Mohamed Nizam Bin Abdul Razak and Encik Mohd Azlan Bin Mohammed

Ordinary Resolution 8

**Ordinary Resolution 9
Ordinary Resolution 10**

- (ii) Proposed renewal of shareholders' mandate for the existing recurrent related party transactions for the provision of financial assistance involving Mr Li Bao Guo and Mr Guo Jun

Ordinary Resolution 11

The shareholders' mandate is subject to annual renewal and disclosure is made in the Annual Report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year and that such approval shall continue to be in force until:

- (i) the conclusion of the next Annual General Meeting ("AGM") of the Company, at which time the proposed shareholders' mandate will lapse, unless renewed by a resolution passed at the meeting;
- (ii) the expiration of the period within which the next AGM of the Company after the date it is required to be held pursuant to Section 340(2) of the Companies Act, 2016 ("the Act") (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders of the Company in a general meeting;

whichever is earlier.

AND THAT the Directors of the Company be and are hereby authorised to complete and to do all such acts and things (including executing all such documents as may be required) as they may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this resolution."

8. Ordinary Resolution

Proposed New Shareholders' Mandate for Additional Recurrent Related Party Transactions

Ordinary Resolution 12

"THAT, subject to the provisions of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, approval be and is hereby given to the Company and/or its subsidiaries ("WSC Group") to enter into new/additional recurrent related party transactions for the provision of financial assistance as specified in Section 2.5 of Part B of the Circular to Shareholders dated 26 April 2022 which transactions are necessary for the day-to-day operations in the ordinary course of business of WSC Group on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company and the shareholders' mandate is subject to annual renewal and disclosure shall be made in the Annual Report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year and that such approval shall continue to be in force until:-

- (i) the conclusion of the next Annual General Meeting ("AGM") of the Company, at which time the proposed new shareholders' mandate will lapse, unless renewed by a resolution passed at the meeting;
- (ii) the expiration of the period within which the next AGM of the Company after the date it is required to be held pursuant to Section 340(2) of the Companies Act, 2016 ("the Act") (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

- (iii) revoked or varied by resolution passed by the shareholders of the Company in a general meeting;

whichever is earlier.

AND THAT the Directors of the Company be and are hereby authorised to complete and to do all such acts and things (including executing all such documents as may be required) as they may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this resolution.”

9. Ordinary Resolutions

Retention of Independent Non-Executive Directors

- (i) “THAT subject to the passing of Ordinary Resolution 2 above, approval be and is hereby given to Halim Bin Haji Din who has served as an Independent Non-Executive Director of the Company for a cumulative term of more than nineteen (19) years, to continue to act as an Independent Non-Executive Director of the Company in accordance with the Malaysian Code on Corporate Governance 2021.” **Ordinary Resolution 13**
- (ii) “THAT subject to the passing of Ordinary Resolution 3 above, approval be and is hereby given to Tan Sri Professor Lin See Yan who has served as an Independent Non-Executive Director of the Company for a cumulative term of more than seventeen (17) years, to continue to act as an Independent Non-Executive Director of the Company in accordance with the Malaysian Code on Corporate Governance 2021.” **Ordinary Resolution 14**

10. To transact any other business that may be transacted at an Annual General Meeting of which due notice shall have been given in accordance with the Companies Act, 2016 and the Company’s Constitution.

FURTHER NOTICE IS HEREBY GIVEN THAT for the purpose of determining a member who shall be entitled to attend this Twenty-Second Annual General Meeting, the Company shall be requesting Bursa Malaysia Depository Sdn. Bhd., in accordance with Clause 88 of the Company’s Constitution and Section 34(1) of the Securities Industry (Central Depositories) Act, 1991, to issue a Record of Depositors as at 20 May 2022 (“General Meeting Record of Depositors”). Only a Depositor whose name appears on the General Meeting Record of Depositors shall be regarded as a member entitled to attend, speak and vote at the Twenty-Second Annual General Meeting or appoint proxies to attend, speak and vote on his/her behalf.

BY ORDER OF THE BOARD
WOO YING PUN (MAICSA 7001280)
SSM PC No. 201908002179
Group Company Secretary

Kuala Lumpur
Dated: 26 April 2022

Notes:

1. A proxy may but need not be a Member of the Company. If a Member appoints more than one proxy, the appointments shall be invalid unless the Member specifies the proportion of the Member’s shareholdings to be represented by each proxy.
2. Where a Member of the Company is an exempt authorised nominee as defined under the Securities Industry (Central Depositories) Act, 1991 (“SICDA”) which holds ordinary shares in the Company for multiple beneficial owners in one securities account (“omnibus account”), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds.
3. Where a Member of the Company is an authorised nominee as defined under SICDA, it may appoint at least one (1) proxy in respect of each securities account it holds with ordinary shares of the Company standing to the credit of the said securities account.

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

4. If the appointer is a corporation, the proxy form must be executed under the common seal or under the hand of its officer or attorney duly authorised in writing.
5. The Twenty-Second Annual General Meeting ("22nd AGM") will be conducted using RPV Facilities as a **fully virtual** general meeting by the Company's appointed agent, Tricor Investor & Issuing House Services Sdn. Bhd.. The registration, participation and voting procedures are as detailed in the Administrative Guide which is available on the Company's website at www.wahseong.com.
6. Pursuant to Section 327(2) of the Companies Act, 2016, the Chairman will be present at the Broadcasting Venue being the main venue of the 22nd AGM. Hence, **no shareholders/proxies/corporate representatives** from the public will be physically present.
7. A Member registered in the Record of Depositors as at 20 May 2022 who is entitled to attend and vote at the 22nd AGM may appoint the Chairman of the meeting as his/her proxy.
8. In accordance with Section 334(3) of the Companies Act, 2016, the instrument appointing a proxy and the power of attorney or other authority, if any, under which is signed or a notarially certified copy of that power or authority shall be deposited as follows, not less than forty-eight (48) hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than twenty-four (24) hours before the time appointed for the taking of the poll at the 22nd AGM. Pursuant to Paragraph 8.29A(1), Chapter 8 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, all resolutions set out in this notice are required to be voted by poll.

(a) Deposit Hardcopy of Proxy Form

To the Company's Registered Address at Suite 19.01, Level 19, The Gardens North Tower, Mid Valley City, Lingkaran Syed Putra, 59200 Kuala Lumpur, Wilayah Persekutuan, Malaysia.

(b) Deposit of Proxy Form Electronically

To Tricor Investor & Issuing House Services Sdn. Bhd. via the TIIH Online website at <https://tiah.online>.

- (c) The above Proxy Forms must be deposited accordingly latest by Wednesday, 25 May 2022 by 11.00 a.m.

Explanatory Notes on Ordinary Business

1. Audited Financial Statements of the Company and the Group for the financial year ended 31 December 2021 and the Reports of the Directors and Auditors thereon

The Audited Financial Statements of the Company and the Group for the financial year ended 31 December 2021 are to be laid at the 22nd AGM in accordance with Section 340(1)(a) of the Companies Act, 2016 for discussion purpose only and do not require shareholders' approval.

2. Payment of Directors' Fees and Directors' Meeting Allowances for the financial year ended 31 December 2021

The proposed Ordinary Resolution 1 is to obtain shareholders' approval for the payment of Directors' Fees and Directors' Meeting Allowances in respect of the financial year ended 31 December 2021.

3. Re-election of Halim Bin Haji Din, Tan Sri Professor Lin See Yan and Giancarlo Maccagno who retire pursuant to Clause 117 of the Company's Constitution

Pursuant to Clause 117 of the Company's Constitution, one-third of the Directors for the time being or the number nearest to one-third, shall retire from office at the Annual General Meeting. PROVIDED ALWAYS that all Directors shall retire from office at least once in every three (3) years but shall be eligible for re-election.

Hence, Encik Halim Bin Haji Din, Tan Sri Professor Lin See Yan and Mr Giancarlo Maccagno are due to retire at the 22nd AGM and being eligible, have offered themselves for re-election.

The Board supports the re-election of Halim Bin Haji Din, Tan Sri Professor Lin See Yan and Giancarlo Maccagno who retire pursuant to Clause 117 of the Company's Constitution.

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

Explanatory Notes on Special Business

1. Authority to Issue Shares by the Directors of the Company

The Ordinary Resolution 6, if passed, will give authority to the Directors of the Company to issue and allot shares from the unissued share capital of the Company for such purposes as the Directors of the Company in their absolute discretion consider to be in the interest of the Company without having to convene a general meeting. The 20% general mandate shall continue to be in force until 31 December 2022 and shall be reinstated to 10% general mandate from 1 January 2023 until the conclusion of the next Annual General Meeting ("AGM") or the expiration of the period within which the next AGM is required by law to be held, whichever is the earlier; but any approval may be revoked or varied by a resolution of the Company in general meeting.

The Company has not issued any new shares pursuant to Sections 75 and 76 of the Companies Act, 2016 under the general mandate which was approved at the Twenty-First AGM of the Company held on 21 May 2021 and which will lapse at the conclusion of the Twenty-Second AGM. Hence, a renewal of this authority is being sought at the Twenty-Second AGM.

The authority to issue shares pursuant to Sections 75 and 76 of the Companies Act, 2016, the Additional Temporary Relief Measures to Listed Issuers – Increased General Mandate Limit for New Issue of Securities issued by Bursa Malaysia Securities Berhad on 16 April 2020 and the Extension of Implementation of the General Mandate issued by Bursa Malaysia Securities Berhad on 23 December 2021, will provide flexibility and expediency to the Company for any possible fund raising involving the issuance or placement of shares to facilitate business expansion or strategic merger and acquisition opportunities involving equity deals or part equity or to fund future investment project(s) or for working capital and operational requirements, which the Directors of the Company consider to be in the best interest of the Company.

As such, any additional cost to be incurred or delay arising from the need to convene a general meeting to approve such issuance of shares could be eliminated.

2. Proposed Renewal of Authority to Buy-Back its Own Shares by the Company

The Ordinary Resolution 7, if passed, will allow the Directors of the Company to exercise the power of the Company to purchase and/or hold not more than 10% (ten per centum) of the total number of issued shares of the Company for the time being. This authority will expire at the conclusion of the next Annual General Meeting unless earlier revoked or varied by ordinary resolution passed by shareholders at a general meeting.

Please refer to Part A of the Share Buy-Back Statement dated 26 April 2022, which is accessible online on the Company's website at www.wahseong.com, for information pertaining to Ordinary Resolution 7.

3. Proposed Renewal of Shareholders' Mandate for the Existing Recurrent Related Party Transactions and Provision of Financial Assistance

Proposed New Shareholders' Mandate for Additional Recurrent Related Party Transactions

The Ordinary Resolutions 8, 9, 10, 11 and 12, if passed, will allow the Company and/or its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature with the related parties and the provision of financial assistance in the ordinary course of business which are necessary for the day-to-day operations based on terms which are not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

Please refer to Part B of the Circular to Shareholders dated 26 April 2022, which is accessible online on the Company's website at www.wahseong.com, for information pertaining to Ordinary Resolutions 8, 9, 10, 11 and 12.

NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

4. Retention of Independent Non-Executive Directors of the Company in accordance with the Malaysian Code on Corporate Governance 2021

(i) Halim Bin Haji Din

The Board has assessed the independence of Halim Bin Haji Din, who has served the Company for more than nineteen (19) years, and recommended that he continues to act as an Independent Non-Executive Director of the Company based on the following justification:

- (a) He meets the criteria of an Independent Director as defined in Chapter 1 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.
- (b) He performs his duties diligently and in the best interest of the Company and provides independent judgement, broader views and balanced assessments to the proposals from the Management with his diverse experience and expertise.
- (c) His vast experience in the accounting, finance, corporate recovery and audit enables him to provide the Board with a diverse set of experience, expertise and independent judgement.
- (d) He understands the Company's industry well and is able to contribute to the effective oversight of the Company's business activities.
- (e) He consistently challenges the Management in an effective and constructive manner.
- (f) He maintains his independence where Management oversight and monitoring are concerned in the execution of the Company's strategic plans.

(ii) Tan Sri Professor Lin See Yan

The Board has assessed the independence of Tan Sri Professor Lin See Yan, who has served the Company for more than seventeen (17) years, and recommended that he continues to act as an Independent Non-Executive Director of the Company based on the following justification:

- (a) He meets the criteria of an Independent Director as defined in Chapter 1 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.
- (b) He performs his duties diligently and in the best interest of the Company and provides independent judgement, broader views and balanced assessments to the proposals from the Management with his diverse experience and expertise.
- (c) His vast experience in the banking and finance industry coupled with his economics and corporate background enables him to provide the Board with a diverse set of experience, expertise and independent judgement.
- (d) He understands the Company's industry well and is able to contribute to the effective oversight of the Company's business activities.
- (e) He consistently challenges the Management in an effective and constructive manner.
- (f) He maintains his independence where Management oversight and monitoring are concerned in the execution of the Company's strategic plans.

The Board supports the retention of Halim Bin Haji Din and Tan Sri Professor Lin See Yan as Independent Non-Executive Directors of the Company.

STATEMENT ACCOMPANYING NOTICE OF TWENTY-SECOND ANNUAL GENERAL MEETING

1. Details of Individual who is standing for election as Director

No individual is seeking for election as a Director of the Company at the Twenty-Second Annual General Meeting of the Company.

2. There is a renewal of the general mandate for the issuance of securities to be sought in accordance with Paragraph 6.03(3) of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, at the Twenty-Second Annual General Meeting of the Company

No proceeds was raised from the previous mandate as the Company has not issued any new shares pursuant to Sections 75 and 76 of the Companies Act, 2016 under the general mandate which was approved at the Twenty-First Annual General Meeting of the Company held on 21 May 2021.

The purpose for the general mandate being sought to issue shares pursuant to Sections 75 and 76 of the Companies Act, 2016, the Additional Temporary Relief Measures to Listed Issuers – Increased General Mandate Limit for New Issue of Securities and the Extension of Implementation of the General Mandate issued by Bursa Malaysia Securities Berhad on 16 April 2020 and 23 December 2021 respectively will provide flexibility and expediency to the Company for any possible fund raising involving the issuance or placement of shares to facilitate business expansion or strategic merger and acquisition opportunities involving equity deals or part equity or to fund future investment project(s) or for working capital and operational requirements, which the Directors of the Company consider to be in the best interest of the Company.

As such, any additional cost to be incurred or delay arising from the need to convene a general meeting to approve such issuance of shares could be eliminated.

3. Date, Time and Broadcasting Venue of the Twenty-Second Annual General Meeting

Date	: Thursday, 26 May 2022
Time	: 11.00 a.m.
Broadcasting Venue	: Boardroom, Suite 19.01, Level 19, The Gardens North Tower, Mid Valley City, Lingkaran Syed Putra, 59200 Kuala Lumpur, Wilayah Persekutuan, Malaysia

Notes:

1. A proxy may but need not be a Member of the Company. If a Member appoints more than one proxy, the appointments shall be invalid unless the Member specifies the proportion of the Member's shareholdings to be represented by each proxy.
2. Where a Member of the Company is an exempt authorised nominee as defined under the Securities Industry (Central Depositories) Act, 1991 ("SICDA") which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds.
3. Where a Member of the Company is an authorised nominee as defined under SICDA, it may appoint at least one (1) proxy in respect of each securities account it holds with ordinary shares of the Company standing to the credit of the said securities account.
4. If the appointer is a corporation, the proxy form must be executed under the common seal or under the hand of its officer or attorney duly authorised in writing.
5. The 22nd AGM will be conducted using RPV Facilities as a **fully virtual** general meeting by the Company's appointed agent, Tricor Investor & Issuing House Services Sdn. Bhd.. The registration, participation and voting procedures are as detailed in the Administrative Guide attached and which is also available on the Company's website at www.wahseong.com.
6. Pursuant to Section 327(2) of the Companies Act, 2016, the Chairman will be present at the Broadcasting Venue being the main venue of the 22nd AGM. Hence **no shareholders/proxies/corporate representatives** from the public will be physically present.
7. For the purpose of determining a member who shall be entitled to attend this 22nd AGM, the Company shall be requesting Bursa Malaysia Depository Sdn. Bhd., in accordance with Clause 88 of the Company's Constitution and Section 34(1) of SICDA, to issue a Record of Depositors as at 20 May 2022 ("General Meeting Record of Depositors"). A Member registered in the General Meeting Record of Depositors who is entitled to attend and vote at the 22nd AGM may appoint the Chairman of the meeting as his/her proxy.
8. In accordance with Section 334(3) of the Companies Act, 2016, the instrument appointing a proxy and the power of attorney or other authority, if any, under which is signed or a notorially certified copy of that power or authority shall be deposited as follows, not less than forty-eight (48) hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than twenty-four (24) hours before the time appointed for the taking of the poll at the 22nd AGM. Pursuant to Paragraph 8.29A(1), Chapter 8 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, all resolutions set out in this notice are required to be voted by poll.
 - (a) Deposit Hardcopy of Proxy Form
To the Company's Registered Address at Suite 19.01, Level 19, The Gardens North Tower, Mid Valley City, Lingkaran Syed Putra, 59200 Kuala Lumpur, Wilayah Persekutuan, Malaysia.
 - (b) Deposit of Proxy Form Electronically
To Tricor Investor & Issuing House Services Sdn. Bhd. via the TIH Online website at <https://tiah.online>.
 - (c) The above Proxy Forms must be deposited accordingly latest by Wednesday, 25 May 2022 by 11.00 a.m.
