To: Our Shareholders

Dear Sir/Madam,

PROPOSED SHARE BUY-BACK

1. INTRODUCTION

Censof had on 20 July 2023 announced to Bursa Securities that it intends to seek shareholders' approval for the Proposed Share Buy-Back at the forthcoming 15th AGM of the Company.

The purpose of this Statement is to provide our shareholders with the relevant information on the Proposed Share Buy-Back and to seek your approval for the ordinary resolution to be tabled at the forthcoming 15th AGM of the Company.

SHAREHOLDERS OF CENSOF ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED SHARE BUY-BACK TO BE TABLED AT THE 15TH AGM.

2. PROPOSED SHARE BUY-BACK

2.1 DETAILS OF THE PROPOSED SHARE BUY-BACK

The Board proposes to seek the authority from the shareholders of the Company to purchase up to ten percent (10%) of the total issued Shares through stockbroker(s) to be appointed at a later date. The Proposed Share Buy-Back is subject to compliance with the Act, the Listing Requirements and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities.

The Proposed Share Buy-Back shall be effective immediately upon the passing of the ordinary resolution for the Proposed Share Buy-Back at the 15th AGM of the Company and shall be valid until:

- (a) the conclusion of the next AGM of the Company (“**16th AGM**”), at which the Proposed Share Buy-Back was passed, at which time it will lapse unless an ordinary resolution is passed at the 16th AGM, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the 16th AGM is required by law to be held; or
- (c) revoked or varied by an ordinary resolution passed by the shareholders in a general meeting;

whichever occurs first.

2.2 MAXIMUM NUMBER OR PERCENTAGE OF CENSOFF SHARES MAY BE PURCHASED

As at the LPD, the total number of issued shares of the Company is 552,281,576 shares.

A maximum of 55,288,157 Censof Shares may be repurchased, representing ten percent (10%) of the enlarged total number of issued shares of Censof.

2.3 TREATMENT OF PURCHASED SHARES

In accordance with Section 127(4) of the Act, the Company would be able to deal with any of the Censof Shares purchased by the Company in the following manner:

- (a) to cancel the Censof Shares purchased; or
- (b) to retain the Censof Shares purchased as treasury shares; or
- (c) to retain part of the Censof Shares purchased as treasury shares and cancel the remainder of the Censof Shares purchased.

In accordance with Section 127(7) of the Act, where the Censof Shares are held as treasury shares, the Directors of the Company may:

- (a) distribute the Censof Shares as dividends to shareholders;
- (b) resell any of the Censof Shares in accordance with the Listing Requirements;
- (c) transfer any of the Censof Shares for the purposes of or under an employees’ share scheme;
- (d) transfer any of the Censof Shares as purchase consideration;
- (e) cancel any of the Censof Shares; or
- (f) sell, transfer or otherwise use any of the Censof Shares for such other purposes as the minister may by order prescribe.

Immediate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board’s decision on the treatment of the purchased Censof Shares in compliance with the Listing Requirements and the Act.

In accordance with Section 127(8) of the Act, if such purchased Censof Shares were held as treasury shares, it shall not confer:

- (a) the right to attend or vote at meetings and any purported exercise of such rights is void; and
- (b) the right to receive dividends or other distribution, whether cash or otherwise, of the Company’s assets including any distribution of assets upon winding up the Company.

In accordance with Section 127(9) of the Act, if such purchased Censof Shares were held as treasury shares, the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of this provision, the provisions of any law or requirements of the Constitution of the Company or the Listing Requirements on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings

Nonetheless, Section 127(11) of the Act states that the purchased Censof Shares shall not be taken to prevent:

- (a) an allotment of Censof Shares as fully paid bonus shares in respect of the Treasury Shares; or
- (b) the subdivision or consolidation of Treasury Shares.

2.4 SOURCE OF FUNDS

Pursuant to the Listing Requirements, the Proposed Share Buy-Back must be made wholly out of the retained profits of the Company. Therefore, the maximum amount of funds to be utilised for the Proposed Share Buy-Back shall not exceed the retained profits account of the Company.

Based on the latest audited financial statements of Censof as at 31 March 2023, the Company's audited accumulated losses recorded at RM20,611,000.00.

The Proposed Share Buy-Back will be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of Censof Shares to be purchased and other relevant cost factors. The actual number of Censof Shares to be purchased and/or held and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits and financial resources available to the Company. In the event that the Company purchases and holds its own shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have any material effect on the cash flow of the Group. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Proposed Share Buy-Back.

The Company will not buy-back its own Shares unless it has recorded retained profits at the Company level.

2.5 PURCHASE/RESALE/TRANSFER PRICE

Pursuant to the Listing Requirements, the purchase price of the Censof Shares cannot be more than 15% above the weighted average market price of Censof Shares for the five (5) market days immediately before the purchase. In the case of a resale and/or transfer of Treasury Shares, the Treasury Shares may be resold and/or transfer on Bursa Securities at a price, which is:

- (a) not less than the weighted average market price of the Censof Shares for the five (5) Market Days immediately before the resale and/or transfer; or
- (b) at a discount of not more than 5% to the weighted average market price of the Censof Shares for the five (5) Market Days immediately before the resale and/or transfer provided that:
 - (i) the resale and/or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - (ii) the resale and/or transfer price is not less than the cost of purchase of the Censof Shares being resold and/or transferred.

2.6 PURCHASE AND RESALE MADE IN THE PRECEDING TWELVE (12) MONTHS

The Company has not obtained any shareholders' authority to purchase its own shares in the previous twelve (12) months preceding the date of this Statement. The Company does not have any treasury shares and has not resold, transferred, cancelled or distributed any treasury shares as dividends in the same period.

2.7 PUBLIC SHAREHOLDING SPREAD

The Board is mindful of the requirement that any purchase of Censof Shares by the Company must not result in the public shareholding spread of Censof falling below 25% of the total issued shares pursuant to the Listing Requirements.

As at the LPD, the public security holding spread of the Company was 46.46% of its total number of issued shares. The public security holding spread of the Company is expected to be reduced to 40.52% assuming the Proposed Share Buy-Back is implemented in full. The Company will ensure that the public security holding of at least 25% is maintained prior to any share buy-back exercise.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back is envisaged to potentially benefit Censof Group as follows:

- (a) the Company is able to utilise its surplus financial resources more efficiently and this may help to stabilise the supply and demand of the Censof Shares traded on Bursa Securities and thereby support its fundamental value;
- (b) the Censof Shares purchased can be held as treasury shares and resold on Bursa Securities at a higher price and generate capital gains for the Company without affecting the total number of issued shares of the Company;
- (c) the Treasury Shares can be distributed as share dividends to our shareholders as a reward;
- (d) the Treasury Shares can be re-issued to satisfy the option(s) to subscribe for Censof Share(s) to be granted to the eligible persons under any employees' share scheme; and
- (e) depending on the price paid for the purchase of each share and its impact on earnings of our Group, the purchase of our own shares may strengthen the earnings per share and return of equity of our Company in the event that the Censof Shares purchased are cancelled.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

4.1 POTENTIAL ADVANTAGES

The potential advantages of the Proposed Share Buy-Back are as follows:

- (a) Censof may be able to stabilise the supply and demand of the Censof Shares traded on Bursa Securities and thereby supporting its fundamental values especially in time of irrational share market movements;
- (b) if the Censof Shares bought back by the Company are cancelled, shareholders are likely to enjoy an increase in the value of their investment in the Company as the net earnings per share of Censof will increase;
- (c) if the Censof Shares bought back are kept as treasury shares, it will give the Directors an option to sell the Censof Shares so purchased at a higher price and therefore make an exceptional gain for the Company. Alternatively, the Censof Shares so purchased can be distributed to shareholders as dividends and serve as reward to the shareholders of the Company; and
- (d) the Proposed Share Buy-Back will allow Censof to utilise its financial resources more efficiently especially where there is no immediate use and this may strengthen the consolidated earnings per share of the Group.

4.2 POTENTIAL DISADVANTAGES

The potential disadvantages of the Proposed Share Buy-Back are as follows:

- (a) any purchase of own ordinary shares will reduce the Company's financial resources and may result in the Company foregoing better investment opportunities that may emerge in future;
- (b) the cashflow of the Company may be affected if the Company decides to utilise bank borrowings to finance the Proposed Share Buy-Back; and
- (c) as any purchase of our own ordinary shares can only be made out of our retained profits, it may result in the reduction of financial resources available for distribution to our shareholders in the immediate future.

The Proposed Share Buy-Back is not expected to have any potential material disadvantage to the Company and our shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact.

Nevertheless, the Board will be mindful of the interest of the Company and our shareholders in undertaking any purchase of our own ordinary shares and in the subsequent resale of Treasury Shares on Bursa Securities, if any.

6. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

The financial effects of the Proposed Share Buy-Back are presented below based on the following assumptions:

- (a) the purchase of own shares of up to ten percent (10%) of the total number of Censof Shares issued is carried out in full; and
- (b) Censof Shares purchased are cancelled.

6.1 TOTAL NUMBER OF ISSUED SHARES

For illustration purposes only, the scenario below shows the movement of the total number of Censof Shares issued as at the LPD upon the implementation of the Proposed Share Buy-Back, assuming that ten percent (10%) of the total number of Censof Shares issued are purchased and cancelled:

	Minimum Scenario
Issued Shares as at the LPD	552,281,576
Less: Censof Shares purchased amounting to ten percent (10%) of the total number of Censof Shares issued pursuant to the Proposed Share Buy-Back	 (55,228,157)
Total number of Censof Shares issued in the event that the purchased Censof Shares are cancelled	497,053,419

6.2 NET ASSETS

The Proposed Share Buy-Back may increase or decrease the net assets per share of Censof Group depending on the purchase price in comparison to the net assets per share of Censof Group at the time that the purchase is made.

6.3 WORKING CAPITAL

The Proposed Share Buy-Back will result in cash outflow, thereby reducing the working capital of the Group, the quantum of which is dependent on the purchase prices of the Shares and the number of Shares repurchased and the funding costs, if any. Nevertheless, the Board will take into consideration the interests of Censof and its shareholders as well as assess the working capital requirements of the Group prior to the Proposed Share Buy-Back.

6.4 EARNINGS

Depending on the number of Censof Shares purchased and the purchase price of the Censof Shares, the Proposed Share Buy-Back may increase the earnings per share of Censof Group. Similarly, on the assumption that the Censof Shares purchased are resold, the extent of the effect on earnings of Censof Group will depend on the actual selling prices, the number of treasury shares resold and the effective gain or interest savings arising.

7. IMPLICATIONS IN RELATION TO THE MALAYSIAN'S RULES ON TAKE-OVERS, MERGERS AND COMPULSORY ACQUISITIONS ("RULES")

Pursuant to Note 9 of Paragraph 4.01 of the Rules which deals with the obligation to make a mandatory offer pursuant to the purchase by a company of its own voting shares states that the Rules (which is in relation to mandatory offers) shall apply to the following persons ("**Offeror**"):

- (a) a person obtains controls in a company as a result of a buy-back scheme by the company; or

- (b) a person (holding more than 33% but not more than 50% of the voting shares or voting rights of a company), as a result of a buy-back scheme by the company, increase his holding of the voting shares or voting rights of the company by more than 2% in any 6 months period.

However, an exemption from mandatory offer obligation may be granted by the Securities Commission Malaysia (“SC”) under Paragraph 4.15 of the Rules subject to the Offeror and its parties acting-in-concert complying with the conditions stipulated in Paragraph 4.15 of the Rules.

The Company intends to implement the Proposed Share Buy-Back in the manner that will not result in any of the shareholders of Censof having to undertake a mandatory offer pursuant to the Rules. In this respect, the Board will be mindful of the requirements of the Rules when implementing the Proposed Share Buy-Back.

In the event that Censof decides to purchase its own shares which will result in an obligation for the Offeror and its parties acting-in-concert to undertake a mandatory offer, the relevant parties shall make the necessary application to the SC for a waiver to undertake a mandatory offer pursuant to the Rules.

8. HISTORICAL SHARE PRICE

The monthly highest and lowest prices of Censof shares traded on Bursa Securities for the past twelve (12) months from July 2022 to June 2023 are as follows:
