2.5 Review methods or procedures for RRPTs

The following review procedures have been formalised to ensure that the RRPT(s) contemplated under the Proposed Renewal of Shareholders' Mandate is/are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of XOX Networks:

(a) Identification

- (i) A list of the Related Parties is circulated within our Group to notify that all RRPTs are required to be undertaken on an arm's length basis, under normal commercial terms consistent with our Group's business practices and policies, on terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of XOX Networks.
- (ii) All companies within our Group are required to inform our headquarter before entering into any RRPTs other than those entered into pursuant to the shareholders' mandate. In addition, all heads of department are advised to report on all transactions involving Related Parties, which are to be tabled to the Audit & Risk Management Committee for review on a quarterly basis.

(b) Authorisation

- (i) The pricing methods and procedures of the transactions are to be determined by market forces, under similar commercial terms for transactions with third parties that depend on the demand and supply, quality and the availability of the products.
- (ii) All types of RRPTs are carried out at arm's length and under the Group's normal commercial terms, which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of XOX Networks.
- (iii) The Related Parties and Directors who are deemed interested have been advised of their responsibilities, obligations under the relevant provisions of the ACE LR, and our Group's policy and procedures for RRPTs.
- (iv) If a member of the Board or Audit & Risk Management Committee has an interest, direct or indirect, in any RRPTs, he/she shall abstain from any decision-making by the Board or Audit & Risk Management Committee in respect of the said transaction.
- (v) Where a transaction is with a value of RM1,000,000 and above, it will be reviewed and approved by the Board who has no interest in the transaction. If a transaction value is less than RM1,000,00, it will be reviewed and approved by one (1) senior management, Group Financial Controller and one (1) Executive Director who have no interest in the transaction.
- (vi) Wherever practicable and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantial similar type of products/services and/or quantities. In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Audit & Risk Management Committee will rely on the usual business norms and practices taking into account the efficiency, quality and type of support services to be provided to ensure that the RRPTs are not detrimental to our Group.

(c) Monitoring and reporting

- (i) A register shall be maintained by the respective companies within our Group to record all RRPTs, including related party transactions which are entered into pursuant to the shareholders' mandate. All RRPTs shall be reported to the Audit & Risk Management Committee on a quarterly basis together with the quarterly financial reports.
- (ii) The Audit & Risk Management Committee will review the RRPTs to ascertain that the guidelines and procedures established to monitor all RRPTs have been complied with.
- (iii) The Audit & Risk Management Committee has reviewed and shall continue to review the adequacy and appropriateness of the procedures as and when required.
- (iv) If during the review as mentioned in paragraphs 2.5(c) (ii) and (iii) above, the Audit & Risk Management Committee is of the opinion that the guidelines and procedures are not sufficient to ensure that all RRPTs are undertaken:
 - on arm's length basis;
 - under normal commercial terms consistent with our Group's business practices and policies;
 - on terms not more favourable to the Related Parties than those generally available to the public; and
 - not to the detriment of the minority shareholders of our Company,

our Company will procure a fresh mandate from the non-interested shareholders of our Company based on a new or additional set of review procedures and guidelines.

2.6 Amounts due and owing to our Group by Related Parties

The outstanding trade receivables from XOX Group (as of 30 June 2023, being the latest financial year end of XOX Networks) which have exceeded the credit terms are as follows:

Related Party	Total Outstanding		Outstanding Exceeding Credit Terms			
	Principal Sum (RM)	Interest (RM)	1 year or less	More than 1 to 3 years	More than 3 to 5 years	More than 5 years
XOX Group	543,604.14	-	543,604.14*	-	-	-

**the credit term to XOX Group is 30 days and 100% of the outstanding exceeding credit terms is less than 120 days.*

There were no interest and late payment charges imposed by XOX Networks Group on the overdue trade receivable as the imposition of late charges is generally not the normal practice of XOX Networks Group.

The Board of Directors is of the opinion that there will be no recoverability issue for the outstanding amount owing by XOX Group as they are customers with a long-standing business relationship with XOX Networks Group and have proven to be creditworthy customers. The Management has followed up closely with XOX Group on the above-mentioned outstanding amount. As at LPD, the Company has collected RM43,604.14 from XOX Group for the settlement of the above outstanding.

2.7 Disclosure in Annual Report

Disclosure will be made in the Company's annual report in accordance with Rule 3.1.5 of Guidance Note 8 of the ACE LR, which requires a breakdown of the aggregate value of the RRPT(s) entered into during the financial year, amongst others, based on the following information:

- (a) the type of the RRPT(s) made; and
- (b) the names of the Related Parties involved in each type of the RRPT(s) made and their relationship with XOX Networks Group.

3. STATEMENT BY THE AUDIT & RISK MANAGEMENT COMMITTEE

The Audit & Risk Management Committee of our Company has reviewed the procedures set out in Section 2.5 above and are satisfied that the said procedures are sufficient to ensure that the RRPT(s) will be undertaken:

- on arm's length basis;
- under normal commercial terms consistent with our Group's business practices and policies;
- on terms not more favourable to the Related Parties than those generally available to the public; and
- not to the detriment of the minority shareholders of our Company.

The Audit & Risk Management Committee is of the view that our Group has put in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner. These procedures and processes are reviewed on an annual basis or whenever the need arises.

The Audit & Risk Management Committee of our Company, after having considered all the relevant aspects of the Proposed Renewal of Shareholders' Mandate, including the rationale and effects of the Proposed Renewal of Shareholders' Mandate, is of the opinion that the Proposed Renewal of Shareholders' Mandate is in the best interest of our Group and is fair and reasonable.

4. RATIONALE OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPT(s) entered or to be entered with the Related Parties are all in the ordinary course of business, which were undertaken at arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of XOX Networks.

The RRPT(s) is/are likely to continue to occur with some degree of frequency from time to time. By obtaining the shareholders' mandate and renewing the same on an annual basis, our Company does not need to convene separate meetings from time to time to seek shareholders' approval as and when potential RRPT(s) with the Related Parties arise, thereby reducing substantial administrative time and expenses in convening such meetings. It would also enable our Group to realise the business opportunities as and when they shall become available to us in a more timely and effective manner.

The RRPT(s) is/are intended to meet the business needs of the Group at the best possible terms. By transacting with the Related Parties and the Group would have an advantage of familiarity with the background, financial well-being and management of the Related Parties, thus enabling more informed commercial decisions to be made. The Group and the Related Parties also have a good understanding of each other's business needs and expectations thus providing a platform where all parties can benefit from conducting the RRPTs.

5. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any effect on the issued share capital and substantial shareholders' shareholdings. It will not have any material effect on the consolidated net assets, consolidated earnings and consolidated gearing of XOX Networks as well.

6. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS, CHIEF EXECUTIVE AND/OR PERSONS CONNECTED TO THEM

As at LPD, save as disclosed below who are interested and/or do not consider themselves independent in the RRPT(s), none of the other Directors, Major Shareholders, Chief Executive and/or persons connected with them have any interest, directly or indirectly in the Proposed Renewal of Shareholders' Mandate:

	No. of Ordinary Shares			
	Direct Interest	% ⁽¹⁾	Indirect Interest	% ⁽¹⁾
