GADANG GROUP OF COMPANIES CONFLICT OF INTEREST POLICY

The following situations are some examples (non-exhaustive) of conflicts of interest: -

(a) Outside Employment / Other Role

GHB Executive Directors, KSM and Employees are prohibited from being employed by, or acting as a consultant to, a competitor or potential competitor, supplier or contractor, customer and potential customer regardless of the nature of the employment, while employed by the Group.

GHB Executive Directors, KSM and Employees should refrain from engaging in any outside employment or business that could reasonably result in a conflict of interest between their private interests and their official duties and responsibilities toward the Group.

Any form of business engagement including the sale of products, online business, insurance services or participation in multi-level marketing ("MLM") is strictly prohibited within the Group or at Gadang worksites.

Whereas for GHB INEDs, they are strongly discouraged from taking on multiple roles such as consultants, advisors, trustees or any other positions that could create conflicts of interest by virtue of their official duties in other organisations that may compete with the Group's businesses. Should they accept any of these roles, they must disclose it to the Board.

(b) Directorship

It is a conflict of interest to serve as a director of any company that competes with the Group.

GHB Directors must disclose their involvement to the Board, while KSM and Employees must obtain prior approval from any of the GHB Executive Directors before serving as a member of the board of directors of any competing business, industry or community organisation.

However, approval is not required to participate in a non-profit organisation if they do not act as a Director or Trustee in that organisation unless there is a potential conflict of interest between the organisation and the Group. GHB Directors, KSM and Employees must make it clear that his / her participation is not done on behalf of Gadang but in his / her own personal capacity. Participation shall not imply that the GHB Directors, KSM or Employees are serving at the direction or request of the Group.

(c) Business Interest, Financial Interest

GHB Directors, KSM and Employees are discouraged from, either directly or indirectly, holding shares or other forms of beneficial interest in privately owned entities which:

- i) supply materials, equipment, services or derive other business arrangement with the Group; or
- ii) offer similar products or services that are likely to replace or substitute the products or services offered by the Group; or
- iii) have similar business in a geographical location which the Group is not currently operating in; or
- iv) hold assets that may affect or influence the business decisions of the Group; or
- v) prioritises his or her private venture by depriving the Group from an identified business opportunity.

GADANG GROUP OF COMPANIES CONFLICT OF INTEREST POLICY

Besides the above, GHB Directors, KSM and Employees should refrain from having personal business interests, financial interests or financial relationships (providing financial assistance to or receiving financial assistance from) with Gadang competitors, contractors, suppliers, customers and business partners (except for insignificant stock interests in Public Listed Companies), whether directly or indirectly.

The definition of "relative" shall refer to the definition as stipulated in Malaysian Anti-Corruption Commission Act 2009 which includes spouse, brother or sister, brother or sister of the spouse, a lineal ascendant or descendant, a lineal ascendant or descendant of a spouse, a lineal descendant of a person referred to as brother and sister, the uncle, aunt or cousin or the son-in-law or daughter-in-law. Significant others include spouse or partners cohabitating together.

The Company advises against the employment of relatives and significant others of GHB Directors, KSM and Employees as vendors and/ or business associates. GHB Directors must disclose to the Board, while KSM and Employees must obtain prior approval from any of the GHB Executive Directors if they wish to engage in such employment.

GHB Directors, KSM and Employees must disclose business activities in the Group which involve relatives and significant others and refrain from any related decision-making process.

Any direct or indirect interest held by a GHB Director's, KSM's or Employee's family members, relatives or significant others in a competing company or other related companies must be disclosed immediately to COSEC (for GHB Directors) or GHC (for KSM and Employees), if they:

- iv) hold assets that may affect or influence the business decisions of the Group; or
- v) prioritises his or her private venture by depriving the Group from an identified business opportunity.

(e) Close Personal Relationship

Gadang strongly discourages close personal relationships between GHB Executive Directors, KSM or Employees in the Group, because the relationship may result in one of the persons receiving or giving unfair advantage, or preferential treatment.

If there is such a relationship, the parties need to be aware that one or both may, at the discretion of the Group, be transferred or seconded to a different department, business unit, division or other subsidiaries within the Group and/or other actions may be taken (including but not limited to change of job scope and/or responsibilities).

GADANG GROUP OF COMPANIES CONFLICT OF INTEREST POLICY

The Group recognises that GHB Executive Directors, KSM and Employees in their role of citizens have the right to participate in legitimate political activities. Should a GHB Executive Director, KSM or Employee wishes to participate in any political activity or campaign, this must be done in his / her own personal time and resources which does not conflict with any job duties or responsibilities and made clear that this is not done on behalf of the Group but in his or her own personal capacity.

GHB Directors who wish to hold key positions as office bearers in any political party must disclose to the Board, while KSM and Employees must obtain prior approval from any of the GHB Executive Directors. Those who wish to actively participate full time in politics or are nominated as candidates in any election or are elected as representatives in the Federal or State Legislative Body must first resign from the Group.

(h) Non-Governmental Organisations ("NGOs") / Non-Profit Organisations ("NPOs")

Except for GHB INEDs, GHB Executive Directors, KSM and Employees are prohibited from participating in the activities of NGOs and NPOs during work hours.

Personal involvement in such organisations must be done at one's own expense and time. Any contributions to be made on behalf of the Group to NGOs and NPOs must have prior written approval from the Group Managing Director, irrespective of the nature and amount.

(i) Other COI which warrants disclosure to COSEC (for GHB Directors) or GHC (for KSM and Employees)

- GHB Director, KSM or Employee uses property or resources of the Group for his or her personal purpose or business

6. EVALUATING COI

When a COI is disclosed by any KSM or Employees, GHC will review and evaluate the COI.

When a COI is disclosed by any of the GHB Directors, the AC will review and evaluate the COI.

7. APPROVING AND MANAGING COI

Following the review and evaluation of KSM's or Employee's COI, the Head – GHC will propose an action plan to resolve or mitigate the conflict. This proposed action plan will be reviewed and approved by any of the GHB Executive Directors.

The COSEC (for GHB Directors) and GHC Department (for KSM and Employees) will prepare and submit all COI reports for review at quarterly AC meeting.

When the GHB Executive Directors (for KSM and employees) or AC (for GHB Directors) reviews and manages the COI(s), the following considerations may be applied: -

- a) Ideally, the COI should be avoided altogether, e.g., by relinquishing the interest that gives rise to the conflict. However, there are circumstances where it may not be practical to totally avoid the conflict, in which case, appropriate actions must be taken, depending on the nature and severity of the conflict.
- b) Where the conflict is not likely to arise frequently, and the impact of the conflict is minimal, the participation of the person in the decision-making process should be restricted. Restriction and/or action should include, but is not limited to the following: -
 - i) Restricting the involvement of the affected GHB Director, KSM and Employee in the respective Board and/or board committee meetings or management meetings or general meetings;
 - ii) Refraining from discussions about the matter;
 - iii) Limiting access to information and denying access to sensitive documents or confidential information in the process;
 - iv) Abstaining from voting on the decision;
 - v) Providing training on COI to ensure GHB Directors, KSM and Employees understand the objective of the Policy and enables the Group to manage the COI situation effectively;
 - vi) Executing a non-disclosure or confidentiality agreement to protect any type of confidential and proprietary information or trade secrets.
- c) Where the conflict is ongoing and could have serious implications, the person with the conflict should be removed from the process, which includes the following: -

GADANG GROUP OF COMPANIES CONFLICT OF INTEREST POLICY

- i) Abstaining from any involvement whatsoever in the matter; or
- ii) Rearranging duties and responsibilities to a non-conflicting function; or
- iii) Transferring the person with conflict to another project or another area of the Company; or
- iv) In extreme circumstances where the COI is likely to affect the performance of the affected person, to require such person to either divest the interest causing the conflict or resign from the Company.

In the event that the conflict is still ongoing but the Board sanctioned it on grounds of immateriality, low risk or low impact to the Group, the person with conflict is expected to continue disclosing the conflict and submit the COI form annually.

8. RESPONSIBILITIES OF THE AUDIT COMMITTEE

The responsibilities of Audit Committee ("AC") include the following:

- a) Ensure there are established policies and procedures in place for the purposes of identifying, evaluating, approving, reporting and monitoring all COI situations.
- b) To review and report to the Board of Directors on a quarterly basis, any COI situations that arose, persist or may arise within the Group, together with the measures taken to resolve or mitigate such conflict.
- c) In reviewing the COI, the AC should consider the following factors:
 - i) The nature of COI situations, and the impact on the Group;
 - ii) The implementation of controls / corrective actions to prevent any GHB Directors, KSM or Employees with conflicts from exploiting their positions for unfair advantages.

CONFLICT OF INTEREST DISCLOSURE FORM
(GHB EXECUTIVE DIRECTORS AND KEY SENIOR MANAGEMENT)

Definition & Company Expectation

A Conflict of Interest ("COI") is a situation where the GHB Executive Directors' or Key Senior Management's private interests, businesses, relationships or activities interfere or appear to interfere with the fairness / integrity of the Group's business dealings. The GHB Executive Directors and Key Senior Management must not engage, directly or indirectly, in any outside or private business interest, relationship or activities that might conflict detrimentally with the interests of the Group or that might impair, or appear to impair, their ability to make objective and fair decisions when performing their duties.

GHB Executive Directors and Key Senior Management are expected to be more vigilant in discharging their duties and obligations towards the Group, given the important fiduciary position that they hold. Bursa Malaysia's Listing Requirements has enhanced the definition of COI i.e Interest in COI is not limited to direct financial interest but also include an indirect financial interest, non-financial interest (e.g. arising from relationships whether family, business or professional interests), or competing loyalties or interest.

Responsibilities of GHB Executive Directors and Key Senior Management

This is done by completing this form and submitting it to COSEC (for GHB EDs) or GHC (for KSM). GHC shall review and evaluate the COI for KSM. COSEC (for GHB EDs) shall present it to the AC for review and evaluation. In case of uncertainty regarding any matter related to the disclosure, GHB EDs and KSM may seek advice from COSEC and GHC respectively.
- 3) You are required to comply with all requirements and where applicable, the agreed action plan to resolve or mitigate the conflict. Failure to do so may result in disciplinary action including summary dismissal for KSM; whereas for GHB EDs, the Board will deliberate and recommend the next course of action.

GADANG HOLDINGS BERHAD
CONFLICT OF INTEREST DISCLOSURE FORM
(GHB INDEPENDENT NON-EXECUTIVE DIRECTORS)

Definition & Company Expectation

A Conflict of Interest ("COI") arises when a GHB Independent Non-Executive Director ("INED") has private interests, businesses, relationships or activities that could interfere or appear to interfere with the fairness / integrity of the Group's business dealings. The GHB INEDs are strongly discouraged from taking on multiple roles such as consultants, advisors, trustees or any other positions that could create conflicts of interest with their official duties in organisations that may compete with the Group's businesses. These matters must be promptly disclosed to the Board of Directors (Board) should GHB INED accept any of these roles.

GHB INEDs are expected to be more vigilant in discharging their duties and obligations towards the Group, given the important fiduciary position that they hold. Bursa Malaysia's Listing Requirements has enhanced the definition of COI i.e Interest in COI is not limited to direct financial interest but also include an indirect financial interest, non-financial interest (e.g. arising from relationships whether family, business or professional interests), or competing loyalties or interest.

Responsibilities of GHB Independent Non-Executive Directors

1) **Mandatory Yearly Declaration:** GHB INEDs are required to submit this form annually as distributed by the Company Secretary ("COSEC") regardless of an actual or potential conflict of interest occurring.

2) **Ad-Hoc Declaration:** GHB INEDs are responsible to immediately disclose any situation that creates an actual, perceived or potential conflict of interest by completing this form and submitting it to the COSEC, who will then present it to the AC for review and evaluation of the COI. The AC will discuss and propose action plan to resolve or mitigate the conflict, which will be submitted to the Board for approval. In case of any uncertainty related to the disclosure, GHB INEDs may seek advice from COSEC.

3) You are required to comply with all requirements and where applicable, the agreed action plan to resolve or mitigate the conflict. Failure to do so may result in the Board deliberating and recommending the next course of action.
