Dear Sir/Madam,

### PROPOSED MANDATES

---

#### 1. INTRODUCTION

- 1.1 At our Company's 16<sup>th</sup> AGM held on 20 June 2024, our Company had obtained a shareholders' mandate for our Group to enter into RRPTs ("**2024 Shareholders' Mandate**"). The 2024 Shareholders' Mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM, unless the authority for its renewal is obtained from our shareholders at the forthcoming AGM.

In addition to the renewal of the 2024 Shareholders' Mandate, our Company will also be seeking a shareholders' mandate for our Group to enter into new RRPTs.

- 1.2 On 25 March 2025, our Board had announced its intention to seek shareholders' approval for the Proposed Mandates at our forthcoming AGM.

The purpose of this Circular is to provide you with the relevant information pertaining to the Proposed Mandates together with our Board's recommendation thereon and also to seek your approval for the resolution in respect of the Proposed Mandates to be tabled at our forthcoming AGM. The extract of the ordinary resolution on the Proposed Mandates is enclosed together with this Circular.

**YOU ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR TOGETHER WITH THE APPENDICES CONTAINED HEREIN CAREFULLY BEFORE VOTING ON THE RESOLUTION IN RELATION TO THE PROPOSED MANDATES TO BE TABLED AT OUR FORTHCOMING AGM.**

## **2. DETAILS OF THE PROPOSED MANDATES**

### **2.1 The Proposed Mandates**

Part E of Chapter 10 of the Listing Requirements provides that a listed issuer may seek its shareholders' mandate for related party transactions which are recurrent, of revenue or trading nature and which are necessary for the day-to-day operations of a listed issuer or its subsidiaries, subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year (based on the type of transactions, names of Related Parties involved in each type of transaction made and their relationship with the listed issuer), where the aggregate value, in relation to a listed issuer with a share capital of RM60.0 million and above, is as follows:
  - (i) the consideration, value of the assets, capital outlay or cost of the RRPTs is RM1.0 million or more; or
  - (ii) the percentage ratio of such RRPT is 1% or more;whichever is the higher;
- (c) in a meeting to obtain shareholders' mandate, the interested director, interested major shareholder or person connected with such interested director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution to approve the transactions. An interested director or an interested major shareholder must ensure that persons connected with him or it abstain from voting on the resolution deliberating or approving the transactions; and
- (d) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of such transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholders' mandate pursuant to Paragraph 10.09(2) of the Listing Requirements, the provisions of Paragraph 10.08 of the Listing Requirements will not apply.

In the ordinary course of our business, our Group has entered into certain RRPTs and it is anticipated that the companies within our Group would, in the ordinary course of business, continue to enter into such transactions with the Related Parties, details of which are as set out in Section 2.5 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In respect of provision of financial assistance, Paragraph 3.4 of Practice Note 12 ("PN12") stipulates that notwithstanding Paragraph 3.2(d) of PN12 and subject to Paragraph 10.09 of the Listing Requirements and the other provisions of PN12, a listed issuer may obtain a mandate in respect of pooling of funds within the listed issuer's group of companies via a centralised treasury management function or such similar arrangements, which entails the provision of financial

assistance by the listed issuer, its subsidiaries not listed on any stock exchange, or both, on a short or medium term basis provided that -

- (a) the listed issuer in seeking such a mandate in accordance with Paragraphs 8.23 and 10.09 of the Listing Requirements, must include in its circular, in addition to such other information as prescribed under the Listing Requirements, the estimated amounts or value of financial assistance (“**Estimate**”); and
- (b) notwithstanding Paragraph 10.09(2)(e) of the Listing Requirements, if the actual amount of financial assistance provided or rendered exceeds the Estimate, the listed issuer must immediately announce the same to Bursa Securities. If the percentage ratio of the amount of financial assistance provided or rendered in excess of the Estimate is 5% or more, the listed issuer must comply with Paragraph 10.08 of the Listing Requirements.

For purposes of pooling of funds:

- (i) “short or medium term basis” means for a duration not exceeding 3 years; and
- (ii) “group of companies” means the subsidiaries, associated company of the listed issuer and the listed issuer’s immediate holding company which is listed;

Paragraph 8.23(2)(a) of the Listing Requirements states that where a listed issuer or its subsidiaries provide financial assistance to or in favour of the following:

- (a) directors or employees of the listed issuer or its subsidiaries;
- (b) persons to whom the provision of financial assistance is necessary to facilitate the ordinary course of business of the listed issuer or its subsidiaries or pursuant to the ordinary course of business of the listed issuer or its subsidiaries, such as the provision of advances to its sub-contractors; or
- (c) the subsidiaries, associated companies or joint arrangements of the listed issuer, the listed issuer (in the case of the subsidiaries providing financial assistance) or its immediate holding company which is listed,

the board of directors of the listed issuer must ensure that the provision of financial assistance referred to above is fair and reasonable to the listed issuer and is not to the detriment of the listed issuer and its shareholders.

In this regard, our Board proposes to seek a general mandate from our shareholders to enter into arrangements or transactions with the Related Parties, which are necessary for the day-to-day operations of our Group and are based on normal commercial terms, at arm’s length, in the best interests of our Group, on terms that are not more favourable to the Related Parties than those generally available to the public, and will not be detrimental to our minority shareholders.

## **2.2 Validity period of the Proposed Mandates**

The Proposed Mandates, if approved at our forthcoming AGM, shall take effect immediately upon the passing of the ordinary resolution proposed at our AGM to approve the Proposed Mandates and is subject to annual renewal. In this respect, the authority conferred by the Proposed Mandates shall only continue to be in force until:

- (a) the conclusion of our next AGM following our forthcoming AGM at which time it will lapse, unless the authority is renewed by a resolution passed at the said next AGM; or
- (b) the expiration of the period within which our next AGM after that date is required to be held pursuant to Sections 340(1) and (2) of the Act (excluding however such extension as may be allowed pursuant to Section 340(4) of the Act); or

(c) revoked or varied by resolution passed by you in a general meeting, whichever is the earliest.

Thereafter, your approval will be sought for the renewal of the Proposed Mandates at each subsequent AGM or at an EGM that may be held on the same day as the AGM, subject to a satisfactory review by our Audit Committee.

Save as disclosed above, no late payment charges were imposed on the above overdue amounts as our Company had reviewed the outstanding amounts and is of the opinion that the overdue

amounts were part of the normal business transactions between our Group and the Related Parties being long term business partners. The management has and will continuously review and hold discussions with the Related Parties for early settlement of the outstanding amounts due.

Our Board is of the opinion that the overdue amounts are closely monitored to ensure early settlement by the Related Parties and that proper steps are taken by the management to pursue any amount that is long overdue by the Related Parties to mitigate the irrecoverability of any such amount. This includes the management engaging in prompt discussions with the corresponding Related Parties and procuring the settlement arrangements to reduce the outstanding amount due. The amount recovered as at LPD since 31 December 2024 amounted to RM84 million. Since April 2024 (i.e. from disclosure made in last year's RRPT circular to shareholders dated 15 May 2024), save for an amount of RM136,159 which has been written off in June 2024, there is no other overdue amount being written off or settled partially before writing off.

### **3. REVIEW PROCEDURES FOR THE RRPTS**

Our Company has established the following methods and procedures to ensure that RRPTs have been or will be undertaken on transaction prices and terms not more favourable to the Transacting Parties than those generally available to the public and not to the detriment of our minority shareholders:

- (a) all members of our Group are made aware of the requirements relating to RRPTs;
- (b) all RRPTs are to be undertaken on arm's length basis and on normal commercial terms, i.e. on terms which are no more favourable to the interested parties than those extended to third parties/public, and are not detrimental to the minority shareholders;
- (c) the RRPTs must be transacted on terms which are comparable to at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities. The contemporaneous pricing tests are as follows:
  - (i) comparison of RRPT with 2 unrelated third parties for similar products/services and/or quantities transacted; or
  - (ii) comparison of RRPT with any other 2 external sources for similar products/ services and/or quantities.

The transaction price for such RRPTs are subject to the following specific threshold:

Transaction amount up to RM100.0 million - Approvals by Company Chief Executive Officer

Transaction amount more than RM100.0 million - Information to the Audit Committee and Board of FGV

- (d) where both contemporaneous pricing tests in (c) could not be performed, to present to the Management Tender Committee and Audit Committee:

- (i) the justification for the transaction pricing; and
- (ii) confirmation that the pricing is not detrimental to our Group.

In addition, the transaction price for such RRPTs are subject to the following specific threshold for approvals by the Management Tender Committee and/or the Board of FGV:

Transaction amount up to RM50.0 million - Management Tender Committee  
Transaction amount more than RM50.0 million - Board of FGV

- (e) our support divisions and each member of our Group must ensure that proper records of RRPTs are maintained and must monitor the actual RRPTs transacted against the mandate on a monthly basis;
- (f) our support divisions and each member of our Group must submit RRPT reports for quarter and cumulative periods to our Group's Finance Division for the purpose of quarterly reporting to Audit Committee and Board;
- (g) our Group's Finance Division shall compile the quarterly RRPT information for reporting to the Audit Committee and Board;
- (h) Audit Committee shall review our Group's internal audit reports on yearly assessment of RRPT policies and procedures; and
- (i) in the event that a member of the Audit Committee or our Board has an interest and/or deemed interest in any particular RRPT, he or she shall declare his or her interest in the RRPT, refrain from any deliberation and abstain from voting on the matter at the Audit Committee meeting or our Board meeting (as applicable) in respect of the RRPT in question or at the EGM or AGM to be convened for that purpose.

#### **4. STATEMENT BY THE AUDIT COMMITTEE**

The Audit Committee, save for the Interested Directors, has reviewed the procedures on the RRPTs mentioned in Section 3 of this Circular and is of the view that the stipulated procedures are:

- (b) sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and, not to the detriment of our Company's minority shareholders.

#### **5. RATIONALE FOR THE PROPOSED MANDATES**

The Proposed Mandates, subject to annual review and renewal, will enable our Group to carry out RRPTs necessary for the respective day-to-day operations and, will eliminate the need to frequently make announcements to Bursa Securities; convene separate general meetings and/or seek your approval as and when RRPTs comprised within the Proposed Mandates arise. In this respect, the Proposed Mandates are intended to save administrative time and expenses which could be better utilised by our Group to pursue its corporate objectives and realise business opportunities in a more timely and effective manner.

The provision of financial assistance by FGV Capital to our Group will enable our Group to optimise the corresponding deposit and funding rate by managing our Group's (including KPF-linked Subsidiaries) cash at FGV Capital, for purposes of intercompany liquidity management.

#### **6. EFFECTS OF THE PROPOSED MANDATES**

The Proposed Mandates are not expected to have any effect on our share capital and our substantial shareholders' shareholdings in our Company and, are not expected to have any material effect on the earnings, net assets and gearing of our Group.

## ADDITIONAL INFORMATION

---

### 1. DIRECTORS' RESPONSIBILITY STATEMENT

This Circular has been seen and approved by the Directors of our Company and they collectively and individually accept full responsibility for the accuracy of the information given and confirm that, after making all reasonable enquiries, and to the best of their knowledge and belief there are no other facts the omission of which would make any statement in this Circular misleading.

### 2. MATERIAL CONTRACTS

Neither our Company nor our subsidiaries have entered into any other material contracts (not being contracts entered into in the ordinary course of business) within 2 years preceding the LPD.

### 3. MATERIAL LITIGATION

Save as disclosed below, as at the LPD, the FGV Group has not engaged in any material litigation, claims and/or arbitration, either as plaintiff or defendant and our Board is not aware of any proceedings, pending or threatened, against the FGV Group or any facts likely to give rise to any proceedings which may materially and adversely affect the financial position or business of the FGV Group:

#### 3.1 High Court of Sabah & Sarawak at Sandakan (Civil Suit No. SDK-22NCVC-9/5-2016 (HC)) brought by Abdul Malik bin Said Omar (suing as the Administrator of the Estates of the late Norhuda Bt S Said and 6 others) and Fathiyah binti S. Abdul Salam ("Plaintiffs") against SKSB ("Defendant")

By a Writ of Summons dated 12 May 2016, the Plaintiffs had commenced the above legal proceedings on 30 June 2016 against the Defendant for the recovery of land held under title CL 085310443. The Plaintiffs alleged that the transfer of the land to the Defendant was done through fraud and forgery, which was completed prior to the acquisition of the Defendant by Pontian United Plantation Berhad.

On 20 July 2018, the Sandakan High Court had allowed the Defendant's application to strike out the Plaintiffs' Statement of Claim, with cost of RM3,000.00 to be paid to the Defendant. The Plaintiffs vide a Notice of Appeal dated 14 August 2018 filed an appeal to the Court of Appeal on the whole decision given by the Sandakan High Court on 20 July 2018.

On 24 July 2019, the Court of Appeal has decided that 1<sup>st</sup> and 3<sup>rd</sup> Plaintiff's cause of action has been caught by Sabah Limitation Ordinance ("SLO"). It was further held that the 1<sup>st</sup> Plaintiff does not have *locus standi* to represent the 7 deceased persons. Hence, the 1<sup>st</sup> and 3<sup>rd</sup> Plaintiffs' appeal was dismissed with no order to cost.

However, the Court found that the 2<sup>nd</sup> Plaintiff action would be sustained as it is not time barred by the SLO on the basis that the 2<sup>nd</sup> Plaintiff has no knowledge of the police report lodged by the 3<sup>rd</sup> Plaintiff. Hence, the Court has allowed the 2<sup>nd</sup> Plaintiff Appeal and the matter to be returned to the High Court for full trial.

On 21 August 2019, the Defendant's solicitors has filed the Notice of Motion to Federal Court to request for leave to appeal against the decision of the Court of Appeal in respect of the 2<sup>nd</sup> Plaintiff. The hearing of the Notice of Motion to Federal Court for leave to appeal was fixed for 29 September 2020.

On 29 September 2020, the Federal Court had refused to grant leave to the Defendant and instructed for the matter to be returned to the High Court.

On 16 August 2022, the Defendant has filed an application to strike out the 2nd Plaintiff's action for want of prosecution. However, on 6 October 2022, the Sandakan High Court has dismissed the Defendant's application.

In view of the above decision, the case has proceeded for trial on 17-20 January 2023 and 1 February 2023.

On 23 May 2023, the Sandakan High Court had dismissed the 2nd Plaintiff's action against the Defendant with cost of RM40,000.00 to be paid by the 2nd Plaintiff to the Defendant.

On 20 June 2023, the 2nd Plaintiff has filed an appeal against the Sandakan High Court's decision.

The Court of Appeal on 10 October 2024 has fixed the hearing for the appeal on 12 November 2025. A case management has also been fixed on 15 October 2025 for the Court of Appeal to brief parties on the hearing.

### 3.2 **Arbitration at Asian International Arbitration Centre (AIAC) Case No. AIAC/D/ADM-662/2019 between Multazam Development Sdn Bhd ("Claimant") against FGV Plantations (Malaysia) Sdn Bhd ("Respondent")**

The Claimant served on the Respondent Notice of Arbitration on 27 November 2018 and the statement of claim dated 16 April 2019 under the rules of the Asian International Arbitration Centre ("AIAC").

The Claimant claimed for work done and damages for wrongful termination in respect of a project known as "Design & Build and Development of Estate Workers' Housing Comprising of Workers' Hostel and 6 Doors Single Storey Terrace and Other Ancillary Works in Peninsular Malaysia & Sarawak" (**"the Project"**) in which Respondent was the employer and Claimant, the design and build contractor.

Meanwhile, Respondent counterclaimed for the following:-

- (i) Deduction for liquidated and ascertained damages (**"LAD"**) for RM470,250.00;
- (ii) Additional costs in engaging other contractors to complete the works, and/or in the alternative, damages to be assessed;
- (iii) Additional fees paid to the project director to carry out the re-tendering exercise in the sum of RM1,054,862.19;
- (iv) Additional costs to employ new workers as a result of absconding workers due to shortage of accommodation, in the sum of RM4,759,555.70; and
- (v) Loss of profit due to decrease in the number of workers in the sum of RM21,224,862.00.

The Hearing for the parties' oral submission was concluded on 20 March 2023 and on 5 February 2024, the Final Award of the Tribunal dated 11 January 2024 was received from the AIAC in which the award are as follows:

- (i) RM86,341.45 to be paid by the Respondent to the Claimant (after setting-off/deducting the balance amount unpaid in respect of the value of works done by the Claimant as at the date of the termination of the contract (that is, RM556,591.45) against the Liquidated and Ascertained Damages of RM470,450.00 to be borne by the Claimant) with interest at the rate of 5% per annum from the date of the Award until full satisfaction;

- (ii) RM12,517,317.10 to be paid by the Claimant to the Respondent (being RM16,267,317.10, comprising the Respondent's additional costs for completion of the works and the Respondent's loss of profit, set-off/deducted against the value of the Performance Bond of RM3,750,000.00) with interest at the rate of 5% per annum from the date of the Award until full satisfaction;
- (iii) Nett costs of RM294,000.00 to be paid by the Claimant to the Respondent;
- (iv) Cost of the Award amounting to RM418,935.17 be apportioned between the Claimant and the Respondent on an 80:20 basis, in which RM335,148.14 to be borne and paid by the Claimant and RM83,787.03 to be borne and paid by the Respondent; and
- (v) In the event either party fails to pay the costs of the Award in accordance with the apportionment above, the unpaid portion of the costs of the Award which ought to have been borne by the party responsible for such portion shall be deemed as payment due to the other party.

In view of the above, the Respondent substantially won the arbitration with a net principal amount payable by the Claimant of about RM12.85 million.

Based on the Final Award of the Tribunal dated 11 January 2024, the Respondent's solicitors found that the Tribunal had assumedly oversight the Respondent's claim for the costs of the earlier adjudication proceedings and High Court actions in the amount of RM152,864.15. As such, the Respondent through its solicitors had submitted a request to the Tribunal for an additional award.

On 9 May 2024, the Tribunal made the following additional award:
