To: The Shareholders of SDS Group Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

- 1.1** At the 7th AGM held on 23 August 2024, the Company had obtained the shareholders' mandate for the Group to enter into certain recurrent related party transactions based on the terms set out in the Circular to Shareholders dated 26 July 2024. The said shareholders' mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM, which will be held on 29 August 2025 unless approval of the renewal of the shareholders' mandate is obtained from our shareholders at the forthcoming AGM.
- 1.2** On 29 May 2025, the Company had announced that it would seek the approval of the shareholders for the Proposed Renewal of Shareholders' Mandate at the forthcoming AGM of the Company. The Notice of AGM and the Proxy Form which are enclosed in the Annual Report 2025, have been despatched to you on 31 July 2025.
- 1.3** The purpose of this Circular is to provide shareholders with the relevant information on the Proposed Renewal of Shareholders' Mandate and to seek shareholders' approval for the Ordinary Resolution pertaining to the Proposed Renewal of Shareholders' Mandate to be tabled at the forthcoming AGM.

YOU ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders in respect of recurrent related party transactions which are necessary for its day-to-day operations subject to, amongst others, the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:

“in relation to a listed issuer with an issued capital which is less than RM60 million -

- (i) the consideration, value of the assets, capital outlay or costs of the RRPTs is RM1 million or more; or
- (ii) the percentage ratio of such RRPTs is 1% or more,

whichever is the lower”;

- (c) the listed issuer's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities;
- (d) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

2.2 The SDS Group has, in the ordinary course of its business, entered into certain RRPTs and it is anticipated that the companies within the SDS Group would, in the ordinary course of business, continue to enter into such transactions with the Related Parties, details of which are set out in Section 2.6. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

2.3 Accordingly, the Board proposes to seek the Proposed Renewal of Shareholders' Mandate for RRPTs to be entered into by SDS Group during the Mandate Period.

These RRPT(s) which are necessary for the day-to-day operations of SDS Group, have been/will be based on normal commercial terms, at arms' length, and have been/will be transacted on terms that are not more favourable to the Related Parties than those generally available to the public.

2.4 Validity period of the Proposed Renewal of Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate, if approved by the shareholders of the Company at the forthcoming AGM, will take effect from the date of the passing of the ordinary resolution at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM, unless the authority is renewed by a resolution passed at the next AGM;
- (b) the expiration of the period within which the next AGM is required to be held pursuant to Section 340(2) of the Act (but will not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

Thereafter, the approval of the shareholders of the Company will be sought for the renewal of the shareholders' mandate at each subsequent AGM of the Company.

(h) The details of the direct and indirect shareholdings of Related Parties are disclosed in Item 6 of this Circular.

2.7 Amount due from and owing by Related Parties pursuant to the RRPT

As at the LPD, there is no amount due and owing by the Related Parties pursuant to the RRPTs that have exceeded the credit terms.

2.8 Review procedures for RRPT

The SDS Group has established the following review procedures to be carried out to ensure that the RRPTs are undertaken on transaction prices at arm's length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders of the Company:

- (a) The definition of related party, list of related parties and the review procedures will be circulated and/or updated within the Group;
- (b) The duties and roles of the ARMC include the review of RRPTs;
- (c) Records will be maintained to record all RRPTs which are/will be entered into, which will be available for review by, among others, the auditors and ARMC, on a quarterly basis. Any member of the ARMC may, as he deems fit, request additional information pertaining to RRPTs from independent sources or advisers;
- (d) Where applicable, the terms of the pricing of the RRPTs will be consistent with the Group's usual business practices and policies and will take into consideration the terms and conditions, pricing, level of service and expertise required, quality, reliability and consistency of products and services as compared with the prevailing market rate of prices and general practices by other service providers of similar capacity and capability for the same or substantially similar type of products/services and/or quantities. At least 2 other contemporaneous transactions with unrelated third parties for similar products and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by all related parties are fair and reasonable and comparable to those offered to/by unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from third parties cannot be obtained, the transaction price will be determined by our Group based on usual business practices and policies of the Group to ensure that the recurrent related party transactions are not detrimental to SDSG or its Group;
- (e) The ARMC shall review procedures, and shall continue to review the established guidelines and procedures, on an annual basis and as and when required with the authority to subdelegate to individuals or committees within the Company as they deem appropriate;
- (f) The ARMC will report its findings to the Board for further action during the quarterly review. If the ARMC is of the view that the guidelines and procedures are not adhered to or are not sufficient to ensure that the RRPTs are carried out on normal commercial terms and/or the RRPTs are deemed detrimental to the minority shareholders of the Company, the ARMC will:
 - firstly, discuss and ascertain whether it is the guideline or procedure which is at fault or whether it is the fault of the person(s) delegated with the task of ensuring compliance or otherwise; and
 - secondly, if the fault is the person rather than the guideline or procedure, appropriate action will be taken against the person connected. If the defect lies with the guideline or procedure, then the ARMC will modify, supplement or replace as may be required, the relevant guideline or procedure and report such modification, supplemental or replacement to the Board;
- (g) Where any Director or person connected to him or the ARMC has an interest (direct and indirect) in any related party transactions or RRPTs, he will abstain from voting on any matter relating to any decision making by the Board or the ARMC in respect of such transactions; and

- (h) There is no approval threshold for RRPT as all RRPTs will be reviewed by the ARMC and approved by the Board.

2.9 Disclosure in Annual Report

Disclosure will be made in the Company's annual report on the breakdown of the aggregate value of the RRPT made during the financial year, amongst others, based on the following information:

- (a) the type of RRPT made; and
- (b) the names of the Related Parties involved in each type of the RRPT and their relationship with the Group.

2.10 Statement by the ARMC

The ARMC has seen and reviewed the procedures mentioned in Section 2.8 above and is satisfied that the Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner as well as to ensure that the RRPT is carried out:

- (a) on terms not more favourable to the Related Parties than those generally available to the public;
- (b) on an arm's length basis and on the Group's normal commercial terms; and
- (c) not detrimental to the minority shareholders of the Company.

The ARMC reviews the procedures in Section 2.8 periodically, as and when the need arises.

The ARMC is also of the view that the above procedures in Section 2.8 are sufficient to ensure that the RRPT are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPTs envisaged in the Proposed Renewal of Shareholders' Mandate are all in the ordinary course of business. The RRPTs are recurring transactions of a revenue or trading nature which will occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such RRPTs.

By obtaining the Proposed Renewal of Shareholders' Mandate on an annual basis, the necessity to make regular announcements to Bursa Securities and to convene separate general meetings to seek shareholders' approval from time to time is eliminated. This would substantially reduce administrative time, inconvenience and expenses associated with the making of announcements and convening of such meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to the SDS Group.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any material effect on the share capital, shareholdings of the substantial shareholders, earnings and net assets of the SDS Group.

5. APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to the approval being obtained from the shareholders of the Company at the forthcoming AGM.

6. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSON(S) CONNECTED TO THEM

As at the LPD, the shareholdings of the Interested Directors and Interested Major Shareholders and persons connected to them are set out as follows:

Name of Directors/ Major Shareholders	Direct		Indirect	
	No. of Shares	%	No. of Shares	%
Tan Kim Seng	132,054,373	24.25	9,708,826 ⁽¹⁾	1.78
Tan Kim Chai	131,847,439	24.21	1,988,826 ⁽²⁾	0.37
Tan Kee Jin	1,580,000	0.29	-	-
Tan Yon Haw	25,489,292	4.68	-	-

1. INTRODUCTION

- 1.1** At the 7th AGM of the Company held on 23 August 2024, the Company obtained the shareholders' approval for the authority to purchase up to ten percent (10%) of the issued shares of the Company.
- 1.2** On 29 May 2025, the Company announced that the Company proposes to seek the approval of the shareholders to undertake the Proposed Renewal of Share Buy-Back Authority at the forthcoming 8th AGM of the Company.
- 1.3** The purpose of this Statement is to provide shareholders with details of the Proposed Renewal of Share Buy-Back Authority and to seek the shareholders' approval for the Ordinary Resolution to be tabled at the forthcoming 8th AGM of the Company.

YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 The Board is proposing to seek approval from the shareholders of the Company to purchase and/or hold its own shares not exceeding ten percent (10%) of the issued shares of the Company at any point in time and would be effective immediately upon the passing of the Ordinary Resolution for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 8th AGM and shall be valid until:

- (a) the conclusion of the next AGM of the Company, at which time it will lapse, unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

The Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own shares. Rather, it will allow the Board to exercise the power of the Company to purchase its own shares at any time within the above-mentioned time period.

2.2 Maximum Limit

The maximum aggregate number of Shares which may be purchased by the Company shall not exceed ten percent (10%) of the total number of issued shares of the Company at any point in time.

As at the LPD, the total number of issued Shares of the Company is represented by 546,173,689 ordinary shares inclusive of 1,577,333 shares bought back by the Company and kept as treasury shares. As an illustration, the maximum number of Shares which may be purchased by the Company will be no more than 54,617,368 shares based on the total number of issued shares of SDS, the amount of which includes 1,577,333 retained as treasury shares as of 30 June 2025.

The actual number of SDSDG Shares to be purchased by the Company and the timing of such purchase will depend on (among others) the prevailing equity market conditions and sentiments of the stock market as well as the retained profits and financial resources available to the Company at the time of the purchase(s). The Proposed Renewal of Share Buy-Back Authority shall only be affected on the open market of the Exchange via its automated trading system and shall exclude any direct business transactions as defined in accordance with the rules of Bursa Securities. The Proposed Renewal of Share Buy-Back Authority shall be transacted through the Company's appointed stockbroker(s) approved by Bursa Securities.

2.3 Source of Funds

The Proposed Renewal of Share Buy-Back Authority may be funded through internally generated funds and/or bank borrowings if the purchase is backed by an equivalent amount of retained profits of the Company, subject to compliance with the Prevailing Laws.

The Proposed Renewal of Share Buy-Back Authority, if funded through internally generated funds, is not expected to have a material impact on the cash flow position of the Company. In the event the Proposed Renewal of Share Buy-Back Authority is to be financed by bank borrowings, the Board will ensure that the Company has the capability to repay such borrowings and that such repayment will not have a material effect on the cash flow of the Company.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate of the retained profits of the Company at the time of purchase. As of the financial year ended 31 March 2025, the audited retained profit account of the Company stood at RM748,000.

Notwithstanding the above, the Company will ensure that there are sufficient retained profits at Company level prior to the share buy-back. In addition, the Company will ensure that the maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate of the retained profits of the Company at the time of purchase.

As required under Section 112(2) of the Act, the Company will have to perform a solvency test to satisfy the following conditions:

- (a) the share buy-back would not result in the Company being insolvent and its capital being impaired at the date of the solvency statement; and
- (b) the Company will remain solvent after each buy-back during the period of six (6) months after the date of the declaration made by a majority of the Directors.

2.4 Public Shareholding Spread

As at LPD, the public shareholding spread of the Company was 26.40%.

The Board is mindful of the requirement that any share buy-back exercise must not result in the public shareholding spread of the Company falling below 25% of its issued and paid-up share capital.

2.5 Treatment of Purchased Shares

Pursuant to Section 127 of the Act, the Board may deal with the Purchased Shares in the following manner:

- (a) cancel all or part of the Purchased Shares; or
- (b) retain the Purchased Shares as treasury shares, to be distributed as dividends to the shareholders and/or resold on the market of Bursa Securities and/or transferred for the purposes of or under an employees' share scheme and/or transferred as purchase consideration; or
- (c) retain part of the Purchased Shares as treasury shares and cancel the remainder; or
- (d) deal with the Shares in any other manner as may be permitted by the applicable laws and/or regulations in force from time to time.

In considering how the Purchased Shares will be dealt with, an immediate announcement will be made to Bursa Securities upon each purchase, cancellation and/or resale of Purchased Shares pursuant to the Proposed Renewal of Share Buy-Back Authority.

2.6 Purchase Price and Resale/Transfer Price

In accordance with the Listing Requirements, SDSG may only purchase its own shares on Bursa Securities at a price which is not more than fifteen percent (15%) above the weighted average market price of SDSG Shares for the five (5) Market Days immediately before the purchase. An immediate announcement will be made to Bursa Securities of any purchase(s) of its own shares on the day of purchase.

The Company may only resell the Purchased Shares held as treasury shares on Bursa Securities, the Company may only do so at:

- (a) a price which is not less than the weighted average market price for the SDSG Shares for the five (5) Market Days immediately before the resale or transfer; or
- (b) a discounted price of not more than five percent (5%) to the weighted average market price for the SDSG Shares for the (5) Market Days immediately before the resale or transfer provided that:

- i) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
- ii) the resale price is not less than the cost of purchase of the SDSG Shares being resold or transferred.

2.7 Ranking of Purchased Shares

(Source : Yahoo Finance)

The last transacted price of SDSG Shares on LPD was RM0.74.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will enable the Company to utilise its surplus financial resources more efficiently, to stabilise the supply and demand of SDSG Shares traded on the Exchange and thereby support its fundamental value.

The Purchased Shares of the Company can be held as Treasury Shares and resold through the Exchange at a higher price and generate capital gains for the Company. The Purchased Shares retained as treasury shares can be distributed as share dividends to shareholders as a reward.

The Purchased Shares retained as treasury shares can be utilised as purchase consideration for corporate transaction(s) such as acquisition of land/property/assets, thereby reducing the capital outflow/financial burden of the Company and/or Group.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) Where the Directors resolve to cancel the SDSG Shares so purchased, the Company expects to enhance the EPS of the Group as a result of the reduction in the total number of the issued share, thereby enabling long-term and genuine investors to enjoy any potential corresponding increase in the value of their investments in the Company;
- (b) Allows the Company to take preventive measures against speculation particularly when its Shares are undervalued which would in turn stabilise the market price of SDSG Shares and hence, enhance investors' confidence;
- (c) The Proposed Renewal of Share Buy-Back Authority will provide the Company with opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than their cost of purchase;
- (d) The Treasury Shares can also be distributed as share dividends to reward the shareholders; and
- (e) The Purchased Shares may be held as Treasury Shares and to be transferred for the purpose of or under the Employee Share Scheme established by the Company without the necessity of appointing trustee, thus, saving costs.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) Reduce the Group's financial resources and may result in the Group foregoing better investment opportunities that may emerge in the future or, at least, deprive the Group of interest income that can be derived from the funds utilised for the Proposed Renewal of Share Buy-Back Authority;
- (b) Result in a lower amount of cash reserves available for dividends to be declared to shareholders as funds are utilised to purchase SDSG Shares; and
- (c) If the Proposed Renewal of Share Buy-Back Authority is funded by external borrowings, the Company's net cash flow may decline to the extent of the interest costs associated with such borrowings.

Nevertheless, the Board in the view that the Proposed Renewal of Share Buy-Back Authority is not expected to cause any potential material disadvantage to the Company and its shareholders, and it will be implemented only after taking into consideration, amongst others, the financial resources of the Group, and of the resultant impact on the shareholders of the Company.

5. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

(a) Share Capital

In the event that the Company acquires the full ten percent (10%) of the total number of issued shares of the Company authorised under the Proposed Renewal of Share Buy-Back Authority and all the SDSG Shares so acquired are cancelled, the total number of issued shares of the Company will be as follows:

	<u>No. of SDSG Shares</u>
Total number of issued shares as at LPD	546,173,689
Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full (up to 10%) and being cancelled	(54,617,368)
Total number of issued shares upon completion of the Proposed Renewal of Share Buy-Back Authority	491,556,321

The Proposed Renewal of Share Buy-Back Authority will have no effect on the issued share capital of the Company if all the Purchased Shares are to be retained as Treasury Shares, resold or distributed to the shareholders. If the Purchased Shares are retained as Treasury Shares, the total issued capital of the Company will not be reduced but the rights attached to the Treasury Shares as to voting, dividends and participation in other distribution or otherwise will be suspended. While these Purchased Shares remain as Treasury Shares, the Act prohibits the consideration of such Purchased Shares in calculating the number or percentage of Shares in the Company for any purpose whatsoever including, substantial shareholdings, takeovers, notices, requisition of meetings, quorum for meetings and the result of votes on resolutions.

(b) Working Capital

The Proposed Renewal of Share Buy-Back Authority could reduce the working capital and cashflow available to the Group, the extent of which will depend on the purchase price and the number of Shares purchased. Assuming that the Purchased Shares are retained as Treasury Shares and subsequently resold, the working capital and the cashflow of the Group will increase upon receipt of the proceeds of the resale. The quantum of the increase in the working capital and cashflow will depend on the actual selling price(s) of the Treasury Shares and the number of Treasury Shares sold.

(c) NA Per Share

The Proposed Renewal of Share Buy-Back Authority, if implemented, may increase or decrease the NA per Share depending on the purchase price(s) of the Shares to be purchased. The NA per Share will increase if the purchase price is less than the NA per Share at the time the Shares are purchased but will decrease if the purchase price exceeds the NA per Share at the time the Shares are purchased.

For the Purchased Shares and kept as Treasury Shares, upon resale, the NA per Share will increase if the gain from the Shares resold has been realised. However, the quantum of the increase in NA per Share will depend on the selling prices of the Treasury Shares and the number of Treasury Shares sold.

(d) EPS

The effects of the Proposed Renewal of Share Buy-Back Authority on the EPS of the SDS Group are dependent on the purchase price(s) of the Shares and the effective funding cost or loss in interest income to the SDS Group. Where the Purchased Shares are to be cancelled, the EPS of the SDS Group will generally, all else being equal, increase due to the reduction in the issued share capital of the Company.
