Iconic Worldwide Group will ensure that the following measures are carried out after taking into consideration the pricing, level and quality of work to ensure that the RRPTs are undertaken on an arm's length basis, on normal commercial terms consistent with the Company's usual business practices and policies, are not more favourable to the Related Parties than those extended to third parties or public and are not detrimental to the minority shareholders:-

- (a) The transaction prices shall be determined based on the prevailing market rates/prices under similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms.
- (b) A register to record transactions pertaining to RRPTs which are entered into pursuant to the shareholders' mandate shall be maintained. A summary of the RRPT transactions shall be tabled to the Audit and Risk Management Committee ("ARMC" or "Committee") for review on a quarterly basis.
- (c) The internal auditors shall review all RRPTs as part of the audit programme.
- (d) The ARMC shall review all RRPTs to ensure that relevant approvals have been obtained and that the internal control procedures in respect of the RRPT have been adhered to. The ARMC shall have the right of access to information on the Related Parties and shall be entitled to the services of an independent adviser, if required, in the discharge of their duties.
- (e) Tender, quotation or contract received from or proposed to be entered into with a Related Party shall be subject to the following procedure prior to consideration:-
 - To obtain at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities and be used as comparison wherever possible, to determine if the price and terms offered by/to the Related Parties are fair, reasonable and comparable to those offered by/to other unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the Iconic Worldwide Group's pricing for the services, materials and/or equipment to be provided or supplied and/or received or purchased will be determined in accordance with the Group's usual business practices, policies and commercial terms in line with the industry practices for the same or substantially similar type of transactions made by the Group with unrelated third parties and the RRPTs are not detrimental to Iconic Worldwide Group; and
- (f) To ensure that the terms are not more favourable to the Related Parties than those to third parties. If a Board or the ARMC member has an interest, direct or indirect, in any particular transaction, he or she shall abstain from any deliberation and voting on the matter at the Board or the ARMC meetings in respect of the said transaction. The interested Director or interested Major Shareholder shall also ensure that Persons Connected with him or her abstain from voting on the resolution approving the transactions at the general meeting.
- (g) There are no thresholds determined for the approval of RRPTs within the Iconic Worldwide Group as all RRPTs will be reviewed by the ARMC and reported to the Board for approval.

4. STATEMENT BY AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has reviewed the procedures mentioned in Section 3 above and is of the view that the said procedures are sufficient to ensure that the RRPTs are undertaken on an arm's length basis, on terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders.

The Committee is satisfied that the review procedures for RRPTs are sufficient and appropriate to ensure that such RRPTs will be undertaken on an arm's length and are on normal commercial terms, on terms which are not more favourable to the Related Parties than those generally available to the third parties or public and not detrimental to the interests of the minority shareholders and in the best interest of the Iconic Worldwide Group.

The Committee will ensure that the review procedures for the RRPTs in respect of the Proposed Renewal of Shareholders' Mandate will be made at arm's length and in accordance with Iconic Worldwide Group's normal commercial terms, on terms which are not more favourable to the Related Parties than those generally available to third parties or public and not detrimental to the interests of the minority shareholders of ICONIC and is in the best interest of ICONIC.

The Group has in place adequate procedures and processes to monitor, track and identify the RRPTs in a timely and orderly manner. The Committee reviews these procedures and processes on a quarterly basis.

If during its review, the Committee is of the view that such procedures and processes are no longer appropriate or adequate to monitor, track and identify the RRPT, the Committee will draw it to the attention of the Board and if necessary, the Board will revise the existing procedures and processes to ensure that the Group has in place the most appropriate procedures and processes at all times.

5. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The rationale and benefits of the Proposed Renewal of Shareholders' Mandate to Iconic Worldwide Group are as follows:

- (a) The Proposed Renewal of Shareholders' Mandate will facilitate transactions with Related Parties which are carried out in the ordinary course of business of Iconic Worldwide Group and are made on an arm's length basis and on terms not more favourable to the Related Parties than those generally available to the public and not, in the Company's opinion, detrimental to the minority shareholders.
- (b) The Proposed Renewal of Shareholders' Mandate will enhance the Iconic Worldwide Group's ability to pursue business opportunities, which may be of time-sensitive in nature and it may not be practical to seek shareholders' approval on a case-by-case basis before entering into such transactions.
- (c) The transactions between the Related Parties allow the Iconic Worldwide Group more efficient utilisation of existing resources, prompt delivery and better bargaining power from reliable suppliers.
- (d) The Proposed Renewal of Shareholders' Mandate will eliminate the need to make regular announcements or convene separate general meetings from time to time to seek shareholders' mandate approval as and when potential RRPT with a mandated Related Parties arise, thereby reducing the administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group.

7. THRESHOLDS FOR APPROVAL OF RRPTs WITHIN ICONIC WORLDWIDE GROUP

There are no thresholds for the approval of RRPTs within Iconic Worldwide Group and all related party transactions will be subject to periodic reviews by the Audit and Risk Management Committee to ensure that they have been transacted on arm's length basis and on commercial terms not detrimental to Iconic Worldwide Group and that proper disclosures will be made in the annual report of ICONIC in respect of the aggregate value of transactions conducted pursuant to the Proposed Renewal of Shareholders' Mandate during the financial year.

If it is determined that the guidelines and/or procedures stated in Section 3 of this Circular are inadequate and to ensure that:-

The Audit and Risk Management Committee shall also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such a request to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

Subsequently, upon consultation with the Company’s solicitors on the management’s assessment of the estimated losses suffered on income and profits due to the loss of business directly arising from the failure to deliver goods timely as promised by CeramTec and the additional costs incurred therefrom, IMED instructed the solicitors to file a counterclaim against CeramTec (“**Counterclaim**”) for the following:
