## **Voting Exclusions**

Voting exclusions apply to Resolutions 1 and 4 as set out below.

### **Resolution 1**

The Company will disregard any votes cast on Resolution 1:

- by or on behalf of a member of the KMP whose remuneration details are included in the Remuneration Report for the year ended 30 June 2025 (or a Closely Related Party of that member of the KMP), regardless of the capacity in which the vote is cast; or
- as proxy by a person who is a member of the KMP as at the date of the Meeting or a Closely Related Party of a member of the KMP,

unless the vote is cast as proxy for a person entitled to vote on Resolution 1, either:

- in accordance with directions given to the proxy when completing the online proxy appointment process referred to above; or
- by the Chairman in accordance with an express authorisation provided through the online proxy appointment process to vote as the proxy decides, even if Resolution 1 is connected directly or indirectly with the remuneration of a member of the KMP.

### **Resolution 4**

The Company will disregard any votes cast on Resolution 4:

- if at the date of the Meeting, the Company is proposing to make an issue of equity securities under Listing Rule 7.1A2, any person (and any Associates of such person) who is expected to participate in or who will obtain a material benefit as a result of, the proposed issue under the 10% Placement Capacity (except a benefit solely by reason of being a holder of ordinary securities in the Company).

However, this does not apply to a vote cast in favour of Resolution 4 by:

- a person as proxy or attorney for a person who is entitled to vote on Resolution 4, in accordance with directions given to the proxy or attorney to vote on Resolution 4 in that way; or
- the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on Resolution 4, in accordance with a direction given to the Chair to vote on Resolution 4 as the Chair decides; or

  - the holder votes on Resolution 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

However, the Company need not disregard a vote in relation to Resolutions 1 and 4 if it is cast by:

2. the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

The Company is not required to disregard any votes cast, including by a member of the KMP (including each of the directors and executives named in the Company's Remuneration Report) or that KMP's closely related party on the resolutions to re-elect Directors at the Spill Meeting

## **Voting by Proxy**

The *Corporations Act* places certain restrictions on the ability of KMP and their Closely Related Parties to vote on resolutions connected directly or indirectly with the remuneration of the Company's KMP.

For those reasons, Shareholders who intend to vote by proxy should carefully consider the identity of their proxy and consider appointing someone other than one of the Company's KMP as such proxies may not be able to vote undirected proxies.

If you appoint the Chairman as your proxy by marking the box in **STEP 1** on the Proxy Form then you are providing express authorisation for the Chairman to vote on all Resolutions in accordance with his intentions as set out in this Notice and the Proxy Form (except where you have indicated a different voting intention by marking the voting boxes in **STEP 2** on the Proxy Form).

This express authorisation acknowledges that the Chairman may exercise your proxy in relation to Resolution 1 even though it is connected with remuneration of a member of KMP is a Resolution in respect of which the Chairman of the meeting has an interest.

The Chairman intends to vote available proxies **in favour** of Resolutions 1, 2, 3 and 4.

Dated this 16 October 2025.

By Order of the Board

**Kong Kok Keong**

The Remuneration Report is part of the Directors' Report contained in the Annual Report of the Company for the financial year ended 30 June 2025.

In accordance with section 250R(3) of the *Corporations Act*, the vote of Resolution 1 is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing NGY's remuneration practices and policies.

Under the *Corporations Act*, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution ("spill resolution") that another meeting be held within 90 days of the second of those AGMs at which all of the Company's Directors (who are Directors at the second AGM, other than the Managing Director) must stand for re-election.

The Chairman intends to vote all available proxies in favour of Resolution 1.

---

## **Resolution 4 –Approval of issue of Equity Securities for the purpose of ASX Listing Rule 7.1A**

### **Overview**

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital as calculated in accordance with the formula in ASX Listing Rule 7.1A.2 (**10% Placement Capacity**) without using that entity's existing 15% annual placement capacity under ASX Listing Rule 7.1.

An **Eligible Entity** is one that, as at the date of the relevant annual general meeting:

- a) is not included in the S&P/ASX 300 Index; and
- b) has a maximum market capitalisation of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$60,543,985 (based on the number of Shares on issue and the closing price of Shares on ASX on 23 September 2025). However, the Company will only be permitted to seek approval for the 10% Placement Capacity if it remains an Eligible Entity at the date of the Meeting. Accordingly, if the Company is not an Eligible Entity at the date of the Meeting, Resolution 4 will not be put to, and voted on at, the Meeting.

An **Equity Security** is a share, a unit in a trust, a right to a share or unit in a trust or Option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security, but not a security ASX decides to classify as a debt security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities. As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (**ASX Code: NGY**).

Subject to the Company being an Eligible Entity and Resolution 4 being put to the Meeting, if Shareholders approve Resolution 4, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

If Resolution 4 is passed, the Company will be able to issue equity securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% Placement Capacity to issue equity securities without shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in ASX Listing Rule 7.1.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present (in person, or by proxy or representative) and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

### **Technical information required by ASX Listing Rule 7.3A**

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

#### **(a) Period for which mandate is valid**

An approval under ASX Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- ii) the time and date of the entity's next annual general meeting; and
- iii) the time and date of the approval by holders of the Eligible Entity's ordinary securities of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

#### **(b) Minimum price**

The minimum price at which the Equity Securities may be issued is 75% of the volume-weighted average market price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

**(c) Purpose of issue under 10% Placement Capacity**

The Company may seek to issue the Equity Securities under the 10% Placement Capacity for the following purposes:

- cash consideration to complete its remaining exploration commitments and further move its gas assets to development and commercialisation stage; and
- for working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 2.7 upon issue of any Equity Securities.

**(d) Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

The table below shows the potential dilution of Shareholders calculated in accordance with the formula in ASX Listing Rule 7.1A.2 (assuming Resolution 4 is passed by Shareholders), on the basis of the market price of Shares and the number of Shares on issue as at 23 September 2025.

The table assumes differing numbers of Shares on issue (i.e. variable "A" in the above formula) and issue prices for Shares over three scenarios, but in each scenario it is assumed that the Company issues the maximum number of Shares available under the 10% Placement Capacity. For example:

- Variable 'A' differs across each scenario. Scenario 1 assumes there is no change to the number of Shares on issue. Scenarios 2 and 3 then assume an increase of 50% and 100% (respectively) to the number of Shares on issue.
- Within each scenario, three different issue prices for the Shares are assumed. One of the issue prices is the closing price on 23 September 2025 (being the last practicable trading day prior to the date of this Notice). The other two issue prices then assume a 50% decrease to that closing Share price and a 100% increase to that price.

• Variable "A" in Listing Rule 7.1A.2	•	• Dilution / Effect		
		• \$0.017 • 50% decrease in Issue Price	• \$0.034 • Issue Price	• \$0.068 • 100% increase in Issue Price
• Current Issued Capital (Variable A)	• Shares Issued under LR 7.1A (10%)	• 178,070,545	• 178,070,545	• 178,070,545
• 1,780,705,446 Shares	• Funds Raised	• \$3,027,199	• \$6,054,399	• \$12,108,797
• 50% increase in current Issued Capital (Variable A)	• Shares Issued under LR 7.1A (10%)	• 267,105,817	• 267,105,817	• 267,105,817

• Variable "A" in Listing Rule 7.1A.2	•	• Dilution / Effect		
		• \$0.017 • 50% decrease in Issue Price	• \$0.034 • Issue Price	• \$0.068 • 100% increase in Issue Price
• 2,671,058,169 Shares	• Funds Raised	• \$4,540,799	• \$9,081,598	• \$18,163,196
• 100% increase in current Issued Capital (Variable A)	• Shares Issued under LR 7.1A (10%)	• 356,141,089	• 356,141,089	• 356,141,089
• 3,561,410,892 Shares	• Funds Raised	• \$6,054,399	• \$12,108,797	• \$24,217,594

Note: The number of Shares on issue (Variable 'A' in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

**The table above uses the following assumptions:**

1. The number of Shares on issue is 1,780,705,446, which was the number of Shares the Company had on issue as at 24 September 2025.
2. The issue price set out above is the closing price of the Shares on the ASX on 24 September 2025.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue, which may have an effect on the amount of funds raised by the issue of the Shares.

**(e) Allocation policy under the 10% Placement Capacity**

The identity of the recipients of the Equity Securities to be issued under the 10% Placement Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- i) the purpose of the issue;
- ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- iii) the effect of the issue of the Equity Securities on the control of the Company;
- iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- v) prevailing market conditions; and
- vi) advice from corporate, financial and broking advisers (if applicable).

**(f) Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held at 4pm on 19 November 2024 (**Previous Approval**).

As at the date of this Notice, the Company has not issued any Equity Securities pursuant to the Previous Approval.

For the purposes of ASX Listing Rule 7.3A.6(a), the Company notes that, as at the date of this Notice, the Company has not issued or agreed to issue any Equity Securities during the following period preceding the date of the Meeting, being on and from 18 November 2024 to 19 November 2025.

**(g) Compliance with ASX Listing Rule 7.1A.4**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must:

- state in its announcement of the proposed issue under Listing Rule 3.10.3 or in its application for quotation of the securities under Listing Rule 2.7 that the securities are being issued under Listing Rule 7.1A; and
- give to ASX immediately after the issue a list of names of the persons to whom the Company issued the equity securities and the number of equity securities issued to each. This list is not for release to the market.

A voting exclusion statement is set out on page 4 of this Notice.

**The Directors unanimously recommend that Shareholders VOTE IN FAVOUR of Resolution 4.**

**Instructions for Completing 'Appointment of Proxy' Form**

1. A member entitled to attend and vote at an Annual General Meeting is entitled to appoint not more than two proxies to attend and vote on their behalf. Where more than one proxy is appointed, each proxy must be allocated a proportion of the member's voting rights. If the shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes.
2. A duly appointed proxy need not be a member of the Company. In the case of joint holders, all must sign.
3. Corporate shareholders should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of Section 127 of the *Corporations Act*. Section 127 of the *Corporations Act* provides that a company may execute a document without using its common seal if the document is signed by:
  - 3.1. 2 directors of the company;
  - 3.2. a director and a company secretary of the company; or
  - 3.3. for a proprietary company that has a sole director who is also the sole company secretary – that director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the *Corporations Act*, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who signs the document or witnesses the affixing of a common seal and who is the sole director and sole company secretary of the company must state that next to his or her signature.

4. Completion of a Proxy Form will not prevent individual shareholders from attending the meeting in person if they wish. Where a shareholder completes and lodges a valid Proxy Form and attends the meeting in person, then the proxy's authority to speak and vote for that shareholder is suspended while the shareholder is present at the meeting
5. Where a Proxy Form or form of appointment of corporate representative is lodged and is executed under power of attorney, the power of attorney must be lodged in like manner as the Proxy Form.
6. You can direct your proxy how to vote on each Resolution by completing **STEP 2** on the Proxy Form.
7. If you appoint the Chairman as your proxy by marking the box in **STEP 1** on the Proxy Form then you are providing express authorisation for the Chairman to vote on all Resolutions in accordance with his intentions as set out in this Notice and the Proxy Form (except where you have indicated a different voting intention by marking the voting boxes in **STEP 2** on the Proxy Form).

This express authorisation acknowledges that the Chairman may exercise your proxy in relation to Resolution 1 even though this Resolution is connected with remuneration of a member of KMP and in which the Chairman of the meeting has an interest.

Votes cast by the Chairman on Resolution 1 other than as authorised proxy holder will be disregarded because of his interest in the outcome of the Resolutions.

The Chairman intends to vote available proxies **in favour of** Resolutions 1, 2, 3 and 4.

8. If you appoint a KMP other than the Chairman at **STEP 1**, and do not complete **STEP 2**, your vote will not be counted in respect of Resolution 1.
9. To vote by proxy please sign the enclosed Proxy Form and return:
  - (a) by mail to MUFG Corporate Markets (AU) Limited, Locked Bag A14, Sydney South NSW 1235 Australia;
  - (b) by facsimile to MUFG Corporate Markets (AU) Limited on facsimile number +61 2 9287 0309;
  - (c) by hand to MUFG Corporate Markets (AU) Limited, Parramatta Square, Level 22, Tower 6, 10 Darcy Street, Parramatta NSW 2150; or

Select the 'Voting' tab and then follow the prompts. You will be taken to have signed your Proxy Form if you lodge it in accordance with the instructions given on the website, so that it is received not later than 4pm (Sydney Time) on 15 November 2025.
