STATEMENT TO SHAREHOLDERS IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

The Company had at the AGM held on 15 July 2021, obtained approval from shareholders of YHB for the renewal of share buy-back authority to purchase up to ten percent (10%) of the total number of issued shares at any point in time through its appointed stockbroker.

The Board had on 28 April 2022, announced to Bursa Securities that the Company proposes to seek shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 29th AGM of YHB in accordance with Section 127 of the Act, the Company's Constitution and the Listing Requirements.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Details of the Proposed Renewal of Share Buy-Back Authority

The Board proposes to seek shareholders' approval on the Proposed Renewal of Share Buy-Back Authority for the Company to purchase up to ten percent (10%) of the total number of issued shares at any point in time through its appointed stockbroker.

The mandate from the shareholders for the Proposed Renewal of Share Buy-Back Authority, once approved by the shareholders of YHB, will be effective immediately from the date of the passing of the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority at the forthcoming AGM and will continue to be in force until:

- (a) the conclusion of the next AGM of the Company following this AGM at which such resolution was passed; or at which time it will lapse, unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

2.2 Status and Treatment of Purchased Shares

The Board may deal with the Purchased Shares in the following manner:

- (a) To cancel the Purchased Shares;
- (b) To retain the Purchased Shares in treasury, which is referred to as “**treasury shares**” in the Act;
- (c) To retain part of the Purchased Shares as treasury shares and cancel the remainder of the shares;
- (d) To distribute all or part of the treasury shares as dividends to shareholders, such dividends to be known as “**share dividends**”;
- (e) To resell all or part of the treasury shares on Bursa Securities in accordance with the relevant rules of the stock exchange;
- (f) To transfer all or part of the treasury shares as purchase consideration;
- (g) To transfer the treasury shares for the purpose of or under an employees’ share scheme;
- (h) To cancel all or part of the treasury shares;
- (i) To see, transfer or otherwise use the treasury shares for such purposes as the Minister (as defined in the Act) may by order prescribe; and/ or
- (j) In any other manner as may be prescribed by applicable law and/or regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force.

If the Purchased Shares are retained as treasury shares, the issued share capital of YHB will not be reduced but the rights attaching to the treasury shares in relation to voting, dividends and participation in other distributions or otherwise will be suspended. While these Purchased Shares remain as treasury shares, the Act prohibits the taking into account of the treasury shares in calculating the number of percentage of Shares or a class of shares in YHB for any purpose whatsoever including substantial shareholdings, takeovers, notices, requisitioning of meetings, quorum for meetings and the results of votes on resolutions.

2.3 Source of Funds

The Board proposes that the maximum fund to be allocated by the Company for the purpose of purchasing its own shares shall not exceed the aggregate of the retained profits of the Company based on the latest audited financial statements and/or the latest unaudited financial statements of the Company (where applicable) available at the time of the purchase.

The retained profits of the Company based on the latest audited financial statements as at 31 January 2022 is RM621 million.

The Proposed Renewal of Share Buy-Back Authority will allow the Board to exercise the rights of the Company to purchase its own Shares at any time within the abovementioned time period using the internal funds and/or external borrowings of the Company.

In the event external borrowings are required, the Board will ensure that the Company has sufficient financial capability to repay such borrowings and that the external borrowings are not expected to have any material adverse effects on the cash flow of the Company. In any event, the Board will ensure that the maximum funds to be used for the buy-back of YHB Shares shall not exceed the retained profits of the Company.

2.4 Implication of the Code

The purchase of YHB Shares pursuant to the Proposed Renewal Share Buy-Back Authority will effectively cause the shareholders' percentage shareholdings in YHB to increase without any corresponding increase in the actual number of Shares held, assuming all other things being equal.

Pursuant to the Code, a person and/or any persons acting in concert with him ("**PACs**") will be obliged to make a mandatory take-over offer when as a result of a buy-back scheme by the Company:

- (a) a person obtains controls in a company;
- (b) a person holding more than thirty-three percent (33%) but not more than fifty percent (50%) of the voting shares or voting rights of a company increases his holding of the voting shares or voting rights of the company by more than two percent (2%) in any six (6) month period;

As at the LPD, the shareholdings of Lim Han Weng and PACs to Lim Han Weng are 27.65%. Assuming the Proposed Renewal of Share Buy-Back Authority is carried out in full, the shareholdings of Lim Han Weng and his PAC will increase to more than 33%, Lim Han Weng and his PACs will be obliged to undertake mandatory offer for the remaining YHB Shares not held by them. However, an exemption may be granted by Securities Commission under the provisions of the Capital Markets and Services Act 2007.

Nevertheless, the Board will be mindful in the implementation of the Proposed Renewal of Share Buy-Back Authority in a manner that will not result in any of the shareholders having to undertake a mandatory take-over offer pursuant to the Code.

2.5 Previous Purchases and Resale and/or Cancellations of Treasury Shares

In the previous twelve (12) months, YHB has made purchases as listed below from the open market.

There was no resale or transfer or cancellation of treasury share in the previous twelve (12) months. The Purchased Shares were retained as treasury shares. As at 5 May 2022, being the LPD prior to the printing of this Statement, YHB held a total of 78,301,200 treasury shares.

Month	No of Purchased Shares	Minimum Price (RM)	Maximum Price (RM)	Average Price (RM)	Total Amount Paid (RM)

* Adjusted share price post bonus issue undertaken by the Company which was completed on 14 April 2022.

2.6 Public Shareholding Spread

The Proposed Share Buy-Back will be carried out in accordance with the prevailing law at the time of the purchase including compliance with 25% public shareholding spread in the hands of public shareholders as required under Paragraph 12.14 of the Listing Requirements.

As at the LPD, the public shareholding spread of the Company is 72.35%. In implementing the Proposed Share Buy-Back, the Company will ensure that the minimum public shareholding spread of 25% is complied with.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The rationale for the Proposed Renewal of Share Buy-Back Authority is as follows:

- (a) it allows the Company to have greater flexibility in managing its capital structure;
- (b) it is an expedient and cost-efficient way for the Company to return surplus cash/funds, if any, which is in excess of the foreseeable financial and investment needs of the YHB Group to its shareholders;
- (c) the dilution effect that is caused by the ESS on EPS and NA per Share will reduce;
- (d) in any event, the treasury shares may also be distributed as share dividends to the shareholders as a reward; and
- (e) in managing the businesses of YHB Group, the management strives to increase shareholders' value by improving, *inter-alia*, the return on equity of the YHB Group. The Proposed Renewal of Share Buy-Back Authority is one way through which the return on equity of the YHB Group may be enhanced.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

4.1 Potential Advantages

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (i) enables the Company to take preventive measures against speculative activities particularly when the Shares are undervalued which may in turn stabilise the market price and hence, enhance investors' confidence;
- (ii) enables the Company to utilise its financial resources more efficiently especially where there is no immediate use. Any subsequent cancellation of the Purchased Shares may strengthen the consolidated EPS of the Group, which in turn have a positive impact on YHB's share prices;
- (iii) provide the Company with opportunities for potential gains if the treasury shares are subsequently resold at prices higher than the purchase price; and
- (iv) the treasury shares may be distributed as share dividends to the shareholders as a reward.

4.2 Potential Disadvantages

The potential disadvantages/risk factors of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (i) the Proposed Renewal of Share Buy-Back Authority, if implemented, will reduce the financial resources of YHB Group and consequently result in YHB Group foregoing investment opportunities that may arise in the future or any interest that may be derived from depositing such funds in interest bearing deposits; and
- (ii) as the funds to be allocated for the Proposed Renewal of Share Buy-Back Authority must be made out of YHB's retained profits, the amount available from these accounts for distribution of dividend to YHB's shareholders may decrease accordingly.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages or major risk to the Company and its shareholders as it will only be implemented after considering the interests of both the Company and its shareholders.

5. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The financial effects of the Proposed Renewal of Share Buy-Back Authority on the share capital of the Company, NA, earnings and EPS, working capital and dividends of the YHB Group are as follows:

5.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority in respect of the total number of issued shares will depend on whether the Purchased Shares are cancelled or retained as treasury shares.

On the assumption that the shares and/or options granted under the ESS are fully vested and/or exercised into new YHB Shares and the Proposed Renewal of Share Buy-Back Authority is carried out in full and all the Purchased Shares are subsequently cancelled, the Proposed Renewal of Share Buy-Back Authority will result in the issued share capital of the Company as at the LPD to be reduced as follows:

	No. of Shares
Issued share capital as at the LPD	2,207,565,946
Add: Maximum number of YHB Shares to be issued pursuant to the ESS (net of treasury shares)	<u>212,926,475</u>
	2,420,492,421
Minus: Maximum number of YHB Shares that may be purchased and subsequently cancelled pursuant to the Proposed Share Buy-Back	<u>(242,049,242)</u>
Resultant issued share capital after cancellation of YHB Shares	<u>2,178,443,179</u>

If the Purchased Shares are retained as treasury shares, there will be no impact on the issued capital of YHB but the rights attaching to the treasury shares in relation to voting, dividends and participation in other distributions or otherwise will be suspended.

5.2 NA

The effect of the Proposed Renewal of Share Buy-Back Authority on the NA per share of YHB is dependent on the purchase price(s) of YHB Shares. When the Company purchases its own Share, regardless of whether they are retained as treasury share or subsequently cancelled, if the purchase price is less than the audited NA per share of YHB at the time of purchase, the NA per share will increase. Conversely, if the purchase price exceeds the audited NA per share of YHB at the time of purchase, the NA per share will decrease.

5.3 Earnings and EPS

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of YHB will depend on, *inter-alia*, the actual number of Purchased Shares and the effective cost of funding to YHB Group, or any loss in interest income to YHB or opportunity cost in relation to other investment opportunity if internally generated funds are utilised. However, the Proposed Renewal of Share Buy-Back Authority, if carried out, is not expected to have any material effect on the EPS of YHB for the FYE 31 January 2023.

5.4 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital and cash flow available for the YHB Group. The quantum of the reduction of the working capital of YHB Group would depend on the purchase price(s) and number of Shares purchased as well as any associated costs incurred in relation to the share buy-back pursuant to the Proposed Renewal of Share Buy-Back Authority. However, it is not expected to have any material adverse effect on the working capital of the Company.

5.5 Dividends

The above Proposed Renewal of Share Buy-Back Authority is not expected to have any impact on any dividend payment as the Board will take into consideration the Company's profit, cash flow and the capital commitments before proposing any dividend payment.

6. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

The effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors and Substantial Shareholders of YHB (excluding effect of rights issue currently undertaking by the Company) based on their shareholdings as at 5 May 2022 assuming that the shares and/or options granted under the ESS are fully vested and/or exercised into new YHB Shares and the Proposed Renewal of Share Buy-Back Authority is carried out in full is as follows:
