To: The Shareholders of MKH Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK

1.0 INTRODUCTION

At the Forty-Second (42nd) AGM of the Company held on 9 March 2022, the Board had obtained your approval to undertake the Proposed Share Buy-Back. This authority shall lapse at the conclusion of the forthcoming 43rd AGM unless a new mandate is obtained from the shareholders of MKH.

On 22 December 2022, the Company announced to Bursa Securities of its intention to seek the shareholders' approval for the Proposed Renewal of Share Buy-Back at the forthcoming 43rd AGM of the Company.

The purpose of this Statement is to provide the shareholders of the Company with details of the Proposed Renewal of Share Buy-Back and to seek the approval of the shareholders for the ordinary resolution on the Proposed Renewal of Share Buy-Back to be tabled as Special Business at the forthcoming 43rd AGM of the Company.

SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK.

2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Board proposes to seek the renewal of the authority for the Company to purchase up to a maximum of ten percent (10%) of the existing number of Shares of the Company as quoted on Bursa Securities. The Proposed Renewal of Share Buy-Back is subject to compliance with Section 127 of the Act and any prevailing laws and regulations issued by the relevant authorities.

As at LPD, the total number of issued Shares of the Company was 586,548,168 (including 9,132,300 Treasury Shares). Hence, up to 58,654,816 MKH Shares may be purchase by the Company pursuant to the Proposed Renewal of Share Buy-Back.

2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK (Cont'd)

The authorisation for the Proposed Renewal of Share Buy-Back will be effective immediately upon the passing of the ordinary resolution in relation to the Proposed Renewal of Share Buy-Back and shall continue to be in force until:

- (a) the conclusion of the next AGM unless the authority is renewed subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) it is revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

The approval from the shareholders for the Proposed Renewal of Share Buy-Back does not impose an obligation on the Company to purchase its own Shares but rather it will allow the Board to exercise the power of the Company to purchase its own Shares at any time within the above time period.

The purchase of such MKH Shares will be carried out through Bursa Securities via stockbrokers appointed by the Company.

2.1 Maximum Amount Of Funds To Be Allocated And The Source Of Funds

Pursuant to the Listing Requirements, the maximum amount of funds to be used for the Company to purchase its own Shares shall not exceed the total amount of its retained profits. As at 30 September 2022, the audited retained profits of the Company was RM555,163,280.

The funding of the Proposed Renewal of Share Buy-Back will be sourced from internally generated funds and/or bank borrowings, the proportion of which will depend on the quantum of purchase consideration as well as the availability of internally generated funds and borrowings and repayment capabilities of the Company at the time of purchase. In the event that the Proposed Renewal of Share Buy-Back is to be partly financed by bank borrowings, the Board will ensure that the Company will have sufficient funds to repay such borrowings and that the repayment would not have any material effect on the cash flow of the Group.

The actual number of MKH Shares to be purchased, the total amount of funds to be utilised, impact on cash flows and the timing of the purchase(s) will depend on the prevailing equity market conditions, sentiments of the stock market and the available financial resources of the Company at the time of the purchase(s).

2.2 Treatment Of Shares Purchased

In accordance with Section 127 of the Act, the Company would be able to deal with any MKH Shares so purchased by the Company in the following manner:

- (a) to cancel the Purchased Shares so purchased; or
- (b) to retain the Purchased Shares so purchased as Treasury Shares for distribution as dividend to the shareholders and/or resell on the market of Bursa Securities; or
- (c) to retain part of the Purchased Shares so purchased as Treasury Shares and cancel the remainder; or
- (d) to deal in such other manner as the Bursa Securities and such other relevant authorities may allow from time to time.

The decision whether to retain the Purchased Shares as Treasury Shares, or to cancel the Purchased Shares or a combination of both, will be made by the Board at the appropriate time.

If such Purchased Shares were held as Treasury Shares, the rights attaching to them in relation to voting, dividends and participation in any other distribution or otherwise would be suspended and the Treasury Shares would not be taken into account in calculating the number or percentage of Shares or a class of Shares in the Company for any purposes including the determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at shareholders meetings.

An immediate announcement will be made to Bursa Securities in respect of the intention of the Directors to either resell the Purchased Shares or cancel them.

2.3 Purchase/Resale Price

Pursuant to the Listing Requirements, the Company may only purchase its own Shares on the Bursa Securities at price which are not more than fifteen per centum (15%) above the weighted average market price of MKH Shares for the five (5) Market Days immediately before the purchase(s). In the case of a resale of Treasury Shares, the Treasury Shares may only be resold on Bursa Securities at a price, which is:

- (a) not less than the weighted average market price of MKH Shares for the five (5) Market Days immediately before the resale; or
- (b) at a discount of not more than five per centum (5%) to the weighted average market price of MKH Shares for the five (5) Market Days immediately before the resale provided that:
 - (i) the resale takes place no earlier than thirty (30) days from the date of purchase; and
 - (ii) the resale price is not less than the cost of purchase of the Shares being resold.

2.4 Public Security Holding Spread Of MKH

The Proposed Renewal of Share Buy-Back will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with the 25% public security holding spread as required under paragraph 8.02 (1) of the Listing Requirements.

As at the LPD, the public security holding spread of the Company based on 577,415,868 (excluding 9,132,300 Treasury Shares) MKH Shares was 42.98%. The public security holding spread of the Company is expected to reduce to 37.64% assuming the Company implements the Proposed Share Buy-Back in full i.e. up to 10% of the existing number of Shares of the Company with the Shares purchased from public. The Board will ensure that the Company complies with the minimum public security holding spread of 25% in implementing the Proposed Renewal of Share Buy-Back.

2.5 Implication Of The Proposed Renewal Of Share Buy-Back In Relation To The Code

Pursuant to Rule 4.01 of the Code which states that if a person, together with persons acting in concert ("PAC") with him (if any), holding more than thirty-three percent (33%) but less than fifty percent (50%) of the voting Shares of a Company, who as a result of a purchase by the Company of its own voting Shares, increases his holding in any period of six (6) months by additional two percent (2%) or more of the voting Shares or voting rights of the Company, there is an obligation to extend a mandatory take-over offer to acquire the remaining Shares not already held by the said person and the PAC with him.

Based on MKH's Register of Substantial Shareholders as at the LPD, Chen Choy & Sons Realty Sdn. Bhd. ("CCSR"), who is a Major Shareholder of MKH and its deemed PAC, namely, Tan Sri Dato' Chen Kooi Chiew @ Cheng Ngj Chong, Tan Sri Datuk Chen Lok Loi and Datuk Chen Fook Wah, collectively hold 47.61% of the total number of Shares of the Company.

Assuming the Proposed Renewal of Share Buy-Back is implemented in full and all the Purchased Shares are cancelled within a period of six (6) months, the collective shareholdings of CCSR and the PAC in MKH will increase to 52.08% i.e. more than 2%. As a result, there will be an obligation for CCSR and the PAC to undertake the mandatory take-over offer for the remaining MKH Shares not already owned by them.

In this regard, CCSR and the PAC will apply for a waiver under Rule 4.15 of the Code if the obligation is expected to be triggered as a result of the implementation of the Proposed Renewal of Share Buy-Back.

2.6 Purchase Of Shares And Resale, Transfer Or Cancellation Of Treasury Shares

In the preceding twelve (12) months from 1 January 2022 to 31 December 2022, the Company has not purchase its own Shares.

As at the LPD, a total of 9,132,300 MKH Shares were being held as Treasury Shares. The Company has not resold, transferred, cancelled and/or distributed any Treasury Shares as dividends in the preceding twelve (12) months.

3.0 RATIONALE AND POTENTIAL ADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Proposed Renewal of Share Buy-Back will enable the Company to utilise its surplus financial resources not immediately required for use, to purchase its own Shares. The Proposed Renewal of Share Buy-Back may enhance the EPS and reduce the liquidity level of the Shares of the Company in Bursa Securities, which generally shall have a positive impact on the market price of the Shares of the Company. Other potential advantages of the Proposed Renewal of Share Buy-Back to the Company and its shareholders are as follows:

- (a) to allow the Company to take preventive measures against speculation particularly when its Shares are undervalued which would in turn stabilise the market price of the Shares and hence, enhance investors' confidence;
- (b) when the Shares bought back by the Company are cancelled, shareholders of the Company are likely to enjoy an increase in the value of their investment in the Company as the net EPS of the Company and the Group will increase proportionately; and
- (c) the Purchased Shares may be held as Treasury Shares and distributed to shareholders as dividends and/or resold in the open market with the intention of realising a potential capital gain if the Purchased Shares are resold at price(s) higher than their purchase price(s).

4.0 POTENTIAL DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The potential disadvantages of the Proposed Renewal of Share Buy-Back to the Company and its shareholders are as follows:

- (a) the Proposed Renewal of Share Buy-Back will reduce the financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge from time to time; and
- (b) the Proposed Renewal of Share Buy-Back will reduce the amount of financial resources available for distribution to shareholders of the Company in the form of cash dividends.

The Proposed Renewal of Share Buy-Back, if implemented, will reduce the financial resources of the Group, but since the amount is not substantial, the Board is of the view that the Proposed Renewal of Share Buy-Back will not affect the furtherance of the Group's business or payment of dividends by the Company. Nevertheless, the Board will be mindful of the interest of MKH and its shareholders in undertaking the Proposed Renewal of Share Buy-Back and in the subsequent cancellation of the Shares purchased.

5.0 EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

5.1 Issued And Paid-Up Share Capital

The effects of the Proposed Renewal of Share Buy-Back on the number of Shares of the Company will depend on the intention of the Board with regards to the treatment of the Purchased Shares. If the Purchased Shares are cancelled, it will result in a reduction on the total number of Shares of the Company.

Conversely, if the Purchased Shares are retained as Treasury Shares, the Proposed Renewal of Share Buy-Back will not have any effect on the issued and paid-up share capital of the Company. Nevertheless, the rights as to voting, dividends and participation in other distributions and otherwise are suspended and the Treasury Shares shall not be taken into account in calculating the number or percentage of Shares for any purposes including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

For illustration purposes only, the scenario below shows the movement of the number of Shares of our Company as the LPD upon the implementation of the Proposed Renewal of Share Buy-Back, assuming that ten per centum (10%) of our Company's existing number of Shares are purchased and cancelled :-

5.1 Issued And Paid-Up Share Capital (Cont'd)

	As at LPD	
	<u>No. of Shares</u>	<u>%</u>
Existing number of Shares*	586,548,168	100.0
Less: Treasury shares	(9,132,300)	(1.56)
Less: Maximum number of Shares that may be purchased amounting up to ten per centum (10%) of the existing number of Shares pursuant to the Proposed Renewal of Share Buy-Back	(49,522,516)	(8.44)
Maximum number of issued shares which may be purchased in respect of the Proposed Share Buy-Back	(58,654,816)	(10.0)
Total number of issued shares after the Proposed Share Buy-Back and cancellation	527,893,352	90.0

Note:-

* The existing number of Shares is inclusive of the Treasury Shares held by the Company. As at the LPD, the number of MKH Shares held as Treasury Shares are 9,132,300 none of which are cancelled.

5.2 Earnings

The effects of the Proposed Renewal of Share Buy-Back on the consolidated earnings of our Group would depend on the purchase prices of the MKH Shares, the effective cost of funding, the number of MKH Shares purchased or any loss in interest income. The revised number of Shares subsequent to the Proposed Renewal of Share Buy-Back will generally have a positive impact, all other things being equal, on the consolidated EPS of the Group.

Assuming that any MKH Shares so purchased are retained as Treasury Shares and resold, the effects on the consolidated earnings of the Company will depend on the actual selling prices, the number of Treasury Shares resold and the effective gain or interest savings arising.

If the MKH Shares so purchased are cancelled, the consolidated EPS of the Group will increase provided the income foregone and interest expense incurred on these Purchased Shares is less than the consolidated EPS prior to such purchase.

5.3 Net Assets

The consolidated net assets per MKH Share may increase or decrease depending on the number of the MKH Shares purchased, the purchase prices of the MKH Shares to be bought back, the effective cost of funding and the treatment of the MKH Shares purchased.

The Proposed Renewal of Share Buy-Back will reduce the net assets per share when the purchase price exceeds the net assets per share at the time of purchase. On the contrary, the net assets per share will increase when the purchase price is less than the net assets per share at the time of purchase.

5.4 Working Capital

The Proposed Renewal of Share Buy-Back, as and when implemented will reduce the working capital and cash flow of the Group, the quantum being dependent on the number of Purchased Shares, the purchase price of MKH Shares and the amount of financial resources to be utilised for the purchase of MKH Shares. However, it is not expected to have a material effect on the working capital and cash flow of the Group.

For Purchased Shares which are retained as Treasury Shares, upon its resale, the working capital and cash flow of the Company will increase. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the Treasury Shares and the number of Treasury Shares resold.

5.5 Dividend Policy

The Proposed Renewal of Share Buy-Back is not expected to have any material effect on the dividend policy of the Company. The dividend to be declared by the Company in the future, if any, will depend on, amongst others, the profitability and cash flow position of the Group and the Company. Nonetheless, the Treasury Shares purchased may be distributed as dividends to shareholders if the Company so decides.

5.6 Directors' And Major Shareholders' Interests

Save for the proportionate increase in the percentage shareholdings and/or voting rights of the shareholders of the Company as a result of the Purchased Shares, none of our Directors and/or Major Shareholders and/or persons connected with them have any interest, direct or indirect, in the Proposed Renewal of Share Buy-Back.

5.7 Shareholdings Of Directors And/ Or Substantial Shareholders

The table below illustrates the direct and indirect interests of our Directors and substantial shareholders as at the LPD, based on the assumption that our Company purchases 58,654,816 of its own Shares, representing approximately ten per centum (10%) of our Company's existing number of Shares as at that date, from parties other than our Directors and substantial shareholders.
