The profiles of Datuk Wira Dr. Goy and Mr. Tan are set out in the Directors' Profile section of the 2022 Annual Report. The Board (with exception of the retiring Directors who abstained) recommended the retiring Directors be re-elected as the Directors of the Company as they have character, experience, integrity, competence and time to effectively discharge their role as a Director of the Company. Explanatory Notes on Special Business

- Authority to Allot and Issue Shares Pursuant to Sections 75 and 76 of the CA 2016**
The Ordinary Resolution 6 is proposed pursuant to Sections 75 and 76 of the CA 2016 for the purpose of obtaining a renewed general mandate (**"General Mandate"**), which if passed, will empower the Directors of the Company to allot and issue new ordinary shares in the Company at any time provided that the aggregate number of shares issued pursuant to the General Mandate does not exceed 10% of the total number of issued shares (excluding treasury shares) of the Company for the time being for such purposes as the Directors deem fit and in the best interest of the Company. This General Mandate, unless revoked or varied by the Company in a general meeting, will expire at the conclusion of the next annual general meeting of the Company after the approval was given, or at the expiry of the period within which the next annual general meeting of the Company is required to be held after the approval was given, whichever is earlier. The General Mandate, if granted, will provide flexibility to the Company for any possible fund raising activities, including but not limited to further placing of shares, for the purpose of funding future investment project(s), working capital and/or acquisitions.

As at the date of this Notice, no new ordinary shares in the Company were issued pursuant to the general mandate granted to the Directors at the last Annual General Meeting held on 25 May 2022 and it will lapse at the conclusion of the 23rd AGM of the Company.

The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that the General Mandate is in the best interests of the Company and its shareholders.

Pursuant to Section 85 of the CA 2016 read together with Clause 21 of the Constitution of the Company, shareholders have pre-emptive rights to be offered any new shares in the Company which rank equally to the existing issued shares in the Company or other securities. Should the existing shareholders of the Company approve the proposed Ordinary Resolution 6, they are waiving their pre-emptive rights pursuant to Section 85(1) of the CA 2016, which then would allow the Directors to issue New Shares to any person without having to offer the said New Shares equally to all existing shareholders of the Company prior to issuance. This will result in a dilution to the shareholding percentage of the existing shareholders of the Company.
