Explanatory Notes

- Ordinary Resolutions No. 4, 5 and 6

For the purpose of determining the eligibility of the Directors to stand for re-election at the 31st AGM, the Board through its Nomination and Remuneration Committee had assessed Mr Tan Eng Piow, Tan Sri Dato' Seri Mohamad Noor Bin Abdul Rahim and Ms Tan Mei Yin (collectively "the Retiring Directors"). The Retiring Directors were assessed on their performance and understanding of the Group's business. Their active participation at the Board meetings showed that there were prepared and were effective in the discharge of his responsibilities. No circumstances have arisen in the past year to impair the independent judgement of Retiring Directors on matters brought for Board discussion and they have always acted in the best interest of the Company as a whole.

Based on the wealth of experience of the Retiring Directors and the skills that they can bring to the Company, the Board views that their re-election would bring benefits to the Company.

Based on the above, the Board supports the re-election of the Retiring Directors.

- Ordinary Resolution No. 8

The General Mandate to allot and issue shares, if passed, will give authority to the Directors of the Company, from the date of the AGM, to allot and issue shares or to make or grant offers, agreements or options in respect of shares to such persons, in their absolute discretion including to make or grant offers, agreements or options which would or might require shares in the Company to be issued after the expiration of the approval, without having to convene a general meeting, provided that the aggregate number of shares issued does not exceed 10% of the total number of issued shares of the Company for the time being.

The Board is of the view that the General Mandate is in the best interest of the Company and its shareholders as the Company may need to undertake a fund-raising exercise expeditiously and for larger amount of proceeds to be raised to counter any potential bearish market price of the Company's shares.

The tabling of the General Mandate at the 31st AGM is to provide flexibility to the Company to issue new securities without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time. The purpose of this General Mandate is for possible fund-raising exercises including but not limited to placement of shares for purpose of funding of working capital, capital expenditures, settlement of trade and non-trade creditors, repayment of banking facilities or as consideration for strategic investments.

The General Mandate approved at the 30th AGM was not used.
