(The Condensed Consolidated Statement of Cash Flows should be read in conjunction with the audited financial statements for the year ended 30 June 2013 and the accompanying explanatory notes attached to the interim financial statements)

PART A: EXPLANATORY NOTES PURSUANT TO FRS 134

1 Accounting Policies and Method of Computation

The interim financial statements are unaudited and have been prepared in accordance with the requirements of Financial Reporting Standard 134 Interim Financial Reporting and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and should be read in conjunction with the Group's audited financial statements for the financial year ended 30 June 2013.

The same accounting policies and methods of computation are followed in the interim financial statements as compared with the annual audited financial statements for the financial year ended 30 June 2013.

On 19 November 2011, the Malaysian Accounting Standards Board ("MASB") had issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards Framework ("MFRS Framework"), a fully-IFRS compliant framework. Entities other than private entities shall apply the MFRS Framework for annual periods beginning on or after 1 January 2012, with the exception of Transitioning Entities ("TEs").

TEs, being entities within the scope of MFRS 141 *Agriculture* and/or IC Interpretation 15 *Agreements for the Construction of Real Estate*, including its parents, significant investors and venturers were given a transitional period of two years, within which the MFRS Framework is mandatory to be adopted by the TEs. Following the announcement by the MASB on 7 August 2013, the transitional period for TEs has been extended for an additional year. Therefore, the mandatory adoption date of the MFRS Framework for TEs has been extended from annual periods beginning on or after 1 January 2014 to annual periods beginning on or after 1 January 2015.

The Group being a TE has availed itself of these transitional arrangements and will continue to apply FRSs in the preparation of its financial statements. Accordingly, the Group will be required to apply MFRS 1 *First-time adoption of Malaysian Financial Reporting Standards* in its financial statements for the financial year ending 30 June 2016, being the first set of financial statements prepared in accordance with new MFRS Framework. Further, an explicit and unreserved statement of compliance with IFRSs will be made in these financial statements.

The following FRS and IC Interpretation have been issued by the MASB but are not yet effective, and have yet to be adopted by the Group:

PART B: EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE MAIN MARKET LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

1 Review of Performance

Under the 2014 Budget and the recent Bank Negara Malaysia's new guidelines on lending to property sectors, several measures have been announced by the Government to curb excessive property speculations. These cooling measures may post potential downside risks for the property sectors. The Malaysian economy recorded stronger growth of 5.0% in the third quarter of 2013 as compared to 4.3% recorded in the second quarter of 2013.

The Group's revenue for the current quarter improved by 16.6% to RM91.1 million as compared to RM78.1 million reported in the previous corresponding quarter while pre-tax profit for the current quarter decreased to RM6.0 million as compared to RM11.4 million reported in the previous corresponding quarter. Revenue from the property development division which was mainly contributed by the on-going projects namely Nova Saujana in Subang and The Cantonment in Penang was lower as compared to the previous corresponding quarter due to higher billings from the completion of Phase 2 of the commercial property project known as V Square @ PJ City Centre in September 2012. Profit from the property development division declined as compared to the previous corresponding quarter mainly due to higher profits registered in the previous corresponding quarter upon completion of Phase 2 of the V Square @ PJ City Centre project which enjoyed better margins. Revenue and profit from the construction and project management division showed an increase in current quarter due to contribution from new contracts secured as compared to previous corresponding quarter.

The share of results of associated companies during the quarter improved marginally to RM0.8 million as compared to profit RM0.2 million reported in the previous corresponding quarter.

2 Material Changes in the Quarterly Results Compared to the Results of the Preceding Quarter

The Group's revenue decreased to RM91.1 million for the current quarter as compared to RM130.0 million for the immediate preceding quarter. The 29.9% decline was mainly attributed to lower billings from the Nova Saujana project in Subang during the current quarter under review as compared to higher billings from the same project in the preceding quarter since it was launched in March 2013 and the completion of Amaya Maluri in Cheras in August 2013, under the property development division as well as lower billings from external construction projects. The Group recorded a pre-tax profit of RM6.0 million for the current quarter as compared to the pre-tax profit of RM23.3 million for the immediate preceding quarter. The lower pre-tax profit for the current quarter was mainly due to projects completion and costs incurred for projects pending launch offset to a certain extent by increase in the share of results of associated companies in current quarter compared to the preceding quarter.

3 Prospects for the current Financial Year Ending 30 June 2014

The Malaysian economic prospects and business fundamentals are expected to be stable with a projected growth of between 4.5% to 5.0% for the year 2013, to be driven largely by domestic consumption with the global economy continuing to face downside risks. The cooling measures announced by the Government will not have significant effects on the Group's immediate earnings due to high percentage of lock-in sales for launched projects.

With the expected completion of the proposed disposal of Block 1 of V Square @ PJ City Centre together with 964 car park bays by Khuan Choo Property Management Sdn Bhd, a wholly-owned subsidiary of the Company, to Bukit Damansara Development Sdn Bhd for a total consideration of RM140 million (as mentioned in Note 8 below) by end of December 2013, the Group is expected to record an after-tax gain on disposal amounting to RM37.8 million for the second financial quarter ending 31 December 2013.

In the meantime, the on-going development projects of the Group namely The Cantonment in Penang and Nova Saujana in Subang, together with the on-going construction contracts in hand, will continue to contribute positively to the earnings of the Group for the financial year ending 30 June 2014. During the financial year ending 30 June 2014, the Group has plans to continue to launch new property projects within the Klang Valley, including the upcoming mixed development project in Bukit Jalil, Kuala Lumpur.

Barring unforeseen circumstances, the Board of Directors envisages the Group to achieve satisfactory results for the financial year ending 30 June 2014.

4 **Profit Forecast or Profit Guarantee**

Not applicable as the Group has not issued any profit forecast or profit guarantee.

11 Material Litigation

Save as disclosed below, there is no pending material litigation as at the date of this report:-

 (i) Claim by Impian Ekspresi Sdn Bhd ("IESB") (as the first plaintiff), Khuan Choo Property Management Sdn Bhd ("KCPM") (as the second plaintiff) and Pembinaan Gapadu Sdn Bhd ("PGSB") (as the third plaintiff) against Bukit Damansara Development Sdn Bhd ("BDDSB") and Damansara Assets Sdn Bhd ("DASB") (both collectively referred to as the "Defendants")

By a Writ of Summons and Statement of Claim dated 25 November 2011 (as amended), IESB commenced an action against the Defendants and claimed, primarily for specific performance of the Joint Venture Agreement dated 7 January 2009 entered into amongst IESB, BDDSB and DASB ("JV Agreement") as varied by a Supplemental Agreement dated 31 January 2011 ("First Supplemental Agreement") involving, inter alia, IESB acquiring a freehold land measuring 38,740 square meters in land area held under Geran 61509, Lot No. 54325, Mukim Kuala Lumpur, District of Kuala Lumpur ("PBD Land") together with nine (9) blocks of office/commercial buildings ("PBD Complex") currently known as Pusat Bandar Damansara Kuala Lumpur ("Subject Property") from BDDSB for purposes of developing, redeveloping, constructing, refurbishing, selling, granting leases/tenancies and in any manner dealing with the Subject Property.

The second and third plaintiffs, KCPM and PGSB (both wholly-owned subsidiaries of the Company) claimed for, inter-alia, an order of the High Court of Kuala Lumpur ("High Court") directing the Defendants to do all necessary acts to fulfill their obligations within 14 days from the date of the order of the High Court to execute the sale and purchase agreements as set out in the Appendix to the First Supplemental Agreement with KCPM and PGSB as the case may be, in relation to the following:-

- (a) sale by KCPM of a block of corporate office with gross area of approximately 207,772 square feet and 963 car parks erected on a piece of leasehold land under HS(D) 236663, PT No. 5, Seksyen 27, Daerah Petaling, Negeri Selangor (now identified as Block 1 of VSQ) for a consideration of RM141,307,980.00 in exchange for ownership of such amount of office space in the PBD Complex and/or any part of the office building within the vicinity of the PBD Complex to the prevailing market value of RM141,307,980.00; and
- (b) sale by PGSB of a block of 7-storey corporate office with gross area of approximately 86,856 square feet and 223 car parks to be erected on a piece of leasehold land held under HS(D) 177909, PT No. 4, Daerah Petaling, Negeri Selangor for a consideration of RM58,692,020.00 in exchange for ownership of such amount of office space in the PBD Complex and/or any part of the office building within the vicinity of the PBD Complex to the prevailing market value of RM58,692,020.00.

The abovementioned claims shall hereinafter be collectively referred to as the "Specific Performance Suit".

On 8 November 2011, BDDSB filed three (3) separate Originating Summons against the plaintiffs wherein BDDSB prayed for inter alia, the private caveats entered by the plaintiffs on the PBD Land be removed forthwith. On 31 January 2012, the High Court dismissed all the three (3) aforementioned Originating Summons with cost. BDDSB did not file an appeal to the Court of Appeal.

The Defendants, had on 13 March 2012, filed a counter claim against IESB for, inter-alia, finance costs, legal costs, administration costs, a declaration that the private caveats over the Subject Property were wrongfully entered into by IESB in 2009 and by KCPM and PGSB in 2011 and damages/compensation for the alleged wrongful entry of the said private caveats (hereinafter referred to as the "Counterclaim"). The amount of damages/compensation sought under the Counterclaim was not determinable at this stage.

The Plaintiffs and the Defendants had agreed to an amicable settlement to the dispute over the JV Agreement and the First Supplemental Agreement and the Specific Performance Suit upon terms and conditions as set out in the Second Supplemental Agreement dated 10 May 2013 entered into amongst IESB, BDDSB and DASB, wherein the relevant parties had agreed, inter alia, that the Specific Performance Suit and the Counterclaim shall be kept in abeyance pending full payment of the cash entitlement amounting to RM500 million by IESB to BDDSB. Upon full settlement of the said cash entitlement by IESB, the Specific Performance Suit and the Counterclaim shall be withdrawn with each party bearing its own costs without liberty to file afresh.

The case management which has been initially fixed on 8 July 2013 has been vacated and the High Court has fixed the matter for further case management on 11 December 2013, pending the payment of the cash entitlement by IESB to BDDSB.
