There is no amount due and owing to the EMCC Group by its related parties under the Recurrent RPTs which exceeded the credit term for the financial year ended 31 December 2023.

2.5 The Methods and Procedures by Which Transaction Prices Are Determined

The EMCC Group shall continue to implement the following methods and procedures by which transaction prices are determined. They are to help ensure that RRPTs are undertaken on terms not more favourable to the Related Party than those generally available to the public and are not detrimental to the minority shareholders:

- (a) the list of Related Parties will be circulated within the EMCC and all Related Parties will be notified that RRPTs are required to be undertaken with our Group on terms no less favourable than the usual terms offered to their favoured clients;
- (b) transaction prices and terms shall be at prevailing market rates as determined by market forces, demand and supply, quality of the products and services and other relevant factors. Where practical and feasible, quotations and tenders will be obtained from third parties to ascertain competitive transaction prices;
- (c) records shall be maintained by our Company to capture all RRPTs which are undertaken pursuant to the Proposed Renewal of Existing Shareholders' Mandate. The Accounts Department shall monitor the actual value transacted of each RRPT. Our Company will announce to Bursa Securities in the event the actual value exceeds 10% or more of the estimated value disclosed in the Circular;
- (d) the annual internal audit plan shall incorporate a review of all RRPTs entered into pursuant to the shareholders' mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to;
- (e) the Audit and Risk Management Committee shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor RRPTs have been complied with; and
- (f) the Board and the Audit and Risk Management Committee shall be responsible for determining the review procedures and may delegate such functions relating thereto to individuals or committees within our Company as they deem appropriate. If a member of the Board or Audit and Risk Management Committee has an interest, as the case may be, he shall declare the nature of his interest and will abstain from deliberation and any decision making by the Board or Audit and Risk Management Committee in respect of the said transaction.

Our Company has engaged a professional property valuer to determine the best rental which the property would reasonably be expected to fetch if offered for rental in the open market between independent parties dealing at arm's length at the date of the valuation assuming the various factors were considered, which include a willing tenant; a reasonable period within which to negotiate the tenancy; values will remain static throughout the period of negotiation for the tenancy; the property will be freely exposed to the market; no account is taken of additional bid by a special tenant; the tenancy is for tenure with option to renew when the rental expires; and the usual terms and conditions of tenancy apply, i.e. the landlord is responsible for assessment, quit rent and structural repairs while the tenant bears the other outgoing.

There is no specific threshold for approval of the RRPTs within the EMCC Group. All RRPTs are reviewed and authorised by personnel of at least senior managerial level, provided always that such personnel has no interest in the transaction and the said transaction has been approved pursuant to the shareholders' mandate obtained in the general meeting for the RRPTs.

3. AUDIT AND RISK MANAGEMENT COMMITTEE STATEMENT

The Audit and Risk Management Committee has seen and reviewed the methods and procedures in Paragraph 2.5 above and is of the view that the said methods and procedures are sufficient to help ensure that the RRPTs will not be more favourable to the Related Parties than those generally available to the public and will not be detrimental to the minority shareholders of our Company.

The EMCC Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit and Risk Management Committee of EMCC Group conducts the review of these procedures and processes on annual basis.

4. RATIONALE AND JUSTIFICATION FOR THE RRPTS

The related party transactions envisaged in the Proposed Renewal of Existing Shareholders' Mandate are in the ordinary course of business of the EMCC Group and of a recurring nature. The Proposed Renewal of Existing Shareholders' Mandate on an annual renewal basis will dispense with the necessity to convene General Meetings from time to time to seek shareholders' approval when potential recurrent transactions with Related Parties arise. This will result in substantial time and cost savings, without either compromising corporate objectives or affecting business opportunities available to our Group.

The RRPTs, as outlined in Section 2.4 above, are made on arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of our Company and which are not prejudicial to the interest of the shareholders.

The RRPTs are intended to meet the business requirements of our Group at the best possible terms as well as to explore other beneficial business opportunities. These transactions allow our Group to ensure it meets the operational needs of premises occupancies that are conducive to our Group to operate in and to meet its requirement as it expands our Group's business growth.

5. FINANCIAL EFFECTS

The Proposed Renewal of Existing Shareholders' Mandate will not have any effect on share capital and is not expected to have any material effect on NA and earnings of the EMCC Group.

6. APPROVAL REQUIRED

The Proposed Renewal of Existing Shareholders' Mandate is subject to approval of the shareholders of our Company at the forthcoming AGM to be convened.
