Dear Shareholders,

**PROPOSED NEW AND RENEWAL OF SHAREHOLDERS' MANDATE**

---

**1. INTRODUCTION**

At the AGM of the Company held on 27 November 2024, the Company sought and obtained from its shareholders the general mandate for Komarkcorp Group to enter into RRPTs of a revenue or trading nature in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which are necessary for Komarkcorp Group's day to day operations. In accordance with the Listing Requirements, the RRPT Mandate shall lapse at the conclusion of the forthcoming 29<sup>th</sup> AGM of the Company, unless renewed by the shareholders of the Company.

On 17 October 2025, the Board announced that the Company proposes to undertake the Proposed New and Renewal of Shareholders' Mandate at the 29<sup>th</sup> AGM of the Company.

The purpose of this Circular is to provide you with the relevant information of the Proposed New and Renewal of Shareholders' Mandate and to seek your approval on the ordinary resolution pertaining to the Proposed New and Renewal of Shareholders' Mandate to be tabled at the 29<sup>th</sup> AGM. The notice of the AGM together with the Proxy Form is enclosed in the 2025 Annual Report of the Company for the financial year ended 30 June 2025.

**SHAREHOLDERS OF KOMARKCORP ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING THE PROPOSED NEW AND RENEWAL OF SHAREHOLDERS' MANDATE AT THE FORTHCOMING AGM.**

## 2. DETAILS OF THE PROPOSED NEW AND RENEWAL OF SHAREHOLDERS' MANDATE

### 2.1 The Listing Requirements

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders in respect of RRPTs subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of the transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold below in relation to a listed issuer with an issued and paid-up capital of RM60.0 million and above :
  - (i) the consideration, value of the assets, capital outlay or costs of the RRPT is RM1.0 million or more; or
  - (ii) the percentage ratio of such RRPT is 1% or more,whichever is the higher.
- (c) the listed issuers' circular to shareholders for the shareholder mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain shareholders' mandate, the interested directors, interested major shareholders or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such directors or major shareholder, must not vote on the resolution to approve the RRPT. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the RRPT; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

### 2.2 Principal Activities of Komarkcorp Group

Komarkcorp is principally an investment holding company and providing of management services to its subsidiaries.

The details of Komarkcorp's subsidiaries as well as their principal activities as at the LPD are set out in the table below:

Name	Country of Incorporation	Effective equity interest	Principal activities

It is anticipated that Komarkcorp Group would, in the normal course of business, continue to enter into transactions with the Related Parties, details of which are set out in Section 2.4 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

As such, the Board proposes to seek the shareholders' approval for the Proposed New and Renewal of Shareholders' Mandate for the Komarkcorp Group to enter into transactions in the normal course of business within the classes of Related Parties set out in Section 2.4 below, provided such transactions are entered into at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. Such mandate will enable the Group to enter into the RRPTs without the necessity, in most instances, to make the otherwise required announcement or to convene meetings in order to procure specific prior approval of its shareholders. The RRPTs will also be subject to the review procedures set out in Section 2.5 below.

### **2.3 Validity Period of the Proposed New and Renewal Shareholders' Mandate**

The Proposed New and Renewal Shareholders' Mandate, if approved by the shareholders, shall take effect from the passing of the ordinary resolution proposed at the forthcoming AGM and shall continue to be in force until :

- (a) the conclusion of the next AGM of the Company following the general meeting at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the general meeting, the mandate is renewed;
- (b) the expiration of the period within which the next AGM of the Company after the date is required to be held pursuant to Section 340 (2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340 (4) of the Act); or

## 2.5 Review Methods or Procedures for the Recurrent Related Party Transactions

Komarkcorp Group has established various methods and procedures to ensure the RRPTs are undertaken on arms' length and on normal commercial terms, which are consistent with Komarkcorp Group's usual business practices and policies, on transaction prices and terms which are not more favourable to the Related Parties than those extended to the public and are not detrimental to the minority shareholders.

The review and disclosure procedures are as follows:

- (i) the Related Parties, interested Directors and persons connected will be advised that they are subject to the shareholders mandate and will also be advised of the review and disclosure procedures;
- (ii) The transaction prices, terms and conditions which are market driven are to be determined at arms' length on a customer/supplier relationship basis at mutually agreed rates after due consideration of benefits to be derived from the transaction, under similar commercial terms for transactions with unrelated third parties, which depend on demand and supply, quality, level of service and other related factors;
- (iii) Some transactions may be on a cost recovery basis, being recovery of part of the costs for sharing or provision of some services or on a negotiated basis where both parties would contract on terms which are mutually acceptable and beneficial;
- (iv) That all RRPT(s) are required to be undertaken on an arm's length basis and on normal commercial terms. Where practicable and feasible, quotation and/or tenders will be obtained from at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities, which will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Party(ies) is/are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where it is impractical or impossible for quotes and/or tenders to be obtained from unrelated parties, or where there have not been any similar or substantially similar transactions between the Komarkcorp Group and unrelated third parties, the terms of the transactions for the products or services will be in accordance to the usual business practices of the Group to ensure that the RRPT(s) is/are not detrimental to the Komarkcorp Group;
- (v) Although there are no specific thresholds for approval of RRPT(s) within the Komarkcorp Group, all RRPT(s) are subject to the approval of the appropriate levels of authority as determined by the senior management and/or the Board from time to time, subject to the provisions in the Listing Requirements and/or the Act, where applicable. Where any Director has an interest (direct or indirect) in any RRPT(s), such Director shall abstain from deliberation and decision making;
- (vi) The Audit Committee shall amongst others, review any RRPT and conflict of interest situation that may arise within the Group including any transaction procedures or course of conduct that raises questions of management integrity;
- (vii) Records will be maintained by the respective companies to capture all RRPTs which are entered pursuant to the shareholders' mandate;
- (viii) The Board and Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor RRPTs have been complied with; and
- (ix) The Board shall have overall responsibility for the determination of the review procedures. If a member of the Board and Audit Committee has an interest in the transaction to be reviewed by the Board and Audit Committee, as the case may be, he will abstain from any decision making by the Board or Audit Committee in respect of the said transaction.

## **2.6 Amount Due and Owning by Related Parties**

As at LPD, there is no amount owing by the Related Parties pursuant to the RRPT(s) that has exceeded the credit terms.

## **2.7 Statement by Audit Committee**

The Audit Committee has the overall responsibility of determining whether the procedures and processes for reviewing all RRPT(s) are appropriate. The Audit Committee will review and ascertain at least once a year whether the procedures and processes established to monitor RRPT(s) have been complied with. If it is determined that the procedures and processes stated in Section 2.5 are inadequate to ensure that (i) the RRPT(s) will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures and processes.

The Audit Committee will also have the discretion to request for limits to be imposed or for additional procedures and processes to be followed if it considers such requests to be appropriate. In that event, such limits or procedures and processes may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures and processes.

The Audit Committee will review the existing procedures and processes, on an annual basis and as and when required, to ensure that the RRPT(s) are at all times carried out on commercial terms consistent with the Komarkcorp Group's usual business practices and policies.

The Audit Committee of the Company has reviewed the above procedures and processes and is satisfied that the said procedures and processes are adequate to monitor, track and identify RRPT(s) in a timely and orderly manner and are sufficient to ensure that the RRPT(s) will be carried out on commercial terms consistent with the Komarkcorp Group's usual business practices and policies and on terms not more favourable to the Related Parties than those generally available to and/or from the public, where applicable, and are not, in the Company's opinion, detrimental to the minority shareholders. Any member of the Audit Committee who is interested in any transaction shall abstain from reviewing and deliberating on such transaction.

## **2.8 Disclosure of Recurrent Related Party Transactions**

Disclosure will be made in the annual report of the Company in accordance with Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year based on the following information:

- (a) the type of the RRPTs made; and
- (b) the names of the Related Parties involved in each type of the RRPTs made and their relationships with Komarkcorp Group.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposed New and Renewal of Shareholders' Mandate had been obtained.

## **3. RATIONALE FOR THE PROPOSED NEW AND RENEWAL OF SHAREHOLDERS' MANDATE**

The Proposed New and Renewal of Shareholders' Mandate will enable Komarkcorp Group to carry out RRPT(s) necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of

general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channeled towards attaining other corporate objectives.

The RRPT(s) carried out within the Komarkcorp Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the RRPT(s) are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Party(ies), the Group would have an advantage of familiarity with the background and management of the Related Party(ies), thus enabling more informed commercial decisions to be made. In most dealings with the Related Party(ies), the Group and the Related Party(ies) have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT(s).

#### 4. EFFECTS OF THE PROPOSED NEW AND RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed New and Renewal of Shareholders' Mandate are administrative in nature and are therefore not expected to have any effect on the issued and paid-up capital, major shareholders' shareholdings and any material effect on the consolidated net assets, consolidated earnings per share and consolidated gearing of Komarkcorp.

#### 5. INTEREST OF DIRECTORS AND MAJOR SHAREHOLDERS

Dear Shareholders,

**PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

---

**1. INTRODUCTION**

At the AGM of the Company held on 27 November 2024, the Company had obtained the approval of its shareholder to purchase up to ten percent (10%) of the total number of issued shares of the Company at any point in time. The aforesaid shareholders' approval for the Company to purchase its own shares is subject to the annual renewal and will lapse at the conclusion of the forthcoming 29<sup>th</sup> AGM unless such authority is renewed by an ordinary resolution passed at the general meeting.

On 17 October 2025, the Board announced that the Company proposes to undertake the Proposed Renewal of Share Buy-Back Authority at the 29<sup>th</sup> AGM of the Company. The Proposed Renewal of Share Buy-Back Authority is subject to compliance with Section 127 of the Act and any prevailing laws, orders, requirements, guidelines, rules and regulations issued by any relevant authorities at the time of purchase.

The purpose of this Circular is to provide you with the relevant information of the Proposed Renewal of Share Buy-Back Authority and to seek your approval on the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority to be tabled at the 29<sup>th</sup> AGM. The notice of the AGM together with the Proxy Form is enclosed in the 2025 Annual Report of the Company for the financial year ended 30 June 2025.

**SHAREHOLDERS OF KOMARKCORP ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY AT THE FORTHCOMING AGM.**

## **2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

### **2.1 Proposed Renewal of Share Buy-Back Authority**

The Board is proposing to seek the shareholders' approval for the renewal of the authority for the Company to purchase its own Shares for an aggregate amount of up to ten percent (10%) of the total number of issued shares at any point in time.

Based on the Company's issued and paid-up share capital of RM173,277,341.00 comprising 230,921,376 Komarkcorp Shares (inclusive 3,600 treasury shares). As at the LPD, the maximum number of Komarkcorp Shares which may be purchased by the Company pursuant to the Proposed Renewal of Share Buy-Back Authority shall not exceed 23,092,137 Komarkcorp Shares in aggregate, which would include the 3,600 Komarkcorp Shares already held as treasury shares.

However, the actual number of Komarkcorp Shares to be purchased and the timing of any purchase will depend on the market conditions and sentiments of Bursa Securities, the availability of financial resources and retained profits of our Company. In addition, the Board will ensure that the purchase of Komarkcorp Shares will not result in the Company's public shareholding spread falling below the minimum public shareholding spread of twenty-five percent (25%) of the issued and paid-up share capital.

The Proposed Renewal of Share Buy-Back Authority, once approved by the shareholders, shall take effect from the passing of the ordinary resolution pertaining thereto at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution is passed, at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

The Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own Shares. Rather, it will allow the Board to exercise the power of the Company to purchase its own Shares at any time within the abovementioned time period.

### **2.2 Maximum Amount of Funds to be Allocated and the Source of Funds**

The Listing Requirements stipulate that the proposed purchase by a listed company of its own shares must be made wholly out of retained profits of the listed company. Therefore, the maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the amount stated in the retained profits of the Company. Based on the latest audited financial statements for the financial year ended 30 June 2025 of the Company, the retained losses of Komarkcorp was RM148,443,382.

The Proposed Renewal Share Buy-Back Authority will be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of Komarkcorp Shares to be purchased and other relevant factors. The actual number of Komarkcorp Shares to be purchased and/or held, and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock markets as well as the retained profits and financial resources available to the Company. In the event that the Proposed

Renewal of Share Buy-Back Authority is to be partly financed by external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have a material effect on the cash flow of the Group.

## **2.3 Treatment of the Purchased Komarkcorp Shares**

Pursuant to Section 127(4) of the Act, where the Company has purchased the Shares, the Board may, at their discretion, resolve: -

- i) to cancel the shares so purchased;
- ii) to retain the shares so purchased in treasury, which is referred to as “treasury shares” in the Act; or
- iii) to retain part of the shares so purchased as treasury shares and cancel the remainder of the shares.

Accordingly, based on Section 127(7) of the Act, where such Shares are held as treasury shares, the Board may, at their discretion: -

- i) distribute the shares as dividends to shareholders, such dividend to be known as “share dividends”;
- ii) resell the shares or any of the shares in accordance with the relevant rules of Bursa Securities;
- iii) transfer the shares, or any of the shares for the purposes of or under an employees’ share scheme;
- iv) transfer the shares, or any of the shares as purchase consideration;
- v) cancel the shares or any of the shares; or
- vi) sell, transfer or otherwise use the shares for such other purposes as the Minister may by order prescribe.

Upon each Proposed Renewal of Share Buy-Back Authority, an immediate announcement will be made to Bursa Securities in respect of the intention of the Board to either retain the Shares purchased as treasury shares or cancel them or a combination of both. An immediate announcement will also be made to Bursa Securities of any resale, transfer or cancellation of Shares so purchased.

## **2.4 Purchase/Resale Price**

Pursuant to the Listing Requirements, the Company may only purchase Komarkcorp Shares at a price which is not more than fifteen percent (15%) above the weighted average share price for the five (5) Market Days immediately preceding the date of the purchase(s). The Company may only resell the Purchased Komarkcorp Shares held as treasury shares at a price which is:

- (a) not less than the weighted average share price of Komarkcorp Shares for the five (5) Market Days immediately prior to the resale; or
- (b) at a discount of not more than 5% to the weighted average share price of Komarkcorp Shares for the five (5) Market Days immediately prior to the resale provided that:
  - (i) the resale takes place no earlier than thirty (30) days from the date of the purchase; and
  - (ii) the resale price is not less than the cost of purchase of the shares being resold.

The Proposed Renewal of Share Buy-Back Authority and/or resale of the Purchased Komarkcorp Shares shall only be effected on the market of Bursa Securities via its automated trading system and shall exclude any direct business transactions as defined in accordance with the rules of Bursa Securities. The Company shall ensure that all

dealing(s) in its own Shares/Purchased Komarkcorp Shares are made through stock broker(s) appointed by the Company.

## **2.5 Potential Advantages and Disadvantages of the Proposed Renewal of Share Buy-Back Authority**

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority would enable the Company to utilise its financial resources more efficiently and it may strengthen the consolidated EPS of the Group.
- (b) The Proposed Renewal of Share Buy-Back Authority will also provide the Company with opportunities for potential gains if the Purchased Komarkcorp Shares which are retained as treasury shares are resold at prices higher than their cost of purchase.
- (c) The purchased Komarkcorp shares retained as treasury shares can be distributed as share dividends to the shareholders as a reward.
- (d) The Proposed Renewal of Share Buy-Back Authority may also stabilise the supply and demand of Komarkcorp Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of Komarkcorp Shares price is important to maintain investors' confidence and may also assist in facilitating future fund raising via the equity market.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority if implemented is expected to temporarily reduce the immediate financial resources of Komarkcorp Group.
- (b) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.
- (c) The Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for distribution to the shareholders of the Company in the form of dividends as funds are utilised to purchase its own Shares.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.

## **2.6 Public Shareholding Spread**

Pursuant to the Listing Requirements, the Proposed Renewal of Share Buy-Back Authority will be carried out in accordance with the prevailing laws at the time of the purchase including compliance of twenty-five (25%) public spread. Based on the Company's Record of Depositors as at LPD, the public spread of the Company was 80.49%. The Board will endeavor to ensure that the Company complies with the public spread requirements and shall not buy back the Company's own shares if the purchase would result in the public spread requirements not being met.

## **2.7 Implication Relating to the Code**

Pursuant to the Code, a person and any parties acting in concert with him will be required to make a mandatory offer for the remaining Komarkcorp Shares not already owned by him/her/them if his/her/their stake in the Company is increased to beyond 33.0% or if his/her/their shareholdings is between 33.0% and 50.0% and increases by another 2.0% in any six (6) months period.

However, an exemption from mandatory offer obligation may be granted by the SC under the Code subject to the parties acting in concern complying with the conditions stipulated in the Code.

The Company intends to implement the Proposed Renewal of Share Buy-Back Authority in the manner that will not result in any of the shareholders having to undertake a mandatory offer pursuant to the Code. In this respect, the Board will be mindful of the requirements of the Code when implementing the Proposed Renewal of Share Buy-Back Authority.

## **2.8 Purchase, Resale and Cancellation of Shares Made in Previous Twelve (12) Months**

There were no purchase, resale, transfer or cancellation of shares made by Komarkcorp in the previous twelve (12) months preceding the date of this Circular. As at LPD, 3,600 Komarkcorp Shares are held by Komarkcorp as treasury shares in accordance with Section 127(6) of the Act.

## **3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The implementation of the Proposed Renewal of Share Buy-Back Authority is envisaged to benefit the Company and its shareholders as follows:

- (i) the Company is able to utilise its surplus financial resources more efficiently. If implemented, this may help to stabilise the supply and demand of the Komarkcorp Shares traded on Bursa Securities and thereby support its fundamental value;
- (ii) the EPS of Komarkcorp Shares and the return on equity of the Company is expected to improve as a result of a reduced share capital base;
- (iii) the Purchased Komarkcorp Shares retained as treasury shares provide the Board with an option to resell the treasury shares at a higher price and generate capital gains for the Company;
- (iv) the Purchased Komarkcorp Shares retained as treasury shares can be distributed as share dividends to the shareholders as a reward; and
- (v) the financial resources of the Company will increase if the Purchased Komarkcorp Shares held as treasury shares are resold at prices higher than the purchase price.

#### 4. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

As at the LPD, the Company has 230,917,776 issued Shares (excluding 3,600 treasury shares) and the following convertible securities:

- (i) 38,483,696 Warrants D, which have an exercise price of RM0.40 each and expiring on 21 June 2026; and
- (ii) up to 173,189,300 ESOS Options which may be granted pursuant to the maximum allowable amount under the ESOS.

The Company does not intend to grant any ESOS Options prior to the 29<sup>th</sup> AGM.

The effects of the Proposed Renewal of Share Buy-Back Authority are illustrated as follows:-

<i>Minimum Scenario</i>	<i>: Assuming that the Proposed Renewal of Share Buy-Back Authority is undertaken in full and that none of the outstanding Warrants D and ESOS Options are exercised into new Komarkcorp Shares as at the LPD</i>
<i>Maximum Scenario</i>	<i>: Assuming that the Proposed Renewal of Share Buy-Back Authority is undertaken in full and that all of the outstanding Warrants D and ESOS Options are exercised into new Komarkcorp Share</i>

##### 4.1 Share Capital

	<b>Minimum Scenario No. of Shares</b>	<b>Maximum Scenario No. of Shares</b>
As at LPD**	230,917,776	230,917,776
To be issued assuming full exercise of the total Warrants D	-	38,483,696
To be issued assuming full granting and exercise of outstanding ESOS Options which may be granted	-	173,189,300
<b>Resultant issued and paid-up share capital</b>	<b>230,917,776</b>	<b>442,590,772</b>
Less: Maximum number of Komarkcorp Shares that may be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority (including 3,600 treasury shares held by the Company as at the LPD)	(23,091,777)	(44,259,077)
<b>Resultant share capital after cancellation of Komarkcorp Shares bought back</b>	<b>207,825,999</b>	<b>398,331,695</b>

*Note:*

\*\* Based on 230,917,776 issued Shares (excluding 3,600 treasury shares) as at the LPD.

However, the implementation of the Proposed Renewal of Share Buy-Back Authority will not have any effect on the share capital of Komarkcorp if the Komarkcorp Shares purchased are retained as Treasury Shares.

##### 4.2 NA

When the Company purchases its own shares, regardless of whether they are retained as treasury shares or subsequently cancelled, the NA per Share of Komarkcorp Group will decrease if the cost per Share purchased exceeds the NA per Share of Komarkcorp Group

at the relevant point in time. However, if the cost per Share purchased is below the NA per Share of Komarkcorp Group at the relevant point in time, the NA per Share of Komarkcorp Group will increase.

In the case where the purchased Komarkcorp Shares are treated as treasury shares and subsequently resold on Bursa Securities, the NA per Share of Komarkcorp Group upon the resale will increase if the Company realises a gain from the resale and vice-versa. If the treasury shares are distributed as share dividends, the NA of Komarkcorp Group will decrease by the cost of the treasury shares at the point of purchase.

#### **4.3 Working Capital**

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of Komarkcorp Group, the quantum of which depends on, amongst others, the number of Komarkcorp Shares purchased and the purchase price(s) of the Komarkcorp Shares.

For Komarkcorp Shares purchased which are kept as treasury shares, upon their resale, the working capital and the cash flow of the Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

#### **4.4 Earnings**

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings of Komarkcorp Group are dependent on the number Komarkcorp Shares purchased, the effective funding cost to finance such purchases and/or loss in interest income to Komarkcorp Group if internally generated funds are utilised. Further, the purchase of the Komarkcorp Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

#### **4.5 Dividends**

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, the Proposed Renewal of Share Buy-Back Authority will have an effect of increasing the dividend rate per ordinary share of the Company as a result of the reduction in the issued share capital of the Company.
