Dear Sir/Madam,

Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate for RRPT of a revenue or trading nature ("Proposed RRPT Mandate")

1. Introduction

The Company had at the 19th AGM of the Company held on 28 September 2021 obtained approval of its shareholders for the Company and its subsidiaries to enter into the RRPT of a revenue or trading nature in the ordinary course of its business on normal commercial terms which are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders of the Company. Such approval shall continue to be in full force until the conclusion of the forthcoming AGM of the Company scheduled to be held on 30 August 2022 unless approval for its renewal is obtained from the shareholders of the Company at the AGM.

On 7 July 2022, the Company announced to Bursa Securities its intention to seek the approval of its shareholders to obtain a mandate in respect of the RRPTs with Related Party pursuant to Paragraph 10.09, Part E of Chapter 10 of the Listing Requirements and Practice Note 12.

The purpose of this Circular is to provide you with details of the Proposed RRPT Mandate, to set out the recommendation of the Board thereon and to seek your approval for the ordinary resolution pertaining to the Proposed RRPT Mandate to be tabled at the forthcoming AGM.

Notes:

** The estimated transaction value as stated above is based on our Management's estimates after taking into consideration of the transactions which will be entered into in the foreseeable future, and hence may be subject to changes

2.5 Rationale and Benefits of the Proposed RRPT Mandate

The RRPT to be entered into by the Minetech Group are all in the ordinary course of business and reflect the long-term commercial relationship between the parties. The RRPT are undertaken on terms that are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders. All the transactions will be conducted on an arm's length basis. It is envisaged that in the normal course of the Minetech Group's business, the RRPT between the Minetech Group and the Related Party is likely to occur from time to time and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such RRPT. The Proposed RRPT Mandate would eliminate the need to make announcements to Bursa Securities and/or to convene separate general meetings from time to time to seek shareholders' approval as and when the RRPT occur or arise. This would substantially reduce administrative time, inconvenience and resources associated with the convening of such meetings on an ad-hoc basis and allow manpower resources and time to be channelled towards attaining other corporate objectives. Hence, the Directors are seeking approval from the shareholders on the RRPT as described under Section 2.4 of Part A of this Circular.

2.6 Amount Due and Owing to the Company by Related Party

As at the LPD, there were no amounts due and owing to the Company by its Related Party, which exceeded the credit term given arising from RRPT as per Section 2.4 of Part A of this Circular. Thus, there were no late payment charges imposed on the Related Party.

2.7 Validity Period of the Proposed RRPT Mandate

The Proposed RRPT Mandate will, if approved by the shareholders at the forthcoming AGM, apply in respect of the RRPT to be entered into as set out in Section 2.4 of Part A of this Circular and shall take effect from the date of passing of the proposed ordinary resolution at the AGM, and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company following the forthcoming AGM at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed; or
 - (ii) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
 - (iii) revoked or varied by a resolution passed by the shareholders in a general meeting,
- whichever is the earlier.

2.8 Review Procedures

The Minetech Group has established the procedures to ensure that the RRPT, where possible, are undertaken at arms' length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the Related Parties than those generally available to the public and are not detrimental to the Minetech's minority shareholders of the Company.

There are no specific thresholds for the approval of RRPT. All RRPTs will be reviewed and approved by the Director(s) (with the exception of Directors deemed interested in each RRPT) or such other senior executive(s) (not being a Person Connected to the Related Party) designated by the ARMC, from time to time for such purpose.

The Minetech Group has established the following procedures to monitor the RRPT:-

- (i) the relevant employees of the Minetech Group are notified of the identities of the Related Parties and will be required, prior to entering into such transaction, to ensure that all the

RRPT are consistent with the Minetech Group's normal business practices and policies, on terms not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders of the Company;

- (ii) the consideration and terms are determined based on the prevailing market rates which are determined by market forces and other relevant factors. Where practical and feasible, quotations and/or tenders will be obtained from unrelated parties for the same or substantially similar products or services for at least two (2) other contemporaneous transactions with unrelated third parties for similar services will be used as a comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of services. Where it is impractical or impossible for quotes and/or tenders to be obtained from unrelated parties, or where there have not been any similar transactions between the Minetech Group and unrelated third parties, the terms of the transactions for the products or services will be in accordance with applicable industry norms, prevailing commercial rates and at rates not more favourable to the Related Parties than those generally available to the public and is not detrimental to the Minetech Group;
- (iii) all RRPT will be reviewed monthly by the management of Minetech to ensure that they are within the shareholders' mandate obtained;
- (iv) records will be maintained by the management of Minetech to capture all RRPT entered into pursuant to the Proposed RRPT Mandate;
- (v) additional information pertaining to the RRPT may be requested from independent sources or advisers, if required; and
- (vi) the ARMC will review all RRPT every quarter, with a detailed review of RRPT exceeding RM1.0 million.

2.9 Statement by the ARMC

The ARMC has reviewed the procedures mentioned in Section 2.4 of Part A of this Circular and is of the view that the procedures are sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company and that the Minetech Group has in place adequate procedures and processes to monitor, track and identify the RRPTs in a timely and orderly manner. Such procedures and processes are reviewed by the ARMC on yearly basis.

2.10 Directors' and Major Shareholders' interests

As at LPD, save as disclosed in this Circular and below, none of the Directors and/or Major Shareholders of Minetech and/or persons connected to them have any interest, direct or indirect, in the Proposed RRPT Mandate:-

Name of Interested Director and Shareholder	Direct		Indirect	
	No. of Minetech's Shares ('000)	%#	No. of Minetech's Shares	%#
Azlan Shah Bin Zainal Arif	4,170,000	0.351	-	-

Notes:-

Encik Azlan Shah Bin Zainal Arif has abstained and will continue to abstain from all Board deliberations and voting on Proposed RRPT Mandate and will abstain from voting in respect of his direct and indirect shareholdings on the resolution deliberating or approving the Proposed RRPT Mandate at the forthcoming AGM.

2.11 Directors' Statement and Recommendation

The Board, save for Encik Azlan Shah Bin Zainal Arif, having considered all aspects of the Proposed RRPT Mandate, is of the opinion that the Proposed RRPT Mandate is in the best interest of the Company. Accordingly, the Board, save for Encik Azlan Shah Bin Zainal Arif, recommends that you vote in favour of the resolution relating to the Proposed RRPT Mandate to be tabled at the forthcoming AGM.

3. Approval Required

The said mandate shall, in accordance with Listing Requirements, lapse at the conclusion of the forthcoming AGM unless a fresh mandate is obtained from the shareholders.

On 7 July 2022, the Company announced to Bursa Securities that the Board proposes to seek its shareholders' approval for the Proposed Renewal of Authority for the Company to purchase its own ordinary shares.

The aforesaid proposal, if approved by the shareholders would become valid immediately upon the passing of the ordinary resolution at the forthcoming AGM and will expire at the conclusion of the next AGM of the Company unless the authority is further renewed by ordinary resolution passed at a general meeting (either unconditionally or subject to conditions) or upon the expiration of the period within which the next AGM is required by law to be held, or if earlier revoked or varied by ordinary resolution of the shareholders of the Company in a general meeting, whichever occurs first.

2. Details of the Proposed Renewal of Share Buy-Back Authority

The Board proposes to seek a renewal of the authority from its shareholders to purchase up to ten per centum (10%) of its total number of issued shares. There were no purchase, resale, cancellation or distribution as share dividend to shareholders in the previous 12 months preceding the date of this Statements.

As at LPD, the Company has purchased 285,000 Minetech Shares which are held as treasury shares. The total number of issued shares of the Company, before adjusting for the treasury shares held is 1,188,413,800 Minetech Shares.

The maximum number of shares which may be purchased and/or held as treasury shares by the Company will be up to ten per centum (10%) of the total number of issued shares of the Company. Assuming no further Minetech Shares are issued, a total of up to 118,841,380 Minetech Shares may be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority inclusive of the 285,000 Minetech's Shares already purchased and retained as treasury shares as at LPD.

The approval from the shareholders for the Proposed Renewal of Share Buy-Back Authority would be effective immediately upon the passing of the ordinary resolution on the Proposed Renewal of Share Buy-Back Authority at the forthcoming AGM and shall be valid until:

- (i) the conclusion of the next AGM following the forthcoming AGM, at which time the said authority will lapse, unless the authority is renewed at the meeting, either unconditionally or conditionally;
- (ii) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

The shareholders' approval for the Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own shares on Bursa Securities. Rather, it will allow the Board to exercise the powers of the Company to purchase its own ordinary shares at any time within the abovementioned time period.

In accordance with Section 127(4) of the Act, the Board of Minetech is able to deal with any Purchased Shares in the following manner:

- (a) to cancel the Purchased Shares;
- (b) to retain the Purchased Shares as treasury shares to:-
 - (i) distribute the shares as dividends to shareholders, such dividends to be known as "share dividends";
 - (ii) resell the shares, or any of the shares in accordance with the relevant rules of Bursa Securities;
 - (iii) transfer the shares, or any of the shares for the purposed of or under an employees' share scheme;
 - (iv) transfer the shares, or any of the shares as purchase consideration;
 - (v) cancel the shares or any of the shares;
 - (vi) sell, transfer or otherwise use the shares for such other purposes as the Minister may by order prescribe; or
- (c) to retain part of the Purchased Shares as treasury shares and cancel the remainder.

The decision whether to retain the Purchased Shares as treasury shares, or to cancel the Purchased Shares or a combination of both, will be made by the Board at the appropriate time.

Pursuant to Section 127(8) of the Act, if the Purchased Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in any other distribution and otherwise are suspended. Additionally, the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at meetings, in accordance with Section 127(9) of the Act.

Pursuant to the provisions of Paragraph 12.17 of the Listing Requirements, the Company shall only purchase its own Shares on Bursa Securities at a price which is not more than fifteen per centum (15%) above the weighted average market price of the Minetech shares for the five (5) market days immediately prior to the purchase(s).

Pursuant to the provisions of Paragraph 12.18 of the Listing Requirements, the Company may only resell the Purchased Shares held as treasury shares on Bursa Securities at:-

- (a) a price which is not less than the weighted average market price of Minetech Shares for the five (5) market days immediately prior to the resale; or
- (b) a discounted price of not more than five per centum (5%) to the weighted average market price of Minetech Shares for the five (5) market days immediately prior to the resale provided that:
 - (i) the resale takes place no earlier than thirty (30) days from the date of purchase; and
 - (ii) the resale price is not less than the cost of purchase of the Minetech Shares being resold.

The Company will make an immediate announcement to Bursa Securities of any purchase or resale of the Minetech Shares and whether the Purchased Shares will be cancelled or retained as treasury shares or a combination of both.

3. Funding

The Board proposed to allocate an amount not exceeding the retained profits of the Company for the purchase of Minetech Shares subject to compliance with Section 127 of the Act, and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase. Based on the audited financial statements for the financial year ended 31 March 2022, the accumulated losses of Minetech were RM13,779,188.

The Proposed Renewal of Share Buy-Back Authority will be funded from internally generated funds and/or external borrowings. In the event that the purchase(s) under the Proposed Renewal of Share Buy-Back Authority is to be financed by external borrowings, our Board shall ensure that our Company will be capable of repaying such borrowings and that such funding is not expected to have any material effect on the cashflow of the Minetech Group.

Our Board is mindful of the interest of our Company and its shareholders and will be prudent with respect to the above exercise. In addition, the Board will ensure that Minetech satisfies the solvency test as stated under Section 112(2) of the Act before executing the Proposed Renewal of Share Buy-Back Authority.

4. Rationale for the Proposed Renewal of Share Buy-Back Authority

- (i) The Proposed Renewal of Share Buy-Back Authority will enable Minetech an additional option to utilise its surplus financial resources. If implemented, this may help to stabilise the supply of and demand for the Minetech Shares traded on Bursa Securities and thereby support its fundamental value.

- (ii) The Purchased Shares retained as treasury shares provide our Directors with an option to resell the treasury shares at a higher price and generate capital gains for the Company.
- (iii) The purchase of own Shares may improve the EPS and the return on equity as a result of a reduced share capital base if the Purchased Shares are cancelled.
- (iv) The Purchased Shares retained as treasury shares can be distributed as share dividends to shareholders of the Company as a reward.

5. Financial Effects of the Proposed Renewal of Share Buy-Back Authority

Assuming that the Proposed Renewal of Share Buy-Back Authority is implemented in full, and the shares repurchased are cancelled or alternatively retained as treasury shares or both, the effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, net assets, working capital and earnings are as set out below:

5.1 Share Capital

- (i) The effect of the Proposed Renewal of Share Buy-Back Authority on the share capital will depend on whether the Minetech Shares purchased are cancelled or retained as treasury shares.
- (ii) In the event that the maximum number of shares authorised under the Proposed Renewal of Share Buy-Back Authority are purchased and retained as treasury shares, there would be no effect on the share capital of Minetech. However, the rights attached to treasury shares as to voting, dividends and participation in other distribution or otherwise would be suspended.
- (iii) The Proposed Renewal of Share Buy-Back Authority will reduce the total issued share capital of the Company if the Minetech Shares so purchased are cancelled. The effect of the maximum number of shares to be bought back as permitted under the Proposed Renewal of Share Buy-Back Authority based on the total number of issued shares as at LPD assuming the Minetech Shares so purchased are cancelled, is illustrated below:-

	No. of Minetech Shares
Existing total number of issued shares as at LPD	1,188,413,800
Maximum number of Shares which may be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority ¹	(118,841,380)
Resultant total number of issued shares	<u>1,069,572,420</u>

Note:

¹ Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, i.e. up to ten percent (10%) of the enlarged total number of issued shares of Minetech are purchased (inclusive of 285,000 shares currently held as treasury shares) and that the Shares are subsequently cancelled.

5.2 Net Assets (“NA”) and Working Capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the NA per Share of Minetech Group is dependent on the purchase price of the Minetech Shares at the time of the buy-back.

If the purchase price of the Minetech Shares exceeds the NA per Share of Minetech Group at the time of purchase, it will reduce the NA per Share of Minetech Group. On the other hand, if the purchase price is less than the NA per Share of Minetech Group, then the NA per Share of our Group will increase.

If the Purchased Minetech Shares kept as treasury shares are resold with a realised gain, then the NA per Share of Minetech Group will increase.

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of Minetech Group, the quantum of which is dependent on the purchase price of the Minetech Shares and the actual number of Minetech Shares bought back.

5.3 Earnings and EPS

The effect of the share repurchase on the earnings and EPS of the Minetech Group is dependent on the actual number of shares purchased, purchase price of such Minetech Shares and the effective funding cost or loss in interest income to the Group.

5.4 Dividends

The Proposed Renewal of Share Buy-Back Authority is not expected to have any material effect on the dividend policy of the Company. The dividend to be declared by the Company in the future, if any, will depend on, amongst others, the profitability and cash flow position of the Group and the Company.

5.5 Gearing

The effect of the Proposed Renewal of Share Buy-Back Authority on the gearing of the Group will depend on the proportion of borrowings utilised to fund any purchase of the Shares. At this juncture, the Board has not determined on whether to use any form of borrowings for purposes of the Proposed Renewal of Share Buy-Back Authority.

6. Potential Advantages and Disadvantages of the Proposed Renewal of Share Buy-Back Authority

Potential Advantages

- (i) The Company would have the opportunity to utilise its financial resources not immediately required for other use to purchase Minetech Shares and may have the opportunities for potential gains if the Purchased Shares which are retained as treasury shares are resold at prices higher than their purchase prices.
- (ii) In any event, the treasury shares may also be distributed as share dividends to our shareholders as a reward.
- (iii) The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable the Company to stabilise the supply and demand of Minetech Shares on Bursa Securities and thereby reducing the volatility of Minetech Shares.

Potential Disadvantages

- (i) The Proposed Renewal of Share Buy-Back Authority is expected to temporarily reduce the immediate financial resources available for distribution to the shareholders of the Company. However, the financial resources of the Group may recover or even increase if the Purchased Minetech's Shares which are held as treasury shares are resold in the market at the same or higher prices.
- (ii) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to our Company and our shareholders, as it will be implemented only after careful consideration of the financial resources of Minetech Group and its resultant impact.

7. Historical Share Prices

8. Public Shareholding Spread

As at LPD, the public shareholding spread of the Company was approximately 58.99% of its total number of issued shares. The Board is mindful of the requirement that any purchase of Minetech Shares by the Company must not result in the public shareholding spread of Minetech falling below 25% of its total number of issued shares.

10. Implications relating to the Malaysian Code on Take-Overs and Mergers, 2016, as amended from time to time (“Code”)

In the event the Proposed Renewal of Share Buy-Back Authority results in any Director, Substantial Shareholder and/or parties acting-in-concert with him/them triggering a mandatory offer obligation under the Code, the affected Director or Substantial Shareholder will be obliged to make a mandatory offer for the remaining Minetech Shares not held by him/them.

However, an exemption from mandatory offer obligation may be granted by the Securities Commission Malaysia under Rule 4 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions, subject to the Company and the parties acting-in-concert complying with the conditions stipulated in the Rules on Take-Overs, Mergers and Compulsory Acquisitions.

11. Interest of the Directors and Major Shareholders

Save for the proportionate increase in the percentage of shareholdings and/or voting rights in the capacities as the shareholders of the Company pursuant to the Proposed Renewal of Share Buy-Back Authority, none of the Directors and/or Major Shareholders of the Company and/or persons connected to them have any interest, direct or indirect, in the Proposed Renewal of Share Buy-Back Authority.

i. Kuala Lumpur High Court Suit No. 22NCVC-288-04/2016 ("Suit 288")

The Trial for Suit 288 and the below stated Suit 433 had proceeded at the Kuala Lumpur High Court before Y.A. Datin Hajah Azizah on 23, 24, 25 and 26 October 2017, 13 and 23 November 2017.

On 20 April 2018, the Judge found the termination by Sri Manjung Granite Quarry Sdn Bhd ("**SMGQ**") to be unlawful and had ordered SMGQ to pay damages to Optimis Dinamik Sdn Bhd ("**ODSB**") (the quantum of damages is to be assessed by the Court Registrar) together with interest thereon at the rate of 5% per annum from the date of the Writ of Summon dated 1 April 2013 until full payment and costs of RM80,000.

As regards to SMGQ's counterclaim, the High Court allowed SMGQ's counterclaim for the outstanding tribute payment of RM256,300.24 owing by ODSB which is to be deducted (set-off) from the damages assessed to be paid by SMGQ to ODSB.

On 15 May 2018, SMGQ filed their appeal against the High Court's decision in Suit 288 ("**SMGQ's Appeal**").

ODSB had filed a Notice of Direction to the High Court for the assessment of damages, and on 5 July 2018, the Judge, by consent, ordered that the assessment of damages proceedings be stayed pending the disposal of SMGQ's Appeal.

The Deputy Registrar of the Court of Appeal had fixed both ODSB's Appeal and SMGQ's Appeal to be heard together on 31 March 2021. Hearing of the appeals was completed on 31 March 2021. The Court of Appeal has rejected ODSB's appeals as well as SMGQ's appeal. The Court of Appeal upheld the High Court's decision in deciding that SMGQ has unlawfully terminated ODSB's contract and that the damages should only be awarded to ODSB.

Hearing for assessment of damages will be resumed at the High Court wherein the date of hearing will be notified by the High Court at a later date. Meanwhile, SMGQ has subsequently filed their appeal to the Federal Court whereby the hearing for the leave to appeal application has been fixed on 15 September 2021 via Zoom.

On 15 September 2021, the Federal Court dismissed SMGQ's application for leave to appeal with cost of RM15,000.00. Therefore, the High Court's decision in deciding that SMGQ has unlawfully terminated ODSB's contract and the damages should only be given to ODSB is upheld.

On 20 June 2022, the High Court has fixed 4 July 2022 for ODSB's notice of Assessment of Damages against SMGQ for online Case Management. On 4 July 2022, the High Court has instructed ODSB to file a Bundle of Documents and fixed 15 August 2022 for further Case Management.

Chin Minerals Sdn Bhd's claim against SMGQ and its 3 Directors, namely Mr. Moo Khean Choong @ Mu Kan Chong, Ms. Low Sow Fong and Mr. Atma Singh @ Atma Singh Lahre s/o Keer Singh, with costs of RM50,000.

ODSB, Minetech Quarries Sdn Bhd and K.S. Chin Mineral Sdn Bhd had on 18 May 2018 filed an appeal to the Court of Appeal against the High Court's decision in Suit 433 ("**ODSB's Appeal**").

The Deputy Registrar of the Court of Appeal had fixed both ODSB's Appeal and SMGQ's Appeal to be heard together on 31 March 2021. Hearing of the appeals was completed on 31 March 2021. The Court of Appeal has rejected ODSB's appeals as well as SMGQ's appeal whereby the decisions of the High Court as set out above were affirmed.
